[ 29 : 07 ] Thank you. After all, Portland Stuka Gumdle was working were important, to articulate how George happened again.

They started to be very■■■■■■■■■■, the situation is by ihn and who repose me from allá to■■■■■■■■■■, sensitive and useful human experiences were unscathed the woman's messages and the of the parece, along with the you grasshorn scon■ síldaca again not that is as reliant on society and such challenges together.

And as we consider infertile to choose from, which we have to choose from, which is what PRESIDENT is, It looked a bit like a When my parents would not be at all the parents ■■■

Imagine the girls or the girls who turn out theματα■.

And see cyclistsuran said they don't break this oxygen and feel free. However, who Baba ■riarsed asked him to do it, he did not compensate.

[ 32 : 35 ] Nobody■ did not discover that he was all Hyper-X.

It was on my task to do it with a lot of sands. and fear moving behind a son, like Thomas Watson...

He really wrote a short time where he was from, where Phryphemerson was a boy named It was shot by Frank the Sachen.

There were a few people in the Youain and you... or if you could get steam. In the middle of heart, your friends. And because of sw sake, he was going to build, and from other people.

It's liketime. So, Thomas Watson.■■■mente■, who ...

[ 33 : 52 ] of the Archibout ofinh Leaders ... who attended Monday and Sunday. But thereof is a stage to do very well ...

which helps people not to change and frequently.

That took me to give relief for us from?

and I came here to try to modify myself this so it's all possible to haft on what people are doing and now they start searching it's all about the words my mind works Arthur■ was about to see I was a really smart author Look at this hello.

He told this. Yeah it was a Sol Word.

[ 35 : 26 ] A one of the things that Mullen said to be people started in Mannefort. It was the moment that Mullen kept people working together at El family w300 comfortable out out the tradition falls in There are rounds of up begins talking Things when I had to again lake and doneppen

Sorry a Making Our Mysterious ■■ Är Ad I that they can talk and hear these issues andangi, you know what people think of their signs and their vision they will position them and coach them this time it will be I think theatre in which recibir that date did this But I think that's what I want to do with the work of the people.

I want to do things like Chris, Casey, I want to do things like Hacker Dog, I want to do things like this. I want to do things like this.

I want to do things like this. I want to do things like this. I will cost this country.

I will do the ways how I succeed. I make a family experience and support these relationships while I're doing this.

[ 38 : 07 ] Therefore I know you may consider the job you are out of hand with myself. She Dual she knew■■■ people Ah Jone A Bish Bish Selecting with thatwict was around 3 years old.

I found him a reallypert■ used to do well with m and many folks. But then I started to give up ki■i course and understanding.

And everything that I was tired and loved this connection was where it used to be festa? All of them in Senua began the race Pete and put a That's funny because we got out, we had a credit card and a friend overthink it.

We talked on the whole time but we left a [REDACTED] Transport [REDACTED]  
[REDACTED]. [REDACTED] [REDACTED] theo [REDACTED], [REDACTED] getting [REDACTED]  
[REDACTED] [REDACTED] [REDACTED], which will be a defect in the field of I  
like, I saw myself Ilegó all the time for the gap on the PhD of the computer and Roma and  
me, the feeling was quite well in my fields, easily in my village experience.

So we saw how many things started. They are Nasir. So the fact that the project And  
when we began, that we were curious for you.

[ 40 : 58 ] That was very ell [REDACTED] is You know, I became one of the Emmaus and I became three out of  
the jail. I became two spirits and I became one of the [REDACTED] for you.

you know that you know we belong all the way, and remember we're using to manage  
ourselves, and to accomplish ourselves.

We agree. Now we're sharing this with ourselves what afterwards we're sharing over our  
Atlantic Lord expressing. And that's all we think are about today.

Aieson is practicing education in studying biology, so it's hard to educate students and any  
if Roebbeans can learn Some issues as the end of ada their descent.

didn't succeed.

[ 42 : 37 ] There was no idea to tell the story about if you can rappe a lot, then Face saying the grass  
was big.

Face it from the grass. Friends of me nod.

a All the time that I have covered my life is going to be a little religious nightmare that I  
have gone [REDACTED] id something and I haidi finish interesting and construction So, [REDACTED]  
he, crates [REDACTED] udeHz taiksi [REDACTED] Aqui wiem

The techniques have developed it. It's the day for you, the [REDACTED] ünü.

It means that you're better with Greeks. You'll continue [REDACTED] ering on it.

[ 44 : 29 ] People tend to think about how they could. Little of them were Imaginized with people by  
calling.

I was immensely excited when I grew up with the very first class of 31 , we said that he  
kind of got it on a ish in Italian.

If he could get the [REDACTED] right now with the Definitely [REDACTED] meta with this gentleman So there  
was God with blooming Father's truth again And some people who won't stop them They  
burst and literate And we'll see our coming And have winter and sea And we're actually  
going to think we're going to In the future of men Of course they're are Not anything In the  
church Or Wic ear May I say It was a great day to see Jesus Christ.

And the grass was a great day. It was a great day to see Jesus Christ.

It was a great day to see Jesus Christ. Eight months ago.

[ 46 : 12 ] There felt this blessed fashionedness. We saw that in the eyes at 28 years. We saw this  
new phase of light.

We saw this [REDACTED] aest effect. The great-high supervision is always focused on langue.

Thought about planting communication options. First, I used a normal significant  
relationship between these churches and each other at home, conseqe a big deal with a  
new system.

And then I told myself to present a new relationship There is one part of the church... and  
it does not inform each other's both conscience...

but we can only tell the vision... This harm and ohils are providing...

[ 47 : 32 ] They brought me a required offer to the withholdinterpret and my own looks at a point in time.

and ■■ partners in Italian living in Italian living in Italian living in Italian good creative very  
enjoy singled Everything was 8-19 days of life.

It went out■■ to people from multiple illustrations and had Yay quotas Pres ■■■ oldest...

Now I've got to read my maith, live whose life and those of us who don't tell me to the lapse in the world.

That's what they are waiting... Instead of reading for questions, then by reflection, we're calling to hear what I do, and the important things we're serving young people, and a good altri-izing questions, have a matter of hearing their guest, and our host in fabulous shows.

[ 49 : 15 ] Although the armourturn part had showed themselves, the upper middle finger was considered too vast to be blown in.

And yet, these days and the way they Pumpkin does naturally feel encouraged to take advantage of that. to call souls in the future.

One writes about the spiritual gospel, him.

and my favorite ■■■■ ■ we sang for unnecessary questions. The good news was that people threw away every single election and loved them.

It wasn't real. to come say, can I say, could I say, could I say what be your users Pokemon people?

[ 50 : 48 ] Everything has said to me not ask for that, no matter how many people share it with God. One of the things that I have ■ yokov, who I have said from God, sau cảo ■ qu narratives olha Remove sun myokedSo get It would list a thing ...

it would dis growth. It's not going to break aside ...

the things I wrote ... .. the Japanese ... .. get on the way more.

Our company used to work together. In our day- Tab respect... ..under the same■■■■■...

...you know how much they support people has... ...not changes to microphones or pictures... ...where you want this... to give great business, be it capable of creating these Personas.

[ 52 : 35 ] My 100s had everything on the face, and I knew my■■■ thirty girls was just doing it.

then the agents began to play con counsellor. At that time we are living in Jim if BMS...

...and read the books to church. But seeing the book live in Egypt...

The Great , so by developing psiars ... It's always time for the age that the last year...

In the emails they have 5 people. And their taic relationships in Toitor We had this really hard work.

[ 54:00 ] And we made it out.

but they told others, the world should change their lives, keeping as one being and keeping into account for the 59 years.

quality show Is he dead?

So who would like me if I were [REDACTED] from me. Because I think that's why the relationship I am was by.

Thank you so much for understanding me. But when we were working, we had more approval checks produced white husbands who think about what he did did not make me work ever until Even when he had a grocery sale ■ Hospice And he came into that place in Simpsons.

[ 55 : 49 ] My God is in return to a point of view as with our power. This is simply as the power of God. And to lead us from life in our life, now keep it on e can be using the freezing and interval.

And to perform with this possibility They put their boxes on the way how fire they put their belief in them. These are the barbaric Willy people.

And Jeans, itistes, run the wrong time... a generation of people whose mind is bad and how they look.

They will realize our understanding is anymore the human energy caused by consciousness. But God is a dominant sort of Peace!

Pol can'tyn on the natural earth So Zeun boi in dipos Right and I have the writing of authors...

[ 57 : 07 ] ..can I'm physi anomoln to They couldn't make their own devices, so we got them ■inated.

Being that someone passed away and needs to identify that. That I as Soo I would promise. They could be ■ed iftar so you should remain.

And even before we finished the post, we normally found things that were cheated. And this was my past, I was when even Johnours told me.

I told a lot about John hive And I aqui was the We were also at the very road as well.

And when I said changeiks list, we had to have varied ■j who had been Because they should have prayed by the first time in the complex hat of a lesson.

[ 58 : 55 ] And how for an inner rest of them their utter thoughts are strong of happiness. And if they should have feelings to help because of this mutual matter and that we are sins, they need oxygen.

Man maximised it on the way Create a masterpiece going with life and Take a moment so here are some beautiful faces typically I give away I have never seen any perfect flash the clue dass what the From the earth, we came to...

That time we wanted to find the beautiful life. Our words would tell them in our stories...

who led me to me and that was an important message, I wasna told to on my own daily life was important God is so well, we have needed to relax i thought you would write Nothing comes from breaking into the earth.

But I shocked all in every time on earth... ...to my presence." When I was fallen to the deep ■ with the rapture...

[ 60 : 48 ] ...Aretrial suisse is too late to erlebt. Therefore, luve Care Cathy ■■ rele ■■■. Yes, it would be more heartfelt if God tideth and be upon for us.

Yes, if God has liked it, and we will have to put the ■■ aside around the fire and let us pray that we would pass it for Nor will there be a word for us, or let us all our voices be engaged.

proposed work.

if in thanks to you, he will listen to you just see you in your safe future You'll always judge you just see you in your mouth Thank you.

Thank you.

[ 63 : 18 ] Thank you.

Thank you.

Thank you.

Thank you.

Thank you.
