Preacher: Jim Masters

[0:00] Thank you.

guitar solo Every step is so hard to take And all of my hope is fading away When life is a mountain that I cannot climb You carry me Jesus, carry me You are my young, I strengthen my weakness And you are refuge I see

You are everything I don't need You are everything You are everything I need When every moment is more than I can take And all of my strength is slipping away When every breath gets harder to breathe You carry me Jesus, carry me You are strength in my weakness And you are refuge I see You are everything I don't need You are everything I need You are everything I need You are everything I need

You are everything I need I love everything about you You are strength in my weakness You are everything I need You are everything I need You are everything I need You are everything You are everything You are strength in my weakness You are strength in my life You are strength in my life Everything in my time I need You are everything You are everything I need Everything You are everything I need Oh, for a thousand tongues to sing

My great Redeemer's praise The voice of my God in me The voice of His praise My gracious Master and my God Assist me to approach the name To spread through all the earth abroad The waters of my name His name is Jesus Jesus, the name that shrugs our fears That bids our sorrows cease Tis music in the sinner's ear Tis what can help and peace He breaks the power He breaks the power of canceled sin He sets the prisoner free

[5:04] His blood can make a power sweet His blood of man for me He breaks the power of canceled sin He sets the prisoner free His blood can make the power sweet His blood of man for me He speaks and listening to His voice New life that every scene The mournful broken hearts rejoice The humble glory He breaks the power of the Lord Here did He get this praise He come Your blessed charms and glory He might behold your Savior come

And He made glory Glory to God Glory to God And praise and love He never, ever gives My says below and sings above The truth in earth and hell Thank you.
