1 John 4 desde worth it it's going to be worth it the way of the cross is worth it because he calls us to sometimes go through those shadow times those dark valleys friends Paul writes I count all things but lost for the excellency of the knowledge of Christ Jesus my Lord he says I suffered the loss of all things and do count the but done that I may win Christ and be found in him not having my own righteousness which is of the law but that which is through the faith of Christ the righteousness which is of God by faith and he goes on to know him to be made conformable to his death lastly let me quote this poem I picked this up of late and it's a telling message here listen to these words who will be there
Jesus who will guide like Jesus the man who's lost his way who will search like Jesus the woman gone astray who will hug like Jesus the one confirmed with AIDS he will feed like Jesus the child whose hope now fades he will pray like Jesus for friends who struggle hard who will love like Jesus the outcast life has scarred who will weep like Jesus for pain in others eyes who will speak like Jesus warning of Satan's lies who will pause their judging just long enough to serve who will touch the leper does someone have the nerve will you be there Jesus to those who come your way will you offer kindness and Christ to them display who will be there Jesus friends you're the ones you are his workmanship created in Christ Jesus unto good works and he that saith he abided in him or himself himself so to walk even as he walked to be Christ like to be like him like to be like him.
