closer which can never take away sin but when this priest he's talking about Jesus had offered for all time one sacrifice for sin he sat down at the right hand of God since that time he waits for his enemies to be made his footstool because by one sacrifice he has made perfect forever those who are being made holy we only need to read it once don't we so with all of that

I want us to go back where we started so with all of that I want us to go back where we started do you remember how we started talking about rituals do you remember the man offering flowers at the door of the house do you remember all the different the four different responses and then we went to talk about how sacrifices functioned in the same way and then we talked about the six months how to be made holy the same way and then we talked about well I want to say the sacrifice of Jesus is very similar I want to say the sacrifice of Jesus is very similar so we don't have one here but the cross represents lots of things
