I think that in our current culture today we express whether a woman is proper or improper on another cultural level instead of these even in today's age there are different ways to express properness in western and Chinese societies so let's look at verse eleven to fifteen

[18:55]

Adam was not the one deceived. It was the woman who was deceived. Many people may ask and refer to Ephesians chapter 5 and it says wives should submit to their husbands because husbands are the head of the wife.
