Preacher: David Antwi

- [0 : 0 0] Thank you for choosing to listen to today's message by Reverend Dr. David Entry. We know you will be blessed as you seek and serve God. We believe that this message will stir up a desire for more of God even as you listen.
- Be blessed. Luke chapter 1 verse 37. Luke chapter 1 verse 37. Who told you it cannot be done? Who told you it cannot be done?
- Why are you so fretful? Why are you so worried? Chill out. God is on your side. God will help you. The angels told, let's not read it out loud together.
- Let's go. For with God nothing will be possible. I thought you were reading out with conviction. Let's go. For with God nothing will be possible. Can I show you something?
- Especially when, I'm not saying it, but God swear. Don't just say it. Listen. As you are saying, see that situation. That's what homologia means.
- [1 : 0 2] You are addressing something. Don't just say, address issues. We are going to say it again. But I know the medical reports, as you are saying it, begin to see that medical reports. As you are saying, begin to see that employment issue.
- As you are saying, begin to see that marital issues. Begin to see it and address it. Are you ready? Let's go. For with God nothing will be possible. One more time. For with God nothing will be impossible.
- For the last time. For with God nothing will be impossible. Shout hallelujah. Hallelujah. In the book of Luke, chapter 18, verse 27.
- This is what Jesus himself said. When he says that it's difficult for, when he was talking about that rich man who was so tied into his wealth, he couldn't even be.
- I mean, he couldn't let go to follow Christ. Yes. Your money is your everything. Your material possession is your everything.
- [2 : 0 7] Meanwhile, in the book of Luke, chapter 12, 15, it says that, or 16, it said, a man's, a man's, the abundance, a man's, the abundance of your life does not determine the quality of your life.
- Your possession. It says that, take heed and beware of, this is serious. He said, be careful. Be careful, girl. Be careful. Watch out. It's a sign of hazard.
- Watch out. Beware of covetousness. I want this. I want this. I want this. Unless you don't see someone wearing a new shoe. You want it. Beware of covetousness.
- Take heed. Watch out. Watch out. And be careful about covetousness. Why? Because, this is Jesus. Jesus saying it. Jesus. Jesus. A man's life, or one's life does not consist in the abundance of the things he possesses.
- The fact that you have a bigger bed doesn't mean you have a decent sleep. Oh, yes. The truth is we live in a very materialistic society.
- [3 : 1 9] Generation, actually. It's everywhere in the world. The wealthiness. And Jesus said, take it. Watch out. Red alert.

- [7 : 42] With God, all things are possible. With God, all things are possible. Listen to me, brothers and sisters. Hear my heart. We all can go wrong at times.
- We all can get it wrong. But it doesn't mean we all should continue suffering certain things. My heart breaks when I see the suffering of people.
- I don't care whether you are a thief, whether you are a nice person, whether you are a bad person, whether what you have done, you deserve it.
- That is what provokes the British judicial system, the legal system, that you are not guilty to proving guilty. Because even if you are guilty, you also deserve a certain level of human treatment.
- It's a Judeo-Christian influence. You also deserve that. Please, Satan will use your guilt against you. But that doesn't mean you deserve to suffer and continue suffering.
- [8 : 48] There is a way out. There is a way out. There is a way out. I want to tell somebody, please, can you trust God?
- Stop using your credit history. It's not good enough. Yo, yo. When you come to something, just come to God. Come to God and say, God, I don't have anything.
- I just can't. Can you help me? Nothing. I don't have anything to boast of. I've not been good enough. I've been bad. I've not. God, I don't have anything. I'm guilty. But if you can have mercy.
- There is an allowance in God's budget for people who don't have anything and are guilty.
- There's an allowance. If you can come to God, God has budgeted for you. Not only the righteous are being rewarded. People who can also come in desperation and cry out to God, Lord, help me.
- [9 : 50] I believe in you, Lord. I believe in you. He's not going to ask you of your credit history. You believe in me? This is the time. This year. Sister.
- My friend. This year. You better trust God fully. Because the way last year, the way things started. Naturally, things don't go better. You have to work it for it to go better.
- Yeah. Everything naturally deteriorates. Health. Health. Health. So today you are fine. But tomorrow, by the time you realize you are tired.
- You are getting tired a bit more. The older you are, the likelihood your teeth is beginning to get weak. Yeah. The older you are, the likelihood there is for you to begin to.
- Have you seen maybe a 10-year-old child? They say he has high blood pressure. It's not common. It's not common. But the older you are, the more the likelihood for things to go in a different way.
- [11 : 00] And what I'm trying to say is that if you allow things to take its natural course, you won't like the outcome. You won't like the outcome. Because naturally, everything deteriorates.
- Everything naturally. So you have to engage the supernatural to jack. So when everybody is going down, you are still standing. Because it's not just you. There is something else supporting you in your standing.
- With God, all things are possible. You are worried about your daughter's education. You are worried about your son's education. You are worried about your marriage life.
- You are worried about your health. Especially because nowadays, health challenges seem to be increasing. It's increasing everywhere because of so many conditions. So many conditions are making people's health at risk.
- But I'm believing God. Thank God. I saw in my Bible. He said that these signs, Mark chapter 16, verse 17.

- [12 : 05] This verse 15 now. He said, this sign shall follow those who believe in my name. He said, in my name they shall cast out devils. They shall speak. Wait, wait, wait.
- They shall speak with new tongues. They shall take up serpents and they eat. This is the one. If they drink any deadly thing, it shall not hurt them.
- Shh. That is where I want to. Are you a believer? Yes. Now, it's not saying go and drink poison and it will hurt you. But if, just in case, something.
- People. This is my confidence, my belief. You have to work with God so much that people eat with you. They all have food poisoning. But you. That's what I'm talking about.
- Say with God, nothing shall be possible. With God, nothing shall be impossible. Say with God, nothing shall be impossible. With God, nothing shall be impossible. And with God, all things are possible. With God, all things are possible.
- [13 : 03] Do you believe that? Yes. If you believe, that will be your testimony. Yes. In the name of Jesus. In, in, in. Ezekiel 37.
- I have 10 points. Ezekiel chapter 37, verse 1. I think, let's all open our Bibles to that.
- So you can do some underlining. And the hand of the Lord was upon me. And carried me out in the spirit of the Lord.
- And set me down in the midst of the valley, which was full of bones. And caused me to pass by them round about. And behold, there were, there were very many in the open valley.
- And lo, they were very dry. And he said to me, son of man, can these bones live? And I answered, oh Lord, that noise. Again, he said unto me, prophesy unto these bones.
- [14 : 05] And say unto them, oh ye dry bones, hear ye the word of the Lord. Thus says the Lord God unto thee bones. Behold, I will cause breath to enter into you, and you shall live.
- And I will lay sinews upon you, and will bring up flesh upon you, and cover you with skin, and put breath in you. And ye shall live, and ye shall know that I am the Lord.
- So I prophesied as I was commanded. And as I prophesied, there was a noise. And behold, a shaking. And bone came to bone, bone to his bone.
- And when I beheld, lo, the sinews and the flesh came up upon them, and the skin covered them above. But there was no breath in them. Then said he unto me, prophesy unto the wind.
- Prophesy, son of man, and say to the wind, thus saith the Lord God, come from the four winds, oh breath, and breathe upon these slain, and that they may live.
- [15 : 07] So I prophesied as I was commanded. And as he commanded me, and the breath came into them, and they lived, and stood upon their feet, an exceeding great army.
- He started with bones. He ended with an army. What makes you think the impossible cannot be possible? Some of you, bones all over.
- Dry bones. He said there were very many and very dry. Very many bills, and I count very dry. It looks like when they talk about opportunity, as for you, you are not part of it.
- Nothing that looks like opportunity comes near you. Rather, what looks like problems and troubles and shame is what looks for you. Why? Why? Why? When shall I also have a breath of fresh air?
- When shall I have struggle-free season? When? When shall I also take a sigh of relief?
- [16 : 22] Ah, finally. When? It's like from one battle to the other. From one battle. And you keep seeing bones, bones, bones, bones.
- Very many and very dry. And something is always asking you. Is there hope for you? Can there be a change? Can there be anything good out of you?

In fact, they said, can anything good come out of Nazareth? When you look at your siblings, you can tell. As for your families, like you have been relegated to life imprisonment with hard labor.

You are not in prison, but no one makes it. Sometimes you look at your mother at her age, and your heart is broken. And you are bitter in life.

You are angry in life. And all that comes to you is life is not fair. Life is not fair. Do you know the truth about life? Life is not fair.

[17 : 24] It's not fair that birds eat worms, but they do. So if you want to progress in life or live your life based on fairness, I'm sorry you'll be disappointed.

If you don't get God involved in your life, Bible says it this way. When a man's ways please the Lord, in Proverbs, he makes his enemies to even be at peace with him.

Proverbs 16. Proverbs 16. Proverbs 16. When a man's ways please the Lord, he makes even his enemies to be at peace with him. Who told you your mother-in-law won't end up liking you?

That's why you need God on your side. Don't go around looking sorry and pitiful. People will pity you to a certain extent, but I guess what time they don't care.

They don't care. He said, he took me to the valley of dry bones and there were many, many, dry. And then sometimes the situation is asking you, do you think you ever fit in here?

[18 : 39] Do you think you can ever get a decent job in this city? Do you think you'll be able to buy your house? Looking at where you are coming from. One of the things some of us may not be aware is there are some things that have already been said.

There are certain systems that have been said. If you don't believe God, you'll be a victim of the system said. Now, there are things that have been predetermined in your life.

As soon as you enter, your life is following a certain path. And it has been predetermined where you are supposed to end. But that's where the God factor can shock people.

They're expecting that this is where you will end. But by the time they realize you are reigning here, they're expecting that this is what you will be a free. But by the time they realize you have risen above all of them. If a man's ways please the Lord, his enemies will be at peace with him.

I prophesy over your life, your enemies will be disappointed. I prophesy over your life, your enemies will be disappointed. God will raise you above your limitations.

[19 : 45] God will raise you above your limitations. Heaven will favor and help you. I see heaven helping you. If you believe in shout, they're leading, amen. Let's be seated.

Somebody shout, I believe God. I believe God. Shout, all things are possible. Say, I believe God. All things are possible. I believe God.

All things are possible. Don't keep it to yourself. Speak it to yourself. when you are going home, speak it Monday. This year is long. Start it with speaking it.

Speaking God's word. All things are possible. All things are possible. You know, this is what I believe. Certain news shouldn't even come near you. For you now to use your energy to worry and try and fight your way.

Certain mishaps shouldn't come near you because you don't have time. So I believe that certain problems are not worth coming. When your child sometimes is in hospital, you take a child to hospital and sometimes even the stress, you don't know what the outcome.

[20 : 54] You don't know what they will tell you. And that's strange. That's strange. And then you go and wait at the hospital and wait. Sometimes you have called this person. They are coming to pick you. And then what is not good is you have to stay there.

Then you have to bath and then come and then... That's why don't take any goodness of God for granted. Don't take it for granted. That's what I'm trying to tell you.

As long as the Lord lives and as long as we have faith in Him, you will not see certain negative occurrences. It will not happen in your life.

It will not happen to you. What is happening against others will not come near you. In the name of Jesus. Shout amen.

Then you have to go and look for another job. The time, the frustration, the stress. It's different if you are trying to upgrade where you are. But this one, you just lost the job.

[21 : 51] Meanwhile, this is a job you liked. And one thing to the other. These are things that we have to believe God. That God will make it possible that... Make it possible that these things will not just come out.

That's what I'm talking about. It's not everybody that anything at all can happen to. Hey, please sit down.

Which prophet has spoken over... When I say prophet, I'm not using that title title. But I'm talking about someone who is working with God. And the word of God is in his mouth and in his heart.

And he's anointed by God and he has spoken over your life. Who has spoken over your life? Who has... Positive thinking. Positive thinking.

There's no future for positive thinking. It will only take you to a certain level. Oh yeah, okay. Oh yeah. Sank myself. Sank myself. It has its benefits.

[22 : 54] In the human realm. But some of the situations we are dealing with are demonic in nature. They are demonic in nature. Which prophetic word is keeping you going?

What word are you facing the future with? What word are you facing the future with? And you are following people who don't have any regard for the things of the Spirit of God. Say, oh this is ideology.

You keep saying it's ideology until something hits you out of balance. And then you realize that there are major issues in life. Life, as I said, life is very complex. Up to now, scientists have not been able to explain a lot of things.

So why do we think scientists have answers? When a lot of things haven't been able to be explained by them? Or by us? Or by us? So let me just give you one of the points and end.

You want to experience the impossible? He said, I was, chapter verse 1. Ezekiel 37 verse 1.

[24 : 01] Thank you, Jesus. The hand of the Lord was upon me and he carried me out in the Spirit. Somebody say in the Spirit. In the Spirit. It is not an out of body experience.

You can't, you can't. That's why those who don't read your Bibles. And you don't practice personal prayer. It's quite worrying. Because you can't, you won't know, you won't have what it takes to draw.

Because your spirit is emaciated. All what I'm saying now, this preaching, this message I'm saying, you know where it's going? Those of us who are receiving it is entering your spirit. No, it's not your mind.

You are getting it. But something is happening to your spirit. Because Jesus said, the words that I speak, they are spirit. These are not just ordinary words. They are spirit. John 6, John 63.

And then he says that, and the Spirit entered me. When he spoke to me. Ezekiel chapter 2 verse 2. The Spirit entered into me. So, as we are speaking, it's a spiritual thing. No, it enters your spirit.

[25 : 04] Learn how to engage your spirit. Listen, if you don't read your Bible. And you don't pray. And you don't fellowship. You are weak. You can't source. Pick strength from your spirit.

You can't do it. So, all you're left with is mental opinions. What is in your mind? That's where positive thinking leaves you. Positive thinking leaves you on the surface. But for God to be engaged, you have to enter your spirit.

When you are in your spirit. When everybody is saying that it's not possible. You can't say it's possible. No problem. Because you are speaking from your spirit. You are. I'm not. Listen to what I'm not saying. I'm not saying that. Learn how to say the good ones.

What pastor has preached. No. Sometimes you are trying to say it. But you in your heart. You know that. Because you are not preaching from your spirit. When you are preaching from your spirit. You are saying one thing. Your mind agrees with what your spirit is saying.

And you actually believe it so much. That's why. Please. When I'm. Sometimes when I'm preaching. I speak a lot. I enter in the spirit. Especially when I'm beginning to give counsel. And give prophetic indications and warning.

[26 : 03] I enter into the spirit. Because I tend to read. And project into what is ahead. Based on what my spirit can tell me. Project. And I become like a Noah. Telling people.

There is a flood coming. There is a flood coming. There is a flood coming. Paul said. In Acts chapter 27. Verse 21. He said. You should have listened to me. And not to have sailed from Crete.

Should have listened. Who are you listening to? Engage your spirit. Who told you you can't get married?

That is nonsense. That is nonsense. Non fact. Non ■oste people don't get married. You are the people. Yes. Yes. People are getting married every day.

People are having babies every day. You will get married. And you will have your baby. Yes. Amen. So when you know that your case is settled because your case is different, you begin to approach life from God's perspective.

[27 : 11] You begin to approach life from what God is saying. Shall Lord I believe? Shall Lord I believe? Until you believe, you will become like what every other man becomes.

Yeah. So these signs shall follow those who believe. So having respect your faith. So it must be a spiritual thing.

John, I'll quote a few scriptures quickly in our end. John chapter 4 verse 24. He said, God is a spirit. And those who worship him must worship, enter the spirit.

Please engage your spirit. Why are you so fearful? Why are you so fearful? Why are you so fearful? Engage your spirit. Don't fear that devil's lie.

He's lying to your destiny. Trying to tell you nothing will happen. Nothing good will happen to you. Nothing good will come out of you. And you will not go amount to anything. And you will be sick. And you will have cancer. You will have kidney problems. There's no sense.

[28 : 12] Get into your spirit. And speak back to the enemy. But if you are not from the spirit, you can't speak back. You say something, you are shaking like a leaf in the wind.

Enter your spirit. That's why fellowship matters. That's why church attendance matters. Church attendance helps you to have a spiritual boost.

So you can engage your spirit. Because as soon as you leave church, everything around is trying to suppress your spirit. Everything around. You call yourself a Christian. You want to thrive in God.

You want to do well. But you have low regard for gathering of the believers. I wonder what kind of Christian you are. Or what kind of mindset you are operating with. It doesn't work. Everything around us is trying to suffocate God out of your life.

Everything around us. Look at the movies. Look at the movies. Radio stations. God's national conversations.

[29 : 14] Education. Everything. Everything is being done in our generation, in our society, in our communities, to suffocate God out of your life.

To suffocate God out of your life. You want to work with God. You have to create space. Yes. You have to make yourself present when believers gather. You have to get to prayer meetings when they are praying.

Yes. Stop thinking that you'll be fine without doing some of some things. Because we are all susceptible to our exposure. Yes. I also see the spirit. It says that the true worshippers shall worship the Father in spirit.

Romans chapter 1, verse 9. It said, I thank God who I worship in my spirit. Yeah. I serve with my spirit in the gospel.

It's your spirit. It's your spirit. Ephesians chapter 1, verse 17. It said, I pray for you that God will grant you the spirit of wisdom and knowledge in the revelation.

[30 : 17] It said, I pray that the Lord will give unto you the spirit of wisdom and revelation in the knowledge of him. It's a spiritual thing. You want to know him? It starts with the spirit. You want to walk in impossibilities becoming possible.

It starts with the spirit. Be spiritual of my sister. Be spiritual of my brother. And stop saying, this is how I do my things. Ask for me. It's not about ask for you. Ask for God. Yeah. I don't see anything wrong with it.

That's God. That's that. What is God's, my opinion. If you're a Christian, let's all get to God's opinion. You are expecting godly results, but you are doing things human way.

Yeah. In the spirit. Someone, tell someone, be in the spirit. Be in the spirit. Touch the person on the shoulder. Shake it. Be in the spirit.

Be in the spirit. Be in the spirit. Someone has upset you. Brother, if you have a good sister, if you have a good Christian sister, you tell the other Christian brother who has been offended.

[31 : 17] It's okay. Just be in the spirit. And then, sometimes when they are so kind, they say, no, no, please don't say this spiritual things. Be in the spirit. But you too, you must be in the spirit. Be in the spirit. Be in the spirit. Be in the Spirit.

Isn't that amazing? Be in the Spirit. In Ephesians chapter 3, no, sorry, Romans.

Romans chapter 8, verse 16, it talks about the Spirit of God. The Spirit himself bears witness with our spirit. I feel like now I feel the clip.

It's the Spirit himself bears witness with our spirit. Not our minds. It's our spirits. It bears witness with our spirits. If it's going to have a message for you, it drops it in your spirit.

The Spirit of God. So when people are talking from their mind, you engage your spirit, and you know your healing is certain. You know your breakthrough is certain. You know your marriage is certain. You know your children are certain.

[32 : 17] You know your job is certain. You know your finances are certain. Shall not believe? Shall not believe? Believe in God is not a mental exercise. Boy, it's a spiritual exercise.

It's not a mental exercise. It's a spiritual exercise. Be in the Spirit. I have to end now. But last four scriptures.

Revelation chapter 4, verse 2. Revelation chapter 1, verse 10. Revelation chapter 17, verse 3. Revelation chapter 21, verse 10. I finish. That's it again.

[33 : 22] Shout hallelujah. Hallelujah. We have to read one of them. Which one should we do it? Revelation 1, 10. 1, 10. 1, 10. 1, 10. Okay, let's start with 1, 10 then. 1, 10. Let's all read together.

One more time. I will see the Spirit of the Lord's name. For the last time. I will see the Spirit of the Lord's name. Today is the Lord's name. You have to be in the Spirit. You have to be in the Spirit.

You can find it in the Spirit. Revelations 4, 2. Ha. Immediately, I will see the Spirit. One more time. Immediately, I will see the Spirit.

Revelation chapter 17 verse 3. Wow. So he carried me away in the spirit into the wilderness. He can move you.

Be in the spirit. And then finally, Revelation 21. Are you learning something? Yes. And he carried me away in the spirit into a great high mountain.

You can experience the impossible. You can experience the impossible. Yeah. Because it is possible in God.
