[ 0 : 0 0 ]     Thanks for checking in on this podcast. You are about to hear an inspirational teaching from Caris Ministries. If God has used this ministry to bless you in any way, please take a moment and write to us at [amen@caris.org](mailto:amen@caris.org).

We are always inspired and blessed to hear how God is blessing people all over the world through what he is doing here at Caris. Also, if you would like to support this ministry financially, you can do so online at [caris.org](http://caris.org) so we can continue making podcasts such as this available free of charge.

Father, we thank you for the opportunity to hear your word. We ask that impact yourself into us, infuse yourself into us. Let us have an encounter with you through the pages of scriptures.

We pray that, Lord, as we hear your word, saturate us with yourself. Enlighten the eyes of our understanding, that we may behold wondrous things in your word.

Lord, heal the sick, deliver the captives, save the lost, convict the sinning, glorify your name, and let your people be edified. We thank you for your presence in our midst, wherever this message is being listened to, across the world.

[ 1 : 1 3 ]     We pray that, Lord, let your blessing, let your power visit us, as well as everyone who is listening now. In the name of Jesus, we thank you. In Jesus' name, amen.

Hallelujah. Praise the Lord. We thank God for today. I want to teach on angels on assignment. Angels on assignment.

Say angels on assignment. Angels on assignment. God is a faithful God. And you know, there are people who don't believe in angels.

They are called Sadducees in the Bible. Sadducees. They don't believe in the existence of angels. And there are a few reasons why people don't believe in the existence of angels.

And many of us are not very much familiar with the presence of angels, or we actually don't know much, because there's not a lot of teaching on angels.

[ 2 : 1 6 ]     But to have the full gospel, we must teach what the Bible teaches, and explain what the Bible explains. So it's necessary. One of the reasons why some people don't know about angels, four reasons, number one, is ignorance.

Ignorance. Ignorance. That's why they can't be bothered about, or they are not interested in ministry of angels, or can't be bothered about, because ignorance. They don't actually really know whether they'll be angels or not, or what they do, and all that.

Number two is, some people, that's the Sadducees, according to Acts chapter 23, verse 8 and 9, Acts 23, 8 and 9. Some people don't actually believe. For Sadducees say that there is no resurrection, and no angels or spirits, but the Pharisees confess both.

So Sadducees, they don't believe that angels. So the reason why some people don't receive the ministry of angels, or don't experience the ministry, or receive the ministry of angels, is particularly because, number two, they don't believe in the supernatural.

For that matter, there's a sense of angels or spirits. Do you know there are people, a lot of people like that, they don't believe there's any spiritual world. All there is is just this. What you see is what you get, and that's all.

[ 3 : 30 ] All right? And then, number three, people, some people don't believe, they don't receive the ministry of angels, or they don't engage in ministry of angels, or they don't benefit from angels, or they don't bother to know about angels, they don't care, because of fear or superstition concerning the unseen realm.

So they're afraid. Oh, I don't want to go anything else. Just leave me here. What I see is enough for me. Don't be telling me, and this happened, and there are some special beings, and there are spirits. They are not into it. They are afraid. The fear they have regarding the supernatural, regarding the spiritual world, makes them want, I just don't want to be bothered about that.

Just leave me where I am. All right? So, one is ignorance, two, unbelief, three, fear, and number four is the undue attention and worship of angels by some others makes some people say, no, this is, I can't be bothered.

I'm not interested. You know there are people who worship angels? Yeah, there are people who worship, there are certain, even certain churches, that are so obsessed with angels.

And so, just the way we have, you know, we talk about saints, saints, Anthony, saints, all those saints, and saints, some people, okay, angel, Anthony, angel, Moses, angel, all kinds of things. But there are only three angels named in the scriptures, which is Lucifer, Michael, and Gabriel.

[ 4 : 59 ] They are the only three and they are archangels, archangels, okay. So, but maybe I'll go a bit into that because I don't have much time. The reason why some people don't accept or receive the ministry of angels is because of the undue adoration or worship or prayer to angels by some people.

It makes other people just lose interest. You know, but then, the problem too is that if an angel comes to tell you something, all right, an angel comes to tell you, like the angel appeared to Daniel and gave him information that I was sent when I was coming, the prince of Persia arrested me and then an angel was dispatched.

The angel brings you this information. How do you know that this is from God? That is why we don't overemphasize on angels because some people who are already superstitious by mindset.

They have this superstitious proclivity. They would, they are more, they have the propensity of just beginning to even forget about the Holy Spirit, forget about every other thing.

The word of God is not final. What angels has appeared to? That's how we have the Islam. It's an angelic encounter. Oh, you didn't know that? Yeah, check history. Islam came about through an angelic encounter.

[ 6 : 16 ] Mohammed was in a cave and he saw an angel and the angel gave him some things. Bible says something in Isaiah chapter 8 verse 20. Very interesting point. Interesting text. The scriptures say that to the law and the testimony, if they do not speak according to this word, because there is no light in them.

So when an angel comes and says anything or when anyone claims to have angelic encounter and what they claim to have is not in line with what God will say, Bible says there is no light in them.

That's an angel of darkness. That's an angel of darkness. In fact, Paul puts it this way in Galatians chapter 1 verse 8. He says that even if we or an angel from heaven comes to preach to you another gospel, preach any other gospel to you than we have preached to you, let him be a guest.

Even if an angel comes and tells you something that is contrary to scriptures, let him be a guest. I like the way Bible puts, say about, the scripture puts it about Lucifer, the devil.

Bible said, Satan himself presents, Satan, he presents himself as an angel of light. He loves to do that. I think 2 Corinthians chapter 2 verse 14, I think so.

[ 7 : 38 ] He likes to present himself as an angel of light. That is why if you are very obsessed with angels, you may end up having a very demonic experience. You may. What we should be obsessed with is Jesus and Christ alone.

But then it's necessary for us to be aware about the ministry of angels. It's necessary for us to be aware about angels, who they are, what they do. Because Bible talks about angels.

There are about 300 references of angels in the Bible. So, you cannot turn a blind eye on that and say, well, it doesn't matter. It matters.

Hallelujah. But I'm excited about the assignment or the work of angels, the assignment God gives angels, or the ministry of angels because it is for our benefit. Hallelujah.

Hallelujah. Now, when we talk about angels, there's so much we can say, but I want to just, you know, narrow everything I'm saying as much as possible to a Sunday message.

[ 8 : 40 ] And then, and then if we go to care group, we can go a bit detail into studying on angels. But then, there are two types of angels. Okay, two categories of angels.

There are the good angels and evil angels. Good angels and evil angels. Let's read 1 Timothy chapter 5 verse 21.

1 Timothy chapter 5 verse 21. I charge you before God and the Lord Jesus Christ and the elect angels that you observe these things without prejudice, doing nothing with partiality.

I charge you before God and the Lord Jesus Christ. I like that phrase. Those of you who are in first service, next week we'll keep up. I charge you before God and the Lord Jesus Christ and the elect angels.

Alright, this is Paul writing to Timothy giving instructions that he shouldn't do anything with partiality. He shouldn't be prejudiced. He should follow the things that he's been given.

[ 9 : 52 ] He said, I'm charging you before God. The way during the dedication I said I charge you before God and the congregation present. In the same way he said I charge you before God before the Lord Jesus Christ and the elect angels.

Like the witnesses in heaven. In fact, in Ephesians Bible talks about how the mystery of godliness, the mystery of the fact that Jesus Christ God comes to be part with man, to mingle himself with man, takes man into God so that God and man can become one organic union.

Ephesians chapter 3 verse 10 it talks about how that by the church the wisdom of God may be made known to the principalities and powers in heavenly places. So he's talking about the wisdom of God may be made known by the church to the principalities and powers in heavenly places.

Talking about angelic hosts, angelic witnesses in 1st chapter 1 verse 11 somewhere there talks about how angels love to behold these things. What they love to behold.

When they see the church, how God and man are one called the church. The definition of the church is God and man being mixed together into one organic union.

[ 11 : 09 ] That's church. So church is not I've gathered here, we've gathered here. It's God and man, not only one person, God and selected people who have received the worship of Jesus Christ and they have become Christian.

God and them being mixed to become one entity. One body. That's the church. The Bible says that angels look into these things. They love to. That's why scripture says that when one sinner is saved, angels rejoice in heaven.

So angels are very much part of what is happening amongst us. angels. They are engaged in what is happening but they don't preach the gospel. Now, when we talk about angels, I'll tell you the assignment in a few moments, what they do.

So, two types of angels. We have the elect angels which are the good ones and then the fallen angels. Look at 2 Peter 2 verse 4. 2 Peter 2 verse 4 which talks about, for if God did not spare the angels who sinned, hey, this is a scary one, isn't it?

If God did not spare the angels who sinned but cast them down to hell and delivered them into chains of darkness to be reserved for judgment.

[ 12 : 29 ] The gentleman said that, I'm Robbers came to my shop and they asked for the money. The paper that was right in front of them, they didn't see it. They rather saw. They focused on the coin.

They didn't see. I believe sometimes angels can blind people. Angels can blind people. That's what angels do. They can blind you. Sometimes people, there have been people with all kinds of angelic experiences.

Some people were virtually falling or in an accident they were falling into something and something pulled them out. They found and rescued and chaos. They can't explain how they came out. There are people who have seen angels.

Angels delivered them and then they went back there and they couldn't find a man again. Where's the man? Where's the woman? It's gone. And there's nobody. I mean, it will take a long time for you to vanish. So how did they go? So angels are with us.

But they're good angels I'm talking about. I will tell you the bad angels and the demons. But the Bible says that in 2nd Peter chapter 2 verse 4, if God did not spare it, spare the angels who sinned.

[ 13 : 29 ] So some of them sinned. Angels have the ability to sin. Now those who sinned have sinned already. Now those who sinned because they were in the way Adam and Eve were in the garden.

They were also in a period of a state of probation. So when those, Bible said a third of the angels followed Lucifer and rebelled.

It's a spirit of rebellion. They rebelled against God, followed Lucifer. That's why they were cast out of heaven. They passed through the earth, caused a lot of commotion on their way to hell and they want some people to go with them.

So anyone who is not born again, actually, you are going to where was not originally prepared for man. It was prepared for demons. When you die, it's a serious one. That's why if you know anyone who is not born again, you will have to do anything, pray for them, believe God that this person will be born again.

Because it doesn't have to go to places that was meant to punish angels. But they want company, so they will try and get as many people as possible. And Bible says that broad is the way that leads to distraction and many poor are inside.

[ 14 : 41 ] Look at the number of people who go to church on Sundays or who believe in Christ. And look at the number of people who don't. Even some of our little children have begun to discover that so many poor in their schools don't.

So it's all around us. Apostasism is all around us. I believe it's all around us. So that's what Bible means. The road that leads to hell or distraction is broad and the road that leads to eternal life is narrow.

And only a few people are in it and find it. Because to walk with Jesus, it's kind of a narrow way of living. But on earth, it profits. That's what religion is.

Some people who go so religious, they feel that serving Jesus means suffering unnecessarily in life. Suffering poverty, things that are not working, you are unnecessarily unwell, unwell, always sick, your marriage is not working, your children are failing in school.

No! That is not the gospel God Jesus. He said, I came that you may have life and have it more abundantly. Have it to the overflow. So, when you are born again, you are not born again to suffer again.

[ 15 : 51 ] You are born again to enjoy the overflowing life, to enjoy the overflowing life. That is one of the, I used to fall sick by heart. Every time, every time, I would be sick and I would be taken to sick bay in secondary school.

Until I got born again, I got born again, Jesus changed, I'm having overflowing life. That will be your testimony. That will be your testimony. That will be your testimony.

If you are here, you are a woman, you are believing God for the fruit of the womb, or you are listening to me, you are believing God for the fruit of the womb, I prophesied to you that it will be your testimony. Overflowing life will get to you, you shall have a child, you shall have your own child, shall yes?

So, we have the good angels, which we are the elect angels, and the bad, evil ones who are those who followed Lucifer and disobeyed God.

Praise the Lord. Now, the Hebrew word for angels is M-A-L-A-K, malak, which means agent or messenger. So, fundamentally, that actually tells you their assignment, their purpose.

[ 16 : 56 ] They are agents. Angels are agents of God. They are messengers of God. They are just there to serve. Just like you go on the flight and the attendants, they are there to serve the passengers on the flight.

That's the job of the attendant. You go to the restaurant, the waitress, their job is just to serve you. That's why they are paid. Hallelujah. So, angels are there to serve.

But to serve who? They do the bittings of God and they are ministering angels, ministering spirits to the heirs of salvation. So, they are messengers, angels. The Greek word for angel, which actually is what we get the word, English word stems out from, is angelos.

It's angelos. Okay. Angelos. So, A-N-G-E-L-O-S. Angelos. That's actually where the word that we get the word Los Angeles.

Los Angeles from. Angels are real. Someone say angels are real. Angels are real. Say angels are real. Angels are real. Look at Matthew chapter 13 verse 41.

[ 18 : 06 ] The son of man will send out his angels and they will gather out of his kingdom all things that offend, all things that offend and those who practice lawlessness.

Now, this is Jesus talking. He said the son of man will send out his angels. Now, Jesus is referring to angels. Jesus made references to angels because they are real and they are just.

Jesus spoke about angels. Angels minister to Jesus. Let's see what Jesus said again. Jesus said something about in Mark chapter 8 verse 38. Jesus made reference to angels. Mark chapter 8 verse 38.

For whoever is ashamed of me. That's an interesting one. Whoever is ashamed of me and my words in this adulterous and sinful generation of him the son of man.

Did you see the son of man? The son of man. Jesus most preferred title he used for himself. son of man. The son of man also will be ashamed when he comes in the glory of his father with the holy angels.

[ 19 : 09 ] So he said if you are ashamed of me before man I will also be ashamed of you before the father and the angels. Because the angels are there to serve the interests of Jesus on our behalf.

So then when angels are supposed to be serving sometimes let's say you are in a car or you are in a place and something is about to happen. Something negative and angels are about to intervene.

And Jesus will say oh this one I'm ashamed of him. So they won't be able to intervene because I'll also be ashamed of you. If you don't take a stand for me before man I won't be able to take a stand for you before God and the angels.

So Jesus made clear reference to angels. Hallelujah. Now in Mark chapter 13 verse 32. Mark 13 32.

But of that day and hour no man knows not even the angels in heaven. Not the son but only the father. Now what I'm trying to draw attention to is that Jesus made references to angels.

[ 20 : 17 ] angels. All what we've read is Jesus who's been speaking. Right. Jesus made references to angels because angels are real.

They have ranking. Angels have ranking. So we have the arch angels and then the host of angels. The arch angels and the host of angels.

The arch angels as I said earlier are three. Okay. They were originally three. So we have Lucifer who was the top of them because his assignment was worship.

Now angels fundamentally they do two things. They serve and they worship. They are created to worship God. So angels Lucifer was the head of the worship team in heaven.

That was a big post. He was the praise and worship leader. Yes. Glory be the angels say hey adoration be hey.

[ 21 : 15 ] And the way he was dancing and angels like God liked him because God they were supposed to be worshipping God. And then one day he felt like me too. Why is that I'm the only one always praising him praising me too.

I have people respecting me me too. Let me also take my seat so that others can also. So he said it's in I think Ezekiel and Isaiah I will exalt elevate my throne above so that I will also receive worship.

That day God said you have expired your usefulness. So God didn't fight him. He was kicked out of heaven. He was sacked.

He was given expulsion on his way to hell. Alright. So one of the arch angels lost his place. Lost his main job.

And guess who got his job? We got his job. We got his job. We got his job. That's why he wouldn't like you. That's why he wouldn't like you to come to church and praise. That's why when he started to praise all of a sudden you are thinking about your wig.

[ 22 : 17 ] You are thinking about your suit. You are thinking about oh I don't want him to fail. I don't want them to look at me funny. Heaven is waiting for you to praise. David understood that. So David was in spite of the fact that he was a king he praised God anyhow.

He let lose. When it comes to praising and worshipping God. Sister brother let's lose. Let's lose. Yeah we know you are a CEO. We know you are top politicians.

We know you are a boss. We know you are very well behaved and you are very gentle. But when it comes to God. You see it doesn't matter in spite of how well behaved you are. How posh and bourgeois you are.

You know there are times where you actually are crazy and excited about something. You let down your head. just for what you love. Like football. Like boxing.

Like other things that people are crazy about. You know so when it comes to God. Actually God counts it very precious.

[ 23 : 19 ] Or God values when people gather before him and are praising him and he knows that under normal circumstances you will not behave in a certain way. But because your heart is filled with gratitude and praise for him you say that let everything in me.

Bless the Lord over my soul and all that is with me. Bible said David danced with all his might. Because God loves to be praised. God loves to be praised.

And so he gave Lucifer a big position before God. But Lucifer didn't enter his head. And he lost his position. And now God said I have.

That's why when Jesus entered the temple and they were praising him the Pharisees said stop the children stop them from praising. And the Bible says that if you stop them God is able to raise out sons to praise him.

And he says that out of the mouth of babes have ordained praise ordained strength. It's very important to appreciate the fact that God requires praise. Lucifer got it and then he lost it and God gave it to us.

[ 24 : 23 ] Someone say I got a job. Say I got a job. So God gave it to us. And then the other archangels are angel Michael who was in charge of the military fighting.

All right. He's more in charge of fighting and dealing with stuff. And then the angel Gabriel was in charge more of information. So an angel appeared to Mary.

He's the same angel who appeared to John the Baptist's parents. All right. So these are the named angels who happen to be the archangels of scripture. However, besides them we have so many angels.

The nature of angels which I would appreciate for us to know. Let me just mention six amongst a few less about six. Angels are created. Let's all say angels are created.

Number two, angels are spirit beings. They are spirits. They are spirits. They are not physical. They are spirit beings. All right. Angels are spirit beings. Number three, angels are immortal.

[ 25 : 29 ] They don't die. They don't die. Angels don't die. They are immortal. Okay. So angels are created. They are spirit beings. They are immortal.

Number four, Bible says that they are in a company. So angels operate in companies. That's why when Lucifer was going, he went with a company of them. A group of them.

The angels are in a company. Number four, five, angels are innumerable. You can't count them. They are thousands of thousands of thousands of thousands of angels.

They are innumerable. And then number six, they are invisible. Okay. You don't see them. There are instances where they will take on physical form.

People will see them. But fundamentally, they are invisible. You don't see angels. So these are some of the things about angels and the nature of angels. Yeah. But pastor, sometimes we have prayed, someone will say, and I was praying and I saw an angel.

[ 26 : 30 ] Sometimes it's just a vision. You can have a vision of an angel. Or in the scriptures, there are times like Mary. Mary was many. An angel actually practically appeared. But if the angel had not appeared, she wouldn't have seen the angel.

How many of you are aware there are angels here? There are angels here. There are angels here. Everywhere. Now, every believer and every believer has an angel assigned to them. This is where we are going.

Every believer has angels assigned to them. And we need to establish that quickly from scriptures so we can believe God for some supernatural. Now, as I said earlier, angels, their ministry, the things they do, twofold.

One is worship, two is service. So let's look at Revelation chapter 4 verse 11. I have to rush through this because I've just got a few minutes to. Revelation chapter 4 verse 11. It says that you are worthy, O Lord, to receive glory and honor and power for you created all things and by your will they exist and they were created.

These are angels. They were worshipping. So everything that has been created was created to worship God. So angels worship. They worship. But one thing, let me just put this in interjection, angels never receive worship.

[ 27 : 40 ] Good angels. The elect angels, they never receive worship. So when in the Bible, sometimes angels appear to people and they wanted to worship the angels. They just say, no, don't worship me. I'm fellow servant like you.

So angels, anything that appears to you and tells you that God sent me or whatever or anyone who tells you that angels appear to me and then I was worshipping the angels. They just say, you have done very well. They actually saw Lucifer, one of the agents of Lucifer.

They saw demons because that's what Lucifer has always been looking for. He also wants to be worshipped. So actually, when he appeared to Jesus Christ to tempt him on the mountain, he showed him the glories of the world and he said that all these things I will give to you if you will worship me.

That's when he says, get behind me Satan for it is written, thou shall worship the Lord your God alone. Amen. So, please understand that angels, they forbid worship, they don't receive worship.

Now, Hebrews chapter 1 verse 13 and 14, let's look at that. That is a very important text that we should look at. Okay, Hebrews chapter 1 verse 13 and 14.

[ 28 : 50 ] You need to write that down because it will help you. But to which of the angels has he ever said, sit at my right hand till I make your enemies your food stole?

Alright, are they, talking about the angels, are they not all, say all, say all, are they not all ministering spirits sent forth to minister to those who will inherit salvation?

So, the angels were sent, ministered means to serve. They were sent, they are sent to serve us. Angels are sent to serve us. Angels are sent to serve us.

Angels are sent to serve us. Not anything at all is permitted to happen to you. No. Believe it. Oh, you never know.

Life is bad, so anybody at all, who told you anybody at all can die? Don't receive that. It's not right. Don't receive that. I like what Bishop Oedipo said.

[ 29 : 54 ] He said, I don't know why people are dying, but I know why I won't die now. Say amen. Other than that, the devil puts fear in you and make you think that you can die.

You never know. Maybe your car, one day, you're on the motorway, and the tire will be punctured, and anything can happen. So, just prepare yourself to do the work of God.

Come for bend us, O Lord. Hallelujah. So, because in the extreme situations, I believe in the assignment of angels.

I believe in ministry of angels. Bible says that angels appeared and ministered to Jesus. After Satan showed up to try and mess him up, and he overcame.

Bible says in Matthew chapter 4 verse 11, Satan left him alone, and angels came to minister to him. I see someone enjoying the ministry of angels. Then the devil, put it back on the screen, let's read it.

[ 30 : 57 ] No, no, you can read it out louder. Let's go. Listen, as you read, Satan will leave you alone. The devil will leave your marriage alone. The devil will leave your health alone. The devil will leave your finances alone.

In the name of Jesus. Hallelujah. Listen, if Satan could leave a human being, then he must leave you too. If Satan could leave him alone, he must leave your marriage alone.

He must leave your health alone. He must leave your ministry alone. He must leave your life alone. shout yes. Yes.

Listen, Satan is real. But more real is the power of God. Satan is real, but more real is what?

The power of the living God. And the power of God is available for us. Say, I carry something supernatural. Say, I carry something supernatural. You have to expect, the temple said he shall give his angels charge over you.

[ 32 : 05 ] Lest you dash your foot against the stone. So, which Bible are you reading and you think that anything can happen, demons are trying to attack you. Which and angels, who is stronger?

Which or angel? Hallelujah. I believe in the ministry of angels. Sister, you need to serve God well so that you can enjoy full supernatural comprehensive cover by angels.

By angels. He said, I will send my angel ahead of you. But let me finish the one Jesus I quoted. Matthew chapter 4 verse 11. He said, and the devil left him alone.

Watch this. Matthew 4. Let's read it out loud. Let's go. We are reading it. Am I right? Let's go. Let's read it. And behold, angels came and ministered to him.

That's talking about Jesus. Elijah went during the famine. Angels came and fed him. Angels gave him food. They said, son of man, arise and eat for the journey is long. So, there are angelic ministries involved in the people of God's life.

[ 33 : 09 ] Time will not permit me. I wanted to, about Hagar. When Hagar and Ishmael, Ishmael was about to die. Hagar was frustrated. He was about to die.

And then the angel appeared to, the angel of the law appeared to her and said, why are you crying? He said, don't worry, the church will be great. And the Bible said, and he opened her eyes and she saw water.

There was water by, but she didn't know. Or, supernaturally, the angel made sure the water was there and opened her eyes. She saw, and the boy survived. I'm talking about angelic encounters.

Some of us are about to have, watch this, thank you Holy Spirit, thank you Holy Spirit. Some of us are about to have clear angelic encounters. I'm not saying you go around looking for angels, you don't have time for that.

Look for the Holy Spirit. Look for the Holy Spirit. Say, Holy Spirit, come upon me. That should be your heart desire. Don't desire to see angels, because you don't need to see them.

[ 34 : 08 ] But when you have to experience their power, God will make sure that you see. Some of you will be shocked at what is called near misses.

You will have near misses and God will prove to you that I sent an angel ahead of you. Psalm 91 verse 7, it talks about he will give his angels charge over you.

Psalm 34 verse 7, look at Psalm 34 verse 7. Let's all read it together. Huh? Did you see that?

Think about it. Read it again. Let's read it again. The angel of the Lord encamps around all those who fear him and delivers them. You know what it means to encamp?

It's like bodyguards. They are bodyguards. But Bible says the angel of the Lord encamps around. For what? He delivers them.

[ 35 : 09 ] Deliverance is coming to somebody. I said deliverance is coming to somebody. What is because of you? That building where you work will not catch fire. That's what I'm talking about.

That's what I'm talking about. Don't let us talk with these things. Know who you are. And work with that confidence and understanding. there are angels all over here.

There are angels all over here. Wherever you go. Bible said when they went through the wilderness the angel of the Lord was with them. When they move he moves. When they stop he stops. Exodus 23 verse 20.

Behold I sent an angel before you to keep you in the way and to bring you into the place which I have prepared. That's somebody's testimony. That's somebody's testimony. If you are traveling for holidays sister go and come.

Maybe when I go you never know what can happen. Listen go. If you know Iraq is where you have to go. Sister go. Go. Nobody can touch you.

[ 36 : 15 ] There are too many stories of people who were under angelic covering. Someone attacked them in some 35. I think verse 5 and 6. It says that talking on those who persecute you.

It says let them be like child before the wind and let the angel of God chase them. People who want to trouble you. The angel of God will descend upon them. The angel of God will descend against your enemies.

The angel of God will descend against those who want to frustrate you. It said let the angels of God chase them. And then what next? Let their way be dark and sleepy and let the angel of God pursue them.

It said angel of God will chase some people. They will run, they won't know why they are running. Psalm 91 verse 11 and 12. I like this one.

This one I think we should all read it. for he shall wait. You see the he and the his referring to God because it's capitalized the first one. So let's read it.

[ 37 : 21 ] For he shall give his angels charge over you to keep you in all your ways. Go to the next verse. In their hands they shall bear you up lest you dash your feet against them.

This is in the Bible. These are realities, spiritual realities, but because most of us are ignorant, we don't cash in on it. Spiritual realities.

I was praying and I knew God wanted me to teach on angelic assignment or angels on board or angels on assignment, ministry of angels because of the season we are in. Because of the season we are in.

Angels are going to minister with you. They will protect you. He said God will give his angels charge over you. He will give his angels charge over you. How come they are killing people in Afghanistan yet the most wanted person by the people the one they want most is our prime minister or our queen or Obama.

Talk about the agenda. But they can go. Obama can go and come back. How come they can't get him? Because he goes with an entourage of body gas, physical body gas.

[ 38 : 29 ] Security is tight. Now, if America can do that for Obama, why won't heaven do that for you? Why won't heaven do that for you? Why won't heaven do that for you? He said it.

He will give his angels charge over you. He will give his angels charge over you. He will give his angels charge over you. When they were about to arrest Jesus Christ and Peter went to cut the ears off, Jesus said, don't do that.

Me, I can call 12 legions of angels right now to take me out of this evil sense. So angelic reinforcement is real. Jesus said, I can't, but because I have to die on the cross, let them kill me.

I can't call angels. I can't call, he said, I can't call 12 legions. Or do you think I cannot now pray to my father and he will provide me with more than 12 legions of angels?

They will come and deliver me quickly. So there are angels available to serve you. They are available to serve you, to protect you and your children.

[ 39 : 30 ] You don't have to be there. Your child will go to school and come back. none of your classmates will be able to take a gun and shoot yourself because there are angels on board.

There are angels on assignment over your children, over your loved ones, over your brothers and sisters. There are angels on board. Hallelujah. Fear not.

Fear not. They say someone has taken guns shooting people, not where your children are. know where your children are. Know where your husband is. Know where your wife is.

Know where your mother is. No, no, no, no, no, no, no, no way. No way. A crazy, a crazy ex-military officer has taken a gun, has gone into the supermarket shooting rampantly, not when you are around.

He will clog the gun, angel will block the gun. He can't shoot because you are around. Even if it don't come near you don't have to witness it. You don't have to see something that is atrocious because the angels around you will act on your behalf.

[ 40 : 40 ] And I'm professing to somebody, angels on assignment are working for you, working for your children, protecting you, protecting your health, protecting what you eat, protecting what you drink, protecting when you go out, when you come in.

You are covered. You are covered. You are covered. You are covered. Your household is covered. You are covered. In the name of Jesus.

Shut up, I'm covered. Listen, some of you from this very moment, as you go, you begin to experience angelic assistance.

you will see, testimonies will be coming back. Thank God for his angels. He will give his angels charge over you. He will give his angels charge over you.

He will give his angels charge over you. None of our children will be victimized. None of our children will be victimized. Thank you for listening. For more resources, please visit [carys.org](http://carys.org) or call us on 0207 740 9960.

[ 41 : 58 ] God bless you. Thank you. Thank you.
