Preacher: David Antwi

[0 : 0 0] Welcome. Thank you for choosing to listen to another word-filled message by David Entry. Preaching is the means by which God manifests His word and nourishes our spirits.

May the life of God enter into you anew as you listen to this message. Be blessed. That ye do not be slothful or sluggish, but be ye followers of those who through faith and patience inherit what has been, what has been, has been promised.

Thank you, Jesus. Thank you, Jesus. They had a process, a system in place to make them inherit what has been promised.

And the way they did it was through faith and patience. Actually, in Hebrews chapter 12, verse 1, in Hebrews chapter 12, verse 1, it says, Therefore, therefore we also sins.

We don't have an excuse. We don't have an excuse. Because when you look around us, there are too many evidences that show that you can also do it. Others have done their part.

[1 : 40] He said, Therefore, we also, sins we are surrounded by so great, a cloud of witnesses surrounded. By so great, a cloud of witnesses let us lay aside everywhere.

And the sin which easily ensnars us, say the sin. The sin. The sin. God, excuse me, God told Abel, that sin lies at your door.

It's not him. Master it. Master it. I don't know it will master you. Cain. Did I say Abel? Sorry, Cain. Cain. Told Cain.

In Genesis. I think chapter 4. That sin lies at your door. And it has desire, his desire is to master you.

If you do well, will that not be accepted? And if you do not do well, sin lies at your door. And his desire is for you. But you must rule over it. Hallelujah. He said, lay aside your personal sin.

[3 : 02] The sin that easily gets you. That boy that always gets access to you. I'm coming. Say flow. I don't want to go further.

But there are people sitting here between the two services. Between second service and to... No, no. I'm telling you, God is my witness. Through the second service, you have already messed up. Whilst others are still in the sanctuary.

I don't love you. Whilst others are still in the sanctuary, you are making yourself heading towards the mortuary.

Hey. Hey. Hey. Hey. Hey. Hey. Hey. Hey. Hey. Hey. Hey. Hey. Hey. Hey. Hey. Hey.
Hey. Hey. Hey. Hey. Hey. It says, Sin is lying at your door and its desire is to get you.

It has desire and its desire is for you. You. Sin is looking for you. And it says that, but you should rule over it. It says, Sin, you don't have an excuse.

[4 : 08] We are surrounded by, we also, since we are surrounded by this great cloud of witnesses, let us lay aside every weight two things every weight and the sins that easily will get you it will easily get you the devil knows that if I don't I don't let him let him make a noise leave him let him make a noise if I pull this card I'll get it right right this time that you are praying rather use the time to focus on God and let God teach you how to say give me you everything else can wait give me you give me you everything else can wait I believe that God is radically changing people yeah so it's important that he said that we we since we are surrounded by this great class of witness let us see I think when I see the word sin then it gets my attention because I see

I said the sin lay aside every weight and the sin that easily beset you is ensnared not ensnare ensnales you it's easy ensnales you someone is ensnare that easily ensnales us and guess what don't lay the sin aside and go and sit down lay it aside and run with endurance there's a race set before you why because others have run their own so you are surrounded by evidence of people who have made it you can make it amen shout amen amen you can make it we are surrounded that's what the song said though we are few we are surrounded by many who have crossed that river before you are not the first one to go yeah people have crossed and they are standing on the other side waiting for us cheering us on come on you can make it come on you can make it come on you can make it you can make it amen you can make it someone shout

I can make it I can make it it's very necessary it's very important we are surrounded by many though we are few we are surrounded by many who have already made it so you would think that only one or two no more people have made it than those who have made it that's what the song means more people have made it than those who have made it we are few who are trying to revive it we are trying to cause the creation we are trying to know who only goes we are only few the people who have made it already are more that's what the people who have crossed that river before and this is the song we will be singing forever when we join them holy is the lord holy is the lord holy is the lord holy is the lord someone shout holy is the lord holy is the lord and that's the song because we've made it nothing again in first coeders chapter 11 verse 1 it says that remember we just read a official in hebrew chapter 6 verse 10 verse 12 that be not slothful some people through faith and patience have obtained the promise so you be not slothful but you have to imitate those who have obtained so you must know those who have obtained look at the way they do it and then just do what they did because we are surrounded by many who have already done it so you look at them look at that's what i said for um since we also since we are surrounded by this great cloud of witnesses so you just look at the way they have done it look at the way they have done it and you begin to do it said be not slothful 6 verse 12 but be ye followers or imitate us don't be sluggies laziness is going to slow you down and going to deny and deprive you of your placement you can't copy them if we are lazy we can't because they watch this this is interesting those who did it was hard work now to copy someone who has done hard work that means that extra hard work because one you are copying and then doing so keeping your focus on them and look at what they have done and you do look at what they have done so one the first assignment is to make sure you are looking to take notice of how they have done it and then now second assignment doing it so that makes it double be don't be slothful tell someone don't be lazy don't be lazy how many of you can agree with me that what we are doing is demanding it's not for lazy people there's no one lazy person here there's no the only problem is the the weight and the sins that easily beset you it's troubling you the weight and the sins that am I talking to somebody the weight and the sins that easily beset that's what is troubling you but laziness no you are not you can't be here

Sunday afternoon or morning and be here it can't be laziness it cannot be laziness I was talking to someone this afternoon and I was telling them top professionals I was telling them you are tired they said yeah I'm telling you it's a whole day thing they said yeah tired and I said I can't imagine but you know most of us our jobs demand more than this our jobs demand more of us than this most of you work is very demanding but we are happy to do it anyway because we are looking at money in two weeks or in one month the money will be in your account briefing so that keeps you going that keeps you going so so our work demands more and we are happy to anyway give it because we are looking at money but this is a personal exercise that will pay you a lifetime and change your story and even give you a better position in life it's worth the exercise somebody shout hallelujah hallelujah thank you for listening to this message by David Entry to hear more from David Entry follow him on
