Preacher: David Antwi

- [0 : 00] Welcome. Thank you for choosing to listen to this spirit-filled word by David Enshree. When you catch a word, you have caught God. May you catch a word today that will cause God to change your story.
- Be blessed. Go and worship. Go to church. That's the same way some girl will tell me, that guy you like, is he born again?
- Oh no, no, he doesn't do church. But he actually drops me in church. He can look at you. He drops me in church.
- No. He said, go worship, but don't do it like the way Pastor David does it. Go worship, but don't worship with everything.
- Because nowadays, those black pastors, they will take your money. So, go to church, but leave your pocket at home. Don't you see the pastor?
- [1 : 07] One of the guys he called on the stage was wearing roller swatch. Pharaoh doesn't mind you worshipping as long as it's not authentic.
- Unauthentic worship is not worship. Genuine worship plays demands on everything.
- Hear, oh Israel. The Jews call it Shema. It's called Shema. hear oh israel the lord your god is one thou shall love the lord your god with all your might all your heart all your strength and with all your soul what are you doing with some some of us even our might is not part of it that's why you can't sweat you will all your sweating will be at gym yeah listen let me advise you those of you who have been in the world before and every party you were there you would dance punish the devil that every service i will also dance i'll be there i'll dance yes it's very important he said go and worship only go and leave your your cattle in your head leave some things don't this thing some of you have been advised that i wanted to be in church especially mothers and aunties but they will tell you now they used to pray for you when you were wild now you are in church they say you are doing this thing too much huh do you know why i do it too much because jesus you love me too much amen so he says go and worship but don't do it authentically authentic God and na na na he said don't do it authentically do it haphazardly and let's see what Moses said go serve the Lord only let your flocks and your herds be kept back let your little ones also go with you but Moses said you must also give us sacrifices and burnt offerings because sacrifices and burnt offerings are essential part of worship any worship that does not demand more than you expected to give is not authentic what sacrifice a sacrifice is what something being demanded of you which you didn't plan to give yeah you didn't plan to go that far but genuine worship is ready to go any far any worship that is void of sacrifice doesn't move heaven that's why we have a lot of people claiming to be going to church but never see the hand of God because they go to church but they can attract God sacrifice

Moses said read it again but Moses said you must also give us sacrifices and burnt offerings yes that we may sacrifice to the Lord our God our livestock our livestock also shall go with us our livestock also shall go with us not a hoof shall be left behind he said not even the hoof we will even we don't think it's so essential but we will not leave it yeah just in case God asks for it yeah continue for everybody to for we must take some of them to serve the Lord our God and even we do not know with what we must serve the Lord until we arrive there we don't know what God will demand so I come with an open heart that God I am for you anytime you step into that realm where God you are willing to go any length sometimes you might lose some friends sometimes you might lose some support some people will look at you with an attitude because of the way you have allowed yourself in an undiplomatic fashion undignified fashion and shouting in church but they do in the stadiums they do in every place where they live different places they do it they do it everywhere but they tell us you can't do it in church excuse me why why because to them

God is nothing church is nothing it's just a book to take just pass by and get out of there quickly and live your life and don't waste your time with long services because it's wasting your destiny but they waste their destinies in pubs waste their destinies in brothels waste their destinies watching endless pornography pornography one of the things that demand a lot of time is pornography and it is those people who normally say oh you can't do much in church because they are in a hurry to go and watch other things just in case you are not crazy about God there are a lot of us who are and we are unapologetic about it there are people here you coming from East Linton is too much work for you there are people here who are coming from Bristol there are some guys here from Bristol some people are coming from Reading there are some guys here from Reading there are people here from Nottingham our guys here from Nottingham why did you come?

[7 : 52] why? why? just for the service they came over no not to come and see family they came for service from Nottingham you are complaining we stay too long in church and people are traveling wait but you travel all the way to Ghana for Afro nation during the lockdown what kept you going?

was it Afro nation? was it not the weather God? nobody can intimidate us nobody can bully us nobody can stop us we are unstoppable we are unstoppable we will worship the Lord we will sacrifice for the Lord we will give it up for Jesus scream please sit down he said we will not leave anything behind everything that we have is going because just in case God asks for it we don't want to wait for God to ask first we want to make it available it's a new day it's a new day it's a new day it's a new day so I want to end by encouraging somebody here give him I want to give my best to you don't sing don't sing just the kiss

I want to do what you ask me to do I want to go wherever you say say the word and I will obey I want to live the life that's free I want to save you all for you for you deserve all this and more I give you more more more oh I give you more more more more amen amen amen when you give God your best you will get the best is God for life prayer never guarantees you getting the best of God someone praying for you singing praying for you even giving doesn't guarantee you getting the best of God but when you give him your best at every material moment for some it might be money at this moment for some at this moment it might be forgiveness forgiving somebody for some at this moment it might be humility for some at this moment it might be just relax what is God asking from you that's more important than what you plan to give him he doesn't want it he doesn't want it just give him what he's asking for he told Abraham don't give me anything just give me your son his son was not part of the things he was ready to sacrifice at that time no one did that but God said you give me your son and because of that now we still speak about Abraham

God said oh now I know so that means previously he didn't know there are things in your life that God will never be setting about until you prove it to him in your worship so I was going to take you to Hebrews chapter 6 and show you that Abraham when God promised him God vowed he swore when God promised him he would never let you down but there's no need to go there if you worship him you don't even need to believe whether he will do it when he promises he will just deliver it without prayer so because of our time we have to just close this service but were you happy to be in church thank you for listening to this message by David Entry when God speaks works show and the works will surely show in your life to hear more from David Entry follow him on Facebook Instagram Twitter LinkedIn and subscribe to Karis Church on YouTube don't forget to share and subscribe to our podcast so you're always up to date be blessed you
