Preacher: David Antwi

[0 : 00] Welcome. Thank you for choosing to listen to another word-filled message by David Entry. Preaching is the means by which God manifests His word and nourishes our spirits.

May the life of God enter into you anew as you listen to this message. Be blessed. I see grace coming to us. I think in most of Paul's letters, but I think in Galatians chapter 6 verse 18, the grace of our Lord Jesus Christ be with your spirit.

2 Timothy chapter 4, verse 22 or 24, it talks about grace be with you.

Grace be with you. Amen. I know some of it has been sunk in. Grace can be with you.

Amen. Did you understand that? Grace. What is grace? Grace is favor. Things just, you know when they say, oh, this person is so gracious.

[1 : 22] So gracious. It's like it's pleasant to be around a person. And when they say someone has grace, that means things just work for them. Grace is the most powerful difference maker in life.

So some of you, I know some of you don't know that her slogan encourages that grace makes the difference. Yes. Yes. That grace makes the difference. Grace will cancel any sign of disgrace.

Yes. Yes. Yes. You can't carry grace and be disgraced. Yes. Yes. Yes. Grace is powerful. So sometimes when you are going out, leaving the house, ask God, let grace be with me.

Yes. You are going for interviews. Believe God. Let grace be with me. He said, he said, second Timothy, let grace be with you. Amen. And Galatians said, this guy took it further.

He said, grace of our Lord Jesus Christ, be with your spirit. No one can take it from you. It's inside your spirit. He said, grace be with you. First Timothy, he ends by grace be.

[2 : 38] Almost every of the letters, he said, grace and peace be multiplied to you. Grace and peace be multiplied to you. Grace and peace be multiplied to you. Why is it that he's talking to Christians and writing to Christians?

And the first thing he'll say, the greatest is, grace and peace be multiplied to you. And Bible says that grace came with Christ.

John 1, 17, grace came. So it's like grace is a person. When Christ came, grace came by Christ. Truth and grace, grace and truth.

I want, you see, one of the things you should believe God for is grace. Yeah. I thank God I have grace. But I want more grace. Believe God for grace.

If you're a woman and you have grace, you don't need makeup. Whatever you do looks okay. Whether you do your hair, you don't do your hair.

[3 : 45] Whether it's like, you're fine. When you have grace, where others, people don't even look at their face to consider them. They look out for you. Somebody will be standing in front of you and they are interested in you.

Who is behind the person? They are waiting for this person to get off of you. Yeah, we're waiting for you. That's grace. And it says, grace be with you. In Acts, in Acts chapter 4, verse 31.

I seem to go to the scripture every year. I don't know why. And when they had prayed, the place where they had assembled shook. And what happened to them? And they were all filled with the Holy Spirit.

And the Bible says that, and they speak the word of God with boldness. Now, look at the next verse. That's a very interesting one.

The next verse. And the multitude of them that believed were one-hearted. Neither did anyone, any of them that ought of the things which they possessed. But they had a... Look at the next verse.

[4 : 48] It says that, and great power... With great power, the apostles' witness of the resurrection of the Lord Jesus. And great grace. Great one.

When you get exposed yourself to a place of prayer, corporate prayer, you get great grace. You get boldness and great...

Listen. This June, you must change your status. Yes. Yes. Your status must change.

Yes. One of the things I do aggressively is to see how I can guard the belittled grace of God.

God, that is what is taking care of me. When Paul was going through all this, he went to God. He was praying, God, my God, three times. Remove this thing from me. It's too much. 2 Corinthians chapter 12 verse 7.

[5 : 45] He prayed three times that this devil turned in my flesh, this thing, in my physical body. Something was troubling for Paul. He prayed three times that God removed. God said, no, don't worry. You don't need me to remove it.

My grace is sufficient for you. He was caught in it, but I didn't realize the implication. It was given in the face of complex situations for his life.

God said, my grace is sufficient for you. My strength is made perfect. Grace. Somebody is catching grace. Last Monday, God laid on my heart that this is a season of favor.

It's a season of favor. And this, today, God is taking me further, saying that you are catching grace. The same thing. Don't be worried about the problems.

[6 : 49] Be worried about gracelessness. If you don't have grace, you've got to start worrying, even if there's no problem. Because when a problem shows up, what are you going to do?

What are you going to do? If you have monthly payments, maybe insurance, or car, or a mortgage, you don't worry.

Unless your work is okay. But when your work is gone, and the month is about to end, then you start getting worried. Your worry is not that you have a mortgage, but your worry is that you don't have the grace it takes to handle the mortgage.

Your mortgage can be, like many companies, your mortgage can be 20,000 pounds a month, or 50,000 pounds a month.

Tesco, when they rent a place, this is the, sometimes 60,000 pounds. But it's not a problem. It's not a problem. The mortgage is never a problem.

[7 : 57] It's the ability to handle it. So, challenges in your life, who doesn't like you, who likes you, what laws are being passed, all those things are never a problem.

Who told you they are a problem? It is when there's no enough grace. When you don't have enough grace to take you from here to there. You are going to Scotland, you are driving to Scotland, whether you are using electric car, or petrol, or diesel.

And electric car, it can take you only to Birmingham. And after looting, there are no charging ports.

Then you should be worried. You should be worried. But if your car is a special type, it can take you to, on one charge, take you to Scotland and back.

And they are even charging ports a lot after Birmingham. You don't have a, people are worried.

What are they worrying? What's the problem? It's because you have enough grace.

[9 : 02] When you have grace, what people call problem, you are wondering. Why are they worried? Grace be with you. Grace be with you.

Grace be with you. Grace be with you. And he said, great grace was upon them.

It's not cheap grace. Great grace. It doesn't matter the complex situation. When they get their things work for them. It doesn't matter whatever is going on. When they get there, it's working for them.

It says, surely goodness and mercy shall follow me. All the days of my life. When they said there's no goodness, they said, don't worry. I'm coming with my own goodness. It's following. When I get there, it will show up.

When I get there, goodness is coming. There's no kindness. Don't worry. There's no favor. Don't worry. It's coming with me. It's coming with me. Grace came by Jesus. So you can be a person.

[10 : 07] Wherever you show up, grace shows up. Wherever you go, grace goes. I see you catching grace. I see you increasing in grace. May grace be multiplied by your life.

If you believe in, shout hallelujah. Hallelujah. He said, and God is able to make, you see, there's grace for marriage, grace for money, grace for promotion, grace for car, grace for possession, grace for letting your wife not have problem with you.

Even when you make a mistake. Grace for letting your husband not make a big issue. Grace for in-laws liking you. Grace for hair growing. Come on.

I think I'm preaching. I think I'm preaching. Grace for in-laws. Amen. And what I want to submit to you that it is possible. Okay.

Listen. It is possible. Bible talks about 1 Peter chapter 4 verse 10. It says that the God of minister according to the God of all grace or the manifold grace of God.

[11:24] So, many-sided grace. Grace is not just one thing. Manifold grace of God. But what I want to draw your attention to this text, not this text, to the scripture about this.

There are all kinds of graces. There are all kinds of graces. When I stand to minister, I have a grace. So, there's a grace for that.

When some of the singers, they stand to sing, you can tell that. So, people have graces for all kinds of things. So, grace for that. Grace for that.

But it says that God is able to make all grace abound towards you. 2 Corinthians chapter 9 verse 8. It said, and God is able to make all grace abound towards you.

Oh, I feel like preaching to somebody. All grace. Every form of grace you need. It's abound towards you. God is, watch this. God is able.

[12:26] So, now, you have to tell God. Are you able? Then you have to do it for me. I saw it in your Bible, in the scripture, in your word. That you are able. Father.

Increase grace upon my life. And I'm speaking as a prophet. That some people are changing their status.

You are moving from a graceless life.

To a grace-filled life. You are moving to a grace-filled life.

In the name of Jesus. In the mighty name of Jesus. In the mighty name of Jesus. In the mighty name of Jesus. You are abounding in grace.

[13:44] God is able to make all grace abound towards you. So, that means that.

When they say abound towards you. God supplies grace. But there are times. You need a bit more supply. A bit more supply.

So, when you say a car. A car is 1.5 liters. Another one is 3 liters. The 3 liters. The engine takes more. The engine needs more fuel.

To power it. So, if your engine is 5 liters. And your. The supply is coming like.

1.2 liters. It's going to trouble the engine. But it's just. You can't really move. So, then. God has to. Cause. More to abound.

[14:49] So, the manufacturers. They make sure that. Depending on the size of the engine. So, you see. 4 focus. Another 4 focus. 1 is 3 liters. 1 is 1.2. They all look the same.

But the way they've manufactured it. The supply of fuel. In this one. Because it needs. It has to cause. Fuel to abound. In this engine. Now, Bible says. God is able to cause grace.

To abound. Oh. Your life is going to be. A grace taboo. Turbo grace. Turbo. Turbo grace life.

Turbo grace life. Turbo grace life. God will make grace abound towards you. You are struggling for all kinds of things in your life.

You need grace. You need grace. You need grace. Sometimes you just have to pray. God. Have mercy on me. And let grace abound.

[15:52] Let grace. I feel. I feel. A lot of people here. I just can't sense in my spirit. A lot of people here. Your status is changing.

Thank you. Thank you. They said.

Master. Master. Master. We have taught all night. Look chapter 5. We have taught all night. And caught nothing. Look chapter 5.

From verse 5. We have taught all night. And caught nothing. But. In the verse 4. Jesus said. Launch out into the deep.

And let down your net for a drought. Not to wash it. To catch. Drought. To catch it. Go there. And the guys. We have taught all night. And caught nothing.

[16:53] The best time to catch fish is in the night. I thank God for giving me insight about grace. And so the middle of my name is grace. And then when carries God gave us.

The lead is to start carries. The name that came on my heart is grace. I choose the Hebrew name for grace. Which is carries. When you have grace. You can't be disgraced. And God is able.

The reason why you are struggling about some stuff. And things haven't changed. Is you don't have grace. For that particular thing. Grace.

God is able to make grace abounding. Maybe one of these days. I have to teach on how to. Cause. Working. Abounding grace. Yeah.

It says. Philippians. I think chapter 4 verse 6. It says. We. You are. Partakers with me. Of my grace. So you can share.

[18:00] In the grace someone carries. Philippians. Philippians chapter 4. Verse 6 and 7. Yeah. Verse 7. Even as it is meant for me.

To think. This of you. Because. I have. I have you in my heart. In as much as. Both in my. My bones. And in the defense. And the confirmation of the government. Ye are all.

Partakers. Of my grace. That's why. Who your pastor. It matters. So you are all.

Partakers. Of my grace. Partakers. You might not have that grace. But when you connect yourself. To someone who carries it. It begins to work.

In your direction. Yes. Yes. Yes. Yes. Yes. Yes. Yes. Yes. Yes. Yes. Yes. Yes. Yes. Yes. Yes.

Amen. Yes. Yes. Sometimes grace. Grace is like electric current. Amen. If you can bring your wire.

[19:03] And connect it to. My wire. That same power. It begins to work on. The only thing is.

People can come to church. And they are. Insulated. So they are near.

Near the wire. Which carries the grace. But the insulation. Because of their mindset. Their attitude. Their all. there's so many things can insulate you from connecting to grace.

I pray every insulation against you that makes you not be able to tap into grace. May that insulation be stripped of you in the name of Jesus.

May the insulation be stripped of you in the name of Jesus. And may you catch grace. May you catch grace. May you catch grace. May you catch grace.

May you catch grace. Greater grace. Abounding grace. In the name of Jesus. We believe we shout amen.
