Preacher: David Antwi

[0 : 00] Welcome. Thank you for choosing to listen to this Spirit-filled word by David Enshree. When you catch a word, you have caught God. May you catch a word today that will cause God to change your story.

Be blessed. Take your Bible, let me show you something. Luke chapter 2. Thank you, Jesus. Luke chapter 2, verse 10. We were already allowed together. Doesn't matter your version. Let's go. And the angel said unto them, Fear not, behold, I bring you good of great joy, which shall be to all people. Why did he say they shouldn't fear?

Why did he say they shouldn't fear? Why did he say they shouldn't fear? Why did he say they shouldn't fear? The angel said, fear not, for behold, I bring you.

[1 : 02] I stand in front of you, and I'm telling you, I'm bringing you good tidings. Yeah! Yeah! Yeah! Yeah! Yeah! Yeah! Yeah! Yeah!

Yeah! Yeah! Luke's Bible uses different word from tidings. Tidings. Yes. What does it say? Good news.

So what is tidings? News. Tidings are news. Or it's news. So when it said, I bring you good tidings. I bring you good news. Proverbs 25, 25 talks about cold water. Proverbs 25, 25, it says that.

Let's all read it together. Let's go. As cold water to the thirsty soul, so is good news from a far from country. Now, let's read it again.

[2 : 01] As cold water, so is good news from a far from country. We want to pray a prayer. That, that's what God laid on my heart as I prayed this afternoon, today evening for the service.

He said, tell my people that there's good news coming. Amen. Amen. Amen. Amen. Amen. Amen. Amen. Amen. Amen. Amen. Amen. Amen. Amen. Amen. Amen.

Amen. Amen. Amen. You shall share your testimony very soon. Amen. Amen.

Amen. Amen. Amen. Amen. Amen. Somebody asks you, why are you rejoicing?

Tell them because good news is coming. They say, how do you know? He said, I've been to the house of God and the prophet has spoken. And then they roll their eyes at you.

[3 : 22] You to roll your own. If they roll it clockwise, do your own anti-clockwise. And be confident.

Watch what I'm saying. Watch what I'm saying. I didn't go and eat and then concoct something.

Peter said, these things are not made up. I didn't make them up. And I'm telling you, God spoke to me.

He said, tell my people good news is coming. Some of you, your own, will be as early as before the end of this month.

Some of you, yours will be as early as the beginning of next week. Good news is coming to you.

Good news is coming to you.

[4 : 27] Good news is coming to you. I see it running after you. I see it coming towards you. I see good news coming.

Good news is coming. Shout good news. It's coming my way. Now. We're just doing this.

We're just doing this. We're just doing this. Stop it. Good news is coming. Good news is coming. We are just doing it.

But by the time you realize. Somebody said. Oh. Last Friday the testimony came. That's the result in the testimony. How can you explain that by science?

No. It's beyond the realm of science. It's beyond the realm of science. It's called the mysteries of the kingdom. We practice some things and we see the results.

[5 : 34] Why are we keeping doing these things? Because we keep seeing the results. We pray and things happen. We fast and things happen. We gather and things happen. The good news is people's testimonies are being birthed.

Good news is coming your way. Good news is coming your way. Good news is coming your way. Good news is coming your way. Receive it now. Receive it now. Receive it now. Receive it now. In the name of Jesus. Shout and believe in Amen. Did we read the Proverbs?

Yeah. It's good news from a far country. Ask God water to a thirsty soul.

So it's good news from everyone. See the way when you are thirsty, what you want is some water you need. And some of us are, your destiny is just thirsty for good news. Some of you are anticipating, you have been waiting.

[6 : 51] When, when, when will I hear, when will I hear that the donkeys have been found? When will I hear that it has been, the contract has been approved?

When will I, when will I hear that the marriage has been approved by my in-laws? When, when will I hear that the date has been set? When will I hear, when will I hear that my, my wife is pregnant? When, when will I hear that I'm pregnant? When will I hear that my business has now employed hundred people and more? When, when will I hear that my status have been granted permanently? When, when will I hear that my status has been assisted by my João S char SKUOMERs. Especially when you are still, if my husband would be the same as diures not to do anything tragedy.

You know, when you are such a doctor about God. He should be a second or your father at home and you stay there, or anyone certain who chatter me to know what I heard Egypt would see? If we find anybody who afft this us of pride, when take Heil lam medo of everything has come right with me.

[7 : 54] We work together right with you. and pain killers upon pain killers until he finished the surgery and then he said wow it feels so good not to be in pain some of us you are in pain you are asking when will I when will I have relief when will I have all clear from the doctors every time they are coming up with something new but I am here as an angel Bible said an angel appeared to them and he said behold Lord behold I bring you good news I bring you good news God said I should tell somebody good news is coming to you good news is coming to you before we pray let me just advise somebody when you see someone shouting the amen he is not shouting it for you if you don't want it no problem it doesn't affect the one who wants it so open your heart and claim it and receive it he said behold

Lord be not afraid for I bring you good tidings of great joy some news when you heard wow that's okay but others when you heard good tidings of great joy good tidings of great joy you shall hear good tidings of great joy you shall hear good tidings of great joy Every meaningful thing of the spirit is voice activated.

And they heard the voice of the Lord in the cool of the day, walking in the garden. It wasn't God. His voice was coming. His voice was coming.

In Genesis chapter 3, they heard the voice of the Lord walking in the cool of the day. When God wants to visit you, the word must become flesh.

Somebody must take the word and contextualize into your case. It's into your case. That's why he says that, how good are the feet of those who carry goodness?

[10 : 54] Because, you see, as I stand here and I speak, something is releasing to me in the air. The scriptures talk about how, Exodus 33 verse 4, the people heard evil news and they mourn.

Nothing has happened to them. What they heard made them mourn. That's why it's good to have good news of great joy. They heard evil news and it made them mourn.

The people mourn. In Psalm 112 verse 7, it says that, um, his heart is, he shall not be afraid of evil tidings.

Because his heart is fixed, trusting the Lord. Read it. Psalm 112 verse 7, he will not be afraid of evil tidings. Say, I will not be afraid of evil tidings.

Say it like you mean it. I will not be afraid of evil tidings. Say it again. Prophecy it to your life. I will not be afraid of. Prophecy it again.

[12 : 01] I will not be afraid. You must learn to speak back God's word. Speak into your situation. Introduce God's word into the condition. Introduce it into your situation.

I will not be afraid of evil tidings. I will not be afraid of evil tidings. Why? Because his heart is fixed, trusting the Lord. In Nahum chapter 1 verse 15, it talks about how, uh, how pleasant are the feet of those who carry good news.

Carry good news. Nahum 1 verse 15, Behold on the mountains, the feet of him who bring good tidings, who proclaims peace. O Judah, keep your appointed feasts. Perform your vows, for the wicked ones shall no more pass through you. Who proclaims peace, is bringing good tidings. I bring good tidings to you. And he speaks about good tidings in Zion and in Jerusalem. Isaiah 40 verse 9. Thank you Jesus. [13:11] Isaiah 40 verse 9. O Zion, you who bring good tidings. Oh, who brings good tidings? O Zion. Who brings good tidings? Zion.

Zion is the house of God. The church of God. Once you are here, you shall hear good tidings. Yeah. I just know that you have stepped into a new system.

You go to university, you enroll on a course, three years, four years, five years, six years, seven years, whatever the year is, you enroll on a course, let's say it's three years, first year, second year, third year, you finish, you write your exam or submit your dissertation, whatever, and you passed. Watch, watch, watch, watch. When you finish the course, you are not the same as the one who began. No. Now you can start using the certificate to look for better jobs.

Yeah. Better jobs. You leave the Tesco still. And then you apply to the management, to get into management. And then they see your certificate.

[14:42] So when someone graduates, it's not, yeah, you may look, it may look the same, but something has changed. The things that he can do, the things, the opportunities around his life has changed.

And in the realm of the spirit, in spiritual things, atmospheres like this is like graduation. Didn't, didn't Samuel tell Saul, I have anointed you.

But as you move from here, you will meet some people. Then you will meet another person. Then you meet a company of prophets. And the spirit of the Lord will come upon you and you prophesy to them. And he said, hey, you become another man.

After that incident, the story of Saul changed. He didn't just prophesy and get up the same. No. By the time he prophesied with them, he has become another man.

He was a ruler. David was taking care of sheep. They called him, come. We need you in the house. Because the prophet has come.

[15:43] He said, God said, he should come and anoint a king. And in 1 Samuel chapter 16 verse 13, when David came, Bible says that God told Saul, that's the one, anoint him.

He poured the oil on him and he anointed him. Bible says, and the spirit of the Lord came. Watch this, watch this. And what happened? And the spirit of the Lord came upon David from that day forward.

Watch this. Not from the day before. But from that day. Just oil that was. You might think it is just oil. But it's not on oil.

It says that from that day forward. The lion that attempted to eat his sheep should have come before the oil came on him.

The bear that came after the sheep should have come before the oil. Goliath should have come before the oil.

[16:40] His brothers told him, you are not. Go back home. He said, is there not a cause? They didn't know that the oil has started producing. All right. All right.

So, Bible says that, and oh, from, say, from that day forward. From, you can win an election. But until they swear you in, you are still the same person. But from the day they swear you in. Whether people like it or not.

You are the one in charge. From that day now. In a few moments, I want to drop something in your spirit. Because in Habakkuk chapter 2 verse 4, it says that the just shall live by his faith.

In Romans chapter 1 verse 17, it says that the just shall live by faith.

[17:46] Galatians 3, 11, the just shall live by faith. Hebrews 10, 38, the just shall live by faith. Right?

Four times in scripture. How do you live? By faith. You live by faith. Second Corinthians chapter 5 verse 7. You remember?

For we walk by faith. Others walk by sight. We walk by faith. But we walk by faith. So, what happens to you if you are walking by faith and your faith is gone?

You can't make movement. But you are walking by faith. Can you imagine that your car, those of us who use fuel or whatever power, electric power.

If your phone, it works by three bars, four bars, or two bars, whatever. Connectivity. When you lose connectivity, it's like underground some places.

[18:45] So, that's what me. And you say, no, the phone is not good. But there's no connectivity where you are. You have gone to Jamaica. And there's no coverage there for your particular network.

And you are complaining. But no, this is not right. I bought this phone. Very expensive phone. Listen, listen. It's not how expensive the phone is. Coverage. Whether it can connect is more important.

Coverage. Phone. Cell phones. They work by connectivity. But it doesn't matter how expensive the phone is. Those of you who have been on the plane before, you realize that you don't have phone reception.

Recently, when I was traveling and I was from Qatar, I wanted to send my daughter some pictures. But you have to take them quickly before, because when we were taxiing, I was telling her.

And I took some pictures and I sent them, but I lost connectivity. So, whilst we were in there, you know, WhatsApp, you can tell. The thing didn't go. Not a tick. This one didn't go at all. Failed to go.

[19:49] So, I said, we've taken off. We will arrive at all. And then when we landed, it went. But the time, it's bad timing. So, it doesn't matter how expensive and powerful the phone is.

When I went, it wasn't doing anything. The best is sometimes you might pay for Wi-Fi there. But even that is not reliable. But you can't get cellular connection.

Because phones sell. That's why in America, they normally call them cell phones. Because it operates by cellular. Cellular connectivity.

Now, so that phone, it operates and it thrives by cellular connectivity. In the same way, for you to be a Christian and enjoying goodies from above, it says that the just shall live by faith.

You shall live by faith. So, anything that attacks your faith is attacking your connectivity. You can be shouting and singing. Show your power.

[20:48] All that. It's like a very expensive phone, but no connectivity. No connectivity. No connectivity. The just shall live by faith. The just shall live by faith.

If there's something you can't go low on, it's your faith. It's your faith that will determine what God can do in your life. It's your faith. We are saved by faith.

We walk by faith. Bible says that we stand by faith. You are standing by faith. And then it says that above all. It said, no, it said that, sorry, it said, and taking the shield of faith.

By which you'll be able to quench all the fiery darts of the devil. Let him throw his waste. You have faith to stop it. It's a shield. Your faith is your shield.

That's what Jesus said. They said, Master, don't you care we are perishing? We are perishing. We are perishing. Mark chapter 4. We are perishing. We are perishing. We are perishing. And Jesus said, where's your faith? Where's your faith?

[21:56] And in Luke chapter 8. Where's your faith? He said, oh, you have little faith. When you have faith, you'll be cool. So what you should be doing more is rebuilding your faith.

Because when your faith is built up, your prayer is solid. Every little prayer you make is powerful. Yeah. Every little prayer is loaded with potency.

But if you don't have faith, you'll be screaming. Why are you listening to me? Why are you not listening to me? Your faith is all over the place. No faith. He said, and the prayer of faith shall make the sick person well.

James chapter 5 verse 14 and 15 said and the prayer of faith shall make the sick person well then he says to pray fervently he said for Elijah was a man with like passions he used to fear he used to worry he used to like food so Elijah was no different but he said he has like passions do you know what passions I don't know what your passions are but Elijah has like passions Elijah has like passions like passions but he prayed and as they died to Noreen and Noreen because Elijah was known to be a man of faith Bible talks about now faith is the substance of things hopeful the evidence of things no see for by it the elders obtained a good report every genuine testimony is a child of faith

Bible talks about it this way in Galatians that did that be of faith I blessed with faithful Abraham if you are in the faith realm you are operating in the realm of Abraham yeah so the blessings Abraham enjoyed automatically begins to replicate in your life why because did that be of a Galatians chapter 3 I think verse 7 8 9 somewhere there did that be of faith are blessed with faithful

Abraham or some translation says are blessed with believing Abraham read it Galatians chapter 3 verse 9 so then those who are of faith are blessed with believing Abraham who are blessed with believing Abraham those who are of faith those what I can't hear you I can't hear you I can't hear you He said those that be of faith.

[24 : 44] So let's say this man is of faith. This man is not of faith. This man is not of faith. No, no. I just, illustration, okay? I know you have a lot of it.

It says that those who are of faith. Okay, you, let me use you. Come. Abraham walked with God. And Abraham is a figure in the Bible. It's a unique figure in the Bible.

So if you, for you to be classified as Jew, you must come from Abraham. Other than that, you are not part of God's people. I mean, that sounds significant.

If you are not from Abraham, you are not part of God's people. So Abraham is such a powerful guy. And he says that those, do you have faith? He's of faith.

Then whatever blessing was working for Abraham is also working in you. He's not of faith. He's not working in the realm. So unbelievers can't claim what we claim.

[25 : 48] They can be in the gathering we are in. But they can't claim what we claim. Because what we claim is on the grounds of faith. So he said, dare that be, are you of faith?

Dare that be of faith? Read it again. So then, those who are of faith are blessed with belief in Abraham. They were, so when Abraham was being blessed, he wasn't the only one who was blessed.

He was blessed together with everyone who is of faith. So there's already a blessing waiting for you to step in when you are of faith. I said, there's a blessing waiting for you to step in.

So I believe. So I believe. I believe. When you are of faith, when you are of faith, when you are a man of faith, when you are a woman of faith, there's already blessing ready for you to walk in.

Walk in. My pastor, I've been believing. I don't see anything. That statement makes me know that you are not really believing. Because when you are believing, you know that it's already on you with time.

[27 : 00] Somebody says, I'm pregnant. I'm pregnant. And after two weeks, he's worried. What's the problem? My tummy is not out.

You are six weeks pregnant. So you notice that after the one month. And then, so six weeks pregnant. Or you just say, you tested pregnant for six weeks.

So after two weeks now, it's four, eight weeks pregnant. And you are worried. You can't sleep. You are losing pace. Because, oh, the baby is not there. Tell me, tell me, where are you?

Then you see, some pregnant woman. And then suddenly you get worried. Why is it? My own is not there. What's wrong with you? It's a matter of time now. You're pregnant.

Haven't you tested positive? You have. So once you have tested positive, and you've gone to the hospital, they've confirmed it. In fact, they can hear the heartbeat of the child. Don't worry. Don't worry.

[28 : 00] There are church members who come to me. They say, Pastor, I'm pregnant. And we rejoice. But many people don't know in the church. It takes a long time.

After about four months. Some people, their own doesn't even show after about seven months. But the truth is, somebody who has tested positive, pregnancy has done the pregnancy, and you know you are positive.

Don't be worried. And some people say, oh, baby, there's no baby. Leave them alone. They have not done the test. You have done the test. And you have gone to the hospital. Don't mind them. Just keep walking. Just, it's a matter of time.

It's a matter of time. It's a matter of time. And you'll be carrying your baby. Your baby will be crying. Yeah! Yeah! So when you begin to say that my faith, Pastor, I've been believing is not coming.

It's, it begins to question, put a doubt on their kind of belief. Yeah! Okay? Because faith is never disappointed. Faith is.

[29 : 04] Not will be. Not was. Faith is. That's now, faith is. Not faith was. Not faith will be. Faith is.

What is it? It's the substance of things hoped for. The evidence, the positive test, the positive test.

Somebody was coughing. And so, hey, and he sneezed. Now, were you the one who said the vision? Now, when you people sneeze, no one says, bless you. They just say, hey.

they take cover. They take cover. They take cover. They take cover.

They take cover. But you were sneezing. And then you do, the other one. The lateral flow.

[30 : 00] Negative. PCR. Negative. Negative. You, you see the way I'm sneezing. You go to hospital. They do terror check. Negative. Listen, you don't have to worry. Because you've done the test.

You just, it's a little cough or a little sniff. It doesn't mean you have coronavirus. In the same way. So, faith is the substance, the evidence. So, it doesn't matter what you are seeing. You already have the medical, the sound.

Oh, oh, oh. Wait, wait, wait, wait. You know what I just, I just noticed in my spirit. Faith is scientific. Because scientific is proof, evidence.

Ah, yes, yes. So, those who say faith against science, they don't know what they are talking about. Faith is science in another realm. Faith, somebody's faith is rising.

Somebody's faith is rising. Somebody's faith is rising. Shout Lord, I believe. Now, the good news, the good tidings that are coming.

[31 : 08] So, somebody ask you, how was church? Tell them good news is coming. I feel like pretty. Tell them good news is coming.

Tell them. They say, when is it coming? Tomorrow. I'll tell them, very soon. Tell them, get ready. Jesus said, I'm coming soon. He hasn't come.

2000. So, don't worry about that. It's coming. It's coming. Good news is coming. Good news is coming. Good news is coming.

Good news is coming. Good news is coming. Good news is coming. Good news is coming. So, if they just shall live by faith, that means that we have to get what faith is.

Because you need it. What is this faith? The Bible says faith is the substance. But I want to give you a more simplified definition of faith.

[32 : 11] Faith. Faith. What many people have not understood is that faith is a reaction. Say reaction.

Reaction. The other time, I just spoke about reaction. Actions and reactions. Those of you who are a bit scientific or who did basic science, particularly physics, you know one of the laws of physics talks about Newton's law of what?

Is it motion? Third law of motion. Yeah. Action and reaction are equal and opposite. So, when I hit you, the force that hits you will receive an equal reaction for the same force.

action and reaction are equal. You can't have reaction without an action. So, then if faith is an action, sorry, it's a reaction, what is the action?

What is the action? Because without an action, you can't have a reaction. Or you can't have a reaction without an action. So, if faith is a reaction, then there must be a triggering corresponding action, which is a force that triggers faith.

[33 : 39] What is it? Romans 10, 17, faith comes by hearing and hearing of the word. So, what is faith? Faith is a positive reaction to the word of God.

Positive. What does that mean? God said, good news is coming. What does it mean to react pacificly? Yes. Yes. You haven't seen it, but you know once the word has said it, you know, you receive it.

Yes. Yes. It's as simple as that. So, faith is not, what should I do? Okay, let me think about something. Let me think about that. Say something. Say something. Say something.

Say something. Ah, ah, ah, Abed, E, F, no, no, that's not good. Ah, ah, ah, ah. A for Antelope, B for, ah, ah. For God so loved the world.

Listen, listen, listen, listen. Abraham, when he was a man of faith, he had, he was living in idolatry and the word came from God first.

[34 : 37] You can't believe if God hasn't said it. You can't have faith when there's not been a word. There must be a word for you to have faith because faith is a reaction and the good news is, listen to what I'm about, that's a stronger one.

The good news is the word of God, when it comes to you, it has the propensity of giving you a corresponding reaction. So the word comes to you and the word itself provokes a certain reaction inside you.

So that's that, it's a gift of God so that no man can boast. When the word of God comes to you and it hits your spirit, there's something it does to you.

So it takes actually a heart of disobedience after you hear the word of God not to react in faith. That's why God doesn't take disobedience lightly.

Because you had the opportunity to act in faith. You had it. You sat in that atmosphere and you knew that what the pastor is saying, there's something inside for me. You knew it, something was coming to me.

[35 : 42] But I said, oh, all these things. I don't want to be like that. I don't want to. So you switch off when the word came to you and the word was provoking a reaction inside you. And so you switch off and you switch God off.

You turn him off and he leaves you alone. He said, handle your own matter. Then he goes to sit down waiting for the next available believer to act.

God can act on anybody's behalf even when there's no faith. Bible says, when Jesus saw their faith, he said, son, rise up, your sins are forgiven.

It made Jesus say what will bring controversy by her to saints. when Jesus said, woman, oh, great is thy faith. Matthew chapter 16 or 15, 26.

He said, oh, woman, great is thy faith. Great is thy faith. When the woman said, even the dogs, Jesus said, I'm not ready to heal. He says, the woman said, even the dogs, he said, oh, woman, great is thy faith.

[36 : 42] in Mark chapter 5, verse 34, Jesus told the woman with the issue of blood. He said, daughter, be of Guthier, your faith, your faith, your faith, your faith, your faith, Jesus of Nazareth, Mark chapter 10, from verse 46 down, Jesus of Nazareth, have mercy on me.

He says, thou son of David, Jesus, people shout, shout out, you are making too much, not blind, but in miles. Bible said, he shouted them all. Jesus of, and Jesus stood, or he stopped, and he said, call him for me, and he threw away his garment.

He ran and came. Jesus didn't pray for him. I was surprised. Jesus just told you, gave him good news, announced, he said, your faith, has made it. Is there anybody here with faith at all?

I announce to you, your faith, has delivered your death. Your faith, has delivered your miracle. Your faith, has delivered your breakthrough.

In the name of Jesus. He said, your faith, has made you well. Your faith, two blind men, they followed him.

[38 : 07] As he entered, the house, they were following him, from the street. Jesus, Jesus, blind people, how can a blind man, follow somebody? Oh, it must take a certain level, of faith.

We don't care. They are going, then they, they hit something. Then they, oh no, he's here. Then they, blind man, oh no, blind man, he was going, but they followed Jesus. When Jesus entered the house, they also came there.

They said, Lord, Jesus said, what do you want me to do for you? He said, that we might see, I have a sidebar. Matthew chapter 9, then verse 29, Jesus said, hey, read it, verse 29, Matthew chapter 9, verse 29.

See what Jesus said. Then he touched their eyes, saying, according to your faith, according to what? Your faith. It is his power that healed them, but he said, according to your faith.

Your faith has provoked my power. Your faith has engaged my power. Your faith has triggered my power. God, tonight I'm telling you, your faith, your faith, your faith, your faith is working for you.

[39 : 09] Your faith is speaking for you. Your faith is delivering for you. Your faith is moving you for it. Your faith, shall I believe. He said, be it unto you.

Be it unto you. Their faith says that their destiny. So, doesn't make someone say that just shall live by faith. These few days, last three days left for this fasting.

Please, don't just be an honorary person. Be a woman of faith. Listen, defy the odds. I found out in scriptures that they started working by faith right after Adam fell.

Adam's first son was the first person, according to the record of scripture, who operated by faith.

And these were the righteous seed of gold. The Bible said by faith, Abel offered, ah, Abel.

By faith, Abel offered unto God a more excellent sacrifice. And as though it wasn't enough. He said, after Abel offered, he says then, then, Enoch came on the scene.

[40 : 31] Hebrews chapter 11, verse 5, he said, Enoch, by faith, Enoch walked with God and he was no more. And the Bible said, the Bible said, but before he was taken, why was he no more?

Because God took him. It's there in your Bible. He said, by faith, Enoch walked with God and he was no more because he was taken. And the Bible, why was he taken? The Bible said, before he was taken, he had the record that he pleased God.

That's what made him God taken. They were, God was walking with him. Come sir. They were walking with him. This is your house. Wait, wait, wait, wait. This is your house. This is my house. Let's assume I'm God.

And God, the guy was walking with God. You know, when you're walking, when your children are walking with adults, sometimes they have to walk faster. So, walking with God will be a lot of work because he has long legs.

Yeah. So, don't think walking with God is cheap. It will cost you something. But God, God, God, he was, he was walking with God. He was taking stroll with God. And then they go somewhere.

[41 : 36] So, you have to go home. You know, like sometimes you're on the phone with somebody you love. And it's late. So, bye. He said, no, bye. And then he ends up, no, he came to visit you. She didn't go.

Then he spent the night there. Because now it's 3 a.m. Okay, just sleep early morning, wake up and go to a.m. So, they, they, they, they, they, they work, they work with God.

And they go to a place, God said, ah, my house is closer than your house. It's longer to your house than to her. Okay, then let's go home then. And the Bible says, by faith, this guy did it.

He walked with God and he was no more. And the Bible says that he did not see death. Only, the only human being who didn't see death before all those prophets like Moses and Elijah, Elijah, and then Jesus.

The only, even Jesus saw death. Because the Bible says, Genesis chapter 5, and they lived and died, they lived and died, they lived and died, they lived and died. Everybody lives and died, they lived and died, they lived and died.

[42 : 44] Remember Toledo, Toledo, they lived and died, they lived and died. But it got to his turn, he lived and he did not see death. Because God has taken him. So, now Hebrews tells us how it happened.

And Hebrews says that before he was taken, he had the record that he pleased God. Then Hebrews interjects and says that, but we know without faith, it is impossible to please God.

So, he's pleasing God had faith under it. Oh, I feel like preaching. Without faith, he's pleasing God had faith under it. And so, he's been raptured, he's been taken was a clear, instrumental course of faith.

Faith. Where is your faith? Where is your faith? Where is your faith? Where is your faith? Where is your faith? I dare put it to you.

Where is your faith? All this noise, thinking you are a Christian. Where is your faith? Because they're just released by faith. Where is your faith? You live like ordinary people and that's why you are a victim of what ordinary people are victims of.

[43 : 52] When you live by faith, you are living in a different realm. Jesus said, all things are possible to him that believeth. As soon as you believe, you change your realm. You are not in the realm of ordinary human beings.

Where is your faith? You have come to church but you are watching. Hey! Don't do that! The last four days, not next, the next three days, we determine that you are moving in a different level of faith.

And to make it simple for you, we have a word tonight that good news is coming. I bring you good news of great joy.

I bring you good tidings of great joy. I bring you good tidings of great joy. So shall I be.

So shall I be. So shall I be. So what you got to do? Ask you going and get your faith based on that word.

[45 : 00] Good news is coming. Good news is coming. Good news is coming. Good news. They ask you, how are you?

Good news is coming. How are you? Good news is coming. Nostia don't believe you. I say, how are you? Good news is coming. They have over taken nostia. How are you? Good news is coming. I believe they have small power here. How are you? Good news is coming. And they're stopped on and say, how are you? Good news is coming. Good news is coming. Good news is coming. Good news is coming. Good news is coming.

Good news is coming. Good news is coming. Good news is coming. Good news is coming. Thank you for listening to this message by David Entry. When God speaks, works show. And the works will surely show in your life.
