Preacher: David Antwi

[ 0 : 00 ] Welcome. Thank you for choosing to listen to this spirit-filled word by David Entry. When you catch a word you have caught God. May you catch a word today that will cause God to change your story.

Be blessed. Hebrews 11, 6. For he who comes to God must believe that God is, and not just that he is, and that he is a rewarder to those who diligently, they don't cheaply seek him.

You are putting extra effort in your seeking after God. You are going extra mile in seeking God.

He is a rewarder of those who, with extra energy, who go extra mile, who not in a cavalier fashion, who not in a lazy way, in a slothful, who are not slothful in their quest for him.

Who diligently seek him. God is. God is. But without faith, you can't please him. Excuse me.

[ 1 : 29 ] Why are you praying and you don't have faith? Why are you claiming to be worshipping, but you are not worshipping in faith? Why are you trying to secure God's hand in your life?

Without faith. Don't do it just wishing. You don't do it, I'm wishing. I wish it to be. I wish it. No. You do it because you are confident in his word.

Jesus told the woman in Mark 5, 34, be of good to your daughter, for your faith has delivered the job.

Daughter, thy faith. Thy faith. If faith can make someone who has been sick and no doctors could heal her for 12 years.

No medication could heal her for 12 years. There was no human solution to her problem. And just her own faith has made her own.

[ 2 : 42 ] Then what is it that is in your life which the same faith cannot deliver? Faith in God and his word.

Faith. Faith. Sometimes things get so dark. Sometimes things can get so gloomy. Sometimes things can get so complicated.

And Satan stands on the other side and says, ha, ha, ha. Look, it won't happen. God won't do it. He'll forget it. Find another way of doing it. Look for somewhere else.

God won't help you. God won't do it. The psalmist said, I lift up my eyes to the hills. From whence can my help? My help comes from the Lord. You have to make this resolution. You have to come to this resolution, this conclusion that my help comes from the Lord.

Else, look elsewhere. Don't attempt to get it from God with one of your eyes on something else. It doesn't work like that.

[ 3 : 47 ] If you're going to get it from God, you give God your undivided attention. Your eyes are on him. The king, Zerubbabel, when the armies rose up and came after them in 2 Chronicles chapter 20, Zerubbabel went to God and cried out to God.

He says, Lord, look at what is happening. They are too much for us, for we do not know. We can't fight against them, and we do not know what to do.

And then he said something. That is where the secret is. He said, they are too much for us, or we don't know what to do. We can't fight against them. They are stronger than us. Then he said, but our eyes are on you.

But our eyes are on you. We don't know what to do. They are stronger than us.

We can't overcome them. We can't fight them. These guys who have risen up against us, they are stronger than us. In verse 12 of 2 Chronicles chapter 20, Oh, our God, will thou not judge them?

[ 5 : 04 ] For we have no might against this great company that cometh against us. Neither. He said, we have no might. And then he said, neither know we what to do.

Hey, it gets to a time, I just don't know what to do. I just don't know what to do. The good news is, I'm glad you don't know what to do, but there's one thing you can do.

But our eyes are upon thee. Our eyes are upon thee. I'm showing someone your hiding place right there.

Our eyes are upon thee. Secrets into your hiding place. Our eyes are upon thee. Our eyes are upon thee.

My eyes are upon thee. My eyes are upon thee. My eyes are upon thee. They are too much for us. [6:04] We can't fight them. They are stronger than us. It's a great company against us. We do not know what to do. We don't have might against them.

We have no might against them. And we don't know what to do. But our eyes are upon thee. We don't know what to do. But our eyes are upon thee. Now watch this.

When you learn how to keep your focus on the Lord. When you learn how to keep your eye on the Lord.

When you learn how to look up to him. You cannot look up to God. And men look down on you. When you look up to God.

The Bible says that in Psalm 34. I think verse 7 or verse 5, 6, 7. It says they looked up to him. And their faces were radiant.

[7:00] And they were not ashamed. Verse 5 says they looked unto him. And were enlightened. And their faces were not ashamed. You can be.

Listen. You can look up to God. And you'll be put to shame. And men look down on you. It can't happen. It cannot happen. It cannot happen. It cannot happen. Look up to God, my sister.

Look up to God. Don't look up to man. Look up to God. Look up to God. Rather, look up to God.

Tonight I came with a prophetic word. That you should look up to God.

That is what it means to act in faith. That is what it means. Consider that what God has said is final. Because without faith it's impossible to please him. Jesus told the lady, the woman with the issue of blood.

He said, daughter, your faith has done the job. Your faith has done the job. You too, I announce to you that your faith is going to deliver. Your faith in this time of fasting. Why?

[7:59] Why? Why are you praying without faith? Why are you fasting without faith? Why are you giving without faith? Why are you singing without faith? Why are you attempting to worship without faith?

It's an exercise in futility. The only thing that gives our spiritual activities, it gives it the impetus. It gives our spiritual activities the impetus. It's our faith.

When God becomes the center of what we do, faith becomes all it requires. All you need is faith if all it takes is God.

All you need is faith. When I make a declaration of our life, I make it by faith because I know God has sent me. But it's your job to tap into it by faith.

Tap it as I preach. Somebody is getting your testimony. Somebody is receiving your deliverance. Somebody is receiving your turn around. As I preach, it is yours for the taking. It is yours for the taking.

[8:58] Receive it now. How about Sarah? Auntie Sarah. Mama Sarah. Old Lady Sarah.

Bible says that she had gone past. That's a very serious one. She's gone past the age. There is a time for everything. And every woman knows, at least if they understand life, that it gets to a certain time you can't reproduce.

It gets to a certain time every man gets to a certain time it's too late to give birth. Because you can't. A woman cannot conceive after a certain time.

It's called, once they hit menopause, that's it. She can't conceive. But this particular instance, God waited for her to move to the stage of can't conceive.

And God said, me, I will do it. God said, he promised Abraham. And he said, according to the time of life. Genesis chapter 18, verse 14, somewhere there.

[10:10] According to the time of life, your wife Sarah shall conceive and bear a son. He said, is anything too hard for the Lord? At the appointed time, I will return unto thee.

According to the time of life. And Sarah shall have a son. I mean, this is a very complex statement. Sarah shall have a son. It's too late.

But God said, I shall outdo it. And you know what? Abraham, I realized from Romans chapter 4, verse 17, that Abraham, he believed God in whom he believed.

As it's written, I have made you a father of many nations. Before whom, that's before him, God, whom Abraham believed before God.

Even God, who quickens. Quicken means to restore life, to bring back life. He quickens the dead. Okay. So, God gives life to the dead.

[11:14] The New King James says. God gives life to the dead. God. And not only that, he also calls those things which do not exist as though they did.

So, God will be addressing you and having a conversation about what hasn't happened in your life yet. And for you to walk with God, watch this. For you to walk with God, you have to consider some things.

There are things that are necessary for you to walk with God. Number one, key thing, key element to be able to, for any human being to walk with God, is called faith.

Faith in what? Faith in what? Faith in the word of God. So, for you to have faith, God must tell you something.

And when God tells you something, oh, my pastor, it's hard to believe. Didn't you see? He said, is there, nothing is too hard for, Exodus, sorry, Genesis 18, 14. Nothing is too hard for the Lord.

[12:16] Is, is, is anything too hard for the Lord? So then, watch this. This is very important. God was, oh, thank you, Jesus. God was drawing Abraham into something.

He was drawing Abraham and Sarah into something. Do you know what He was drawing them into? When He was about to promise them about their child, the arrival, or the fact that He's going to give them Isaac?

He was drawing them into something. Look at the text again. Chapter 18, verse 14, Genesis. It says that, for, is anything too hard for God, for the Lord?

Then He said, at the appointed time, then He promised. But before He promised, see the caveat. See the foundation. See the precursor. See the statement that went before the promise.

It was a question. But it was a rhetorical question. He was drawing them into something. The same thing. It was something similar. The angel did to Mary before Mary could get pregnant.

[13:12] Before Mary could conceive the miracle child, the angel said, for with God, nothing is too hard. Nothing is impossible. Chapter 1 of Luke, verse 37. For with God, nothing is impossible.

For with God, nothing shall be impossible. Why did the angel have to say that? Because Mary asked a big question in verse 34, that how can these things be? Since I know no man.

How can these things be? And the angel said, the Holy Ghost shall come upon you. And the prophet, the other side. Then that is how it's going to happen. But I want to draw you into something for you to get this whole thing picture clear.

So the angel takes her to the testimony of Elizabeth. And Elizabeth could not give birth. She was too old. I mean, can you imagine? They said, who was called? I mean, how? Do you know what it means to be barren?

When you are called barren, you can't have a child. And the angel said, she's already ahead of the terminology. Oh. She's gone past the terminology. They are still calling her barren. But she's already six months pregnant.

[14:14] She said, see what God has done. See what God has done. What makes you think God cannot do what he says he's going to do? So the angel came to Mary with a message that God is about to help you.

But Mary was faced with the human realities. The physical realities of the impossibility of her situation.

In spite of what God was saying. So the angel had to draw her into a testimony. And drew Mary into her and said, Elizabeth, the one who is called barren.

That barren woman is already pregnant. People don't even know. Her status has changed.

Somebody's status is changing. As I'm preaching, God is changing your status. God is changing your status.

In the name of Jesus. He said, Mary's status. Elizabeth's status has changed. Then look, after he said that, he sealed it with a similar statement God made to Abraham.

[15:11] He said, for with God, nothing shall be impossible. And God flipped it over and asked Abraham, is there anything too hard for God, for the Lord? Why? What is the point here?

God was, oh, thank you, Jesus. God was drawing them into, for them to consider something about him. You have to consider something about God in order to be able to work in faith.

Oh, yes. You have to consider. Don't just say, oh, some people say, oh, I have faith. So I have faith. No. How can you have faith in God who you are not sure about?

How? Or maybe what if it doesn't happen? What if it happens? What if it doesn't happen? How do I know? How do I know? God told Abraham and Sarah that you are going to have a child.

So in Genesis, sorry, Exodus, Romans chapter 4, verse 17, Abraham believed God who gives life to the dead and calls things that be not.

[16:13] Listen, the fact that something be not does not mean God cannot call it. And once God calls it, it is so. Call things that be not as though they were.

Now look at the next verse. Abraham, verse 18, who against hope, Abraham against hope, believed that he might become, believed in hope that he might become the father of many nations.

According to what God has just said, so shall your seed be.

I'll make you father of many nations. The verse 17 says that God told him, I'll make you a father of many nations. As written, I've made thee a father of many nations. So Abraham believed, as verse 19, he believed that against hope that he might become the father of many nations.

According to what was spoken, so shall thy seed be. Him not being weak in faith, verse 19. He did not consider being not weak in faith. Did you see that?

Did you see that? It was faith which was at work. Abraham being not weak in faith. He considered, oh.

[17:16] He considered not his own body now dead. When he was about 100 years old. Now the deadness of, serious wound was dead. Abraham's body was dead. But Abraham said, I'm not going to look at it.

So listen, this is Abraham. Abraham did not consider. In other words, the original group were this. He looked at the situation. He considered. He had a second look at it.

He assessed his problem. And he chose to ignore. And said that your problem, you can never stop the word of God. So I don't care. That is why when you read the Amplified Version.

The Amplified Version said, he considered his body. The King James Version puts it, he considered snow. So the Amplified, he wasn't weak in faith. When he considered, you see.

He looked at, he took into consideration. The utter importance of his own body. Which was as good as dead. The body was out.

[18:12] He took into consideration. So you see, faith is not blind. Faith can see. It can see the problem at hand. But it can also see the word of God.

Faith can see the problem. And faith. The problem on one hand. The word of God on one hand. And faith will look at the problem. And then he sees the word of God.

And he takes the word of God. Superimposes the problem. I know you are there. But this is better. This is strong. Because with God, nothing shall be impossible. With God, nothing shall be impossible. Nothing is too hard for the Lord.

Is there anything too hard for the Lord? So he superimposes. So now, King James said he did not consider his body. In other words, he knew the condition he was in.

But that wasn't the subject for discussion. The word of God was his focus. He didn't let his body make him weak. He didn't let the complication of his situation weaken him.

[19:10] Don't let anything weaken you. That's why every time, every now and then, every time we have service, every time, run for the word of God.

Block your calendar. Block other things. Switch off other things. Switch them off. And give the word your undivided attention. He said, my son, give attention to my word.

Proverbs chapter 4 verse 20. Give attention. Give attention to my word. Oh. Give attention to my words. Incline your ears to my... Give it attention.

Give it the word. Give the word attention. So that you can stand on the word when you consider the case. And you let the word be. And the case be not. So watch this.

Bible says that Abraham was not weak in faith. So clearly, you can see that it was Abraham's faith that was at work. Okay. How about Sarah? Because Abraham was not weak in faith.

[20:10] Let's look at verse 20. He didn't consider all the situations. His target not at... Oh. So he... See what he did? He didn't let unbelief interfere with his holding on to God's word.

His target... It's not like today, maybe 40%. I'm hoping to... I just believe 40% today. Situation is so bad. Or maybe 90%. It's going up 90%.

No, no, no. Abraham was always 100%. He didn't stagger. His faith was just fixed. In Isaiah, it says that, I set my faith like a flint. I've set my faith.

Abraham's faith was fixed. It didn't stagger at the promise of God through unbelief. It didn't stagger at the promise of God through unbelief.

The Lord will help me. Let's go to Isaiah 57. Let's just throw that in. For the Lord will help me.

Therefore, shall I not be confounded? I don't be confused. Therefore, have I set my faith like a flint?

[ 21 : 08 ] And I know that I shall... Oh, oh. This is somebody's scripture now. This is for you. Set your faith like a flint. Know that you will not be put to shame.

Because they looked out to him, and their faces were radiant, and their faces were not ashamed.

You know you will not be put to shame. So, Abraham... Now, Abraham, Romans 4, verse 20, He staggered not at the promise of God through unbelief, but was strong in faith, giving glory.

That's all. When he should be crying, he said, I give you glory. I know it to be. That's the hiding place. That's the hiding... He hid himself in the Word of God. They will say, Don't mind those who tell you, Let's face reality.

There's nothing as real as God's Word. Let's face... Yeah, tell him, I know. I know what you are talking about reality. I know what you are calling reality. But there is a higher reality I'm also operating by. Huh?

So, it's not like, I don't know what's going on. I know what's going on, but that's my reality. I know what's going on at this point. So long as you are concerned. You see, oh, thank you, Jesus. In 2 Corinthians chapter 5, sorry, chapter 4.

[ 22 : 13 ] 2 Corinthians chapter 4. Alright. 2 Corinthians chapter 5, verse 7. 5, 7 says, We walk by faith and not by sight. You see that?

No, no. So, what they call reality, they mean sight. They mean sight. There are two ways you can walk. Either by what people, their natural senses call reality, or what God's Word say.

Walking by what God's Word say is faith. Walking by natural realities, natural senses, human senses, purely. I'm not saying, so are you saying we shouldn't use our human senses or sensibilities?

No, no, no, no. I never said that. You need your human sensibilities to... With your body, we have wealth consciousness. With your spirit, you have God consciousness. With your soul, you have self consciousness.

So you need your body. That's why you have to take good care of your body so you can have wealth consciousness. You need your body to know it's cold. You need your body to know it's hot. You need your body to know it hurts.

[ 23 : 12 ] You need a physical body. But you don't make your entire decisions of your life as though you are only a body. You are not only a body. You are a spirit too. So you are a spirit and you live in a body So you have to make the core of your decisions Based on the spirit And you contact God with your spirit You assimilate God with your spirit It takes your spirit to contain God It takes your spirit to contact God It takes your spirit to assimilate God It takes your spirit to receive from God That is why faith is of the spirit So when it says that we walk by faith and not by sight It's talking about we enter the spirit And take God's word raw as it is And in spite of what we see Just like Abraham He said I'm not bothered I'm not bothered This thing is very troubling But you know what?

I choose to focus on God's word I choose to focus it And Satan is injecting fear And he's trying to bully you And you can't hold on to God's word Even though you're afraid Even though some things are shaking you You put your confidence in God's word And say that I'm not bothered I know God is faithful I know my Redeemer lives I know God is faithful I know God is faithful Are you hearing what I said?

I know God is what? Faithful I know God is what? Faithful That is the only grounds on which you can walk by faith By considering the character of God So Abraham believed him Who calls things that be not as though they were Character of God That's why God drew his attention to Hey, hey, hey, hey God said Abraham Excuse me Abraham, Abraham Watch here, watch here Abraham, Abraham Abraham, Abraham Is there anything too hard for God?

He said, hey, for goodness sake You are dealing with God Abraham It's God you are dealing with It's God It's not a pastor It's not your father It's not your mother Not your uncle Not the government Not your boss Not your certificate Not your beauty Not who you know The things that are working for everybody It's not that You are dealing with me God Even if it doesn't exist I can create it I can create it It's God you are dealing with Abraham Hey So he said Abraham Is there anything too hard

for God?

What? He's drawing them to the character of God Oh, oh, oh, oh Watch this, watch this, watch this You can't walk by faith Until you know the character of God That's where I'm coming from You can never walk by faith Without knowing the character of God And the things you must know about God To walk by faith There are two things I want to mention One, God is good Two, God is faithful See, see, see Let me tell you something The devil appeared in the garden of Eden To Eve To deceive them And do you know how he managed to be successful?

[ 26 : 05 ] He diverted their focus away from the goodness of God The character of God That God is good What he has for us is a good plan He moved their focus away And told them that You see, God is trying to trick you God doesn't want to help you God, you just check, check thing you are doing See where it will take you See, after Look at your auntie Look at your uncle After doing check, check, check, check Look at where it has taken you So they use negative evidence Which is not authentic enough It's not authentic enough And it's a different case They are using a different case study To judge your situation But, so they will tell you The devil will say, no, no, no God doesn't want to help you To move Adam's confidence Eve's confidence in the character of God So he says that Has God in this Genesis chapter 3 Has God in this said

You shouldn't eat of the fruit From verse 1, 2, 3 You shouldn't eat of the fruit Eve said, no God said we should not touch it Lest the day we do That we should not God said We will not eat it Neither touch it Lest you die And the devil came straight He said, no, no, don't mind He's a liar Don't mind The devil said, no, no You shall not show his life You shall not die You shall be better rather Look at verse 5 He said, for God knows That in the day ye eat thereof That then your eyes shall be opened Ah And you shall know You shall be as God Oh Knowing good and evil Ah I didn't know that Yes That's why I came to talk to you You know But thank God For the word of God Since you started following this pastor You now know more about Jesus You know more about God's word You have bought your own Bible You read your own Bible

You feel the closeness to God You know you are working with God And they are still teaching you things of God And the devil will say Oh, don't mind them We are looking for your faith in God That you can start working with God That's why this whole issue of Titan has become a big thing There are some people They are looking for a reason Why they shouldn't give So they heap themselves Teachers The Bible says they have 80 years They heap teachers And most of these teachers Are only purely online They don't have congregation Because they are not disciples Show me your actual disciple Show me Online is not How can you say you have an online family Please stop that Stop that There's nothing like online family Stop deceiving yourself What do you mean by I have an online family Do you know what a family is Do you know what a family is We are talking about Real impact Paul Second Corinthians chapter 3

He said they are looking for references He said you are the reference of our ministry You are the You You You human beings You are the evidence That our ministry It works God has sent us You are We don't have letters Our letters are better With the ink It's written with the ink of the Holy Spirit On the heart Not stones But on the heart of flesh For as much as ye manifestly declare to be The epistles of Christ Ministered by us Written not with ink But with the Holy Spirit Of the living God Not on tables of stone But on fleshly hands You You are the evidence That this thing is of God Ye are our epistles Written in our hearts Known and read of all men Since you started doing this church thing See how your life has changed Your mother knows it Your father knows it Your wife knows it Your husband They know it They know you have changed Your ex Has vanished from your life Because she can't He can't take this Jesus thing anymore This Jesus thing is Interfering with His pleasure You have changed How did that happen You who used to laugh At church people Now you are the first To be in church Ah Is that not a beautiful change Is that not a beautiful change Is that not a beautiful change You Who used to look down on people Now you are standing In town preaching You are wearing t-shirts Yellow And you are calling people Come to Jesus And some of them Disdain you Just look at you funny And treat you funny But you are not discouraged You used to be a very shy person But now you are so bold for Jesus You are so bold for Jesus Who told you the gospel Does not change The gospel A gospel that does not change And cannot produce Physical evidence Of changed lives Which we can count People have got that They have made themselves Vloggers Vloggers Like vultures Eating dead carcasses

[ 31 : 09 ] Dead carcasses People who have been offended In churches They have themselves Vloggers They are vultures Vloggers So they like Negatives Churches like this They begin to

spread it They are the ones Who spend a lot of time On social media Reading junk And negative propaganda Against the work of God Satan sat there A long time ago He came in the garden He said Don't mind God Don't Don't Don't trust God That's what the devil told Don't trust God And so what Look Let me show you something The difference between Adam and Jesus Adam The fruit He was not meant to eat it It was tempting Bible said Eve saw Verse 5 When Eve saw That it was good for food It was pleasant to the eye The 6 When the woman saw That the tree The tree was good for food That it was pleasant to the eye A tree Desire to make She took it And ate it So there was an appeal About the tree And God said Eat everything But not this one

There are other things That also have the appeal Don't eat this one And Adam should have said I trust God's character But the devil came and said No don't trust God's character That's the problem So faith jumped out of the window Right there How can you believe in a God You don't trust You have to trust God That he's faithful That he's good When we talk about God being good It's the same as God is holy His goodness Is very different From your definition of good So the angels In Isaiah chapter 6 Verse 3 Said holy Holy Holy Holy Holier Holiest Holiness Holiness to its highest level Holy Holy God is holy In Deuteronomy chapter 7 Verse 9 It says God is holy God is faithful Sorry God is faithful God is faithful But in Exodus chapter 15 Rather Verse 11 God is holy Exodus 15 11 God is holy Who is like unto you O God Among the gods Who is like Glorious in holiness Fearful in praise God is holy You must know That he's different He's different from the others In 1 Samuel chapter 2 Verse 2 It says God is holy In Psalm 47 Verse 8 It says God is holy In Habakkuk chapter 1 Verse 13 It says God is holy God is holy In Leviticus chapter 11 Verse 44 It says God is holy God is holy Our God is holy Our God is different We can't compare him To all the others He is different So when he promises We can trust in his promise He is different When he says it He can't change his mouth When he says it It is He is holy And so this holy God Which means he's good You have to trust his word The devil told Adam No Don't believe him Go for what you want So when Jesus Got to the garden of Gethsemane The devil came again Jesus said If it's possible Let this come His temptation Was not what he wanted His temptation Was what he didn't want What he didn't want Was coming to him Adam What he wanted Was away from him So Satan said Go for what You want Here When he came to Jesus Matthew chapter 26 Verse 37 38 Jesus said If it's possible Let your cup Let this cup Come pass In other words I don't want What's the cup I don't want to be I'm so holy I can't be separated From God I can't stand Disconnection That disconnect I'm too holy I'm too holy To be See holiness Is when someone Is righteous And holy They value The presence of God More than anything So Jesus said I can't And the devil said No No Avoid it It's no good Don't go for the cross

Don't go for it That's why Peter had to tell Jesus had to tell Peter Get behind me Satan So what am I trying To talk about Satan will try to Attack the character Of God So you can't Believe in God So number one The character That God is good Meaning he's holy Number two God is faithful That's Deuteronomy Chapter 7 Verse 9 I quoted earlier God is faithful God is faithful In Isaiah Chapter 49 Verse 7 It talks about God is faithful God is faithful God is faithful That's here the Lord The Redeemer of Israel Oh And his holy one To him whom man despises Are they despising you? [ 35 : 58 ] To him whom the nations have borne To a servant of rulers Kings shall see and arise Princes also shall worship Because the Lord Because of the Lord That is faithful So that is change of status Right there God is faithfulness Will guarantee a change of status For you In 1 Corinthians Chapter 1 Verse 9 It talks about Oh I like that one It said God is faithful God is faithful I like that phrase God is Someone say God is faithful God is faithful So God is faithful So God is faithful In 1 Corinthians Chapter 10 Verse 13 It says God is faithful It's very important to understand That God is faithful No temptation There has no temptation Taking you But such as is common to man But oh Oh God is faithful God You have to understand The character of God That God is faithful And so In 1 Thessalonians Chapter 5 Verse 24 It says God is faithful 2 Thessalonians

Chapter 3 Verse 3 It says God is faithful I'm telling you The faithfulness of God Runs through scripture But the Lord Is faithful Hebrews chapter 10 Verse 23 God is faithful Hallelujah God is faithful Someone say God is faithful God is faithful He said Let us hold first The profession of our faith Without wavering He for he is Oh He is faithful Now Don't forget this God is faithful Even in 1 John Chapter 1 Verse 9 Most of us know For he is faithful And just to forgive As if compared God is faithful So here it says that Back to Hebrews Chapter 10 Verse 23 It says that He is faithful That has promised Now That was the promise I told you earlier on Abraham When God promised Bible said He was strong in faith But how about Sarah Because it's between Abraham and Sarah Abraham's

faith alone Will not work God Sarah also had to believe So in Hebrews Chapter 11 Ah In Hebrews Chapter 11 Verse 11 It says that Hebrews chapter 11

It said Through faith Oh Through faith Also Sarah Herself Conceived Also Sarah Herself Received strength To conceive A seed And was delivered Of a child When she was Past age You know I told you She had past age Why Oh Why There was no way She could have Walked by faith If she had not Judged God Faithful You want to Walk by faith You want to Stay in faith Then you have to Consider God's Character That God is Faithful That's what I'm Trying to say He's faithful So obey him You will not be Put to shame He will help you If he said he Will help you He will help you Consider that character Don't let the devil Tell you Oh God can't do it God can't help you God is Faithful God is faithful So pastor

If God is faithful How do I walk By Focus on that Oh yeah Simple It's very simple It's not very complex Once you see it In his word Once you know That's exactly What the word Of God is saying Once he says it Take it As final As I said Superimpose his word Over the The physical What you are seeing In 1st Corinthians Sorry 2nd Corinthians Chapter 4 Verse Verse 18 Why we look not At the things That are seen Which are seen But the things Which are not seen Did you see that What are you looking at What are you Fixing your eyes on Is it on the Natural realities Based on your Sensory perception No No So Whilst we look Not at the things Whilst we look Not at the things Which are seen Some things are seen He said Don't look at that one That's exactly What Abraham did In Romans chapter 4 He did not consider

His body Because he knew it He saw what was happening But he chose not to Not to give it Consideration Give it the attention So Whilst we look Not at What our senses Are picking up That's not All that there is That's not All that there is There's another reality Which your natural senses Will not pick up But your spiritual senses Will pick up Whilst we look Not at the things Which are seen But at the things Which are not seen How can I look At the things Which are not seen Yeah it doesn't require Your natural senses To look at that It requires Your spiritual alertness And when you know The character of God That's why I said We walk by faith And not by sight We walk by faith And not by sight Faith can also see What natural eyes Can see Faith can see What natural eyes Cannot see Faith Is the substance Of things Hopeful The evidence Of things Not seen Hebrews 11 The evidence

[ 41 : 02 ] Faith is an evidence Things that haven't been seen Faith has the evidence Oh Wow I'm talking about Somebody's marriage I'm talking about Your healing I'm talking about Your breakthrough I'm talking about Pastor I'm talking about Your ministry Don't worry about All that you are hearing And what is going on Don't worry about that Keep your eyes Keep your eyes on God Keep your eyes He said Our eyes are on you We don't know what to do But one thing we have to do Our eyes are on you And if your eyes are on God Then you must know That God is faithful Judge God faithful Consider him faithful What he has said That's it Take it to the bank And that's it Judge God faithful Judge God faithful Judge God faithful Judge God faithful I don't know who I'm talking about But I know God sent me to somebody I know God sent me to you I know God sent me to you This day This day This day Judge God faithful And fear not Fear not For faithful is he Who has promised Who also will do it

Faithful is he Who has promised He says For he who has promised He's Hebrews chapter 10 Verse 23 For he who has promised Is faithful The very one who has promised He is faithful That promised So Bible says Sarah Sarah judged Him Faithful And do you know The resultant effect Because she judged Him Faithful She received Faith And conceived How can you choose To work by faith When you are not Judging God faithful How can Listen Your greatest I'm about to make A very strong statement The most important thing About anybody's life Is what comes to your mind When you think about God The most important thing About your life Is what comes Into your mind What comes to mind Anytime you think About God That tells you

Your view of God What you know him to be What is the character Of God to you When we say God is faithful People take it At different levels It all has to do with Do you know him That's why Paul said I want to know him Stand on his word How do you operate By counting God faithful Stand on his word The man came to Jesus He said My servant lies at home Sick Can you come and hear him John chapter 4 Verse 48 Jesus said Go Your servant Lived And the man To Jesus At his word Go thy way Thy servant Lived And the man Believed the word That Jesus That's it That's it It's not that complex Did he say it Then take it Believe the word That Jesus has spoken And went his way Jesus said Go your way So he believed And went his way If you believe Why are you not Went in your

way You are making noise

About I believe I believe What is the evidence Of faith Why are you not Went in The man went his way You are not Went in your way You are still Sitting on your chair You are still Sitting You are still In the same position Nothing has changed And he said I believe God I believe in God Come on If you believe Get up and went your way Start went in your way Hallelujah Get up and start went in your way Stop Just go faithful And take the step What are you afraid of Get God faithful And take the step Hold on to his way The man took Jesus At his word And went And on his way His servants met him And said Your son liveth And then he asked They said They told him And on his way Go in Seven Then he inquired No The verse before And asked His servants met him And told him Thy son liveth What did Jesus say What did Jesus say Go to the verse before

Jesus said Go your way Thy son liveth Is that what Jesus said Thy son liveth And what did the man do After Jesus said that He believed He believed the word Jesus had spoken So he took Jesus At his word Because he took him He trusted The faithfulness of God He judged God faithful Guess what His son liveth He liveth Jesus said Your son liveth And then they came And told him Oh don't worry Now your son liveth The same thing Jesus said They were not there They were not there But what Jesus told him Those at his house Came and told him And he asked What time did he begin To amend I like that King James English Very interesting At what time Did he begin He inquired He of them The hour when He began to amend I like that one And they said Until yesterday At the seven And the man knew I like this one Watch this The man knew So the father Knew that

[ 46 : 07 ] It was at the same hour In the which Jesus said To him Did you see that He knew exactly What Jesus said And they came And told him Exactly what Did you Did you Leave it And he believed In himself So when Jesus said And he believed It He wasn't even there But as you are believing Some offices Are beginning to open For you As you are believing Some documents Are being released Right now You don't have to Contact them But as you are believing The believing is working You don't have to be there In person I'm telling you That your mother-in-law Is coming around That your father-in-law Is coming around Things are changing That your boss That situation I'm telling you As you believe now It is happening somewhere As you believe now It's happening somewhere Shout Lord I believe Lord I believe Take God At his word The man came to Jesus He said My seven lives home Jesus said I'm coming He said No don't come Matthew chapter 8 He said No don't come Don't come I'm a man I'm a man I'm a man I'm a man I'm a man I'm a man

I'm a man I'm a man And Jesus said I've never seen Any faith Verse 13 The Bible says That Jesus said To the man Go thy way As thou hast believed By the end of this service You have to choose What you are getting By the time We are finishing You have to go your way And ask your belief That's what you are getting Ask your Listen Do you believe All these things Say You don't believe I do Yeah Yeah I do Say Oh you guys You guys They are deceiving you You are more deceiving You believe news readers Than preachers You are better Watching safari You believe newscasters Than preachers You believe Russia TV You believe Al Jazeera You You You believe CNN Modern preachers You You are a dead meat You

You better believe God Looking at their condition Looking at what is going on In your family You better believe God You better believe God Because we think Nothing is impossible They will tell you Do you believe those people Do you believe those people Don't mind them Get busy believing Because Jesus said The Christ Sorry Apostle Paul In 1st Corinthians Chapter 1 The Christ we are preaching Is an offense to some people Some people also call it foolishness But to us who believe It is the power Did you see that To us who believe To us who believe I mean It is the power of God To us who are being saved They preach And then Verse 23 Verse 23 Talks about how To the Jews We preach Christ crucified Unto the Jews To the Greeks foolishness Verse 24 Please But to those who are called Both Greeks Is the power of God So the same thing That others call foolishness The same thing is the power Romans chapter 1 Verse 16 I am not ashamed

Of the gospel of Christ For it is the power of God Unto salvation To who To who So it is the believing That converts it into power now Ah It is your believing That makes it power Because you can dissect it And analyze it From a negative standpoint And it will sound reasonable to you But guess what You are walking by sight Those who walk by faith They focus on God's word And say Our eyes are on you And how can you focus on God's word When you don't know The God behind the word The God behind the word Is good He is a good God He will not put you to shame Once you know You are doing it Doing it his way He will not put you to shame The God behind the word Is a good God And guess what He is not just a good God He is a faithful God He is a faithful God

Let's look at Deuteronomy 7 I quoted it earlier But I think I should read that one As I end It says that Know therefore that The Lord thy God He is God

The faithful God Which keepeth covenant and mercy With them that love him And keep his commandments To a thousand generations Come on He is faithful A thousand years He is still working The thing he promised He is still working on it Your children are benefiting From the thing he said Some of you come from places Where your great grandfather Your grandfather They were drinking blood of goats Yes Concoctions Concoctions See the impact on the people See the impact on those communities Why is everybody looking up to The West But when the West Begins to turn it back against God When the West Begins to turn it back against God When the West Begins to turn it Listen Oxford Cambridge Even Yale Or St. Andrews They were all founded by By bishops and priests To train the poor For church work And then as they were

[ 51 : 11 ] Being successful They added other things So that they can also Be beneficial to humanity Now the other things Took over They scrapped the things Of church And now it has become Center For pushing Antichristian Agendas Satan will always come in If you give him a full store But the message here is God is faithful Take him at his word Peter said If it is you Lord bid me to come Jesus said Come One word He took Jesus at his word He walked on the storm He walked on the seas Matthew chapter 14 Verse 28 He took Jesus at his word And he walked on the sea You two take him at his word And I see you walking on the seas On the waters On the waters of the situation I see you walking on the waters This is time To step out in faith Trusting God Knowing that God is faithful By faith By faith By faith Sarah herself Receives strength Because She judged God Faithful She judged Would you judge God faithful

And what by faith Judging faithful He's faithful He's holy He's good I see your story changing Amen I see some Today Satan has lost A major battle In somebody's life Because You have chosen To move By faith You have chosen To trust The faithfulness Of God And God Will not let you down So Shall it be In Jesus Mighty name I need you to lift up Your right hand And begin to pray That Lord My eyes are on you I trust you I trust you With all my heart Come on Come on Lift up your right hand And pray that simple prayer Lord I trust you I trust you I trust you I trust you Lord I trust you Lord My eyes are on you Concerning any situation You are faced with There's nothing too hard For God

There's nothing too hard For God There's nothing too hard For our God There's nothing too hard For God There's nothing too hard For God There's nothing too hard For God There's nothing too hard for God.
