Preacher: David Antwi

[ 0 : 00 ] Welcome. Thank you for choosing to listen to another faith-building message by Pastor David Entry. Faith comes by hearing and by hearing the Word of God.

May your knowledge of Jesus Christ increase as you listen. Be blessed. Thank you, Jesus. Thank you, Jesus. Hallelujah!

Hallelujah! Father, we thank you. We give you praise for these amazing testimonies. And we know as we return the glory to you, you will do even more in our midst.

This week, it shall be one testimony after the other. One testimony, multiples of testimonies in Jesus' name. Today, amen. Today, one of our brothers called me with laughter.

I said, Pastor, I can't believe it. I just took a step of obedience based on the teachings. And something that I've been waiting for, suddenly, a major door. Pastor, this thing, this thing. He was, last week, too, one of our sisters.

[ 1 : 02 ] I know at the point that they will share their testimony. I said, Pastor, I can't believe what has happened. I can't believe what has happened. I can't believe. I was supposed to. I was due for a promotion for one level and for a long time.

And I was told, no. Now we are taking you very far. And we are talking about thousands of pounds increase in salary. Not thousands. Not two. Not three. Not four. Not five.

I'm talking about thousands. Simple obedience and trusting God. I see God who will do it for you.

Let me tell you. You might be down. You might be wondering. And you might be worrying. Oh, Lord, so what is happening to me? How about me?

Please, don't be afraid. The same God who has done it will do it for you. It's the same God who is there for you in the midnight hour.

[ 2 : 02 ] He said, hold on to his word. Because change is coming. Ebentina kukulesu. I don't know the words. I'll just.

I don't know the words. But don't worry. It's the same God. If God has done it for today, a scripture just jumped in my spirit.

Randomly. Where Elizabeth said, I think something like, who am I or what am I? Luke chapter 1 in the 40s. That the mother of my Savior should visit me.

Hey. He said, why? Why is that scripture? Luke chapter 1 in the 40s. He said, for what am I?

Or something like that. He said, why is this, yes, why is this granted me? That the mother, that, that the mother of my Lord should come to me. He said, but why is this granted me?

[ 3 : 02 ] What have I done to deserve this? What did I do? What button did I press? To deserve, that the mother of my Lord should come to me. Not that I went, the he, the mother of my Lord should come to me.

You are going to share such a testimony. Amen. I believe we are entering the season of people saying, what have I done to deserve this testimony?

And some are even going to say, Lord, you have done so much. And as though what you have done is not enough. You want to do more? You want to do more?

David said before the Lord. In 2 Samuel chapter 7. He said, Lord, you have done this. You have done this. And is that not enough? You want to do more?

Now you are promising me the future? God, you have done a lot. Some people are going to say, what have I done to deserve this, O Lord? Others are going to say, but God, you have done enough.

[ 3 : 59 ] You have given me miracle money upon miracle money. Are you going to do it again? Then King David went in and sat before the Lord and said, who am I, O Lord?

And what is my house that you have brought me this far? And then verse 19 says that. That you have brought me this far. And yet this was a small thing in your sight, O Lord.

And you have also spoken of your servant's house for a great while to come. Is this the manner of man? Is this the manner of man, O Lord God? Am I the kind of person to do this for?

When you read the Chronicles version, he said, as though this was not enough. I like that phrase. He said, as though that was not enough, you are going to do more?

Are you going to do more? As though that was not enough? In, I think, Genesis 30 and 31 somewhere there, verse 28, Jacob was running away.

[ 4 : 59 ] Laban said, listen, you, it's in my power to harm you. Yes. People can harm you, you know. He came, he said, listen, I have the power to harm you.

Genesis, I think, 30, 28 or 31, 28, somewhere there. He said, I think 31. He said, it was in my, 31. He said, it is in my power.

29. 31, 29. Yeah, thank you. Genesis 31, 29. He said, it is in my power to do you harm. It is in my power to do you harm.

But the God of your father, David, spoke to me last night saying, be careful that you speak to Jacob, neither good nor bad. Don't touch him.

The guy said, I can't do it. It is in my power. But the God of who is your father? Who is your father? And we talk about fathers, they think we are joking. Who is your father? He said, the God of your father, the God of your father spoke to me last night.

[ 6 : 06 ] And he warned me not to touch you, not to harm you, or to do it. Just be neutral and leave you to go. It is in my power. God, don't worry.

God has got your back covered. That's what I'm trying to tell you. Don't worry. Baby, don't worry. God has got your back covered.

God has got your back. Just get busy moving from enjoying the gospel and letting the righteousness of God in the gospel be reflected in your life from faith to faith, from faith to faith. Just get busy taking in the gospel, enjoying the gospel, learning more about Christ, walking more with Christ, serving Christ, following Christ, being humble. And just restricting the flesh by the grace of God to the power of the Holy Ghost.

Just get busy. God has got you covered. God's got you covered. Girl, God's got you covered.

[ 7 : 11 ] Boy, God's got you covered. I'm prophesying. That's what makes me a prophet. I'm operating in a prophetic mantle. That God's got you covered.

God has got you covered. Fear not. Fear not. God has got you covered.

God of heaven has got you covered. It is in your power to do your harm. But they can't do it. They can't do it. They can't do it. Yes, you went wrong.

But they can't harm you. Yes, you made a mistake. But they can't harm you. Yes, you had. Yes, you had. You were wrong. You were wrong.

But they can't harm you. They can't harm you. Because God has got you covered. God has got you covered. God has got you covered. God has got you covered.

[ 8 : 16 ] God has got you covered. God has got you covered. God has got you covered. In the name of Jesus, it is in my power to do you harm, but the God of your Father.

may the God who is working here start to appear in people's dreams and speak to them on your behalf. May he start to the woman, Pontius Pilate's wife he came to she came to her husband he said, my husband have nothing to do with this man's blood have nothing to do because I've suffered a great while in a dream because of him.

Dreams, God was ministering to the person and the person was warning, don't touch him don't touch him. Have nothing to do with this just man for I have suffered many things today in a dream because of him.

His wife was telling him, no, he's not your assistant his wife. God has a way of putting people under pressure. Their children will tell them, daddy why are you upset with this man?

He said, just leave him and the daddy is confused but what is my daughter talking about? What is my eight year old daughter talking about? In the office I'm about to sign a document that can harm somebody because this guy want to punish him but my eight year old daughter is telling me, daddy why don't you leave him?

[ 9 : 44 ] And the eight year old daughter doesn't know anything. And this is mysterious. Yes, God has a way of visiting people on your behalf from all kinds of angles.

If he has to cause the sun to stand still he will. If he has to open the Red Sea he will. He will. If he has to he has to he has to create money in the mouth of a fish he will.

He will. If he has to open the earth and swallow people he will. For you. He said in Isaiah I will give people for you. I think Isaiah 43 or 46.

He said I will give people for you because you are precious in my sight. I will give nations for your sake. I will give people for you. You are precious because thou art.

Since you were King James please. See I like the thou art. Yeah. Since thou art. You see that one? That is a different one. It's a different one. Not at all. This is worst. Since thou art precious in my sight thou art has been honorable and I have loved thee.

[10:50] Therefore will I give men for thee and people for thy life. Sure call that. Instead of you losing your job the way they don't like you the one who doesn't like you will lose their job before you lose your job.

Because they are in power and they are the one to enforce your redundancy. They will be made redundant and you will be given their job. I know I'm prophesying to somebody. They don't like you. No problem. Don't fight them. Just walk in righteousness. Just keep walking in righteousness. Just keep walking in righteousness. In 1 Peter chapter 2 he says that and actually chapter 3 he said if you suffer for well doing chapter 2 verse 19 and verse 20 he says that if you suffer for doing what is right if you suffer for doing what is right or when you are doing what is right 1 Peter chapter 2 verse 19 and verse 20 put you on the screen for me.

Thank you. Today the one there is a bit for this is commanding that will be this is charis you remember if because of conscience towards God one endures grief suffering wrongfully look at verse 20 suffering wrongfully for what credit is it when you are beating for your fault you see that thing keep coming I said it last time you are beating for murder for theft for murder for stealing that's theft and for evil doing and busybody busybody meddler so verse chapter 2 verse 20 again he said if you suffer don't let it be because of some faults and bad things if you take it patiently you have not achieved anything but when you do good and suffer if you take it patiently this is commendable before God and God will show up I know I am talking to somebody who has come to a junction of you in your life and you are giving please never entertain the idea of giving God an ultimatum that God

I give you to by Friday if you don't do anything I am out of church I am going to the sick temple no no don't do that I am going back into the world don't do that because it is going to get worse yeah so what you are going through just always trust God and thank Him and trust Him and thank Him because you are having the mildest vision with God if you leave God you will face the rigor of your background what is actually chasing you you manifest hallelujah don't jump out of the Titanic into the sea it is frozen you will suffer so I don't know but there is definitely somebody listening to me and you have come to it you are at a crossroad you are at a crossroad you are at crossroads Lord I am hearing these testimonies

[13:59] I told you I will share mine why stop complaining and start thanking God I know I redeem my list I know that at the end of the in the latter days He shall stand on Job chapter 19 verse 26 I know my Redeemer lives I know my Redeemer lives and in the latter days He shall stand on the earth I know my Redeemer He will prevail for me Job 19 26 25 26 for I know my Redeemer lives and He shall stand at the last on the earth He shall stand at last on the earth I know my Redeemer lives my Redeemer He lives my Redeemer He lives my Redeemer He lives today we read having we have redemption through His blood the forgiveness of sins it comes the whole package the blood that washes is what redeems us yeah so the point

I want to encourage I was going to teach something but I will have to do it tomorrow I was going to teach yesterday I tried it but it didn't even go further how God rewards us not only when you die because some rewards when you die is not necessary there are certain type of reward that when you are not on earth it's not needed you don't need a car in heaven you don't need financial breakthrough in heaven you don't need that that's why God never throws money from above receive it no it's to be counterfeit because they don't do money there money is here if God wants to bless you He will send it through channels financially or any means so the point I'm making is tomorrow I'm going to touch on how our sacrifices secure something here here if you serve God long enough it will show it will show in your living I'm telling you it will show in your living you will progress from grace to grace from victory that will be for tomorrow but tonight I just have a strong edge in my spirit to just tell somebody the battle is not over it's not ended you will win you are

the one to win if you have not won it's not finished there's extra time God has got plenty extra time to bring in and so those of us who learn to trust Him and wait on God listen to I was saying I was sharing this to some people this afternoon that we when we wait on God we move faster it's only God you wait on and move faster you are waiting on God you are waiting on God makes you move faster in life to overtake many yeah you wait on God you move faster you go ahead of God you are at your own at your at your you are responsible for everything and you move at the pace of human beings but Elijah waited on

God and he overtook chariots because those that wait on God mount up with wings yeah that's what it means to just just trust God don't worry everybody's getting married no it's not one it's not true there are more people who are in fact your age mates who are not married than those who are married yes so it's not everybody who's getting married and number two your day when your day comes it will be better some are marrying are going ahead to marry an uncle some are going ahead to marry an auntie some are going ahead to marry because of money and all that some are going ahead to marry because they want to relocate to America but some of the wrong reasons behind some of it don't worry let's wish them well but just stay on track you might marry later but you have a better marriage yeah do it

God's way and you are guaranteed the laughter for tomorrow so I just want to tell you that as we wait on God we are not running at a loss at all when you wait on God you are not wasting time you are not marking time you are moving faster waiting on God accelerates your movement so trust him wait on him even though it tarries wait for it has surely come to pass it shall not tarry God will help you you will not be put to shame don't worry it looks like your enemies are waiting to laugh they will keep waiting they will keep waiting and their day of laughter will never come before they could say Jack you are laughing and they are confused they look at each other's face what's going on we thought he is supposed to be crying we thought we are supposed to be laughing at him rather oh wow very soon they come to you said can you show us your God how did you do it because God has got your back covered it looks like you are at a risk it looks like nothing is going to happen don't worry

[19:34] God has got your back covered however it shall be it will happen and you will say so what is it that has been given to me that the mother of my Lord should come to me amazing grace someone say amazing grace listen all these things I've said it can never be a reality for you to say pastor please pray for me you heard the gentleman testimony he said I turned to Christ Satan tempted me more but I stayed in Christ today I'm enjoying freedom I'm enjoying freedom it's only believers who are free not to sin no human being is free not to sin you can't say you will sin it is left to sin it's only believers in Christ who are free not to sin we are free the car driver will offer you more coke or drugs and you are free to say no unbelievers can't are not free not to sin believers are free not to sin maybe you are struggling you haven't actually entered

Christ but you have been playing church every time they come around and try and get a miracle boy it doesn't work like that you have to push your entire life into Christ this is the day tomorrow might be too late because life is not a guarantee death is a guarantee but the time death comes no one knows it comes at any time it comes to the young it comes to the old it comes to the rich it comes to the poor it comes to the employed and unemployed it comes to babies it comes to very old people death is part of life and no one knows but there is something that is sure being in Christ guarantees the rest of your life and what happens after life you know I'm talking to you I know you know I'm talking to you there's no two ways about this you know that if someone is listening to me right now you are crying you are crying and you don't know why you are crying but you know life has become so bad and you know you need

Jesus I pray for you that you will persevere to the end receive grace to persevere receive grace to run the race to the end in Jesus name Amen thank you for listening to hear more from David Entry follow him on Facebook Instagram Twitter and LinkedIn why don't you subscribe to our YouTube channel at Karish Church and subscribe to our podcast so you are always up to date be blessed not you are■■■■ are on the website
