Preacher: David Antwi

[0 : 00] Welcome. Thank you for choosing to listen to another word-filled message by David Entry. Preaching is the means by which God manifests His word and nourishes our spirits.

May the life of God enter into you and you as you listen to this message. Be blessed. In 2 Kings chapter 13 verse 14, and now Elisha was falling sick of his sickness whereof he died.

And Joash the king of Israel came down to him and wept over his face and said, Oh my father, my father, the chariots of Israel and the horsemen.

You know, is it not the same thing Elijah also said to Elijah? Let's go to the next verse. And then verse 15, and Elisha said unto him, Take a bow and an arrow. Take a bow and arrow. And he took unto him bow and arrow.

Yes. And he said unto the king of Israel, Put thy hand upon the bow, and he put his hand upon it. And Elisha put his hands upon the king's hand.

[1 : 11] This is a hand of God coming upon you by virtue of the prophet's hand. And he said, Open the window eastward. And he opened it. Then Elisha said, Shoot!

And he shot. And he said, The arrow of the Lord's deliverance. And the arrow of the deliverance from Syria. For thou shalt smite the Syrians in Africa till thou have consumed them.

Listen, there will not be a trace of the enemy's attacks over your life. After this fasting, I see God giving people total, 100% victory. Amen.

Let's look at the next verse. And then the next verse says that, Thank you, Jesus. Verse 18. Verse 19.

Verse 19. And the man of God was wroth, in other words, angry with him and said, Thou shouldst have smitten five or six times.

[2 : 20] Then hast thou smitten Syria till thou hast consumed it. That was the prophetic word. He had given the prophetic already that you are going to smite Syria and consume Syria.

But every prophetic word must always be followed by certain prophetic actions by the recipient of the word. Whereas now, thou shalt smite Syria at Christ.

You were supposed to have finished him. But your actions, your actions limited the quality or the level, the extent of your victory.

This is the time of fasting. Listen, when we say we are all fasting, some of us, because we say Sunday you can break at 12, you also decide to break at 12. Meanwhile, there was no, you don't even have health problem.

You could have pushed to six. So when they say strike, strike harder. When it's time for service, come on time. Don't say, oh, prayer time awaits when pastor comes on.

[3 : 21] No. You come on. And when they're leading a prayer, you are praying. When it's time for singing, you are singing. When it's time for testimony, you are expecting. When declaration is coming, you are lost in the declarations.

Collect and collect. He said you should have, because I gave you the prophecy that you consume the people. But there is a responsibility on your part to do something.

So when I say strike, you should have struck more. Strike more. What do you do your day of visitation? Strike more.

Do more. What you see is working. Work it. It is foolishness to be shameful of what is gainful.

If the thing is working. Work it. Work it. If it is working, work it. Work it. Let it work. What's that?

[4 : 21] One of the things I've discovered is it works for me. It works universally. But some people don't know because they might never really know it. It works for me so much. It's sowing seeds.

It is making way for me in life. I'm sitting here today because of seeds. So my sitting here is harvest.

And I'm converting the harvest into a seed. Because the harvest is not enough. This is not enough to be my harvest. So it must be a seed. Seeds.

Seeds. So I'm moving far. Move into it. Because the thing is working. When you strive once. Some people, you use the anointing oil. The thing was working.

Why have you stopped it? Why have you stopped it? You were praying for people. You connected. You tapped in. And you received it. I received it. And the thing is working. Why do you stop it?

[5 : 18] Why don't you keep tapping into it? If it is good enough for delivering your healing, your ears. Then it's good enough also to give you a baby. Yeah.

To give you a miracle baby. To heal your mother. To heal your daughter. To heal your father. To heal your son. To give you a turn around business. A turn around job.

A turn around order of breakthrough. Yes. The same thing. It's available. It's available. There's a scripture I saw that really blessed me. It said the profit of the earth is for all.

Ecclesiastes chapter 5 verse 9. So it's not some special people that have access to special declaration. If you make yourself. If you connect. And you have to choose. I'm going to. It said moreover the profit of the land is for how many people?

And it said even the king is served by the same field. In other words. The things that make life. That generate testimonies in life. That make life work.

[6 : 21] It's available for all. It doesn't matter your background. Didn't you hear somebody. She said. I could even get a loan. Students loan. But I came on the platform. And I tapped in.

I tapped in. I tapped in. And I've got free tuition. Because I released my faith. Somebody said. I need a placement. I need someone to give me the reference or so.

I wasn't hearing from the person. I came on the service. And God's heaven was declaring. And I said. This is for me. I tapped in. And I sent an email. Within a few hours. The person responds. I'm so sorry.

Yes. I'm going to do it the way you want it for me. I'm talking. Man. Man. Every season. Bible says that there was a pool at Bethesda.

Every season. Bethesda. Every season. An angel comes to stare at the water. And whoever jumps in it first. You got to jump in it. You got to be made whole.

[7 : 14] When the opportunity rises. In 1 Samuel chapter 10 verse 6. He said. Do as the occasion demands. When it will come to pass.

Let it be. When these signs come upon you. That you do as the occasion demands. You. Hey. How can you be hearing testimonies like this.

And seeing what God is doing. And you won't connect. Do as the occasion demands. That's how.

To maximize the hour of visitation. Some of you. Somebody had to share their testimony today.

Because it's your hour of visitation. So that you can. Once you see these signs come to pass. You do as the occasion demands. Kadababahaya. Rakatakata haya. Makadahasa kataya.

You do as the occasion demands. You do. Don't consult anybody. Once you know the spirit is speaking to you. Once you can see the move of God. Dive into it.

[8 : 11] All you need is Jesus. If it is you. Bid me to come. Give me a word. If it is you. Just give me a word. When you ask God for a word. A word you will get.

Amen. Whenever you ask God for a word. A word you will get. As long as your ears are not blocked. He who has an ear.

Makadah shagadah. Let him hear what the spirit says to the churches. Revelation chapter 2. Verse 7. Revelation chapter 2. Verse 11. Revelation chapter 2. Verse 17. Revelation chapter 2.

Verse 29. Revelation chapter 3. Verse 6. Revelation chapter 3. Verse 13. Revelation chapter 3.

Verse 22. Oh he who has an ear. Let him hear what the spirit says to the church. Matthew chapter 11.

Verse 15. Matthew chapter. Chapter. Verse 9. He who has an ear. Let him hear. Let him hear. Let him hear. Let him hear. when the Holy Spirit is speaking.

[9 : 06] Do as the occasion demands. This is the time to ask, sister. Yesterday I spoke about something. This is not the time to engage your emotions on things that will distract you.

Things that will distract you. You are now sad. Sad for what? This is not the time to be sad. This is the time to be in faith. This is the time to be in faith.

Times are changing. I can see there is a shift in the spirit. There is a shift in the spirit and it must work for you. Amen. I see it working for you. Amen.

I see it working for you. Amen. This is your hour of visitation. In John chapter 5, I think verse 11, they said, why are you carrying your mat on a sabbat day? Why? It's a sabbat day. Why? That you said, it is a sabbat day. It's not lawful. And they were right. Under their jurisdiction of oppression.

[10:14] It was against the law to carry a bed. Why are you doing this? Why are you doing this? It was not against the law of God. But the Pharisees have made all kinds of restricting laws.

And the man said, and that's your story now. He who made me well, the same said to me, take up your mat and walk.

Which one would you? Would you stay on the ground when your healing has come? Because some people will not be happy. Oh boy, yeah, take up your mat and walk.

Whether they like it or they may see you holding your mat. But you, who should also be enjoying your freedom. Amen. He said, the one who made me well is the same person who said, take up, he knew that taking up my mat will upset some people.

But he said, take up because if I want to be healed, then I will take up my mat. If I don't want to be healed, or if I want to please people, then I will stay on the mat. I either take up my mat, obey him, and some people might not be happy.

[11:23] Or, I make sure that people are happy and stay on the mat and disobey him. Tonight, you have to do as the occasion demands. Terms have changed.

Terms have changed. We have come to this day 13. Tomorrow is day 14 of our fasting. Times have changed.

The conditions have changed. The times have turned in your favor. I'm telling you. Expect the unbelievable. Amen. Expect it.

And finally, you want to make maximum use of your day of visitation. Once you strike more, you also have to exercise faith. Faith doesn't see it's not possible.

Faith doesn't see it doesn't happen. Yes, yes. No, no, no. Faith will not say it didn't happen. Faith will say it will still happen. Bible said, these all died in faith having not seen the promise.

[12:24] Hebrews chapter 11, verse 30. These all died in faith having not received the promise. But they were still in faith. They were still believing that the promise we have received it. And yet, these all died in faith having not received the promises.

They were expecting some promises. But don't get out of faith. Keep the faith. Faith will lubricate the flow of your testimony.

Faith. The man was shouting. Everybody said, shut up. He said, I won't shut up. Shut up. He said, he was shouting. They were shouting him up. And he was shouting. They were shouting him up. He was shouting. They were shouting. He was shouting. They were shouting. He was shouting. They were shouting. They were busy shouting him up. He was busy shouting. Which one did Jesus respond to? He said he didn't respond to those who were shouting people up.

He responded to the one who was shouting. Yeah. And he says that, what do you want me to do for you? He said, that I might say, Rabbi, that I might receive my sight.

[13:24] What did Rabbi say? Rabbi Jesus, verse 52. He said, be it on you. He didn't say, see us, receive your sight. He said, go your way. Your faith has made you well. Made you well. Wow.

So the faith was, see what the guy was doing was faith. You can't shut up faith. You can't tell faith, shut up. Oh, they say I should do the watch service again.

Because, so you two have stopped. Strike harder. Fast. Join the fasting. Unless on medical grounds. Join the fasting.

Release your faith. Do. Do what, as the occasion demands. Do it. Believe God. Don't be afraid. Just believe God. Yes. Stay in faith.

Stay in faith. Stay in faith. Stay in faith. Stay in faith. Sister, brother, stay in faith.

[14:23] pastor cannot help you. Your faith will deliver the results for you. Jesus told the man, your faith has made you well. It's not the declarations. Declarations don't make people well.

It is faith connecting. Yeah. Faith starts into the declaration. That makes it well. Can I say, tell you again, it says that your faith has made you well. It doesn't take my prayer to give you a testimony. It takes your faith tapping into the words of the prayer, the anointing upon my life, the anointing upon the service. It takes your faith tapping into the anointing that brings it.

You cannot tap without faith. Yes. You can't tap without faith. You have to tap with my faith. Your, your extracting element, the extracting holes, you know, water holes to pull out is faith.

Faith is what will connect you and collect it for you. So this is not a time to hang, to surround yourself with faith, faith punching stories.

[15 : 28] Things that will punch your faith. Stories that will, some people, they don't talk faith. There are some people when you go around them, you are guaranteed your testimony will be, or your faith will go low.

Your faith, this is not a time to hang around people. When Mary got pregnant, she left town and went and associated herself with Elizabeth because Elizabeth has also got a miracle baby. One is too old to get pregnant and she was pregnant. One was too young to get pregnant and she was pregnant. So they all had miracle babies. So she went and affiliated, associated herself with Elizabeth.

Why? Because she needed to, she needed to work by faith to protect what God is doing. So you have to check who you are listening to. Some music, they might even sound like gospel, but it's not worth listening to them now.

Listen to something that will build your faith. Read your Bible. Connect. And you hear the testimony, write some down and say, this one is mine. Sometimes document, document what you are believing God for and never give up on faith.
