Preacher: David Antwi

[0 : 00] Welcome. Thank you for choosing to listen to another faith-building message by Pastor David Entry. Faith comes by hearing and by hearing the Word of God.

May your knowledge of Jesus Christ increase as you listen. Be blessed. I am very convinced that God is about to do a new thing in your life. Yes.

I mean, God is about to do a new thing in your life. In the book of Habakkuk, it says that, I'm about to do something which when you are told, you will not believe it.

I'm about to do a new thing. I'm about to do something that when you are told, you will not believe it. God is about to do something that is like, really? Oh my goodness. My God. Thank you.

Thank you. Thank you. Yeah, that's the scripture I'm talking about. Habakkuk chapter 5, chapter 1, verse 5 says, Look among the nation and watch.

[1 : 04] Be utterly astounded, for I will work a work in your days which you would not believe, though it were told you. I am about to do something that you will not believe, though it was told you.

I'm talking about you. God is about to do one of the things he does that beats the mind of everybody. Where Aaron Lucas said, The Lord has done great things for them, whereof they are glad.

You don't even have to announce what has happened. They will announce it. Now, look at the situation of Lazarus. How God, Christ, raised him from the dead.

Listen, Lazarus was not sickle. He didn't have a disease. He was a disease himself. Bible says that in Luke chapter, John chapter 11, verse 39, it says that, He's been dead for four days, and behold, he stinketh.

By now, he stinketh. This man has been dead for four days, and he's now a disease. In fact, he said, it's very risky for you to come into contact with Lazarus, because he was not sick.

[2 : 15] He was not diseased. He was a disease. He was the sickness. When you come into contact with him, it was the sickness. But thank God, therefore, Jesus, Jesus met, oh, I'm talking about the four.

On the fourth day, Jesus came, and Jesus said, let that situation, it's not sickness I'm about to heal. It's sickness I'm about to get rid of. I see God, today, the fourth of March, I believe I'm right, fourth of three of the two, one, four, three, two, one.

Today, the fourth of the third of the, the twenty-one, I see God, changing your story. Today, must go in history, must go on record, that something definite, something supernatural, you actually had an encounter with heaven.

So shall it be. God said, I will do a thing, that if you were told, you would not believe. I will do, I will work, a work, when, not after you are dead, then gone, after your case is gone, and there's nothing again.

In your days, in your days, which you would not believe, even you were told, what does that mean? So, if you hear God has done something like this, no, I mean, it's not possible.

[3 : 43] How? I'm talking about you. I'm talking about you. I'm talking about you. I believe, something has changed. I'm telling you, brothers and sisters, I believe God.

I believe God. Can that situation be possible? When I ask you, if you believe God can do it, you respond, I believe God.

Can that situation in your life be possible? I believe God. Can that financial problem be overruled? I believe God.

Can you have a strange testimony and a breakthrough? I believe God. Is that complicated condition about your situation, is that possible to, is it possible to change?

I believe God. Is your marital breakthrough possible to happen? I believe God. Is your financial breakthrough possible to happen? I believe God.

[4 : 41] Is your ministry able to break limits and break boundaries? I don't believe God. Is your family able to experience the peace that has never been in your family ever before? I believe God.

Believe God that tonight it shall happen to you according to your faith. It's a Jesus told the man, be it unto you as you have believed. Matthew chapter 8, verse 13.

Be it unto you as you have believed. As you have believed, be it unto you. As you have believed. Jesus said unto the centurion, go your way. As you, oh, oh, oh, oh, I see, I'm telling you brothers and sisters, I'm not faking this.

I see things changing. I see God touching situations. I see God, the power of God invading situations. I see the power of God invading conditions. I see the hand of God coming upon you. I see the finger of God coming upon your situation. I see the finger of God changing your story. I see the finger of God. Jesus said to the man, go your way.

[5 : 47] And even as you have believed, so go your way, even as you have believed, so let it be done for you. Is there a possibility for you to have this kind of breakthrough you are believing God for?

I believe God. God. Is there a possibility for you to win that court case? I believe God. Is there a possibility for you to buy the house?

I believe God. Is there a possibility for you to get admission into that school? I believe God. Is there a possibility for you to gain, get that scholarship or bir Curry?

I believe God. Is there a possibility for your marriage to be restored? I believe God. I believe God. Is there a possibility for you to be, healed of this sickness. I believe God. I believe God. Someone shout, I believe God.

I believe God. I believe God. I believe God. Mom, believe God. Dad, believe God. When it comes to believing, it's not something you can outsource. You can't outsource your faith for someone to do it for you. Be it unto every man according to his faith. The just, again, chapter 2, verse 4, the just shall live by his, not somebody else's, his faith. You can't be breathing with somebody's nose. You need your own nose. You can't be so busy, working, working, working, so busy in the office, chief executive. You are so busy in the office that you phone your wife. Darling, I can't come home early and dinner is time, so just eat on my behalf. Eat for me. I'm too busy to come and eat. Eat for me. People can, no one can eat for you. People can cook for you, but nobody can eat for you. Nobody can take medication for you. Nobody can breathe for you. You can't be alive here using your brother's heart. Your brother is breathing. His heart is pumping blood and your blood is like Bluetooth.

[8 : 03] Wireless connection or cellular network. You are receiving somebody's blood. We have a lot of contactless stuff now. You can't even have wireless charging. Contactless, you can't even have wireless charging. You can't even have wireless charging. You can't use someone's phone. You can't use someone's phone. You can't use someone's phone. You have to, the just shall live by his faith. The just shall live by his faith. Your faith, your faith, your faith, your own faith. I see God helping you. God will help you. Amen. Don't forget don't forget about Uzziah. He was able to prosper and God helped him against the Philistines.

Second Chronicles chapter 26, verse five, six. God helped him. He saw God helped him. Verse six. God helped him against the Philistines. God is helping you. Amen. God is helping you against the Philistines. I'm talking about you. I said, God is helping you against the Philistines. Amen.

You shall not be put to shame. Amen. You shall not be put to shame. Amen. In the mighty name of Jesus. Bible says that whilst Peter, calm down, Shalah. Now let's resist. I need to calm down. I feel the power in such a way. This, this, I know tonight a lot of testimonies are being Beth. Listen. Amen. Bible says that whilst Peter yet speak these ways. Acts chapter 10, verse 44.

Acts chapter 10, verse 44. Whilst Peter yet speak these ways. He didn't have to finish. The Holy Ghost moved. The Holy Ghost moves with words. The Holy Ghost moves with anointed words. I feel the anointing so strong in this place. And I know that as I'm speaking, healings are happening. Oh, I'm talking, I'm talking to somebody. As I'm speaking, healings are happening. Deliverance are taking place. Someone is being delivered from addiction. Somebody is being delivered from addiction. You are, you, I'm telling you, yes, that addiction is leaving you. Somebody, the last time you had a sleepless night will be the last ever time you have the sleepless night.

From tonight, everything is changing. In the name of Jesus, I curse the spirit of gambling. I curse his hope. I curse his hope over your life. God is telling people's captivity. I'm telling you, God is healing people. As I'm speaking, whilst Peter, I like the King James, he said yet.

[10:36] Whilst Peter yet. Whilst Peter yet. While Peter yet. While Peter yet speak these ways. The Holy Ghost came. The Holy Ghost came. Whilst he speak. And Ezekiel chapter 2 verse 2. He said, the spirit entered into me. The spirit entered into me. The spirit entered into me when he spake unto me.

The Holy Ghost most times moves with words. When the anointed word, when the pure word of God is being spoken by an anointed vessel. It creates the platform for the move of the Holy Spirit. I see the Holy Spirit changing your story. Jesus says, the words that I speak. John 6, 63. The words that I speak, they are life and they are spirit. The words that I speak. It's the spirit that quickly. The flesh profits nothing. The words that I speak unto you. They are spirit and they are life. The words are spirit and the words are life. It is the spirit that makes the difference. It's the spirit. It's the spirit behind the words we speak. Because the Bible says in 2 Corinthians chapter 4 verse 20 or 1 Corinthians 4 20. It says that for the kingdom of God is not in words, but it is in power. It's not talk. It's not mere talk.

1 Corinthians 4 20. For the kingdom of God is not in word. It's not mere talk, but it's power. That's why in 1 Corinthians chapter 4 verse 2 and 3. No, chapter 2 rather verse 4. It said, I did not come to you.

When I came to you, I did not come to you with enticing words of man's wisdom, but in O-Kobo Shadahande in the demonstration of the Holy Spirit and power so that your faith will not rest on the wisdom of man's wisdom of man's mind says, oh, this pastor likes the way he talks. He can't talk well.

And others said, no, your faith will not rest in that, but your faith will rest in the power of God. So when Satan comes against you, you have faith and you know that the faith, the faith will release the power of God. It's your faith that discharges the power of God. God is real.

[13:12] God is real. And God is here. He's here to beautify your life. He's here to cancel the shame over your life. Satan wants to impose shame on you. That devil is a liar. God is going to cancel that shame. That shame is canceled. It's canceled. I see you being honored. I see you being glorified.

I see you being elevated. I see the glory of God showing up over your life. You will not be put to shame because God is here to wipe your tears, ma'am, dad, sister, brother. God is here to wipe your tears. You've been through so much. You've been through. Look at what you just heard. What you just heard is so heart-wrenching, heart-breaking. You just don't know what to do next.

Sometimes it's good not to know what to do. And all you can do is to look up to God. Bible says that they look unto him and their faces were radiant. Their faces were radiant in Psalm 34. They looked unto him and their faces were radiant. Would you look unto God? And they were not ashamed.

They looked to him and they were radiant and their faces were not ashamed. When you hit rock bottom, when your back is against the wall, don't worry. Sometimes you need that. You need that to force you not to have anything. When people have abandoned you, when your best friends have left you, when things have turned against you, listen, say, say, look up to God.

When you look unto God, you'll be radiant. Sister, when you look unto God, you'll be radiant. It doesn't matter who lives your life, who doesn't like you, doesn't want you, which company puts you off or lays you off. Don't worry. Would you look unto God? Man will let you down, but not God.

For God is not a man that is you like. Numbers chapter 23 verse 19. For God is not a man that is you like. Has he said and shall he not do it? Has he spoken and shall he not make it good?

[15:21] God is not a man that is you like. No, it's not a man that is, okay, I've changed my mind. I don't want to help you again. No. Has he said and will he not do it? Has he spoken and shall he not make it good? God says and he will do it. If God said it, he will do it. If God said it, he will do it.

If God said it, he will do it. That's why you have to get busy tapping into his word. What has God said? I preached a certain message. Try and get it. I'm sure it's on SoundCloud or somewhere or podcast somewhere. I preached a message. Did God say? And then there's another time I preached. Has God said? Has God said? When the devil showed up to come and attack humanity, his first question, his first question in the Bible, first question ever recorded, the devil, Genesis chapter 3, said, has God said? Has God said? The serpent came and he said to God, has God indeed said? The first question in human history, the first question in creation, has God said?

Comes to challenge what's broad creation and what the force, the engine behind your laughter, the force responsible for your breakthrough? Satan would like to question it. So when the pastor is even saying something, oh really? As God said, Satan won't stop it. But tonight you have to make up your mind that I choose to stick with God's word because he remains faithful. The devil is not permitted to have a filled day in your life. He's not permitted to have liberties. The liberties he's had in the past is enough.

He's not permitted to have that liberty over your health, over your marriage, over your career, no way over your ministry. Satan is denied permission. He's denied permission. He can't.

From tonight, everything is going to change for somebody. I know. It's just purely a function of your faith. It's a function of your belief. Jesus said, be it unto you, go your way as you have believed, so be it unto you.

I'm prophesying to you that Satan is losing major hold, major grounds in your life from tonight. That satanic harassment, satanic seizure, Satan has hijacked your marriage. Satan has hijacked your fertility, has hijacked your health, has hijacked your progress. Satan has hijacked, he has put an injunction on your life and he's trying to terrorize you, harass you. Those demonic harassments are over.

[18:12] I'm prophesying to somebody, I said every demonic harassment in your family, every demonic harassment in your health is over. It's over. It's over. It's over. It's over.

By the power of the Holy Ghost. In Joel chapter 2, verse 21, I like that. Joel chapter 2. It will be twitchy. Verse 21. See, it says that, fear not, O land. If you are O land, then you, it's easy then. If God can sort a land out, then he can sort yours out easy. Fear not, O land.

Be glad and rejoice, for the Lord has done marvelous things. Fear not. Fear not. Be glad and rejoice, for the Lord has done marvelous things. Look at verse 23. Look at verse 20. Be glad then, you children of Zion, and rejoice in the Lord your God, for he has given you, O, O, O, thank you, Lord. He has given you the former rain faithfully. Give me King James, please. He has given you the former rain moderately, liberally. He has given you enough. The former rain, in those days we have the latter rain and the former rain. And he has given them the former, the rain that was supposed to come and help the crops to grow because it was an agricultural community. And you need rain to do well. And in those days, the dry lands were quite a few. So when the rain comes, it's good. And said,

God has given you the former rain moderately, and he will cause to come down for you the rain, the former rain, and the latter rain in the first month. Can you imagine? All, the former has passed. So what you didn't get Christmas? What didn't happen? Oh, I, can I preach to somebody? Can I prophesy? Can I prophesy? What was supposed to have happened for you last year, which that wicked broker spouts, that demon possess office official, government official, or some official somewhere, in an office somewhere. He messed up the mess. That, that useless lawyer, that spouts your case. And now it made you lose so much money. Don't worry. God is a God of restoration. God is a God of restoration. That, that doctor, what he did, that nurse, that health expert, what they did, those people who were supposed to have helped you, they, they rather hurt you. And they used it against you. They were negligent, but, and you lost so much ground, and you are trying to recover. And it looks like you don't even see a good future ahead. But I'm telling you, God will give you the former and the latter rain in the first month, both rains in the year. Should I believe? I believe.

[21:17] Be glad, you children of Zion, and rejoice in the Lord your God, for he has given you the former rain moderately. And he will cause to come down for you the rain, the former rain, and the latter rain in the first month. Listen, I'm talking to people who have, who have had the, a certain negative impact impact of the coronavirus in any sphere of your life, whether in your journeys, your traveling, your holidays, your bookings, your finances, your job, your marriage, your ministry, your business, you know, your education, your school, whatever disruption this coronavirus brought.

Remember, God gave us rain moderately last year by keeping us alive, alive till now. That is good. So he gave us the rain moderately. But listen, this year is good. Anything you lost in that past, in the past, in that past 2020, some of us is just this January, some things that you have lost, some things that were supposed to have happened to you for you in February, and it rather turn against you.

Don't worry. God said he will give you the former rain and the latter rain, both of them in the same year, in the first month. In the first month, I prophesy, this month is the month your destiny has been waiting for. Amen. You will not be put to shame. Look at verse 26, and then we move on. Look at

verse 26. This is too good. Verse 26. It says that, and ye shall eat in plenty and be satisfied and praise the name of the Lord your God that has dealt wondrously with me, and my people shall never, ah, ah, my people, ma'am, can you hear what the Bible is saying? This is not what Pastor David is saying. This is what the word of God is saying. My people shall never be ashamed. My people shall never be ashamed. They looked on him and they were radiant, and their faces were not ashamed. My people shall never be ashamed.

My people, ignominy and shame. It does not belong to God's people. Disgrace, shame, ignominy does not belong to God's people. I proph, do you know what belongs to God's people? Do you know what belongs to God's people? First Peter chapter 5 verse 10. See what belongs to God's people. See what belongs to God's people? He has called us. He has called us. The God of all grace, who has called us unto all eternal glory by Christ Jesus. After you have suffered a while, perfect, established, and strengthened, and settled. He has called us unto his eternal glory. He has called us unto his eternal glory. He has called us, Christ in you. Colossians 1 27. The hope of glory, glory, glory, glory, glory. We speak wisdom.

First Corinthians chapter 2 verse 5 and 7. That your faith will not rest in the wisdom of men by the power of God. How be it? We speak wisdom, not the wisdom of this world. Verse 6. We speak wisdom. We speak wisdom among those who are perfect. Yet, not the wisdom of this world, not the wisdom of this for the, uh, uh, no, of the presence of this where we come to. I know. Look at the, verse 7. But we speak the wisdom of God in the mystery, even the hidden wisdom, which God has ordained before, watch this, before the world unto our glory, unto our glory. So we all, as we behold, behold, as we beholding us in a glass, in a glass, second Corinthians chapter 3. We all beholding us in a glass, the glory of the Lord, are being changed into the same image from glory is your portion.

Amen. Did you hear what I'm saying? Amen. Glory is your portion. Amen. You will not be put to shame. I see that happening for you. I see that. Night is restoration night. I didn't, I didn't read the verse 25 where it's to talk about what the canker worm has eaten, what the pama worm has eaten. Yeah.

[25 : 34] From verse 23. Look at verse 23. 23. Let's speak it. 23 again. Be glad you children of Zion and rejoice in the Lord for he has given you the former rain moderately and he was caused to come down for you the rain, the former rain and the latter rain in the first month. Verse 24. And the floor shall be full of wheat and the fat shall overflow with wine and oil. Verse 25. And I will restore to you the years that the locust has eaten. I believe I'm talking to somebody. Restoration is coming. You will not be put to shame. Yeah. The, the, the, the canker worm, the, the, the, the locust has eaten, the canker worm, the caterpillar, the pama worm that I have sent upon you. I will restore to you these years.

That's then he went on to talk about and my people shall never be put to shame. You shall eat in plenty. Listen, I'm prophesying to you. Receive it. Do you believe it? If you believe you shall, yes, I believe.

Yes, I believe. Do you believe it? Yes, I believe. Do you believe it? Yes, I believe. Change it. Say, I believe God. Do you believe it? I believe God.

God. Do you say it with conviction? Listen, I'm charged as I sit here and there is power coming to you. Do you believe it? Yes, I believe. I believe God. Do you believe it? I believe God.

Believe God. God's people shall never be put to shame. In Jesus name. Amen. Thank you for listening. To hear more from David Entry, follow him on Facebook, Instagram, Twitter, and LinkedIn.
