Preacher: David Antwi

[0 : 00] Welcome. Thank you for choosing to listen to another faith-building message by Pastor David Entry. Faith comes by hearing and by hearing the Word of God.

May your knowledge of Jesus Christ increase as you listen. Be blessed. How to make the word work, the prophetic word work.

How to make the prophetic declaration work. Pastor, and I tapped into it and it worked. And someone else was saying, but how are they tapping into it? Because I can't feel it.

I try it and it doesn't seem to be working. It will work for you from tonight. It will work for you from tonight in the name of Jesus. And yesterday I established that to make a prophetic word work for you, number one, you must believe.

You must believe. It is non-negotiable. Believing is non-negotiable. He that comes to God must. It's a necessary requirement. The applicant must be a minimum, must have a minimum of A-level.

[1 : 05] Minimum, must. So if you don't have it, don't go. Or A-level maths. If you don't have it, don't go. Alright. So it says, if you are coming to God, must believe.

Believing is a necessary requirement. Hebrews chapter 10 verse 38. The just shall live by faith. My soul will not have pleasure. My soul shall, my soul shall, my soul has no pleasure in him.

But if anyone draws back, my soul has no pleasure in him. Do you know what? The more you stay in faith, the more God is pleased with you. The less you stay in faith, the less God is pleased with you.

Because without faith, it is impossible to please God. So you want God to have pleasure in you. It takes faith. Without faith, it is impossible. And he that comes to God must.

So you want to see if it's... Thank you, Holy Spirit. If it is God behind it, then it takes faith to access it. If it is God behind these declarations, then it takes faith to access it.

[2 : 07] If it is God behind that miracle, then it takes faith to access it. I see you moving in faith. And Bible calls unbelief an evil heart of unbelief.

Hebrews chapter 3 verse 12. Evil heart of unbelief. Evil heart of unbelief. So now, what I'm actually teaching is... What I'm actually teaching is also the opposite is true.

The opposite is the enemies of the fulfillment of the prophetic declaration. So the enemies of... To deal with the enemies of the fulfillment of the declaration is about faithlessness and unbelief.

So to make it work is faith. Unbelief is an enemy to the fulfillment of the prophetic declaration, to the working of the word. Number two, hope. Hope. As you stay in hope, you stay connected.

It says that hope to the end. For the grace that will be revealed at the revelation of Christ. That is to come to you at 1 Peter chapter 1 verse 13.

[3 : 13] Hope to the end. Get up the loins of your mind and hope to the end. Hope to the end. For the grace that is to be brought to you at the revelation. Hope to the end.

Hope 5.5. Romans 5.5. Hope make it not ashamed. I like that one so much. Hope make it not ashamed. Hope make it not ashamed.

Another translation is here. Hope does not disappoint. So hope make us not ashamed. You will not be put to shame in hope. You can't be put to shame in hope.

I know I'm talking to somebody with regards to your family and your marriage. Hope to the end.

There's a runaway son who is coming back home. There's a runaway husband who is coming back home.

There's a runaway wife who is coming back home. And there's a runaway daughter who is coming back home. A runaway family member who is coming back home. Hope to the end. I'm telling you.

Now, sometimes if you don't think it is, oh, I'm tired now.

[4 : 12] And fasting has even ended. I knew, I knew, I knew that I should have my testimony by Sunday and by the end of this month. No, no, no. Look. No, no, no. Hope. Keep hoping.

Put your hope in God. Not the results. Put your hope in God. As you hope. It says, why art thou cast down, oh my soul? I think Psalm 42 verse 2 and verse 5.

Something like that. Why art thou cast down, oh my soul? Why art thou disquiet? Why art thou cast down, oh my soul? Why art thou disquieted within me?

Hope thou in God. Did you see that? Hope thou in God. Hope thou for I shall yet praise him for the help of his countenance.

God is helping you, my brother. God is helping you, my sister. Even the fact that you are able, the fact that you have been able to log on to this service is the help of God.

[5 : 12] It's an extension of God's help. Because what would you have done if you have not discovered this message, this service, this encounter? What would you have done? But this is the means through which God is meeting you.

What would you have done? Some of us wouldn't have known a lot and Satan would have been cashing in on our ignorance. Spiritual ignorance. Spiritual ignorance is more costly than anything you can think about.

Because spirituality, it secures destiny. The most important thing about life, it can be delivered by spirituality. Your destiny says that exercise your second Timothy chapter, no, first Timothy chapter four, verse seven.

It says that bodily, physical exercise profits by little. All right. So let's go to verse eight. It says, exercise yourself unto godliness for bodily exercise profits.

Gym, going to gym, it works. You hear someone said they were able to shed off the weight, but not the pain. But thank God, God took care of the pain. So it helps. God, God, Godliness, which is, it takes a, Godliness is an exercise.

[6 : 21] You practice, you engage in something. It's nothing, I mean, me after, I used to have a personal trainer. I stopped him from coming. Because I think he didn't like me.

Not in that actual sense. Because it was too hard for me. And there was a time I was fasting, long period of fasting. So he himself said, since you are fasting, maybe after the fasting. I said, yeah, yeah, yeah, it's a good idea.

After the fasting, he called, when, Pastor, when are you ready? I said, I will let you know when I'm ready. Over a year now, I haven't called him back. Physical exercise takes a certain level of discipline. It takes a level of, look at the way your tummy is growing this lockdown.

Some of us who thought we were slim are now looking quite funny. You know, the way when they, when you're a man and your tummy is like they've scooped an ice cream.

You know, that way. You know, but you can shed it off through exercise. What I'm trying to say is, gym is good. Physical exercise has a way of keeping you healthy.

[7 : 25] It says that it does profit. But its profit is very minimal as compared to the original one. It says, but godliness is profitable for all, how many things?

Oh. I can't hear you. Oh. All things. It's profitable for all things. Watch this. Having promise of the life that now is and the eternity.

So your destiny here is, oh, oh. That's what I'm talking about. Your spirituality benefits your destiny here and your eternal destiny. Your eternal destiny.

Spirituality. Oh, man. All these things, I'm really, it's not for me. Your destiny is not secure both on earth and here. And the most important thing on earth is your destiny here. On earth here.

That most are all in life. And when you die, where are you going to go? What results and what rewards are you going to get? So your destiny in life is secured.

[8 : 26] Your marital destiny is secured. The destiny of your family, your financial destiny, I'm telling you. I'm telling you. So spirituality is highly profitable. It's a high profitable venture.

Highly profitable. The dividends are so great and so reliable and authentic and dependable. And you can count on the dividends of your spirituality.

Let me say that again. You can count on the dividends of your spirituality because it works. It pays off. It pays off. It pays off to be spiritual.

So it says that exercise yourself unto godliness. Now, back to what I'm saying. Sometimes if you're not careful, Satan will fight you from all angles that you lose hope.

You lose hope. Why are you disquieted within me? Hope in the Lord. Hope that I will yet praise him. I will yet praise him for the help of his countenance. Why are you disquieted?

[9 : 30] Oh, my soul. Why are you quieting me? Don't be quiet. So there are times that your soul can go down. But you have to learn how to. And the Bible says, but David, 2 Samuel chapter 6, I think verse 5 or 4 somewhere there.

But David encouraged himself in the Lord. There are times that you have to take the responsibility, encourage yourself in the Lord. And keep going. Keep going. You have been believing God for something and it's delayed and it looks like time has passed.

It doesn't happen. No, keep trusting and encouraging yourself in the Lord and keep going. Keep going. Never give up. God is never late. Never give up. See, David, I was chapter 6, right?

1 Samuel chapter 6, I'm sorry. Chapter 30, verse 6. David encouraged himself in the Lord. He was greatly distressed. For the people said they were stoning because of the souls of all that. And David encouraged.

But David encouraged himself in the Lord his God. You must learn how to encourage yourself. Say, my soul, praise the Lord. My soul, praise the Lord. Bless the Lord, O my soul.

[10 : 31] And tell yourself, David, bless the Lord. Bless the Lord. Why are you discouraged? No. Hope in God. Your future is bright. Stay spiritual, bro.

Stay spiritual. Sometimes they make it look like spirituality is all about religion. No. It's not about religiosity. There are people who are religious and it doesn't take them anywhere.

You can't be spiritual and you won't produce results. Yeah. You can't be spiritual without producing glorious results. Yeah. When you are spiritual, you produce glorious, productive results.

That is like the glory of the Lord is risen upon you. It comes through spirituality, not religiosity.

Anyway, so there is hope for your future.

Jeremiah chapter 31 verse 7. I quoted on that yesterday. Now, the last thing. So number one is faith. Number two is hope. And then the last one I want to make is that you have to guard against loose tongue.

[11 : 34] Why? I want the prophetic word to work for you. Guard against loose tongue. Guard against loose tongue.

Or be careful not to misuse your tongue. Your tongue. I mean your tongue. Your words. Be careful not to misuse your words.

Misuse your tongue. Say anything. You just say anything and say, oh, I'm just joking. He said, let not cause jokes. Cause jokes. He said, let all cause jokes or jestings be put away from you. Be put away from you.

Cause jokes and jestings. Let them be put away from you. Let them not proceed out of your mouth. Ephesians chapter 5. Neither filthiness, nor foolish talk, nor coarse jesting.

Which are not fitting, but rather giving of time. That's what, verse 3, look at verse 3. But fornication and uncleanness and coverture, let it not even be named among you.

[12 : 34] That's fitting for saints. So, the people who want pastors to be quiet and not mention fornication. Not say anything. I'm sharing a flat with my girlfriend, my boyfriend.

I'm just coming to church. Leave us alone. Let us. No, no, no. We won't leave you alone. We won't leave you alone. We won't leave you alone. We are not social service providers. We are spiritual people. We are agents of God.

We don't carry our own message. What God says is what we will say. We won't leave you alone.

Move out of our house, girl. Move out. Move out. We won't leave you alone. Move out. Stop the fornication. If you are a believer, it shouldn't be named among you.

Fornication and uncleanness. Uncleanness is pornography and all those kind of stuff. All these and trash from pollution. It's not being named among all covetousness.

You want to grab this somebody's way. One day I have to go. I have to actually teach about the Ten Commandments. Ten Commandments. God shall not covet.

[13 : 39] Okay. God against covetousness. Let it not even be named among your filth. Then it goes on to say verse 4.

Go to neither filthiness. Filth. Some things are not. It's not right. Filthiness. Nor foolish talking. You see that. Nor coarse jesting. Put it away.

It shouldn't be named among you. In Colossians, I think, chapter 4, verse 6 or so. It says that, Let your words be seasoned with salt, that it might minister grace to your heirs.

What? Yeah, 6-4. Let your speech always be with grace, seasoned with salt, that you may know how you ought to answer each one.

Seasoned with salt. So, back to the point I'm making. Don't avoid loose tongue. This is how Bible puts it. In Proverbs, chapter 18, verse 20 and 21.

[14:39] He says that, A man's belly, a person's belly, shall be filled with the fruit of his lips. What you are saying is what determines what is entering your stomach. Jesus said, Jesus said, It is not what comes out of a man that, what enters a man that pollutes him.

It is what is coming out of him that is polluting his destiny. What? Jesus said it. I think Matthew chapter 15, verse 8 or 8, verse 15. He said, It is not what comes out of a man that pollutes him. But it is, verse 11 is that, not what goes, that goes into a man that defiles him. But what is coming out of your mouth is what is defiling, polluting your destiny.

So, we are declaring, but you pollute it and it doesn't work. Because you receive and say something else. What we say, the amen we say, should not be just for service.

It should be for life. So, when you hear, God is blessing you and you say amen, that means that after the service, you are going to keep saying amen and know God is blessing me. You won't change their confession.

[15:43] Don't change it. Don't change it. At the sight of contrary situations, the Bible says that these are those, when he was talking about the sower, went to sow a seed.

These are those who fell by the rock and they received the word with joy. Mark chapter 4. They received the word with joy. I think from verse 14, somewhere there in Luke as well. They received the word with joy.

But when temptation, persecution arise for the word's sake, they fall away. He said they fall away. He said that they have no roots in them.

So, they endure for a time. But afterwards, when tribulation or persecution arises for the word's sake, immediately they stumble. Don't change your confession.

This is how Jesus puts it. Jesus said, everyone will give an account for every idle word. Matthew chapter 12, verse 36. Every idle word you give, he said, don't think you'll go free.

[16:44] Every, oh, I didn't mean it. Yeah, but you said it. I didn't mean it. But you said it. I didn't mean it. But you said it. For, he said, but look at, look at verse 37. By your words, you shall be condemned.

By your words, you will be justified. And by, not your, what you intended. The words that came out, you'll be condemned. So, the outcome of the word of God, that has been declared over your life, has a lot to do with, how you watch against a loose tongue.

It's not everything you can say, when you are believing God for something else. You are believing God for a husband, and you keep talking.

As for this marriage thing, it's getting very hard. I don't even think I'll ever get the chance to get married. That's why, you have invalidated all this declaration. Miracle marriage. Miracle marriages. And so, the thing is, it doesn't look like it's for me. It's not working. Ah! Satan is waiting to hear that one. He just wants you to say it, so that, he can use your words against you.

[17:44] In UK, when the police arrest you, it says that, how did they, whatever you say, shall be held against you. You have the right to remain silent.

You have the, thank you pastor. You have the right to remain silent. For everything you say, what? May be used in evidence against you. Yes. Whatever you say, will be used in evidence against you. Pastor Frank, you have never been arrested. Let the people who have been here, tell us.

Hallelujah. Hallelujah. Everything you say, will be used against you.

It's a spiritual principle. Bible says that, a man, a man's belly, shall be satisfied, with good, by the fruit, Proverbs, Proverbs chapter 18, 20.

A man's, a man's belly, shall be satisfied, with the fruit of his mouth. With the increase of his sleep, shall he be filled. Whatever is increasing your mouth, is what your life is going to see.

[18:42] Look at verse 21. Life and death, death and life, are in the power of what? The tongue. It's your tongue. Death and life, are in the power of the tongue, and they that love it, shall eat the fruit of them.

Death and life, are in the power of the tongue. Ecclesiastes chapter 5 and 6. Look at Ecclesiastes chapter 5 and 6. It says that, suffer not your mouth, to cause thy flesh to sin.

[23 : 58] Look at this. Psalm 34 verse 12 and 13. Thank you, Jesus. Who is the man who desires life and loves day, many days, that he may see good?

This is a serious one. Who is the person, the man that means a person, okay, who desires life, you desire life, and loves many days, that you will see good?

Look at the next verse. Keep his tongue from evil and your life from speaking deceit. Keep your tongue. Your tongue will determine the quality of your life.

Watch what keeps coming out of your mouth. Keep your tongue. Sometimes the devil will make somebody say something for you to repeat it. Don't repeat something. Something should never be repeated.

If you don't, you know this is not right for my destiny. It shouldn't be repeated. It shouldn't be repeated. It shouldn't be repeated. It says you want to see good days, many days, good, keep your tongue from, if you want to say, who is the man who loves, who desires life, loves many days, and to see good, then keep your tongue from evil.

[25 : 06] Wow. This is serious. Wow. Keep your tongue from evil. Numbers chapter 14, verse 28. Yesterday I quoted it. You want the prophetic way to work?

Watch. Watch out against loose tongue. Watch out against careless, and careless ways, useless ways. Watch out against the misuse of your tongue.

Don't misuse your tongue. Life, life and death are in the power of your tongue. Don't misuse it. Don't misuse it. Can you imagine when they, okay, let's finish this text and then I'll read one and then we'll close. Say to them, this God, as I live, says the Lord, just as you have spoken in my hearing, so I will do to you.

God said, as you have spoken, this is what I will do. That's why it's good to pray. It's good to pray. You can use this for your prayer topic, as a prayer scripture.

God, you said, just after I spoke in your ears, you will do, I'm praying about this marriage, I'm praying about this cause, I'm praying about this situation. Pray. Just as you have spoken. Just as you have spoken.

[26 : 17] Final scripture on this and I'll show you something. In James chapter 3, verse 2, verse 5, verse 8. James chapter 3, verse 2. He said, for we all stumble in many things.

If anyone does not stumble in word, he is a perfect man and able to bridle the whole body.

Mm-hmm. Your words, the tongue is powerful.

If you can get your tongue in control, your life will be in order. Yeah. If you can get your tongue in control, your life will be in order.

The loose tongue and careless or misuse of the tongue is a major enemy against a prophet, fulfillment of a prophetic declaration. That's what I'm trying to say. It's a major enemy.

Loose tongue is a major enemy. Useless tongue, loose tongue, misuse of the tongue. It's a major enemy against the fulfillment of your prophetic destiny or the prophetic declaration.

[27 : 15] Look at verse 5. James chapter 3, verse 5. It says that, it said, even so, even so, the tongue is a little member and boasts great things.

See how great a forest. Give me a new King James, a King James, please. I like King James, a matter. I like the matter. Behold, how great a matter, a little fire can let.

That's, that's why a new King James is a forest because you can have big forest fires, bushfires, big one, which was started by some little fire. One spark, one spark, started the whole fire, the whole, I mean, the place is burning.

How? Small fire. And it says, the tongue is like that. How great a matter, a little fire can let. It candles a great matter. You think it's simple, I didn't mean it.

But sister, you are candles in a great fire. I didn't mean it. Brother, you are candles in a great fire. Your tongue, be careful, rail it in. Hold your tongue. Hold your tongue.

[28 : 19] Be careful what you are saying. Watch what you are saying. Watch what you are saying. There's a word of God over your life. There's a word of prophecy over your life. There's a word of, a declaration to burn.

Now, declaration to benefit your health. In spite of the coronavirus, there is a declaration to benefit your health, to secure your health.

I'm telling you. So, watch what you say. Watch your tongue. Watch out. Watch out. What you are saying is about to invalidate the program of God for your life, the prophetic agenda of God for your life.

What you are saying. What you are saying. What you are saying. Watch out. Yes, Lord. Watch out. There is, Bible said, death and life are in the power of the tongue.

You open your mouth, you are releasing death or you are releasing life. Verse 8 of James chapter 5. Verse 8. And the verse 1 said, how big a matter a little fire can lead.

[29 : 23] That's a serious one. Write that in some way. You can also put it on your WhatsApp. So, anytime you are about to put a statement there, it reminds you. How great a matter a little fire can lead. How great a matter a little fire can lead.

Look at verse 8. But the tongue cannot maintain. It is an unruly evil full of deadly poison. Can you imagine? The tongue is full of deadly.

So, if you are not careful, you poison your future with your tongue because it's an unruly thing. That's why verse 2 says that anyone who is able to control the tongue, you are a perfect man. The perfect means that things will be the way they should be.

Wow. If you are able to hold it, things can be the way they should be. Not only what you are saying, what you are typing do matters. What you are typing, the text, the emails, what you are typing do matters.

One of the things that I learned very quickly in the United Kingdom is when you are filling forms. It's full of forms. Everything fill a form because your words are there in print.

[30 : 28] It can't be changed. There are people who came to United Kingdom and they came with one name. Later on, they changed their name but they didn't realize that their original name was being recorded.

So, they didn't know. Or they ask you, how long are you filling your form? How long have you lived in this address? And you say, you've been there for six years. Meanwhile, you are filling the other one and you feel I've been there for 18 years.

Yes. Yes. Yes. Yes. Yes. Yes. Yes. Yes. Yes. Yes. Yes. Yes. Yes. Yes. The words. So, that was up you are sending, that direct message, the Instagram message you are sending to that lady, it is there against you.

And some of us, some people have saved a message you sent. Hey. Saved it, yes. Some messages you sent, it has been saved. One day, it can be used against you. But may God cause that day never to come.

May God cause that day never to come. In the name of Jesus, sometimes not even just words, Your videos are somewhere. Hey, sister, your video. It can be used against you.

[31 : 31] But may God, God forbid, God forbid. May it be deleted in Jesus' name. May it be deleted. And so in Acts chapter 4, verse 2, can you imagine when the Holy Ghost came upon them, they began to speak in tongues.

God, the evidence of the presence of the Holy Ghost started working on their tongue. Their tongue. Their tongue. It began to have an impact on their tongue. Because the tongue, it can be a deadly thing or a life-generating thing.

So Holy Ghost, when it came upon them, every time there's the Spirit of God, read the Bible, every time the Spirit of God comes upon a person, there's an influence.

There is a reaction on the tongue. Yeah. They begin to speak. At least when she read the salutation of Mary, the Bible says that the baby in her womb, she was filled with the Holy Spirit.

And then she opened her mouth and said, Blessed are you! Luke chapter 1, verse 40, 41. She opened her mouth. Blessed are you! She was filled with the Holy Ghost in Sunday and began to speak. Spoke with a loud voice.

[32 : 35] Blessed are you! No, verse 41. Look at verse 41. Verse 1. Then it happened. When Elizabeth heard the greetings of Mary, that the baby lived in her womb, and Elizabeth was filled with the Holy Ghost. Did you see that? Filled with the Holy Ghost and she spoke.

Read the Bible. And they all filled the Holy Ghost and began Acts chapter 2, verse 4. They began to speak with those. Acts chapter 10, chapter 19, verse 5. When Paul had laid the son on them, they filled the Holy Ghost and they began to speak.

They began to speak. In Acts chapter 10, verse 44 and 46. It says, Whilst Peter was speaking, the Holy Ghost fell upon all those who heard the words. And then verse 46.

The children with their friends and the children with their friends were astonished. Verse 46. For they heard them speaking. When the Holy Ghost came upon them, it has a direct impact on your tongue. Direct impact.

The Bible says that, and when they had prayed, Acts chapter 4, verse 31. When they had prayed, the place where they assembled was shaken. And they were all filled with the Holy Ghost. And what happened? And they spoke. They spoke. They spoke.

[33 : 35] When the Holy Ghost comes upon you, one of the areas he affects quickly is your tongue because your tongue will release life or death. I bless you.

I bless you. I release life into your health. I release life into your health. I cast that spirit of death that has been assigned against you. I cast it out of your life.

And I release life. I release healing. I release healing. I release peace. I release your prosperity.

Receive it. I release your liberty. Your freedom. Receive it now. Receive it now.

Receive it now. Receive it now. Shout, I receive. I receive. I receive. I receive. I receive. I receive. I receive. I receive. Hallelujah! Hallelujah!

Hallelujah! As soon as you shout hallelujah, you are declaring God be praised as you are going on into the life. God be praised! Praise into your future! Hallelujah!

[34 : 31] Someone shout hallelujah! Hallelujah! That means God be praised into your future. There are enemies that will fight against the fulfillment of the prophetic word you have received.

The fulfillment of that declaration. How you are able to tap into it. Faith! Hope! And write confession. We deal with it. In other words, you need faith.

You need your hope. Satanic plans to make you hopeless. Don't give up. Never give up because God is never late. Amen. And watch out against loose tongue.

Watch out against the misuse of your tongue. And everything changes. I see someone seeing the fulfillment of the prophetic word over your life.

It's coming. It will be fulfilled. Nothing will stop. This year will be your best year ever. This year will be your best year so far. It will be your best year. I'm telling you. It will be your best.

[35 : 35] He said, Arise and shine for the light is come. For the glory of the Lord is risen upon you. The glory of the Lord shall be seen. The glory shall be seen. People will see. Hey! Hey!

I like. Testimony speaks out. Testimonies are not silent. It says that when the Lord turned out captivity. Our mouths will feel laughter. Then was said amongst the hidden.

The Lord has done great things for them. People will see. People will see. People will see. People will see. Amen. The Lord, it says that it's upon you.

And people will see. The hand of the Lord is upon you. And people will see it. Arise and shine. God shall cover the people. God shall cover the earth.

God shall the people. The Lord. Someone say, but the Lord. But the Lord. God. Say it again. But the Lord. But the Lord. In other words, despite what is happening generally to everybody or to a lot of people, your own, there is a bat.

[36 : 39] Anytime the word bat is introduced, it changes the direction of what has been said previously. So it changes it. When they say but, say darkness, but, that means no more darkness.

See, darkness, but it terminates what has been said and introduces something different. He said, but the Lord shall arise upon thee and his glory be seen on you.

In the mighty name of Jesus, so shall it be in Jesus' name. Amen. Thank you for listening. To hear more from David Entry, follow him on Facebook, Instagram, Twitter, and LinkedIn.
