Preacher: David Antwi

[0 : 00] Welcome. Thank you for choosing to listen to another faith-building message by Pastor David Entry. Faith comes by hearing and by hearing the Word of God.

May your knowledge of Jesus Christ increase as you listen. Be blessed. Hallelujah! Hallelujah! Have you got anything to say? I believe it goes! I can't hear you. What have you got to say? I believe God!

I believe God! Paul said in Acts chapter 27, verse 25, that I believe God that it shall be unto me. Take heart, verse 25, Wherefore says, be of good cheer, for I believe God. In the midst of the storm, there is no hope anywhere.

[1 : 02] But Paul said, I believe God. Don't be quiet. Announce it that you are a believer. Open up your mouth when the time comes.

And say, I believe God. Sometimes you wake up in the morning, you read that letter you didn't want to see. All your response is just, hey, hey, I'm in trouble.

No! Don't say that! Don't say I'm in trouble! Say I believe God! Don't say I'm done! Say I believe God! Don't say I'm down!

Say I believe God! Don't say what I fear that happened. Say I believe God! Have you got anything to say? I believe God! With regards to your health, your finances, your marriage, your career, your studies, your family life, your ministry.

Have you got anything to say? I believe God! I believe God! I believe God! Tonight, what I've got to say is I believe God that He'll change your story.

[2 : 06] Hey! Paul said to them, brethren, or says, be of good cheer because I believe God.

I believe God that what I have heard, what has been told me, it shall be. It shall be even as the way I was taught, the description that I heard, I know it will be exactly that.

Be of good cheer. Don't give up. Things look discouraging, but don't worry. Believe God. Things look bleak.

The future is looking bleak and bleak and bleak and bleak. Don't fear. Believe God. Believe God. It's your believing that commits God.

Until you believe God, He's not committed. Come out, I'm a shanah, handa. You believe God, you commit God. You believe God, you commit God.

[3 : 13] They're in the midst, in the middle of the shipwreck. When they hadn't seen sun or moon. The light, in the high seas.

About 2,000 years ago. In the high seas. No moon, no sun. everything looked dark and Paul the angel of the Lord stood beside Paul and said Paul don't be afraid for you must be brought before Caesar listen somebody is listening to me and you are sick the devil is telling you you will die no no no this is not how you will die no no no no no no no you are not dying you are not dying and you are not contracting cancer you you won't get it you won't contract cancer cancer cannot stay in your body cancer is not permitted I inject supernatural strength supernatural power into your body that it becomes incompatible with that sickness that is trying to threaten your peace your body from now I inject the power of the Holy Ghost the blood of Jesus into your system and it will be incompatible with that sickness that trouble that is trying to harass you Paul said the angel said to Paul don't be afraid for you must you must Paul you must be brought before Caesar and indeed God has granted you and all those who stay with you they are not your slaves you are actually a prisoner and you are traveling sailing with prisoners and captains and ship owners and commanders and God said I put them in your hands indeed you God has granted you all those they are in your hands they are in your care don't underestimate when God is with you it might not look like that on the surface but a lot of things cannot happen once you are in town once you are around certain dangers can happen

certain things can happen in that family because of your presence don't be afraid don't be afraid the angel said to Paul do not be afraid do not be afraid

Paul I don't know whose name this fits but I think you can put your name there but do not be afraid do not be afraid do not be afraid lady do not be afraid gentlemen do not be afraid mom do not be afraid dad don't be afraid don't be there is a prophet speaking to you right now if you have not heard a prophet ever speak you are hearing one a prophet is speaking to you don't be afraid don't be afraid don't be afraid don't be afraid don't be afraid Don't be afraid. Don't be afraid. Only believe. Only believe. Believe in God. Believe in his word. Believe in God. Believe in his word. Believe in God. Believe in his word. And he will make good his word.

It's not my job to make God fulfill his word. It's his job. My job is to believe him. When I believe him, I leave the rest for him. If you can believe him, you commit him. You commit his favor. You commit his power to work.

[6 : 51] The angel told Paul, don't be afraid. King James said, fear no. Thou must be brought before Caesar. So the high seas cannot drown you. No way. You're on your way to Rome. Why are you worried about high seas? God has already registered you in Rome. You are getting there. It doesn't matter what's up. Some of you, it looks like you won't get married. No, no, forget it.

Your marriage has been satisfied with your children growing with you and your wife and you and your husband, serving God together. That one has been set in stone by heaven. If you can stay in faith, if you can stay faithful, don't worry. Some of you are listening to me. You are very concerned about your child's future. Don't worry. Don't worry. God has settled that for you. God has settled that for you. God has settled that for you. It's already settled. We are going through moments that you, you, you.

Moments of uncertainty. Moments of uncertainty. Moments of uncertainty. Moments of uncertainty. And you are not sure what is going to happen. You are not sure. Even as the lockdown is about to be over. Nobody has a last year by now. No one ever planned for two months what was going to happen in the next two months.

when we went into lockdown i in my human thinking knew that oh it's this doesn't normally happen so we'll be out of church for two weeks two weeks two weeks because how can we not be in church out of church for two weeks coming next week is exactly a year from middle of march to middle of march exactly a year when we had our last sunday service in london and in many of the branches but i believe god i believe god i believe god i believe god our church must be brought before caesar in other words we are making our way to the greatness god has prepared for us we are going to rome you are getting there you are getting there's a songwriter and some writer says we are going heaven knows when where we are going we will we know we will get there heaven knows when we will get there we will we know we the road must be rough might be rough the road might be tough i'm telling you your financial settlement is coming your financial testimony is coming that sickness oh yes i'm telling you there's a day coming where you will you will have a taste watch this watch this watch this watch this don't miss this don't miss this i'm professor i'm speaking by the spirit a day is coming where you will have a taste and a feeling of what how it feels like not to be sick wow how it feels like to be sickness free you don't have any sickness anyway yes you see do you believe god you might be in the high seas high seas with darkness all around you having eaten anything for 14 days but you know what i'm telling you i'm telling you i'm prophesying i'm telling you i'm prophesying if you can believe socially before you i'm prophesying to you that a time is coming where you have a taste of how it feels like to be sickness free you don't know my age i'm already 52 it doesn't matter it's not every there are people who are 60 and are sickness free so if someone can be 70 and sickness free then i'm prophesying to you you can also be 53 and sickness free you can be 69 and sickness free you can be 38 and sickness free and may i also say this you can also be 89 if others you don't know anyone who has been there without sickness then you can be will be the first to open the matrix you'll be the first to set the pace i'm prophesying to you maybe in your family nobody has done that nobody has achieved this nobody does not matter at all because none of them in that time had had had watch this none of them in their lifetime had lockdown and had encounter first at lockdown so your case that makes your case different your case is different even not nobody i have never had lockdown and encounter first together this is the first time ever in the history of man when we we are having lockdown and then i'm telling you the first time ever in the history of man and so that means that there are other things historic things that are about to take place in your life that has never happened in your family bible says that and joshua prayed and he

said let the sun stand still and the sun stood still and joshua until joshua defeated amalek his enemies and on that day there has never been a day like that day ever in a calendar of men they have never been a day like that so it doesn't matter if they haven't been or there has not been a day and joshua spoke to the lord in the day when the lord delivered up the amorites before the children of israel and he said in the sight of israel sun stand still over gibeon and moon in the valley of i joshua and what happened and so the sun stood still and the moon stopped so the people had a revenge upon their enemies upon their enemies is this not written in the book of jeshu so the sun stood still in the midst of heaven and did not hasten to go down for about a whole day verse 14 about a whole day and there has had a couple short double and there has there has been no day like that today we read it in luke chapter 5 verse 20 26 for we have today our eyes have seen strange things they said we have he said we have seen strange things today i'm telling you the bible said in the time of joshua there had no big joshua 10 14 there there and there has been no day like that before or after it that the lord he did the voice of a man for them i believe i'm describing you but if you don't take it you read it like story may god open your eyes to see the wonders in it that belongs to you god listen god he did the voice of a man no there has never been a day like that where god he did the voice of a man in that direction and the elements of nature were subject to the demands of a human being subject there have never been a day like that before or after that the lord he did the voice of a man god said son you can't move because somebody i'm telling you there's we are living in those times this is a season you are about to make history through your prayers and your personal declaration based on your faith in god paul said the the angel said don't be afraid for you must be brought before caesar and so paul then recanted he retreated or reported what the angel after the angel look at verse 25 he said says therefore i believe god oh take heart man for i believe god you see after the angel said he said i believe god that he shall be unto me just as it was told me and guess what it was to him exactly as it was told him exactly he was a prisoner but he was living in a rented apartment chapter 8 verse 23 24 he was living a 28 sorry chapter 28 verse 23 24 he was living in a rented apartment why because god told him the high seas could not bring you down so when he got to room he got to room eventually a snake he came out of the high seas chapter 28 verse verse 4 5 a venomous a very poisonous snake stuck to his hand and beat him and that kind of snake when they bite you don't survive because that the natives knew about that kind of the dangerous industry and paul's gardening stream about the viper came out of of uh came out because of the heat and fasting it didn't just bite him it's fasting it was holding on to his skin holding on snake and then people concluded this guy is a wicked murderer you have escaped such a dangerous thing and life destiny did not permit you to live no doubt this man is a murderer whom though he has escaped the seas yet justice does not allow him to live they were just using their own mind they didn't know that everyone who survived to survive because of paul so the snake which stands for the devil the nature of the devil said you we will target you save everybody some of you you are going through so much because you have been you are the saved uh proper born again and worshiping god truly in your family and so all hell has broken loose because you are bringing freedom you are bringing

[16:29] a turn around your family that is why the family forces have arisen against you but they will not prevail they will not prevail they will not prevail they will not prevail they will not prevail amen which stands for the serpent it stands for the nature of the devil the devil his first appearance in the bible he appeared as a snake and his last appearance in the bible is going to appear is is a dragon a mature a big snake dragon dragon so he he he fastened he that word fastened he stuck he was holding on he said seriously you know you know nobody snake will just bite you and run away but this one won't go so you can kill me this man i have to die with this man he fastened so the people were so sure that this is a murderer this is a murderer but guess what bible said he shook the snake into the fire he shook of the creature into the fire and suffered no harm you won't suffer harm whatever they are saying against you will not work whatever they are doing against you will not work that anything they are planning against you they want you to they they plan that you lose that job they plan that you lose that house they've met and they are having conspiracies against you in the office they are teaming up against you it will not work i am prophesying to you it will not work they are twisting the arm of the court against you it will not work they are trying to turn them against you it will not work it will shake up that beast into the fire shake it off shake it off shake it off why because i believe god that i'm going to caesar your faith is what guarantees your safe passage your confidence in the spoken word in the prophecies that god has sent to you is what guarantees the nature of your journey and how safe you pass through it is shook up the beast shake it off shake it

off shake it off someone say i shake it off come on say it i say i shake it off it looks like in your family you are the only one who hasn't got that testimony you are supposed to get you have no god things haven't things haven't come together for you fall in pleasant places for you and they are they are mocking you yeah there's a beast there is a beast that is fastening itself to your destiny because you the way you are taking god serious you are bringing salvation into your family you are bringing you are you are going to be the joseph of your family and he doesn't want it he has to cut you off but we will shake him off you shake him off we will shake him off sometimes you feel so discouraged and you're asking this thing at all does it really work that's that's what it when the devil hear you saying this thing does it really work say yeah you are talking you're talking come on come on come on you're not talking you're talking you're talking you're saying i don't know i've been believing i knew that before this encounter first i told god if he doesn't do before this encounter first then i won't believe i don't know and the devil said does it does it i knew that's my boy that's my girl come on come on the devil is a liar the devil is a liar you have to say like dope even though he slays me yet i will trust him even though it doesn't go my way yes i'll continue to believe god because i believe god not because i'm not believing god because i've seen everything changed i believe god because i believe that it will be to me just as it was told me that's all so if what has been told you hasn't changed then don't let your faith change your faith is built on someone is something watch this faith faith genuine faith genuine faith has its roots in the past

i will say it again genuine faith always has its roots in the past excuse me can you explain it yeah until i explain it that it will make sense genuine faith is built on what was spoken what was said not what shall be said no not what shall be said so some people are waiting okay let's if if really for me to believe i want to hear him say that no no no no no no no if you are waiting to hear before you say something said that sounds the way you like before you believe no you have to as you are hearing faith is rising so you believe what you have heard what has been told you believe it bible says that there shall blessed is he that believe it excuse me i'm getting too fired up i just can't i just can't sit still thank god and spring in my chair hallelujah blessed blessed is he who believe it luke 145 blessed is he who believe it for there shall be a performance of the things that you see that that that not that will be told that that were told it's in the past you believed it and that's why what what you are so proud what you are believed is what is about to happen not what you are about to believe what you're about to believe we don't know what you're about to believe but what you have believed if you can't change what you have believed what was said you can't change what was said then why would you change what was what you believed you can change what you believed so let the belief be hinged on what you what has been said and he said that i know blessed is that uh I believe that it shall be unto me just as it was told me. Just as it was told me, it shall be. And I'm telling you, I'm telling you that tonight, you are making history. You are making history tonight.

You are making history tonight. Tonight is certainly historic in your life. Tonight is day number 40. Night number 40 of Encounterfest.

[23 : 10] Night number 61, since we started daily prayer. 61, Encounterfest, day 40. Tomorrow is day 41.

Sunday is day 42. But Sunday there's no evening. It's just Sunday normal morning. Day 4. So 42, which is 6 weeks.

Sorry, 6 weeks. 6 weeks. Plus already existing fasting of 3 weeks. In January. 9 weeks. 9 weeks pregnancy. Listen, something will change in your story. Amen. Something has changed. I'm prophesying now. You can choose to believe or not. But something has permanently changed in your life. Amen. In the mighty name of Jesus. Tonight, I haven't preached yet, but I have to close. [24 : 08] I was going to continue. I was going to continue my preaching on the Holy Ghost yesterday. But I felt too fed up. And I was just flowing. I felt like I came to prophesy.

Tonight is just prophesying. I've been prophesying. Let me add this. I will go to the Holy Spirit another time. Let me add this. In Mark chapter 10, verse 46.

He was moving to Jericho. When he came towards Jericho, there was a blind man. A man who sat blind. And blind by Timaios. The son of Timaios.

Sat by the roadside begging. The next verse. And when he heard that it was Jesus of Nazareth, he began to cry out and say, Jesus, son of David, have mercy on me.

Verse 40. Then many warned him to be quiet. But he cried out all the more. Son of David, have mercy on me.

[25 : 09] And Jesus, the next verse. So Jesus stood. Jesus stood still and commanded him to be called. Then they called the blind man, saying to him, Be of good cheer.

Rise. He's calling you. And throwing aside his garment, he rose and came to Jesus. So Jesus answered and said unto him, You've been coming for encounter night after encounter, encounter first night after night.

This month is our turnaround encounter. What do you want me to do for you? The blind man said, Rabboni, which is rabbi, which is teacher.

Master teacher. That I might receive mine. That's all he wanted. I don't know what all you are wanting. But tonight, prophetically, I believe God asked me to tell you, what do you want?

What do you want? Maybe this is your first night joining us. You still came with a desire. What do you want?

[26 : 17] What do you want? What do you want? What do you want? What may I do for you, says the Lord?

What do you want the Lord to do for you? We want to pray. Two things. Somebody is going to pray. And in your prayer, your prayer is all going to be how you believe God.

I believe God. I believe God. I believe God. I believe God. I believe God.

You have to believe that. So that, it should be, it should be unto me. Just as I've heard tonight. I believe God. What do you want God to do for you? God, the blind man said that I might receive my sight.

Hallelujah. So Jesus said unto him, what do you want me to do for you? Then, no, what do you want me to do for you? The blind man said to him, Rabbonne, that I might receive my sight.

[27 : 25] You must know what you want. This service must not end without you exercising your faith and telling Jesus, like blind Matthew, my Lord said, you've been coming for an counterfeit.

You've been in an counterfeit from beginning or from last week or from early this week. I mean, for how long? Whatever. For last month. From the beginning. You've been in an counterfeit and you want to say, God, that I might receive my sight, that I might receive my marriage, that I might receive my financial breakthrough, that I might receive my turnaround, I might receive my encounter, that I might receive a testimony in my health, I might receive a testimony in this court case, whatever it is, in my documents, whatever it is, in my business, whatever it is, it's time.

It's time to break up your fallow ground and dare to believe God and speak to God and speak to God. Bible says, watch this, Joshua 10, 14.

Bible says that, and there's never been a day like this where the Lord hit the voice of a man. Okay? Before, when the Lord hit, God will hear your voice. God will hear your voice.

God will do it for you. God will do it for you. Present your request before God. Bible says, be anxious for nothing, but in everything by prayer and supplication. Philippians chapter 4 verse 6. But in everything by prayer and supplication, let your request be made.

[28 : 44] Why are you worrying when you can pray? No. Stop worrying. Pray. The angel told Paul, fear not, or don't be afraid. Jesus told the man whose servant was sick at home in Mark chapter 5 verse 36.

He said, fear not, only believe. When Jesus heard what was said, Jesus said to the man, fear not, only believe. I just want you to know, don't be afraid, only believe. Don't be afraid, only believe.

Don't be afraid, only if you can believe. Jesus said, did I not tell you that if you believe, John chapter 11 verse 40. Did I not tell you, Martha, that if you believe, you will see the glory of God if you can believe, if you can believe, if you can believe, only so fear not.

Fear not. Fear is not. What you are afraid of is not a problem. It's if you can believe God, God will sought you out. God will sought you out. And I want you to believe God for your marriage. Believe God for your health.

Believe God for your healing. Believe God for your children. Believe God for your future. Believe God for your business. Believe God for your career. Believe God for that job. Believe God for those examinations ahead of you.

[29 : 47] Believe God for that crisis. Believe God that the crisis will turn in your favor. Believe God for victory in that court case. Believe God for your house. Believe God for your family. Believe God for your husband.

Believe God for your wife. Believe God for your mother. Believe God for your father. Believe God. I believe God. So shall he be in Jesus' mighty name.

Amen. Shout the believing amen. Thank you for listening. To hear more from David Entry, follow him on Facebook, Instagram, Twitter, and LinkedIn. Why don't you subscribe to our YouTube channel at Carish Church and subscribe to our podcast so you are always up to date. Be blessed.
