Preacher: David Antwi

[0 : 00] Welcome. Thank you for choosing to listen to another faith-building message by Pastor David Entry. Faith comes by hearing and by hearing the Word of God.

May your knowledge of Jesus Christ increase as you listen. Be blessed. Hallelujah! If you want to receive your miracle healing, ways to tap into your healing.

Number one, I said it takes a revelation, not ordinary revelation, but it's more about a break-forth of revelation. Wow! Break-forth.

It said Isaiah chapter 58, verse 8, then your light shall break forth. Alright, so then your light shall break forth. Like that morning, your healing shall spring forth speedily.

Hallelujah! So your light will break forth. Break-forth of revelation. Break-forth of revelation will bring you your testimony in the mighty name of Jesus Christ.

[1 : 06] So revelation is necessary. Revelation is necessary. And revelation not in anything but revelation, not information, revelation.

Okay? Now, sometimes you might, some of us know the stories of the Bible, but you don't know the mysteries. It's the mysteries that are revealed to you. Bible says that, that, I will make all men see the fellowship, Ephesians chapter 3, verse 8.

That, I will make all men, to make all men see the fellowship of this mystery amongst the Gentiles. The fellowship of this mystery, which in the beginning, to make all men see the fellowship of this meaning, which in the beginning, watch this, from the beginning of the ages, has been hid in God. God has hidden some things inside himself. Now, a man has been called to make all men see what has been hidden inside God. So God, when he created the world, he hid some things in himself. And he's going to pull it out. But it doesn't, it's not him. He sends a servant to bring it out, to revelation. So, your level of revelation is what determines your level, your level of covenant enjoyment and divine, divine relief.

[2 : 22] I see you enjoying divine relief in the name of Jesus Christ. So, it's important to understand, not just the Bible, just reading or theology, but insights.

Watch this. When you read the Bible, what do you get from it? So long as your healing is concerned. I need you to understand these things, okay? Now, the Bible, how many of you have heard about God sick before?

God is sick. Today, God could not do anything to recall. He is sick. Can you imagine, can God be sick? Can you imagine Jesus Christ?

When Jesus Christ was on the earth, one day he was so tired, he was lying on the bed, and Jesus was sick. Hey! Where is Jesus sick? Today, he's not feeling well at all. I've got a clue.

I've got a clue. Jesus has got a clue. He's shaking. I remember I heard the story of John G. Lake laying hands on people.

[3 : 23] He was laying hands on people. Laying hands on people. And they told him, this is dangerous. Don't be touching people. You will contract it because it's very contagious. He said, no, no, no, no. It can't happen to me.

And he was helping him bury the dead or something like that. Because a lot of his church members, it looks like something like that. I've forgotten the whole story. So they took it. He said, no, it can't touch me.

Whatever virus it is, once it touches me, it dies. And so they did an experiment. Some of the virus, when it touches him, they look at it with the microscope.

And they see the virus dying on his skin. It touches, then it dies. The power inside him was too strong for the virus outside him to survive. Power. Power. Power. Power.

Power. This is, these are real stories. Yeah. Man of faith. So, can you imagine Jesus is not feeling well? Jesus is sick. No. Pastor, why are you saying that?

[4 : 20] There is an element of the divine nature inside you. 2 Peter chapter 1 verse 4. He said, he has given us these promises. The promises are the God's word.

By which, he said, by which he has given us, given to us exceedingly great impressions for promises. The promises are his word.

That through these promises, we might be partakers of the divine nature. So when we say, read Daniel, you don't be reading it as though, I don't, too long. You are actually, as you read it and you expose yourself to it, you are allowing aspects of the divine nature to be birthed and begin to grow in you.

Or to be induced into you. The divine nature. The divine nature is growing in somebody. As you expose yourself to the pure word of God, the divine nature is growing in you.

And when the divine nature grows in you, other foreign natures will diminish. There are certain types of sicknesses that can survive the presence of God. No sickness survives the presence.

[5 : 27] So the more you have the presence of God, the presence of God, just like in the book of Psalm, I think Psalm 96 or 7 or somewhere. It says, in his presence, mountains and hills, they melt away like wax.

It said, hills melt away. They melt away like wax when the presence of God comes. Can you imagine? So wax, when you put, here you get, yeah, yeah, yeah, it's the 97 instead. It said, the mountains melt like wax at the presence of the Lord, at the presence of the Lord, the God of the, the Lord of the whole earth.

Mountains melt away. Mountains connotes your challenges and your problem. When you expose, that's why I don't understand when you can make it for encounter first and you are just relaxing somewhere.

The situation you are in, you need more of the presence of God. So that is the constant presence. It's called the Shekinah glory. The Shekinah glory. When the Shekinah glory manifests on your life, there are certain things that can never stay, cohabits your body with the, or your, your, your body with the Shekinah glory.

So just being in the presence of God causes some things to begin to vanish and melt out of your life. Haven't you had several testimonies? People said, I, I used to have this headache, this pain, this problem.

[6 : 46] And it went, I even forgot. It was later I realized, oh, hold on, hold on, hold on. I, I, I, I even forgot I had it. It has melted away.

It has vanished. It has lost its credibility so much that you've moved from even, forgetting that this thing used to be there. I used to have some, years ago, strong pains in my, I think in my leg, one of my legs.

They said it's a retic. Strong pains. They gave me some medication or some, some, you know, some of the English have funny names.

And they didn't work. But I got myself busy packing church equipments. That's one of my hobbies, doing church work. Not the preaching. Some of you, you only want to preach and sing to be seen. Do the work. The real work is not the singing. The real work is not the preaching. Where you are on the stage and everybody's listening to you. Some people, that's what they like. If the flesh loves to be seen. There's a pharisaic nature in every one of us.

[7 : 51] The real work is when you are, sometimes no one will even see you to clap for you. You are committed. I love it. I will see the amount of work I even do to make sure everything's always changing and getting better for us.

When we, when we, when we, when we had service, we were packing equipments. I was the one who packed more before our others came in to join me. My car was, was like a van. It was full focus, right?

It's a van. Some of you, your car is so precious. You don't even, you don't put anything about God in it. My van and my house from, for the past, uh, about 18 years, there's never a time my house doesn't have church material, church stuff.

I can't go for my wife. My house has always shared church equipments with us. Right. Right. Yeah. My house is not a normal house.

No. It's equipment. It's equipment upon equipments. Huge. Some of the huge speakers, some are in storage. And that's in my house. Right. Really. It's not that, Pastor, but you have allowed it.

[9 : 00] Where should we go? As for me and my house, we shall save the Lord. I mean it when I said it. I mean it when I, we shall save the Lord. The building has nothing. Yes. The building. Ah.

My building is a machine house. My house is mission's house. My wife will tell you, when we are looking for a house to buy, years ago, one of the conditions is a house that has a place like this.

So we were, when we are buying a house, many, many years ago, before our children were even born, we had this place, a place where I can, I can sit and do Zoom.

Yes. Yes. Yes. And I thank God for my wife. So, so it's, it was just a necessary part of the search. A place where I can do God's work.

And then, in our previous house, I'm even talking about kingdom commitment. That's the next point I was going to talk about. In our previous house, in our previous house, in the living room, when you come in, you see, those times the church was very small.

[10 : 03] Carries was small, local church somewhere. And Pastor Joshua remembers. And when you come, packed equipments have been packed in our living room. Our living room. Equipments upon speakers upon speakers.

So, before you say, oh, God, this man, I want to be, please, go get your own speakers. Yeah. Yeah. Don't envy me.

I have been sold out for God from my youth. Anyone who knew me from my secondary school days would tell you. Pastor Kwaabna is here. He's one of the fruits of my labors in the Lord from about 30 years ago when I was in secondary school.

You have finished secondary school. You have finished college. You have finished university. And even prayer meetings, it's like they are pulling strands of hair from your nose. Just come on prayer meetings like you are doing somebody a favor.

Stay at home. Stay at home. Just go. Go. Go. Go. What you are doing today is going to be history very soon. Wow. Wow.

[11 : 07] And God will remember your history when it's time to bless you. Wow. Hey. Hey. Oh, yeah. I receive it? Yeah. I used to tell those people who used to help pack the equipments.

Do it because we might never do all this thing all the time. Times will come where it will be necessary again. Yeah. You said it. Some of us, this is the time you can do some things. Share some links and do some things.

Because time is coming, it will not be needed. A time is coming, we will need a place to put equipments. It's not necessary. Because we have huge warehouses. Huge, we just don't need it. Yeah. Huge church building and with God joining warehouses and stuff like that. Man. If you are serving the children's department, those of you who don't send your children to school, Sunday school, you, at the time you come, they'll be out of the house and what you have put in there will begin to show.

Wow. When you love God and you keep his word inside you, you become a bona fide partaker of the divine nature. It's in the word of God. And number two, the word of God is also like medicine.

[12 : 09] I quoted it the other time. Proverbs chapter 4, verse 20 and 21. Attend to my words. Give attention to my words. Keep them in the midst of your heart. Incline your ears to it.

For they are life to all those fine them and health to all their flesh. Health. Some other translations say they are medicine. Yes. Some other translations say the word of God is medicine to your flesh. It's medicine. So as you give yourself to the word of God, the word of God, this is a medicine bottle. It's God's medicine bottle.

God's medicine bottle. As you go to it and you imbibe it, you are receiving the nature of God into you and you are receiving the medicine of God into you. And the word of God is creative.

God said, let there be in the world. So once the word of God enters you, God's creative power is entering you. The word of God has, let me put it this way. I think that's, let me put it.

[13 : 09] The word of God has surgical powers. It can do, it can perform surgery on you. How? Pastor I say. In Hebrews chapter 4, verse 12, it says the word of God is sharper than any two-edged sword or two-edged knife.

So whatever knife they use to catch you, to take a, the word of God can do that. It can catch you and put, didn't God cut Adam, put Adam to sleep? Cut him, performed surgery and brought out his wife.

Yeah, God can do surgery through his word. He can do surgery through his word. That's a problem so you can't sleep. And anytime you sleep, it's like someone has thrown you from space. And you are, ah, every time. And you wake up, ah. You need some Holy Ghost word surgery to remove that satanic harassment from your life. In Jesus' mighty name, somebody shout amen. Amen. Amen. So that's why you need revelation into God's word because God's word is loaded with God's nature. It's loaded with God's power. In the beginning was the word. The word was in God. [14:10] The word is God. If you get to God's word and you imbibe and receive the word, he said, receive here, I pray you, his word. As you receive his word, as you receive his word, your story is changing.

And then number two, ah, kingdom service. Let me go to kingdom. I was going to go on the other one, but let me go to because I've already started talking about kingdom service. One of the ways to keep fit and to retain your health, your healing and wholeness, to enjoy health, healing and wholeness from God is a God-first lifestyle.

A God-first lifestyle. Three years ago, we had 365 days of daily services. And I was there every day. Any day, the only times I was not there is some pastor friend of mine just put pressure on me. They needed me to preach for them a day or two. So I had to be preaching somewhere, which I normally don't do because this is my church.

I don't like to be anywhere when we have service. But sometimes because God has an assignment for you, you might have to go somewhere at least. But not on a Sunday.

[15:20] Sunday. I'm talking when we're having physical service. I don't go anywhere on Sunday. When we have parish service. Church Church. Why would we leave parish church? I wouldn't do it.

It's so good. Hallelujah. Amen. Praise the Lord. Hallelujah. So it's so important to understand that our kingdom service will change.

Bible says in Exodus chapter 23, verse 25, it said, you shall serve the Lord and you'll bless your food. And you'll watch this.

You shall, you shall serve the Lord your God. And then he will also do something. But you are not serving, but you expect him to do it. Ah. Isn't this kind of Santa Claus, Father Christmas kind of God that religious people have presented to people?

It's not, it's not the real God we're talking about. The real God, the real God, when he wants to bless you, he will leave you with a responsibility. Yeah.

[16:23] That's why sometimes if you need critical A and E service from God, A and E service, if you need an A and E service from God, he will even just give it to you. You have to bring your faith.

You have to just believe so you can get it. If you have no belief, forget it. He said, without faith it's impossible to please God. And whoever comes to God must. It's a necessary requirement. It's a necessary condition.

It's a necessary requirement for you to come to. Whoever comes to God, for he who comes to God must believe. Other than that, don't bother coming. You can't believe in.

Abraham Bible says he against hope believed in hope. He believed in God. Bible says, Romans chapter 4, verse 17. In God, in whom he believed.

Okay. Again, so. No, no. I think the verse. Who quickens the dead? Yeah, that's the verse 17. Yeah. As it's written. I made you find out.

[17:20] Before him, whom Abraham believed. He believed before God. Even God who quickens the dead and gives life to the things that be not as though they were. Abraham believed. His testimony was believed.

Bible says that he believed. And it was accounted. I think the verse 22, 23, 23. And it was accounted to him for righteousness. Therefore, it was accounted to him that you don't have to behave.

You're believing. So long as God is concerned, summarizes your behavior. So long as heaven is concerned, belief is the behavior they are looking for. Heaven is looking for.

Belief. Belief. So it's righteous. Righteous is the right standing. And right standing that comes through right doing. Normally, you have ticked the boxes.

But God said, I don't have any box. If you believe, it has ticked all boxes. It was accounted to him. It was credited to him for righteousness.

[18:17] Genesis chapter 15 verse 6. It was credited to him. And he believed in the Lord. And God accounted it to him for righteousness.

Righteousness. You don't have to do anything exceptionally powerful. No. It's not necessary. Because Peter said, it is not this man. In Acts chapter 3 verse 14.

This man has not been healed. Don't look at us as though the pastor is so powerful. So Peter says, many of you, why do you marvel at us? Or why look at us as though it is by our own power or godliness?

I've been so good that God is now using me. No, no. It's not the goodness. But it says that it is, they said, but it is faith in his name. So that is why we preach a bit.

Then he told them, it is faith in his name that has sealed this man. Not the fact that we are so good. Daniel told Kinnebuchadnezzar, it's not me. It's not that I'm so good in myself.

[19 : 23] But it's God who reveals it. God is at work. God, verse 30. God is at work. Verse 30. He says that, but as for me, the secret has not been revealed to me because I have more wisdom than anyone living.

It's not so much exceptional. But there is something that your faith in God will procure, provoke, provoke over your life.

Hallelujah. So it's your faith. Daniel says, it's not me. Abraham, his behavior, oh, sorry, his believing was accounted to him for right behavior.

Ah! Right behavior. He's believing. And so, when you have faith in God, you will organize your life and conduct your life in a certain way.

Now, it says that you, so God does not bless arbitrarily. Please remember this. He doesn't bless arbitrarily. Specific blessings have addressed on them.

[20 : 33] There is something that theologians call the general benevolence of God. General or beneficent blessings of God. The beneficent goodness of God.

The love of God. It means that when the rain is shining and you know God is protecting all of us, that's God. God. That's why you don't have to be in church for you to enjoy that.

Do you have to be in church to pass an exam? No. Oh. You don't have to be in church. You don't have to be in church, okay, to pass an exam. People who are not in church are passing exam.

People who are not in church are being healed. Are receiving. Remember, doctors treat sicknesses. Doctors don't heal. They treat diseases. Yeah. Are being treated and they are getting their healing.

Okay? So, healing is not. That's why some people don't see the point. What do I. No problem. You keep going. When the doctors tell you that now we can't do anything, you'll be looking for encounter first. But it might not continue always.

[21 : 28] Go and watch the YouTube video. Sometimes when you post all these things, I don't believe it. I don't. It doesn't bother me because you won't believe until you need one. You will not believe in miracles until you need one. When you need a miracle, you will believe in miracles.

Hallelujah. Hallelujah. Hallelujah. So, God, he says that seeth a man who is diligent, who looks into the perfect law of liberty.

And this one is not forgetful, yet hearer. He said, this man shall be blessed in all he does. But he's a doer of the work. James chapter 125. He's a doer of the work. Thereof, you see.

A doer of the work. This man, the one who is doing the work, shall be blessed. Jesus in Matthew chapter 5. Blessed are the poor in spirit for they shall. Blessed. So, blessing is not a bit of a trary.

That my carous blessing, that target, I've taught a message on the blessing of God, actually.

That my carous blessing, you have to do something to provoke it. You have to do something to provoke. And now, watch this. He says that you shall serve the Lord.

[22 : 29] You shall serve the Lord and he shall bless your food and your water. And what else will he do? He will take away sicknesses.

Someone who is very active in the things of God. If you are active in the things of God, and anytime sickness attacks you, don't use this scripture. God, I'm serving you.

You're serving your word. You're serving your word. I shall serve the Lord and he will bless my food and drink and you will take away sicknesses. I can't retain this sickness.

I believe in you. Your word is true. I believe in you. Your word is true. Some people don't bother serving the Lord. In, I think, Isaiah chapter 42 verse 1, it talks about God the servant of the Lord.

Isaiah chapter 42 verse 1. He says that, You are not a servant.

[23 : 30] You want God's soul to delight in you. My servant in whom I so. See, so when you serve the Lord, you provoke God's attention in a very unique way.

Can I advise you? Do not let anybody talk you out of being a God-first person. You are having a God-first lifestyle.

A kingdom-dedicated, kingdom-addicted lifestyle. You seek first the kingdom. You seek first the kingdom. You seek first the kingdom.

Mrs. Osayamo, are you getting what I'm saying? You seek first the kingdom. You seek first the kingdom. Seek first the kingdom. Seek first the kingdom. Seek first the kingdom.

One of the things that has kept me going and healthy is because I am so buried. 365 days of prayer. There was no one day I wasn't able to make it because I was sick.

[24 : 30] And every day I was preaching. Every day I was preaching. Every day I was preaching. Every day I was preaching. Every day. Church. Church. Church. Up and down. Church. Church. Church. God. God.

Whenever people have been in this church 17 years. There was no one day someone came to church and pastor couldn't make it because he was not well. Come on, I'm a chandelier. I am too busy working for God.

Yes. When you are committed to his kingdom, he is committed to your well-being. Be committed to his kingdom. He will be committed to your well-being, to your children, to your family.

I am young and now I am old. Never have I seen the righteous forsaken. No, he is seen. Beg for bread. I am burning my sugar.

Shaka. Shaka. Shaka. My children. I live with my children. They know I am committed. Let me tell you something. January. We started 4th January. Fasting. Every evening meeting. Every evening meeting.

[25 : 31] And before the meeting, much of my time is taken because I am always trying to prepare and get myself in the mood so God can flow through me. So we live in the house but they don't get much of me.

They don't get much of me because every evening, we don't have any, like every evening there's something. Every evening there. So my daughter was telling my wife the other time, she's looking forward to when the fasting is over.

And my wife promised that when the fasting is over, we will do some stuff. Because from December, because of Christmas and New Year's Eve, there's always back to back, back to back. We are busy.

Church work. Church work. We've been always busy. The other time I told my wife, I think I want to just do something nice for my children.

Because if you bless me, somebody bless me, those of you, let's say you bless me with some money. I feel my children have also paid the price for me to serve people for someone to bless me.

[26 : 29] They have paid a lot of price. My children, my wife. So my wife said, we will have some time. Don't worry. It will be over very soon. And then before fasting was over, before I announced it, I just knew in my spirit that God is leading us.

It looks like we have to continue on this thing and counterfeits. And I went and told my wife. And my wife has never said no. You can't, no, no, no. God must know we have family time. God must know we have family time.

Some of you young men, you want to do ministry. That kind of woman you are going for. I'm sorry for you. He doesn't like things of church at all. He doesn't want to do ministry. Some of you ladies, you really want to do ministry.

That kind of man you are going for. Even when he hears preaching, he's upset. Every time, have something negative to say about pastors. Every time, something negative about church, something about pastor.

Is that the guy you want to marry? I think you should pray. I think you should pray. He needs an encounter. Else, look for someone else. So, my wife kept encouraging.

[27 : 31] Then I went and told her, God is saying, I feel that leading for us to start encounter first. She said, okay. Wow. And it was like, we were all looking forward to the fasting being over and then relaxing.

Relaxing and having some cool times. And then the fasting was over. Ah! Another, another, another encounter first. And every evening. Evening after evening. Now, my office is set in such a way that my daughter can't even join me to do that.

I'm busy. You see, the way I turn here. Then I turn here. And I'm turning all over the place. Then I turn here. That means several cameras. Then I stand like this. I don't want the place. That's not a space for my daughter to come here.

That's not. I am busy. I am busy. I am busy. I am busy. Hallelujah. Hallelujah. It comes at a cost. It comes at a cost. You shall serve the Lord. Kingdom, a God-first lifestyle. God-first lifestyle.

[28 : 35] God-first. It has a way of guaranteeing your health. It has a way of blessing your health. God-first lifestyle. One of our pastor's wife, the other time, was telling me after work, he was tired, but the work is very stressful in this day.

The account of job. And she was leaving work. But she told her colleague that I have service. Church service the evening. And the colleague said, but you have to go to church. You don't have to go. You have to go and rest.

She said, hey, I have to give God a reason to keep me alive. Wow. Yep. I have to give him a reason. My service to God gives him a reason to keep me alive.

Yeah. It's not my normal nine-to-five job. But my service to God gives him a reason to keep me alive. Boy, how are you?

How about you? There is a way you are dedicated to the things of God. Maybe it might not even be an active service.

[29 : 37] Because now, the pandemic and lockdown, we don't even have physical time. So you have to find every means. Look for opportunity to seize any moment to do something for God.

And commit yourself to it. Don't be doing to be seen, to be applauded. Don't be doing to be seen for power, for post. Look for something. Yeah. If you are a church leader, whether carousel or non-carousel, there are people who are listening and you are not encouraged.

And you are a church leader, this pandemic lockdown, you have been very useless. There's nothing you are doing for God. Useless church leader. Nothing. And you are not worried.

You are not worried. You are not worried. You are picking your teeth and saying, oh, this thing. My friend, it's an emergency. Wow. Wow. Wow. It's an emergency.

This is strong. Save the Lord. You shall save the Lord. And you will bless your food and bless your drink, your water. And you will take away sickness from the midst of the...

[30 : 38] Daniel. Daniel. Daniel. Daniel. Serving out of the Most High God. Has your God whom you serve day and night. He... The king knew that Daniel serves God.

He was... God doesn't pay supervisors. Bishop, I don't want to push it this way. God does not pay supervisors. He pays laborers. He pays laborers. He pays laborers.

For God is not unrighteous to forget your labor. It's not your relaxation. He... Not what you know. Not what you know. He rewards what you do for his work.

There are people who have a... They want to be pastors. And the motivation is because... It looks like when you're a pastor, everybody's listening to you.

And people say, oh, hello, sir. Hello, sir. That's what is attracting you. That's what is attracting you to the office. But not service. That's why any little thing you do in church, you want to be acknowledged.

[31 : 36] If not that, you want to be paid. Wow. It's so... It's highest level of madness, spiritual madness, to do anything for God and demand men to pay you instantly.

You have to pay me. It's like someone invites me to go and preach in their church. And in fact, recently I was invited. Something happens. And the pastors, because many pastors have come into contact with all kinds of...

All types of pastors. Sometimes they invite you. They ask you, what are your charges? Charges? Hey, hey. If you're not, don't give me anything. Just give me opportunity to serve people.

Save the Lord. Hey, hey. Charges. Charges. Ha! Ha! Ha! Ha! Ha! Ha! Ha! Ha! Ha! Ha! Ha!

Ha! Ha! Ha! Ha! Ha! Don't you see the company before I preach. My body. Ha! Oh! Don't you see the way I'm enjoying this thing? Mother and sister, don't you see the way I'm enjoying this thing?

[32 : 30] You don't have to pay me. I love the Lord, I love the Lord, I love the Lord, and I'm enjoying it. Hallelujah, hallelujah. Hallelujah.

Save the Lord. Save the Lord. Save the Lord. Save the Lord. Save the Lord.

Young man, young woman, save the Lord. What you are doing now is becoming history immediately. Yes. And your history will be referred to when it's time for you to be blessed.

Wow. What do you have in your past? What equity have you got? You are busy trying to raise your children to be great. There are some levels of greatness is given from above.

Hey. Some things are given from above. From above. Oh, God stole Solomon. Solomon, I would have taken the kingdom from you. But because of your father, David, I have to keep the kingdom. [33 : 33] Keep a libro. You know, in your house. I have to. And he said, even when you die, I will take the kingdom. But because of David, I will still keep some. Wow. David's work with God. Mom. Dad.

What price are you paying? What price are you paying? Sometimes you are not careful. You complain and complain and complain about church that you will even serve in a capacity God has called you to.

Wow. And every one of us is dying. Yeah. Normally, Africans, we don't like to hear that. You are dying. You are dying. Because an appointment.

Death is an appointment. Not now. No, no, no. You won't die now. No, no, no. Amen. I won't die now. You won't die now. Hey. No way. I refuse.

I refuse you to die. You won't die now. There is a lot of land territories to be taken for the kingdom. You will do the work of God. I will not die. But I will live to declare the works of the Lord.
