Preacher: David Antwi

[0 : 00] Welcome. Thank you for choosing to listen to another faith-building message by Pastor David Entry. Faith comes by hearing and by hearing the Word of God.

May your knowledge of Jesus Christ increase as you listen. Be blessed. Hallelujah. If you remember, some time ago I was teaching from 1 Corinthians, it says that your meetings do more harm than good.

Which means that originally God's intention is that meetings should do good. But when there are confusions and quarrels and fleshliness, 1 Corinthians, in the church, 11, 17, now in giving these instructions, I do not praise you since you come together not for the better, but for the worse.

The next verse. He said, the following, I do not praise you for your meetings do more harm than good. Now, he was talking to the Corinthian church because they come together and there will always be contention.

So, let's see what he's saying. That your meetings do more harm than good. That means, originally, God's original intent is that the meetings should do good.

[1 : 23] The meetings should do good. So, what I'm trying to tell you is that tonight's meeting will do you good. Your enemies will be sorry they became your enemies.

Thank you, Lord. Thank you, Lord. Because heaven is going to piss your life. Vengeance. The Bible says that vengeance is mine, saith the Lord.

Vengeance is mine, saith the Lord. Vengeance is mine, saith the Lord. Vengeance is mine, saith the Lord. Beloved, do not avenge yourself, but rather give bliss to wrath, for it is written.

Vengeance is mine, and I will repay, saith the Lord. Under what circumstance will God execute vengeance?

When somebody attempts to curse him whom God has blessed. Yeah. When they try to curse him whom God has blessed, God said, I will curse those who curse you, and I will bless those who bless you.

[2 : 45] So, when they decide to stand on the negative side against you, God will take a stand against them. He said, vengeance. It is mine to avenge, saith the Lord.

It is mine. And I will repay. I will repay. Tonight, anybody or anything that has sat on your destiny, anything that has sat on your marital destiny, your financial destiny, your family destiny, your health destiny.

Tonight, we decree the vengeance of God upon it in the name of Jesus. Amen. God will arise and avenge you. God will arise and fight for you.

In the mighty name of the Lord Jesus Christ, if you believe in shout and live in amen. Amen. Amen. In the book of Numbers, chapter 22, from 6, 7, 8, 9, it says that no, you can't curse who God has blessed you.

It doesn't work like that. You, they will attempt it, but they will not be successful. They will attempt it, but they will not be successful. Whom the Lord has blessed, you cannot curse.

[3 : 59] Therefore, please come at once and curse these people for me, for they are too mighty for me. Perhaps I shall be able to defeat them and drive them out of the land.

For I know that he who you bless is blessed. And this is talking about calling the prophet, because the prophet is sharp. That false prophet, what he says, he comes to pass.

He is a hidden prophet. And look at the next verse. And then he says, So the elders of Moab went and told him, and they came to Balaam and spoke to him the words of Balaam.

Quickly go to the... And he said, Lord, you're tonight. And then as the Lord speaks, so the prince stayed with Balaam. Let's go quickly.

I want to show you something. Balaam said, Who are these men? Who are these men with you? And then he won't... Now actually go to chapter 23, verse 8.

[4 : 57] I think we should go to chapter 23, verse 8. Let me show you something. He said, Who shall I curse... How shall I curse whom God has not cursed?

And how shall I denounce whom the Lord has not denounced? Now, by redemption, when you are in Christ, you have come under a blessing. Yeah.

So there are things that have been going on comfortably in your life before you became born again. As soon as you become born again, you enter into an era of freedom, an era of liberty.

So it might not be the same day you became born again that you begin to enjoy the freedom because there are things you have to do to execute your liberty in Christ. Are you getting what I'm saying?

So for instance, some of the things it requires to bring down the vengeance of God is when you know who you are in Christ. Number two, what you say. What you say.

[5 : 56] Some of us, you are too quiet. God will only confirm what you declare. God will confirm what you declare. So once you are quiet, that is why I keep encouraging people and challenging people.

Say amen. Shout hallelujah. You cannot execute vengeance with a closed mouth. Your mouth is too shut. Sometimes you have to speak out.

Once the prophet is declaring and the word is a word for you, you have to say either amen or repeat it. So when they say someone is blessed, you say amen.

And you say I'm blessed. Yes, amen. I am blessed. You have to repeat it. You cannot execute vengeance with a closed mouth. Do you know why they killed Jesus? They killed Jesus because he was quiet.

Yes. I think John chapter 18 or so, when they came to try and arrest him, I think John chapter 18, somewhere from where it is, he said, who are you looking for?

[6 : 58] And he said, Jesus. And he said, I am the one. As soon as he opened his mouth, they fell on the floor. Who are you seeking? And then look at verse five.

He said, who are you seeking? And they said, Jesus of Nazareth. Then he said, I am here. And Judas, the preacher, he said, look at verse six. And when he said, I am here, they drew back and fell on the ground.

When he opened his mouth, they were falling. You are too quiet. You are too quiet.

Some of you are so gentle at the advantage of your enemy, to the advantage of your enemy. Too quiet. Too gentle. The violent. The violent. The violent. The violent. The violent. The violent.

They are too quiet. They are too quiet. They are too quiet. Say, I grab it. I grab it. Look at Isaiah. Look at Isaiah. Grab it. Thank you, Jesus. Isaiah chapter 53, verse seven.

[7 : 56] Isaiah 53, verse seven. I want to show you something. Thank you, Jesus. Thank you, Lord. Isaiah chapter 53, verse seven. You see, he was oppressed and he was afflicted.

This is talking about Jesus. Yet what? He opened not his mouth. That's why he was killed. And he was led as a lamb to the slaughter. And as a sheep before he was silent, so he opened not his mouth.

That's why they killed him. That's why they killed him. He opened not his mouth. But why did he, when he opened his mouth, did you see the soldiers falling? Did you see the soldiers falling?

From that time, he kept quiet. Because if he opened his mouth, he wouldn't die. But he came to die for us. So he said, it's a spiritual law. He had to be quiet so he can die for us. But you are not dying for anybody.

You are not dying for anybody. You don't have to be quiet. Open your mouth and declare the word of the Lord. Shout hallelujah. Hallelujah. Hallelujah. In Luke chapter 21 verse 15, he says that, I will give you a mouth or wisdom which your enemies cannot gain say.

[9 : 06] I will give you, I will give you a mouth and wisdom which your adversaries will not be able to contradict. When you open your mouth, they can contradict you in the realm of the spirit because God has given you a word and your mouth is there to give you victory.

If this year is a year of victory, then you can't enter into it with a closed mouth. Wow. Yeah. You can't enter into it. He said, I will give you a mouth which your enemies, your adversaries will not be able to gain say or resist.

So, to deal with your adversaries, to deal with your enemy, you got to learn how to open your mouth. You come, you are too quiet. You are too quiet.

You have been too quiet. Open your mouth. You are too quiet. Open your mouth. Speak against that sickness. Speak against that situation and speak the word of the Lord. He said, that saith the Lord, oh, you dry bones.

I spoke to the bones. Speak. Speak. Speak. Speak. Homologia. Speak the word. You are too quiet.

[10:18] You are too quiet. And it has not got to do whether you are young or you are old. It has everything to do with the faith in your heart, with the mouth, with the heart man believeth. Your believing changes your status, but it's your confession that determines your salvation.

It's your confession. Once you believe, you have changed, you have shifted position, but you have to begin to speak. Speak out. Speak out. Oh, and some of us, if we have, you know, in some of these smartphones, it can give you screen time.

So in a week, it will tell you how much time you spend on the screen, and then you spend on WhatsApp, you spend on Zoom. I pray that your Zoom will be higher than anything because you've been using it for church.

your screen time. It tells you. It tells you your screen time. Some of us, your screen time is on places that is amazing. It's unbelievable.

Some of you, your screen time is also a lot of Bible. That's good. But screen time, at the end of the day, it tells you your screen time. Now, I wish there was a measuring device to tell you the whole day that how many times you have declared God's Word or even a week.

[11:33] How much God's Word have you declared and how much of your problem you have confessed. My head is hurting. My nose is not good. My job is bad. My job is bad.

Some of us have a lot of hours of negative confession and there are some people who even find one positive word of God in their mouth.

Others is full of what God has not said. What God has not said but what everybody is saying, what the current state of affairs is what you are confessing.

What you are saying. You keep saying it and saying it and saying it and when we check in a whole week it's very minimal the things of God you have said and then when you come on a platform like this for an encounter you are also quiet.

An encounter. You should be shouting the loudest amen because you have not confessed a lot during the week or in the past seven days so you should have to make it up for amen and bless and receive yes Lord amen and bless yes Lord and don't just say you have to say from your heart believe in the heart and let it flow out of the abundance of the heart to Akulimahanda their mouth speaks their mouth speaks their mouth speaks in Isaiah chapter 54 verse 14 15 16 17 I feel like preaching we haven't gone to testimony yet but I feel somebody is taking delivery of your breakthrough tonight may the vengeance of God come against your enemies amen in Isaiah chapter 54 verse 14 behold verse 14 it said in righteousness ye shall be established you shall you shall be far from oppression oppression for you shall not fear and from terror for you it shall not come say amen amen that scripture

[13:38] I think you should take it for yourself so you shall be far from oppression you shall be far for you shall not fear and far from terror terror will not come near you in the mighty name look at verse 15 thank you Jesus indeed they shall surely assemble but not because of me whoever shall whoever whoever assembles against you shall fall for your sake hey I told you your enemies have fought from the wrong angle how does the King James put it he said behold they shall surely gather together but not by me whoever shall gather together against thee shall fall for your sake they shall fall for your sake they are gathering they are having meetings against you they are having meetings against you they will their gatherings will be scattered scattered scattered that Christianity that is very silent on people who oppose the purpose of God no no no no it's not a New Testament

Christianity you oppose the work of God an angel will strike you and you will be eaten by worms those days are coming back when judgment will come start from the house of God and then judgment will come upon all the enemies of Zion there are people in power positions of power positions of fame and they are using their positions to fight the work of God or to because you stand for Christ why why has that boss set their eyes on you that you will leave the company they want to make sure you are sacked from the company just because they saw you reading your Bible and you are trying everything become they want to fight you it's about time people realize it's not everybody who can fight what does Exodus chapter 11 verse 1 say Exodus chapter 11 verse 1

what does it say thank you Jesus and the Lord said to Moses I'll bring one more plague on Pharaoh and on Egypt afterwards he will let you go from here when he lets you go he will surely drive you out of here all together one more plague may the plague of God visit your enemies there are people practicing witchcraft who have come together and determined and determined that you you will not be free they are determined that they will fight you they are determined that they will mess your future they are determined that you will never get married they are determined that you will never be fruitful and your name has been placed on a shrine some evil altar somewhere and they are chanting against you tonight every altar they have presented your name every shrine they have presented your name every gathering that your name has been put to harm you I decree the judgment of God the vengeance of God the vengeance of God the vengeance of God and you will be free may the plague of God may the plague of God may the plague come against those enemies may the plague from above come against all those enemies in the name of Jesus

Isaiah chapter 54 they shall gather together but not by me and whoever shall gather together against you they shall fall for your sake look at verse 16 he said I God because I created the smith and blows the coal in the fire and so I've created the smith that blows the coals in the fire and that brings forth an instrument for his work and I've created the waster to destroy in other words that smith who was able to manufacture or create the weapon I created everything I know how to do this and look at the next verse he said no weapon I made them and they can make the weapons but the one making the weapons I am the maker and I'm the maker of all those things he said no weapon formed against you shall prosper and watch this watch this watch this every tongue that shall rise against thee in judgment you don't have to shut up you yourself shall open your mouth and condemn not I will condemn you will condemn you open your mouth spiritually and fire you are more than that that jet fighter called spitfire when you open your mouth that's why those of you who speak in tongues and you use your mouth and be gossiping you are spoiling your tongues you use your mouth and all kinds of things in your mouth and I mean you are spoiling because your mouth must be spiritually clean sanitized so when you open your mouth fire yes you speak in tongues and you use your mouth to curse and to swear to swear to say to say profane words vulgarity it's coming out and at the same time you shallashakala no it's a polluted tongue your mouth is like a gun spiritually so bible calls it the sword of the spirit in your mouth your mouth is like a gun and when you go to the bible and you are reading it it's like you are loading your gun with bullets when you release the word of God from your mouth we are going to pray and dismantle and pull down every satanic altar demonic erection anything has been erected demonic infrastructure to fight against your destiny to block your destiny to harass your destiny to harass your marital destiny to harass your fruitfulness to harass your career your business to harass you any kind of demonic infrastructure we are going to tear it down by the word of the lord in your mouth shout a man amen vengeance today it feels like it's a day of vengeance against every adversary of the cross every there was a time Paul and Barnabas they were going to preach in Acts chapter 13 from verse 9 and this this sorcerer by Jesus he stood against them Paul said hey my friend you are joking with this thing vengeance he declared vengeance he says that he was full of the holy ghost to be able to declare this kind of vengeance look intensely at the man in verse 9 verse 10 says that he says that oh and he said oh full of all deceit and all fraud you son of the devil you see that Satan's son he said he's struggling and he cares his cousins you son of the devil ye enemies of the enemy enemy of all righteousness will you not cease to pervert the straight ways of the Lord verse 11 he said that you and now indeed the hand of the Lord is upon you and you shall be blind not seeing the sand for a time and immediately say immediately immediately you need to ask you read Mark chapter 2 you could see immediately straight away straight forward yesterday immediately straight away straight forward today this [21 : 06] I believe we are in a season of immediately hallelujah in a season of immediately some some things will no more be deferred your testimony your breakthrough your laughter it will no more be deferred it is happening immediately it is happening suddenly it is happening straight away in the mighty name of Jesus and immediately darkness fell upon him immediately darkness fell upon him and he went around seeking someone to lead him by the hand yes he declared upon him you who are you they were coming to spoil the work of the Lord Peter said hey vengeance God God had to protect his work through some vengeance and when Jesus came on the scene after going to seek the face of God after him being baptized with the Holy Spirit and Jesus comes into the synagogue and he was giving the scripture to read and as he read it he looked after 14 verse 18 I like it so much he said the spirit of the Lord is upon me for he has anointed me to preach the gospel to the

poor he has anointed me to preach the gospel to the poor he has sent me to heal the broken and to proclaim the liberty to proclaim liberty to the captives and recovery of sight to the blind to set at liberty those who are oppressed this will be your testimony to proclaim the acceptable year of God and he told them this scripture is fulfilled saying today this scripture is fulfilling your hearing look at Isaiah chapter 61 verse 1 the spirit of the Lord is upon me because the Lord is upon me because the Lord has anointed me to preach the gospel the good tithing to the poor he has sent me to heal the broken and to proclaim liberty to the captives and to open the prison to those who are bound verse 2 to proclaim the acceptable year of the Lord and the day of vengeance of our God to comfort all those who want sometimes you can't be comforted until God has avenged you God must avenge your family God must avenge your mother God must avenge your dad God must avenge your sister the way they lied on her and threw her into prison she was innocent you know some of you somebody intentionally knew that they were destroying your destiny and they went ahead to try and pull you down lie against you they know oh the Lord must avenge you it's up to you can take it on leave it the Lord must avenge you the Lord must avenge you

Jesus there was a time the king of Syria sent soldiers to come and arrest capture Elijah second king chapter 1 reading down from verse 9 particularly he says that then the king sent to him a captain of 50 with his 50 men so he went up to him and there he was sitting on the top of God and he spoke to him man of God I was a man of God man of God say it again say man of God man of God he went and he said man of God the king has said come down Elijah said really if I be Elijah said to the captain if I be a man of God then let fire come down from heaven and consume it on your 50 men now and guess what and fire came down from heaven and consume him and the 50 men you are

joking with the man of

God you are joking with the tongue talker Elijah didn't speak in tongues but you do Elijah was not baptized with the Holy Ghost he just had the Spirit of God upon him come in and go but we are baptized with the Holy Ghost and with fire he said if I be a man of God I'm going to use my status in the Spirit and open his mouth and he said if I be a man of God let fire come down from heaven and consume you and your men right now and Bible says fire responded when you speak in the realm of the Spirit things must answer I see things answering for you some of you let me tell you this some of you must know something has actually hijacked your marriage something is definitely sitting on your marriage yes you must know vengeance must speak for you amen yes I've declared this year there'll be marriages the instrumental cause for release of marriages is some of the things we are doing if your marriage has been held in captivity in captivity we need to speak against those forces of captivity forces holding we have to set the captives free to declare the vengeance of the Lord you see what I'm talking about and so he said if I be a man of God and then the king said another king said to him another captain of 50 with his men he answered and said to him man of God thus says the king thus has the king said come down quickly you're very powerful the man of God answered and said you're too quiet brother my sister you are too quiet and witches are weaning around you the devil is a liar and evil forces are having a filled day around you a free they are operating freely because you are quiet and all you are doing is receiving declarations receiving declarations no no no no the time has come the time has come for you to to start declaring start start declaring the time has come for you to start declaring in the mighty name of Jesus the time has come somebody say my time has come my time has come my time has come my time has come i realize a lot of people have still not caught the revelation when you are to confess you are finding it difficult when we say say it say it because you are not saying it for me because i believe some of you must have noticed by the point i'm making is that most of the streams the all the Sunday stream for the past year it's only on youtube it's only me behind the camera and i feel like best there's nobody i don't see anybody i only see an object called camera and a hole that it looks like and i'm just firing and getting excited you know so i'm telling you i am not looking waiting for your encouragement i can't know that but when you respond and shout you are declaring for yourself as you speak you are releasing power you are releasing forces there are forces of heaven in your favor there is power in your mouth you have to execute judgment vengeance against your enemies vengeance against whatever has on your health whatever has on your finances whatever has on your destiny vengeance shout hallelujah hallelujah hallelujah it's so important it's so important to understand it i see God moving you from glory to glory amen glory glory you are too silent though he said if i be a man of God he also opened his mouth he spoke he also spoke when David was going to fight Goliath Goliath spoke David also spoke David spoke he said you i will kill you i will kill you you cannot execute vengeance with closed mouth you have to open your mouth and declare you will be led to the slaughter with a closed mouth but we have to speak in the book of Exodus he said Israel is my first born Israel is my first born and if Farrow will not let my first born go i will deal with his first born Israel is my first born God that's the God of vengeance talking Israel said then you shall say to Pharaoh that's yes the Lord Israel is my first born Israel is my first born and we are spiritual Israel in Romans chapter two i think 27 28 29 it talks about his true Israel not the one who is just by the flesh but the one who is real

in the spirit we are the true he said you are the true Israel if you are in the spirit something like that verse 29 he said he is a Jew who he is a Jew yeah but he is a Jew is one inwardly and and and circumcision is that of the heart in the spirit not just the letter whose praise is not from men back so one inwardly you are a Jew inwardly you are a real Israel inwardly and so you can't keep quiet he said and Israel is my firstborn so you are God's firstborn look at verse 23 verse 23 so I say to you let my son go that he may save me but if you refuse to let him go indeed I will kill this is God talking this is

[35 : 49] God he said if you don't let my own go if you don't let my son go if you don't let Israel my first son my first son my my if you don't let him go I will God myself I will kill your son I will kill your son it's in your Bible God said if you don't let my son go I will kill your son kill your first born vengeance of the Lord is against the house of the wicked vengeance of the Lord is against the house of the wicked the vengeance of the Lord is against the house of the wicked those who are determined to afflict you those behind your affliction those who are supervising and sponsoring your pain and sponsoring your affliction and sponsoring your sorrow sorrow they they are trying to block your breakthrough block your progress block your product your fruitfulness block your marital peace
