Preacher: David Antwi

[0 : 00] Welcome. Thank you for choosing to listen to another faith-building message by Pastor David Entry. Faith comes by hearing and by hearing the Word of God.

May your knowledge of Jesus Christ increase as you listen. Be blessed. Shad, hallelujah! Christ is indeed risen.

I thought a victorious person, someone who has been liberated, someone who is in your era of freedom and liberty, I thought that person was going to shout, your loudest hallelujah, your thunderous hallelujah.

Let your victory sound from your mouth. Shad, hallelujah! Oh, glory to Jesus. Thanks be to God who gives us the victory through Christ Jesus our Lord.

Thanks be to God. He gives us the victory day after day, night after night, week after week, month after month.

[1 : 09] And this year is certainly going to be your most triumphant year ever in the name of Jesus. It will be the best year ever than any year behind you in the name of Jesus.

I see you moving from glory to glory, from victory to victory, from testimony to testimony, from opportunity to opportunity. So shall it be in the name of Jesus Christ.

We thank God for tonight. Every time we come together in fellowship, it is the time for somebody to encounter God in a special way and in an unusual way.

He spoke about how Saul had an encounter and his story changed. The first Saul as well, in the book of Samuel, first Saul, he went to look for his father donkey, but he had an encounter with a prophet.

The prophet, the living God, his story changed. David, Bible says that the oil was poured on him. That was a moment of encounter. His story changed forever.

[2 : 24] The same thing happened as well for Mary. Mary had an encounter. Mary had an encounter with the angel and her story changed.

You see, person after person, Abraham had an encounter with God and the one who was called barren, her story changed. Zachariah had an encounter with God and his wife conceived. Story after story, encounter after encounter. There are certain encounters you have and your story changes permanently. Your situation changes permanently.

There is a word on my heart. Dealing, dealing with adversaries of destiny. Dealing with the adversaries of destiny. I want to, I want to, for what deal, we are going to deal with adversaries. There are some, there are some forces of darkness that are eating your destiny away. Eating the destiny of your marriage. Eating up the destiny of your family. Eating up the destiny of your health.

[3 : 24] Eating up the destiny of your career, your finances. Tonight, we are going to release, unleash all, all out war. All out war. By the power of the word of God.

By the power of the Holy Ghost. And someone is going to be free. Shout, freedom! Freedom! Freedom! Freedom! We're going to deal with some things. Because one of the things I am so excited and thankful to God is there is such an unstoppable, such an unstoppable eruption of grace in this service.

Unstoppable eruption of grace. Grace is coming your way. Nothing can stop it. And you are going to have your testimony. You are going to have your healing. You are going to have your delivery. You are going to take your delivery. The delivery of your testimony.

The delivery of your breakthrough. The delivery of your liberty in the mighty name of Jesus Christ. In Revelations chapter 12, verse 11.

It says that, And they overcame. They overcame. Revelation. And they overcame him. Okay, you might not know who the hymn is talking about. Let's look at from verse 9.

[4 : 34] It will make a bit of sense. Yes. Yes. Yes. That is the dragon. So, the Bible says that, so the great dragon was cast out. That is the serpent of old.

Old the devil and Satan. Who deceives the whole world. You see? What Satan does? Deceives the whole world.

Using every means. Media. Sports. Entertainment. Fashion. Politics. Food. Education. Deceiving the whole world.

As you know, 1 John chapter 5 verse 19. The whole world lies under the sway of the evil one. The whole world. The whole world lies under the sway of the evil one.

This evil one. Alright, back to Revelation. He says that, and the great dragon was cast out. The serpent of old, called the devil, Satan, who deceived the whole world, was cast to the earth, and his angels cast out with him.

[5 : 39] Look at verse 10. The Bible says that, and I heard a loud voice saying in heaven, now salvation and strength and the kingdom of our God and the power of his Christ have come.

For the accuser of the brethren, who accuses them before our God day and night, has been cast down. Watch this. That's the devil has been cast down.

And they overcame the devil, him, by the blood of the lamb. Say the blood of the lamb. The blood of the lamb. The lamb. And not just the blood of the lamb. They overcame the devil by the blood of the lamb and the word of their testimony.

They overcame the devil by the blood of their testimony. And they did not love their lives to death.

So there is a word, there is a place, testimony, a major role, testimony plays in bringing victories.

Yeah. There is a major role, testimony plays in bringing victories. Testimony play a role in delivering somebody's victories.

[6 : 51] So that is why we give, there are things that allow the anointing to flow. There are certain things. If you want to catch an anointing, I'm even going ahead of myself, to deal with the devil, one of the ways to deal with the enemy is anointing.

It's anointing. In Isaiah chapter 10, verse 25, For yet a very little while, and the indignation shall cease.

As will my anger in their destruction. The indignation. Anything that is... Let's look at NIV. Very soon, my anger against you will end, and my wrath will be directed to their distractions.

Whatever we have done to break the law of God that is bringing indignation. My book says that a little while, it just is. Back to King Jameson. The next verse.

The next verse. It says that, And the Lord of hosts. The Lord of hosts. The Lord of hosts. Will stir up a scorch for him like the slaughter of Midian at the Rock of Oreb.

[8 : 04] At the Rock of Oreb. And his rod was on the sea. So will he lift up. Lift it up in the manner of Egypt. The next verse. The next verse. And it shall come to pass in that day that his bedding will be taken off your shoulder.

And the yoke. And the yoke from your neck. And the yoke will be destroyed. How? Because of the anointing. King Jameson says because of the anointing.

Is the anointing. Is the same. The anointing. Oh yeah. Anointing. The yoke. There is an anointing that comes upon you. Anointing destroys the yoke. The devil can't stand anointing.

The devil can't stand anointing. The devil can't stand anointing. And this is just to. Before we get into a testimony. One of the ways anointings are released.

To release anointing. To provoke anointing. There are one or two ways to provoke anointing.

Number one. To provoke anointing. You have to want it. You have to crave it. You have to desire it. Number two.

[9 : 07] To provoke an anointing. To provoke an anointing. Number one. You have to desire it.

Number two. It comes through impartation. Impartation. So sometimes laying on of hands.

Sometimes hands are laid on you.

Or sometimes as you hang around an anointed person. Or you keep listening to an anointed person. Like I keep listening to Bishop David Oedipo. I keep listening to Bishop Dagey. What means? I keep listening to Bishop Dagey.

I keep listening to Bishop Dagey. These are the people that. And others. But these are key core people. And as I listen. I tap into the grace that is upon their lives. Impartation.

You catch anointing through impartation. You catch anointing through impartation. The more you keep hearing. Bible says that. And the spirit enter me. And the spirit enter me. And the spirit enter

me.

And the spirit enter me. And the spirit enter me. When he speak. As I'm speaking. Somebody is catching an anointing. Somebody is catching an impartation.

[10:04] The spirit enter me. When he speak to me. Jesus posted this way. The words I speak. In Luke. In John chapter 6 verse 63. The words that I speak. They are spirit.

And they are life. As I speak. He said. The words that I speak to you. Are spirit. The words are spirit. As he speak. The spirit enter me. Whilst Peter yet speak these words.

Acts chapter 10 verse 44. I don't know. The thing is coming. Whilst Peter yet speak these words. The Holy Ghost fell on who? Those who heard the word. Those who are hearing. There is something.

That happens. When you hear an anointed voice. When you hear an anointed voice. Some of us. We only listen to. All kinds of stuff. You must begin to. Expose yourself. To keep hearing.

An anointed voice. Especially. The agent. And the. The anointed vessel. God has sent to you. To polish your life. And to. To. To. To bring the glory of God. Upon your life.

[11:01] Keep hearing. Keep hearing. Keep. Faith comes by hearing. And so. He said. The spirit entered into me. As I heard him. So one of the ways. That we catch anointing. Is through impartation.

And impartation comes. I. As we hang around. The. The. The vessel. The anointed vessel. The impartation. That's why Bible says that. The. When.

Elijah started walking with Elijah. The people said. Hey. Look. The. Anointing. Or the spirit of Elijah. Does. In 2nd case. Chapter 2.

Verse 15. Somewhere there. The spirit of Elijah. Doth rest upon. Elijah. Now. When the stars of the prophets. Who were from Jericho. Saw him.

They said. Ah. The spirit of Elijah. Doth rest on. Elisha. Hallelujah. The spirit of Elijah. Doth rest upon.

[11:55] They saw that. It has come. The guy was moving with him. And he caught the impartation. He caught the anointing. I see you catching an anointing. I see you catching an impartation.

In the name of Jesus. And number three. Through prophetic declarations. Prophetic declarations. As you hear prophetic declaration. Anointing is coming. Anointing is released for your healing. Anointing is released for your breakthrough. Anointing is released for your promotion. Anointing is released for your liberty. We need to deal with adversaries of destinies. Adversaries of destinies. Some of us are here and. The devil is. Eating something in your life. Is eating away your destiny. The destiny of your marriage. Is eating away the destiny of your health. Eating away the destiny of your family. Your family peace. Satan manages to impose.

[12:54] All kinds of things on your life. To eat away. They are evil forces. In fact. Jesus told a parable of how. A sower went to sow good seeds.

But when. Whilst men slept. Matthew chapter 13. Verse 24. That was. He said. But whilst men. Verse 27 said. Whilst men slept. An enemy came in.

And sowed tares. Among the wheat.

Meanwhile. So that. When the. Sermons of the master. Went to go and tend. The. The crops. They saw that.

Tares are growing. They did. They said. No. They said. Sir. There's not. Thou sowed good seeds. In thy field. From when.

[13:50] Then. Has. It's. Has. It. Tares. Where is this. Tares. Where are these tares. Coming from. And the master said. An. Oh. My God. An enemy.

Has done this. An enemy. Has done this. Some of you. Some of the things. That are going on. In your life. No. It's from the. The enemy. Tonight. Every case.

A generational case. Ancestral case. Case from man. Case from anywhere. That is. Higher. It's trying to hijack your destiny. Tonight.

The case must be reversed. The case must be cancelled. The case must be broken. In the name of. Jesus. Amen. Any case on your life.

Any force of darkness. That are set on your destiny. You know. Your destiny is supposed to blossom. Why is your destiny supposed to blossom? Because.

[14:46] We are children. Of light. Bible says that. You are the light. Matthew chapter 5. Verse 13 and 14. 15. It says. You are the light.

You are the salt of this world. And you are the light of this world. So we believers. Are the salt of this world. And we are the light of this world. Salt of the earth.

And salt of the light of the world. It simply means that. We are. We are meant to blossom in life. We are meant to do well in life. We are meant to blossom. We are meant to be.

The. The go to people. Where people want to know how to do it. We are meant to be. It's that the light. Is. Is supposed to be like. Pace setter. Is supposed to be.

Shining. Why is it that many believers. Are still living in darkness. And living in frustration. And living in non-achievement. And living in. Their destinies have been hijacked.

[15:41] By forces of darkness. This afternoon. As I was getting ready. And meditating. And praying for today's service. God told me. I should pray. Well. Somebody need to remind me.

I should pray for anybody. There are people who have been having. Dreams of. Entities coming to. Sleep with you in your dream. Sleep with.

And it's like. It's been going on. It's been going. There is a particular lady on this platform. Just like last night. It was very bad. It was very bad. When you woke up. Of your.

From the sleep. You could see. All kinds of things. Around you on the bed. It was. Physical signs. Of the. Dream activities. In the dream. The enemy.

Has. Tried to. Hijack your marital destiny. Tried to. Hijack. Your reproductive destiny. Has tried to. Hijack. Your. Your career. But. Tonight. Anything that is.

[16:34] Eating away your destiny. Or sitting. That has sat on. Satan has come to. Sit on your destiny. Has come. He's. He's. He's. He's sitting. He's. He's sitting on your destiny.

The. The devil is a liar. We. Unseat the force of darkness. Of your destiny. In the mighty name of Jesus. Every force of darkness. We. Unseat. So. Number one. We. Why are we supposed to blossom?

Because. By redemption. We are meant to blossom. By redemption. Number two. We are. The children of Abraham. We are the seed. Bible says that. Those who are in Christ.

Are the seeds of Abraham. In Galatians chapter 2. In Galatians chapter 3. 27. And 2. 9. It talks about. How. If you are of faith. Then you are Abraham's seed.

Those who are. Galatians chapter 3. It talks about. And if you are in Christ. Then you are Abraham's seed. If you are. If you are Christ. Then are you Abraham's seed.

[17:29] And as. According to the promise. You are. So every promise. God gave to Abraham. You are. Bonafide. You are. You are. Bonafide beneficial.

You are entitled to it. You are entitled to it. And so. Now. Listen to what God told Abraham. In Genesis chapter 17. Verse 6. It says that. Out of your loins.

Out of you Abraham. Genesis chapter 17. Verse 6. It says. Out of you. I shall come out. Kings and nations. I will make you exceedingly fruitful. And I will make nations of thee.

And kings shall come out of you. So what comes out of Abraham. Is supposed to be nations and kings. You are supposed to be. Powerful.

You are supposed to be. We are supposed. In Christ. We are supposed to be. Persons. To be reckoned with. Forces to be reckoned with. In our communities. In our universities.

[18:26] In our businesses. In our industries. In our homes. In our families. We are supposed to be. Forces to be reckoned with. Forces. I became born again.

And my brother. Also eventually became born again. God changed my brother. And saved his life. My brother. At a point in time. There was a challenge.

For him to be together. With his wife. And even to have a child. After 10 years of marriage. But. He's connected to a force.

God. Who the hand of God is on. And so. I said no. That cannot continue in my family. With the wife. I was together. Together peacefully. And. Blessed. Two children straight.

Not twins. One after the other. God. My. My. My sister is so deep in Christ. So deep in Christ. Doing fantastic.

[19:21] She's like. She. I mean. The center of the church. Is doing so. Her business. God is blessing her. I mean. When you are in Christ. And it's affecting.

Pastor. Oh. Sister. One of the key people in their churches. In her church. Doing well. Doing. When you are. Because of. Stake us in Christ. It begins to affect people around us.

Because we are forces to be reckoned with. I mean. When. When there's anything. The other time. My mom was feeling well. She called me. That's not. Speak over my life. I spoke and things started changing.

Hallelujah. Hallelujah. Hallelujah. You are. A force to be reckoned with. So. Satan can sit on your destiny. Satan can sit on your destiny. Dabos can sit on your destiny.

I. I. I. I declare you free. I declare you free. You are. You have the liberty to rise. You have the liberty to do well. Every force of darkness. Sitting on your destiny.

[20 : 21] We deal with all adversaries of destiny. In the name of Jesus. Number three reason why. We are supposed to blossom. Is. Bible says in Isaiah chapter 2. And Micah chapter 4. From verse. 2.

3. 4. Talks about how. In the end times. The house of the Lord will be exalted. And people will be rushing in. People will see. The mountain of the Lord's house. Shall be exalted. Above all the hills. The mountain of the Lord's house. Shall be exalted. Above all the hills. And people will see it. And run into it. It says that. No. Not Genesis. Oh.

Isaiah. But. Okay. Let's go to the Micah one. But in the last days. It shall come to pass. That the mountain of the house. Of the Lord. Shall be established.

In the top of the mountains. And it shall be exalted. Above all hills. And people shall flow into it. It's like. Anything that is connected. To the church. Once we.

[21 : 16] Read the church. Things connected to us. Will do well. The same thing. Isaiah 2. It shall come to pass. In the last day. That the mountain of the Lord's house. Shall be established. On the top of the mountains. And it shall be exalted.

Above all hills. And all nations. Shall flow into it. That is our testimony. So. By this prophetic declaration. By the fact that. By the. The mere fact of redemption. And the fact that.

We are children of Abraham. We are supposed to be. Reigning in life. And doing well. And our destinies are supposed to be intact. But why is it that people have been born again. You see. Since you. From the very moment.

You become born again. Watch this. This is very important. From the very moment. You become born again. You enter into an era of freedom. An era of liberty. So the fact that.

You haven't seen the freedom. You haven't seen the liberty. You haven't seen the blessings. Does not mean. They don't exist. Just that. You haven't identified. How to access. And provoke it.

[22 : 09] And make it happen. So that's what we are dealing with tonight. That. There are curses. Oh! Kazima! Ikuriika! Ina mashike! Ina! Iku libabahanda! Ibukuhundeliadakakukuriata!

Ireskuriandakabreke! Ireka! Iraika! Iburukotondeliada! Every force of darkness. Still over your family. And ravaging people's lives in your family. It stops from this moment.

We terminate its influence. Every force of darkness. Influence be terminated. Be broken. Be broken. Be broken. Be broken. Be broken. In the name of Jesus.

Anything that stops your father from today can't stop you anymore. And it can't stop your son. Anything that stops your mother. That stops your grandmother.

That stops your aunties. That has been operating and stopping you in the past. From tonight. From this moment. This is a moment of encounter. It's a moment of liberation.

[23 : 06] Moment of freedom. Moment of power. There is an unstoppable eruption of grace. Eruption of power in this place.

They can't stop you. The mere fact that you are in Christ. You can exercise your dominion. You can exercise your dominion. Now quickly. So it's important to understand.

That in 1 Corinthians chapter 16 verse 9 says that. A great and effectual door is open. But many are their adversaries. So even though the door has been open for you. It's like a prison break.

To move out of that prison. To your family. Existing in your background. It's like. A great and effectual. But there is an adversary. Something is opposing you. Tonight we have to deal with those adversaries of destiny.

Dealing with the adversaries of your destiny. The adversaries of your marital destiny. The adversaries of your health destiny. The adversaries of your family destiny. With your children.

[24 : 05] Why? Why? Why is it that you can't produce your children? The devil is a liar. The adversary of your progress. Adversary of your progress. We are going to deal with this in prayer. We are going to deal with this in prayer.

Number one. How do we deal with it? those kind of curses, adversaries, satanic siege, satanic holds, satanic bondages over people's destinies. How do we deal with it? I spoke about it the first part before the testimony. It takes anointing. And I showed you how to access, how the anointings are said. Number two, and I'll end.

It takes a certain level of light. I want to explain it. Because, you know, we are talking about chapter 6, verse 13. It said, for we wrestle not against flesh and blood, but against what?

Principalities, against powers, against rulers, against, against, principally against powers, against rulers of what? The darkness of this world. Darkness of this world. We are wrestling against the rulers of the darkness of this world. Rulers of the darkness of this world.

That's what we are dealing with. We are wrestling against rulers of the darkness of this world. And so, if you are dealing with darkness, what overcomes darkness?

[25 : 28] This is light. Light. Now, in Luke chapter 22, verse, I think, 23. No, Luke chapter 22, verse, verse 53. Yeah. Luke 22, 53. Look at what the Bible says. Put it on the screen, please.

It says that, this is Jesus talking to Judas. When it was, when I was dealing with you in the temple, he, talking to the, those who are coming to get him. He said, when I was dealing with you in the temple, he straight fought no hands against me. But, but this, this is your hour, the, the power of darkness.

You see, so, it was darkness. That, when it's time for the power of darkness, it's like they dominate. Jesus said this, you are, it's the power of darkness. He was dealing with the power of darkness, but it was working for the purpose of God. And so, we are dealing with the rulers of the darkness of this age.

That's what is sitting on your family, sitting on your marriage, sitting on your peace. Some of us, you know, a friend of mine, sometime ago, said something. Satan will create a sickness, gives it, gives it a medical explanation.

But, because the research lab, the microscopes, they don't see demons. So, the demons behind it, but they, oh no, Microsoft don't, it's not in the realm of the physical.

[27 : 02] So, Satan will create a health challenge and give it a medical explanation. They say, oh, one day he was just, he just felt pain in his neck. And very strangely, they took him to the hospital. He died.

They killed him. The enemy had killed somebody. But the autopsy or the corona was able to explain this is why, the cause of death.

Satan will kill somebody and generate a cause of death. Wow. You will live long in the name of Jesus. Amen.

Now, so, it is important to understand we are dealing with the forces of darkness. So, Ephesians chapter, sorry, Romans chapter 13, verse 14.

It says that, put on the armor of light. Ah! Did you see that? It says, put on, put, put here on the Lord Jesus Christ and make no provision, verse 12, sorry, verse 12 rather.

[28 : 01] The night is fast, friend, the day is ahead. Let us therefore cast off the works of darkness. Did you see that? And put on the armor of light. To fight, you need the armor of light.

Because we are dealing with darkness and you need light. If the problem is darkness, then the solution is light. Yeah. The solution is light. In John chapter 1, he said, and in him was life and the life was the light of man.

Verse 5, John 1, the light shines in darkness and darkness could not resist the light. Darkness, King James said, comprehended it not. And darkness could not handle the light.

Darkness can't handle the light. And so, to be able to deal with that grim darkness from your background, that is holding you captive. To deal with all these satanic adversaries against your destiny.

How do you now exercise the light? How do you exercise light? Light is the word of God. Light. The word of God. Bible says that in Psalm 119, verse 130.

[29 : 07] Psalm 119, verse 130. It says, the entrance of your word gives light. The entrance of your word gives light. The entrance of thy word gives light.

Psalm 119, verse 105. Thy word is a lamp unto my feet and a light to my path. So, the word of God is the light. The word of God is the light we need.

And so, the more the word of God comes into you, the more you open up yourself to receive the word of God, to practice the word of God, to engage in the word of God. The more you do that, the

more you are able to have mastery and authority over the works of darkness.

And not just that, revelation of God's word is very important. So, you have to be able to have a revelation of God's word. For instance, once you understand who you are in God's word, the word of God is water.

It's like water. So, when you go on, it's like a mirror. You see your true self in the word of God and you live like that. So, when you have a revelation in God's word about who you are, Satan will stop harassing you.

[30 : 19] Once you know who you are, as you read the Bible, you say, ah, is this who I am? Why am I afraid of the devil? One of the ways, who are we in Christ? You see, in Ephesians chapter 2 verse 6, it says that he raised us and made us sit together in heavenly places.

Christ Jesus. So, if you are born again, where are you seated? You are seated. Oh, hallelujah. He raised, he and has raised us up together and made us sit together in heavenly places in Christ Jesus.

Where are we seated? In heavenly places. So, where Christ is seated, that's where we are operating from. But look at chapter 1, Ephesians chapter 1 verse 20. This power that raised Christ, which he wrought in Christ, when he raised him from the dead and set him at his own right hand in the heavenly places.

Where is Christ seated? In the heavenly places. Where is Christ seated? I can't hear you. In the heavenly places. Now, look at the next verse. He's seated in the heavenly places. Far, oh, above principalities and above power, might, dominion.

Every name that is named, not only in this world, but in the world to come. Not now. Even things that are to come. We are far above those powers. Oh, hallelujah.

[31 : 38] Now, when you discover yourself, above that, the unique sickness that Satan wants to put over you. You know who you are. When the revelation comes. When the light comes.

And where we are, where we are sitting in heaven, Satan can win in heaven. In Revelation chapter 12 verse 7, Bible says that the dragon fought and an angel, and Michael and his angels also fought. And there was war in heaven. There was war where? There was war where? There was war where? There was war in heaven. Michael and his angels fought against the dragon.

And the dragon fought against his angels. And fought and his angels. Look at verse 8. Oh, are you ready for this? And prevailed not. He couldn't prevail in heaven.

And there was no place found anymore in heaven. There was, neither was their, sorry, neither was their place found anymore in heaven. The devil can't prevail.

[32 : 32] So where we are sitting, he does not prevail there. Oh, I feel like preaching to somebody. Where we are sitting, Satan doesn't prevail there. Where we are sitting, he doesn't prevail there. So if we can use your heavenly status to enforce your victory on the earth, you will see the manifestation.

You will see the manifestation. No, no, no force of darkness has the right to sit on your destiny anymore. No adversary, demonic adversary, has the right to sit on your marital destiny.

You are receiving your miracle this year. It's starting as you walk in light and you begin to declare and force your heavenly status on earth. Let your will be done on earth as it is in heaven.

Satan could not prevail in heaven. And we are sitting in heaven far above witches, far above principalities, far above powers. You are not going to be a victim anymore.

The last time you were victimized will be the last time ever you saw victimization. In the name of Jesus, I decree, I confront witches. I confront powers.

[33 : 38] I confront devils. I confront witches. I confront devils. And confront powers. powers. I confront enjanters. In the name of Jesus I confront demons I confront forces of darkness sitting on your destiny. I confront them. I confront them. I confront that force of darkness sitting on your health. Sitting on your health. I confront it.

I confront it and I release you. I release you. I release you. I release every captive in the name of Jesus. Every captive every captive. Anyone certain has held captive.

I declare you are released. I declare you are released. I declare you are released. I declare you are released in the name of Jesus, in the mighty name of Jesus.
