Preacher: David Antwi

[0 : 00] Welcome. Thank you for choosing to listen to another faith-building message by Pastor David Entry. Faith comes by hearing and by hearing the Word of God.

May your knowledge of Jesus Christ increase as you listen. Be blessed. Thank God for tonight. Thank God.

We are so grateful to Him for the privilege of being together again. Day number 13. Day number 13 is an amazing day.

And today is about to enter into records that this is the day that lady's life changed. This is the day that gentleman's life changed.

This is the day that everything turned around for me. Someone will say that. This is the day when everything turned around for me. Before we go further, there is something that I want you to know, which I believe God has to say to us.

[1 : 07] In Deuteronomy, in the book of Deuteronomy chapter 7 verse 14, It says that thou shalt be blessed above all people.

Above all people. Thou shalt be blessed. What's the meaning of all people? All people simply means all people. Yeah. And the scripture says, Thou shalt be blessed.

How high above all people. Did you see that? And it says that thou shalt be blessed above all people. There shall not be male or female.

Is someone getting what this is saying? Serious. This is serious stuff, man. Jesus said to the gentleman, the blind man, sorry, the blind man who came for healing.

Jesus said to them, Believest thou that I am able to heal you? Matthew chapter 9 verse 28.

[2 : 21] Jesus said to the blind man, Believest thou, do you believe that I am able to heal you?

Do you believe ye that I am able to do this? The blind man say, yes, Lord. May I ask somebody, Do you believe that these scriptures we are reading can have a reflection and a manifestation and an expression in your life?

Yes. The man said, yes, Lord. Let me also ask you and see what you will say. Do you believe? I want to hear. The blind man said, yes, Lord. They said yes to the Lord.

I want to say what you will say to the Lord. I want to see. Do you believe that the scriptures we are reading, they can be manifested every promise of God's word. can be manifested in your life?

Do you believe it? Yes, Lord. If you believe it and you have said it, then let's see the response of Jesus. Verse 29. Jesus said, Be it on all.

[3 : 28] Jesus touched their eyes and saying, According to your faith, be it unto you. Give me a new King James, please. Jesus touched their eyes saying, According to your faith, let it be to you.

If you have said it, then I assume that that confession came from your conviction. And if that confession came from a conviction, a heart of conviction, then according to your faith, because that is faith.

Faith is confession born out of conviction, manifesting in reactions. Faith is confession born out of conviction, manifesting in reactions.

So when the, if that's what your faith is saying, that God said, then the Lord said, be, Oh, sister, you, yes, be it unto you.

Not according to my prayer. Yes. Not according to my power, but according to your faith. Yes. Be it unto you. According to your faith. It's about time. Someone has some radical faith.

[4 : 29] Someone gets a bit. I know you are very compass. Oh, I know you are very gentle person. I know you are very calm person. I know you are very cool person, but I believe that when it comes to tapping into your faith, claiming your, your rights in the Lord, demanding and placing hold, laying hold of what belongs to you.

It takes a fight. That's why Paul said to Timothy, first Timothy chapter six, verse 12, fight the good fight of faith and lay hold on eternal life. pumping the good fight of faith, laying hold on eternal life, pumping the good fight of faith, laying hold on eternal life, phythe good fight of faith, lay hold. You have to fight to lay hold. You have to fight. Fight it and lay hold. Lay hold on it. Lay hold on it. Fright the good fight of faith. So I'm telling you, I know, I know you are a very gentle person. I know you are a very calm person. I know you are a very bourgeois person. You are very posh. You are dapper. I know you are a diva. You carry yourself with some finesse. When it is time to birth, put the diplomacy aside. Put the methodology and classness. [5 : 44] You handle yourself with some class. Yes, within the class, you can give birth. But when it is time to give birth, please, you must learn how to push.

Because since the time of John the Baptist, the kingdom of God suffered violence, and the violent shall take it by force. I said the violent shall take it by force. The violent shall take it by force. The violent, somebody is going to be aggressive enough. Somebody is going to be hungry enough. Somebody is going to be determined enough to grab your miracle. Tonight is the night you have been waiting for. And when your faith says yes, God will not say no. When your faith says yes, God will not say no. And it takes some level of radicality in expression of your faith to lay hold. Fight the good fight of faith. Fight the good fight of it. Lay hold on eternal life. [6 : 42] Lay hold on it. Lay hold on your breakthrough. Lay hold on your testimony. Lay hold on your marriage. You have to fight the good fight of faith. So for your information, tonight is the night we have waited for.

Back to Deuteronomy 7, 14 again. It says, Thou shall be blessed above all people. Is this what you don't understand? Is this grammar what you don't understand? Is this the grammar you don't understand? What don't you understand about? You shall be blessed above all people. You can't believe this? You don't understand? Believe it, does this? And then it says, there shall not be a male or female barren. The way your head goes blank. When it's exam time, you feel you are the worst in the class. Your daughter, your son is so bad academically. No, it says that your male or female will not be barren. You will produce. Now from today, I'm telling you, this is the night your story changed. From tonight, everything is supposed to change about you. Everything is supposed to be transformed concerning you because you've laid hold of the word that you have been waiting for. [7 : 55] Your destiny has been crying, begging, begging, desiring a certain word. And that word is being released into your life tonight. And I'm telling you that you shall not be barren.

You shall not be fruitless. You shall not be unproductive in your life. They won't have the chance to call you useless anymore. Never again. Never again. Never again. No one will have the chance to call you. You are useless. You are unproductive. You are unproductive. You are unfruitful. No way. Whether physical fruitfulness, by virtue of fertility, conception and delivering, giving birth, whether that, or career fruitfulness, or productivity, ministry fruitfulness, ministry fruit, everything, any form of productivity, you, they will never have the chance of saying, you are not producing anymore. You shall have amazing, supernaturally induced productivity. It's happening. Tonight is the night when everything is turning around for you. Everything is turning around for you. Oh God, turn it around. Turn it around. Turn it around again. [9 : 12] Jesus said to the man in Mark, he said, the man said, Lord, this thing is trying to kill my son. It's trying to destroy my son. If you are able to do something, do, if you are able, do something about it.

Mark chapter nine, verse 21, 22. Jesus said to the man, if I'm able, no, that's the wrong approach. If you can believe all things are possible to those who believe the man said to Jesus, if you have 22, the office told him to, but if you can do anything, have compassion on us and help us. Jesus said, no, it's not in my, it's not, it's not in my remit. It's now in your court. The ball is in your court. I should have compassion. I have a lot of it. I should help you. I'm ready to do it. But can you stand to be blessed?

Are you ready to be blessed? Are you ready to be elevated? Are you ready to be promoted? Are you ready to be healed? Are you ready to be free? He says that if you can believe, then all things, including healing, including deliverance, including financial prosperity, including better job, including your housing needs, including your marital needs, including your good health, including your children, including the peace in your house.

He says that if you can believe, then some things, no. Did he say some things? No. how many things all things all things oh you see your believing is placing you in the center of of mastery in the your believing is placing you in the center of an enviable life oh it's placing you your believing will make your life enviable not a life that people will look at and feel sorry for you those days are over let me put it in a sound landing way them days are gone them days are gone ah any any them days ago i'm telling you then that kadi was shakata hey you are moving forward you are seeing the goodness of the lord in the land of the living you will see the goodness of the lord in the land of the living if you believe it shout i believe i believe oh so he said jesus said that oh so yeah in the throne of me chapter 7 verse 14 he says that not um they shall not be male or female barren among you or among you even your animals your animals are not permitted to be unproductive look at the next verse verse 15 and the lord would would take away from you all sickness and and will afflict you with none excuse me with none of the terrible diseases that the diseases of egypt which you have known but will lay them upon all those who hate you this is it's not good news for your enemies so it's not good news god said the sicknesses that are not permitted to come on you god himself will take it and lay it he will lay it upon those who hate you oh my pastor that cannot be so believe that doubt the prophets live the world live it live it live it live it live it let the word find an expression in your life and see if you will not see the glory thereof the word until the word becomes flesh you will not see john 114 until the word becomes flesh you will not see the glory thereof if you want to see the glory of the lord the word must become flesh and live in you when the word becomes flesh and live with you then you will behold the glory the glory as of the the only new god himself the glory that only comes from above if you want to see god's pure glory let the word of god live in you let it become flesh and let it live in you he said god would none will be barren not even your cattle your animals your stock and he says god will put you above all people and then he said he will take away sicknesses all your sickness and the lord will take away from you all sicknesses all including coronavirus all sicknesses he will take away and the sicknesses you see happening to people outside he said he will not let any of them come upon you but he would rather put it so it's like it's coming on you but god god has something like a you know rocket tennis tennis bat ping pong bat or long tennis racket he will come and use it to deflect so the ball will come it's supposed to come to you it will hit the rocket and go to your next your the next available enemy if it is your neighbor from hell he's come he's going there i see god fighting for you in jesus name amen well we thank god for this announcement we can even close based on this announcement

[14:27] and those whose hearts can catch it they will go and do exploits you see even if you come and on the platform and you don't receive anything the declarations and the word that is taught that is enough that has the weight of heaven to sustain you and keep you going i'm telling you believe bible says that believe in the lord your god so you shall be established believe also in his prophets so what anytime you believe in god it will always play a belief also because you can't believe in god and disbelieve his messenger because god only works with messengers who have been believed so he can work through the messenger you believe and you receive jesus said whoever receives you have received me those religious proud people who say ask for me it is just between me and jesus it is just between me and jesus where is he where is he yeah i just want to do it his way yes it's me i only obey jesus where is he where we read acts chapter 13 bible says that after paul and silas when they went and preached in um i think around verse 39 40 something with the bible says and the people when they finished preaching the people followed them he said the people followed them and even wanting to hear more and they begged them that next saturday and next sabbath please come and preach it again the people followed them followed ask for me yeah i don't follow man i follow jesus follow him jesus will always use can you imagine you know sometimes you can be so religiously set in your ways but you are hurting yourself hurting yourself there are a lot of people who shouldn't go through some things they go through if they are submitted under spiritual some spiritual authority and guidance yeah there are a lot of people some sicknesses that have has hurt some people shouldn't have hurt if they were under some some kind of spiritual covering because your background see what has happened to the men in your background you have to take cover bro you got to take cover because you are next in line but some

things cannot come near you because of where you are the territories you are operating in yeah we got to learn how to take cover he said believe in the lord your god second chronicles chapter 20 verse 20 he says that believe in the lord your god and you shall be established believe his prophets and you shall prosper believe his prophet jesus said in john chapter 14 verse 1 let not your heart be troubled believe in god believe or believe also in me believe in god believe also in the man he has sent to you and watch this watch this this is another point very important point if jesus wants us to deal directly with him he would have gone when he resurrected he would have gone from house to house to preach the gospel himself what what what what makes my mind is actually when he resurrected are you okay for me to say these things got it yes he resurrected he didn't show himself to the public why they will believe why he doesn't have time for that because the only way people can be saved is by faith not only said blessed is he who hasn't seen but believe john chapter 20 i think there's 28 or somewhere so he says that go and tell them those who believe baptize them and they shall be saved can't imagine thomas because you have seen you have believed but the blessing is in having no sin physically but you believe yeah you have believed so he said go and tell them so then in acts chapter 10 verse 40 and 41 and 42 from verse 39 says that

god raised him from the dead okay and we are witnesses of all these things which he did in the land of the land of the jews and jerusalem whom they killed and hung on the tree look at the verse 40 him god raised on the third day and showed him openly say openly openly how did god show him openly in other words everybody should see him god resurrected jesus yesterday i was having a chat with one of our pastors and he said to me that some people paid the pharisees they paid the soldiers or they asked pilate to get soldiers to protect the guard the tomb because jesus said when he was alive he said he he resurrected on the third day so they asked soldiers to go and guard the tomb and soldiers that stopped soldiers went and gathered the tomb but jesus resurrected anyway and the soldiers when they woke up there was an earthquake they couldn't stand the man jesus should have actually started with the guards that what you guys you have you better believe okay you better it's amazing he didn't even talk to any of them and none of them saw him resurrect so they could even doubt but their witness was so strong they said there was an earthquake and when they all something happened but they thought they could say jack they fell on the ground they could say jack the the body was not there so they went to those who told the high priest and the sign to tell them this is what has happened you know what the sign read it they paid them money that don't tell anybody when they ask you just tell the people that his disciples came and stole can you imagine when they are assembled with their elders and consulted together they gave last sum of money to their soldiers this elders saying tell them his disciples came came at night and stole him away while we slept and he said don't worry if soldiers you're not supposed to sleep on duty we will sort out the authorities we will sort them out for you politicians don't worry we'll sort them out you just see what you uncover us the point here is they knew jesus was redirected instead of believing him they rather paid money for our people's will lie it was a choice they paid money tell everybody he was told he didn't resurrect meanwhile they in their heart they knew that the guy said you and he has done it why wouldn't they believe him so the point i'm saying is that god raised him and showed him openly now look at verse 41 are you ready for this not to all the people oh no why god if i were you i would have shown it to all the people and all the people would believe god is not interested in that oh no you know when you are watching tennis and then someone takes a shot then oh you know so this i thought he was going he showed him openly and everybody in jerusalem saw it no he didn't show him to all the people why but only watched it to witnesses so if you can't tell others about him he will not be shown to you he was shown to people with those who are supposed to go and tell others he's alive but if he's alive why doesn't he come himself are you getting what i'm saying is someone learning something even to us who ate and drank with him these are he showed and now we are coming to tell you that he's alive we are witnessing that he's alive that is how god works if you don't listen to the ones he has sent forget it he doesn't have anything to say to you paul fell on his horse when he was going to damascus a blinding light hit him he was sitting in his limousine at that time his wonderful horse he fell from the horse act chapter 9 and then he said uh who are you he said i am jesus whom you are persecuting he said what do you want me to do please talk to me huh so he was trembling he's trembling and astonished said lord what do you want me to do this is good tell me do you know what the lord said the lord said go and start evangelizing go and read matthew chapter 8 no he didn't say anything he said go then the lord said to you arise and go into the city

and you will be told some people are already there who i'm using to tell people i won't go behind them god they will tell you i have appeared to you by appeared i appeared to you just to let you know that what they are saying is true go to them and listen to them if saul had said no no no no no one no one qualified i have met you myself and no one can tell me anything i can't report that he would have stayed like that and god couldn't have used him those who are too proud to follow somebody are too big to be used by god i am unashamedly claiming and making this proclamation i am an ardent true follower of bishop david oedipo i am a follower of bishop dank bishop duncan williams i am a fervent follower of bishop doug award mills these are people i follow and more i follow i follow i follow i obey i respect i i celebrate i honor i follow and what what is on them is beginning to manifest on me oh my god my god those who are too proud to follow are too big to see manifestations let me because our time is far spent i actually wanted to speak about it continue on this thing about the holy spirit you see in um um job chapter 32 verse 8 it says there is a spirit in man and the inspiration of the almighty gives him understanding god formed according to zachariah chapter i think 13 verse 1 or 12 somewhere they said god ■■ sinned the birthCE of luke essere said he had the birth this is to be a person kingdom of them as they had seni count on about the curse king's Study king 8 h minister verse 6 for omni verse 7 he can tell you he borne he made the heavens the heaven and the earth so he did the heavens, he laid the foundation in the earth and when he finished everything he formed man and then Bible went past just forming man and speaks about he formed the spirit of man inside him and as I said earlier, there is a spirit in man and the inspiration of

Job chapter 32, the inspiration of the almighty gives him understanding, there is a spirit inside you God formed and gave you a spirit but until the Holy Spirit comes upon your spirit the Holy Spirit when he is landing he has a landing path the landing, oh thank you Jesus the landing path of the Holy Spirit is your human spirit, everybody has got a spirit according to 1 Thessalonians chapter 5 verse 23 may the Lord sanctify you spirit soul and body, may the Lord sanctify you wholly, completely may your may and may your whole spirit soul and body, so you are a spirit, you have a soul, you live in the body, everybody has a spirit, even those who are not born again they have spirits, just that their spirits are dead, they are dead in their spirit, what does it mean to be dead? it's void of God's life so God cannot produce activities from their spirit God can't produce activities from their spirit because it's void of God's life, and so when they die they don't belong to God, so their spirit doesn't go, they don't go to God they go away from God, because God doesn't inhabit their spirits so when you become born again the spirit of God comes to live in your spirit, and so Romans chapter 8 verse 16 says that the spirit himself bears witness with our spirit, bears witness with our spirit that we are the children of God, how does the spirit bear witness?

[26 : 57] with our spirits with our spirits with our spirits, so once you become born again your spirit is open to the spirit of God for interaction, for communication watch this, when you begin to sin and live in sin it's like the spirit of God is still with you inside you, but it's so much caused somewhere, he can't be you know when they pack you know when you watch movies and maybe some people go and kidnap somebody and they put something around, they put duct tape, you know that big tape, it's called duct tape, they put duct tape on their mouth and you count on and they tell you some of us, that's what you have done to the Holy Spirit yes you're you're sinning you're sinning and quarrelsomeness and exposing yourself to things that don't glorify God begins to grieve the Holy Spirit and it actually not just doesn't grieve him it quenches him and she watered him that he does he's lost he's still fiery but he's lost his fire from inside you so the Bible says quench not same 1 Thessalonians chapter 5 same 1 Thessalonians chapter 5 verse 19 quench not the spirit so you can quench him so every time

Satan is tempting you to sin remember it's a plan to quench the spirit it's like he's kidnapping the Holy Spirit inside you so he can't talk and you you are about to make a certain decision that will cost you your life and the Holy Spirit is trying to talk don't go into that relationship don't go into that relationship don't go he's an arm robber he's a drug dealer he's going to he has temper problems and he has murdered somebody before they never caught him he will murder you the Holy Ghost can't talk because sin has tied him has kidnapped the Holy Spirit can't talk so when they say don't sin oh that's why you church people every time you are talking don't sin don't sin no no no no please you can go ahead if you want to because it does not it does not have an impact on God at all it doesn't affect God what you do what I do what I do not do what you do not do doesn't affect God a bit it's in the book of Job it's that when you sin that's your sin you think your sin affects God no it's

that if you do not sin what are you doing for him

Job chapter I think 35 verse 6 or 36 verse 5 yeah so if you do not sin what is it that you think you are doing for him 36 verse 5 and verse 6 I think so and if you it's that no it's that if you sin what do you think you are doing against him and if you do not sin what have you done for him no sin is not sinning it's not adding to God not engaging yourself in bad things it's not adding to God it's 35 instead okay if thou sinnest if you sin what do you accomplish against him nothing so our sinning doesn't affect God and if your transgressions are multiplied what do you do to him nothing you can't affect him look at the next verse if you you are righteous what do you give him or what what does he receive from your hand our righteousness is not giving him it's working for you it's working for you our sins work against us when you sin you are not doing sinning when I say sinning you are not harming God you harm yourself you harm your chances you shatter your opportunities you hurt the privileges you have in God that's what happens you hurt the privileges you have in God when you sin and when you do when you do righteousness like fasting and praying no you are not doing it for God this your fasting is helping you and you will see by the end of the fasting by the end of this month you will see that one of you will you will actually one day thank God that this is the best thing you have done in your lifetime this fasting 2021 fasting so when we sin we quench the Holy Spirit we we water him down you water him down and another portion says that don't grieve the Holy Spirit in Ephesians chapter 4 verse

I think 29 or so 29 30 I think don't grieve the Holy Spirit when you grieve somebody it's like oh you grieve him you make him you make him not happy you make him withdraw do not grieve the Holy Spirit of God by whom you are sealed for the day of redemption water sealed you for the testimony coming are you grieving him no don't grieve him don't grieve him because so he bears witness with your spirit so when God wants to speak to you I'll be preaching but the Holy Spirit will take my words and convert them into direct you know computer programmers when you see them doing it all these pictures you are seeing on your phone it's not pictures it's words it's letters they put letters and figures and it turns into a picture computer it's a language yeah and then by the time you see it's a picture so that's why they have PDF JPEG all those things this language by putting quotes then it turns into a picture and so when you are also sending a video the video file like I'm talking is coming through

Zoom or Facebook electronic meme means to you no it is converted into something that's why when you use video on Zoom the video gets so compressed that it loses a lot of quality because it gets compressed and translated through something it's and then at the end it is now re-changed so for to transmit it it is changed into something it transmits and at the end it's converted into so when God speaks he's using me I'm receiving some pictures and as I speak it's entering your spirit depending on the state of your spirit and the relationship with the Holy Spirit and how open you are it can be converted into accurate pictures or distorted pictures that is why two friends can be hearing the same pastor talk two relatives a friend two sisters a mother and a daughter a father and a man your mother and father both of them were listening to pastor when we finished the father said oh this man has blessed me the man has said oh this is not for me so you also but what didn't you hear oh but yeah it is the decoding decoding the message comes their spirit is so polluted sometimes it can't be decoded properly and so it looks it comes distorted the pictures are so distorted whilst when you take the same photograph with another camera it looks so nice you know when you change your mobile phone the other one and you got this other one see the quality of the picture it's so amazing it even looks you nicer it makes you look nicer than original you know because it's been enhanced and there's a way even a pastor can be saying something and people somebody said when pastor said it I received it and next time he will refer pastor you said

[34 : 30] I don't even remember because when I was saying it maybe myself I also even failed to capture for myself so God passed through me but your spirit was in line with the Holy Spirit so you were able to capture what the Holy Spirit is saying wow wow the Holy Spirit Romans chapter chapter 8 verse 16 the spirit himself bears witness with our spirit it's not pastor who bears witness with your spirit it's the spirit it's not God's servant it's not the prophet it's the spirit what you profit from the mouth of God's servant has a lot with the Holy Spirit opportunity to work in you it is the spirit that profited Jesus said all these things I'm telling you words the flesh profits nothing the words that I speak they are spirit John chapter 6 verse 63 these words that I speak they are spirit because it is the spirit that profited the spirit that gives life for the flesh profits nothing physical things is not what makes the difference it is not the suit

I wear that make the difference it is not the Bibles around or the ambience no that's not what makes the difference there is the spirit in the words so when I I work on myself receive grace to work with the Holy Spirit he's able to pass through me in a very fine way now the next thing is those who are receiving so if you come and you don't open your spirit sometimes you might be in a certain state and a compromised state but when you come your heart is so soft that you are able to open your heart more than someone who has been reading the Bible the whole day so everything but when you read the Bible it empowers you to be able to flow more with the spirit so you have an advantage but there are some people who can be around prayer and a lot of things but their spirit is so still blunt so it takes your spirit to receive from the Holy Spirit that is why Jesus said that hour is coming and now is when the true worshippers shall worship the Father in spirit and in truth John 4 23 and 24 says that for God it's a spirit and if you are going to worship him you better do it in spirit and in truth it takes a spiritual heart

Romans chapter 1 verse 9 it says that I thank God who I serve from my forefathers from my spirit I serve God with my spirit I serve God with my spirit I serve God with my spirit in the gospel of his son I serve him with my spirit I serve him with my spirit there is a spirit in man and the inspiration of the almighty gives him understanding so as we are teaching the word the Holy Spirit is taking these words and using these words to paint pictures for you to speak to you the Holy Spirit is the Magister Veritatis is the only teacher of truth no human being can teach you the real truth is the Holy Spirit so what the teacher is doing the Holy Spirit takes what the teacher is doing and begin to convert it in your spirit begin to teach you so you can really see the truth the reality of the kingdom in the name of Jesus if there is something we need this hour to be able to walk by faith properly it is the Holy Spirit it is the Holy Spirit it is the Holy Spirit we need the Holy Spirit we need the Holy Spirit in Proverbs chapter 20 verse 27 oh thank you

Bible says the Spirit the Spirit of man is the candle of the Lord searching the inmost part the Spirit of man your Spirit is what the Lord will use to work inside you so the more you develop yourself you develop your spiritual searching in the inmost parts of the belly the belly means that the innermost being it is like God's candle it is God's candle he uses your spirit to check what is going on inside you check how much he can download into you he can do for you it uses your spirit so that is why this thing is spiritual our prayer we have to approach it from a spiritual point of view our fasting approach it from a spiritual point of view when you are listening to preaching don't listen to it from a carnal point of view oh hey all these testimonies some people are hearing their testimonies and they are looking I'm wondering but is this person expecting anything at all oh wow yeah we have heard many testimonies that are all connected to pastor declared and I tapped into it pastor declared and I tapped into it
