Preacher: David Antwi

[ 0 : 00 ] Welcome. Thank you for choosing to listen to another faith-building message by Pastor David Entry. Faith comes by hearing and by hearing the Word of God.

May your knowledge of Jesus Christ increase as you listen. Be blessed. Hallelujah. A year of victory. 2021.

A year of victory. And a year of victory. This is the victory that comes out of the world. It becomes the world. It becomes the world. Faith. What overcomes the world?

The victory that overcomes. And what is the victory? Faith. As a believer, the quality of your triumphs and of your victories is in direct proportion to the faith you walk in or you walk by.

Faith is so essential that the scriptures say the just shall live by faith. It takes faith to live in God.

[ 1 : 04 ] It said I'm crucified with Christ. Galatians 2.20 says that I'm crucified with Christ.

Nevertheless, I live yet not I. And the life that I now live, I live by faith. So, we live by Galatians 2.20.

We live by faith. We live by faith. The just shall live by faith. So, faith is such an important, such a necessary aspect of your walk with God that you cannot take it for granted.

Faith. Faith. Faith is not a religious, listen to this please. Faith is not a religious theory. It's not a religious theory.

It's not a Christian philosophy. So, pastor, what is faith then? Faith is victory. Faith is victory.

Faith is victory. Faith is mystery. Faith is power. Faith is a weapon. Faith is victory. It says that this is the victory that overcomes the world.

[ 2 : 11 ] Even our faith. So, our faith, 1 John 5.4, even our faith is their victory. Our faith is their victory.

You can't walk by faith and be a loser on earth. True faith. True faith gives you mastery.

Gives you an upper hand in the endeavor of life. So, most of us, what we are believing God for, or what the situation that we are seeing in our life, is not because there is no, God is not on your side, but it's because faith is absent.

He said it. He said it. He said, if the Son of Man comes, shall he find faith on the earth. Luke chapter 18, verse 9 and 10, somewhere there. He said, shall he find faith on the earth.

Nevertheless, when the Son of Man returns, shall he find faith. Faith is a necessary tool, a necessary ingredient for winning.

[ 3 : 18 ] For winning. If you want to see victories, you got to walk by faith. Faith. Faith. Not yet, not just mere speculation.

A lot of people, when they hear faith, they are thinking of assumption. Or I assume, I assume, no. I'm going to help you get the picture clearly.

Faith is not an assumption. Neither is it just positive, being positive about life. So, so, the water is cold, but no, you know what, I'll have faith.

I'll just jump into light. No, no, no, no, please. That's not faith. When we talk about Bible faith, it's not having a positive outlook on life. You can have a positive outlook on life and you are not walking by faith.

God is not committed to your results in spite of your positive outlook. God, the Bible says in Jeremiah chapter 1, verse 12, it says, I watch over my word to perform it.

[ 4 : 22 ] God is committed to his word, nothing else. He said, for I will hasten my word to perform it. How does the New Kinyons put it? He says that, for I'm ready to perform my word.

How does the NIV put it? He says that, for I watch to see that my word is fulfilled. So, the word of God, God's commitment is towards his word, not towards your pain.

Somebody is not getting it. God's commitment is not because people are suffering. If there is God, why are people suffering? It is a function of how you don't know who God is.

Because if you know who God is, you will know that he is not the reason why people are suffering. People suffer because of different reasons. Because Satan is at large.

Satan is. So, why doesn't he stop Satan? No, God does every. In fact, I'm about to say something, okay. I'm about to say something very big. Okay, get ready. Are you ready for this?

[ 5 : 24 ] Be careful you don't fall off your seat. God needs Satan. What do you mean, Pastor? How does it? God needs the.

Will allow Satan to continue misbehaving. So that God's glory can still be penetrated. You see, in the absence of darkness, you will not appreciate light. Wow.

Light is more beautiful when there is darkness than light appears. For God's own glory, he has assigned a time when he is going to put the devil in the pit of fire, in the bottomless pit.

The devil, there is a time prepared. Bible Jesus said that, away from me, you will go into, I think, Matthew chapter 25, verse 41. Then he shall depart from me into the everlasting prepared for who? The devil and his angels. So there is a place prepared. That's why it is not wise for a human being to not come to Jesus and follow Satan and his angels. Because that is prepared for Satan and his angels.

[ 6 : 31 ] But human beings will also go there because they have allowed themselves to be influenced by the devil. If you are not in Christ, you are the child of the devil according to Jesus. And according to God.

The first gospel that God preached in the Bible, he said that, I'll put enmity between your seed and her seed. Genesis chapter 13, sorry, chapter 3, verse 15. I'll put enmity between talking to the devil. Between your seed. Who is the devil's seed? And her seed. Who is the woman's seed? The woman's seed is Christ. The devil's seed is anyone who is not in Christ.

So Jesus told them in John chapter 8, verse 44, that you are of your father, the devil.

Ah! So Satan has got children. Yes. You are not... Cousins are small. Children. He has got... I mean, Satan's cousin is small. Actually, he actually has got children.

[ 7 : 30 ] He said, you are of your father, the devil. And the desires of your father. And he was talking to Jews.

Some of them were rabbis. Yes. They were the sons of the devil. The seed of the devil. Now, so I don't go too much away from my point.

Anyone who is not in Christ, who dies in their sins, will end up in the lake of fire. Will burn in hell. I don't agree. Stay in your sins and die. You will later find out whether it's true or it's not true.

Okay. So Jesus is the one who said it. So there's a time assigned to deal with the devil. But now, you and I, Satan can throw his worst blows at us.

And we will still have the victory because God's glory will be manifested, penetrating into our dark situation. And his light, his glory will be shown. Bible says that God commanded I.

[ 8 : 31 ] In 2 Corinthians chapter 4, verse 5 or so. He said, God who commanded the light to shine out of darkness. Can you imagine? God commanded.

He commanded. He said, verse 6. And for it is God who commanded light to shine out of darkness. How can you command light? You know, I told you in Genesis, there are 10 commandments in Genesis, not to human beings.

Genesis chapter 1, but to creation. One of the commandments. The Bible says God commanded the light to shine forth. God, first 10 commandments were not to human beings. Please remember that. First 10 commandments were to, was to creation.

God commanded the light to shine. So, when you study the Bible very carefully, God actually, there was no light, but God commanded, he spoke the light into darkness. He spoke into the darkness and created the light.

And I see God is about to speak into any dark situation in your family, any dark situation in your health, any dark situation in your marriage, any dark situation in your career, any dark situation in your life.

[ 9 : 35 ] I see the word of God, the light of God's word penetrating and turning things into a testimony. Turning things into testimony. God's light, the power of his light.

I see it penetrating. It's penetrating. It's breaking forth. It's breaking forth. My sister, the power of God is breaking forth. My brother, the power of God is breaking forth.

Breaking forth into your situation. Breaking forth into your condition. Breaking forth. Receive your testimony. Receive your miracle. Receive your miracle. Receive your deliverance. In Jesus name.

Amen. Amen. And so faith is so important that faith is, as I said, is the victory. And number two, I said faith is power.

Okay. Faith is power. It's not just, no, I said it's mystery. I'm sorry. Mystery. First Timothy chapter three, verse nine, it says mystery. Faith is mystery. What's mystery?

[10:32] Mysteries are things that holding the mystery of faith in pure conscience. Okay. So mysteries are things that your mind doesn't have understanding about. It's their secrets that when revealed to you, you, you, you, you, you, you, you have mastery in life.

You reign in life when you have those secrets. And faith is a mystery. Faith is a mystery. Faith is power. Remember, the Bible says that I am not ashamed of the gospel of Christ.

Why? It is the power of God unto salvation to all those who will believe. The key word is believe. As soon as you believe, your believing makes the power available to you.

Your believing makes the power available to you. In Mark chapter five, there was a woman who had an issue of blood. Right from verse 25. Bible says she saw when she heard it was Jesus. She came and pressed from behind.

And pressed and pressed. And she touched the hem of Jesus' garment. And immediately the flow of blood ceased. And Jesus knew that power has left. Bible says that at verse 30.

[11:38] And Jesus immediately knowing in himself that what power has gone out of him. Ah, somebody has extracted power from me. Who is this?

Ah, he knew it. Power has left me. Power, who is that? Who did this? He stopped. He was looking around in the crowd. Hey, who touched me? Who touched me? Peter said, but people are touching you.

Everybody is touching you. We are even touching you. So you see multitude. People are so much. And you don't even have security. People are so much around you. Everybody wants a piece of you.

And you are asking who touched me. So the question sounded stupid. But Peter didn't realize that Jesus was asking a higher question. From a different realm. Not from the natural realm.

The problem is many people who do operate by faith. Only see things on the surface. So when you try to operate by faith. They tell you, my friend, be real. My friend, you don't be stupid. Because they only see things from the natural.

[12:32] From the eye. With the eye of the natural. But remember I said we walk by faith and not by sight. The eye of the natural. Sight. Sight. We walk by faith. 2 Corinthians 5 and 7.

So we walk by faith. So Jesus said, some pass. Peter said, Peter said, oh you know that people are touching. Then Jesus said, no, no, no, no, no, no. This one. People are touching me. But this one came to draw.

This one was drawing. Others were touching. But she was extracting. Tonight, I see somebody extracting. I see somebody connecting to collect. Just show up to watch or hear.

You showed up to collect. You show up to take delivery. You showed up to extract. I see it's working for you. It is working for you. It is working for you in the name of Jesus.

Amen. So Jesus said, now let me show you this. Jesus looked around. And then, but when the woman realized she could not be hidden. She could not hide anymore. She just said, and the woman fearing and trembling, knowing what had happened in her, came and fell before him and told him the whole truth.

[13:37] And what happened? Look at the next verse. And Jesus said to her, daughter, daughter, your faith has made you well. What has made him well? What has made her well?

Her faith. Oh, so what she was doing was works of faith. So when Jesus said, power has left me. Do you know what drew the power out? It was faith. Faith will pull the power of God, will make the power of God available for you any day, any time.

Faith. Jesus said, somebody has drawn something out of me. What did she use to draw? Faith. Faith is the power. That's why he said, I am not ashamed of the gospel of Christ.

For it is the power of God unto salvation to everyone who believes. As soon as you believe, power. In Ephesians chapter 1 verse 19, it says that you will know the power, what is the exceeding greatness of his power towards us who would believe.

So those of us who believe, power works towards us. As soon as you start believing, power. So faith is not a theory. Faith is not a philosophy. Faith is not a principle.

[14:46] Faith is not an ideology. Faith is victory. Faith is power. Faith is mystery. Faith is power. Jesus said, with God, nothing shall be impossible.

The same Jesus said, all things are possible for those who have faith. So as soon as you believe, Mark chapter 9 verse 23, as soon as you believe, guess what? You move from the realm of ordinary people to the realm of God.

Jesus said, if you can believe, how many things are possible? All things. How many? Who? All. For who? The one who believes. But we also know that it's only God for whom all things are possible. In Matthew chapter 19 and 18 and Luke chapter 19 and 18 verse 27. It says that, for with God, nothing shall be impossible.

And the angel told Mary in Luke chapter 1 verse 37, that with God, nothing shall be impossible. Jesus also said that with God, all things are possible.

[15:50] The angel said, with God, nothing shall be impossible. Luke chapter 18, 20, 27, 20, 29. It said, with God, all things are possible. Alright, so if with God, all things are possible.

And all things are also possible for him who believes. He said, all things are possible. All things which are possible with men are possible with God. So all things are possible with God.

So now, if all things are possible with God. And Jesus said, all things are possible to him who believes. As soon as you believe, you are not operating in the class of men or in the realm of men. As soon as you believe, you are operating in the dimension of God. Because it's only God for whom all things are possible. But we understand Mark chapter 9 verse 23, that all things are possible to him who believes.

So believing moves you in a different class. You are not operating just as a normal human being. You are operating in the class of God, an ordinary human being. But in that, your results will be God determined.

[16:49] Somebody shout hallelujah. Hallelujah. Jesus puts it this way. Jesus puts it this way. He said that, listen, there are so many things I've done. But he who believes in me, John chapter 14 verse 12.

He said, you will do greater things. Yeah. He said, greater works shall ye do. Greater works. Greater works actually I say unto you.

He who believes, he believes in his, believing keeps showing up. Believing, I think you should enjoy, prefer calling yourself a believer more than just a Christian. And live like a believer.

Live like a believer. One who has faith in God. He said, he who believes in me, the works which I do, he will also do. And greater works. So why are we not seeing the works?

Because, so if we are not seeing the works, if we are not seeing the manifestation and the victory generated by faith, then we have to consider what kind of faith we are operating by.

[17:52] And so, every believer must be a master at boosting faith. Boosting and building and developing your faith.

Oh, I'm teaching some interesting stuff, man. You have to develop. Work at it. Work at it. Work at it. Be working. People will be laughing at you.

Let them walk. God will be making you as they are walking you. Work at it. Work at it. Focus. Focus. Put all your effort, your energy. Focus your energy. Developing your faith.

Working on your faith. Working on your faith. Working. They are looking at you funny. Let them keep looking at you and stay concentrated. Working on your faith. Developing your faith. Building your faith. Boosting your faith. I know.

People are receiving testimonies of this platform because of their faith in the word of God that is spoken on the platform. The word of God that is spoken. Now, as I told you earlier on, according to 1 John chapter 5, faith comes by hearing.

[18:49] Sorry. 1 John chapter 5. This is the victory that overcomes the world. Even our faith. So, our faith is what gives us the victory. Our faith is what gives us the victory. And as I said, so faith is victory.

Faith is mystery. Faith is power. And faith is a weapon. It's a weapon. It's your weapon. Your trusted weapon.

Spiritual weapon. Ephesians chapter 6. Verse 15 and 16. In 16 particular. He said, taking the shield.

Oh. Oh. Above all. Above all this noise.

Above all this shouting. Above all. Above all. Above all. Brother. Sister. Above all.

Above all. The truth we are attempting to do is that taking the shield of faith. Of which you will be able to quench. The devil is not a problem.

[ 19 : 47 ] Faithlessness is the problem. The devil is not your problem. I'm telling you. Yeah. If you are in Christ. The devil is not your problem. It's your faithlessness.

That is your problem. So, the devil has made sure. That is. We will be making sure. You walk away from faith. He will be doing. Putting things in place. Putting systems in place.

To stifle your faith. To drain faith out of your life. To drain faith. Let me tell you something. Brothers and sisters. You cannot be drunk.

Okay. You cannot be drunk. On yesterday's wine. Can you? You drank wine yesterday. And it's getting you drunk today. No. You drank alcohol. You drank some of the names of the alcohol.

What's it called? Brandy. I forgot. I don't know the names. I thank God's grace. I've never drunk alcohol. But I know at least. I've heard about Jack Daniels. You cannot drink brandy.

[ 20 : 44 ] Three days ago. And today. Now you are drunk. On the brandy you drank last week. You can't be running. Today. With yesterday's faith. Every day.

Because we walk by faith. We live by faith. You have to keep building your faith. Boosting your faith. Stay in faith. Stay in faith. Don't say. I've tried. I've tried. I'm tired. Bible says.

These all died in faith. Hebrews chapter 11 verse 13. These all died in faith. They died believing. Believe to the end.

Trust God to the end. Come watch me. Job said. Even though he slays me. In Job chapter 3 verse 16. Even though he slays me. Yet will I trust him. I'm trusting him to my last breath.

Yeah. I'm trusting God to my last breath. That is what we call faith. Genuine faith is absolute confidence in God. Absolute dependence on God.

[ 21 : 43 ] That's genuine faith. That even if it doesn't show up the way you think it should. You still have confidence. You still have faith. Trust. Depending on God. Through his word.

I see your testimony. This year will be your finest year ever. Amen. Amen. I'm prophesying to somebody. I said this year will be your finest year ever.

Amen. Your most colorful year ever. In every sphere of your life. In your health. In your career. In your marriage. In your finances.

In your business. Education. Your studies. Your parenting. Your family life. Whatever. Whatever. In your ministry. Pastor. In your ministry. As you. Oh pastor.

You can't be a pastor who is not working by faith. Boy. It's. I mean. It's an oxymoron. We. We don't have a choice. We have to be committed.

[ 22 : 37 ] Trust in God. Trust God. Trust God. Trust God. So. Faith is a weapon. It's a weapon. The devil throws whatever at you.

Take your shield of faith. With your shield of faith. You can handle what is happening around you. Yeah. Yeah. All this. Scare mongering. And all this. Scary. Fear generating.

Information. That is flowing all around. Varsing. New strain. Of. Of. Coronavirus. But.

Guess what. They that know their God shall be strong and do. Knowing God is your key for mastery in life. And. I just want to draw your attention to something I've said quite a bit.

I've said. I said how faith is victory. Faith is mystery. Faith is power. Faith is a weapon. Faith is absolute dependence. Trust.

[ 23 : 34 ] Reliance. Trust. Trust. Faith is a weapon". Faith is a weapon. Faith is a weapon. Faith is a weapon. Faith is a weapon. Faith is a weapon. Faith is a weapon. Faith is a weapon. Faith is a weapon. Faith is a weapon. Faith is a weapon. Faith is a weapon. The weapon. Faith is a weapon that are trained to live. Here it is our weapon. Faith is a weapon.

Faith is a weapon. Faith is a She-ency. Faith is a weapon. Faith is a weapon. 1 John very carefully, you come across, or even in the New Testament, you come across a phrase which sometimes if you are not particular, it might escape your attention.

Which phrase? And we know, and we know, and we know. Even for instance, Romans chapter 8 verse 28, most people focus on all things work together for good.

But they miss the first two phrases, the first three phrases. That phrase, we know, and we know, and we know, and we know. James chapter 1 verse 2, verse 3, sorry.

It says, knowing that, knowing, knowing that the testing of your faith, how can you count it all joy? Knowing that your faith has an artist. How can you count it all joy when you go through verse 2?

[ 24 : 37 ] How can verse 2 happen if there is not knowing? Verse 2 is a result of verse 3. Is someone getting what I'm saying? He said, count it all joy.

Knowing. So when you know it, you can count it joy. So when you study the Bible, the Bible that you need to say in particular very carefully, you keep coming across. But in John, 1 John, there was some, the tripod words that appeared, interestingly.

Faith. He was always talking about faith. Then 1 John spoke a lot about love. But one thing that he also spoke, look at 1 John chapter 4 verse 16. 1 John chapter 4 verse 16.

We have known and believe. Known and believe. I have known and, did you see that? Faith is there. Know is there. Believing is there. Faith, love, and knowledge.

Jesus said, for the time is coming when the true worshippers shall worship the Father and the Spirit and in truth. So now, why did I bring knowledge here? Because faith, love, and knowledge, they work together.

[ 25 : 43 ] Faith, love, and knowing. I was there for 6. He said, my people are destroyed or perish because of lack of knowledge. What you don't know, your ignorance is what Satan is taking advantage of.

And I'm not talking about academic knowledge. In life, you shine based on what you know. But I'm talking about spiritual insights. Spiritual insight, what you know.

The truth you know. Jesus said, if you continue in my word. Then in John chapter 8 verse 31-32.

Then I hear my disciples in need. Verse 32 says that. And you will know the truth and the truth shall make you free.

The truth you know is what makes you free. So then, in the absence of knowing the truth, knowing you are not free. Now, faith works through what you know.

Please listen. Please listen. There is a difference between faith and feelings. Some of us, especially. And then you go and say, God has always been talking to me.

[ 26 : 48 ] Because when he talks to me, the way I feel. Please, please, please, please. Faith is not just feelings. But faith is knowledge. That impacts the way you also feel.

So, I'm not divorcing feelings from faith. But some people, it's all about the way they feel. There are times you feel down. But your faith is saying something else. And I see you.

And once your faith begins to talk. Because of what you know about God and his word. Guess what? Your feelings begin to follow. David said, bless the Lord, oh my soul.

David could speak to his soul. He said, oh my soul. Why are thou disquieted? Why are you down? Cheer up. David could speak to himself, his soul. He said, cheer up. Why are thou disquieted within me?

Hope thou in the Lord. Hope thou. Why? I think it's at 56 or something like that. Why? Why are you disquieted in me? Oh my soul. So David could just speak. That's why he says Psalm 103.

[ 27 : 48 ] He said, bless the Lord, oh my soul. My soul. He could speak to himself. So sometimes your feelings will be one way. But because of the knowledge you have. Because of the spiritual depths you have about God and God's word.

Oh, oh. Because of what you have heard from God. Because of what you have heard from God. In spite of what you are feeling. You can speak to yourself. Hey, my soul. Cheer up. Sit up.

Sit up. Stand upright. Don't be afraid. Because God. There's help. There's help in God for you, oh my soul. There is help in God for you. There is help in God for you.

There is help. Where did you get that information from? Because God's word said it. And now.

Finally, let me add this. To build your faith.

As I told you. You must know something. But we can find. We find out from Romans chapter 10 verse 17. That faith comes.

[ 28 : 46 ] And comes. By hearing of. And by faith comes. By hearing. And hearing. By the word of God. Now. I'm about to say something. It didn't say faith comes.

By hearing scripture. Or reading scripture. Get it? I'm going to assume it. When you expose yourself to the scriptures.

Faith can generate. But really. When you say faith comes. By hearing of the word of God. Hearing of the word of God. It's not just. Just merely. Talking about scripture.

Even though it comes. Through scripture. It is merely. Talking about. Hearing God. When you read the scripture. You have to hear God. From the scriptures.

Because most of us. Are not developing. Hearing the voice of God. It is making us. So far faithlessness. How do you hear the voice of. Read your Bible.

[ 29 : 46 ] Listen to preaching. As you are on this platform. Some of you. I know of the truth. You have heard the voice of God clearly. You have heard God tell you something. You do hear the lady's testimony. She said. And when I came.

The problem was on her scalp. He said. And God's servant said. There is somebody. And she said. I know this is me. This is me. This is me. I claim it. This is me. She had the voice. So she was able to release her faith.

You boost your faith. When you expose yourself. To the voice of God. To the word of God. And the word of God. The scriptures. The Bible. Contains the word of God. The Bible is the word of God. But it contains the speaking of God. God will speak to you. When you open your eyes. God speaks. Preaching. That's why you need. A Bible based preaching. That can teach you the ways of God. As you are listening. You hear. I know. If you. If you are not hearing from God. Maybe you have not opened your spirit. But if you open your spirit. As I'm speaking. You know God is talking to you.

[ 30 : 46 ] You are so advantaged. If you can hear God's word. If you can hear God's word. If you can expose yourself to God's word. And so tonight. To boost your faith.

Even to enjoy the favor of God. You need faith. Because how can you obey God without faith? How can you fast without faith? How can you pray without faith? How can you do anything godly. Without faith? Because they just shall live by faith. And faith comes. By hearing and hearing. By the word of God. So as you. As the word from God gets to you.

Look. Look. Hebrews chapter 11. When he spoke about. By faith. By faith. When you check. About 80% of all those people. Who work by faith. The giants of faith. Heard from God. Abraham heard from God.

Leave your father's house. And he obeyed. Abraham heard. Sacrifice Isaac for me. That's why he did it. He didn't do it because he felt like. Let me try and do something to please God. No. He heard from God.

[ 31 : 43 ] The last instruction God gave you. Have you obeyed that one? Why are you looking for another one? If God wants to bless you. He will leave you with an instruction. Oh.

I see somebody growing aggressively. And radically in your faith. Because when your faith is in place. Your victory is in place. When your faith is in place.

You understand the mysteries. And you gain mastery. When your faith is in place. Power is working towards you. When your faith is in place. Your weapons are up. When your faith is in place. You can relax.

You will sleep like a baby. Even in the middle of a storm. Because you know. And we know. And we know. And we know. How can you survive when you don't know?

How can you survive and thrive in such harsh. Harsh environment in your family. Harsh situation your family is going through. Look at what you are going through. Look at how the horizon looks for you.

[ 32 : 39 ] Prospect. Job. Prospect. Wife. Education. Future. Future. I mean. The future looks funny. But you need to be in faith. To know. That you are blessed. To know.

That it is well with you. To know. That God is not a man. That he should lie. In spite of all that you are going through. I believe God. Somebody say.

I believe God. I believe God. Don't be afraid. Because God is working for you. God is fighting for you.

Tonight. I want you to know one thing. That your faith. Will deliver results. Your faith. Will deliver results for you.

Your faith in God. Your trust in God. That is what makes you a Christian. It's your belief in God. Your belief in God. As you learn his word.

[ 33 : 32 ] As you read his word. As you listen to sound preaching. You are developing your faith. You are boosting your faith. You are growing your faith. And when your faith. Is in place. Your life.

Will be at peace. When your faith is in place. Your life is safe. I see somebody. Is receiving a change of story.

Somebody on this platform. Is receiving. A change of story. And you are the very one. I'm talking about. You are receiving your change of story. And your change of story. Is now.
