Preacher: David Antwi

[0 : 00] Welcome. Thank you for choosing to listen to another word-filled message by David Entry. Preaching is the means by which God manifests His word and nourishes our spirits.

May the life of God enter into you anew as you listen to this message. Be blessed. If you say we don't, the views, the various views, about four views people give to say hell is not necessary because hell is not real because the views of hell, wrong views about hell.

You know, when we say someone is saved, sometimes church, please, let not only think we have saved, especially the deliverance of my charismatic church is only focused on we have been saved from demons.

No, it's not demons, please. Demons have access to you because of your sin and you are not under Christ. But we have actually been saying Christ is our savior, save us from hell fire.

That's why that should be good, that should be justification enough or rightful enough for you to get up and go and preach the gospel. And help young people, save people from hell fire.

[1 : 17] You are boasting about how good a Christian you are, but you don't preach the gospel. It puts a big question mark on your claims of Christianity or how good that good a Christian.

Because you've been praying. You know me, I fast 40 days every month. Or I fast three times a year.

50 days, three times a year. Listen, it's not a reflection of how good a Christian you are. Even how regularly you come to church, which is necessary. It's not necessarily a reflection.

Some of you are always in church, but outreach, you have not gone once. And you are not ashamed of it. You don't feel anything about it. Yet you are believing God for a breakthrough. And watch others break down.

And you want a breakthrough. Whilst you are watching others, supervising others. Because no, no, outreach and virginity is not my thing. Maybe Jesus is not your Lord, that's why. Because you are calm with your own terms.

[2 : 21] Please, please, drop that Christianity of convenience. So I say this to your challenge. That rise up to the challenge of going out and winning souls.

Step out of your comfort zone. This Christianity of convenience. It leaves a big question mark on your life. I'm talking to those who are saved.

The nominal church and nominal Christians can't be bothered about this. But those of us who Christ is our Lord. He's either Lord of all or not Lord at all.

So Jesus said in Matthew chapter 26 verse 24 about Judas that it would have been better if he had not been born. Because when you are born and you live a life, after here, the judgment, the life you have lived, it makes the judgment and the retribution afterwards will make you regrettable for the life you have lived.

It will have been better if you are not born. Because it doesn't. And he says that, but woe unto the man of whom the son of the man is betrayed. It had been good for that man if he had not been born.

[3 : 35] His mother should have had miscarriage. That's what Jesus is saying. His mother should have suffered miscarriage. Than to be born and come and live the life some of us are living.

You think this one is only Judas? No, all of us. Because after here.

So it may even look like you should have died before you became a teenager. Because you would have retained certain levels of innocence. But look, it has all been erased from you.

Your level of guilt and you don't have one aorta of innocence. Not all of us. But all of us have gone, might have gone very far.

However, the good news, the good news is that if you can put your trust in Jesus and make him actually your Lord, then you will not suffer hellfire.

[4 : 33] And you walk with him. Death is something that you can't do away with.

Everybody is coming. And death unfortunately comes to young people, old people, women and men, rich people. But death comes to anybody.

And death does not come with advance notice. It just comes when it's ready to come.

And so it is necessary. That's why the Bible says that the heart of the wise is in the house of mourning. Where people are mourning.

Where there is mourning. You know. Mourning. M-O-R-O. Sorrow. When someone is dead. It said the house, the heart of the wise in Ecclesiastes is in the house of mourning.

[5 : 45] You think that you go. You see. Better is it to go to the house of mourning than to go to the house of feasting. You are always thinking of parties. Go for some funerals. I mean the Bible says that.

The heart of the fool is in the house of meth. That's always, always. Hey, hey, hey. Take it easy. All right.

Let's move on. I don't like the way you are quiet over me. I'm preaching. Matthew chapter 10 verse 28. Matthew 10 verse 28.

Thank you, Jesus. And fear not them which kill the soul, but are not able to kill the soul.

But rather fear him which is able to destroy both soul and body. Where? Where? Both soul and body.

[6 : 55] In other words, that means that when you die, when it's time for the resurrection, your body will be brought back to the soul. So it's not like that body will just decompose on earth and that's it.

No, no. It will later be brought back. And God said, I can destroy the resurrected body, the refurbished body that has come back. I will destroy it. Hell. Yeah.

Hell is to destroy. Hell. Hell. Hell. Hell. So that, remember what I just said, because there's an objection to eternity of hell. And I'm going to talk about that in a minute.

So it says, first point here, the first word I want you to note is hell. Okay? Hell. Hell is real. Now, as I told you the other time, Old Testament does not say much about hell because people would have said that Paul, with his assertiveness or harsh-mindedness, would just be important in speaking about hell.

And hell is Old Testament. New Testament is grace. Actually, the Old Testament didn't say much about hell. It didn't speak too much about hell. One or two points about hell.

[8 : 06] That is the life, the intermediary states. Shale and Hades. But hell, and then when it comes to the New Testament, Paul didn't really say much about hell.

The epistle didn't say much about hell. The one who spoke much about hell is Jesus. Matthew, Mark, Luke, and John. And the concentration of them is in Matthew. His first teaching, his first teaching, Matthew chapter 5, Beatitude is there.

Matthew chapter 5, verse 22. He introduced hell. Excuse me. 522, please. I say unto you, That whosoever is angry with his brother without a cause shall be in danger of the judgment.

And whosoever shall say to his brother, Raka, shall be in danger of the counsel. But whosoever shall say, thou fool, shall be in danger of hell fire.

That means hell has fire. Hell fire. Jesus introduced it in his teachings. Look at verse 28. I think verse 28. If you commit a woman, if you adultery.

[9 : 06] Verse 29 and 30. Let's see. Yeah. He says that, If you plug it out and cast it from thee, for it is profitable for thee, that one of your members should perish, and not the whole body be cast into hell.

So he says, Oh, I'm struggling with this sin. It's better you find a way of dealing with that struggle than you go and your whole body struggle in hell. Oh, that's my only weakness.

Please. That only, even if you have to chop off, it didn't mean physically chop it off. But you have to take a drastic action. So you don't end up burning in hell.

I was telling some young people that some of you, if you go to hell, it's going to be wild for you because some of you will be going to hell with the tears of your mother on your head. Your mother kept praying and crying over you, and you didn't listen.

You are going to hell with tears of your mother, your mother's tears dropping on your head. It will push you to the hottest part of the head. So you just spoke about hell in Matthew chapter 18,

Matthew chapter 22, Matthew chapter 13, no, Matthew chapter, yeah, 22, Matthew chapter 18, Matthew chapter 25.

[10:24] In fact, let me go to 25. I may not come. Matthew chapter 25, verse 41. Verse 41 is there that, Then shall he say unto them on the left hand, Depart from me, you cursed.

Give a new King James, please. Depart from me, you cursed. Into the everlasting fire prepared for, remember this, okay? Prepared for who?

All right. So hell, originally, I'm just going ahead of myself so that we don't, it's prepared for the devil and his angels.

All right. Look at verse 43. 43. I was hungry. I was a stranger. You did not take me in.

This is sin of omission, what you didn't do. You are not punished only for what you do, commission. You are also punished for what you didn't do. Right. You did not. You did not.

[11:22] I was naked and you did not clothe me. Sick and in prison and you did not visit me. Go to the next verse.

Then he shall, then they also will answer him. Lord, when will you, go to the verse 40. Next verse. I want to death. And then he shall say to them, surely I say on Jesus, how much are you doing to?

Okay. Verse 46, the one I'm looking for. Then I will say, and this will go away into everlasting punishment, but the righteous into everlasting life.

Did you see that too? So everlasting, say everlasting. Everlasting. Say that again. Everlasting. How long is the punishment? Everlasting. So it's an everlasting punishment.

It lasts forever. Hey. That's serious. So this is a small temptation. It's not forever. Please. Yeah. Yeah.

[12:18] Just five seconds. Temptation. It lasts forever. Everlasting. So Mark chapter 9, verse 44.

Mark 9, 44. This is, go to 44, verse 43, please. If your hand causes you to sin, cut it off. The hand you are using to browse, or to steal, to change the figures, or to handle, squeeze, whatever.

Oh, to my stomach. Say that, if you're, I didn't say it.

I thought you were a Christian. That's why, you see, it's very convenient for some people to say that you can't follow the Bible. I'm a Christian, but I don't take everything in the Bible. You are not a Christian. That's the number one sign that you are not a Christian.

You don't take everything the Bible is saying. It's a sign you are not a Christian. Because being a Christian means I submit myself to the Lordship of Christ. And how do you know the Lordship of Christ?

[13:26] This word. Forever, oh Lord, that word is settled. So, if you can't accept what God is saying, please, you are not a Christian. Maybe you are an explorer. You are trying to explore.

You are a researcher. In America, they call them the seekers. Seekers sensitive. You have to be very careful about you because you have not actually discovered God and you are trying every religion to see. So, you go to Islam to see.

You go to practice Hinduism, practice Shintoism and try this. Okay, go quietly, watch them and observe and see. You end up with Confucianism. Confucianism. When you see people who say, I believe everything, that's a clear definition of a confused man.

You can't even believe in Christianity and believe in Islam. Listen, people say they are fundamentally the same but superficially different. No, they are superficially, they say fundamentally different. Christianity and Islam are two complete, completely different things. completely. Completely. So, you can't say, I believe in that and I believe in that too. Syncretism means that I believe in a combination of a different thing. I add this, in theological circles, it's called syncretism.

[14:36] Amalgamation of different beliefs together. And, yeah. And that's a, anybody has seen someone who say, I believe in everything, they are so confused. And some of you have attempted believing in a lot of things and you are left with confusion.

So, if you are a Christian, you believe in God's word. That's where it starts from. Excuse me. Those who say, oh, it's not that I'm a Christian. How did you become a Christian? Can you define what you mean by being a Christian?

What do you mean by being a Christian? I believe in God Almighty. Muslims also believe in that.

So, you are not a Christian. It doesn't make you, believing Almighty God doesn't make you a Christian. He doesn't make you a Christian.

Ah, okay. But I believe in Jesus Christ. Excuse me. What do you mean by that? That Jesus you know, how did you know? Were you there when he was living? Have you seen him before? Can you tell me what you mean by you believe in Jesus?

What do you mean? Who is Jesus? What did he teach? What does he, how would you know Jesus outside of the scripture? How? So, you're actually, you're actually deluded.

[15:48] You are confused. You are purporting to know something you are very ignorant about. You don't know Jesus. Because if you know Jesus, he said in John chapter 5, I don't want to go to new creation realities back like last, John 5, 30, 39.

He said, you said to the scriptures thinking that in them you have eternal life. And these scriptures are pointing to me. These scriptures speak. The scriptures, all scripture, paragrapha, all scripture is about Jesus.

He said, it's about me. This thing is about me. When he resurrected from the dead in Luke chapter 24, from verse 24, the Bible says that from Moses, talking about Genesis, the books of Moses, all the way to the end, particularly that time, their scripture was the Old Testament, what we call the Old Testament.

It says that beginning at Moses and all the prophets, he expounded to them all, in all scripture, not part scripture, in all scriptures, the things concerning himself.

The scriptures are about him. And verse, I think there's 45 there. Then he opened their understanding that they might understand the scriptures. And then they knew. Verse 45.

[17:00] Then he opened their understanding that they might comprehend the scriptures. Look at the next verse. Then they said, thus it is written, written, and that it was necessary for their Christ.

They began to understand their Christ. How can you know their Christ without their scriptures? I'm trying to make a case against all those who claim they are Christians, but they say, I can't take everything in the Bible.

We can't distance ourselves from our message so that we can look nice. Some people have stopped and have hidden preachers.

We have hidden and marginalized the wrath of God so we can attract more people to Jesus. So we are trying to, God is not angry. Don't worry. God is not angry. Come, come, come.

Come just as you are, God. Don't come just as you are. Repent! Amen! Amen! Amen! Amen! Amen! Amen! Amen! Amen! Amen! Amen! Amen! Amen! Amen! Amen! Amen! Amen!

[17:57] I'm glad some of you are hearing things that you will not hear normally in our times, but you have to hear. I'm talking to Christians. All right, let's go on this hell issue again.

Back to hell. So, what are the alternative views on hell people give? Number one, people say you make hell right here in this life.

Yeah. So people say there's no hell anywhere. Hell is the challenges and the troubles. That's hell. So hell is just a philosophical ideology. The reality is what you go through. So when people, sometimes people, if God will punish them, he let them go through hell. Come on, that's not, that's not true. Because there are people who you know should be, should be going through hell, who actually look like they are in heaven on earth. Wicked people. Wicked people, they live luxuriously. And there are people who you know should, should be living more favorably, comfortably on earth who are going through so much you don't understand. So what you go on earth, what you go through on earth is not the hell Jesus spoke about. Because he said, don't be afraid of the one who will kill your body. So after you are dead, you are gone. Natural life is gone.

So that cannot be the hell Jesus is talking about. Does that make sense? So number one objective, number one alternative view of hell is debunked. Number two, this is a big one, is called annihilationism.

To annihilate. You know what it means? You should know that. To annihilate. Get wiped out. Okay. So people believe in, and this is very important. I'm now going to theological, stronger theological matters on health, on hell. People believe in annihilationism. Means that you have been scrapped. Once you die, God destroys you. It's like, you are done. It's like the way maybe a car is taken to scrapyard and scrap. It seems to exist. People believe in that. So people say this, Matthew 10, 28. Watch this. This is very important. This is very important to understand.

[20:10] Matthew 10, 28. Both, you see, this word, this word, what word is this? One more time, please. Louder, please. Destroy. Destroy.

So it says that God is able to destroy both your soul. So this point, they stand on this to say that once you die and God is going to deal with you hell, it's just annihilation. It just caps you, destroys your world. You don't exist anymore. That's very important. But the problem there is that the Greek word translated destroy, I'll come to that. I'll come to that. I'll talk about that a little bit more. So I'll leave that and let me go to the third point. So annihilationism means that when you die, you cease to exist. When God is punishing you, you cease to exist. The next point is that, the next view is universalism. Universalism. Universalism is very interesting. They believe that everybody eventually will end up in heaven. Everybody. Because God cares about everybody.

So universalism means that maybe God can punish you just a little while from about one month or two months or something. But eventually, everybody will go to heaven.

That's universalism. And watch this. Many, many Christian organizations, churches, more believe in nowadays believe more in this. It's because of the humanist ideology that has invaded our generation.

That the earth and human beings are more important than any other thing in life. Are more important than God. So God owes human beings the protection. And so there are people who are supposed, who believe they are Christians, but their focus is more human beings. Human beings are more important.

[22 : 10] Yes, human beings are important. But no more important than the purpose of God. You are here because God has a purpose for you. You are not here because you, God sent you here to come and honor you and come and worship you. You are here on assignment. And after you die, then you have to give an account.

So anyway, the universalism means that they even teach the universal brotherhood. We are all the sons of God.

We are all creation, including the animals. We are all, one day we are all going to live in peace together. And everything is going to be nice. God doesn't have to judge anybody. Are you listening? Some of you are sleeping.

But I don't care. I'll preach anyway. Make sure you go to the right place after us, after you die. All right. And then the third, the fourth view. So the first view, what's the first view?

Hell is wherever you are on this earth, what you make of. What's the second view? Annihilationism. The third view? The fourth view is inclusivism. Selective inclusivism, you can put it like. Inclusive.

[23 : 26] Now, that means that God will not exclude everybody. He will only exclude those who heard the gospel and didn't believe. So people who have never heard the gospel before, who died, God will include them. Come.

Yeah. These things sound very nice and wonderful. But it cannot be supported and endorsed by scripture. So inclusivism. You don't... Listen, listen.

Why do you say it cannot be supported and endorsed? There's only one... There are many ways to hell. I said it last week. What are some of the ways to hell? Any sin. So that sin of what? Fornication or what?

You know. Stealing. What? Pornography. No, that one we can't say. Too many people feel bad. Gossip. Pride. Being Hitler's assistant. Being a nice person who is helping people in your community, but full of pride.

[24 : 36] You see, so there's an old English axiom that the road to hell is paved with good intentions. So you have...

Most people want to be born again, but, you know, I intend to do it one day. I'll do your good intentions. The road to hell is paved with good intentions. So then sin sends us to hell.

Which sin? There are about 120 sins mentioned in the Bible. That makes people potential candidates of hell. So there are many... Can you imagine in the New Testament there are over 120 routes to hell?

I don't know which one you want to use, but... Say, God forbid. God forbid. But watch this. There is only one way to heaven or out of hell, which is...

For God so loved the world that he gave his only begotten son that whosoever... Watch this. Beliefs in him should not perish. Conditional. That's it. You are not perishing. It's subject to you believing.

[25 : 39] Is this what you... Okay, how about Abraham? Abraham believed. All those who were saved in the Old Testament were saved only one way, through Christ. They believed in advance.

And we are believing on credit. We have been forgiven on credit. All right. So once you believe in him, it takes care of your... In him, it takes care of your sins in the past and everything.

So the cross... I explained this. The cross is in the middle of the ages. Before the cross, all those who were before the cross... Look to the cross to be saved.

All those of us who are after the cross... Look to the cross for our salvation. The cross is the defining factor. But it's not fair.

You see, you're talking about fairness. Don't... See, don't reason with God. God has in his own wisdom... He knows how he will save. And if God is judging humanity for our sins...

[26 : 35] He's not done anything wrong. Because we actually deserve hell. Oh, yes. See, that's what people come to church... And they are... I said it on Thursday. You are complaining so much about church.

You are forgotten how God has forgiven your sins... And you are not going to hell. And you are picking on the usher... And you are so upset about usher... Every time making so much issue about church usher...

When you have been forgiving your sins... And even after your major forgiveness... There are still a lot of little, little, little, little... Servicing of sins. Servicing of sins. Servicing of sins.

Servicing of sins. Servicing of sins. Servicing of sins. Only God knows where you have been within the past seven days. There are things... There are things that have happened which nobody knows. But it's not... It's... You should be thinking about how he will forgive you.

Instead of thinking about what others have done against you. So, there's only one way to be saved... And that is through Jesus Christ our Savior. Let me pick on the annihilationism.

[27 : 35] When Matthew chapter 8... 10 verse 28... Talks about how he will destroy. That Greek word destroy is... Apolomi. Apolomi.

Used 80 times in the New Testament. Listen to this very carefully. 80 times. And every single time... It was not translated... Destroy. There are times...

It is translated like... Harold... Wanted to destroy the child. Matthew chapter 2 verse 13. When Herod... The angel said...

Take the child away. Because a rice... Take the flea... And bring... Herod will seek the young child to destroy. That word destroy. It's not to annihilate. It's just to murder.

So, murder was translated... Destroy. There. Okay. But it means... He wants to murder the child. In other places... Bible talks about how... Jesus Christ and his disciples...

[28 : 30] They were on the boat... In Matthew chapter 8 verse 25. And they started screaming...

Oh Lord! Oh Lord! Disciples came to him... And he said that... Lord save us. We perish. That word perish...

Is the Apolomi. We are... We are... We are drowning. Drowning. So, if you take it... As annihilation... You're wrong. Because many times... It was used.

Sometimes it's... It's meant drowning. Other times murder. Other times ruin. When he says that... You put old wine... In new wineskin... You will ruin it. The ruin...

It's the same... Apolomi. It will be ruined. So, when he says that... God is able to destroy you... It doesn't mean to annihilate you... But it means to... Render you useless... And exert punishment on you.

You will suffer... Under the justice of God. And when... Luke chapter 15... He talks about... The lost sheep. The lost coin. Okay. And the lost son. All the way lost.

[29 : 26] Is the same required. So, you can't use one... To refute... To... It doesn't mean...

Annihilation. Am I communicating to somebody? Jesus said that...

You are using... You are eating bread that perish. John chapter 6 verse 27. Bread that perishes.

That word perish there... Is the same word... In John 17 chapter 12...

I quoted it earlier on. The son of perdition. I didn't quote it earlier on. Jesus Christ... Judas is called... The son of perdition. The word perdition... The son of destruction. Or the one who is meant for destruction.

It's not... Jesus says... When Judas died... He wasn't annihilated. But Jesus said... He went to where he belongs. Alright. He went to his own place. So, it doesn't mean...

Annihilation. How about... Acts chapter 8 verse 20... When Peter told... The Simon the social... That may your money... Perish with you. Peter said... Your money... The word perish...

[30 : 22] Is the same word. Not your money is annihilated. So, when he said that... You will perish in hell... It's not meaning that... You will cease to exist. Does that make sense? So, those who... Make a case for annihilation... Are grossly mistaken. And I want to... Give you many more ones. But there's another word... In the New Testament... Used in 2 Timothy... 2 Timothy... 2 Timothy... Sorry... 2 Thessalonians chapter 1... Verse 9. 2 Thessalonians chapter 1... Verse 9. It says that... You shall... These... These... Shall be punished... With everlasting destruction... From the presence of... From the presence of the Lord... And from the glory of Him. They shall be punished... With everlasting... What? Distraction. The Greek word translated... That distraction... Is not the same as Apulom... In this one... Alekteros... Which also means distraction. You know... [31 : 14] So, when God is going to say... That those who... Will not believe in Jesus... They will be punished... With everlasting destruction... That distraction... Is not like annihilation... But it's... An everlasting...

No, look at... 2 Corinthians 5.5... Look at 2 Corinthians 5.5... You need to see that one... I think that will help... 2 Corinthians 5.5... Now... He who... Has prepared us... For this same thing... I'm sorry... 1 Corinthians... I am so sorry... Please forgive me... 1 Corinthians... Deliver such a one... A brother who is in the church... Who is still... Who is sinning... In this Corinthian church... There was a guy... There was a... In the Corinthian church... There was a guy... There was a guy... There was a guy... He said... [32 : 08] Watch this... In the church of Corinth... Do you know what was happening? No... They take you off the screen... What was happening... In the church of Corinth... Is that... Sexual promiscuity... Because the Corinthians... They used to... Religion was for... Sex... The Corinthians... Their religion... Was very... So people were just... Sleeping around... You go to the temple... For worship... There are temple prostitutes... Waiting... Yeah... For session... Yeah... Some of you are wishing you... Yeah... Somebody say... Ah... We go to church... We will not miss any service... So... Their worship... Was mixed with... All kinds of practices... And rituals... [33 : 04] And... Core of it was... Sexuality... Like Satanism... They do a lot of... All those things... Oh... Usually... Every idolatry goes with... Sexual immorality... So... Then they become born again... And they come to church... They are fiery... But... Their worldview is... Worship... And... Having sex with anybody... Like... Go together... And Paul has taught them... But that's why he wrote... That if you speak in tongues... And you don't have love... You are sounding... You have to read the book of Corinthians... That's why he said... Don't you know... Here's the fornication... You are sinning against your body... He's dead... Because Corinthians... Had an issue of... A lot of moral issues... And then... In 1 Corinthians... It says that... From verse 1... Chapter 5 from verse 1... It talks about how... There are... Immoralities amongst you... It is reported... Sometimes you need somebody to report... It is reported that... That there is sexual immorality... [33 : 57] Amongst you... And such... Sexual immorality... As is not even named... Amongst Gentiles... That a man should have... His father's wife... In church... He may be a prayer warrior... Or a praise and worship leader... Or... I mean... Usher... And he's... He's sleeping with his father's wife... I mean... The nice of you... And Paul said... What's going on here? Go to the... And it's publicly known... And it's okay... Yeah... And you are puffed up... And have not rather mourned... That he who has done this deed... Might be taken away from amongst you... Yeah... Yeah... You are puffed up... Yeah... You are fine... Oh, it doesn't matter... We are all... God is still with us... You know... You're breaking through... No... Look at the verse 3... For indeed... I'm absent in the body... But present with the already judge... Verse 4... In the name of the Lord Jesus Christ... When you are... You gather... When you gather together... Along with my spirit... With the power of the Lord Jesus Christ... [34 : 51] Go to the next verse... That's where we're... Deliver such one to Satan... Is this in the Bible? Excuse me... Let's get the context right...

This is not socialism... Or social gathering... Or a club... It's talking about... A church... A local church... Alright... The local church setting... He said...

When you come together... Deliver such a one... For the destruction of his flesh... That his spirit might be saved... In the day of... So the guy is born again... Yeah... But he has... He won't stop this thing... He won't stop this... I mean... And what he's doing... Is too bad... It's... It's... Pernicious... Against the image of the church...

So he says that... Get... Deliver him... For the destruction of his flesh... His body... That his spirit might be saved... In the church...

[35 : 47] Can we practice this? No, we can't... So... Now... He said... For the destruction of the body... That word... The destruction of the body... Is... The same word... As... Was used in... First... Second Thessalonians... No... Apollome... But... Alethros... Alethros... That's a Greek word... Alethros... Second Thessalonians... Chapter 1... Verse 9... It talks about... It says that... This shall be punished... With everlasting destruction... Do you understand that? So that destruction of the body... If it is annihilation... He wouldn't have said that... The guy should be annihilated...

Yeah... So you save the soul... So he's not annihilated... So those annihilationists... Who purports... That... When you die... And you go to hell... You will be... Dealt with... Annihilated... It's wrong... You won't be annihilated... Why? Because... It is called... Everlasting destruction... Matthew chapter 5... Verse 26...

[36 : 40] 46... Matthew 5... 46... It says that... For... Sorry... Matthew chapter 25... Please forgive me... 25... 46... 46... And all these will go away...

Into everlasting... What? Punishment... But the righteous... What? Eternal life... If there is no everlasting... Give me King James...

Give me King James please... Okay... So everlasting... Punishment... And eternal life... If there is no everlasting... Punishment... If hell... Is not everlasting... Then heaven is also not everlasting... In... In... Daniel chapter 12... Verse 2... It spoke about how... 12... Verse 2... Many of them... Many of them that sleep... In the dust of the earth... Shall awake... Some to what? Everlasting life... And... And some to shame... And everlasting contempt...

[37 : 33] So if... Life... Everlasting life... Meaning... Living... Forever... Then... Everlasting contempt... Or destruction... Also means... Being destroyed forever...

Now that... That begs... A very important question... Before I do that... I just want to underscore... One or two points... To let you know that... Hell... Is everlasting... Perpetual... Not... Matthew chapter 3... Verse... 20... Thank you Jesus... Is somebody learning something? Yes... Matthew chapter 3... Verse 12... Did I go there? It says... Whose... Whose... Fund is innocent...

And he will thoroughly... Purge his floor... And gather the wheat in the ground... But he will burn up the chaff... With unquenchable... The fire is never quenchable... In Mark chapter 9...

[38 : 33] Verse 44... 46... And 48... Mark 9... Where they are... When... Let's go to 43... So it makes sense... 43... If... I was reading... I don't think I finished this...

Cut it off... It's better for you... For thee... To enter into life... Men... Than have... Two hands... To go to hell... Go into hell... Do you see that?

Go into hell... Into the fire... That never shall be quenched... It's an everlasting... The fire of hell... The nature of the fire... Is everlasting... Verse 44...

Where their worm died not... And their fire not quenched... 46... 46... Where their worm died not... And their fire not quenched... 48... Let's read 48 together... Where their worm died not... To the fire... And it's... It's interesting that this is from the mouth of Jesus...

[39 : 28] Jesus is talking about this... Jesus is talking about this... See... So... What I'm trying to say is that... The nature of hell... Is everlasting...

It's not like you burn once and stop... That begs the question... God... Is God so mean... That... This is very important... This is very important...

That in your short lifetime... Maybe even for the first... 15 years of your life... You were such a good person... But it's when you joined the guys... At college...

And then you became a bad guy... And now you did some wild things... And... Murdered... And murdered... People's children in their womb... Or you murdered your own baby...

Or something like that... You did all kinds of things... And... You died at the age of 30... So 15 years of bad behavior...

[40 : 23] And even that... Not every day... Why will God... Throw you into hell... Where the fires don't quench... And the punishment is constant...

Every day... 24-7... There will not be 24-7... Just one... There's no time... Timelessly... Punishing... And Bible... I'm going to describe the nature of hell... Bible says that...

After darkness... There will be nashing of teeth... There will be torture... There will be torment... Sulfur... Brimstone... Fire... Pain... Grief... Is there... All that...

You go through all this... For this small... It's not proportional... How can God be so mean... And punish... You... So severely...

For the little sin... You committed... When you go to hell... Do you want to know the answer? Do you want to know the answer? Do you want to know the answer?

[41 : 18] The answer is... Yes... Hell is permanent... And perpetual... And once you enter... That's it... You start suffering... Like that... Eternally...

You keep saying... I'm enjoying my life here... You go and meet God... Bible says that...

Where the wrath of God... The wrath of God... Is against all unrighteousness... Unrighteousness... Now... Do you know why Jesus... Cried on the cross? My God...

My God... Why have thou forsaken me? The reason why he cried... Is because... According to 2 Corinthians... Chapter 5... Verse 21... He was... Made sin...

Alright... He has made him... To be sin... For us... Who knew no sin... Jesus knew no sin... That we might become... The righteous... So when Jesus was on the cross... He was not just... Made a sinner...

[42 : 15] He was sinless... But he became a sin... All the sins... From Adam... And the sins... To the last human being... Whoever will live... All those sins...

Were piled on him... And one of the things... God cannot stand... Is sin... So for the first time... In history... Or in...

In time... For the first time... The first person... Of the Trinity... Father... Was separated...

For Jesus... Or when... In the time... When Jesus was alive... The first time... God was not with him... Was when... Our sin was put on him... When you put... Coal...

In hot water... Like... Sorry... Hot fire... Burning coal... You know... You put normal coal... Dark coal... Wood... In a hot fire... Fireplace...

[43 : 07] It burns... And after a while... It's no more coal... It's fire... So Jesus... He was on the cross... As a human being... But when our sins were put on him... He was made sin... You made him...

To be sin... So when... What was on the cross... Was now our sin... And for the first time... God had to... Separate himself... From our sins... And Jesus Christ...

Felt the separation... And scream... Why have you forsaken me? Father... And that's what killed him... The strain... Of the separation... Is what killed him...

It's not the sword... It's not the beating... It's not the cross... But the strain... That's why he died... Prematurely on the cross... Before they could... Check the others... He was already dead...

Because the strain...

He couldn't take it... Separation with God... Separation with God... Killed Jesus... Now... What's the point here? Once... The sin was put on him...

[44 : 03] Is an eternal wrath... Of God... Anyone who comes... Into Christ... Your sin is put on him... If you don't come... Into Christ... You are responsible... For your own sins... And God is going to punish you...

For your sins... Now... The question here is... Why... Eternal? This is very important... You are saying... The reason why... When you are alive...

You do a lot of things... How many of us... Have done something bad before? And how many of us... Have done something... But... And... You could have even... Ended up doing worse...

But you didn't do it... Because... Of restrictions... Because of... Convenience... Because of guilt... You understand... You would have collected...

Five people's husbands... And not... But you know... Your mom was on your case... How can you do this? How can you do this? And society could... You couldn't... Come on...

[44 : 57] So... Social restrictions... Didn't allow you... To manifest... Your full... Human... Potential of sin... Are you guys...

What I'm saying? Yeah... Laws... Different things... Expectations... You could... So most of us... Would do some bad things... We did it under a lot of restrictions... And even if you had liberty... Still... There was some kind of restriction... Man... Now guess what? This is the point I'm trying to make... This is the point I'm trying to... In Jude... Chapter...

Of your... Jude is one chapter... Verse 7... Jude 7... Hmm... Now... Even Sodom... Even as Sodom and Gomorrah... And the cities... About them... In like manner... Giving themselves over to fornication... And going after strange flesh... Are set forth for an example...

[45 : 53] Suffering the vengeance... Of eternal... What is the nature of the fire? Eternal fire... Reading down... Look at verse 15... Watch this... This is an interesting one...

Verse 15 talks about... To execute... This eternal fire... The purpose is to execute... Judgment upon all... And to convince all... That are...

Ungodly... Say ungodly... Ungodly... So the punishment is for... After everything... Those who are ungodly... Will be put... Let's say... You are godly in Jesus name...

Amen... Are put here... And now... The punishment is on... The ungodly... But why are you saying... They are ungodly... At the time they are being punished... They are being punished... As the ungodly...

Hello... Said... To execute... To execute judgment... Upon all... And to convince all... That are ungodly... Amongst all... They are what?

[46 : 47] Ungodly deeds... Ungodly deeds... Ungodly deeds... Are you counting the number of... Ungodly deeds... Which they have... Ungodly committed... And of all their... Hard speeches...

Which... Ungodly sinners... Have spoken against it... So when they were living... They were ungodly... Ungodly... Ungodly... When they are being punished... They are being punished...

As the ungodly... But when you are in your lifetime... Because of God's conscience... Conscience... God puts in you... And different things... You are so restricted... You can't really... Exhibit your full... Ungodly rebellion... But when you die... In hell... Bible says... Away from the presence of God... So God removes... All the restrictions... And now... You are full...

Blown... Rebellious... Creature... So people who don't... Believe God... On earth... Won't believe Him... After earth... People who rebel... Against God...

[47 : 40] On earth... Will not stop... Rebelling... As soon as... They are out of here... All restrictions... Are removed... All reservations... Are removed... And now... They begin to manifest...

Rebellion... To their fullest extent... So what does that mean? Your sins on earth... Which are being punished... Cannot even catch up... With your... Rebellious nature... Eternally...

You will never cease... Being rebellious... So that make... Warrants... The eternal nature... Of your punishment... Because... People go to hell...

Because they are ungodly... People go to hell... Watch this... This is important... Because of that... They are rebellion... Against God... And when you rebel...

Against God on earth... When you die... It's worse... And so... Now that you are dead... The punishment of God... Will be chasing you... Will be after you...

[48 : 33] And you will never end... Because you are... Wild... Wild... Wild... Wild... Wild... Wild... Wild... Wild... This thing is serious... It's very serious...

So you don't give your life... To Christ on earth... As soon as you die... The restoration is taking off... Yeah... When you die... You are free... To manifest... Who you have always been... The ungodly self...

You are now going to manifest it... To its fullest... And God... Will punish... The ungodly... Thank you... God...

So when they say... It's going to be a short time... Because somebody's short time... In fact... When you die... Your sin is worse... Because you are now... A full rebel... If you didn't believe... In Christ on earth...

You won't believe in him... After you die... If you rebelled against Christ... On earth... When you die... You even... The rebellion... Rebellion will be... More...

[49 : 28] More... Beaucoup de rebellion... Hallelujah...

You can't say amen to... Amen... Oh man... I have to end here... I wanted to give you the...

Yeah... I think... Let me... Let me... End here... Oh... Let me mention this... And next week... I'll continue... I think I have to mention this... This is very important... I told you... Hell... Who was hell prepared for? So... People say... That hell is not for man... That we have to... Establish that... Hell is not for man... Because Matthew chapter 25... Verse 46... It said... The hell... Is actually a place prepared... God has builders... They work there... It prepared... It prepared... All this... [50 : 24] Matthew 25... Verse 46... Please... All this shall go away... Into everlasting punishment... But... The... Sorry... Verse... 41...

Sorry... Verse 41... Depart from me... Ye cares... Into everlasting fire... Prepared for who? The devil... So... People believe that... It's not human beings... That will go there... It's demons... And the devil... So now... Let's find out... Whether human beings... Will be there too... Because... In fact... In fact... From this text... It said you... The text said... Depart from me... Ye cares... Into... So you are going... Into this everlasting fire... That wasn't prepared for you... It wasn't prepared for you... In Revelation chapter 20... Verse 10... Oh... I like this one... Revelation 20... The devil... That deceiveth them... Was cast into... The lake of fire... [51 : 21] And brimstone... Where the beasts... And the false prophets... False prophets... Are human beings... False prophets... Are human beings... The beast... Is a human... Human personality... The 666... The antichrist... Human personality... Is that the devil... Who deceived... Them... Was cast into... The lake of fire... And brimstone... Where the beasts... And the false prophets... Are... And shall be tormented... How long? Day and night... For how long? Forever... Look at the verse 11... So... Actually... Alright... That's it... Actually... The... The false prophets... If human beings... Wouldn't go there... Why is the Bible... Talking about false prophets? Revelation chapter 14... Verse 9... 10... 11... [52 : 14] That's one... Very worrying... The third angel... Followed them... Saying with a loud voice... If any man... Worship the beast... And his image... And receive his... Mark on his forehead... And his... In his... On his... Hand... The beast... The map of the beast... You see... What is going to happen... I think one day... I didn't ever finish... I only did Revelation chapter 1... 2... 3... And last year... The whole of last year... Was our year of Revelation... And I was teaching from Revelation... How could only do Revelations 1... 2... And 3... But there's more... In Revelations... Now... There's going to come... The tribulation... And the Antichrist... Is going to be ruling... And for you to be able to buy and sell... You need a special card... And a special... N.I. number... A chip... And that chip will not be in your pocket... But it will be... [53 : 09] Inserted in your body... So you go to the shop... As that... You... Everything you pick... Your chip is just taking it and go... You don't use money again... But that tells... Everywhere you have been... Where you are... Whether you are asleep... Like the way the... Fitbits can tell... How much you have worked... Everything will monitor your life... And that sign... That... That... That inscription... Is the sign of the beast... If you don't receive it... You can't buy and sell... Like you want to buy a house... You need to have some credit history... Yes... Like you... You need a credit card... You know... For them to see that you pay... Or something... Before they give you some loan... Yeah... Some of you... Would you have had... Like Pastor... Would you have had a credit card... But when we went to buy a house... Years ago... They said... No... You need to get a credit card... So after a few months... We can see that you... Just for your name to be in the credit system... So we went for it... So let's say... You don't believe in credit card... You have to buy cash... Do you understand what I'm saying? And so there are systems... [54 : 02] There are systems... A time is coming... When you have been parking your car... You don't need coins anymore... Now it's a lot of places... You just call... App is changing everything...

Now everything is going to be on the app... You are going to Heathrow... Or going to the airport... Flying... You check in on the app... You do everything... You book on the... You can't sit in church... And instead of reading your Bible... Be on the app...

The point here is that... If you say no... You will be exempted from a lot of benefits... If you receive it... That means that you have accepted his lordship... Now those who receive the lordship of the Antichrist...

Now that's what is saying... What's going to happen to them... Verse 9 again... And the angel said... Saying with a loud voice... If any man worship the beast and his image... And receive the mark in his forehead...

Or his hand... Or in his hand... The same shall drink of the wine of God's wrath... The wrath of God... It's like wine... You drink it...

[54 : 58] The same shall drink it... Which is poured out without mixture... Into the cup of his indignation... And he shall be tormented... And he shall be tormented... Tormented with fire and brimstone...

In the presence of the holy angels... And in the presence of the lamb... This one who received the mark of the beast... God's wrath will come and torment you... When it comes to the hell time... Now look at the next verse... Look at the next... And the smoke of the atonement... Ascend up forever and ever... And they have no rest...

Day nor night... Who worship the beast and his image... And whoever received the mark of his name... This is talking about human beings... So those who say hell is only for demons...

Human beings were also featured... It wasn't prepared for human beings... So why don't you care... Not going there... It's a choice...

[55 : 56] It's a choice... How many of you are not going to go there? You don't go there just by raising hands...

By accepting the Lordship of Jesus Christ... That's how you avoid going there... Let me add this last scripture... There are so many scriptures...

But let me add this... We were ready earlier on... But I think we need to just read... Second Thessalonians chapter... Oh this is good... Thank you Holy Spirit... Somebody say thank you Holy Spirit... Thank you Holy Spirit... Are you learning something?

Yes... We have to understand this whole thing about hell... Most of us... Have heard about coming about it... When I die... Whether I'm going or not...

Well... Coming about it... But you have to prepare... What did I say? You have to prepare... Which scripture did I quote? Second Thessalonians 1...

[56 : 52] Are you sure? Second Thessalonians chapter 1... I think I'll prefer to read from the verse 7... So that...

Second Thessalonians chapter 1 verse 7... So that ye were... Ensembled to all... Alright... Verse 8... From you sounded out the word of the Lord...

Not only in Macedonia... And in Achaia... But also in every place... Please forgive me... Forgive me... I'm...

That's verse 7... To you... Verse 7... Second Thessalonians... I'm sorry about that... Please... And to you... Who are troubled... Rest with us... When the Lord Jesus...

When the Lord Jesus shall be revealed from heaven... With his mighty angels... In flaming fire... Taking vengeance on them... That... Listen to this... Them that know not God...

[57 : 45] And that obey not the gospel of our Lord Jesus Christ... When he appears... He's coming to take vengeance on those who don't know God... Two categories of people... And those who do not obey the gospel of our Lord Jesus Christ...

Let people do what they want to do... There's a day of reckoning coming... Let people do what they want to do... Let them change laws... I say it's my body...

I want to do what I want... Well... Excuse me... What has somebody who died some years ago...

Got to do with my life... I'm not interested in all this stuff... Let them live their life... Bible says that... As it was in the days of Sodom and Gomorrah... Sorry... In the days of Noah... In Luke... I tell you I

won't quote the scripture... But I like quoting scripture... So those of you... You don't know where to read when you go home...

Luke chapter 17... It says... Verse 25... It said... As it was... It said... Verse 26... Verse 26... As it was in the days of Noah...

[58 : 40] So shall it be in the days of the Son of Man... What is unique about those days... Watch this... Verse 27... Quick please... They did eat and drank...

They married wives... They were given in marriage... Until the day Noah entered the ark... And the flood came and destroyed them all... Noah warned them... Told them... There is a day coming... Warned them... Told them... There is a day coming... Warned them... Told them... Change... Repent... They won't listen... And Jesus says that... The way it was in the days of Noah... It will be the same...

Preachers will be preaching... And people will not listen... They won't listen... They will still go for the girls... In church... Yeah... Their brother... He will listen... They will listen...

People will not listen... You love your boyfriend so much... You love your girlfriend so much... You don't care what God has got to say... You are having fun...

[59 : 36] You are having fun... Hey... Sister... You are having fun... Hey... Brother... You are... You are... But no, no, no...

Please... Live your life... But I am just telling you... So you cannot say... I did not know... You cannot say... Before God... Oh Lord... Give me another chance...

Jesus spoke... Jesus spoke about the story... Jesus spoke about the story... Look... Look... Look... Look chapter 16... Look chapter 16... Jesus spoke about... Jesus spoke about the story...

Of Lazarus... Lazarus and the rich man... The rich man went to hell... When he died... He went to hell... When he died... He went to hell... Riches could not save him... He went to hell...

When he died... The rich man went to hell... When he died... He went to hell... Jesus told this story... Yeah... Yeah... And there he was in torment... Yeah... The description of hell...

[60 : 31] Yeah... There he was in torment... Yeah... Being tormented... Seeing... You can see heaven... Those in heaven won't see you... But you will see them... It's like when you are walking in darkness... And there are people in the room...

Having party... You can see in the window... Oh man... Oh yeah... He saw... A firebrand Lazarus in his bosom...

He said... I need water... That tells you... There will be tests... There is a place of tests... Cried... Father Abraham... Miss you... He said... Lazarus... To dip his finger... In water...

And cool my tongue... For I am tormented... In the flames... Oh... Only small bits of water drop... I need it... He said... No... No... We can't come over you... Because we don't have what it takes...

He said... He said... In your lifetime... You received the good things... And likewise... Lazarus... Evil thin... But now he is comforted... And thou art tormented...

[61 : 26] The next verse... Watch this... I want to show you something... And besides all things... Between us and you... There is a great God fix... So that... They which would pass from hence to you... Cannot...

We can't come there... Neither can... They pass to us... That will come from then... Now watch this... The next verse... Verse 27... Then he said... I pray thee...

Father... Send... That would... That would send him... To my father's house... What's about your father's house? For I have five brothers... That they may...

He may testify to them... That they may not come to this place... You see... I want to draw attention to something... The next verse... Look at this... Abraham said... They have Moses... And the prophets...

When you read the Bible... And come across... Moses and the prophets... Meaning the scriptures... Okay... People can come from hell... It will not make you born again... Outside of the scriptures...

[62 : 20] Being a Christian... Can never happen... Outside of scriptures... So he said... Instead of wanting some... Serious miracles...

He said... No... Let them give attention to the word... If they won't believe the word... Doesn't matter what... If they will not change... Because of the word... Miracles will not change them... Exactly... That's what he said...

Let them hear them... Look at it... Is it the last verse? Yeah... And he said... No... Father Abraham... But if someone... Went unto them... From the dead... They will believe...

They will repent... They will... That's serious... Father Abraham... What did he say? What did Father Abraham say? And he said... If they hear not Moses... And the prophet... Neither will they... Be persuaded... Though one rose from the dead...

And went... The word of God... Is what changes people... A message from hell... Maybe there's a former boyfriend... Former girlfriend...

[63 : 17] He said... Please tell her... For me... Tell him for me... I'm tormented here... Please tell him... To change... Tell him to give his life to Christ... Please... Please I beg you... I wish I could send a letter...

Myself... Or email... I don't have a phone... I would have sent a whatsapp... Listen... This is whatsapp from hell... Oh...

What a long message... It's a good message... But... Jesus spoke about how... Paul said that... He will punish... Everlasting... Second Thessalonians... That's the last scripture...

I was quoting by... He will punish... Second Thessalonians... Chapter 1... Verse 9... He said... Who shall... Who he shall punish... Everlasting destruction... From the presence... Of the Lord...

And from... The glory of his power... Hell is real... We are candidates... Of heaven... Not because we are... Well behaved... But because we have...

[64 : 13] Put our faith in Jesus Christ... First Thessalonians... 1... 10... It talks about... Jesus Christ... Is the only one... Who can save us from hell... It says that... Who shall come... When he shall come...

To be glorified... In his saints... And to be admired... In all them that believe... Because... A testimony amongst you... So... Well... First Thessalonians... First Thessalonians...

1... 10... Please... First Thessalonians... And to wait for his son... From heaven... Who has... Who he raised from the dead... Even Jesus... Which delivered us...

From the wrath to come... The only way... To escape... Is Jesus... Many ways... To go... But his only way... To escape... For God so loved the world...

That he gave his only begotten son... That whosoever believes in him... Should not perish... But have everlasting life... One day... You stand before the judgment seat of God... And this preaching...

[65 : 08] Will be referred... This message... Will be referred... It will be called up... And what you were thinking... When the message was being preached... Will all be played to you... One day...

One day... For we must all appear... Before the judgment seat of Christ... To give... Accounts of what we have done... Whether good or bad...

In our body... There's a time coming... Please... Repent from your sins... For hell... Is real... Amen... Thank you for listening to this message...
