i can't hear you louder louder the just shall live the just shall walk the just shall live by faith the just shall live by faith the just shall walk by faith the just shall By faith, the judge shall marry.

The judge shall live. The judge shall stay healthy. The judge shall be healed. The judge shall build his house. The judge shall raise his children.

The judge shall run his business. The judge shall grow. The judge shall break through. The judge shall live by faith.

Someone shout by faith. The just shall live by faith. So any compromise on your faith is compromising on your living so long as God is concerned.

[ 5 : 0 6 ] It is popularly said, though erroneous, it is popularly said that heaven helps those who help themselves.

It is wrong. Heaven helps those who believe. A man had a problem. And he came to Jesus. His son actually was not well.

He was demon possessed, according to Mark chapter 9. And he came to Jesus and said to Jesus, Lord, this spirit comes upon him since he was a child and oftentimes tries to throw him in fire and to destroy his life.

But if you are able, please make him home. Mark chapter 9, verse 21, 22, 23.

Verse 21. So he asked the father, how long has this been happening? And the father says, from childhood.

[ 6 : 05 ] Verse 22. And often it has thrown him both into the fire and into water to destroy him. Demons are wicked. Let's all say demons are wicked. Demons are wicked.

You don't negotiate with demons. You cast them out. You don't say, oh, Seta, please. You understand. I'm just a young man. I'm just a young man. You know, I'm an orphan.

No. His assignment is to steal from you, to kill you and to destroy. And until your nose is meant to breathe and to smell.

If you try to drink water through your nose, what will happen? It will work. So if you want Satan to have mercy on your jets, it's like trying to drink water from your nose or through your nose or your eyes or your ears.

Your ears is meant to hear. Satan's job is to destroy, is to steal. Is to steal the peace from your marriage. Is to kill your marriage and destroy any prospect of marriage.

[ 7 : 09 ] He is to steal, to kill and destroy. And so the devil said, he throws him, this little boy, demon comes on him and throws him into often times into fire and other times into water with water gender to try and destroy the boy.

But this is my point here. But the man said, but if you, Jesus, if you can do anything, have compassion on us and help us.

He said to Jesus, Jesus, if you can do something, please do it. Have mercy on us and help us. You know Jesus' response? He said, if I can do. No, it's not about what God can do.

What is it about? Let's read it. Let's read it. Let's go. It looks like some of you are very hungry this morning. Let's read it. Let's go.

One more time. Let's read from the all.

[ 8 : 14 ] Louder. Louder. Can I hear the ladies? Can I hear the gentlemen?

All things are possible. All right. Shall we all read it? All things are possible to him. Not all things are possible just for God.

If you can believe, you will get what God can give. So the man came making noise. God, if you want to. Those of you who have been praying, Lord, if you are powerful, if you can, please do something. Oh, God, please. Don't go begging God. Please, please, please. Believe God. God. You are saying, God, please. He's also saying, would you believe? Lord, please.

Would you believe? Lord, please. Would you believe? When it comes to God, your faith determines your rating. Your faith. I'm not talking about ideas.

[ 9 : 15 ] So many of us have got all kinds of ideas about God. Ideas about God. What God is like. This morning in the prayer meeting.

I was sharing with them that. You see, pastor. I said, God desires to be desired. He wants to be desired. Jesus never went.

He didn't. Jesus didn't go to where he was wanted. Where he was needed. He went where he was wanted. All right. If God, if he's real God, then he should do something about it.

He won't do anything about it. He doesn't change his status. He doesn't change his status. I was sharing this morning. God desires for us to believe in him. He desires for us to want him.

And so, God reacts and responds to your hunger and your thirst for him. Anyone who hungers and thirsts after God, you attract God.

[ 10 : 14 ] So, if God will do anything for you, it largely depends on you. Hello. Hi. I know some of you might have never heard this before.

I repeat it. If God will do anything for you, it largely depends on you. Not on a prophet.

Not on a preacher. Not on the state of your miserableness. If God is good, why are people suffering?

Some people get upset. Why? Why did God allow this to happen to me when I was a child? Why? Why? If there's God, why are people suffering? Why? Why? Why?

Why? Why? You keep asking that question. Don't think quickly and see how you can move forward with that. You can keep asking that question. It doesn't change the status of God. Does it change the weather? No, it doesn't change the weather. The truth is that he was where he was when you were stealing money from your mother's back and he didn't do anything about it.

[ 11 : 21 ] Oh, but I was just stealing. He was where he was when you were lying against your friend and your friend was getting into trouble. You knew you were lying, but you lied. And yet he didn't do anything to you.

used not to do some things but it all has to do with the mind as your mind becomes adjusted to some adjusted to some things you can do some things you can wear some things you remember the first time you remember the first time you wore that thing you felt so uncomfortable because a little bit of your cleavage was showing you felt now you're actually removing everything and you are comfortable you know it's not that you are bad conscience something is going wrong circularization America when 9-11 happened they were saying where is God where is God he should have jumped in the plane and and striked the attackers with maybe stroke you see that's the mindset that's the mindset you have about God think he doesn't have anything doing he doesn't have anything they are looking for someone who wants to do bad and then he go and it is that superman mindset when I was a boy I used to like superman when someone is in trouble superman would just fly and then go and save the man and bring him safely to shore and then the bad ones he goes to attack them so most of us think that that's how God is because when they say God is good you think that he's just there doesn't have anything doing he's waiting for someone to be in trouble then you go then he brings that's not God that's not God most of us who we have been told God what we have been told about God is complete opposite wrong now what you have to know is that

[ 19 : 58 ] God does not react to pain your problems he reacts to your faith the scripture say for God so loved the world that he gave his only begotten son that whosoever is in need that whosoever is stressed that whosoever is so down no listen I admit and I understand that some of our situations we go through can be quite worrying disturbing and saddening and unfortunate but listen God won't get involved until you get him on board take responsibility and get

God on board how do I get God on board no you don't have to do everything right because you can't you know that you try to do a few things right and you are still struggling you don't have to do everything right ah good I wanted to hear that so I can do anything at all I didn't say that I didn't say that what I said was you may still have might you might have still not gotten to the place where you have everything under control so long as behavioral requirements are concerned but Abraham when God wanted to bless Abraham I want to show you why we are the sons of Abraham when God wanted to bless Abraham he didn't ask him to do first he told him and he believed and Bible says because Abraham believed it was accounted to him for right behavior for right doing with God your doing doesn't matter as much as your believing what you believe will determine how far you can go in God that is why you can't afford not to expose yourself to sound teachings that will generate right belief that will put you in the plane of faith because once you are in the plane of faith all things are possible for him that believes if I were you I would shout Lord I believe Lord I believe so Bible says look at how Bible proceeds let me just take you through the scriptures Galatians or Romans let's go to Galatians first let's start with Galatians Galatians chapter 3 verse 1 Galatians chapter 3 verse 1 is that also in the Bible did Bible call some people foolish what did they do for the Bible to describe them as foolish oh foolish Galatians who has bewitched you do you know what it means to bewitch to enchant it's like in the realm of that's right where it's actually enchant being hypnotized you are not aware of yourself it's like there's a word that has jumped out of my mind it's like you are doing things but you are not really under full control so you are being made to do something really if you are in your right senses you probably will not do like someone who is intoxicated not brainwashed so when someone is hypnotized or when someone is enchanted enchants you yes he said who has bewitched you bewitched you that you should not obey the truth before whose eyes

Christ was clearly portrayed amongst you as crucified verse 2 we are going forward this this only I want to learn from you did you receive the spirit by the works of the law or by the hearing of faith have you got the spirit yes how did you receive the spirit is it because you had to look for thou shall not do this thou shall do and then the spirit said because thou shall not do what thou shall not do and thou has done what thou shall do the spirit never worked like that so he says that if you have the spirit you didn't receive the spirit because of the loss you kept but you of the faith you demonstrated so he says that to fall from that plane having begun in the spirit by faith and now continue by works he said it's like you have been bewitched it's like you have been bewitched your first exam in school you passed by learning second one you passed by learning your [ 25 : 42 ] GCSE you passed by learning before you entered the medical school you had to take some exam you passed by learning hard now your medical exam how come you have been passing your exam by learning how come suddenly you want to pass by sitting there and chanting yam yam yam yam yam yam yam what's wrong with you what's wrong with you because you

have gotten this far by applying yourself this way why do you intend to continue that far now by changing the principle so he says that who has bewitched you did you receive the spirit by works of the law by faith by the hearing of faith go to the next verse look at this are you so i know you don't want to hear that but sorry can i read the bible at all are you so foolish having begun in the spirit are you now being made perfect in the flesh i'll explain what it means the spirit and the flesh the spirit is dependence on

God by faith based on what his word has said and the flesh is trying to behave all right trying to tick boxes i've done this i've done this i've done this you know religious people are always looking for what to do right let me show you a sign of a religious person one of the signs of the religion we are all naturally religious okay but you have to be Christian so you don't end up becoming religious a religious person is I am praying everyday but you are not praying I don't like you that's God you go to hell God that's a religious person do you know why he's jealous and he he wants some just one they said I can offer you one if you don't mind and you say oh really oh you later come back what the other religious people they they take it personal when you sin as though you are using their body they can't that's why they can't stand you why why were you stealing why it's not based on morality okay it's just based on the fact that they think stealing is not right and you are stealing so they are upset with you for breaking

God's law that is why they want to kill people and maim them inshallah I'll kill you the devil is a liar you go to hell why is it that if I don't follow your God I have to be your enemy why what kind of God are you trying to follow he should have taught you some common sense maybe he himself lacks common sense what kind of God is it that has to force people to worship him you have to worship me you have to confess if you don't worship I'll cut off your head if you don't worship me I'll kill you you don't deserve to live you are like a dog you are like an animal what kind of dog and can't our politicians see that there's a certain God who is very no it's not the people it's their kind of all right you let me leave it let me leave it all right so religious people take it personal when you don't do what is required of you law law law law and some of you are

Christians here but you are very religious with your attitude towards others judgmental judgmental no no I'm not saying that everything is okay I'm not saying you should be able to say that this is not right this is not good but don't take it personal don't behave like they are using your body to do what is not good why would why must a pastor be take it so personal and be angry with the church member who is not giving offering it's because you are looking for their money not for their faith if you are looking for their money you take it very personal why are you not giving you are ungrateful why are you not giving you are spoiling my church leave people teach them the word believe God with them encourage them let them pursue God it's the work of faith so when you do it based on demands external demands you have shifted into law when you do it based your faith on your faith and your belief confidence in

God's word then that's what God recognizes the work of faith are you so foolish having begun in the spirit are you now being made perfect by the flesh go on the next verse you have suffered many things in vain if indeed it was in vain now verse five watch this therefore he who supplies the spirit to you and works miracles amongst you does he do it by the works of the law or by the hearing of faith so that means that the things that God will do for you is not because of the good boxes you are taking it is not works after the I always tell people you actually don't need the 10 commandments do you know why someone a certain vicar army chaplain army chaplain new recruits normally when the new recruits come normally the Catholics will take their people and then the rest they bundle them and give it to him so you know

[ 31 : 32 ] Catholics always want to be different I don't understand when I meet you we are talking about Christianity you're also talking about you're I'm a Catholic it's because probably you're not a Christian because if you're a Christian let's drop the demarcations let's drop the it's not necessary the denominations and do we all believe in Christ as our Lord and Savior yes we have something in common that's what makes us family not church tradition any church that tells you other churches are not good it's usually cult tell you no other church is good but they are own it's cult it is not godly alright that's just by the way so they ask him and when they come he normally ask them how many of you are Christians and some are confused I'm Christian okay he said alright how many of you are

Christian and he said okay who is a Christian and people begin to wonder yeah actually who is a Christian someone who is baptized then he said the answer they ask normally they say someone who obeys the Ten Commandments okay then he says wow that's fine so anyone who obeys the

Ten Commandments is a Christian how many of you are Christians and still they'll be struggling okay someone will say no no anyone who obeys let's say five of the Ten Commandments you don't need a commandment to please God how explain it how that's blasphemy yes because religion tells you that's what God needs from you that's why a lot of people are trying to run away from God because your hands are too messy you tried didn't you you tried

I don't want to for the again but you kept doing it I don't want to gossip again but you kept doing it I don't want to lie again but you kept doing it I don't want to what I want to forgive I don't want to have bitterness but you kept doing it and the things you don't want to do you keep doing so if God is going to deal with you based on the right you are doing, you are in trouble.

Because you can't really do right throughout. Can you? Can you? You can't. Can you do right throughout? You can't. None of us can. The Bible says that if God should deal with us based on our iniquities, who can stand?

So God did it this way. He himself said, I've given them my love. Pastor, I'm not preaching on new creation. I've given them my law. But the guys are messing up because they can't keep my law. [ 34 : 42 ] So what am I going to do? Me, myself, I'm going to come down as one of them. And fulfill the requirement of the law. Meet it all and get that account.

So I'm going to build a human account of righteousness and put it aside. Anyone who puts his faith in me, then I give him the account. That is what Christianity is about.

Righteousness outside of yourself. You know you didn't do it, but yet God accounts you as righteous. Shout yes. You know you have committed a lot of sins.

And you haven't been able to pay for your sins. Because the wages of sin is dead. And you haven't paid for your sins. And yet, someone died instead of you. Paid for your sins.

And then so you can live instead of him. So you enjoy his righteousness. And when you come to God in his name, God said, you are my son. Amen. So Romans chapter 8, we'll see it this way.

[ 35 : 54 ] Romans chapter 8, verse 4. All right, let's start from verse 3. It says, for what the law. Oh, why am I preaching this? It looks like I'm going away from my message.

But I'll just come back as we end. What the law. Say the law. Please say it louder. You know the law.

There are things the law cannot do. What law are you talking about? The law of God. It is incapable of fulfilling some things in you.

What the law could not do. Could not. The law could not do. In that it was weak through the flesh. Not that the law is not good. The law is good. But when it comes to your flesh, it's weak. It's like you asking me to carry this thing. All the three speakers. Bro.

[ 36 : 50 ] How did they get here? They were carried here. By systems. And one after the other. But one machine can carry everything. And you are asking me to carry this.

It needs to be carried. But I don't have what it takes to carry it. But if I can sit in a forklift. And just press those buttons. So. So.

What the law could not do. In that it was weak through the flesh. Who did? Who did? The law was supposed to do something.

He couldn't do it. God said I will do it myself. God gave law. He said you do it. They couldn't do it. The law must be done. So do it. They couldn't do it. The ten commandments you are chasing. He said do it. But you can't do it.

Do it. You can't do it. You have to do it. You can't do it. God said okay. This law must be done. So me myself. I'm coming to stand in your place. And now do it. What the law could not do. In that it was weak in the flesh. God did by sending his own son.

[ 37 : 47 ] In the likeness of. Not likeness of. Not sinful flesh. But it was like sinful flesh. He had the likeness of sinful flesh. But without the sin of the flesh. In the likeness of sinful flesh.

On the account of sin. Because sin is in us. And someone must be able to deal with this same thing. He condemns sin in the flesh. Go to the next verse. Listen. This is the big thing.

You don't have to miss this. He says that. Why? I can't hear you. Why? You see the spirit that's can't mark it.

So. The righteous. The law has got requirements. And those requirements are righteous. It's not unfair requirements. They are good requirements.

But it cannot be done in you. So God himself fulfilled it through his son. So that if we live by the spirit in him. Put our faith in him. The requirements automatically are fulfilled in us.

[ 38 : 48 ] By the time you are coming to God. God sees you as a righteous person. So Galatians say. Why do you have to start. In faith in Jesus.

From the faith. You started in faith in Jesus Christ. In the spirit. And then certainly. So let's get to Galatians. Oh man. The work of faith.

Are you so foolish. Go to verse 5 please. Verse 5. Verse 5. Therefore. He who supplies the spirit to you. And works miracles amongst you. Does he do it by the works of the law.

Or by the hearing of faith. Go to the next verse. Ah. Just ask Abraham. What did he do? And what happened to him? He didn't do it.

He just believed. And then God credited to him that you are righteous. Your believing is crucial. For what God can do with your life. Or in your life. You are believing.

[ 39 : 47 ] So if the devil has to fight you. He has to fight your belief. If he can paralyze your faith. He has paralyzed your future. Satan can fight against someone who has faith.

He can win. Because your faith. Jesus told them. That be it unto you. According to your faith. The reason why it looks like.

God is not able to help you. Is because your faith is very weak and low. Even if you have one. His faith. This whole thing is a faith issue. Because he says. They just shall live by faith.

Abraham believed God. And God accounted it to him for righteousness. He didn't do anything. Righteousness means. You have done everything right. You've done.

That's right behavior. Right way of doing things. He believed. And God accounted it to him. For righteousness. Verse 8 of Galatians chapter 3. Did we read verse 7?

[ 40 : 50 ] Let's go to verse 7. Sorry. Therefore. Shall we all read the out loud? Is it okay? Let's read. Let's go. Therefore. Know that only those who are of faith.

Are sons of Abraham. One more time. Therefore. Know that only those who are of faith. Are sons of Abraham. Why? Because he got his righteousness.

By faith. So if he says. I'm blessing you and your sons. Or your seed. Anyone. Who falls in the category. Of the blessing God gave to Abraham.

They must also do it. The way Abraham did it. According to John chapter 8. Verse 39. Jesus said. If Abraham were your father. You would do the works of Abraham.

He answered and said. The answer is that Abraham's father. Jesus said. If Abraham. If you were Abraham's children. You would do the works of Abraham. What was the works of Abraham?

[ 41 : 48 ] Faith. Abraham believed. Faith. And it was accounted to him. For faith. So he said. Therefore. Those who are of faith.

Only. He said. Therefore. Verse 7. Please. Verse 7. Therefore. Know that. Only those who are of faith. Are the sons.

Are sons of Abraham. Do I have some sons of Abraham here? Alright. Why do I have to be the son of Abraham? So that you can inherit. We are talking about inheritance.

Because. Inheritance belongs to sons. You don't have my father's DNA. That's why you don't look like me. But when you have the DNA. You. When you have my father's DNA.

You will be called. Ainty. You see what I'm talking about?

[ 42 : 46 ] It's about sonship. It's a. How many of you would like to be the next. King of England. Or queen. Why? You don't want it. Why? You'll be wasting your time.

Because it won't happen. Maybe you can stand for it. But how many of you. Do you believe that. If you are not too old. You believe you can become a prime minister. You can.

But you don't believe you can become a prince. Or a king. Because that one is by birth. You are not voted into power. You are born into it. You are born.

In the same way. To inherit the blessing of Abraham. You must be born into it. The blessing God gave to Abraham. Was to Abraham and sons.

Was to Abraham and sons. That's why when they do some business. They said. Michael Jackson and sons. The business is called Thompson and sons.

[ 43 : 44 ] You are also not a son of Thompson. But you are claiming inheritance. What's the problem? The blessing is called. Abraham and sons. Blessings incorporated.

For you to be a shareholder. And a bona fide. A. Of that incorporation. Or that company. You have to be of faith.

Once you are of faith. He said that. Only those who are of faith. Are the sons of Abraham. Do I have someone who has faith? Shad faith.

So this whole church, church, church thing. Church, church thing. Most of you think about music, dancing. And you are. They don't know what you are talking about. They don't know what you are talking about. It's about faith in God.

And God manifested his power in your life. So when people say. Where is God? Where is God? They will look at you carefully. And they will see that. No.

[ 44 : 45 ] There is a supernatural dimension to your life. There is a supernatural element to your life. Right to your feet. See. They told her she had hole in her heart.

Did they do the scan? First scan. They did the first scan. There was hole in her heart. And you were supposed to go for. Surgery. They prepare her for surgery. And just on the day of the surgery. What is it? They did a second scan. And they found the hole. So they were supposed to do the surgery. So they did a second scan. And they found the hole. And what happened between that? So the day of the surgery.

They went in. And they couldn't find the hole. Between the first, second scan. And the day of the surgery. What happened? In church. Yes. Yes. And you said someone sitting there.

You have a surgery in your heart. But it's. God is healing you. So that's what happened. And you. When I said it. Did you. Did you.

[ 45 : 40 ] I tapped into it. She received that. This is my word. I didn't know she was sitting there. I didn't know she had it. And I don't. It's not my problem. My heart is different from her heart.

But the God who has meant to heal her. Used me as an agent. And God said. I saw by the spirit. There is someone sitting over there. With a problem in the heart.

God is healing you. And she said. That is me. I receive it. I receive it. I receive it. Then she went back to hospital. They actually started the surgery. Only to go into final.

There is actually no hole. The hole has been sealed. The hole. Something has happened. And I believe God. Is touching somebody's life here. If you believe.

Shout Lord I believe. Lord I believe. I don't know what she did to have the hole. Because. If. Your neighbor's house is on fire.

[ 46 : 36 ] And you call fire service. Would they ask you. What did they do? Why? What would they do? They would come. And extinguish the fire first.

My job is not to know. How many bad things you have done. Do you think I care? I don't care. How many bad ones you are still doing? Do you think I care?

I don't care. The only thing I care about is. It can jeopardize your faith. Because you can't have faith. And bad conscience. They don't go together.

Bad conscience will weaken your faith. So you are believing God for a husband. And yet. You are entertaining somebody's husband. You know. Who is fighting the wife. And you like him.

So you are entertaining. Cooking for him. Cooking for him. You are blocking God's opportunity. To visit your life. With a marital testimony. Because not that God is upset with you.

[ 47 : 36 ] But. Your faith. Conscience. You know. You know. That's why you are not doing it in public. You know. You know.

You know. There's nothing wrong with pornography. So why are you hiding to do it? So your faith matters. I don't need to know what have you done. Where have you been.

It's not my business. God told me someone was being healed. And I just declared it. And she also by faith. And receive it. So when you come to church. And there is a prophetic word coming.

Don't sit down and look cool. If you believe it. You can receive it. I bless you now. I bless you now. I prophesy a miracle your way.

I prophesy testimony your way. You shall hear good news. A miracle job is coming your way. In the name of Jesus. Shout amen.

[ 48 : 30 ] Amen. Amen. Sit down. Let me finish this thing. Verse 8 of Galatians chapter 3. Magadha shagad. Magadha. And then.

This text always just keeps messing my head. And the scriptures. Who? The scriptures. Sorry. The scripture. Now even look at this. The word.

The word of God. The word of God. For seeing that God. Will justify those who don't qualify to be in the seed of Abraham. They are the Gentiles.

In the past. God just is Gentiles or Jews. Gentiles were not supposed to mingle with Jews. Jews. The Jews are those from the seed of Abraham. The Gentiles of all the other people.

Gentiles. Gentiles. God doesn't deal with Gentiles. He only collects their land for his people. But. The. God would justify the Gentiles.

[ 49 : 30 ] By faith. Not by works. Because the law of Moses was not given to the Gentiles. It was given to the Jews. To show them how. Imperfect they are.

For. To create a desire for. Help. So that they can look forward to God helping them from this. Demands of the law. God's demands are. His standards are so high.

Why. You. Why is it that you are in first year. Of university. And your lecturer. Is giving you. A professor's assignment. Why.

It's too high for your level. I know you are a mathematics professor. Your three year old boy. Who's gone to school. Or four year old. Or six years. Who is now being taught maths.

Please. Don't be doing algebra. Calculus. Socrata. A. A. Sign zero.

[ 50 : 28 ] Cost 20. No. Cost 90. Cost theta. No. 7 minus 2 times X equals to X plus Y find X and find Y why would you do that to that boy?

it is unfair but unfortunately your standards are so high your boy has found himself in a university classroom even though he's class 6 and that's what you deal with and you can't just come low so now your boy can never pass that exam so the best thing to do is to find a way of meeting that requirement for him and crediting it to his account so God the scripture foreseeing that God would justify the Gentiles justification means that being treated as though you have not done anything the just shall live by faith to be just you have to be justified to be just so you have been justified just as if justified just as if you have never sinned so when Bible says someone is justified means that God is treating you just as if you have never sinned now just look at the one sitting beside you and think if that person can be treated like that but watch this the Gentiles scripture foreseeing that God would justify the Gentiles by not by law not by works but by faith what is it once you believe in him he said you are correct you believe in him you are correct and others are trying to show how well they are behaving

God can't see them because it doesn't matter how well you behave you are still you still fall short of the man so but if you put your faith in him he said correct boy if you put your faith in he said correct if you put your faith in your works he said clear off clear off if you put your faith in your works fail works fail faith correct worth fail faith correct so the scripture knowing that this is what it will be done preached the gospel to Abraham beforehand saying that in you shall all the nations be blessed because this blessing is coming that is coming on you that's what makes him a father because he wasn't the first one to have faith according to the scriptures Abel had faith according to the scriptures Enoch had faith then Noah in fact according to Hebrews chapter 11 verse 7 Noah had faith and it was accounted to him for righteousness watch this Noah by faith Noah being divinely one of things Noah he has seen moved with godly fear prepared and act for the saving of his household by which he condemned the world and became eh see eh this word is very important eh who is the father for someone to be the eh for you to be an eh an eh you must inherit sorry inherit it from someone eh heirs inherit owners don't inherit owners generate or procure so someone must have procured this for him to be an heir even though Noah was before Abraham

Abraham was the father of faith so he became the heir of righteousness which is according to faith even before it was given Noah and this was before Abraham so why Abraham the father because Abraham walked with god in a way that god when god was blessing him the blessing said in you shall all the nations be blessed and what blessing is it talking of the blessing of justification by faith in you so that made him father he walked with god and god accounted he didn't become a he was accounted he was accounted go to the next verse of Galatians ah is someone getting something that I I I am going to preach healing I'm telling you healing is in this house the thing the thing started from was it Tuesday or Monday Tuesday or Monday in our prayer meetings and

I could feel there is healing tonight this morning this now this afternoon as I'm finishing I'm going to believe god that sickness will find its way out of your life that pain will find its way out of your life in the mighty name of Jesus you hear the gentleman's testimony Wesley he said that ah what's the name of that sickness again trapezium or zia tra it sounds like uh tra trapezia trapezius okay so his trapezius have been trapped and and and he that day he was practically immobile and came for the evening service and someone said talk to pastor he'll pray for you and then he managed to come and did I pray for you and what did I say I'll be healed I prayed for you and then what happened and then um after the service I found out that I was okay

[ 55 : 35 ] I could drive and then but before the service my hand was in yeah I remember yeah your hand was in and you couldn't even drive properly I couldn't drive in the morning when I was coming to service so I got someone to drive me but after the just by prayer who told you God cannot heal you who told you say ah he says that he says that bless the Lord oh my soul and forget not his benefits bless Psalm 103 bless the Lord who forgives all your iniquities and heals and heals all your diseases if he can forgive you he can heal you if you believe in forgiveness then you shall believe in healing I see someone receiving your healing I see someone receiving your healing I pronounce you heal I cast the sickness out of your body in the name of Jesus there's a lady here with a lamp in your right place please check it I can tell

God is healing somebody with a lamp in your breast you can check it the power of the Holy Ghost is here somebody is receiving healing there's someone here with a problem with your muscles please I don't know how you know it's changed but the things the situation is changing you probably may have to go to the GP or do something you couldn't do and you realize that the power of the Holy Ghost is healed you shout hallelujah I feel like preaching the power is here the power is here the power is here let me just run this thing on faith because you can't be helped until your faith comes alive and when your faith says yes God will not say no amen so the thing is a faith problem yes not a power problem not a power problem it's a faith problem in Ephesians he says that

I pray that you may know the power that works towards us who believe Ephesians chapter 1 verse 19 that you may know the power that works as what that works towards us who believe when you believe as soon as you believe the power of God comes towards you Ephesians chapter 1 verse 19 he said and what the exceeding greatness of his power towards us who believe the power is towards those who believe if you believe that the direction is one way the direction of God's power is one way is one way traffic to only those who believe once you believe that thing is coming to you once you believe it's coming to you once you believe it's coming to you once you believe receive your miracle receive your testimony receive your breakthrough faith comes by hearing and hearing you got to hear God's word by hearing let me finish on this

Abraham matter did you read the verse 8 yeah God knowing that the Gentiles alright let's let's leave that and go let me finish on Romans 4 are you ready for this five minutes pastor Romans 4 look at how it begins pastor do you know that God God God calls Abraham his friend God James chapter 2 verse 23 before we go to Romans James 23 and the scripture was fulfilled which says Abraham believed and it was accounted did you see to him for what and what was the result and he was called a friend of God hey God say buddy hi buddy buddy what's up man how's your wife Sarah man oh Sarah don't worry Sarah got a child Sarah how can I old woman how can I have a child my husband too has lost excitement how can I have a child no it's in your Bible

Genesis chapter 18 it's in your Bible from verse 15 how how how can I be God God came to Abraham and talked to him to the standard Genesis chapter 18 verse 16 God 17 and 18 God said to Abraham God said about Abraham would I hide anything from Abraham the Lord said shall I hide anything from Abraham what I'm doing shall I hide what I'm doing from Abraham since he is a great man he's a great nation he's going to command and he began to download his plans God began to download his intentions about Sodom and Gomorrah to Abraham why because this is a man of faith he walked with God by faith let's see Charlotte don't sleep let's see she's sitting on this one it's like someone on a duvet my God Romans chapter 1

[ 60 : 50 ] Romans chapter 1 what then shall we say that Abraham Abraham our father has found according to the flesh nothing his flesh when we talk about flesh we are talking about his human efforts he didn't get anything don't think you get anything from God by your own human effort I will do this I will do this I will do this oh my resolution that's why you keep failing Frank see what I mean your personal you're too strong you're too strong be rather strong in faith Abraham God said I'm going to give you a child and because he can produce spams his wife was old his wife said go for my maid he went for he went for he went for he went for the child through he went for he said this is not what I spoke about this is not what I spoke about is that because you can produce semen that's why God said okay now I'll wait when you run out of semen when there is semen deficiency when you are emptied of all, I remember

Sister Helena, Bula some time ago, when Pastor O had her little child, Pastor O was breastfeeding and then Bula came Bula was a little girl, she said hey, she's drinking milk and Bula said my mom used to have a lot of it but me and my brother, we drank it all we drank it all it came to be dry so now when God came back he said look at the stars of the earth so shall thy sea be now there's a

problem because I'm a semenless man and my wife's womb is dead the womb is dead, it can't carry it's like just a pocket like sack so you can't put semen here even IVF it must be fertilized in the laboratory and then implanted into a womb human beings can't grow outside the womb fetus can never grow outside the womb it must and then if it grows, it finishes the basic development of all the vital parts and there's a premature then a birth then you talk about an incubator but it needs to be in the womb and Sarah didn't have the womb because her womb was dead and Abraham too whatever to send semen into the womb was even gone and he didn't have semen so everything was hopeless

God said now I can do what I want to do but this is the message this is the message at that time all God needed from Abraham was not a strong body what he needed from Abraham was not Sarah's womb what he needed from Abraham was a strong faith to believe that if God said he will do it it will be done that's it that's it so you it's not the medication it's not the medication some of us are waiting for hands to be laid on Bible says look at this Romans chapter 4 what shall we say Abraham our father has gotten according to the flesh nothing verse 2 for if Abraham was you remember the word justified was justified by works he has something to boast about but not before God verse 3 for what does the scripture say

Abraham believed God and it was accounted to him for righteousness it was his believing not his behaving his believing not behavior that gave him the credit before God I see your believing giving you a miracle I see your believing giving you your breakthrough shout yes verse 4 now to him who works the wages are not accounted as grace but debt if you work the end of the month they pay you it's not grace it's your pay your wealth but Abraham didn't work so it was grace grace is when you don't deserve it pay is when you deserve it that's what he's talking about look at verse 5 but to him who does not work but believes on him who justifies watch this watch this do you see this word is a big word ungodly what does it mean to justify just as if you have never sinned and God is justifying someone who has always sinned it's ungodly and God said just as if you have never sinned and yet you are believing God that's his characteristic he has the ability the propensity to justify or justify an ungodly person based on faith alone faith so but to him who does not work but believe say believes does someone believe here if you do shout I believe but to him who does not work but believe on him who justifies the ungodly his faith what no his way his faith is accounted for righteousness his faith it's automatically say you've done right that's good now go to the next verse just as David said blessed is he whose sins are forgiven now when you go and continue but let me pick it from verse 16 as I end look at verse 16 there are miracles in this verse

I'll be very surprised if you don't get the testimony this week ah I know today is the last day of the month from tomorrow is May month number five is the month of grace as you step into May you are stepping by faith you are entering your miracle you are entering your breakthrough you are entering your day of power shout yes May will work for you the month of May will favor you the month of May you have major testimonies you shall hear good news in the name of Jesus let's finish let's let's read it please put you on the screen therefore it is of faith that it by me it might be according to grace so that the promise might be sure to all the seed see all the seed not only to those who are of the Lord that's the Jews but also to those who are of faith the faith of Abraham who is the father of us all now look at the next verse this is where it gets used how did Abraham do it as it is written

[ 68 : 02 ] I have made you the father at the time he was fatherless God said that would have it would have been okay if God had said it when he had semen but God comes to a semenless man with a functionless body and the womb of the wife dead and God comes and says I have made you a father of many and you know what he believed the difference between you and Abraham is your unbelief he alright let me use this word he was stupid enough to believe the preposterous promise of God he was stupid enough and today we are talking about him how about those who said I'm wise I can't believe all this crap and no one is talking about you and still you are sinking you are sinking with all your common sense and intelligence you are still sinking you are so intelligent but your marriage is not working you are so smart you are well educated but your health is not working your family life is in turmoil you are so well educated highly paid but still you can't have anything in control your addictions are killing you pornography is ravaging your house it's ravaging your marriage it's ravaging your peace of mind and you say you are in control you are not if I were you

I'll be humble enough and believe God I'll be humble enough and believe God someone shout I believe I believe let me finish this I feel like preaching is someone getting this thing at all it's long but it's good it says that I have made you a father of many nations in the presence of him whom that's

the whom is Abraham Abraham believed God what's the qualification of God who gives life to the dead and calls the things that be known God Abraham believed this God see it doesn't matter what is dead if you can believe God God can say Lazarus come out of the tomb and Lazarus will not have a choice he will be coming out of the tomb his feet were bound his hands were bound but however he has to come he will come because a word has commanded him to come he didn't have to walk he will still come shout yes now listen to this he believed God who gives life to the dead and calls the things that be not as though they were alright which who contrary

Abraham contrary to hope in hope believed so that he became the father of many nations better contrary to hope means that there's no hope can I can I hope to be pregnant oh you don't believe it I know some of you are surprised I can't be pregnant can I hope to be pregnant no and then God in his plans said I'm going to be pregnant and then Abraham chose to believe against hope to hope against hope believe against hope God you can't hope for such a I want to be the next prince the next king of England or UK it can be but that's hoping against hope that means that it's against common sense but Abraham contrary to hope okay he hoped in belief okay so contrary to hope in hope believed so that he became the father of many nations according to what was spoken what was the phase of his belief what God said so shall I see be how do you live the faith life how do you walk the faith walk

Abraham first of all believe God secondly go to the next verse quickly secondly secondly and did not was not weak in faith no weak in faith there are things that can weaken your faith let me tell you there are things that can weaken your faith it can weaken today you can be full of faith tomorrow it's gone you are weakened so you have to watch the things that will weaken your faith what are some of the things that will weaken your faith the things you keep watching and hearing the things you keep hearing every time you are believing God for a smooth birth and every time you are watching how people are dying through birth you are watching it you are feeding your eyes you are feeding you are weakening your faith you are weakening your faith Abraham did not weaken his faith he wasn't weak in faith he did not consider his body which was already dead since he was 100 years old that's what I told you God waited for his body to be dead and God came I will do it for you and Abraham the word the translation of he did not consider his body means actually he actually looked at his body he knew what the situation was but he chose that in spite

I will still believe what God has said so it wasn't like he was ignorant he was very much aware of his condition and he looked at it he said no problem I believe God God said you were you were you were bold enough to believe me for something like this when you believe God you commit him when you believe God you commit him to act because he is obsessed by believing being believed you think things are not going to work for you just believe God hear God's word and believe him don't yell I believe hey I am not talking about wishful thinking I am hoping no I am talking about what God said you believe it Abraham believed God he did not consider his body dead let's go to the next verse 20 he did not waver at the promise I think I have to end here he did not waver at the promise of God what God promised you is valid don't say hey maybe it will happen maybe it will happen maybe it will happen maybe okay so some of us want to lean on God genuine faith is not relying on God like this genuine faith is relying on God like this then you commit God he doesn't have the choice he will show up

[ 74 : 13 ] I am not talking about wishful thinking I want to marry by next month so God then you program yourself to say that no no no you have to look for a promise from God's word what you see from God's word one and then two it agrees with it convicts your heart you know that this healing belongs to you you know that this healing belongs to you you know you'll be healed you know it you know it so you hear God's word you know it that faith is coming now faith is coming now and then number three by the Holy Spirit or exercising your spirit constantly to keep being strong in faith other than that you give up somewhere along the line how many of you have attempted believing you were believing by God's return you disbelieved or your faith became weak that you couldn't hold on any longer but you have to learn how to remain when you read down what you find out he was strong in faith giving glory to God this morning and this afternoon

God sent me to tell you your case is not hopeless your case is not out of hand your case is not out of hand your family situation God is stepping ah I see God stepping into your health I see God stepping into your situation God is about to intervene in your case I release your miracle for you now I release your miracle for you now there is somebody listening to me he said lady you have so much sauce on your scalp under your wig and under your hair I see God healing you the doctors

I want to pray for somebody very special a group of people very special here you want to say pastor pray with me because I want to start a new work with Jesus I want to worship him in spirit and in truth by faith because if it has to do with my works I cannot do it but I just want to have faith in Jesus invite him into my life for me to be born again so I can live for him I just want to walk with Jesus I know my time has come and I want to do it by faith if that's your genuine prayer I would want to pray with you please lift up your right hand if that's your prayer you want to say pastor God bless you I don't care what someone would think it's what God thinks and what God will do for you by faith don't let anything stop you let your faith make you reach out to God by faith now if your hand is lifted you know what just come right come come to me I'll pray for you come God bless you it's your future that matters and it will be by faith if God is going to help you it will be by faith because you know that if it's by works you have failed you can't but by faith alone step before to say yes to Jesus is that now too much and ask from God for you as a sign of serendance and say this after me say Lord Jesus

I know I'm a sinner but I believe you died on the cross to save me from my sins I invite you into my heart to be my Lord and my Savior because I repent of all my sins I ask you to come live in my life I make a commitment I will obey you I will serve you I will walk with you Holy Spirit have your way thank you in Jesus name thank you for listening for more resources please visit [caris.org](http://caris.org) or call us on 0207 740 9960 God bless you
