Amen. Amen. I want to talk about, what's the theme of Amant? We're preaching on the demons of all the world.

One more time. We're preaching on the demons of all the world. Wow. Reaching deep things of God.

God has got deep things. In Psalm 42, verse 7, it says, Deep calleth unto deep.

[1 : 19] It says that deep calls unto deep at the noise of your waterfalls and your waves and billows have gone over me.

Deep calls unto deep. Proverbs puts it this way, iron sharpens iron. You can't use plastic to sharpen iron.

Deep calls unto deep. God has got deep things. Yeah. The deep things of God. Who can... In Romans chapter 11, verse 33, it says that, Oh, the depths and the riches, both of the wisdom and the knowledge of God.

How unsaturable are his judgments and his ways are past finding out. Oh, the depths.

I'm talking about the depths. You can't exhaust it. All the depths of the riches, both of the wisdom and the knowledge of God. Deep.

[2 : 29] Unsearchable. Unsearchable. I think somewhere in Ephesians, I suppose, yes. Yeah. Ephesians chapter 1, verse 18. Ephesians chapter 1, verse 18, it talks about, The eyes of your understanding being enlightened, that ye may know what is the hope of his calling, and what are the riches of the glories of his inheritance among the...

The riches. The riches of the glories of his inheritance among the saints. There are riches. There are depths in God.

But it does not take ordinary mind to know. He says that the eyes of your understanding being enlightened, your understanding has got eyes.

It's not these natural eyes. They must be enlightened. When you are born again, your eyes, the eyes are open. But it must be enlightened. Enlightened.

And then the resultant effect is that, that ye may know what is the hope of his calling. There are things in God that must be known.

[3 : 42] There are depths in God. School cannot teach you. All right. Let's get to 1 Corinthians. This is my foundational text. Oh. I believe that. You grasp something.

Be alert. And don't be distracted. And you'll get something. Amen. Oh. I love the word of God. Don't you love God's word at all?

Yes. I love it. I love it. I love it. I love it. I love it. I love it. I love it. I love it. I love it. All right.

Let me try an attempt a long reading. It's just sometimes nice to indulge yourself in the reading of scriptures. It's just nice.

Especially when your spirit is alert. But any part of the scriptures tastes so good to you. And anything scripture carries weight for you.

[4 : 38] 1 Corinthians chapter 2 verse 1. And I, brethren, when I came to you, came not with excellency of speech or of wisdom, declaring unto you the testimony of God.

So he said, I did not come with excellency of speech. Now, when you read earlier on, the chapter before, the Corinthians, what they used to do is they had what is like theaters, amphitheaters. And they loved orators, eloquishness, and the people who come and stand and rattle and speak. They love it.

When you speak, you must speak something that tickles their intellect. So you must know so many things and go from all kinds of sources.

And you must be so fixed in certain levels of knowledge and the way you articulate it and the way you express it. That's what they like. And so he came into the church.

[5 : 47] And when they came to church, they were looking for eloquishness. Someone to speak in such a way that, wow. Wow. But Paul said, when I come.

That is why in 1 Corinthians, he says that we preach Christ crucified, which is foolishness to the Greeks. It's giving them problem. What are you? I thought you were coming to tell us something. You're coming to say, someone who died on the cross to save us.

You're talking about a bloody cross to save me. Oh, come on. Tell me something else. The Bible says to the Jews, it's a stumbling block. You bring Christ up and they stumble.

They can't go further with you. To the Greeks, it's foolishness. 1 Corinthians 1, verse 18. You see, to the Greeks, it's that, but we preach Christ crucified unto the Jews, a stumbling block, 23, stumbling block, and to the Greeks foolishness.

Go to verse 18. But unto them, 18. Thank you. For the preaching of the cross is to them that perish foolishness. What is all this foolishness you're talking about?

[6 : 51] And so, they, and look at verse 30. Verse 30 says that, go, but to him, but of him are ye in Christ Jesus, who of God is made unto us wisdom and righteousness and sanctification and redemption.

So, Christ is the wisdom of God to us. You may be looking for very nice intellectual things that for us who are saved, the wisdom of God is Christ. Yeah.

Yeah. Yeah. Yeah. And so, then the next verse, see, look at it. Go to the next verse. The next verse. That, according as it is written, he, that glorious, let him glory in the law.

If there's anything you boast about, know your certificate. Yeah. Know your background. Know how well you are. Know you are a professor and so on. You are well. You are very intelligent and so on. Come on.

You are intelligent people, foolish people, they all use their loo. They all sleep. They all bathe. They all eat.

[7 : 52] There are some things that are just fundamental to human beings. So, the fact that you have a mental understanding doesn't make you a better human being.

So long as your blood doesn't change. Your blood is still their blood. All right. Go to the next. Look at the next verse. The next verse. Then right there he goes. And I, brethren, when I came to you, came not with excellency of speech or of wisdom, declaring unto you the testimony of God.

So, the testimony of God, right there you can tell that when I am coming to preach and talk to you, he said that my message is not like the way you are used to those kind of messages out there.

I didn't come with excellency of speech. So, it's very easy for you to marginalize or disdain or look down what I'm saying because it doesn't fit into that social norm.

He said my, it wasn't with excellency of us. We go to the next verse. So, the next verse said, for I determine not to know anything amongst you, save Jesus Christ and him crucified.

[9 : 00] All the other things that when I'm talking to you, what matters is, who is Christ to you? He's crucifixion. What does it mean to you? That's what matters. It doesn't matter how an expert you are, how a millionaire you are, how an intelligent person you are.

He said, when you come to church, can you please drop all those things? Drop, drop. Other than that, church can't help you. God can help you if you come to him with your credentials.

Don't go to God with your credentials. Go to him by grace. Amen. So, he says that, I'm not interested, I'm not interested.

I'm not interested. Your social status is not as important as your spiritual status. That's true.

So long as we are concerned. That's it. You can be somebody, somebody important in society based on your social status.

[10 : 08] It really doesn't really matter when we meet. Because when we meet, nobody matters by Christ. Nobody. All right.

So, it says that, verse 3. Thank you, Jesus. And I was with you in weakness and in fear and in much. Let's go to the verse 4.

And my preaching. And my speech and my preaching was not with enticing words of man's wisdom. Everybody say man's wisdom.

Man's wisdom. Say man's wisdom. Man's wisdom. There are different types of wisdom. There is the natural wisdom. And there is the devilish wisdom.

And there is man's wisdom. And there is the wisdom of God. Right. And I think you can find that in James chapter 3. All the different wisdom.

[11:03] I think James chapter 3, verse 15 somewhere there. It talks about devilish wisdom. Man's wisdom. Worldly wisdom. Okay. So, the wisdom of God.

So, it says that, my preaching and my speech was not with enticing words of man's wisdom. But in the demonstration of the spirit and power.

That's the kind of preaching that helps. There's preaching that brings to bear or brings to demonstration the spirit and power. Hmm.

You're going somewhere. It's going to be great. Why? Verse 5. That your faith should not stand in. You see, the wisdom of men keeps coming. Wisdom.

Wisdom. Wisdom. Wisdom. From verse 1. Chapter 1. Wisdom. Wisdom. Wisdom. Wisdom.

Wisdom. Wisdom. Wisdom. Wisdom. See, because they lived in a society that glorified intellectual powers.

[12:03] Oh, right. Intellectual abilities. Were blown out of proportion. So, he actually said, Paul said that God has chosen the things that are nothing to confound.

In order to gloat. 1 Corinthians chapter 1 verse 27 and 29. He has chosen the things, the best things of this world. He says that, but God has chosen the foolish things of the world to confound those who think they are wise.

He's chosen the truth. He's chosen the truth. So, what natural wisdom says that this should be put aside, God chooses that and makes it do things that the natural wisdom cannot get anywhere near.

So, the most astute or the erudite scholars amongst men can do some things. And the one who looks very stupid, God will use them to do the things that the most trained can do.

And so, then those who operate by human wisdom get confused by, how can you be doing this?

And yet, you are not like this. How can you?

[13:14] Though you are that small, do such big things. So, God has chosen the foolish things of this world to confound the wise and has chosen the weak things of the world to confound the things which are might.

Why? Verse 28. Why? And the best things of the world and the things which are despised. Like some of you, you are despised in your families.

Very soon, they are all going to be coming to you for deliberate. A time is coming when your family, there's a family meeting. If you are not there, no decision can be made.

Because they say, oh, let's wait for him to come because we want to know what he's got to say. The things that are despised has God chosen.

Yes. The things which are not to bring to nothing. The things that are. God is amazing. And I see God doing that out of your life.

[14:15] But look at verse 20, 29. Why? So that no flesh will glory in his presence. Don't come and say that it's based on my training. It's based on this. So, those of us who get born again and come to church and all of a sudden you are trying to use your social status to bully people in church.

It is, God doesn't like it at all. God doesn't. And God may come after you with some severe judgment and punishment. Yes. You incur the judgment of God.

Because you are trying to operate in the field of God with the strength of the flesh. The fact that everyone says you are pretty doesn't mean anything.

Give me a break. Sometimes people who even look so pretty sometimes they don't. People actually don't go for them.

And if people go for them, they usually tend to have turbulent marriage. Because if you're pretty, being pretty enters your head. Thinking that you should be treated based on your prettiness. You're in trouble. Because actually, being pretty has not got anything to do with the progress of life.

[15:35] Some of you know men or ladies who look so pretty. But they are so stupid.

You just don't understand. Anything you give her to do, she can't do. She can't deliver. When you want progress, you can't choose her. Because you are wondering why.

Your brain should have been pretty. Why? But we are all pretty and handsome, isn't it? But the point I'm making is that there are pretty people who are so humble and are making differentness. Never come to church and feel so important because of what kind of designer wear you wear. Designer wear.

Label. What label? Label. Even the one whose name isn't at that label. That guy, that person is struggling.

[16:41] That's it. Society has become so messed up that things that are not important.

We marginalize. We measure on the minors and minor on the majors. Heroes. Heroes. Things that are not really, that don't matter in life become. Nowadays, we have heroes who have not achieved anything.

Who have not achieved anything. Heroes. Most of the heroes of our generation. The heroes that we, is projected to our society on TV. Most of them have not really. There's nothing heroic about them.

There's nothing heroic about them. Someone like them, they can sing Oké Pouche. Someone like them, they can play Oké Pouche. So based on a few people who like them. But they are not exceptional. Those times when you talk about heroes, you are talking about people who can stop a whole nation, a whole city from getting into trouble.

They can save them. These people who have done something. They've done something. Those are the heroes. But nowadays, you don't have to achieve anything to be a hero. You must take a few boxes.

[17:56] Anyway. So, God has never been intimidated by what men acclaim as the best. Your reputation is what men say about you.

Your character is what the angels of God know about you. Thank you. I feel like preaching.

Don't worry, we'll be getting there. Alright. So, it says that your faith will not stand, verse 5. That your faith will not stand in the wisdom of men, but the power of God. Verse 6. Now we are about to start.

Come on, see verse 6, verse 6, verse 6. I feel like coming down now. This is where the message actually is about to start. Alright. So, listen to the argument there. It says, when I came to you, I did not come to you with the enticing words of man's wisdom.

Okay. So, he was speaking as though wisdom was not important. And he says that, so that your faith will not rest, verse 5, your faith will not rest in the wisdom of men, but the power of God.

[19:08] But then, verse 6 says that however, how be it, how be it, we speak wisdom. So, not that what we are saying is stupidity, but just that it may not be in agreement with man's wisdom.

But it's profoundly intelligent, profoundly wise, like that sugar. In the previous chapter, verse 24.

Oh, I've come down now. The thing is getting serious. I told you I felt like preaching. See, I love you have to chew on today. Verse 24 in the previous chapter, I said, but unto them which are called, both Jews and Greeks, Christ, the power of God and the wisdom of God.

Look at verse 22. Look at verse 22. I like verse 22. It said, for the Jews require a sign, the Greeks require foolishness. Go to verse 23. Verse 23.

Let's start with verse 21. I think the one I'm looking for. For after that, but for after, can I give, can I give me the NIV so that it can be made a little bit simple?

[20:19] For since in the wisdom of God, the world through, do you know what that means? All right, I want to break this for you. God, his wisdom.

God is wise. How many of you believe that? Actually, he's not wise. He's wisdom. The Bible says that the wisdom of God, God's smartness of doing things.

Okay, let's say the wise way of doing things. So, since in the wisdom of God, that means that God's wise ways of doing things, in the wisdom of God, the world through its wisdom.

Okay, can you come please, quickly. Please stand here. Okay, so that is God. Okay, so that's the wisdom of God.

God and the way he does his things. Yeah, so just be. So God and the way he does his things. That is the world and its wisdom. And the Bible says in the wisdom of God, God is happy.

[21:22] That, can I have your book please? Your book. The world. This is the wisdom of the world. The world through the wisdom. Through its wisdom.

The wise ways of doing things. The best ways of humanly doing things. You can't use that to access God. And that's God's wise way of doing things. Did you understand?

So, you may say, I don't like that. But God's wise way of doing things is that you cannot use your own wisdom to access him. You understand?

Just like in our system, United Kingdom, voters registration.

You cannot vote by posting and then go back to the ballot and do it at the same time. And then collect your brothers or steal your neighbors or your cousins, your brothers, their voters, whatever.

[22 : 22] And then sell it. Because in the wisdom of the government, of the electoral system, it has been, they have done it such a way that you can only vote once. Yeah. For you and not for anybody.

So that it can protect the system. God too, in his wisdom, has done it such a way that it doesn't matter how much you go to school. You can't access him through that. It doesn't matter how well you are trained, how smart you are, how intelligent you are.

God's wisdom said, you can't access me through that. So put it on the screen again. It says that.

Wow. Would you put it on the please? For since in the wisdom of God, the world through its wisdom did not know God.

God was pleased through the. So how does God want us to know him? Through what you call foolishness. Wow. So if you say it's foolishness, in the wisdom of God, it says foolishness.

If you want to know me, you have to come through the foolishness of preaching. No, go down. Say. The foolishness of preaching. Then you can know God. Wow.

[23 : 26] But if you come through your old wisdom, it's missing. You'll find it. It is not on the pages of your books. That's why you find most people who are supposed to be intellectual say, oh, there's no God.

There's no God. Do you know why they went to the moon the first time? They went to the moon to go and look for God. How stupid. You go to the moon to go and look for the God who created everything.

I can't overweaken. Having to realize how easy it is for people who supposedly are supposed to be intelligent and well-trained and well-educated.

How easy for them to accept UFOs than to accept God and angels. They prefer to call it UFOs.

They prefer to call it aliens. So right from infancy. And they believe it. It's not like it's fair. People believe it. They believe that aliens are going to come one day. Oh, how stupid.

[24 : 27] It proves God that through the wisdom of the world. The world can never know God through their wisdom. But God is happy. You call it foolishness of preaching.

How can you go to church? How can you believe in it? God said, no problem. I don't have to prove anything to you. I created you to be fulfilled by me. And as long as you don't come to me, you will remain constantly and endlessly unfulfilled.

It doesn't matter what you use, what you wear, where you live. You are still unfulfilled in life until you get the God question answered. And it says that if you want this God thing, I'm happy to let you know that you can't find it through this.

You can get through the foolishness of preaching. It takes the foolishness of preaching to be saved. Shout hallelujah. To save those who believe.

Those who believe this foolishness. To save. So most of you, when you go to church, people think, they marginalize you. They mock you.

[25 : 32] Why will someone mock you? Because they think you are doing something dumb. They think they are wiser. Got you, church. Because most of you, when you are going to church, you do it undercover.

Because you are afraid to be subjected to ridicule. By people who are spiritually dumb.

That's right. But the world is controlled. The physical world is controlled by the unseen things in the spirit.

So if you don't have an upper hand in the spirit, you are a cheap victim any day, any time. Your future is not guaranteed by your money.

Your future is not guaranteed by your doctors. Your future is not guaranteed by your relationship.

Your future is guaranteed by how much you are strong in the spirit. I heard a bishop in one of his preachings said that nothing happens by accident.

[26 : 41] Yes. Yeah. So what people call accident, nothing can be an accident in life. And I realized, I remember I was teaching some guys and I actually studied in church. Where they said, oh, a crane, a crane just fell.

And it fell on somebody's car. And killed two people. Killed one person. Or a truck driver lost control. Or had a heart attack. Or a cardinal.

And drove into some people. And then it's just an accident. Anyone who was there when the truck came, it may be an accident. That's the only way you can explain.

Because it's an accident. But spiritually, it's a program. Spiritually, it's a program. I cannot be anywhere at all. Yes. And this doesn't happen.

This doesn't happen. If you bring a bomb where I am, it will not work. Yes. Yes. Yes.

[27 : 36] Yes. How can you say that? Through the foolishness of preaching to save those who believe. Yes. Through the foolishness of preaching to save not everyone. Those who believe, they're preaching.

Yes. Yes. Yes. God doesn't feel sorry not saving you. Think about it. Your salvation is not to endorse God. Yes. So if you choose not to be saved, it doesn't affect him.

And he has chosen that if he has to save you, he will do it through preaching. You believe in foolish preaching. When I say, when the Bible says foolish preaching, it's not saying that it's stupid.

It's like, it doesn't make sense. It makes spiritual sense. You know it. But stubbornness of heart will block it. People will block it in their heart. I don't know what he's saying. It's true.

But I don't want. People choose not to believe. Belief is a choice. It's not emotive. For God so loved the world that he gave it so difficult.

[28 : 42] That whosoever is a choice. It's the choice. It's not a random selection. It's a choice.

Whosoever believes will not perish. All of us, at the point in time, we were living our own life thinking that I don't need God.

I don't need God. I don't need God. I'm okay. Some of you are here this morning because you are desperately in search of God. Yes. And I'm happy for you. Amen.

You are in the right place. Amen. Amen. Amen. Amen. Many people, some of you, your bosses look very powerful.

They are driving nice cars, but they are very miserable. Yes. Yes. Why is he always at work?

Comes at six and leaves at midnight. Why? Something is wrong somewhere.

And you come at nine, you are not actually interested. And you can't wait for five to leave. Because you have a life somewhere. Shout hallelujah. Hallelujah. They may look powerful financially.

[29 : 48] They may look powerful so long as what the world defines as better. They may look it, but listen. It is better not to have distance and be at peace internally than to have all.

The Bible says, what does a man gain? If he gain the whole world and lose his soul. Give me Jesus. Take the world. Take the world. Hallelujah.

As many as I shall call on the name of the Lord shall be saved. Lord Jesus. Praise God. Praise God. Praise God. Praise God. Praise God.

He pleased God that through the foolishness of preaching, he might save those who believe. So, Paul said, we are not downplaying wisdom.

So, in the verse 6 of 1 Corinthians chapter 2, he said, how be it we speak wisdom amongst those who are perfect.

[30 : 53] Now, that word perfect there doesn't mean impeccability. Doesn't mean faultlessness. He's talking about those whose spirits have come in alignment with the spirit of God. That's right.

Those who are perfect. Another way to put it is those who are mature. Who are coming to maturity. Who are growing. I think, that's, okay, give us the NIV. Let's see how the NIV put it. Wisdom amongst those who are, you see, among the mature.

But not, we speak wisdom. However, please, this is a disclaimer. Not the wisdom of this age. Noah's age was a messed up age.

Last week, I spoke about Enoch what we got. The whole of this week, I've been talking about Noah. Noah's age was a bad age.

[31 : 52] But there was someone whose actions and whose approach to life changed the age. Because Bible says that God said, I'm going to wipe out all humanity.

The first fall affected their spirits, man's spirit. So, he became isolated or insulated from God. Or his spirit lost its functionality so long as God was concerned.

That is why, that is what gave God, you see, Satan thought he's got God. I've messed everything, but God said, no, no, no, I've got Noah. You know, everything is not going in your family. There is a Noah in your family.

There is a Noah in your family. And I'm talking to you as the Noah. God will use you to turn things around. God will use you to change situations in the name of Jesus.

But Noah found grace. There's always the bad moment when things go bad. There's always a bad moment where God is able to step in through the bad Daniel. But Daniel purpose in his heart, not to define himself with the king's meat. But, but, so, but, Noah found grace in the eyes of the Lord. And the grace he found changed the age. God separated him from the rest. I'll continue on the Noah matter on Monday. But let's go back to 1 Corinthians. So, just to draw your attention to the fact that flesh can always be a problem.

[38 : 07] And we are going to find flesh in 2 Corinthians, 1 Corinthians, as I'm teaching today. Alright. I'm talking about reaching out for the deep things of God. The deep things of God.

And so, Bible says that how be it we speak wisdom, but not according to the wisdom of this world, which comes to, watch this, how be we speak wisdom amongst them that are perfect, yet not of the, not the wisdom of this world, nor of the priests of this world, that, that come to note.

In other words, this wisdom always has a deadline. You pursue, pursue, pursue, pursue, pursue, pursue, pursue, you get to a kudisak. It comes to note.

All the nice, nice, nice things that we are pursuing, you pursue, pursue, pursue, realize, after you got everything, realize, now what next? What next?

What next? What next? You bought a seven bedroom house with three swimming pools. One, one swimming pool in the basement, one in the garden, and one on the roof.

[39 : 19] There's nothing wrong with that. If you get it, go for it. But, after all, you are there. You are still miserable. I don't know if you have, have wanted something so bad, you get it, and you are wondering, really?

Because, there's nothing physical, or earthly, that can satisfy you. Not even your husband, or your wife, or your boyfriend, or girlfriend. Most of us have changed relationships so many times, and you realize that, none of them, was fulfilling enough.

The one you are in right now, will not fulfill you. You better start looking for God. A wife can never fulfill you. A husband can never fulfill you. God, watch this, God, in his wisdom, has designed it, in such a way, that nothing physical, nothing creative, nothing earthly, can totally fulfill you.

My wife cannot, fulfill me in life. I can't, I can't. In fact, it says that, if you marry, it says, those who marry, will have trouble. In this world. In this world. Those who marry, will have trouble.

In this world. So, if you are having, a few, issues, with your spouse, it's normal. Yeah. It's normal.

[40 : 42] Sort it out. Sort it out. Yeah. I've asked, this is wrong. You went in anyway. You said I love.

Yeah. Now I found out, that is the wrong direction. So what, what do I do? Study out. So, those of you, who are not married.

Some of you, are just not married, and you are just relationship, relationship, relationship. You are your child. It's my partner. My partner. My partner. My partner. My partner. And every time, you want to examine, check his phone.

Do exploration on his phone. Who have you been talking to? Listen, you are better than coming out of. That's a good word. He said, are you an archaeologist?

Historian. You have become a historian. I was digging out for information. Listen, listen, may I advise you, it's not part of my preaching, but, leave that relationship. A relationship, where you don't trust the person fully, you don't have business staying inside of you.

[41 : 48] Because it never gets better. If you are married, that's a different story, because, then you have to go through, and all kinds of, sort out. We have to, it takes time, but it can be sorted out.

It takes time, in Christ. But if you are not married, and you don't trust her, you don't, where did you go? Who were you with? No, no, no, no. Let me check your phone. It's a sign, that hashtag, I'm being wrong.

Run away. Leave your shoes here, run away. Leave. Leave. Leave. Leave. I mean, this is not my, this is just, every now we have to inject some common sense.

Because it's so common, that people, sometimes by some ways, people don't realize it. Because you are, ruining your life, with your heart. Your feelings, how can, as old as you are, how can you be

led by feelings?

I'm not happy at all. Better get up, go and shower, go to work. No, no, I'm not happy.

[42 : 58] I feel down today. You still have to go to work. This month has been a bad month. I'm not happy at all. I didn't, eh, just pay the bill. Pay the mortgage. Just pay. You pay the mobile phone, when you finish, go and do your, I'm not happy.

But, life is not waiting for your happiness. Do something with your life. Move forward.

Yesterday I spoke about some profound things. Yeah, yeah, yeah. The prayer meeting. Profound things. Yeah, yeah. About how you cannot allow your hunger, to determine your future. Because as soon as, you must, you must not make decisions, based on your need.

Don't be need oriented. Be purpose driven. You are so desperate for a job. You are so desperate for a job. It's good to want a job. But guess what?

One day, that desperation met. And then what next? You have destroyed soul. You have lied and forged soul. You have actually changed your name. Now, for a job. Now, after you get the job, what are you going to do? Are you going to go back for the name?

[44 : 00] That's a good one. So, so, you, you, you do, you do not compromise on purpose. Yes. For meeting, an instant need. You are so hungry. Watch it.

Wait. You are so hungry. You really want food. You really want food. I'm so hungry. And so, because of that, you go to St. Bruce and slap the, uh, security officer.

No, let me eat. Allow me to eat. After you finish eating, you'll be in jail. And yet, in jail, you'll still be hungry. Yeah. Because hunger is temporal.

Yeah. Wow. Wow. You are so desperate to get married. One day you'll be married. And if you are not careful, you will find out that you have made the worst mistake in your life by allowing your desperation to become your direction.

Wow. Just wait. Listen, listen, listen. Huh? If I'm not happy, I'll come out of the relationship. When you come out of the relationship, you are never the same. Not at all.

[44 : 56] You are never the same before. You are not just like when you entered. No. You may leave the relationship, but something has affected you. You are scared. Something has tinted you.

Something has scared you. And you know, it's not your skin is scars. It scars you deep. Your personal. You yourself, you are scared. Some people were very nice people till they entered some bad relationship.

Now they have become hateful. Nice woman. You are very friendly, loving, affable. After three world wars, you are now 43 years old, but a very bitter woman.

Very angry woman. Everything is like, why? Someone was sitting on the train, and he said, excuse what, excuse what, what's your problem? What's your problem? But you are not like that.

In school, you are very nice. You are the nicest person in your class. What happened?

Relationships. Wrong relationships.

[45 : 55] Wrong relationships. So when you let your desire lead you, you are being led by my desire. What happens when now the desire is met? Once your desire is fulfilled, what next?

I know you like dessert, but I guess your time, you can't take it anymore. All right. You can't just be eating dessert, and I like it, so you can't eat. You, I guess your time, eat as much as you can.

That's a lie. Because the truth is that you don't live to eat. So they'll tell you eat as much as you can, because life is just, eating is just to keep you going to do things.

You are so desperate for sex. After sex, then you are both lying down. Suddenly, you remember, hey, what have we done? Some of you ladies, you have been with some man, and you are so upset, he's still lying down.

After once, you have gone to work, and he's still lying down. Get up and go to work. What are you doing? But I thought you said, you can't do anything without him. Oh yeah, I wanted him, I wanted him.

[47 : 04] We are so, we started it from the car. We were on the park. We did the first round, and then in the car, it's estates, so we put all the seats down, and finish that. We love him.

They go as far. They don't open the bottles, they rip it. They rip it. They rip the bra, and they throw it away. Now, as soon as you finish, you are going, you are beginning to look for, where's my bra?

It is in your boots. You left it, it's another car, the folks came for it.

You bought it from Braavismo, very expensive. It was for the estate car.

The deep things of God. God. Oh wow. There are more important things about life. More important things about life.

[48 : 18] Yes, yes. The very high achievers, and high earners, most of them, don't waste time on a lot of the things, that we waste time on. It's true. Because most of the things we waste time on, is just to fulfill gratification.

But you can't make history, living to fulfill your gratification. Wow. You can't make news. Wow. Somebody is blessed. I agree.

Hmm. We speak the wisdom of God. Yes. It's not in line, it's not just like the way they speak about. Because you, look at you, so well educated.

Top, top, top, well educated. Good job. And when it comes to relationship, you can't tell that you're a fool. Your relationships are messy. How come? Look at your boss.

Very unhappy man. Unhappy woman. Even though he's well trained. So school does not, human wisdom doesn't give you the actual wisdom needed for life.

[49 : 21] They won't teach you about, about family in school. Even now, the family life, they want to teach in schools. It's very, it cannot produce family.

Or you know it. You might be stupid not to say, I don't know it. You should know it. Yes. The best things of creation, are here to certain fundamental principles to keep some things going.

That's it. That's it. Yes. But the worldly wisdom can keep you out of actually common sense. Yeah. We speak the wisdom of God.

Verse 7. Someone say, the deep things of God. The deep things of God. But we speak the wisdom of God in, ah, another word come up.

Let me go up. Let me go up. We speak the wisdom of God in the mystery. Even the, even what? The what?

[50 : 25] The hidden. Do you know what hidden means? It's veiled. You just can't stumble across it. It's hidden. No.

Yeah. It's hidden. If you come, if you, if someone comes to your house, there are a lot of things they won't find. Yes. Yes. Yes. Yes. Yes. Yes. Those of you who have left your passports in your kitchen.

Your passport is supposed to be kept somewhere safe. When they give you a special ticket, very high or check, that is supposed to be private and you're supposed to meet someone.

You're talking about over 100,000 and you won't drop it anywhere. You may be living with some people and they will never find it. Hidden.

And Bible says that, watch this, the wisdom of God which is spoken, which is a mystery, which is a mystery, mysteries human mind doesn't have an idea about. It is hidden.

[51 : 33] Which God ordained before the world began to our glory. Someone say glory. Glory. The hour there is not every human being, those of us who walk with God.

There are some things that were ordained before the world began to our glory. Christ in you, the hope of glory. Now, Christ, Colossians 3, 4, Christ is our life.

But in the future, Christ will be our glory. Christ is our glory. In 1 Peter chapter 5, verse 10, it talks about, 1 Peter chapter, it said, but the God of all grace who has called us unto his eternal glory.

We have been called unto eternal glory. We have been called unto eternal glory. In Hebrews chapter 2, verse 10, Hebrews chapter 2, verse 10, it talks about how, for it became him from whom are all things, by whom are all things, in bringing many sons unto glory.

We are objects of glory. Glory is God expressed. You see the beauty of God when you look at us. But we are getting there. We are being changed from glory to glory.

[52 : 52] He ordained this hidden wisdom from the foundation of the earth to our glory. Those of us who have God, we have something big. If you don't have God, the story is not good.

Verse 8, whoo! Which, this wisdom, which none of the princes of this world knew, for if they had known, they wouldn't have crucified Jesus Christ. The devil think, well, they killed Jesus, they are getting rid of him.

No, but when they kill Jesus, they are paving way for us. He said, except a grain of wheat fall to the ground and dies. It embires the world. But when he dies, he had to die so that the life inside him can be released into us.

The devil didn't know that. Joseph's brothers thought they were getting rid of him. If they get rid of him, all this dream, dream, dream, dream thing will end. Not knowing, by trying to get rid of him,

they are actually pushing him into destiny.

They thought they were getting rid of you. They didn't know that getting rid of you was actually pushing you into destiny. You got to learn how to work with God. When men shut a door against you, it means that God is opening a better door for you.

[54 : 04] It's just like that. Because when they sack you, when they ask you to exit, when they push you out of the door, get out of our company, every exit is an entrance.

You have to. If you have not exited your mother's womb, you wouldn't have entered the world. God is going to take care of you. Amen. Amen. Amen. Amen. Amen. So, don't conclude that every negative thing that happens to you is negative to your destiny.

Wow. It's not negative to your destiny. If you work with God, he said, my people shall never be put to shame. Amen. What don't we understand about never? Why are you so worried?

Why are you so worried and fretful? God will take care of you. Amen. I said God will take care of you. Amen. So, he said that if they did, they wouldn't have crucified the Lord of glory.

Then the verse 9 says that no eye has seen nor ear heard. Neither has it entered the heart of man. The heart has a bigger capacity to encapsulate or receive things that the natural eye cannot.

[55 : 17] The natural eye is limited in what it can take. The ears is limited but can take more than the eyes. So, you can be here.

Your eye cannot see beyond. Your ear can hear beyond. Okay. So, eye has not seen nor ear. And your spirit is kind of limitless. It can take in so much.

But, if your spirit is shut down, you are restricted. So, he said, eye has not seen nor ear. Neither has it entered into the heart of man.

The things which God has prepared for. Who has he prepared for? Alright, do me a favor. Shall we all read the out loud from the screen? Let's go. Let's read it loud.

Let's go. Let's read it loud. Let's read it loud. Eye has not seen nor ear heard. Neither has it entered into the heart of man. The things which God has prepared for them that love him.

[56 : 16] Who has God prepared for? Not them that believe in him. You receive God. When you receive God, when you believe in Christ, it's necessary.

That's what starts it. When you fear God, you worship God. You move towards God. That means you have received him.

But it's one thing. But God, the things God has in store for the people, it's not those who have believed and received him or worshipped him. You have to take it further.

Those who love him. Those who love him. Loving God meaning that you allow him to saturate your being and you being lost in him.

To understand that, it's like you and God end up becoming one in the spirit. You are one. That's someone who loves God. You are lost in him and he has saturated your entire being.

[57 : 17] There is no space for junk. You love God. You love God. Our generation is crying out for God lovers.

You love them. There are enough believers. We need some God lovers. You love God. In Psalm 73 verse 25.

73 verse 25. Put you on the screen please. Who have been, whom have I in heaven but thee and there is none on the earth that I desire.

That's a God lover. My biggest desire is God. That's what he's saying. That's a God lover. Who again is God? I just love God.

I will not compromise my God, my passage of God for any other thing. I love ask someone do you love God? Do you love God? Thank you Jesus.

[58 : 23] In Psalm 25 verse 14. In Psalm 25 verse 14. Let's not read it from the screen if I don't block your view.

Let's read it. that word fear is also translated love.

See the hidden things of God, the secret things of God, where are they? They are with those who fear him, those who love him. So it says that our eyes have not seen, nor ear heard, neither has entered the heart of man, the things that God has prepared for those who love him.

When the Bible says love God, it means that it involves your heart, all your heart, all your soul, your feelings, your intellect, your decisions.

In Mark chapter 12, Mark chapter 12 verse 30, look at how he said it, put it, Mark 12 30, probably put it on the screen. And thou shall love the Lord thy God with all thy heart, with all thy soul, with all

thy mind, and with all thy strength.

[59 : 32] Everything inside you is dedicated for God. That's what we talk about the love of God. It's not this kind of, if you come to church, everybody must clap for you.

Well done. Well done. Well done. If you give a seed, you give your thigh, you give your offering, oh, thank you. We have to thank you for giving. Thank you.

Thank you for giving to God. Thank you for giving to God. Think about it. many people are waiting for thank you because they give to God, because they use their time to serve God, because they did something in the church.

So they need an applause. They need recognition. Jesus said, follow me and I'll make you fishers and I'll recognize you. I'm saying some interesting things.

It's all in the soul. In the soul. You don't know how important I am. As for this church, you don't believe in people's social lifting at all.

[60 : 36] No, we do. We celebrate it because a lot of us are going to be very great in society. But before you become great in society, just know that your greatness is not what makes you great in God.

It's your greatness in God that will give you a placement in society. It's very important. So love the Lord with all your heart, with all your soul, with all your mind, strength, strength.

It will cost you ability, your strength, your physical energy. Some of us are very agile, healthy, and your strength is no use for anything. This morning, over 25 of us were here setting up all these things.

Strength. Young man. Young man. They should do it for you to come and sit and serve you like restaurant. Think about it.

It's the consumerism mindset. God is not so much. What you get from God is not as important as what you do for God.

[61 : 39] What you do for God is what defines your rating. What you do for God. Don't wait until you're very old. I don't believe in being old before serving God.

I don't believe that. Young. Young. Young. Young. Young. Young. Young. Young. Young. Young. Young. Huge.

Young. Young. Young. Young. Young. Young. Young. Young. Young.

Young. boost a little bit. Not point 001% of boosting.

That, ma'am, all the cream of my life from when I turned 17, all of that time, I've given my all in the things of God.

[62 : 46] Watch this. Don't clap. It's not anything to write on my mouth so much. But the point I'm saying is that I have lived my, practically the entirety of my adult life in church.

And I've never had one regret. I have what it takes to tell you to do the same. I can challenge you to do that because I've done it and it works like magic.

I can challenge you. You're very healthy. That's awesome. Look at some of you. You are so pretty. Beautiful. God also likes nice ladies.

Nice ladies to say with their wig. Nice. I mean, look. This morning when I saw you, I could tell that you were beautifully made. With your eyelash like a fan.

And the way you did your hair. Very nice. Right to your feet. She was here. What time did you get here this morning? 625. 625. To come and help, get things ready so that the rest of the consumers, not everyone could have made it, so that's okay.

[64 : 03] But you have to, you look at how strong you are. Young man. Use your energy for God. But I get what I'm saying. Love the Lord with all your strength.

Love the Lord with all your strength. Ah, I don't do this. Ah, I don't do this. I don't have time. Hey, excuse me, can I sit on these?

Hey, drop it. You are not that important. Let God use you.

And it's very fulfilling. Yes. Love the Lord. You're God with all. He says, for what man knows the things of a man?

Verse 10. Put verse 10 on the screen. But God has revealed them unto us. How? Why? Why? For the Spirit searches all things.

[65 : 08] Yeah! The deep things of God. The Spirit. The Spirit searches. That word search also means explore.

Explores. Dives into or excavate. Explores. Put the amplified on the screen, please.

The Spirit searches. Examines. Diligently. The Spirit searches diligently. Exploring and examining everything.

Even sounding the profound and bottomless things of God. Soundings. You know, sounding like the sea. Soundings.

To find that. It takes the Spirit to pick up. To pick. This deep burden. Which the human mind cannot pick. Not at all.

[66 : 03] Now, watch this. The things of God. It says, watch this. For, yet God has done what? Unveiled and revealed. And revealed.

Let's say that again. Unveiled. I can't hear you. Unveiled and revealed. Louder. Unveiled and revealed. God doesn't teach. Wow.

You teach the mind. You reveal to the Spirit. That's true. That's true. That's true. God has unveiled and revealed them by and through His Spirit.

He reveals these things. What things? The deep things that human mind cannot assess. Thank you, Lord. The deep things of God. The deep things about the riches of Christ.

How unsearchable is wisdom and understanding? How deep the plans, the programs of God for your life? How can you be going through something so bad?

[67 : 11] And yet, it is working for something so glorious. It takes the Spirit to be able to access the deep things of God. So that you can say, there are some things you can say, it's okay.

People say, no, you are doomed. Don't worry. Say, it's okay. And other times, other things say, no way. This cannot come near me. Get out of my life. Why? Because you are able, by assessing the deep things of God, you are able to tell what things are okay and what things are not okay.

You can't access it with human wisdom. Because so long as human wisdom is concerned, every pain is actually bad. Wow. But so long as the wisdom of God is concerned, you need some pain to get gain in some other areas of your life.

How would you know? The fact that somebody's relationship didn't work and it ended up working for him doesn't mean your own breaking down will work for you.

You need to access the deep things of God. Someone lost their job and they ended up starting a business and became a millionaire. It doesn't mean you losing your job is going to make you a millionaire.

[68 : 25] Maybe keeping your job is God's plan for you. Yes. So Satan, when Satan takes away that job and you know that deep things of God, no, God's plan is to go through this job.

Then you can rise up and tell Satan, get deep behind me. I contend and secure my job. Whilst there are other things, you say, no, I won't contend for this one. It looks like I should fight for this.

But no, I don't have to fight for this because it's not part of my destiny. The deep things of God. The deep things of God. If you can't access the things of God, you become a cheap victim in life.

Your life will be as a result of circumstances and happenings. If you live your life to chances, you'll be very disappointed in life. Because chances are there are some dangerous things ahead of you. Dangerous setbacks. Diagnosis. Most people who are diagnosed with cancer didn't know that it's coming. Didn't know.

[69 : 31] Some of them didn't know. And by the time they say, oh, we have got three months. Where did this come from? I have a plan. If I book my ticket, I'm going to Honolulu next six months. I'm going for Caribbean cruise.

I've done this. Where from this one? How? And suddenly, oh, the trip doesn't matter. They begin to run helter, selter, selter to look for help. There are major things in life that the human mind doesn't know is ahead.

No technology can tell you what's ahead. No, no, no. No technology. No. No. No. Had it not been, if there was technology to tell us what's ahead, a lot of the disasters could be avoided.

Yeah. Yeah. World Trade Center, 9-11 wouldn't have happened. Yeah. Yeah. It's true. It's true. It's part of our sophistication, technological advancement. Terrorists are advancing every time.

How? Why? How? Because to be human is restrictive. You have to enter. And watch this.

[70 : 37] I need to tell you from the text. Go to the verse 11. Verse 11. He said, for what man knows the things of a man, save the spirit which is in him.

Even so, the things of God knows no man but the spirit of God. What does that mean? Sir, can you come back please? No, just one.

Thank you, pastor. Yes. So, can you look at his face? Do you know what he's thinking about him? Okay, can you look at that minister?

She's a lady. Do you know what he's thinking about him? You don't know. You don't know. Some of you, when the praise and worship was going on, and you, the sister, you are busy dancing here. And that brother was looking at you. You don't know. No one knows what she's doing. No. We are all in church. Ah. You are in church, but your flesh doesn't come to church.

[71 : 46] You are still alive. So, no one knows what this man is thinking. And no technology can let us know. Except the spirit, his own spirit which is deep inside him.

His spirit knows exactly what he is. Yeah. And he said, in the same way. Okay, come, sir. Please. Someone say, in the same way. In the same way. Put you on the screen, please.

Verse 11 again. In the same way. He said, so, even so means in the same way. In the same way. In the same way. No man. No man. The things of God. No one knows.

Except the spirit of God. Oh, wow. And he says, thank you, please. He said, and it is this spirit we have. When you become born again. When you become born again.

You have received the spirit of God. Which has access and privy to the deep things of God. Right. Right. So, verse 12. He says, now we have received not the spirit of the world.

[72 : 44] But the spirit which is of God. Why? That we might know the things that are freely given. The Akkadiba Shada. God has given you some things, but you don't know.

And it will take the spirit of God for you to know. Because that's why you are making those mistakes. That's why you are so fretful. That's why you are so down. That's why you are so worried. Why? Because the things that God has given you. You don't know.

And the things you don't know. You make mistakes and stay away from it. But when you know that this is where your miracle is. This is where God has provided. In spite of what you go through. You keep pushing. You keep pushing. You keep pushing. Because you know it is waiting for you. Shout hallelujah. Hallelujah. Hallelujah. The things that God.

And he says that we have received the spirit of God. So we might freely know. Watch this. As I bring it to the message to a close. The deep things of God can only be assessed.

[73 : 43] Unashadaba, sikaraba, soraya, liriatosha. By our spirit. It's a spiritual thing. Bible talks about the spiritual man.

The spiritual man. Your human self. Natural self. Does not have the constitutional capacity. To perceive spiritual things. Your natural man doesn't have constitutional capacity. To access spiritual things. Naturally you can't have it.

How can you be sitting here. And know. Oh there is somebody coming. And no. You don't have it. Let alone to the things of God. It takes your spirit man.

Now if your spirit man is disengaged from active work. Active work. In your life. Then you are very much deficient. In being able to access. The things that God has prepared for you.

[74 : 43] And so you live your life like an ordinary human being. Because you live like a blind man. Listen. The blind man. There is no difference between a blind man in the light.

And a seeing man in the dark. They both can't see anything. No difference. Spiritually.

Many. And we. Too many of us have been trained to be spiritually done. Trained. Trained.

And we lack it. And it's costing us our entire. The value of our existence. Spiritual blindness. Spiritual blindness will cost you.

The value of your existence. While you are alive. God brought you up from here for a purpose. And the more you disengage your spirit. The less you know what God has got for you.

[75 : 44] And you become a victim in life. Of circumstances. The deep things of God. If I were you. I would go on a quest. I would embark on a mission.

To begin to develop my spirit. To develop my spirit. To develop my spirit. My spirit to be able to accommodate. A spiritual is a spiritual man.

A spiritual man. Or a spiritual woman. Or a spiritual person. Is the one. Who is ruled. Controlled. Over. And dominated. And governed by the spirit of God.

That's a spiritual man. That's a spiritual person. There are too many religious people. Yeah. Yeah. Yeah. Religious. Hey. I can't speak in tongues. And religious. I go to church. Most of the church things we do.

Most of it is just on the surface. We are not spiritual at all. That's true. We are not spiritual at all. That's why we are able to accommodate all kinds of junk. Now. You know what?

[76 : 41] Sometimes you see a Christian. The way he's talking. You are strong. Is he a Christian? Yeah. He's a karma Christian. He's not a spiritual person. Yes. A spiritual person is working with the Holy Ghost. Taking steps with the Holy Ghost.

He's acutely aware of the spirit of God in his presence with him. Yeah. And you are trying not to do some things in your life with your own strength. That's religion.

Learn how to yield to the spirit. You'll be able to deal with the Paul issue if you can yield to the spirit. If you can yield to the spirit. The anger issue.

The gossip issue. The lustful issue. The whole clash of things that people don't know. They are intrinsic. Intrinsic parts of you. You look so posh and polished.

But inside you. You don't want anyone to know. Because it makes you feel so bad about yourself. It makes you feel like. Oh no I'm bad. You are not bad. It's the flesh.

[77 : 37] Your spirit is perfect. Perfect. If you can allow your spirit to grow with the spirit of God. If you can allow God. The spirit of God. To begin to control you.

The spirit of God to dominate you. To rule inside you. You'll find out that the real you begins to emerge. The glorious you. The beautiful you. You are so beautiful on the inside.

I'm telling you. You are one of the best things God has ever brought on earth. I'm talking about you. I'm talking about you. I'm talking about you. Tell someone.

You don't know who I am. And there are some of us here. We are in church. And we think you don't. You can't keep up the jobs.

You don't match. Because only God knows where you woke up from this morning in church. God have mercy. Only God knows the evil.

[78 : 36] The things that you have done. God have mercy. The number of abortions. And Satan loves it. He said, yeah, I'm going to use your past against you.

It's because you haven't realized your destiny in the spirit. As soon as you awaken to your destiny in the spirit, through your work with the spirit, all the things in your past don't matter.

Your future is far glorious than your past. Your past miss. If you can run into your future, listen, the past doesn't matter anymore.

Yes, it doesn't. I want to challenge somebody. If I were you, I would invest a lot of my energy in working with the spirit.

Invest. Invest. Most of us look well polished on the outside. And let me finish. I want to finish on the verse 14.

[79 : 36] Because let me tell you, it's not everyone who is listening to me is hearing what I'm saying. This message is not for everybody. You can put it in the bin.

You can work with it. It hasn't got an influence on my life. I am just a messenger. Postman, I deliver it to you. A letter from HMRC, you can put it in the garbage.

Later on, you'll find out what's happening. Is someone getting what I'm saying? People are so...

What I don't appreciate is religious people. Religious people. They know how to take boxes. They know how to... Hallelujah! And what we touch you is, they find you with something not nice about you.

You were gossiping or you were having sex. You! Ah! Ah! Meanwhile, they... I don't know. Ah! They say they even never do that.

[80 : 32] But you! You! Ah! Ah! Ah! Hell! You will go to hell! They will go to hell. Oh, Pastor, thank you for saying...

No! Please, please. I'm not saying, go and mess up your destiny. What I'm saying is that your future is glorious. For once, for once, excuse yourself from the mess of your past and start running towards your future.

Hallelujah! Run towards your future. Tell someone, you've got a glorious future. You've got a glorious future. Tell the person again, you've got a glorious future. Future. What are you waiting for? Run into the future. Run for your future. Run for your future. Hallelujah! Hallelujah! Lord Jesus! Lord Jesus! Lord Jesus! Lord Jesus!

Lord Jesus! Lord Jesus! Lord Jesus! Hallelujah! Can I finish? I like that. Who is that child? I love it.

[81 : 43] I love it when I hear children screaming, hallelujah. Because some people started with slow words. All right. Can we finish this in the verse 13th?

Is that okay to finish it? Please put the verse 13th on the screen. Verse 13 says that, these things that are revealed to us, which things we also speak, not in words, which man's, you see the wisdom

has come back in, man's wisdom teaches, but which the Holy Spirit teaches. These things, this word, this word, the Greek word means mixing, putting together, adding up, comparing spiritual things with the spiritual. That's how we speak. So it's not two things. We speak and how we speak. Okay. These things, the Holy Spirit, these things that Holy Spirit, we speak. He said, which things also we speak. So we speak the things that the Holy Spirit is teaching us. The Holy Spirit is revealing to us. We speak, but the manner in which we speak is very important. [82 : 59] We don't speak with man's wisdom, but we speak with the wisdom which the Holy Spirit teaches. How? Comparing, mixing spiritual things. So it's all the spiritual transactions in the certain realm.

We mix spiritual. So if you stay out of the spirit, you are out. It takes spiritual men to speak spiritual things. We have to be spiritual. And then we speak spiritual things with spiritual words, Holy Spirit gives us.

So we are spiritual. We speak spiritual things with a spiritual attitude. Okay. Why are we so much eager for people to accept us?

Why? He wants people's applause. He wants their acceptance, endorsement. When you are working with the Spirit of God, you become a puzzle.

When they are expecting you to be down, they end up seeing you rising. They thought you should be crying because you just lost the job and you allow me. And you tell them, oh, everything is fine.

[84 : 07] They say, you won't be able to pay your mortgage next month and next two months. And six months on, your mortgage is even paid easily. How are you working with it? You don't even know. God is just taking care of men.

Comparing spiritual things with spiritual. The word comparing means, as I told you, means to interpret or mix, to adapt.

So you're able to work this out. Interpret, mix, adapt. That's the same word that was used for Joseph in Genesis chapter 40, verse 8, when he interpreted the people's dream.

In Genesis chapter 41, verse 12 and verse 15. Genesis chapter 40, verse 8 says that, and they said unto him, we have dreamed a dream and there is no interpreter.

They don't want to mix it. So when the spirit of God speaks to us, we speak with spiritual word, interpreting things, inter-spiritual things with spiritual things.

[85 : 06] We're spiritual. Genesis chapter 41, verse 12 and verse 15, the same thing. Verse 15, Pharaoh said, I have a dream, but I don't know how to interpret. Hallelujah.

We speak spiritual things. But the problem is that so many of us ignore the spirit. So instead of using your spirit, you watch this, I'm about to end now, we become sensual.

Sensual. Not in the profane way, but just on the human senses. Using just your human senses, your ears, your hearing, your seeing, your smelling, your tasting, your feeling.

Just human senses. So you make judgments based on your human sensory perceptions. Most of us. So we disengage the spirit. Jude speaks about people like that.

Jude. Jude verse 19. Jude verse 19 says that they don't have the spirit. Jude 19. Put it on the screen, please. Jude 19. Jude 19. Jude 19. Jude 21. Jude 19. Jude 19. Jude 20.

[86 : 13] Jude 20. Jude 22. Jude 21. Jude 22. Jude 20. Jude 20. Jude 22. Jude 20. Jude 20. Look at the next verse. But build them up yourself in their most holy faith.

Pray in the Holy Ghost. Build your spirit. Stop disengaging your spirit. Engage your spirit. Tell someone, engage your spirit. Say, engage your spirit.

And the last verse, and I end on it. Verse 14. Okay, okay. Do me a favor. Is it okay if I finish on this? But it's good to read from verse 13 into verse 14.

Did someone learn anything at all today? If you are having struggles in your marriage, likely, and you claim both of you are Christians, likely one or both of you are just being sensual.

You're not engaging the spirit. One great man of God said this years ago, about nine years ago. I heard it. It sounded unpastoral.

[87 : 22] But it was so spiritually true that I couldn't challenge it. And I accepted it. And I adopted it. He said, marriage counseling. Christians who go for marriage.

Marriage counseling is for Christians who are not living the Christian life properly. That's unknown. But you have to have counseling for people. He said, if people can live by the spirit, just being...

Listen, if you can just be a pure Christian, why would you insult your wife? Why would you? If you can just be... If you can... Not even hate, insult. Just being a pure Christian. You can't say, what this guy has done, I won't forgive him. You feel it easy? By the spirit to say, okay, let's sleep in the dark light. It says that do not sleep over your anger. It says, don't let the sun go down your anger. That's Christian. You have been angry for three days, four days, one week. You don't talk to each other. So, you see, right there, it's not a counseling problem.

[88 : 18] It's a spiritual problem. Just come and come. Come and sit down. And they come and sit down. Before I pass it. Hey, hey, hey. Pasta, I'm not saying don't come for counseling. I really don't have much time for counseling.

But you can come. Hey, hey. Hey, hey. Pasta, the way he said. Hey, Pasta. Hey, hey. You want to do it? Hey, you get it? And sometimes, you sit down, you can't see them. Even in your presence. Eating. Emotionally excited. These are people who love each other and can't have enough of each other. everybody is saying they don't leave us alone we love we are in love we are in love when people are not working with their spirit that's the difference I'm talking about you claim to be a serious Christian a serious Christian is not someone who is always in church if you are serious you will be in church anyway but seriously it's not being in church it's not just because you are in church but it's because some of you come to church and you are fighting with other people you don't talk to them in church you fight with church workers you have issues you have issues with some people you just don't like them most of you are in church not most of you but some are in church they are always complaining about that pastor complaining about that church leader complaining about that keyboardist complaining about this and it's not like complaining because a person maybe did one or two and it's organizational but it's just personal

I don't like him I don't like him I don't like him I don't want to say hello to him shame shame unto you and you say that honor shame you are not a spiritual person you are not you are canon now you are flesh you are flesh and we can't clap for you on this matter we can't clap for you we can't clap for you you can choose to take offense that's the flesh at work too and I can't clap for you and I can't clap for you and I can't clap for you that is why why can't we just sometimes you come to church and you find people who are also in church sometimes you are disappointed and as a pastor sometimes you find that where two people two people one day two ladies were fighting the other one said I will slap you who do you think you are in church in church you are a star landing here who do you think you are I can't handle you and these are these are not like people who are not these are people who every day I am I am I am I am

I am I am I am I am I am I am I am I am I am I am I am I am I am I am I am a young handsome man nice guy you have you've got this lady you are starting to They call it dating. It's caught.

[91 : 04] Christian word is caught. It's not dating. You are caught. And you won't leave it alone. Pastor, if I don't mind. You just first dinner you went.

After the dinner you were working. When you see someone behaving towards you in a fleshly way, don't judge the person.

But identify this as the flesh. Try and stay in the spirit. Help the person if you can. Tell the person, Satan is going to use you. If it's the last four things, then you see the guy is keeping looking at your breast.

Looking at your breast. You need to cover your cleavage. Just cover your cleavage. And you can tell.

You know sometimes you're a woman, you can tell. This man's eyes has lust. It's like red. He lusts. And sometimes when it's so obvious, you can look at him and say, get deep behind me.

[92 : 13] Say it. And if he's a genuine Christian, suddenly he'll recover himself. He'll recover himself. Wow. And do not think the person is bad.

Just that the wrong side of him was beginning to go. Come on. But some of you are in church, and sometimes the feelings you have for other people, you don't know what's wrong with you.

Stay in the spirit. Once you are a human being, some things will never leave you until you die. Your taste for some things will not go. Yeah.

It will not go. I see. It will not go. So your safety is working. How do you work in the spirit? Build, develop your spiritual life. How do you? Read your Bible. Come to prayer meetings.

Pray. Be in church. Read your Bible. Listen to preaching messages. And cut down some of the movies you're watching. Entertainment. And the junk music. Because what those things are doing is

building your flesh.

[93 : 12] God is not upset with you. But you'll be failing. And you'll be losing touch with the spirit because he only relates with your spirit. So, listen. If I see a Christian sister, a Christian brother, who is actively doing porn, I won't condemn you.

The art is not good. But I know it's... You don't want... If you're a Christian, you don't like it. Yeah. No Christian will do something and it's, I'm happy I'm doing it. No. It's not in you. Just that your flesh is not ruling.

Ruling. And so there are people you make... You determine, I will never do this again. But two days later, you are back there. Why? Because you don't have the... The constitutional capacity to see through.

So you have to build your spirit. So when the devil is making you downplay prayer, downplay church, downplay reading your Bible, downplay listening to message, it's not him. It's not God you are doing.

It's you. He's eroding your strength gradually. By the time you realize you have accepted all kinds of things and you feel so bad about yourself, you come to church, the pastor is preaching, you feel like, let me hide on the floor.

[94 : 13] I don't know. But then suddenly you feel guilty. I feel guilty. Build your spirit and you'll be okay. Yes. Wow. Beautiful. Wow. Wow. Beautiful. Awesome.

Awesome. Awesome. Awesome. Awesome. Awesome. Awesome. He said, we speak these things with word the Holy Ghost gives. Verse 14, I've ended in one minute. Verse 14, we have to, other than that, next we have to come to it.

But next we have to go deeper. Verse 14, let's all read it together. Let's go. Give us new, so that I don't like to receive it.

Let's go. Let's go. That's not receive the things of the spirit of God. For they are foolishness to him, nor can he know them, because they are spiritual.

Did you see that? So there are people, all these things I'll be saying now. Because the natural man, your intellectual self, cannot pick these things up.

[95 : 12] Why? Because these things are spiritually deserved. They are spiritually deciphered. They are spiritually extracted.

You need your spirit to extract the depths of God. How can you go to a well and expect to fetch water with your fingers? You can't.

You don't have that capacity. The physical capacity to do that. You cannot. You can't. A man cannot be pregnant.

He just cannot. It doesn't matter how advanced medical science goes. And only an egg cannot form a human being. It doesn't matter how advanced medicine gets.

You need a sperm and an egg. The egg comes from a woman and the sperm comes from a man. Women don't have sperms.

[96 : 12] That's why they have breasts. It's a fact. Sperms come from the scrotum.

Am I right, Joshua? Yes. A woman cannot have that. What a woman has. Can you see? Have you ever seen a man who is having his menses?

It's a menstrual cycle. And where are you going? I'm going to buy a pad. A pad for menstrual, menstrual.

No, no, no. A man can't do that. But women. So when a woman in his time of the month, people understand. They understand.

When a woman gets up and goes to have to go and check herself in the ladies, every adult understands. Because it's a normal cycle.

[97 : 14] It's a normal cycle. A woman has egg. A man has sperm. That's life. You can't change it from. You can't legislate it around. No, no.

No. Hallelujah. The natural man cannot receive the things.

He cannot receive the things of the spirit. The natural man. You are so natural. That's for me. That's for me. You know I'm very... That's for me. Yeah, yeah, yeah. That you. That you. That you. That you. It's what we are referring to. You are new in your natural self.

You don't have the constitutional capacity to design spiritual things. But, that's how you say the things of this. For they are foolishness to him, nor can he know them.

You can't know why. Because it takes the spirit to design them. I pray that God will strengthen you in the spirit. I pray you grow in the spirit. Amen. I pray you won't stay at this level.

[98:11] This year, may you see a surge in your spiritual life. Amen. May you see a wild growth in your spiritual life. This year is not about, not just about miracles, not just about testimony, but the greatest miracle is your spiritual advancement.

That when you advance in the spirit, then you know the things that are freely given to you by God. Then you can go for it. Satan sees you. You say to Satan, get behind me, and he back off. Why? Because spiritually you are a macho woman. Spiritually you are a macho man. But if spiritually you are emaciated, Satan will just retouch you here and there. And you can't even receive communication from the spirit.

But I pray over your life, that may it begin, may today begin, a new journey, a new journey, in your spiritual growth. May today begin, a new journey, a new face, a new face, of your spiritual life. in the name of Jesus. In the name of Jesus. We love you, Lord. We love you. The deep things of God.

[99:17] The deep things of God. If you are not saved, you are not safe. Because life is dangerous. Life is not under your command. I don't see why I should end this service without giving you an opportunity to say, yes, Lord, pastor, pray with me, because I want to have this bread.

It means I want to put all my confidence in him, all my hope in him. I want to give my life to Jesus. If that is your genuine desire, just lift up your hand and say this after me. Say it genuinely from your heart.

Say, Lord Jesus, I know I'm a sinner. I've sinned against you. I ask you to forgive my sins. Wash me with your blood. Thank you, Lord, for dying on the cross to save me.

From today, I will serve you. I believe in you. I put all my hope in you. I put my faith in you. As my Lord and personal Savior, I receive you into my life.

I make a vow with you that I'll serve you all the days of my life. Satan, get behind me. I don't belong to you. I belong to Jesus.

[100:20] Thank you, Lord, for saving me. In Jesus' name. Father, I thank you. Your word says that you know your sheep and your sheep know your voice. No one can come to you except your father brings him.

I pray that let your grace be upon them. Help them to be strong. I pray that the grace of God will come upon you. The power of the Holy Spirit will come upon you and help you to be a strong Christian. In Jesus' mighty name, Amen.
