Preacher: David Antwi

[0 : 00] Welcome. Thank you for choosing to listen to another faith-building message by Pastor David Entry. Faith comes by hearing and by hearing the Word of God.

May your knowledge of Jesus Christ increase as you listen. Be blessed. Violent faith is violent in its approach. It's radical in its approach.

That Christianity that tells you you just have to be calm, quiet, sing one or two hymns is a deception. You will die in that state. Things that are supposed to work for you won't work the way they are supposed to work.

Because if things just work, Jesus wouldn't have said when you pray, say, let your will be done as it is in heaven. So, one thing can be happening in your life and something else, God also, heaven also has something else in mind for you.

In other words, heaven can have something in mind for you, but the opposite can be happening in your life. And the answer is you pray. So, if you don't get up to do something about your situation, nothing changes.

[1 : 11] Right. Nothing changes. Someone must take responsibility and say to yourself, this is my time.

I am getting my miracle. If God is a miracle working God, then why can't he do it for me now? If God works miracles, then it might as well be in my life.

And you don't say that, well, if God won't do it, he won't do it. No, he doesn't even pray like that. The woman came to Jesus and begged him that, Lord, have mercy on my daughter.

Matthew chapter 15, verse 21 downwards. He said, Lord, have mercy upon my daughter. Lord, have mercy upon my daughter. She was, I said, have mercy upon me. Oh, Lord, son of David. My daughter is severely demon possessed. And Jesus would not mind her. Did you see that? He would not answer her any way. He didn't say anything to her. Then the disciples came to Jesus and said, send this lady away because she's just disturbing us.

[2 : 17] That tells you she wasn't giving up. She wasn't giving up. Some of us give up too quickly. Your threshold for pressing on is too low.

It's too low. Your perseverance is not in the interest of somebody. It's in your own interest. You can choose never to go to holidays again.

Who does it affect? You can be so angry, you decide, I will use my bank card again. I will use my bank card again. I will use my bank card again.

The woman came to Jesus and said, Lord, you have to do something. And the Lord said, the Lord said, the disciples said, he's disturbing us. Let her go. The Lord said, I'm sent to the Lordship of Israel.

And he said, the Lord told her, why do I take the children's bread and give it to dogs? And the woman said, okay, I know I fall in the category of a dog because I come from Canaan.

[3 : 20] I'm not part of the people. I'm not qualified. But in spite of the fact that I'm not qualified, when bread, see, her determination gave her insight about bread, children, and dogs.

If it was some of us, you would just forget about everything. See, some of us, we allow offense to block our miracle. You get offended about anything.

Because someone didn't smile at you. Because someone didn't say hello. You are very upset there's fire in your house. Because your wife didn't say good morning.

Good morning. You have concluded that she's becoming very stubborn. And she thinks because she has got a pay rise now, she doesn't respond. Where did that come from? In other words, some of us are too inquisitive.

And someone said hi. You are beginning to read into it. Why didn't she say hello and didn't say hi? That woman couldn't.

[4 : 33] Instead, she used that. That's what gossip does. I'm telling you. As I grow in church, I see what gossip is doing. Gossip is number one killer.

Virus disease in the church. Because when you go and talk negative with somebody, for some reason, their heart gets poisoned.

So someone tells you something negative. For some reason, when you see the person about who they tell you, immediately you begin to struggle. The person is smiling with you.

You can smile politically. But in your heart, you know that this is my enemy. I don't like you. I'm going to say with you. Because of what I heard somebody say. Listen, after church, people can pick a phone. Do you know why he said this?

Do you know why she said this to you? And suddenly, people who come and be screaming, oh Lord, show your power. I'm so. Next time they come, receive it. They are standing like that. What has changed?

[5 : 28] Who is suffering? Who is receiving? Receive. If you don't receive, then who suffers? But because the gossip. Now, you actually want to receive, but the information was too bad for you. Jesus told the woman, I can't give the food of her.

Can you imagine if she had people who have been gossiping to her? Say, ah. You know, I told you they don't like us in this church. I don't like. You know, I've discovered anyone who says somebody doesn't like me in the church has an accomplice who I've been gossiping with.

I've discovered. Because you can't conclude until someone confirms it. Yeah, yeah, yeah. Okay.

Your violent faith will help you. You have to be violent to chuck out that rubbish from your mind because it's standing in the way of your next level.

That's right. And you don't understand why they've laid hands on you. You're falling and falling and nothing is changing. They've prophesied so much on you. Tomorrow morning, you are going to marry.

You are meeting your wife the next week. They've prophesied. And I mean, what prophecy have you received? I guess who received quarter of what you received? I've already got testimonies. Long time. I've come for another one and you, you've been receiving it for so long.

[6 : 39] But things are not happening. It's because of your fellowship. You know, people leave churches because of gossip.

Because someone told them that, hey, these people don't like this. So suddenly, someone who was so much on fire, serving so faithfully in the ashes, serving so faithfully in the choir, serving so faithfully with the sound men, serving so faithfully, in children, serving so faithfully.

Suddenly, venom has entered the passage. They are no more interested. Oh, today we are going to do some cleaning. Oh, yeah, I'll come later. We are starting the first new fast.

Oh, yeah, we are starting. I will see. I will see when, ah, something has entered there. They are backsliding. Yeah. Yeah. You were once on fire. Where has the fire gone?

Yeah. Don't be listening to people who say, who tell you that, ah, me, I used to do this. I used to pray a lot. I used to, hey, me, when we were starting, don't listen to them. Let them tell you what they are doing now.

[7 : 44] Because you can't be drunk on three weeks' wine. Three weeks ago, you drank, and now you are getting drunk. You drank it three weeks ago. Shout violent faith.

Violent faith. So the woman came to me. Jesus said, I can't help you. Jesus didn't say I can't help you, but obviously what he said has done. The woman said, yet I am taking my miracle by force.

She said, I am grabbing it. Dogs still have some cramps. Give me the cramps. The cramps are good enough for my daughter. Jesus said, ah. He said, I have not seen.

Oh, woman, great is your faith. Let it be to you as you desire. And her daughter was healed from that. Do you know who healed the daughter?

It is the woman's faith. He said, great is your faith. Great faith will not take no for an answer. He said, there is no job, but still, there is vacancy there for me.

[8 : 45] He said, there is no job. We can't create a room for me. I am coming for my job. Yes. Yes. So, hallelujah. Hallelujah. Mark chapter 2. Some people came with their friend.

Their friend was from verse 1 to 5. Mark 2 from verse 1 to 5. Their friend was crippled. Jesus was teaching. And Bible says there was no room. Say no room. No room. Say it again.

No room. There was no room. So, they couldn't bring their friend in. But their friend needed to get to Jesus. Their friend needed to get to Jesus.

Because there was no room. But they got, Bible said, not at their door. So, even their door is jam-packed. But this man was paralyzed. They needed room to bring him.

When they got there, they found out that there was no room to help them. And they said, excuse me, there's no room. Is there a roof? He said, yeah. It's a building. It has roof. Show me the way to the roof.

[9 : 46] That's violent faith. They went and started uncovering the roof. Moving the roof. Moving everything. So, the people were sitting inside. And somebody has discovered another access.

Before lift was invented, this guy started using lift. Do you know how?

Faith. Their faith was violent. And so, they uncovered the roof and then let down their friend. Death. They let down.

Say, they let down their friend. Violent faith says that, Lord, based on your word. They are saying that there are more women than men. So, some women won't marry. But I am married.

I am getting married. I am getting. And you can say, this year, I'm beginning to do my shopping for my wedding. This year, I'm getting married. Yeah, that's what I'm talking about. Violent faith.

[10 : 42] Violent faith. So, they said, there's no room, but there's roof. Let's use the roof. They brought down their friend. Then, verse 5. Bible says that, Mark chapter 2, verse 5.

When Jesus saw, then when Jesus saw what? Their faith. So, faith is what they demonstrated. When faith said, they said there's no room.

But faith said, I'll uncover the roof. The doctors tell you that there's no healing for your sickness. And you're okay. I think you are wrong.

Violent faith. Speak back. Violent faith. And violent faith will always get strange, amazing results. Violent faith. The problem is the absence of faith. Not lack of power from God's side. Someone shout faith.

[11 : 39] Faith. Faith. Shout it, faith. Faith. Have faith in God. Jesus said, have faith in God. Your faith is what will help you. My doctor said.

My doctor said. My doctor said. My doctor said. What do you expect him to do? He has to say something. My doctor said. My doctor said.

My doctor said. And you are working with. My doctor said. My doctor said. I can never walk straight. My doctor. Oh, I. God can heal you. But my doctor said.

I cannot. Why don't you believe God? My doctor said. Your violence. The violence of your faith. You say. No. This thing is stopping. This thing is stopping.

This thing is stopping. Not because you just want it to stop. But because you have found out. That God is your healer. You have found out. That you can walk healthy. Do you understand what I'm saying? This thing is stopping.

[12 : 35] This crisis in my marriage. Is stopping. It's stopping. It's seizing. This joblessness. That keeps going around. In my life. Every. Every. Three. Three months. I have to be jobless.

Every three months. I'll be jobless. If I get a job. Within six months. I'll be jobless. No. It's my stop. It's my stop. Are you not tired of.

We regret. To tell you. You can't. You didn't get. We are not. This time. You are not successful. We regret. We regret. You have got too much of it. The last one. You look at it. You say. Hey. I rebuke you. No more regret in my life.

No more regret. We are happy to tell you. It's coming. Some of the. We regret. You take it. And say. What regret. What? I regret. Get rid of it.

I declare. I'm happy to tell you. It's coming. I declare. I'm happy to tell you. When you are going for interview. Be in your best. Prepare. And speak. When you are finished. You go. You say.

[13 : 30] I'm glad. I'm happy to tell you. I'm happy. When they tell you. You show me surprise. Because that's what you are expecting. Yes. Full infant. They tell you that. Sorry. It looks like.

You are not. We can't let you have the job. You say. Sure. I think you are making a major mistake. Yes. Look at it again. Look at the interview. No second. Look at it. Tell them. Because you know. Who you are. Speak out.

Don't be afraid. To speak God's word. They tell you. There's no room. The devil is a liar. Use the roof. You'll find out. There's a room waiting for you. Shout hallelujah.

Hallelujah. Hallelujah. How to generate violent faith. Because this is important. How do you generate violent faith? Somebody say. Thank you Jesus. Thank you Jesus. How do you generate violent faith? Number one. We just have to start with normal way of getting faith. A normal way of getting faith in Romans chapter 10 verse 17.

[14:28] It said therefore faith comes by hearing and hearing by the word of God. So when you hear the word of God like we are doing now. Faith comes. You can't generate violent faith outside of the word.

So get back to your Bible. Bro. Start opening your Bible now. Open that Bible. Open that Bible. And sometimes close that email. Close that Facebook. Open the Bible. You have to expose your. Particularly when it comes.

Your child is sick. You are believing God for a job. You are planning to buy a house. Start a business. You have to be careful. You are going to seek advice. But you have to be very careful who is speaking to you.

After you believe God is pointing you in a certain direction. Because some people are full of fear. And doubt. And regret. And pain. When they speak to you. They will crush your faith.

[15:26] They will tell you. My friend. Let's face reality. Let's really face reality. Okay. Let's face. My sister was not well. She wasn't well. She was going to church always.

Saying that God will heal me. She died. She died. And no church member attended her funeral. So I'm telling you. This thing you are saying. Be careful. Just. Just.

Just. Just. Keep. Taking your medication. Let them catch you. If they catch one of your legs. Take it like that. At least you have the other one. Before you wait for this one. To affect the two legs.

Are you getting where I'm coming from? So you have to be careful. Alright. So. Violent faith. It comes by the word. Say the word. The word. Say the word of God. The word of God.

Number two. Violent. So. Scripture for that is Romans chapter 10 verse 17. Now. How do you generate violent faith? Number two. Confession. What you say. What you say.

[16:22] What you say. Second Corinthians chapter 4 verse 13. It said. Let's look at it. Second Corinthians chapter 4 verse 13. Woo. Thank you.

Someone shout hallelujah. Hallelujah. And since we have the same spirit of faith. According to what is written. I believe therefore I spoke.

We also believe and therefore we speak. That's how faith works. Faith works with what you say. Someone say I am blessed. I am blessed.

Shout I am blessed. I am blessed. I taught you last Friday. That violent faith is lyonic. It's wrong. Paul told the man who was crippled.

Shouted at him. Rise up. I am sure. The shout. Made him just get up. He was confused. Okay. And then he was like. He is working. Hallelujah. Shout and bless.

[17:21] It shall be unto you as you say. Shout I am blessed. Shout I am blessed.

I am blessed. I am blessed. This week must end. You will see manifestation of this confession. What you say is happening to you.

what you say is happening for you what you are saying is happening for you what you are saying is happening for you in the name of Jesus send me so confess it speak it out sometimes not just what you say when you are walking in prayer speak out the word of God and speak out what you believe God is going to do the reason why you are still seeing the results is you are too quiet you are too quiet some of us we assume it's gentility it's not gentility don't be quiet you are too quiet you are too quiet see so you must know that violent faith speaks out speak out tell your son tell your daughter you are not doing well you are doing well when they are going to school the child behaves in a certain way and he said you you are about to say you naughty you you you wonderful boy wonderful boy you you wonderful you beautiful girl like you look at you why are you doing that huh you are great you are wise you are mighty you will do well you will not fail in life you will do well because god's word said he said i can't do it he said you will do it you can do it god's word how do you know god's word said you will do it god said you can do it you would and then when they sleep speak about their lives don't let anyone ask my children landing is hard though don't say that don't say that landing is hard who told you do you know how many people are buying houses they are people who are just buying houses like that so stop saying landing is hard when they are telling nowadays it's difficult to find a job don't be listening to them don't be listening to them don't be listening to them begin to speak that i'm going to get even though situations are threatening you this

is really this thing but believe god's word in the name of jesus i believe god's word i believe god's word i believe god's word i believe god's word be it unto me according to your word be it unto me according to your word not according to their policies not according to what they are saying not according to their law be it unto me according to your word be it unto me according to your word be it unto me according to your word shout hallelujah be it unto me according to your word never allow sit down and allow your child to get go of either health wise or behavior wise no the word this is not part of the word I believe so speak the word it may take a year two years don't take what the specialist are saying if you don't like it don't say be it unto me according to the specialist be it to me according to love

Vicente wonder and also thing you just go to church they begin to realize that you are not just going to church you are working miracles you are working you are working it you are working it you are working it you are working it and it's working for you and it will work for you I release your miracle in your life I release your miracle in your life I release your breakthrough into your hands I do renew your breakthrough to your hands.

In the name of Jesus. In the name of Jesus. In the name of Jesus. I declare miracle money. I

declare miracle babies.

[21 : 43] I declare miracle houses. I declare miracle jewels. Miracle documents. Miracle documents. Miracle promotions. Miracle businesses.

Miracle husband. Miracle wife. Miracle casts. Miracle houses. I declare to my life. In the name of Jesus.

Amen. Thank you Jesus. Shall Lord I believe.

Lord I believe. Oh. Confession. Number three. Love for God. It builds your faith.

Galatians chapter 5 verse 6. It said. Faith. Working. Through love. Faith works through love.

[22 : 53] Love for God. Love for God. Have you noticed that when you are in love. You don't know about convenience. Your child is screaming at night.

Say. Hey. I'm tired. Sleepy. It does. Haven't you seen mothers. Jump out of their. Houses. And their. Their rooms. Almost naked.

Because their child is dying. Love does not know convenience. I don't have time. You know my job is so demanding nowadays.

This job that God gave me. He did very well. But. I have to be faithful to the job. So. God. This fast to me. I can't do it. I.

I did last year. And I didn't really get. The result I wanted. So. Let others do it. Until you show yourself strong. And do it. I won't do anything.

[23 : 51] Faith works by love. Do you love God? Do you love God? This message. God has given us. Privilege to be sharing. Listen.

It's efficacy. It's impact. On your life. Has a lot to do with your heart. For God. How you love God. Makes it easier.

For his word. To find space in your heart. For you to generate faith. Ask someone. Do you love God? Do you love God? I love God. Hallelujah. Convenience.

Yes. That's it. I have to be. I have to. But you are not doing it. Ask for God. You just have the time.

When you want. And he has to. When you come to church. You have really done God a favor.

You know. God. I've done you a favor. Coming to church. We are praising God. I can't dance in front like that. I can't dance in front. I can't dance in front. But look at the way. You have been wiggling your waist in parties. You see.

[24 : 51] Some people want to behave like that. The problem is not poshiness. It's heartless.

Heartless. Yeah. Yeah. And when you see people dancing. And jumping. You are laughing at them in your heart.

At this guy. The way. Look at the way he's bouncing around. You are laughing at them in your heart. You should. You should begin to feel sorry. And say God. I love you. I praise you. When he. More than me.

I will have to praise you God. I praise you. I keep yourself rolling. Do anything. If you mean that praise him God. Some of us. We. You are so busy. But actually.

Other things are taking priorities in your life. That's why you don't have time for God the way you should. It's not because you actually don't have time. For other things are taking priorities in your life.

Is filled with the love. For God. Number four. How do you generate violence faith? Huh. Somebody's getting a miracle here. Huh.

I like this one. I almost. I almost left. Okay. Let me just work this quickly. Number four. How do you generate violence faith? The testimonies of others. The testimonies of others.

Did you hear? She said. When I heard. The sister's testimony. I said no. This time. I can also have this testimony. I've been to you. A number of people. Who have said that. They heard. They are going through something.

[31 : 30] But when they heard. Somebody's testimony. It provoked them. To believe God. Testimonies. That's why we share testimonies. In the church. It's not just to show.

Somebody. What. Someone else has got. So. If you have received. A promotion. In your job. Because you prayed. Or you received a declaration. Don't sit on it. I don't want them to know. That I now. I've got. No. It's not about you. It's about the person. Who is waiting. To hear your testimony. To provoke their faith. So. If God does it for you. He does it for you.

So that others can learn. When David met Goliath. Saul said. You can't fight him. He said. No. I can't fight him. He said. What's happening? He said. I was taking care of my father's sheep.

A lion came. I killed it. A bear came. I killed it. And then he said. The Lord. First Samuel chapter 17. He said. The Lord that delivered me from the lion and the bear. I think verse 37.

[32 : 24] First Samuel. Look at it. Testimonies. Someone say testimonies. Verse 36. First Samuel chapter 17. Verse 36. He said. Your servant has killed both lion. Both lion and bear.

And this Goliath. Will be like one of them. Do you see that? The testimony. What God has already done. When you focus on it.

It will provoke your faith. Time will not permit me. There are many people who came to Jesus. They brought sick people to Jesus. So that day. The sick people will touch the hem of Jesus' garment. How did they know? Because one woman did it. And Bible says. As many as were touched were healed. How did they know? One woman did it. And her testimony became a spring. God. When the angel appeared to Mary.

In Luke chapter 1. And he said. You are going to be pregnant. Mary said. I can't. I don't know a man. Then the angel said. Don't worry. With God. All things are possible. Look at Bethesda. Now indeed. Elizabeth. Your relative.

[33 : 21] Has also conceived a son. How? Where? In her old age. This old woman. Pregnant. And you. You are. She is now in her sixth month. So it's not two days.

I'm telling you. Things are happening. Just that you don't know. Right. They haven't told you. But miracles are happening. In other people's lives. So if your turn comes. And you sit down quietly. When Mary heard that. The angel said. She's pregnant. And then. For God. Nothing is impossible. When Mary heard that. You can have marriage response. He said. I'm the. How many of God. Let it be unto me. According to his.

How can a young woman. Determine to be pregnant. Without a man. Okay. I'm ready to. It sounds stupid.

But. She heard someone's testimony. Ah. If this woman. Has conceived. Then I have better chances. Testimonies.

[34 : 16] Testimonies of others. When you hear. Adam's testimony. It's just telling you. The better one. God is about to do. Because. God always does. It's better. Yes. So your own testimony.

Is going to be. Wilder. And better. Shout the ears. And then. Quickly. Number one is what? What? Number two. Confession. Number three.

God. Number four. Testimonies of others. This is why I brought. This message here. But let me do this. In five minutes. The Holy Ghost. The Holy Ghost.

Provokes. Violent faith. He will teach you. Things that no one. Can teach you. Suddenly. Or. It's like you are. Intoxicated. The Holy Spirit.

Will teach you stuff. This morning. I was teaching. On the spirit. I mentioned about. I mentioned the Holy Spirit. Who is the teacher of truth. Remember. Those were in the first service.

[35 : 14] The teacher of truth. The teacher of truth. Magister. Veritortus. That's. The teacher of truth. That's Latin. About the Holy Spirit. The reformers. Theologians.

They call him. Magister. Veritortus. The teacher of truth. It is he. First Corinthians. Chapter two. Verse 13. Verse 12. It said. It said. Now we have received. Not the spirit of the world.

Get intoxicated by the whole. Listen, on the day of Pentecost, Acts chapter 2, verse 13. Bible says that. Bible says that. People said, others were mocking.

They said, these people are full of new wine. They are drunk. It was the Holy Ghost effect. They thought they were drunk. Hannah went to pray, and she moved herself. People thought she was drunk.

[41 : 33] It was the Holy Ghost effect they saw in Acts chapter 2, verse 13. They said they are drunk. They are not drunk. Peter said, these guys are not drunk as you suppose. But this is that which the prophet spoke about.

When you let the Holy Ghost come in you. Listen, with God, nothing shall be impossible. So when everybody is saying that it doesn't work, you say, give it to me. I'll work it out.

When everybody is saying, no one gets a job like this, with this kind of certificate. You say, don't worry. I'll get a job which people are buying my certificate. Whose certificate I can't get? You are not just saying empty words.

But you have had some encounters. The Holy Ghost has already shown you. You have already shown you. You have seen yourself in your wedding dress. You have seen yourself saying, I do. The man telling you, I do.

You have seen yourself at the altar. And you hear the priest saying that. Or the pastor saying, you may kiss your bride. And you show yourself with your red lipstick. Which is now on the lips of the gentleman.

[42 : 31] You have seen it already. You have seen it already. So there's nothing they can do about it. They will tell you no one gets married in their family. Marriages don't work. But you have seen it already.

You can't help it. I have seen it already. I have seen my children already. I have seen my marriage already. I have seen my house already. You can't talk me out of this. Shred yes!

Shred yes! When the Holy Ghost shows you. You in your own private jet.

You have seen it already. You may not even have a visa. But you have seen it already. But you have seen it already. Hey! Come back! You may not have a job.

But you know you are going to own a private jet. You know it's coming. You know it's coming. You may not have a job. But you know you are going to employ thousands.

[43 : 29] You are going to employ thousands. because you saw it. You saw yourself authorizing the post-paychecks. Thousand of them. Two thousand of them.

So your jobless can talk you out. The devil is a liar. They told you you're about to be divorced. But you saw yourself celebrating your 50th wedding anniversary.

Yeah! Shredier! Shredier! Shredier! Shredier! So when the Magister Veritatus when the Magister Veritatus shows you your future you get drunk in this hotel.

You get drunk in this hotel. And you can't help it. You can't help it. The reason people don't get intoxicated is because they don't stay long. Continuity.

They do one thing they stop. First of all word and prayer. It gets the Holy Ghost more into your life. The more you pray. Fasting. Don't miss any of the days.

[44 : 46] Come and help me. This season this fasting thing is revival. It means the Holy Ghost more of you. Alright? Don't miss any of it. The more you pray and you read your Bible you get more soaked in the Holy Ghost.

Right? So this is how you get soaked in the Holy Ghost. Get in the talk. Read your Bible and pray. And don't miss fellowship. Don't miss fellowship. Don't miss fellowship. And then number two remain consistent. Keep doing it.

Listen you can't remain drunk as I said earlier on last week's wine. You drank last week but this morning it's gone. Last week. Seven days ago.

No. Even three days ago wine can't keep you drunk today. So that means you have to keep drinking. Keep drinking. Keep drinking. Keep drinking. So consistency.

Those of us who start one thing and then we stop. We are starting the first midway then you stop. You come to church once every week. Meanwhile you have the opportunity to come. But you have to go and rest at home.

[45 : 44] See it's inconsistency. You come there it will affect the violence of your faith. How do you get intoxicated? Consistent. Keep drinking. Some of the people who stay longer in the bar.

You notice them. In fact the waitresses and I don't know where those they know them. They know them very well.

Because every day they will come. Every day they will come. After work you will see them coming from the pub. Every time they come from when they are going they are like this. When they come out there. And you are surprised you saw them 8 p.m. last two days.

And they were not like this. Because they haven't been there. For them to keep like this they have to keep going. Because the previous one wears out. You have to stare at it. Be drunk in the Holy Ghost.

Somebody be drunk in the Holy Ghost. Be drunk in the Holy Ghost. Be drunk in the Holy Ghost. Did you receive something? Did you receive something? Shout violent faith. I see your miracle running after you.

[46 : 47] I see your breakthrough coming to you. I see your blessing coming to you. I see your blessing coming to you. I see your blessing coming to you. Nothing will stop in the way of your miracle.

Nothing will stop in the way of your blessing. As we start the fasting this June I see promotion. I see miracles. I see blessings. I see lifters. I see new houses.

Marriages. Cars. Babies. Jobs. Ministry. Anointings. I see it happening to you. Receive it now.

Receive it now. Somebody begin to pray right now. Pray that Lord. Thank you for listening. To hear more from David Entry follow him on Facebook, Instagram, Twitter and LinkedIn.
