How do I tap into a prophetic atmosphere, a prophetic word? How does it work for me? How do I get a prophetic declaration to work for me? Do you understand what I'm saying?

God, the disembark speed is for everyone, but some people can tap into it easily. When a prophetic word comes, what do you do? How do you get it to work for you?

All right. So how do I tap into a prophetic word? Before I say anything about that, I want you to know, according to 1 Timothy 1, let's look at it.

[ 1 : 05 ] 17. How many of you are familiar with this? I think it will make a good reading, isn't it? Why don't you give it a go? Now I am to be eternal, immortal, invisible, to the Lord who adorned his wise, the Lord who adorned his forever.

He alone. Amen. The only wise God. He alone is wise. Or the other, any other one is foolish. Anyway, he said this, then see what he said afterwards.

Verse 18. This charge I commit to you, son Timothy. Say, son Timothy. Son Timothy. That's not his natural son, okay? But his son in the Lord. Son Timothy.

According to the prophecies which went before on thee, that thou by them might wait a good warfare. So when prophecies go over your life, you don't just ignore them.

It changes. It's like a woman who had just gotten pregnant. It changes a lot. Even her looks begin to change. So your approach to life must be reinterpreted by the prophetic word.

[ 2 : 20 ] Now, Bible says in Numbers chapter 23 verse 19. All right. Let's read. Let's go. God is not a man that he should lie. Neither the son of man that he should repent.

Has he said and shall he not do it? Or has he spoken or shall he not make it good? Do you see that? So when God says it, he will do it. When he speaks it, he shall make it good.

Right? So every prophetic word is just waiting for manifestation. God speaks because he will do it. Do you understand that?

He says it because he will do it. He speaks it because he will make it good. So prophetic word is not to show how someone can say.

Prophetic word is to show what God intends to do. It's to tell you what is about to be manifested.

Did you understand what I'm saying? So it's very important.

[ 3 : 19 ] God speaks so he will do. And so just to give you a simple example, another testimony in the Bible. It's in Genesis chapter 21 verse 1.

Very beautiful testimony about God's prophetic word. Genesis chapter 21 verse 1. Shall we all read it together? Let's go. And the Lord Jesus said, Sarah, as he has said.

And the Lord did unto Sarah as he has spoken. One more time. Everybody. And the Lord did unto Sarah as he has said. And the Lord did unto Sarah as he has spoken.

Did you notice that what he did had to do with what he said? All right. He visited. Why did God visit Sarah? He said he was coming.

All right. And why did God do unto Sarah? Just as he has spoken. So a prophetic word is given for manifestation.

[ 4 : 17 ] Prophetic word precedes divine actions. Prophetic word always precedes divine actions.

Divine manifestations. Divine activities. Divine doings. So God did unto Sarah as he has spoken. As he has said. God visited Sarah as he has said.

And did unto Sarah as he has spoken. All right. So when God speaks, he will do it. Amen. Amen.

And Bible talks about how Sarah conceived a boy child.

Now. So what are they? I just wrote down five things to do. To tap or to step into prophetic fulfillment. Or to step into the prophetic word.

To enjoy fulfillment of the prophetic word. Five things. Just I wrote down. Just five.

[ 5 : 13 ] To help somebody. Somebody is blessed. Hallelujah. Hallelujah. Amen. Number one. Someone shout faith.

Faith. Shout faith. Faith. Faith. Hallelujah. Amen. Listen. For you to tap into a prophetic word. It requires faith on your part.

Romans chapter 4. Verse 19, 20 and 21. How Abraham. When God spoke to him.

He did not. Consider his own body dead. No. Being no weak in faith. Let's say no weak in faith. No weak in faith. He considered not his own body. Now dead.

When he was about 100 years old. Neither yet the deadness of Sarah's womb. Alright. He wasn't weak in faith. So guess what.

[ 6 : 10 ] Let's flip it on the other side. What would have happened if he was weak in faith? It may look like God didn't mean what he said. You understand what I'm saying?

So God means what he says. And he can deliver what he says. But it behooves somebody to release your faith. To receive.

Believe that this thing will happen. Believe that you are getting speed. Believe that your healing is now. Believe it. Release your faith.

He says, hear O Israel. Alright. Let's finish. Then I will go back to that. So verse 22. Verse 20. Verse 20. Look at verse 20. He said, he staggered not at the promise of God through unbelief.

So what does it mean to stagger? You know. You know what it means to stagger? You are not steady. You kind of. You are unstable. You are flaky.

[ 7 : 05 ] You know. Today you are here. Tomorrow you are there. You are not sure. Today you are excited about it. Tomorrow you are down. You. Today you are.

You think maybe to work tomorrow. No, no, no, no. No. So. Did God say it? Then don't stagger. Abraham did not stagger. At the promise of God.

Abraham did not waver at the promise of God. The devil will try to get you to waver. Because sometimes it gets to a point. It looks like. Is this my miracle coming?

Oh. I think maybe I should forget about this whole thing. And believe God for something else. Don't waver. If God said he will heal you.

He will heal you. If you are believing God for that marriage. Then believe God through. Praise the Lord. Hallelujah. The devil just wants you to give up.

[ 8 : 08 ] The devil just wants you to waver. The devil just wants you to worry. And as long as you worry. You disqualify yourself. Abraham did not stagger.

He did not waver. At the promise of God. But was strong in faith. Alright. He was strong in faith. But was strong in faith.

Giving glory to God. Did you see the faith factor? Look at verse 21. It says that. And being fully persuaded. That what he had promised. He was also able to follow. That's what changed everything.

So when you come here. And we are saying that God is doing this. Please. Please. Release your faith. There and there. Don't wait that when I go home. Maybe. Listen.

This is very important. Some people. Postpone. The releasing of their faith. And sometimes. It is pegged to something. So they are. I am expecting.

[ 9 : 07 ] Okay. If God is really going to do it. They told me. They will call me tomorrow. I am looking for. If they will call. Then. God Pastor is saying. It is really true. Then I can begin to believe. For the rest. All right.

As soon as. You hear the word. Release your faith. Release your faith. Connect yourself to it. All right. Now. So. When you are releasing your faith.

When you are releasing faith. To a prophetic word. Three or four. I think I wrote down four. Three things that will happen. Oh. Quickly. One. Number one. It must influence what you say.

Are you getting it? Faith. And the faith. What you do. To constitute your faith. Release your faith. Number one. Your language must change. Talk about it. Sing about it. Shout about it. On the rooftop. Don't be silent about it. You don't need the permission of someone.

[10:03] To talk about what God will do for you. Some people won't understand you. They won't agree with you. It is their problem. It is not theirs. It is yours. And thank God. He didn't give your mouth to them.

Yes. Yes.

Yes. Yes. Yes. Yes.

Yes. Yes. Yes. Yes. Yes. Yes. Are you expecting to buy a house? Start talking about the house. Talk about it. Speak about it. They said, no, there's no one is able to buy a house anymore. Oh, really? Wow. That's interesting for them. I examined myself.

[11:03] That's interesting for them. Now I'll invite you for dinner. In my own house. But purchased with my name on it. Amen. Amen.

Amen. Talk like that. Talk like that. Talk, you won't be in debt. Talk, I won't be in debt. I won't be in debt. Talk debt free.

They're telling you that nowadays it takes several months, several years for this to happen. Tell them, no, I have divine speech. Now, even that is not a holistic reasoning.

But let's take it from just the surface. If you are applying for a product from you. And I need it by next week.

I'm releasing my faith. I'll get it by next week. This house will be released for me. I'm buying it. It will be released for me. And then you tell me that usually we don't do it like that. Normally it takes about six months to do it.

[12:04] And I say, but I need it for next week. I'm believing God. That's what I know. It must happen for me next week. And he says that it doesn't happen like that. We don't do it like that. And I'm saying that it's going to be like that for me.

The reasoning is this. This is the logical reasoning. The logical point I'm trying to make. If it doesn't happen that week. What do I lose?

If I'm not speaking, it should have even maybe been the way you are going to say anyway. So if I speak, I have the opportunity of pulling down God. Or if I don't pull him down, then I fall into the range of what you are telling me.

So if I don't even speak, I don't even gain anything as a matter of fact. But if I speak, I stand the opportunity of gaining. And whoever heard me to, God is going to make a statement to them.

Do you understand what I'm saying? So release your faith by speaking. Release your faith by speaking. Listen. If you hear anybody who has been coming to church here or has hurt me, speak rubbish.

[13:16] Tell them shame. S-H-A-M-E. Shame. For example. As for me, I don't think there's any value in my life.

Shame on you. Shame. Are you getting what I'm saying? Don't be saying some things. Proverbs chapter 12. Yesterday we read it. Verse 14.

Proverbs chapter 12, verse 14. It said, a man shall be satisfied with good by the fruit of your lips. Whose lips? Not somebody of your own. What you are saying is what determines what you will enjoy in life.

Yes. That's right. Yes. Did you see that? Yes. Yes. A man shall be satisfied with good by the fruit of his lips. Hallelujah.

Amen. Praise the Lord. Hallelujah. So, you have to speak it out. All right. Proverbs chapter 12, verse 14 says that a man shall be satisfied with good by the fruit of his lips.

[14:16] so speak it someone say speak it so if you have faith to release your faith for instance they said God has told us this amount of divine speed God that's talking about it you don't need to be telling everybody some people is not necessary you are wasting your breath and you are actually exposing yourself to satanic attack they will give you intellectual reasons why what you are saying is nonsense they will kill your faith so speak it speak it alright speak it mean it speak it speak Bible talks about how God has said Hebrews chapter 13 verse 5 God has said I will never leave you verse 6 so that we can boldly say alright so the reason why God's word is there the reason why

God speaks is so that you can say to see it happen so if you don't say it what God has said will never happen that's how to release your faith shout hallelujah hallelujah so speak it that's how to release your faith speak speak God's word speak speed someone say speak speed speak speed that's why I made us sing that song a long time this is my day of joy my day of joy that's why anytime

I'm preaching I ask you say something say it someone learn me something so for the prophetic word to be manifested over your life you must release your faith number two alignment alignment someone say alignment say alignment alignment what does it mean what do I mean by alignment begin to reposition yourself align yourself to the things that will facilitate or that so if you are expecting if you are believing God for a child or if you are believing God for a job begin to align yourself to places that there are jobs when you are making plans okay I'm going to travel to China next May on the 4th of May but now that I'll be working maybe I have to postpone it so start planning aligning yourself to the things that you are expecting like an expectant mother she begins to do something so it's very important and then check the things that you are allowing around you the things that you are doing the things that you are saying so the things you say make sure that your entire approach is brought in alignment with what you are expecting what God has said does that make sense say hallelujah hallelujah and then number number three is a very important one association association everybody say association association

Luke chapter 1 verse 39 what does it say let's already all out together and Mary rose in those days and went into the hill and she was in the city of Judah alright this is after the angel told her you are going to get pregnant she received it verse 38 she received it after the angel had left she got up from the house and went in those days well rose in those days and went into the hill with how quickly she didn't waste time that's part of the alignment but with haste into the city of Judah for what go to the next verse where did he go now he said the house of what this is a whole another message the house of Zachariah this is the house of Elizabeth house of Zachariah the man of the house house of Zachariah he entered into the house of Zachariah and she was going to Elizabeth so she went and said hello to Elizabeth now look at the verse 36 look at verse 36 verse 35 said how can this be since verse 34 how can this be since I know no man the angel said the holy spirit shall come upon you and the power of the higher shall abash you and therefore that holy son of God verse 36 watch this then behold your cousin

Elizabeth she has also conceived a son in her old age say old age old age it doesn't take time what does it take she has conceived in her old age which is a big news serious issue old age and this is her six months this is the six months with her who was called barren everyone she was a certified barren woman she was they know her so her problem was publicly known it was known that she's barren now angels say for your information people don't know about her but she's six months pregnant so when the angel left Mary what did she do she got up in haste went to Elizabeth went to hang around someone who has received the kind of things she's looking for she got up went there in haste the angel said Elizabeth has already received her testimony so she got up and look at the verse I think 56 yeah verse 56 look at verse 56 look at verse and Mary abode with her about three months wow wow and returned to so when she when she didn't come back home she changed her association before they tell

Mary why do you think you are pregnant you're pregnant she left them her first trimester was spent with the person who has got the same miracle yeah wow it's very important she left her terrain she left her territory changed her association you are receiving prophetic meanwhile you are always walking with people who claim to be going to church but they don't even believe anything about God they are theoretical tastes believers but they are practical atheists be careful who you affinite yourself with it can poison and choke and may cause you to miscarry that prophetic seed if you refuse to acknowledge the thing you are carrying you end up miscarrying because you will hang around wrong people you will hang around wrong people and where you hang around will invariably influence you what do you think she got up to immediately she went to her cousin

[ 20 : 34 ] Elizabeth I know I bet you I guarantee you but Elizabeth will not be the only relative she should have actually gone to her mom she could have gone to her mom but she knew that her mom was not a woman of faith probably it would kill her maybe this particular situation it requires serious environment why would Elizabeth doubt that Mary you are pregnant why would Elizabeth say Mary this one I don't think maybe you had a dream Mary this is a medical problem why would after she herself has received such a she was a certified married woman so a certified married woman and a

woman who has not had a man yet they are virtually the same they are not supposed to get pregnant it's just like a blind man in the dark a blind man in the light and a same man in the dark no difference they can't see anything both of them somebody is blessed let me add one more for faith so to release your faith means your confession your alliance your association and your expectation expectation expect that this thing is going to happen you see you have to lock yourself lock the expectation into place so that you can't change your mind about this expectation it doesn't matter how long it takes you have made up your mind that this is going to work some of you didn't get what

I mean a typical example they say lady I don't think you will get married and you have checked and it's like statistically proven that no one in your family gets married so you can't get married and you have now passed the age so and you have received a prophetic word you have believed it okay you are expecting that it's going to happen lock your expectation I'm expecting nothing to change it and then that kid threw it away so it doesn't matter you can grow to be 80 you are still expecting to be married because that expectation has come to stay you can't change your mind again it's too late you have locked yourself into that mood and thrown the kid away I'm not saying bury your head in your sand no all I'm saying is that lock yourself into the expectation because God said it and that's what you're expecting it doesn't matter how long it takes it doesn't matter the Bible says that the Lord is our present help even if the earth be removed we will not be afraid so when it uses people who are close to discourage you and realize it's not working then you will use your employer you will use your financial situation you will use your accommodation you will use your certificate you will use your certificate you will use every means and I'm telling you when we come to church the devil comes to look for some people he can't use but most such people avoid them it's in your Bible read it avoid such people I think it's Romans chapter 16 verse 17 or something like that I think so mark them and when you see them come and stay away when you see their phone cut it you see that mark them you use the word mark them so their phone number save it with their name put asterisk mark them someone get you something so let's get out of this so expectation see expectation so number two so number one how do you get prophet enter into a prophetic word number one faith and number two affiliation say affiliation this is so important listen to this I don't want you to miss this Genesis chapter 12 verse 1 and 2 God told Abraham called in verse 2 and 3 particular and I'll bless them that bless thee and I'll curse them that curse so because I'm blessing you I'm working this anyone who is connected to you is going to have an impact on him affiliate yourself it's very important when Mary saw that this is the kind of pregnancy I want and I have to give birth she went and I'm sure she was seven do you know what very interesting thing do you know I realized that she went to stay with Elizabeth to let give birth so Elizabeth was six pregnant six months went and stayed with her for three months so she went to stay as long as the baby will come she was waiting for the baby to come she saw someone baby come knowing that my own two will come connect yourself connect yourself connect yourself now three things that you have to be affiliated to okay number one the prophet the prophet the prophet the prophet he says that second chronicles chapter 20 he said that I wrote and said believe in the lord your god so shall you be established believe in his prophets so you shall prosper now when he said the word prophets there he's not talking about just the prophetic word the agents kingdom agents your connection to a kingdom agents will make a difference for you so men of god speak from their soul when they begin to speak from the depth of their pleasure that's why people said it clearly in hebrews in hebrews chapter 13 verse 17 he says that obey those who have rule over you sister brother obey them in church oh this god talking god see what he said obey them that have rule over you and submit yourself to them submit yourself to them in church some people have been given the responsibility of having rule whether i like it or not that's how god has said it that's the way it is they watch over your souls as they that must give account that they may do it how are they supposed to do it how is father supposed to pastor you with joy do you understand that allow me to do my job i'm not looking for your coat i'm not looking for your money why because if they don't do it with joy listen look in the last one put it back there for it is unprofitable for you if someone is pastoring and is doing spiritual work over your life he has been giving assignments over you and the person is doing it and you are making it hard for him it is not a blessing it's not profitable that's what the bible said when you connect to a prophet the agent of god it releases something to your life he said i'm writing this thing to you not because i need something from you philippians chapter four verse 17 and 18 and 19 he said not that god i need something from you but i want something that will abound to your account everyone has got an account in heaven and you have to keep

loaded not because i desire a gift but i desire fruit that may abound to your account your account say my account it's so important you understand that i'm not teaching you something we don't practice connect to the prophet connect to a prophetic and it's not even only your pastor maybe sometimes you know a man of god who is heavy listen listen listen to this very carefully it's important you sow into an anointing it's important you sow into an anointing and then there are times you may sow to honor someone the person may not have any unique anointing but because the owner you sow to honor him don't twist the hand of god walk with god he knows how he will fulfill the word he knows how he will do it walk with god walk with god how do you get it done prophetic how do you step into the prophetic prayer someone shout prayer in genesis chapter 32 verse 9 and 12 i think so genesis chapter 32 verse 9 and 12 oh god of my father abraham god of my father isaac the lord which said to me do you see that the prophetic word he took it into praise said lord you said to me this is what you said that go back home to your kindred and i'll deal well with you but i'm trying and isaac is coming to kill me he had a very serious crisis but he went to god and prayed said lord you said to me go back to god use it as a prayer topic when you hear a prophetic word after shouting it's very important that's how you connect start by saying amen amen amen is not to encourage the preacher it's just to connect yourself to the blessing alright so when you shout amen you are connecting yourself after that write it down make it a prayer topic make it a prayer topic god you said to me look at verse 12 verse 12 and thou said you see it's called to god and thou said and thou said i will surely do thee good and make thy seed as the son of the sea which cannot be not made for multitude so he went to god in prayer are you ready to pray those of you are right you know right prayer is the key right prayer is the key please if you pray pray the prophetic word what god has said go to god god in prayer repeat the word he said go to him in his word with the word go back with the prophetic word but don't just say oh god the man of god said it and that's all you are waiting for it to happen do you understand that there is power in the prophetic word there is power in the prophetic word you are next in line for a miracle you are next in line for a miracle did you believe that thank you for listening for more resources please visit [caries.org](http://caries.org) or call us on 0207 740 9960 god bless you
