Also, if you would like to support this ministry financially, you can do so online at [caris.org](http://caris.org) so we can continue making podcasts such as this available free of charge. Hallelujah. It's always a great joy to come home. This is home. Amen. I heard about the membership class. First, I want to start my own. Because I've been coming as a congregant. I want to be part of it. The word of the Lord for you is that today marks the beginning of new things that he has begun to do here. Put this date, mark it, today is the beginning of new things that he has begun to do.

Let me tell you something. This house is blessed. How many of you have seen an old bag?

[ 1 : 42 ] Like a holder bag. You know. The one that you zip from here to here. A big one. This is a leather bag.

Very old. But very strong. And the stuff that has been put in was so much that it cannot be closed. And this hand brought this back. Some of you. Some of the things that you were supposed to have. Has been released already. It has been delivered.

That's a mighty hand with this bag. And it was so full that it cannot be closed. But the things that were in, Pastor, were new things.

[ 2 : 49 ] There are some pending things. That by the end of this fasting. And I was watching this.

I'm like. What is this? If a hand delivers. Then it has been delivered. It means it is personal.

It means it is worth personal. And everything that is being delivered personal has got a name. Until you sign it.

Your prayer was signed for your passing. You didn't hear what I said. I'm singing this thing. It will not go to anybody.

Your prayer. Your giving. Your fasting. Will sign this thing by the end of this week. Lift up your hand. May God deliver it to you. May God deliver it to you.

[ 4 : 00 ] Whoever. Whatever. Whatever. May God deliver it to you. May your. This your right hand. And your left hand. Touch what God is bringing to you. May this your left hand.

Say my right hand. Say my right hand. My left hand. Will touch. What God has designed for me. I receive it.

I open it. And I use it. For the glory of the most high God. Somebody shout hallelujah. Pastor. This fasting has hit some ancient gates. It has hit ancient gates. Things that have been locked. With satanic padlock. Has been dismantled. There's going to be an ongoing delivery.

[ 4 : 59 ] This is not by DHL. This is by God himself. And I pray that your heart. Will connect. To collect.

Can you say amen. Lift up your hand. Father we want to thank you. For what you have already done. In this house. Yes. Our coming here.

Is to add to what your servant is doing. Let me build on it accurately. I ask for divine utterance. Oil of speech.

More so. May your finger. Inscribe those things. On the tablet of our heart. Yes. Cause our ears to hear. Yes. What the spirit is saying.

Yes. Cause our eyes to perceive. What our ears are hearing. Yes. That our tongue will be able to release it. We ask oh God for the capacity to retain.

[ 5 : 58 ] Yes. To receive and to retain and to release. Yes. In the name of Jesus. Yes. Yes. We give you all the glory. Yes. Yes. In Jesus name.

Amen. Amen. Put your hands together for Jesus. What I'm going to talk about is divine intervention. You may be seated because you are going to stand. I know. It is not by might. But today I'm praying that you will sit.

It's the only house that I come I feel so free. I won't even take off my jacket. And take off my shoes. Amen.

This house is too free. You know the reason why. You know. You know. If you don't know say you don't know. Don't pretend.

[ 7 : 02 ] Because of who. Because of. You. You again. This man.

Oh my God. Why do you get this sense of humor? You see. This house. You are not supposed to be sick. Because the spirit of.

The sense of humor. Is too much here. And Mary had to wear the medicine. When you go to certain house. I don't call churches. When you go to a certain house.

It's like. Like British transport. Get there. Pay. Sit. Shut up. Get down.

No movement. But this house. You are fearfully. And wonderfully made. I'm going to go like Japanese train.

[ 8 : 01 ] Very. Very fast. Acts chapter 3. When I start preaching. And you. You have heard me. Come here. Preach. Stand up with both. And say. Pastor Nab.

You came here to preach this. Like your pastor said. My problem. Is to preach.

Because it's too much. And much is not enough. Because God. Will give us our daily bread. Acts chapter 3. Verse 1 to 10.

Quickly. Now Peter and John. Were going up in the temple. At the hour of prayer. Say hour of prayer. Hour of prayer. Are we in prayer? Yes. Are we fasting? Yes. You see. Anytime you.

The church fast. Supernatural things. Begin to precipitate. You see. It is. It is. Fasting. That move.

[ 8 : 57 ] The flesh. Out of the way. That's right. It takes fasting. To move this thing. This thing is our enemy. Forget about the devils.

Forget about the deacons. Or demons. Sorry. Like pastor says. Some of them are deacons. Outside there. When they come to the church. They want to become deacons.

The moment they have that motive. They are not deacons. They are demons. You come and submit. Fasting will move this flesh.

So that. What is on the inside. Can talk. God is a spirit. He is a father of all spirit. He does not talk to the body. He talks to the spirit.

Are you understanding me? Abraham was making too known. When the promise. God promised him. He was just. You know. Hoping that the thing is going to fall like manna. One day he was.

[ 10 : 00 ] The Bible said he was in his tent. And he started making mouth. Talking to God. Outside the tent. And. Where is the boy?

Where is the promise? Where is what you spoke to me? He complained and complained. God said. Come out of the tent. And I will show you something. You cannot.

Tent means flesh. You cannot be in the flesh. And negotiate with God. You must come out of the flesh. So that you can communicate with God.

Because flesh. Is a veil. That separates us from God. Are you understanding me? The body can be weak.

But your spirit can be strong. When you sleep. Your body sleeps. But your spirit does not sleep. Am I talking to someone here? So prayer and fasting.

[ 10 : 58 ] Remove every barrier. That is why the hour of prayer. Must manifest the glory of God. And this is your fasting.

The last week. Those of you who have not joined us. They pretend and just get in. Because it is never too late. Are you listening to me? You see. And they went for the hour of prayer.

Being the night hour. And a certain man. Someone say a certain man. Can you put your name there? Okay. Some of you have forgotten your name already. And a certain man that was lame.

From his mother's womb was carried. Whom they lay daily at the gate door of the temple. Which is called beautiful. To ask alms of them. That are entered into the temple. Who seeing Peter and John. About to go into the temple. Ask to receive an alms.

Verse 4. And Peter fastening his eyes upon him. With John. Said look on us. Five. And he gave heed unto them. Expecting to receive something.

[11:53] This fast. Are you expecting to receive something? Listen to me. That's something you must be specific. But this man was expecting something. That doesn't mean that he was expecting anything.

He was expecting silver and gold. But Peter verse 6 said. Seven gold have I numbered. But what I have that give I thee. In the name of Jesus Christ of Nazareth.

Walk. Seven. And he took him by the right hand. And raised him up. And immediately. His feet and his ankle bones received strength. And leaping up. He stood and began to walk.

And he entered with them into the temple. Walking and leaping and praising God. And are you ready to praise God? And all the people saw him walking and praising God. And they took knowledge of him.

That it was he that sat. For arms. At the beautiful gate of the temple. And they were filled with wonder and amazement. At that which had happened unto him.

[12:54] You're about to be amazed. Amen. Amen. Amen. Because of time. I'll go straight to the point. The Bible says that the man inherited the situation from the womb.

He did not design it. He did not ask for it. But something happened in the womb. That caused the man to become lame.

There are things that we can inherit from the womb. But I pray that this fast and even today.

Whatever that inheritance is. If it is not in your favor. We will reverse it. I said we will reverse it in the name of Jesus. I'm so surprised.

The pastor. The person who wrote this account. Is called Dr. Luke. It means that in his surgery. He might have attempted to heal this man.

[14:10] Every miracle that Dr. Luke documented in the book of Luke. Is exposing what medically. Cannot do.

And what God. Can do. Let me tell you. Dr. Luke was among the doctors who took the woman. Who had the issue of blast money.

He suffered from many physicians. Including Dr. Luke. Some of you. I don't know how you read your Bible. People ask me.

So how do you. How do you. I say. Because the Bible. You must be in it. Now when you look at the man's situation.

He inherited this thing from the mother's womb. Sometimes you look at our life. Some of the things that we are going through today.

[15:14] Is as a result of inheritance. Ah. Okay. Since you were born here. Thank God for you.

Hallelujah. Hallelujah. People of God. They are things that we paid. From the womb. If you don't know how you were conceived.

Ask your mother. There are stories. Different stories. About how you were conceived. You have no idea.

Of what a desperate woman would do. To have a child. Oh. They are in the church right. But they are reading their palms.

At Toothin Broadway. Or to check. And hear confirmation. When people are inherited.

[16:15] Good things. Some of us. We are inherited. Bad things. The Bible says that. Ah. Timothy. I have observed you. The way you are flowing in the spirit.

The way you can take the word. And break it down. The way you can speak. Into people's life.

Timothy. I have traced the source.

You picked it. From your grandmother. Louie. Your mother conceived Eunice. An imparted faith.

And Eunice. Conceived you. An imparted faith.

When others are being. Taking things. That will help them. In life. From the womb. You are taking disaster. And failure. But today.

Destiny will end. Oh you didn't say amen. I said you didn't say amen. Every destiny.

[17:10] Was formed in the womb. Look at the patriarchs. Anytime they conceive them. It is about destiny. Anytime they took in.

And they are about to give them birth. And they had a name. That went with their destiny. You know the story of Jabez. He.

He picked pain. But let's say. I want you to understand. Sometimes the womb. Has become a tomb. That is why Jesus. Has to go into the tomb.

To break the power. Of unproductivity. And to break the power. Of death. So that. Whether. You become. A Christian. Or not. As long as you connect.

With Christ. You will have a womb. That will produce life. Because anything. That comes out of your womb. Must live. To declare the works of the Lord.

[18:09] Some wombs. Have become tombs. I don't care. Some of you. Sometimes. You pick in seed. And the seed dies. You pick in seed. And the seed dies. Something is wrong in the womb. But today.

By the sound of my voice. I command that womb. Everything that causes the womb. Not to become fatta. To receive fertility. To receive alignment.

To receive a quickening. To receive resurrection. In the mighty name of Jesus. Yes. Yes. Yes. Yes. Yes. Yes. Yes. Yes. Yes. Yes. Yes. Yes. Let me show you something. Let me take you to another thing. You see this building? Yes. This is the womb. This is the spiritual womb of Caris.

This is where you come in. You have been nurtured. Nurtured. Nurtured. Then you begin to grow. And go and do exploit.

[19:11] Yes. Never look at it as a wall. This is a womb. If you are in a womb. As the baby. As the baby. As the baby. He has no choice than to remain. Remain in this womb.

That baby that is struggling. Has no choice that. I want to jump into another womb. That baby is connected to the heart of the mother.

Yes. Yes. Yes. Yes. Where is your connection? Is it in Caris? Or Jesus Christ versus Satan ministries? Yes. Yes. Yes. Yes. Yes. Yes. Yes. Yes. Yes. Yes. Yes. Yes.

Yes. Yes. Yes. Yes. Yes. Yes. Yes. Yes. Yes. Yes. Yes. Yes.

Yes. You know sometimes I say things. It's good to laugh. Yeah. But where is your umbilical cord? Wow. Where is your umbilical cord?

[20:08] No. No. Who is. Who is. Nourishing you. Yes. No child. Has the gut to say mommy I'm tired of your foot.

Right. But look at us. we call ourselves children of God. We get fed up. We get familiar.

So we want another umbilical cord to connect. You were born by that woman for her purpose.

That's why you were not born into the Smiths family.

But you were born into the Japan's family. Because of your assignment. The day we will understand this.

Since this time you have not had you have not been malfunctioned. You have not died. You have not been poisoned. Why are you choosing another mother?

[21:25] If your child came home and told you mommy your food is not nice anymore. I'm going to Frankie's food to Frankie's mom to eat. How would you feel? Mother Carries have been feeding you.

Now you you are you are tired so you want to come to Mother FSC. FSC we will kill you. Because the food design there is not for you. Yes. Yes. Yes.

Yes. I know that you are not comfortable. I'll move on.

To the man inherited to the man was disabled. He was stagnant in his life. He grew he was born with other friends in the community.

They were all crawling until one day he saw his mates walking and he asked the mother when will I walk it so old take time you will walk one year two years three years 40 years look at your business you've been crawling look at your marriage it's still at the crawling stage when will it also stand up and reflect the testimony of God stagnancy near social syndrome shame all of a sudden he started going to school he was not going to school listen to me you can be a fool for five years but not at the age of 40 from today your life will no longer be stagnated from today your life will move forward because God is able not disable he's able to raise you up he's able to make you stand he's able to make all grace abound he's able to save you from the ottermost he's able to keep you from stumbling

[23:45] God is able to keep you from stumbling can somebody shout hallelujah hallelujah I cancel every disabilities I say I cancel every disabilities in your life can you say amen amen I like the third point not only he was disabled but he was carried someone say carried I didn't say courage I say

I'll give you 10 over 10 who is carrying you who determines how far you should go who is carrying your pastor that making you coming into contact with miracles it is the it's Christ it's the Holy Spirit that is carrying your pastor but as for you I don't know who is carrying you because who carries you must carry you to your sources there was a situation in 2 Samuel 4-4 the Bible says that there was an outbreak of war and the nurse that looks after Mephibosheth have you heard about Mephibosheth okay the nurse took Mephibosheth and about to escape she carried Mephibosheth her intention was to escape but something happened and she dropped Mephibosheth from that day he became a cripple a king and a royal seed has now become a cripple

I'm here to let you know whoever carries you when the circumstances when the storms blow when the test of time come I can assure you that not many will say carry you they will drop you like they drop Mephibosheth I came to let you know no who carries you in life you have surrounded yourself with many people this is my tight friend this is my close friend this is my buddy buddy this is my covenant of which one is which show me your friend and I will tell you who you are the bible says that you shake hands with a fool a fool you become know that the currency of a friendship is adversary the currency of a true friend is adversary when adversary comes then you know whether they are carrying you or they are dropping you if you are a friend or person up and you cannot stand with me in my shame you can't stand with me in my shame then you are not a friend oh oh oh I said then you are not a friend you must know we must know our friends I said we must know who our friends are our true friends those who carry us to the right places in this prayer and fasting redefine your relationship and stop packing are you working for United Nations that you want everybody to be your friend listen to me the promise is for one person the promise of God is one person it's to Abraham that his descendant you better check it because some will come around you they will carry you to wrong places and you will lose the seed that God has given you I pray that in this fasting God will turn this around for your favor can somebody shout hallelujah oh oh you didn't say hallelujah some of you spiritually in the night they carry you to some places anytime you sleep you find yourself in market anytime you sleep you find yourself in Y street market what are you doing in your dream sometimes you dream and you find yourself eating with friends consistent consistent consistent let me tell you something if you dream like that it means that someone is carrying you to somewhere am I talking to someone here do I have a witness here there was a time I threw the church on a retreat and I was saying stuff like this then this lady said pastor sit down let me let me explain to them because I was there that is how the woman opened my eyes he said sit down they don't understand what you are saying me I was a candidate he began to explain they will take you on a journey first time it will be like a journey oh I found myself I was in my town you are in London what are you doing in your town like you can't go to your town and Christians wake up in the morning what a dream today I saw my grandfather who was dead we were even chatting what has the dead got to do with the living whoever carries you me I am not praying for anybody but it is in my preaching I say whoever carries you in the night today we paralyze him in the name of Jesus today will be the last day to carry your womb to carry your dignity to carry your life to take it somewhere to distribute it to contaminate it to mess it up today by the ocean upon my life and the favor upon the south we send expiry dead to every flight today is a cancellation of flight let them try it they will not even discover them like

[ 31 : 00 ] Malaysian airline it's only me who know where Malaysian airline is it's the book of revelation i'm not going to show you because when i show you you go and tell them the money wouldn't come to me who is carrying you the bible says that behold the days are coming says the lord god that i will send a famine on the land not a famine of bread not a test for water but of hearing the words of the lord there will be a famine of hearing the words of the lord people will move from conferences to conferences from from programs to programs but they will not hear the word of the lord it's a from sea to sea you can go to manpower you can go to woman power you can go to morning glory you can go to afternoon glory people will be moving because god is about to create a famine of hearing the word of the lord not the word of god but the word of the lord the word of the lord is different from the bible the word of the lord is the word that proceeded out of the mouth of god to come into a situation resolve the situation and tell you that tomorrow by this time there shall

be famine that is the word of the lord can somebody shout hallelujah so pastor can't we go to morisolo go since you started carers and you've been giving giving special seed to benihim have you ever met him you are encouraged you are giving seed check your phone number look at the prophets you have them lying down i have prophecies in my stomach i pray that you will understand where i'm coming from who is carrying you and what is carrying you when your back is against the wall what comes out when you are pressed to the wall by circumstances my sister what is going to come out of you will determine whether you break through or not when life suffocates you something must come the bible says that greater is he that is on the inside what is coming out of is he greater who is carrying you and what is carrying you false teachings people like to we you see church i don't know god we like to create great church out of something look at peter and john when they saw the transfiguration said ah jesus forget about those down there ah ministry has started that's big moises ministry international elijah's ministry incorporated jesus your own is ultimate ministry and let's stay here just one vision they want to build a church on it and god stepped in i thank god that he stepped shut up listen to my son he's the one who's going to build the church not you building three tabernacles here we just say oh oh sorry today when we have revelation about apple blessing apple for someone to eat to have healing we build church on apple eating everybody should

bring up this friday this friday bring the green one oh hey i might talk to someone here hey this look for the one from south africa god has moved beyond apple man of god jesus gave us his church he's coming for it what we have done with it he's coming for it that's why this time he's not coming like lamp and when someone is coming like a warrior then you know whether you built on his foundation or you built on the things you see if you find a place and you have weakness in your spirit stay have you died since you came here look at someone's face i tell the person i saw you when you first came let me move on quickly listen to me the man was being carried by friends who were going nowhere the bible say he sat by the gate a place where he can make decision he can make decision church listen to me learn to make decision for blind by 10 years he did not wait he couldn't wait for jesus to pass because he has made a decision that when this man passes here by hook or crook i might draw his attention you know where you are sitting looks like where you are coming from then change it okay you know where god has picked you that it was rough it was poor it was desolate and now you find yourself in the same situation that it calls for decision true prodigal son said hey now my eye clear let me go back because it is not what i thought it was he has to make a decision of going back because the environment he was living in was too hostile was not going well when pastor declared fasting some people are still eating beggar that's when you dream cows are chasing you because the last time he checked you ate his brother and you ring pastor to pastor i had a dream lions were chasing me zebras are chasing me even the hyena they were crossing me are you living in a zoo there was a spiritual barrier invisible barrier that this man could not cross his friend would take him as far as to the gate but they would not take him further you can come as far as to that and something happens you

can apply you can get some project going and it cannot get past finishing there was an invisible line that he could not cross not that he cannot cross it was determined by friends that you can't cross the beautiful gate i came to let someone know that by the reason of the favor of this house i break every satanic barrier i say i break every satanic barrier time will not permit me let me just jump because after so many years of frustration you are 40 still unmarried 40 you have all the degrees now your certificate has become a wallpaper decoration at the age of 40 you look at it and you see i just finished my masters you can finish your teachers you can finish whatever but if there is a limitation upon your life you ain't going nowhere but today it will be lifted i say today it has to be lifted today it has to be lifted are you understanding me are you understanding me the bible says that one day someone say one day let me stop preaching now one day there is a day that is appointed unto you may i announce to you that some of you today is your day i said today is your day of turning around man of man of god the man sat and was expecting in this first you must position yourself to expect you must strategize yourself and say i don't care who stands by my left i don't care who stands by my right i don't care who stands before me i came here alone i was born alone my miracle is alone i am here to connect is it not 24 days that cast their crown when they make power pass power they saw the crown that's not working in this fast put your degrees aside put your makeup number seven obsession put it aside if you have to roll roll put the brazilian and gandian hair put it aside you don't know you think fasting is easy fasting is warfare put everything

aside remove every hindrances if you are here to roll roll if you are here to somersault anyhow god will meet you he was expecting he was expecting and james and john and peter they said oh you are expecting right but we are going to give you because when we give you silver and gold it will not help you that's the literal meaning silver and gold will not bring you to destiny silver and gold will not bring you to the kingdom but the one we are giving you will bring you to the kingdom and kingdom wealth stop stop begging some of you ladies that you are asking the men to buy oyster card for you they will oyster you they will oyster you go to seven sisters friday they line up there who they want to cook for so that they can get oyster close your mouth we have lived here long enough we've been in this country since 85 some of you were not born say thank

you okay for staying because of you have to stay some of you hallelujah listen to me when he stretched for his hand what have you been expecting what have you been expecting expectation of the poor will never be cut down so what are you expecting and I had one thing I need a meal for you God you have a problem he bought the mind of God and saw that God has a problem because the priesthood they need succession and he less grain has come to an end and I changed his prayer so give me a meal to give it back to you to replace this man so that Shiloh will hear the word of the Lord so next year by this time you have it what are you expecting your expectation is not tied to the vision it's not tied to this church it's not tied to the kingdom it's tied to yourself

Joseph's problem was because of the court to a self hesitation proud that you don't have amazing colors and God said I want to use you but there's self in you I will deal with the self when he went to and they gave him another garment he reminded himself of that God said we will take that one away they threw him in prison now he was in prison garment the self began to be destroyed now when he came back and they gave him a royal one he didn't move him because he had seen it all may every mantle that the enemy has placed on you may it be removed right now in the name of Jesus in the mantle of shame mantle of disappointment mantle of discouragement mantle of then achievement mantle of setback may the fire go go destroy it completely may the regal anointing come upon you ladies and gentlemen the man was sitting down what are you talking about

[ 45 : 29 ] I am used to money you are used to certain things that is what God is doing you can see you have carved in your mind a way that God has to meet you if he doesn't meet you this way oh Dr. Intry will come and take his handkerchief and begin to wave and say things he didn't say it like Nehman he should have come out because every time he comes out every time he waves when he got to my tent, pastor didn't pray for me all he said he said next year you will have it what is next year? I need a touch that is why we miss our miracles that is why we miss our supernatural encounters we are set in our mind so we have some cave mentality that hey, when it doesn't happen go to the cave ladies and gentlemen Peter said to John this man, we have to teach him breakthrough mentality so they heard his hand say we said rise up rise up is not sit down he held his hand and he stood up ladies and gentlemen in this fast there is a hand that is coming towards you oh Holy Spirit and the hand of the Lord came upon me and took me out and brought me in in the spirit and brought me into the valley full of dry bones first of all the hand of God must come upon you not the hand of men when the hand of God comes upon you he brings you out in the flesh in the spirit and bring you to your environment to show you when they touch his hand they brought him from his past they brought him from that mentality that this is my address no no this is not the address when he stood up the Bible say oh for the first time the man stood he says

Peter I am standing you say yes you are standing until now your marriage has not stood it's about to stand until now your homelessness has not stood it's about to stand because the hand is coming upon you there's a hand that is coming upon you there's a hand that is coming upon you there's a hand that is coming upon you there's a mighty hand God is coming upon you.

And when this hand come upon you, by the end of this fasting, you will stand. I said you will stand. I said you will stand.

You have been crawling for a long time, but this is your season to stand. I said you've been crawling for a long time, but this is your season to stand. I said you're about to stand.

You're about to stand. you are about to stand say I will stand in Jesus mighty name hold the day not only he stood but the bible says strength came into his ankle he gives strength to the weak you have been weak in certain areas of your life but strength is coming to you supernatural strength is coming to you strength from on high is coming into your business it's coming into your womb it's coming into your children it's coming into your marriage it's coming into your plans it's coming into your project you have started a project you could not finish but strength is coming to you can

I said you are going to walk you are going to walk ladies and gentlemen all of a sudden he said Peter I want to leap he said now he can leap he walked and he leaped he walked and he leaped he walked and he leaped and leaped he walked hold it hold it hold it hold it hold it some of you you don't understand all these years watch this war has resisted him friends have resisted him but the bible says that we are running against the troop and we will leap over the war any demonic war any witchcraft war any system war any Babylonian war you are about to leap over it

I say you are about to leap over it you are about to leap over it charism ministry are you there the hand that will come upon you that will give you strength is the same strength that will cause you to leap they can put demonic barriers from today you are about to leap they can place a knee trap cause there is a spirit that will cause you to leap hey the man lived he said Peter god bless you but there is one thing I have to do this is the day of joy the day the day of joy this is the day of joy the day of joy the day of
