Preacher: David Antwi

[ 0 : 01 ] Welcome. Thank you for choosing to listen to this spirit-filled word by David Entry. When you catch a word, you have caught God. May you catch a word today that will cause God to change your story.

Be blessed. The principles that govern kingdom prosperity. We all understand that God is a God of fruitfulness.

And God wants us all to be fruitful as Christians. God desires you to be fruitful. Hallelujah. Jesus said, I called you.

You didn't choose me. But I chose you in John chapter 15, 16. I chose you that you may bear fruit and that your fruits will remain.

Hallelujah. And it says that you will bear much fruits. So it's necessary. Paul said to the Colossian church that for you, I'm praying for you, that you will be filled with all knowledge or wisdom and understanding in the knowledge of God that you will be fruitful.

[ 1 : 06 ] You'll be fruitful unto godliness. So fruitfulness is a requirement for every Christian. Not only spiritual fruitfulness, but fruitfulness in every area of our lives.

Starting from spiritual fruitfulness and fruitfulness as a believer. In other words, winning other people to Jesus Christ. It is a necessary requirement for every Christian.

Then it goes on to manifest in every area of our lives. Because he said, I have come that you may have life and have it more abundantly. And so that being born again is, you start when you are born again, a journey is started.

A journey on to life being better. People looking at you and they can actually see how God has meant or how God meant life to be. When you become born again, you have been introduced into the arena or the realm of better life.

Say better life. Better life. Better life. So people look at you, they must have, after observing for a while, they must have an understanding or a better understanding or at least an aspect of what it means to have life and have it more abundantly.

[ 2 : 16 ] Say amen. Amen. Say amen. Amen. And prosperity is necessary. I explained that prosperity is not about what you get or getting material possession.

That is part of it, but that's not just all of it. All right. Prosperity Bible says that the blessings of the Lord makes you rich and adds no sorrow. All right. So prosperity has to do with your soul, spirit, and body.

All the three dimensions of your tripartite being must experience prosperity. He said, beloved, I wish above all things that you will be in good health and that you will be in good and prosper even as your soul prosperous.

Okay. He said that you will prosper and be in good health even as your soul prosperous. So God desires us to be prosperous. We also underscore the fact last Sunday that according to Psalm 35 verse 27, Bible makes us to understand that God takes delight in the prosperity of his servants. Hallelujah. Hallelujah. He takes pleasure. When God sees you prospering, he's pleased. He's pleased. Hallelujah. Praise God.

[ 3 : 31 ] So that's what we are. And then so we went on to the keys that govern kingdom prosperity. We spoke about love. Say love. Love. Love for God is a necessary requirement for the best of God.

The eye has not seen no ear heard. Neither has he entered the heart of man. What God has prepared for those who love him. All right. So those who love him. God's best is reserved for those who love him. And then we went on to speak about the covenant practice of tithing.

I said a lot about that. And many people think, many people purport that tithing is Old Testament. You can say tithing is Old Testament legal requirement.

So long as legal requirements are concerned, if you tell me tithing is Old Testament, then I would agree with you. But Abraham, there's nowhere in the scriptures where Melchizedek said, Abraham, you have to give.

You have to give. If you don't give, I will curse you. No. The Melchizedekian priesthood does not have curse. It only issues our blessing.

[ 4 : 37 ] But issues are out blessing when certain requirements have been fulfilled or have been met. Okay. So the Melchizedek priesthood, tithing comes.

Okay. Tithing is not an Old Testament thing. Tithing is a divine priesthood order. According to Hebrews, the scripture says that every priest is appointed, is taken from amongst the people. And is appointed unto the people to offer sacrifices and gifts pertaining to spiritual things. So if you are a priest, for instance, if you are a police officer, then as soon as you tell someone you are a police officer, there are certain requirements the person psychologically will be expecting of you. Yeah. Right. He will be expecting you to behave in some ways. And, you know, when there's lack of order, there's no law, police officer must be able to put in. So when you say you're a police officer, actually, in that nation, what do you do?

I'm a police officer. Everybody knows what you should be. Kind of. They have some expectation. In the same way, when you tell someone you're a priest, there's an expectation. A priest is supposed to offer sacrifices unto God. All right.

[ 5 : 39 ] That's priest. But God's priesthood, watch this. God's priesthood requires tithing. So when he introduced priesthood as a legal thing in order to effectively deal with the people, he said, I can't have priesthood without tithing.

So part of that legal priesthood, which is a temporal priesthood, which is a priesthood that is a shadow of the original priesthood, which enters only into the temporal tabernacle with blood of animal.

It's not authentic priesthood. Right. In that sense, it's not complete. It's not impeccable. The priesthood was faulty because even the priest was sinful. So the priest has to offer sacrifices on his behalf first.

He has to get his oxygen marks when he finishes it. So can you imagine your priest enters and he doesn't come because he's sinful? That means that the whole nation is in trouble because our priest couldn't come out.

Our priest didn't sort himself before going. But so that priesthood, it's called the Levitical priesthood, which I explained already. The Levitical priesthood is good because God instituted it.

[ 6 : 48 ] It's good for that time, but it wasn't really perfect. Right. But the point here is that when God put that priesthood, that priesthood was instituted, watch this, under the law.

But God is not dealing with us based on law. He's dealing with us based on. I can't hear. Based on. Someone shout based on. Grace.

So God does not deal with us based on law, but he deals with us based on grace. All right. But I found out that the law required priests.

But interestingly, grace also requires priests. And so what is the job of the priest under the law and what is the job of the priest under grace? The priesthood job under the law, we find out they offer sacrifices.

Basically, sacrifices for atonement, going to the holies of holies and mediates between sinful men and God or the people of God and God. So that's their basic function.

[ 7 : 51 ] All right. And then they make sure that people are following the stipulations of the law or the stipulations of God's covenant dealing with them. Now, the law was given. It's a form of a covenant. All right.

Let me explain it. The law came under the covenant of Moses. So God says that as long as you do A, B, C, D, I'm going to also make sure that. So anytime they would turn their backs against God, they break the law and God gave them into tivity.

So check all the story of the Israelites. Anytime they went into captivity is because they've sinned. Particularly when you read the story of judges. When you read the book of judges, judges is replete with the sin against God.

God gave them up. The enemies attacked them. They cried and turned in their sins. They cried unto God and asked for forgiveness. And God responded, deliver them. Who told you God doesn't forgive sins and do something about your situation?

So if you are suffering something, you are going through something and you know that you sinned against God, that's why you are suffering. When you call on the name of God, he forgives and he will turn your captivity around. He said, if my people who are called by my name shall humble themselves, turn from their wickedness and call.

[ 8 : 53 ] He said, I will heal. He will do something as long as you ask for forgiveness. Shout, hallelujah. Hallelujah. And so he put in this system so that they can be dealing with him. And so when he brought them from Egypt, he gave them a legal system like another covenant so that if you break the law, watch this.

In Deuteronomy chapter 28 from verse 1 to 3, he actually stipulated it very clearly. Deuteronomy chapter 28 verse 1 to 3. He said, if you hark into my voice, okay, now you shall come to God. If you diligently do what?

Obey. Obey my voice, okay? Obey the voice of the Lord and observe carefully to do all his commandments. They're commandments. All right? Do the commandments which I have commanded today. The Lord your God will set you up above all nations on this earth.

Go to the next verse. And he said, and all these blessings shall come upon you. So the blessings were functions. They were a function of the obedience to the laws of a commandment. So as long as you don't obey, but go to the verse 3.

Go to the verse 3. Then it goes on to say, blessed shall you be blessed. Then he finished talking about the blessing. And then the verse 15, 16, 17, 18 there. It talks about, but if you do not obey my commandments and you go away.

[ 10 : 01 ] It said, these blessings, you see, but it shall come to God. If you do not obey my commandments to observe carefully all his commandments and his statutes which I command you today.

That all these blessings will come upon you. All right? And then everyone, every Gentile, you don't even need a commandment to obey. The fact that you are a Gentile, you are a commandment breaker. So you are naturally under a curse.

So as for us, there is no hope for us. It is only the people, the children of Abraham he had a covenant with. So he said, okay, you guys, you have to obey this. As long as you obey it, I'm going to be a God to you.

And I'm going to make sure you are okay. As long as you disobey it, you are going to be vulnerable to the enemy's attacks. And you begin to suffer what ordinary people suffer. You suffer what the Gentiles suffer. So if you are Gentile, you are doomed to suffering.

Gentiles are bound to. That's why Jews don't even go into the house of Gentiles. So when Peter was sent, he said, I can't go there. Because against the Lord, if I go there, that means that me too, I'm saying that let me suffer like Gentiles suffer.

[ 11 : 01 ] So the Bible says that we are by nature children of wrath. Ephesians chapter 2, verse 5, it said, you were by nature children of wrath. Talking about Gentiles.

By nature, you don't have to do anything. You are cursed. Now does it make sense when the Bible says that Christ has redeemed us from the curse of the Lord. Having been made a curse for us. Because it said, curse is anyone who hangs on the tree. That the, Galatians chapter 3, verse 14, that the blessing of Abraham might come upon us, the Gentiles.

You see that? That it might receive, we might receive the promise of faith. That the blessing of Abraham might come upon who? A Gentile. Who?

A Gentile. So we the Gentile, we are non-qualified, we are non-part of it. Get away. You are a Gentile. Who is it? Knock, knock, knock. Who is there? A Gentile. Hey, get out of there.

[ 11 : 54 ] Knock, knock, knock. Who is that? A Jew. Jew. Have you obeyed the commandments? Yes. Come on, come on quickly. Come on, come on. Jew, have you obeyed the commandments? No, I've broken some. Ha. Go for repentance.

Go, go. So Gentiles, they didn't have hope. Bible says, we were without hope. Without, without. It's in the Bible. Ephesians chapter 2, verse 11, verse 12. Look at it.

Without hope, without God. Strangers of the covenant. Watch this. Therefore, remember that you, who? Who? Who? You Gentiles in the flesh, who are called on circumcision by, by what is called

circumcision made by, made with flesh.

That at that time you were without Christ, be alien from all the commonwealth of Israel and strangers from the covenants of promise, having no hope without God in this world.

If you are Gentile, no hope. That's why we have to be talking about Jesus. So, hey, that's why we ask for us. Jesus is the center of it all. Christ alone makes sense to us. Is that what he gets in?

[12:55] And so how do you connect that tithe to that? Now that we are no more Gentiles. You see, God gave the Israelites these commandments. You obey it, you get a blessing. And part of it, he said, if you break the, if you don't pay tithe, you are cursed squared.

Square, not square root, square. Square. You know what a square is? Yes. Square. So, it says, because it says in Malachi chapter, chapter 3, verse 10, it said, you are cursed with a curse.

He didn't say you are cursed. You are, what is, you've been cursed with is a curse. Some people can be cursed with sickness. Some people can be cursed with failure. Some people can be cursed with trouble. Some people can be cursed with marital issues.

Some people can be cursed with not having a child. But that's why I said, you are cursed, not with a curse. Hey, is it serious? Oh, what have I done wrong? You didn't pay your tithe.

You a Jew. That's what Gentiles, we, even curse, I can say it's better for us. There's no hope. So, Gentiles, but Jew, if you don't pay your tithe, you are cursed with a curse because you are robbing from God as a Jew.

[14:05] And so, does it make sense when people say that it's an Old Testament? Because all that covenant, the promises, the instructions were given to them. All right? So, how does tithe connect to us, affect us then?

We give tithe because priesthoods require tithe. Now, the Old Testament had priesthood. And there's no priesthood, so long as God is concerned, look, check the Bible, there's no priesthood without tithing.

But that kind of priesthood, the tithing was enshrined in the law. So, it made it a whole legal system. But the priesthood presided over the legal system, including the tithe.

But, ooh, you can choose not to do some things. It's fine if you want something. But when it comes to giving of tithe, it goes directly to the priest because under God's priesthood system, one of the things the priests do is priests issue blessings.

So, when the tithe comes, then they issue the blessings. So, priests were dealing directly with their tithing. That is why people say that, no, but it's not an Old Testament because they are talking Levitical priesthood.

[15:07] What they fail to realize is that Melchizedek priesthood was also a tithe receiving priesthood. So, there, mortal men receive it. But now, where we are in our system, Melchizedek priesthood, Melchizedek himself received the priesthood and received the tithe.

And guess what? He himself issues the blessing. So, you check in Hebrew, you check from Hebrews. Hebrews tells us that we are under another priest, which is that our priesthood is Jesus is a high priest and he's after the order of Melchizedek.

And he made it clear that Melchizedek received tithe from Abraham. And we are the sons of Abraham. Jesus said, if you are the sons of Abraham, you will do the works of Abraham. So, I don't understand.

It's religious mindset that begins to say that it's law, it's law. Either that or greed. Greed. Greed. Greed. Greed. Greed. G-R-E-D.

Greed. This one, this greed is spelled with four E's. And they have zero O at the back. Greedo. Greed. So, tithe is not Old Testament.

[16:14] Tithe is divine priesthood. It's covenant that goes with the priesthood. Does that make sense now? Yeah. So, if you are born again and you're a believer, then you should, okay, if you don't tithe, are you cursed?

You are not. Because under the law, you are cursed. But under grace, grace does not have curse. Just that you block the smooth flow of the blessing.

You block it. You are not cursed. But even life itself is kind of a mini curse in itself. Did you understand? So, by plugging into grace, you begin to enjoy.

Because it says that my grace is sufficient for you. And my strength is made perfect in your weakness. So, when things are bad, it says, come boldly before the throne of grace that you may obtain mercy and find grace to help in time of need.

Now, the problem is, if you block the flow of the blessing, then when it's in time of need, what's going to happen? What's going to happen? You've disconnected all your phones.

[17:18] So, there's no means of communication. Well, SOS is trying to help you. And we can't, you purposely switch off. We can't help you in spite of all our, you know, things that we can use to help you.

So, in the same way, if you're a believer and you don't walk under tithing principles, you block the flow of grace or the flow of the blessing because Abraham received the blessing as he gave the tithing.

Abraham. Abraham, my father. So, let's look at what he did. Let's do what he does. Or let's do what he did. Does that make sense? So, you are not cursed. You are not cursed. People say, when you don't give tithing, you are cursed.

Because it's the curse of the law. Christ has redeemed us from the curse of the law. So, once it's the law and you don't do it, you are cursed. That's where all Gentiles were.

But now Christ has redeemed us. So, we don't have problem with the curse. But in Ephesians, Ephesians chapter 1 verse 3. Ephesians chapter 1 verse 3 says that, Blessed be God who has blessed us with all spiritual blessings.

[18:24] All what? Spiritual blessings. All what? Spiritual blessings. Following the covenant is what makes movies from the spiritual realm. Converse it from spiritual blessings to physical. It's like you have a lot of checks.

They've given you a check. A lot of checks. Someone, Pastor Charles has given you, Pastor Philly has given you a check. One of them is 1,500. But you don't have an account. Five. And they've written everything.

And everyone has blessed you. It's your birthday. We've given you so. You had about 20 checks. But you don't have an account. Or like some people, you have an account. But the account, anything that enters. The account is very thirsty.

You're going to give somebody a check. Hey, don't put it right to my name. I will show you where to put it. So, the point I'm making is that you may have the checks. But until you have an account, you'll be able to, until you have an account to pay it in.

It will just remain paper and you still work in luck. So, he has blessed us with all spiritual blessings. But until those spiritual blessings, we operate by the principle for the spiritual blessings now to manifest physically.

[19:23] You can be a Christian praying. And nothing. And nothing. I mean, nothing is manifested. And people look at you. Can you imagine?

Listen. May this never happen to you. We're unbelievers. They look at you and they are sorry. They look at you and the way things are not going well for you. You're struggling. Everything. Sometimes, they see you from the front and say, oh, God, you should have mercy on this, but he's gone.

Don't you go to church? At least. Your pastor, don't let you deliverance? They look at you. They can tell. Things are not working. They feel sorry for you. No, no, no.

Somebody say, no way. No way. Unbelievers look at you and they say, wow. What did you attend? I need to follow you. I need to follow you. There is something on your life. It's working.

It's working. It's working. I need to follow you. See what I'm saying? That's how it should be. So he has blessed us with all spiritual blessings in heavenly places, but we have to get it down.

[20:20] We have to work in the physical reality of it because the blessing of the Lord, it make us rich. How come you are blessed with all spiritual blessings and you are making, something is making, make us poor.

Poor and full of sorrows. So covenant prosperity. So tithing is important. Now the third point I need to make this. Third point. Obedience.

Obedience. Obedience. Obedience. Thank you, Jesus. In Genesis chapter 12. Genesis chapter 12. From verse 1. Now the Lord said to Abraham, get out of your country, from your family, and from your father's house to a land which I will show you.

I will make you a great nation. I will bless you and make your name great. And you shall be a blessing. And I will bless those who bless you.

And I will curse those who curse you. And in you all the families of the earth shall be blessed. Verse 4. So Abraham departed as the Lord has spoken.

[ 21 : 36 ] How did he depart? As the Lord has spoken. God said do. He did it the way God said do it. That's called obedience. Obedience. Someone say obedience. Kingdom obedience.

God gave instruction. He followed it. He heard God. He followed it. He followed God through. He did exactly what God said he should do. And verse chapter 13 of Genesis verse 1.

Then Abraham went up from Egypt. He and his wife and all that he had. And lots with him to the south. And Abraham was very rich in life talk.

In silver and in gold. And he went on his journey from the south as far as Bethel to the place where. Now. So Abraham became rich. Because he obeyed God.

God said left. He obeyed God. You could tell that there was an impact on his life. He was a rich man. We are talking about principle that govern covenant prosperity. Alright.

[ 22 : 40 ] When you check from scriptures. When people obey God. God blesses them. And no one enjoys divine wealth. Divine prosperity from God.

Kingdom prosperity. Without the question of obedience being put right. Or the issue of obedience. There must always be obedience. Some of us. God is giving you.

He's telling you something. Giving you instruction. And sometimes it looks like. Oh God. This is too much. This is too hard. You don't know. That is the root to your wealthy place. That's your root. The root to your next supply. Alright.

So Abraham obeyed. God told. Look at Hebrews chapter 11 verse 7. Hebrews. Hebrews. Hebrews 11 7. Hebrews chapter 11 verse 7. By faith though I being. Being divinely one.

Of things not yet seen. Move. Seen. Moved with godly fear. Prepared and act for the saving of his household. By which he condemned the world.

[ 23 : 32 ] And became heir of the righteousness. Which is according to faith. Verse 8. By faith Abraham obeyed. When he was called to go out. To the place which he would receive as an inheritance.

And he went out not knowing where he was going. Abraham where are you going? I don't know. But why do you have to go? God said I should go. Are you okay? Yes I'm okay. That doesn't sound intelligent. That doesn't sound wise. Why do you have to?

I know god wants me to do. God told me to go. So I'm going. And you don't know where you are going. I don't know. Abraham an adult. Hallelujah. So. Bible says that by faith. He obeyed.

Abraham obeyed. No wonder we saw the. The result of his obedience. The divine obedience. And remember. Let me point it out to you again. Because this text is so important. And then I'll come to. Galatians chapter 3 verse. 29. And if you are. If you are Christ. Then you are Abraham's seed. And heirs according to the promise. So if you are Christ.

[ 24 : 30 ] That means that if you are Christian. And you are in Christ alone. All right. Like the. We are Gentiles. But now we are in Christ. Hello. All right.

We were Gentiles. Doomed. In our entire life. And then we. But now we are in Christ. And it says. If you are in Christ. Then. You are Abraham's seed.

And not just the seed. But you are Abraham's seed. And heirs. According to the promise. So there is promise. Hanging over your head. There is promise.

Over your life. God has promised. That this one. I will do with it. In fact. All the angels know. That any. Every angel. Any angel. Who will rise to your defense. And make sure you are okay.

There is. The way they said. Someone is wanted. You too. There is. Promise on your head. That angels should guard you. Once they do it. They are blessed. You understand what I'm saying. But you are heir of the promise.

[ 25 : 27 ] The promise of God. Is over your life. God watches over you. That's why you don't want. You don't have to walk around. Feeling sorry for yourself. There should be. Never. Should there be. Any circumstance. Any condition.

That should make you feel sorry for yourself. Right. When there is a promise. Over your life. The promise of almighty God. Over your life. Say hallelujah. So he said. If you are. If you are in Christ. Then are ye Abraham's seed. And heirs. According to the promise. Hallelujah. Is anyone in Christ? That means that you are Abraham's seed. In Galatians chapter 2 verse 9.

Let's look at chapter 2 verse 9. Thank you Jesus. Sorry. Chapter 3 verse 9. Galatians chapter 3 verse 9. Sorry about that. So then. Those who are of faith. Are blessed with believing Abraham.

Okay. So those of us who are of faith. We are blessed with believing Abraham. And I quoted earlier on. It says that Christ died. That the blessing of Abraham will come upon us. The Gentiles. Verse

All of a sudden, this Ishmael has come. And you are falling so bad for Ishmael. And all of a sudden, you receive a prophetic word that this is an Ishmael. Let him go. He said, oh, oh God convert him to an Isaac.

With you, all things are possible. There's nothing God cannot do. There's nothing too hard for God. God can't. He's able. God should convert the Ishmael into an Isaac. So, your ability to walk away from something you love or you desire, walk away from it.

In divine obedience, to protect what you love, is a sign of a champion. Say obedience. When you walk with God and you want covenant prosperity, Jesus said, my bedding is easy.

[ 31 : 25 ] My yoke is light. My yoke is easy. My bedding is light. But the point I'm making here is that obedience will secure you a place in covenant prosperity.

I've never seen someone work with God in obedience and that person suffered loss. Let me show you the last scripture on obedience. Then we move on to the next one. Job chapter 22.

I'm ready for this. Before we go to Job, let's go to Isaiah. It's not part of it, but let me just, you need to see this. It's a common scripture, but sometimes it's good to see some of these scriptures so that it can stay in your scriptural repertoire.

Isaiah chapter 19, chapter 1 verse 19, it says that if you are willing and obedient, you shall. Let's already from the screen, it will be better. Isaiah chapter 1 verse 19. Are you ready? Okay, let's already out loud. Let's go. If you are willing and obedient, you shall be in the truth of the land.

Please, we are talking about obedience, so why don't we all do it obediently? People decide not to do it because they are afraid. Okay. Is there an obedient person in the house?

[ 32 : 28 ] All right. Let's all read it to you. Let's read it out loud. Let's go. If you are willing and obedient, you shall eat the good of the land. When do you eat the good of the land? If you are willing and obedient.

Your willingness and your obedience qualifies you to have the best of the land. I see the best job coming to someone. I see the best job coming to someone. I see the best house reserved for someone.

I see the best man. Not wedding best man, you know. You know what I mean? The best of the women. The best of the men. I see coming to you for marriage in the name of Jesus.

I see your children having the best in school. Your children having the best of schools. Admission to the best of schools. He said, if you are, some of you, you have to practice this.

Say, God, I'm willing and I'm obedient. And because of the grace, based on this word, I decree, my child will have access, admission to the best school. God said, we shall eat the good of the land. Because of my willingness and my obedience, Father, I decree that this is happening.

[ 33 : 32 ] This is happening. Decree about your job. When you are going for an interview, when you see a job, when you came for a job to apply, begin to confess these things. That God, your word says, if I'm willing and obedient, I will eat the good of the land.

I decree that where the good job is, I'm getting it. I'm getting it. I'm getting it. That's how you walk in it. And you see it manifesting in your life. Say, amen. Okay. In Job chapter 22, verse 21, such a profound text.

Just try and see yourself. I think we should all read it from the screen. Are you ready? Let's go.

Now, acquaint yourself with him and be at peace. Thereby, good will come to you.

Okay. So, acquaint yourself with him. Him is God. Capitalize him with God. acquaint yourself. Keep coming to church. Keep coming to church. Acquaint yourself. When people don't go to church, I don't know what's wrong with them.

I don't know what's wrong with people who don't go to church. Especially the species that call themselves Christians. They don't go to church. You go to church once in a while. No, he said, acquaint yourself. And they don't read your Bible. You come to church, you don't read your Bible.

[ 34 : 34 ] He said, acquaint yourself with him and be at peace. Thereby, good will come to you. Yeah. Yeah. So, good coming to you is not based on how loud you shout, even though that has to do with connecting.

But good coming to you has other factors. Acquainting yourself with him. Tell someone, acquaint yourself with God. Acquaint yourself with God. Then verse 22 is the text.

Verse 22. Receive, please, instruction from his mouth and lay up his words in your heart. Did you see that? Receive instructions from where? His mouth.

And lay up. Give me King James. Give me that King James. Receive, I pray thee, the Lord from his mouth and lay up his words in your heart. Go to the next verse.

Go to the next verse. If thou return to the Almighty and thou shalt, sorry, thou shalt be built up, thou shalt put away iniquity fire from your tabernacles. Verse 24. Then thou shalt lay up gold as what?

[ 35 : 34 ] This is serious. Receive instructions from his mouth. Acquaint yourself with him. Once this is, these are all, these are all reflections of obedience. And they said, then you shall lay up gold as dust and the gold of Ophir as the stones of the books.

Gold. That is, this connotes wealth. So obedience entitles you to the, to kingdom wealth.

Obedience. Let's all say obedience. Obedience.

The next point quickly, I want to, I want to wrap up on this. The next point is faith. Faith walk. So first one is, um, love for God.

Number two, covenant principle of, covenant principle of tithing. Okay. Covenant practice of tithing. Number three is obedience, or kingdom obedience.

Number four is faith walk. I wanted to mention the faith walk before I go to the obedience, but that's fine. Faith walk. Faith walk. By faith, Abraham obeyed. By faith.

[ 36 : 33 ] By faith. Now, the key point I want to establish here is, that, Bible says in Psalm 35, verse 27, what does it say? This is a text you should always remember, based on this teaching.

Psalm 35, 27, talks about, God takes pleasure, he has pleasure in the prosper. Say pleasure.

Pleasure. Say pleasure. Pleasure. So, what does that mean?

God is pleased when you are prospering. Your prosperity pleases him. But we find out in Hebrews chapter 6, chapter 11, verse 6, that without faith, you can't please him. Your prosperity, pleases God.

Okay. And then, but without faith, you can't please God. The pleasure of God, has to do with your prosperity. The pleasure of God, has to do with your faith.

So, you can tell, that faith, and prosperity, go hand in hand. Does that make sense?

[ 37 : 31 ] Because, it takes your faith, to please God. It takes your prosperity, to please God. When you are prospering, God is pleased. God cannot be pleased, without faith. That means that, you can't prosper, without faith.

Does that make sense? Because, your prosperity, brings God pleasure, and we all know, that without faith, God can have pleasure in you. So, then, prosperity, cannot really take place, without faith.

Faith, and prosperity, go hand in hand. I'm talking, our kingdom prosperity. Faith, and prosperity. So, God, as long as God is concerned, and your life is concerned, he needs to see, when he sees you prospering, he's pleased.

When he sees faith, in your life, he's pleased. And the faith, in your, that faith, Bible says, I like the way, Bible says, Pastor Frank, you know, I like the Bible says, it says that, God takes delight, so he's pleased, when you're prospering.

Okay, so, this someone is prospering. Okay, so, you go, keep moving, let him follow you. Just in front here. Move, move a bit fast, like someone who is prospering.

[ 38 : 35 ] So, when you're prospering, God is pleased. But then, Hebrews, you can just stay there for a minute. Hebrews, Hebrews, chapter 11, verse 6, I like the way, it says that, without faith, you can't prosper.

He didn't get it. He said, without faith, this one, you're busy going around prospering, can't happen. Because, when you are prospering, then God is pleased.

But it says, without faith, God cannot be pleased. You understand? So, without faith, this can't happen. It can't be prospering. Because your prospering, it pleases God. But we understand that, for God to be pleased, the foundation of God's pleasure, is faith.

So, how come, you want to prosper, and you are not operating by faith? Does that make sense? I see someone, I see someone prospering. It's our hour of prosperity.

Tell someone, look at me well. Tell the person, take a look at me properly. I am on my way to my wealthy place. I am prospering. Tell the person, I have begun to prosper.

[ 39 : 39 ] And I am going to continue to prosper. Till I become very prosperous. Just take a look at me. Just look at the prosperous person. Have you seen a prosperous person before?

Look at me, look at me, look at me, look at me. I am on my way to my wealthy place. Shout hallelujah. Hallelujah. Hallelujah. Yes, clap for the Lord.

Let me give you this last two quickly. I will try and wrap it up in five minutes. This last two. So, love. Okay. Principles for kingdom prosperity.

Love. Uh-huh. Covenant, practice of tithing. Kingdom obedience. Faith walk. And the next one is generosity.

Generosity or liberality. Generosity. generosity. Some people are strangely stingy. Strangely stingy.

[ 40 : 40 ] When you see people complaining, ah, why is it that they take money in church? Why is it that they take money in church? Why do you go? So, what do they take? If you are born again, there is grace for generosity on your life.

Don't say, me naturally, I don't joke with my things. As long as you are born again, there is grace on your life. There is a giving grace. Grace for giving. When you are born again, you look like your father in heaven.

God is a giver. Hallelujah. If you have problems with giving, there are people here who, when we come to church, they say, let's give. They don't give. They think they are smart.

No, no, no. God has never gone broke, but you. We are trying to pull you out of brokenness. We are trying to pull you. And you say, please, let me stay there. The things you did that kept you broke is what we are trying to get you to get over.

Bible says in Proverbs 11, verse 25, we are all going to read it from the screen. Such a nice scripture. Proverbs 11, 25. Okay, are you ready to read it out? Are you ready?

[ 41 : 44 ] All right, shall we please? Let's all read it out loud. Let's go. The generous soul will be made rich, and he who waters the Lord will be watered himself. One more time. Louder. The generous soul will be made rich, and he who waters will be watered himself.

Did you see that? Who will be made rich? The generous soul. Generosity will put you on the highway of wealth. Generous soul.

Now, when we talk about generosity, we are not talking about just giving in church. We are not talking about just giving in church. We are talking about, God told Abraham, I will bless you, and you shall be, Genesis chapter 12, verse 2.

I will bless you, and you shall be a blessing. Start practicing it. I will make you a great nation. I will bless you, and make you a, make your name great, and you shall be a blessing.

Start practicing it. If no one can claim that you, some people here, no one can say that they were helped because of you. No one can say, I have been helped because of this person.

[ 42 : 50 ] No one can point to you that you, you have been a great help to them. Oh, that's not good. That's not good. That's not good.

You, you, you should be, no, I like the way, don't desire to be a consumer. Be a distributor. People who distribute, get attention of heaven.

So God increased their supply, so they can keep distributing. There's a Nigerian adage, which says that, the hand that gives, always stays up. Because there must always be a supply, so it must stay up to give.

I think you realize, people who, don't, are always, asking for money, asking, help me, help me, help me, help me. They keep doing that. No, check the nations.

The, the, the aid receiving nations, always keep receiving aid, and, are not in the position to give aid. Why? But they've been receiving, how come the ones who give aid, keep having, be in the position to give aid?

[ 43 : 53 ] Don't say, we call it, they are wealthy nations. No, it's their practice. It's their practice. I grew up in Ghana. By God's grace, now, people are, are changing because of the, impact of the churches. And so, there are a few charities.

When I grew up, there was no charity, charity for what? Charity for what? Charity. People are suffering. Everyone must fight for himself. I don't care who, hey. In Africa, we don't, we don't do charity.

We do receiving, give me to, give me to, give me to. We always believe in, someone must give me something. Someone must give me something. Someone must give you, am I, am I, am I talking to someone? Even, yes, even NGOs, when they set NGOs, NGO is not to help people.

NGO is to prosper yourself so that you can be getting aid from overseas. The liberal soul shall be made fat, King James said. The liberal soul, the one who gives, shall be made fat.

You'll be fat. No, not the negative fatness, but this one, your bones, fat. I'm talking, I'm talking about fat, so long as prosperity is concerned. Say I'm blessed. I'm blessed.

[ 45 : 00 ] Say I'm blessed. I'm blessed. Bible says, the general soul shall be made fat. Giving is a privilege, not receiving. I said, giving is a privilege. So don't let people who receive from you feel that, you're even doing them a favor.

You're lucky I'm giving it to you. The devil is a liar. Giving, you should feel that you are fortunate to be in a position to be able to give. And so when you are giving to somebody, it's like you are begging them to receive it because you just want to be, have the opportunity to be a blessing to someone.

That is the kind of Abrahamic blessing we are talking about. Shout yes! Oh, I can't wait. I'll get there. Watch me. I will do it.

Bible says, the general soul shall be made fat. We didn't read the next one. And he said, and he who waters shall be watered himself. Do you see that? Proverbs 11, 25. Thank you, Jesus.

He who waters will watch what? I've explained this before. Let me do this quickly. Can you come back, please? He said, he who waters, so stop watering. So once you discover the secrets, you keep watering.

[ 46 : 04 ] So you don't stop. So that your supplies don't also stop. Because he who waters shall be watered himself. You can't prosper from God without his word. If your prosperity is going to come from God, then his word must be in place in your life.

Someone, someone, someone. I like this one. He's coming. The thing is coming. Yes! Hallelujah! I love the word.

Someone, verse one, blessed is the man who does not walk in the counsel of the ungodly, walk in the counsel of the ungodly, nor stand in the path of sinners, nor sit in the seat of the scornful.

Verse two, but his delight is in the law. Say the law of the Lord. Say the law of the Lord. Now, the law of the Lord is another way, okay, is a phrase that is, it's also a metaphoric way of saying God's word, okay?

Sometimes when you read the Bible, you come across the law of the word, Lord. He's talking about God's word, okay? So his delight is in the law of the Lord and in his law does he meditate day and night.

[ 47 : 11 ] What happens to such a person? Verse three, he shall be like a tree planted by the rivers of water that brings forth his fruit in his season whose leaf also shall not wither and whatever, whatever, say whatever, say whatever, is not job dependent.

Kingdom prosperity is not job based or job dependent or location, whether you're in America or you are in Peckham or you are in Scotland or you are in China or you are in Nigeria or you are in Zambia, doesn't matter where you are as long as you apply the principles, you will see the prosperity of the Lord because he says his leaves do not wither.

Can you imagine? His leaves do not wither and he says whatever he does, whatever he does shall prosper. your hand touches. Why? Because the law of the Lord is your delight and you meditate upon it day and night.

Do you see what I'm saying? So before you say God, why is the God not prospering me? I've tried, I've tried. Check if you have a delight in his word and you've been meditating on his word. This book of the law, Joshua chapter 1 verse 8, this book of the law shall not depart out of your mouth but you shall meditate upon him day and night and observe to do all that is written therein and then you shall make your way prosperous and you shall have a good success.

You shall have good success. You shall make your way prosperous. How do you do that? By observing to do what is written in God's word and keeping it in your mouth. your mouth. The word must be in your mouth.

[ 49 : 03 ] If I were you, I would come up with a nice lipstick, word lipstick. Word lipstick. Anyone who sees it's just a word, the word of God is still Bible.

Bible. He said the words shall not depart out of your mouth. In other words, you must speak it because he is the high priest of our confession. You can't prosper without confessing prosperity based on God's word.

You can't be speaking and expect things to prosper. No. Hallelujah. You will prosper. You will prosper.

As you apply your hearts to these principles, may your heavens remain open for kingdom prosperity. So shall it be. Begin to lift up your hands.

Just pray shortly. Pray that God give me grace. God give me grace to apply your word. Give me grace to walk in love. Give me grace to walk in faith. Give me grace to practice the covenant.  
[ 50 : 08 ] Give me grace, oh Lord, to be generous. Give me grace to take your word, take you at your word. Give me grace to walk with you based on your word. Thank you, Lord Jesus.

Thank you, Lord Jesus. Thank you, Lord Jesus, for the grace, for the grace of prosperity. Thank you, Lord Jesus, for the grace of giving. Thank you. Father, we thank you for the privilege to hear your word. We thank you for what you're about to do in our lives. Thank you for what you've started and thank you for what you have purposed to continue and to finish.

Thank you that you, we are becoming prosperous and we will continue to be prosperous until we become very prosperous because of your blessing. Thank you in Jesus' name.
