Preacher: David Antwi

[0 : 01] Welcome. Thank you for choosing to listen to this spirit-filled word by David Enshree. When you catch a word, you have caught God. May you catch a word today that will cause God to change your story.

Be blessed. Prosperity is a God thing. Poverty is a devil thing. Prosperity is a God thing. Poverty is a devil thing. And Bible says that the blessing in Proverbs 10.22, the blessings of the Lord makes rich and adds no sorrow. Very important. You can't take just the rich and leave the sorrow out. The riches God gives come without sorrows.

So, it's very important to understand that poverty is not of God. And now when we talk about prosperity, I'm not just talking about having money because there are a lot of people who have money and they don't have God.

[1 : 13] So, I'm not talking about that. I'm talking about when you have God, it is God's desire for him to give you rest in life. Jesus said, come unto me, all you who labor and are heavily addicted, and I will give you rest.

Matthew 11.28-29. He said, I will give you rest. It is his assignment to give you rest. Financial rest. Marital rest. Rest in your health.

Rest from all kinds of... Life is stressful. How many of you agree with me? Life is stressful, but in God, it is less stressful. Hallelujah.

I found that in the Bible, in Psalm 35, verse 27. Can you imagine what the Bible says? It's serious. It's serious. Is that okay if we read it out loud together?

Let's read it. Let's go. Let them shout for joy and be glad. Who favor my righteous cause? And let them say continually.

[2 : 15] Let the Lord be magnified. Who has pleasure in the... Can you say the last bit together? Last sentence. Let's read it. Who... Who has pleasure in the... Can I hear...

Ladies say it, please. Who has pleasure in the... Can I hear the man? Who has pleasure in the... Can I hear everyone say it again? Who has pleasure in the...

Can you imagine God has pleasure... In the prosperity of those who serve him? Don't tell me people who go to church are poor.

No. We may start poor, but we don't... He don't remain there. If you see someone struggling, tell him, come to Jesus.

When you come to Jesus and you really serve him, God takes... Bible says God takes pleasure. He's happy. He's delighted. When people who serve him are doing well.

[3 : 09] That is why I can say someone here, you will do well. You will do well. You will do well. In your marriage. In your family. In your studies.

In your career. In your name of Jesus. You will do well. In your finances. You will do well. Banks will not be chasing you. You.

God, banks will chase you. You will chase them. It's a devil's doctrine to say, no. When you are poor, it's a sign of humility. And one of the wrong reasons...

Last Sunday, I said it. But I didn't say this one. One of the wrong reasons people said... David said, oh God. Don't give me too much money so I forget you. But this guy talking, he was very rich. God takes delight in the prosperity of his servants.

Who said it? The scriptures. The Bible says... And the scriptures cannot be broken. May I add this? That your prosperity as a Christian is not predicated which nation you are in.

[4 : 12] There are poor people everywhere. There are rich people everywhere. Rich people everywhere. You can be anywhere.

And the principles of God work everywhere. Everywhere. Everywhere. Everywhere. Where the Bible says that... The scriptures cannot be broken. John 10, 35 or 24 to 35.

The scriptures cannot be broken. The scriptures cannot be broken. The scriptures cannot be broken. The scriptures cannot be broken. The scriptures cannot be broken.

No human being can break the scriptures. Bible says that my word abides forever. My word abides forever. The scriptures cannot be broken.

Oh, say it again. The scriptures cannot be broken. You may be able to break the law of gravity and defy it. You may be able to break certain natural laws, but not the scriptures.

[5 : 11] Because it said, heaven and earth shall pass away, but my word abides forever.

Hallelujah. So if you find yourself in scriptures, you are on a good course.

The scriptures, the reason why some people can stay in church and remain poor is because they fail to apply and practice the principles of scriptures. God takes pleasure.

That's a serious statement. God takes pleasure. So it's like when you are doing well, God says, that's my boy. That's my boy.

That's my boy. When you are doing well financially, when you are doing well in your health, when you are doing well in your marriage, when you are doing well in your career, when you are doing well in prosperity, God says, that's my girl.

That's my boy. And Bible said God takes pleasure So he commits himself to it The prosperity of his servant Not the prosperity of people So before you start making noise Are you a servant?

[6 : 13] Are you a servant? It's those who serve him Bible said you shall serve the Lord And he will bless your bread and your water If you don't serve him He don't owe you He doesn't owe you He commits himself to servants Servants He takes prosperity Delight in the prosperity of his servants His servants like the evidentiary He takes delight in the prosperity Shout amen You will prosper You will prosper If you believe in shout amen I said you will prosper So now as I said What are the divine covenant principles Divine principles for Kingdom prosperity All right There are principles Everything in life There are principles Because he said The word cannot be broken The scriptures cannot be broken So what are the laid down principles In scriptures That guarantee Kingdom prosperity For the servants of God

Does that make sense? Very important As I said Last week Number one I said love Did I say that? Your love for Your love for God Qualifies you for his best of all Your love for God Qualifies you for the best of God So when you love God You are on the highway Into the best God has Say that's me Say that's me There was a time Jesus resurrected from the dead And he met his disciples And they were eating Peter was busy eating Jesus said Peter, Peter Do you love me more than this This But God you know God knows my heart He said no, no, no Just I want you to answer it I want you to establish it Do you love me?

Sometimes people say Oh it's in my heart God knows my heart You see what is in the heart Will invariably show In the hands In your behavior There are some people Who say I'm naturally I'm naturally not a nice person I don't smile It's my nature It's my nature So they get a big contract They realize That it's not actually their nature Alright And so Once you love God You become a candidate For his best The best of God Is reserved For the lovers of God The second point I made Is that What's the second point?

What did I say? You know that already Covenant tithing That's impressive Covenant Let's all say covenant Practice The covenant practice Of tithing Alright People say That why do you have to tithe?

Because It's Old Testament Now If you are If you are If you are not Servant of God Tithing is not Anything that God demands of you But if you are In covenant With God Then one of the Requirements Of your covenant Relationship Is tithing Just like Samson He had a special Covenant with God He was a Nazarite And he wasn't Supposed to take Alcohol And cut his hair As long as He maintained Those principles His strength Was in full force But when Delilah entered And found it out And shaved his hair Just hair It looks like This is just simple Just hair No It was a covenant Spiller It was a covenant Bedrock And so once That covenant Was breached Covenant principle Was breached Every weight Of the covenant Everything about The covenant Came Collapsing

[10 : 02] Alright So When you are In covenant With God There are things That you do Watch this You can't fast Enough to make God change his mind You cannot pray And we see What you're

going to do And if God said If I'm going to do it I'll do it three years If you don't want to go When you go You don't find it anywhere You see So God doesn't owe us anything The point I want to make is It is not you're now Beginning to do some things Practice some things That will make God Change his mind Because the Bible says Known unto God Are all his works From the foundation Of the earth So you know what he will do He has always had his plan in mind And he has actually done things When you are born again You are blessed With all spiritual blessings Now I'm teaching you That once you begin To apply your heart To some things It then opens Treasury of blessings It opens it up To manifest in your life So the blessings are there Say I'm blessed I'm blessed Look at someone Tell the person Look at me I'm blessed I'm blessed Ask the person Don't I look like A blessed person Some of you can't answer it

Yeah I'm blessed I'm blessed I'm blessed Tell the person I'm blessed I'm blessed I'm blessed I'm blessed I like that song It says we are blessed In the morning We are blessed In the city We are blessed Everywhere we go Whether you've got a job You don't go If you don't go You are blessed You are blessed You are a blessed man Without a job You are blessed And it's just a matter of time Things change Unless you believe God he didn't give it to you I think it makes it Even clearer and simple So you give God It's always been there It's so important That because he knew That the children of Israel Were likely They had the propensity To flout it Or not do it He enshrined everything They had to do To keep the covenant Going in what is called The Torah So he enshrined it In the law And he said Okay if you do this This happens If you don't do this This happens But before he enshrined it In the law It was It's a fundamental principle In relating with God Say tithing Tithing

In Jacob You see It's not only Abraham Who tithed Jacob had this understanding Of tithing To the extent That when he was His life was at stake And he wanted Divine intervention And he prayed He made a vow to God That God If you deliver me And bring me back home And let things go well With me I will tithe Who taught him About tithing So he said He said God Anything you give me I will give you A tith of it Let's look at Genesis chapter 28 Genesis chapter 28 Oh thank you Jesus I give you praise Verse 22 Genesis chapter 28 Verse 22 And this stone Which I have This This This Jacob Jacob Speaking Verse 20 Let's Then Jacob Made a vow Say made a vow Made a vow God saying If God If God will be with me And keep me In the way That I am going And give me bread To eat And clothing To put on So that I come back To my father's house In peace Then the Lord Shall be my God Watch this He said God

Will be my God And if God is my God And this stone Which I have set As a pillar Shall be God's house He had God's house In mind And then watch this And of all that You give me I will surely give you Do you see that I will surely give A tenth to you Of all Say all All So a tithing Is giving a tenth At least a tenth That's even under The In the old covenant Before Jesus died I will give a tenth To all God gives me So Tithing is giving Tenth Of what you know And you believe God gave it to you So that anything You don't think God gave it to you That's fine And you can tell God No this one You didn't give me But this one He gave me Like I was telling The story about A gentleman Who Who was praying For some money We needed about A thousand pounds For a very important Holiday He prayed He prayed He prayed He prayed

God give me money And all of a sudden Someone brought him A check of nine hundred pounds Someone He got that money Nine hundred pounds He said well God thank you You're already taking Your ten percent So now I can go And spend the nine Hallelujah That's a wrong thinking God gave him He got the nine hundred He should give God His His His Percentage God said I don't need Everything Just to show That you still depend on me Just keep the flow going And he said I agree with me And I agree with me So how I work Give me a tenth And I'll continue supplying Give me a tenth And I'll continue To be your supplier I'll continue To be your defender I'll continue To be your provision Praise the Lord Now when you look At Abraham also It's a very interesting Text here Look at Genesis chapter 14 verse 21 Genesis chapter 14 Verse 21 It says Now the king of Sodom Said to Abraham Give me the persons And take the goods For yourself But Abraham said To the king of Sodom I have raised my hand

[15 : 07] To the Lord God most high The possessor Of heaven and earth That I will not Take nothing From a thread To a sandal strap And that I will not Take anything That is yours Lest you should say I have made Abraham rich Say Abraham Abraham was acutely Aware of the source Of his wealth He said It's not what you give me It's not what you do For me Because of that I covenant I make a vow That after I finish This battle I'm not taking Anything from you Even though you have

So much I won't take Anything from you So you don't have The chance to say Abraham has become What he is Because of I What God is doing In this church How God has helped us From where we were And where we are going No man No man Can claim That I am behind it Even if I do it

God will kill me Because God knows That I can't be behind it It is purely The hand of God It is purely And the wealth That is coming Into this church And into the lives Of people here No one can claim That I am behind it No oil shake Can say that I have made it For courage And it's because Of me No one No one can Because God Is behind this assignment God And God Is behind your life And God Will bless someone here In the name So he said Abraham said I won't take it So the point I want to underscore Here is that Abraham was very much Aware that he was Wealthy Or he was going To his wealthy place And he knew that It's God who can Make him wealthy Abraham Say Abraham So we are all The children of Abraham Alright And when you look At Galatians Very important Let's look at Let's go back To Genesis again Genesis chapter 14 I want to show you Something Verse 18 The same The same text The same chapter

Let's go back To just Backtrack to Verse 18 Then Melchizedek King of Salem Brought out Bread and wine He was the priest Of the most high Of the most high And blessed him And said The king Or the priest The priest Blessed Abraham And said Blessed be Abraham Of God most high Possessor of heaven And earth And blessed Be God Most high Who has delivered Your enemies Into your hands And he gave him The tithe of all The tithe of all The tithe of all Abraham The high priest of God This guy is called Melchizedek Melchizedek Those of you Who are aware already Melchizedek Is a very unique High priest Look at Hebrews Chapter 7 Quickly I want to just Show you a few things From scripture Hebrews chapter 7 Verse 1 And verse 2 Melchizedek Say Melchizedek Melchizedek Melchizedek Alright Oh

See he's talking About Melchizedek He said For this Melchizedek King of Salem Priest of the Did you see that In Genesis That was already In Genesis Priest of the most High God Who met Abraham Returning from the Slaughter of the kings And blessed Abraham Did we read that He said This Melchizedek Blessed Abraham Now That was before The law And he has showed up Again In this new covenant He showed up Before the old covenant Was actually enacted And now He has showed up again And he's talking Go to the verse 2 It said a few things About To whom Abraham Gave what Tenth part of all First being translated King of righteousness And then also King of Salem Meaning King of peace Verse 3 Without Verse 3 Without father Without mother Without genealogy Having neither beginning Of this Or the end of this Who can disqualify Who qualifies to be Only God doesn't have mother Oh sorry I made a mistake Is there anyone here Who doesn't have a mother Or you know someone Who doesn't have a mother So only God doesn't Have a mother He doesn't have a father Okay Without mother Without father Without genealogy He didn't come from anywhere He is So this Bible calls him Priest of the most high God God himself Appeared as a priest God himself Appeared And so Now When Jesus Christ Resurrected from the dead Bible said Now he is also a priest In this kind of order His priestly order Is unchanging Alright Whoops I'm going somewhere And this priest Met Abraham And blessed Abraham And Abraham Gave this priest The tithe of all Major Two major activities That happened He blessed Abraham And Abraham Gave a tithe So this priest I keep saying Is a tithe Receiving priesthood Right Check his scriptures He is a tithe And Jesus Christ Has come after That same order Because The covenant Works for Anyone Anywhere And I see It's working for somebody Amen I am so

[20 : 11] Confident That some things Listen to this Some things Cannot happen Around me Not may not They cannot Why are you saying that You don't know This life You know You can't No I can't Prelude Because my Covenant Does not Allow some things If you know You have You have Recovery With one of The best Reliable Recovery Services In the nation And your car Breaks down Somewhere On the motor You know That you Spend the night There Because you Know these People They will Come They are Going to Come You are So sure So even If you Can be so Sure And so Certain Can you imagine Your car Has some Funny accident Or maybe Some scratch Major scratch And you report It to the insurance And you know You have Comprehensive insurance With Ketika And everything And like Some people They do Ketika They were Going to Ketika They said No sorry It's not Part of Your insurance You have All that And you know You are Dealing with A reputable

Insurance company And everything Is great When you Have an Accident There's An accident Or incident With your car You know Once insurance Is repairing It They will Give you Another car A

Ketika So you Can rely On them Because you Know it's Part of The terms Of your Agreement In the same Way Part of The terms Of our Agreement With God He said You will Save God And you Bless your Food and Bless your Water He will Take Sickness Away from You So health Is your Covenant Agreement Good health Is a covenant Agreement And covenant Access And covenant Right It's your Right by The covenant To be in Good health Shout Amen Don't tell me Doctors are Saying that No no no Doctors can Always say Because they Are trained To see Negative Things But They have To look At you And check You And check If something Is wrong And most Of us Sometimes We look Like something May be Wrong Check you Sometimes Depending on Your age Depending on Your Genotype And so Many other Things But So there Are things That may Be running Through your Bloodline But as soon As you Get born Again And you Begin to Practice the Covenant You can Now begin To confess Like the Brother said Pastor said We're going To have a Child Pastor said Watch this He said Pastor said No one Is permitted To be Barren In this Church Why did He say That Because Pastor knows The covenant Back in this Assignment So I Spoke those Things Based on What I Know Based on The covenant That backs This assignment That is why I declared But he said And I tapped Into it I head On to it So when I found Out that There was A possibility With the Woman I've Gone for There was A possibility That we're Going to Have a Challenge I remember The covenant Covering the House And I Took cover In the Covenant Someone Shout Yes That's How it Works And so I know The terms Of the Agreement And as I apply My Health I make Sure I maintain My portion And God Keeps his Portion God is My supplier Tell someone God is My provider If you Believe that God provides So tell someone God is my Provider God provides God supplies And so Abraham Back to Hebrews Look at Chapter 7 verse 6 Hebrews 7 6 Thank you Holy Spirit Someone is Blessed I see Someone Coming Into Fortune This Week Someone is About to Step into Fortune Someone is About to Step into Fortune Hallelujah Hebrews Chapter 7 Verse 6 It says That But he Whose Genealogy Is not Derived From Them Received Tithes From Abraham Talking About Melchizedek Okay His Genealogy Because Bible Says Without Genealogy Okay What's Genealogy Huh You don't You don't Some people Think it's A type Of Fruit Genealogy Is your Family Tree Okay Of Where Where You have Originated From Your Mother Your Father Your Father Grandfather Your Great Grand And all That's Your Genealogy Where You Have Descended From Okay And This High Priest This Priest Of God Is Without Genealogy So Bible Says By He Whose Genealogy Is Not Derived From Them In Other Words Genealogy Is Not Derived From The Levites Who Were Authorized To Take Tithes Under The Law The Levites Were Authorized To Receive Tithe Because Receiving Tithe Is A Very Sensitive Thing Because Only Oh Thank You Holy Ghost Listen to This Only Those Who Can Issue Blessings God Gave Them The Authority To Issue Blessings So He Said Before The People Leave Lift Up Your Hands And Tell Them That May The Lord Bless You It Was The Levites Who Were Giving The Grace To Do That They Were Authorized [25 : 13] And So If You Are Not Authorized To Issue Blessing Over People You Are Not Authorized To Receive Tithe From Them In The Old Testament And So Only Levites Were Receiving Tithe That Tells You That Levites Were In A Very Powerful Position Receiving Of Tithe Is A Reflection Of How Powerful How High You Are In Spiritual Things So As You Are Giving Your Tithe To Save The Whales Make Sure Save The Whales Organization Can Bless You Seriously Everybody Didn't Get It So He Says That In Those Times All The Israelites They Gave Tithe The Levites Received Tithe From The People But They Were Not Giving The Tithe To The People Because They Were Higher Than The People So Longer The Blessing Is Consent Because They Don't Give Tithe To The People Who Can Bless Them But Bible Says That Very Strangely Whose Genealogy Is Not From The Levites Who Is Not Derived From Them Received Tithe From Abraham Now Watch This Even Levi Who Was Receiving Tithe Of The People Who Was Within Abraham When Abraham Paid Tithe Or Gave The Tithe So These People Were So Powerful They Were Not Even Giving Tithe To The Jews Or To Their Brethren Ended Up Gave Tithe In Abraham So That's What The Bible Is Saying These Guys Says That The The The The Man Received Our Because They Received Tithe From Abraham And Bless Him Who Had The Promise Okay So Oh The Promise Man of God The Promise Works With The Blessings Watch This God Speaks That I'm Going To Bless You I'm Going To Do This For You I'm Going To Give You This I'm Going To Give You That He Speaks That's The Promise Now The Blessing Made Him Prosperous When He Came Out Of He Says Hey Watch This Because Blessing Was On Joseph He Couldn't Stay In Prison You Can't Get Stacked In One Place When

You Are Blessed Show Me Someone Who Is Blessed And I'll Show You Someone Who Is Going To Be From Blessings To Blessings To Blessings To Blessings To Blessings From One Level To Another Level To A Better Level You Can Remain At One Place When You Are Blessed Shatter And Blessed Shatter Blessed When You This Year Will Be Better Than Last Year It's A sign Of The Blessing When You Have Blessed Your Income Next Year Will Definitely Better Than This Year That's How It Works Because You It's Progression You Don't Have A Better Last Year It's A sign Of The Blessing So Joseph Was In Potiphar's House He Ended Up In The Prison Where The The Politicians Were He Was With The Politicians He Met Them The MPs Who Had Spent Money Changed Figures At The Parliament And Claim All That They Were In Prison He Was There With Them Even Though He Hadn't Done So He Had The Privilege Of Mingling Amongst Princes Who Were In Prison And In Prison Guess What Guess What Guess What Guess What I'm Sure Even It Could Be That Chief Economist Was In Prison No CEOs Were In Charge The Blesser The One Who Was Blessed Was In Charge In Prison In Spite Of All These Political Gurus Who Were There He Was In Charge Over Them A Stranger A Slave Why Because The Blessing Was Upon Him Now This Blessing Came On Abraham And When The Blessing Came On Abraham Abraham Received The Promise And He Tapped Into The Blessing By Making Sure He By Paying Tithe Giving Tithe To Melchizedek And Then He Comes Back Into The New Testament He Said Now The Priest Who We Are Dealing With Is Not The Priest In The Old Testament According To Levite Levitical Genealogy But The Priest We Are Dealing With Is A Different Priest Who Is After The Order Of The One Abraham Paid Tithe Now And So He Be To Highlight How Higher This Our Priest Our High Priest Is Higher Or How Higher And How Better He Is To The Levitical Priesthood He Said That The Levitical Priesthood This Melchizedek Who Met Abraham And Blessed Abraham Those When He Was Blessing Abraham The Levitical Priesthood Who No One Could Bless Because They Were So High They Were Also In Abraham And Received Their Blessing So What He Is To Hebrews 7 7

[30 : 35] Is Someone Getting Something Hebrews 7 7 Now Did You See What I Said Shall We All Read It Out Loud Are You Ready Can You Read Let's Go Now Beyond All Contradiction The Lesser Is Blessed By The Best One More Time Some Of You Are Not Reading It I Want You To Read It Out Loud Okay Let's Go Loud Now Beyond All Contradiction The Less Is Blessed The One Who Issues The Blessing Must Definitely Be Spiritually More Powerful And Higher Than The One Who Received The Blessing And So If Melchizedek Spoke A Blessing Over Abraham It Stands To Imply That He Was Higher Than Abraham And Levi Was In Abraham So Abraham Seeds Were All Subject To The One Abraham Was Subject To All Right So That's What He Said Go To The Verse Eight I Want To Show You Something Verse Eight There's A Strong Point There He Said

Here Say Here What What Was The Meaning Of Mortal Men Men Who Can Die The Levites Here They Received Tithes But There Talking About Melchizedek There He Receives Of Them Of Whom It Is Witness He Lives Okay So What Is Saying That Melchizedek Receives Tithe The Tithe That We Under This New Covenant The Tithe That We Give Melchizedek Receives It Melchizedek High Priest Melchizedek Is A Tithe Receiving High Priest He Said Here Men Who Die Receive It But Over There The One Who Doesn't Die Receive It So How Come You Said I Am In Jesus And I Am The Seed Of Abraham Look At Galatians Chapter 3 Verse 9 Let Me Show You Something Thank You Jesus Galatians Chapter 3 Verse 29 Look

At That And If You Are Christ Then You Are Abraham Seed And As According To The Promise That Means You Got A Promise Over Your Life As Well Hey Say I Got A Promise What Makes You Think You Have He Said If You Are Christ Okay That's Why It Starts With Being In Christ If You Are Not In Christ These Things Really Don't Apply To You And Just That's Cool But If You Are In Christ The Spiritual Law Is That If You Are In Christ Then You Are Abraham Seed And Not Just That And Heirs According To The Promise So The Promise The Promise So The Promise Was There But It Needed A Blessing To Cause It To Manifest Does That Make Sense And So We Have The Promise But You Need To Trigger It Cause The Promise Of Good Health Promise Of Good Family Life Promise Of Good Career Promise Of Your Children Doing Well Listen Don't Be Afraid Your Children Will Go Off Or Something Happened To Your Children No Don't Be Afraid Just Walk In The Covenant Just Walk In The Covenant The Righteousness Is As Bold As A Lion When They Are Saying That Children Are Going Wayward Our Children Are Not Doing Well And Let Me Just End This By Saying Let Me Just Finish On This Tithing And Clarified Jesus Receives Tithe We Could Tell Melchizedek And That's The Kind Of High Priest We Have He Is A Tithe Receiving And Jesus
