Preacher: David Antwi

[0 : 00] Welcome. Thank you for choosing to listen to another word-filled message by David Entry. Preaching is the means by which God manifests His Word and nourishes our spirits.

May the life of God enter into you anew as you listen to this message. Be blessed. The Bible says that God created the heavens and the earth. Then God said, let there be. And what happened? And there was.

And He said again, let there be. And what happened? And then for the third time, He said, let there be. And what happened? For the fourth time, He said, let there be. And what happened? For the fifth time, He said, let there be. And what happened? For the sixth time, He said, let there be. And what happened?

For the seventh time, He said, let there be. And what happened? And for the eighth time, He said, let us make man in our image. He said, let us make man in our image. And then the ninth time, He said, let us make.

And they made man in their image. And then God finished everything. But when He finished making man, He said, I have to say again. So he blessed man. He said, no, this is complete. He blessed man and said, oh man, I feel like preaching.

[1 : 05] He said, he blessed man and said, be fruitful and multiply and replenish the earth and have dominion. Say dominion. Since God said, let there be, there has always been.

He made the sun, the moon, his book. Has the sun gone anywhere? Has he gone anywhere to go? Why? Bible says that he sustains the world by the word of his power.

In Hebrews chapter one, verse three, he sustains by the word of his power. So once he said this, so. In Hebrews chapter one, it says that by faith, we understand that all things, whatever we see did not appear by what has already been.

It says that we understand that the worlds were framed by the word of God. So the worlds we see is a result of God's word. Watch this. In John chapter four, verse 24, it says that God is a spirit.

So if God is a spirit and he spoke, all right, it was a spirit that spoke, not an object, not material thing. But if spoke, it spoke for physical things to show up.

[2 : 21] Yeah. Do you understand that? So then if you make all your decision based on physical things, you are missing out. So it says in Hebrews, so that things that do appear were not made of things that exist.

It's in the spirit. So God spoke and they be, spoke and they be, spoke and they be. So if you are shouting amen for things to be, if I were you, I would say it properly. Praise the Lord.

The devil has managed to convince people that all this, all these things doesn't matter. You see, if you were the devil, why would you allow people to know the master key for their laughter? No. Uh-huh.

No. Yeah. You have to attack those things. If you can attack those things, like they have done to a lot of people in this country, from their infancy, they have made them not respect authority. They have made them lazy.

They go to school, you fail, they say, it doesn't matter, you go. If your teacher, you don't like your teacher, insult your teacher. It's not said, but they have the liberty to do that. If you are not happy with your parents, just when you are 16, just tell us, we'll give you a, you know, and things like that.

[3 : 29] So, all those systems that are necessary for your greatness have been destroyed. So, then, when it's time for you to be great, you don't have what it takes to be great. So, it keeps you a permanent slave for life.

Hmm. Hmm. So, if you were the devil and you want to stop somebody from being able to do, no, if, you see, that's why they put people in prison. They don't kill them.

Hmm. In this country, we don't kill them. We put them in prison. We take away all the things that will make you hate us. We just keep you in prison. You can't do anything. We won't kill you. The devil's plan is to disengage your ammunition.

Yeah. If he can disengage you, and I'm telling you, there is power in your ways. Yes. Yes, that most of us have not learned how to use it. Ah, yeah. That's right. And we're actually using it and giving the devil ammunition to use what we say against us.

Hmm. It said, it said you shall have whatsoever you say. Yes. Yes. Yes. Yes. Yes. That's right. So, if you say it is not well, it is not permitted to be well. It is well. It is well.

[4 : 29] It is well. It is well. It is well. So, what you say is what you get. That's right. That's right. That's in life. Wow. What you say, you can't be sick until you say, I feel sick.

Hmm. See. The feeling is just a feeling, but until you say, that's why even when you go to the doctor and say, what do you feel? What are you feeling? I feel my heart is jumping inside me.

Then it endorses the heart to keep jumping. You have to learn how to control your world by your words. So, what the devil does is he will discourage you so much that you'll be forced to say what you're not supposed to say.

I don't know if you know what I'm talking about. Yeah, yeah, yeah. Some of us today, the amount of negative things you have said about your life. That's why when you come to Shilohawa, you have to say, there must be an answer.

There must be an answer. I've got my answers. It's coming. And you just say it and believe it.

Amen. Only one person shouted, Amen. The days when you wait for someone to attend to you before you can have your miracle, those days are long gone.

[5 : 43] We are in days when someone takes responsibility and you know that you cannot be bullied any longer. So, let me show you something. And when God created man, after created everything, what did he say?

The Bible says, hey, bless them and said. For your information, maybe most of you don't know this. For your information, the word bless.

Okay, bless. Eulogia. The Greek word is eulogia. That's where we get eulogy from. What's eulogy? Eulogy means well speaking. See, eulogia.

Eulogia, the Greek word for blessing, is actually speaking. Why do we say, how do we say that?

Oh, bless the Lord, oh my soul. Speak well of God, my soul.

Instead of complaining, why have you had it? Why have you not had many miracles? Why is it? No, stop now. Speak well of him. God, I thank you. God, you are mighty. That is what, when we say, bless the Lord, that's what it means.

[6 : 41] Speak well. Hallelujah. Hallelujah. And if I were you, I would have shouted a louder, hallelujah. Hallelujah. So, hallelujah is a form of you.

You can't say hallelujah in your heart. I know you can type it on your phone, but it doesn't really mean much. Hallelujah. Hallelujah.

Hallelujah. So, the Greek word for bless, the Hebrew word for bless, barak. God baraked them. He blessed them and said, be fruitful and multiply.

Since that time, have people stopped giving birth? No. In fact, every day, a lot of children are born. Every day. Every second, sorry, every second.

Many, many, many children are being born. Because God said, be fruitful and multiply. And have dominion. Haven't you noticed that the lions and the tigers are stronger than we, the human beings?

[7 : 43] But we still control them. How come we can put a lion in a zoo? And keep it there? A whole elephant. We can capture the elephant. Capture it even the most venomous snake.

We can capture the snake and keep it in a zoo. They have sharks in zoos. Can't it be a shark? Shark that can eat you in a zoo. Why?

Because God said, have dominion. Some of you have cats in your house. Some of you have dogs. How is it that the dog is chasing other people and barking by you?

Because you have dominion. Sit down. Sit down. Wow. Shout dominion. Dominion. So even though people are bad people, bad human beings, evil human beings, can you imagine human beings have created something, invented something that can fly up and spit fire and kill people.

Human beings. Powerful. Because they have dominion. Flying to the moon. Dominion. And some of these folks don't even believe in God.

[8 : 50] But you know why they're able to have dominion? Because God has said it. Hallelujah. And when he finished saying all these things, that's part of the blessing mandate.

It's called dominion mandate. When he finished saying it, he said, and Bible said in chapter 2 of Genesis, chapter 2, Genesis verse 18, that God said it was not good for man to be alone. That means that it's not good. God said it. That's the condition. He was just describing the condition. It was not good for man to be alone. I'll make him help me. And Bible says God formed every creature of the earth, brought it to man, every creature that he has formed, and brought it to man, the beast of the field, the beast of the air, and to see what man shall call it. That's the first thing he gave man to do. He said call. And Bible says that, verse 19 of Genesis chapter 2, and whatsoever. He called it. That was the name. Hey, Lord.

Some of you didn't get it. It's done. No, no. He created the animals, brought them to man to see what he would call them. Just, just say, start talking, let me see what you're going to say.

[9 : 59] And he says that whatever he said, read your Bible, open your left, give me a microphone. Whatever he said about any animal, he said it was so. That's it. And since that time, it hasn't changed you.

What you ever you say, does it. You wake up and you say, today I feel down. Ah! You may feel it, but say what you expect.

Yes! Yes! Yes! Yes! Yes! Yes! Yes! Yes! Yes! Yes! Yes! Yes! Yes! I'm blessed! Say, say what, listen. Say what must be.

That's right. The outcome. Don't say what you feel. Mm-hmm. Say what must be. Yes! Yes! What must be. What must be. That's it. It's working for me. Mm-hmm. It's working for me.

I cannot be, because listen, every time some other things will be happening to you. Right. For information. Yes! The fact that you want great things to happen to you doesn't mean that your enemies don't also want bad things to happen to you.

[10 : 58] Some of them may not be your enemies, but they're also doing their own things. So for instance, for instance, someone who is manufacturing coffins. Yeah! Coffins. He must have a prosperous business.

So, what must die? What must die? So, if you don't say your own, his prayer will work against you. Yeah!

Yeah! The devil is a liar. Yeah! Yeah! Yeah! They are funeral directors. Oh! Yes!

If they are waiting for you, or your family, if it is you they are going to make money from, then they will be bankrupt. Yeah! Yeah! Yeah! Yeah! Because nobody is dying in your family now.

Yeah! You are going to be strong. Yeah! Your children will do well. Yeah! You are going to do well. So, yes! Yes! Yes! Yes! Yes!

[11 : 54] Yes! Yes! Yes! Yes! Yes! Yes! Yes. Yes! You know, they are not 26 percent of the children that have come to people.

Yes! Because life is such that people are always dying. Papa said, it's enough. You have been too much. You are not created.

You are not supposed to be a source of income for doctors. I like that. I said, oh, that's me. Doctors can't be benefiting or getting a good job because of me.

They must be out of job because of me. Oh, you didn't get what I said. I'm not saying being a doctor is wrong. It's good because you have to help people. But unfortunately, I'm not one of the people who need your help.

Hallelujah. Can you imagine? Somebody has been to school. He has trained to be a psychiatric nurse. A psychiatric specialist, doctor.

[13 : 13] The only way he can still keep his mortgage paid. Shall I am blessed.

I am blessed. I am blessed. I am blessed. So, God blessed them and said, and after that, he came to them in chapter 2, verse 18.

Really quickly for me, Pastor Charles. And the Lord God said, it is not good that the man should be alone. I will make him and help meet for him. Yes. 19. And out of the ground, the Lord God formed every beast.

Listen to this very carefully. Out of the ground, God formed every beast of the field. And every fowl of the air. And every fowl of the air. And brought them unto Adam to see what he will call.

Adam did not ask for it. It was, all this was God's own idea. Adam was sitting somewhere. God said, I will form. And then he formed it and brought it to Adam.

[14:13] But what got my attention is, why did he bring to Adam? To see what he will call them. Ah. Adam, say something. Let me hear. That's right.

God brought them. Adam. Adam was, listen, listen. Adam was looking for a wife. God said, what you need is a wife.

But let me start. You have to engage saying something. Before I bring you your wife. Come on, come on. Come on. Come on.

He said to see. Why would you do your own thing? Create something and then he said, you call your son to see what he will call it. Okay. If you are called, you want him, you want to see what he will call it.

That means that what you call it shouldn't be final. But read it and see. And whatsoever Adam called every living creature. That was the name thereof. Is that how you do things to see?

[15:10] He said, Adam. So God was trying to activate that power of speech in Adam. Before he got married. Power of speech.

Before he brought him the woman. Now Adam said, this is the bone of my bone. And God said, ah, now the wedding can start. Ah. If you don't say it, you are missing out.

And if you don't say what must be for you, what the answer being for you is what others are saying. If you don't speak out, you become a victim of what others are saying.

Paul was brought to King Agrippa. Acts chapter 16, verse 26, verse 1.

It says that King Agrippa said, Paul, thou art free to speak for yourself. Is it that? Let's make sure I got it right.

[16:13] Acts chapter 26, verse 1. I think I should get it right. Then Agrippa said unto Paul. Ay, ay, ay, ay. That I permitted to speak for yourself. I permitted. Listen, sister.

You are free to speak for yourself. Oh. Don't wait for the pastor to preach. In fact, the pastor preaches so you can say what he's preaching. That's right. It's a romance. It says that the word is near you.

Even the word of which which we preach is in your mouth. The word we are preaching is in your mouth. That if you can believe in your heart and confess with your mouth that Jesus is Lord, you shall be saved.

So if you don't say it, you shall not be saved. Shout hallelujah. Hallelujah. The scripture pastor was reading.

Jesus was passing by, was hungry, saw the fig tree, went to the fig tree. And what was he looking for? He's not a goat. He was looking for fruits, not leaves. And when he went, it was only leaves.

[17:10] He said, I don't do leaves. I do fruits. He said, may no one eat from you again for treating me this way. And guess what?

Listen to this. That's what I want to say and then we can end. When we are praying, God spoke to my heart seriously. He said, I heard him so much. He said, I heard. He says that it is easy to get answers to your prayers.

Amen. Amen. Thank you. Amen. So why are we getting, how are we not getting it? It's easy to get answers to your prayers.

You don't need to. Prayer is the easiest thing to cook. When you are cooking fried rice, you have to add a few things. When you are cooking stew, prayer is only one ingredient.

Wow. That makes it work. That's right. Because once your faith comes and then you speak. Ta, ta, ta, ta, ta, ta. So, so Jesus, Jesus saw the fig tree and then he cursed it.

[18:10] This won't go my attention, bro. He cursed the fig tree and Bible says that the disciples said him. That's all. So that means they said it, they heard it and then he went away. He didn't expect otherwise by what he has said.

Think about it. He did not expect otherwise except what he has said. So after he went and then verse 18 and 19, when they came back in the morning, Peter saw the tree.

And Peter said, Master, look, Rabbi, the tree you cursed is dead. It's dead to the root. And Jesus, that's verse 20. And then the verse 21, Jesus, I kind of, what did you expect?

Verse 22 said that. And Jesus answering said unto them, have faith in God. That's what he said.

Can you imagine? They said, hey, Rabbi, look, this thing cannot happen.

I never thought it would happen. When you were cursing it, I thought we thought you were joking.

We didn't know that when you speak it happens like that. Say, look, it is dead. The tree has dried up to the root.

[19 : 15] Hey, within 24 hours. Hey. And Jesus in response, in response to their amazement and all that goodness. He said, have faith in God.

Oh, I'm talking on tree. I was going to say have faith. I'm telling the key. Have faith in God. Then he went on to say, why did he say have faith in God? Verse 22 said, first word, first word.

For. First word. For. Why should you have faith in God? Because. Because. Now he's telling them. They say, master, I didn't think this would happen.

It just happened. He said, have faith in God. Because the fact is. Then he asked, assuredly, I say to you that. That's the fact. Since Genesis. That's how God has created a system.

The system is word operated. Yeah. Yeah. Yeah. Huh. The system we live in is word operated. That's right. Thank you. It's a word operating system.

[20 : 14] All right. WS. Word. The most advanced system ever. And it cannot be overruled. It's weird. So when you see something in life you don't expect, you don't want, that is not friendly to your destiny.

You have to activate a higher word from God. That's right. Thank you. So Jesus said, for assuredly I say unto you. That whosoever shall say unto this mountain.

That whosoever. What is the meaning of whosoever? Whosoever. Who does he include? Anyone. Who does he exclude? No. That's the only foundation. Mm. Whosoever.

Whosoever. Because if you're a human being, you have been created to speak. I was created to speak. Mm. I was created to speak.

Yes. So when a child is born, one of the things that shows that this child is okay is that you must hear something from the vocal cords. Read throughout scripture.

[21 : 17] Anybody the Holy Ghost came upon, there was always. Ultrons. Ultrons. Ultrons.

Because we are created. So when the Holy Ghost comes, what makes you win is that it activates that ultrons.

You have to speak. When we come together, someone must speak. Yes. The church is not like a classroom where you come and sit down and take lectures and go, no. Church, we come together.

We are hearing gospel. We are speaking it back. We are shouting the amen and we are engaging it. And it's happening. As you speak, and it's happening. As you engage. Things are happening.

Things are happening. Things are happening.

Things are happening. In the name of Jesus. Shout, I am blessed. I am blessed. Listen. Listen. Why did Jesus tell them this?

Listen. Listen. Why did Jesus tell them this?

[22 : 26] In response to what they seen just happen. They saw that Jesus spoke to the tree. The tree died. And they were asking Jesus. This is amazing. Instead of asking, what must we do?

Can we also do this? But Jesus to help them. Tell them that this is how things work. You have to speak out. Say something. Say something. Your husband is a brother.

Speak over him. Your wife is a brother. Speak over her. Your child is a brother. Speak over that child. Your child's health is a challenge. Don't just accept what the doctors have said.

No. They have said it. But there's a higher truth. There is. There's a higher truth. I'm telling you the true facts. There's a higher truth.

There are so many people. This woman, Joel Austin's mother. She was told that she's got terminal cancer. Terminal. Anytime they say something is terminal. Listen to me. Anytime they say something is terminal.

[23 : 22] That means that the doctors can do anything beyond what they have done. That's why they say it's terminal. But it doesn't mean nothing can be done about it. The problem is we have too much confidence.

That's how we have been educated. We have been trained to put our focus on the things we see. The things we hear. The things that are going on around.

That's how we have lived our lives all along anyway. And now you are 40. And now you are 38. And now you are 27. And that's for 27 years. You have lived your life based on what you see.

You saw the apple. You felt like you fell for the apple. You saw the money. You felt, ah, if I get this money. You saw your salary. The bank statement. You are sure that's the amount that is in the account.

But let me tell you, you can say one thing. I don't know who I'm talking to.

[24 : 28] But someone is at the brink of a major life changing story. Finally, please do not say things and expect them to happen because of how you are feeling.

Okay. Okay. Did you hear what I said? Too many Christians are feeling oriented. Today I felt it. Yes. No. No. You don't win a court case because your lawyer was feeling good. No. He spoke good.

Yes. Based on the constitution or the law. Is someone listening to me? Yes. So sometimes you may be crying.

You may feel dumb. No. But you have to say, I am just blessed. I am blessed. I am blessed. It does not feel like it, but I am blessed.

[25 : 41] They said no one can help me, but I know help is coming by tomorrow morning. Oh, Lord. Thank you, Jesus. I am blessed. Thank you, Jesus. I am blessed.

Thank you, Jesus. I am blessed. Thank you, Jesus. I am blessed. Son, I am blessed. Son again, I am blessed. If you believe, Son, it for a loss.

I am blessed. I am blessed. Son, I am blessed. Son, I am blessed. I am blessed. I am blessed. Oh, Lord. I am blessed. Thank you, Jesus. Thank you, Jesus. Yes, Jesus. Thank you, Jesus. Ah. You know what I found out, sir?

What you say is what is authorized to happen. Yes. Yes. Listen to this. Yes. Yes. Yes. Yes. Yes. Yes. But it's not everything you say that will definitely happen.

Yes. Yes. Yes. So Satan picks and chooses. Yes. What you say is authorized. Yes. Yes. Listen to this very carefully. Yes.

[26 : 39] So your enemy picks on the negative ones to use it against you because he has a wrong, right? Yes. Yes. Yes. Yes. But when you say it like I am blessed and you just said because I am blessed, I am blessed.

It can or cannot. But there is another way that makes it impossible for it not to cannot. When you add faith.

When you have faith and you say it, there's no way it cannot. It must happen. Yes. I am blessed. I am blessed.

I am blessed. I am blessed. Do you understand what I'm saying? Yes. Yes. Yes. Well, I am blessed. I am blessed. Yes. I am blessed.

Yes. in God. The man came to Jesus and said, my son is very unwell and the sickness demon threw him to fire when he comes. Mark chapter 9 verse 20 downwards and the man said, Jesus, if you can please do something about the situation. Verse 22 said, if you can please do something about the situation. You know what Jesus said? Jesus said, if I can, all things are possible to him who believes. So it's not about my can, but it's about your faith. Don't mind who doesn't want to help you.

[28 : 07] It is irrelevant. When your faith is in place, that's what determines the outcome, not who is on you. Let me repeat that. When your faith is in place, that's what determines the outcome, not who is on your side. Who is on your side is irrelevant because your faith causes heaven to be on your side. And he said, if God be for us, so have faith in God and speak God's word over. Listen, some of us, we say today and we see something negative, we stop saying it. Then we change it, start saying what we are seeing. He said, let, let the redeemed of the Lord say so. Say what?

Say what? Say so. Say what is the so? I am redeemed. Let the redeemed of the Lord say so. Say what God has done. Is someone getting what I'm saying? Yeah. And this man told Jesus that if you are willing or if you can do something about it.

And Jesus said, me, can you believe? Jesus said, if you believe, all things are possible. Watch this. To him who believeth. Now we understand that human beings, all things are not possible for human beings.

It's only God with whom all things are possible. But now Jesus says that as soon as you believe, you are elevated into the God status. Amen. That you too, all things are. Is it in the Bible? Let's see if it's true.

Jesus said unto him, if thou can believe all things. What did the man say to Jesus? Twenty-two. And oftentimes it has cast him into fire and into water to destroy him. But if you can do anything.

[30 : 15] The man said to Jesus, if you can do anything, have compassion on me. Please, just help us. Please help us if you can do anything. And what did Jesus say? If you can believe. If you can believe. All things are possible to him by me.

So it's not that I can do it. You can believe it. Now watch this. All things are possible to him who believes. But we know that all things are possible for God. Now he says that when you believe, you too. All things are possible.

Amen. Thank you, Chihali. You are focusing too much on your impossibilities. That's what is disturbing you. That's what is frustrating you.

That's what is actually disengaging the influence of heaven. Your focus. What do you see, son of man? Can these bones live? What do you see?

And he says that I hate him. I watch over my words to perform. God can act until someone speaks his word. Oh, wow. God is fighting for you.
