Preacher: David Antwi

[0 : 00] Hallelujah. Thank you for tuning in to this powerful message by David Entry at Karis Phase 2, Our Christ Centred Youth Services. You can never find Christ outside of the open Word of God.

May Jesus Christ reveal Himself to you as you listen. One Lord. Somebody say Jesus is Lord. I said it the other time, there are people who want Jesus as Savior but not as Lord.

He he he. They want Him to be their Savior, save them from hell, but not to be their boss and their Lord in their life.

And if Jesus is Lord in your life, that means He must be Lord of all. Or not Lord at all.

Lord of all. Lord of all. Or not Lord at all. Lord of your feelings.

[1 : 08] Lord of your decisions. Lord of your money. Lord of your possessions. Lord of your relationships. So He governs what relationships you are comfortable to go in.

There are some relationships you want but your Lord doesn't like. There are some places you feel like going. He must be Lord of your feelings.

Lord of your feelings. Including your sexual feelings. If He is not Lord over your feelings, He is not Lord over your life.

The Lordship of Jesus Christ is an all-inclusive Lordship. It includes every aspect of your life.

Somebody say Jesus is Lord. Jesus is Lord. For that reason, therefore, God has also highly exalted Him and given Him a name.

[2 : 18] That is above all in Philippians chapter 2 from verses 9. That is above all in Philippians chapter 2 from verses 9. That is above all in the name of Jesus. Every knee will bow.

In the name of Jesus, every knee should bow of things in heaven and things in earth and things under the earth. Oh, verse 11. And every tongue shall confess that Jesus is Lord.

To the glory of the Father. You confess that Jesus is Lord. In the early church, Jesus okulos. Jesus.

Jesus. And they were being executed and made dead for this confession. They say, you have to say Jesus is Lord. They said, I can't say Jesus is Lord. Sorry. Caesar is Lord.

Caesar is not kurios. Yesu okulos. Not Caesar kurios. Yesu kurios. Yesu is okulos.

[3 : 19] And they were being killed. Just for that. That was. When we say Jesus is Lord. It's the summary of the Christian faith. Therefore, God has highly exalted him.

God has highly exalted him. And I give you a name that is above our name.

Acts chapter 5. Verse 31 and 32. Him. Him. Has God exalted with his right hand to be prince and savior.

That prince is Lord. That's a translation. Alright. New American Standard Version. New American Standard Version. The prince there is Lord. Look for another translation that renders.

It's the archegos. So. He can save anyway. Okay. I have a translation. Leader. As leader. It's Lord. It's the boss.

[4 : 28] In Ephesians. Sorry. In Acts chapter 2. Verse 36. Acts 2. 36. It says that. Therefore let. I think.

It's not. It's not fair. It's not fair for me to read it alone. I don't want to be selfish. I don't. I just. This is. This is so sweet. It's like.

Um. Sticky toffee pudding. Wow. With some. Custard. Organic. Organic custard.

Or. Ice cream. Vanilla. Ah. Or. Is it. Um. Bread and butter.

Pudding. From M&S.; Ah. Ah. And oh, it gets a bit crunchy. Oh, my goodness. And you remove it from that thing.

[5 : 25] And then you pour the... Oh, my goodness. I don't want to be selfish.

I want to share. So let's all read it together from the screen. In Acts chapter 2, verse 36. Let's go. Let the house of Israel know.

Surely, that God has made the same Jesus. Whom you crucified. Both Lord and Christ. Hallelujah. Let's read it out loud again.

Let's go. Therefore, let all the house of Israel know. Assuringly. That God has made that same Jesus. Whom you have crucified. Both Lord and Christ.

Hallelujah. Somebody scream, Jesus is Lord. Jesus is Lord. God has made him. After they crucified him.

[6 : 23] God has made him. Not only Lord. But both Lord and Christ. So, the scripture says, we have one Lord.

How come that Lord is telling you one thing. He's telling somebody else. Contrary. Something that's contrary. For instance, the government of the United Kingdom cannot sit down if, let's say, Peckham rises up against Cameroun.

And they are fighting. No, they have to do something. They have to restore order. How come we have one Lord. And yet, we are fighting amongst ourselves.

One of us has a different Lord. Wow. Oh, yes. If we have one Lord, we won't fight. Because we take others from same source.

And it says that, endeavor to keep the unity or the oneness of the spirit through the bond of peace. We have one Lord.

[7 : 28] So, one. Let's start from the top. First four. One body. One spirit. Even as you are called in one hope of your calling.

One Lord. One faith. One baptism. I can't wait to get to one God. But let's tackle the faith.

Someone shout one faith. One faith. Is that all you can do? One faith. I think that ladies can do it better. Ladies. One faith.

I told you. It's so good. Better than a sticky pot of a pudding. Ladies, one more time.

One faith. Oh, may God bless you so much. All right. Can I have a gentleman? One faith. Please, voy. voy voy voy voy voy voy voy voy voy voy voy voy voy voy voy I have fought a good fight.

[9 : 00] I have finished my course. And I have kept the faith. Let's all read it together.

Let's go. I have fought a good fight. I have finished my course. I have kept the faith. I have fought a good fight.

At the end of your life, what matters is the faith you keep. At the end of your life, what matters is the faith that you keep.

In Titus chapter 1 verse 4. Titus chapter 1 verse 4. It says that to Titus, my own son, after the...

Peter calls it precious faith. Precious faith. Precious faith. We are called to partake in this precious faith.

[10 : 01] Titus calls it common faith. To Titus, my own son, after the common... So it's not my biological son.

But the faith we all share. It's not a different faith for you. Different faith. After the common faith. You remember in Acts chapter 7... Acts chapter 6, I'm sorry.

Acts chapter 6 verse 7. Bible says that... And great company of the priests were obedient to their faith.

Faith there is not the subjective faith, but objective faith. Subjective faith is when Jesus asked somebody in Mark chapter 9 verse 23...

The man said... Okay, verse 22. Verse 22. Verse 22 says that... The guy was telling Jesus that oftentimes we cast him into the fire and into the waters to destroy him.

[11 : 01] But if you can do anything, have compassion on us and help us. Then Jesus said... If you can believe... All things are possible to you. The man said... Lord, I believe. Help my own belief.

See? Straight away the father of the child cried out... Saying with tears... Lord, I believe. Help my own belief. That means... Jesus said... If...

Previously what Jesus said... Verse 23. He said... If you can believe... That's subjective. It's dependent on you. That's subject to you. If...

If it means subjective. But we have the objective... So this is subject... Subjective faith is when we say... We walk by faith and not by sight. I believe. I have faith. I have faith.

The man came. The woman with the issue of blood. She came in Mark chapter 5. And she said that... She said that... She said to herself... Mark chapter 5 from verse 25... In particular verse 29...

[11 : 56] She said to herself... If I may... But touch the hem of his garment... I believe... I know... I shall be made whole. And she touched it... And Jesus felt in himself... That virtue had left him. Jesus stopped...

And he said... Who touched me? Who... Peter said... There's so many people... I'm thronging you. You say... Who touched me? But when the woman saw... She could not hide. She came and told her whole story. And Bible Jesus said in verse 34...

Woman... Or daughter... Your faith. Do you see that? Your faith. That's subjective. Your own. Not her own. Not somebody else's own.

Your faith. That's why we say... The just shall live by... His faith. So it's a subjective... You determine the kind of faith... You want to operate in. But then when the Bible faith says that...

That... Common faith... According to... My son... Titus... My son... In our common faith... Faith there...

[12 : 53] Is not action. Faith there... Is set of belief system... That things... So they became obedient to... Their faith. It's like...

It's an object. The great company of their priests... Became obedient to... Their faith. So their faith... It's not like you are bringing... It's objective.

It's not subjective. It's not based on your feelings... Your whims... And your aspirations. It is there. It's like this room. When you come... The room is here. You don't... You didn't bring the room here.

And the size of the room is... Is set. It's not subjective. Okay. It depends on who comes here. No. It's not subjective. So when we talk about subjective...

It means that... Based on certain conditions... What the outcome... But objective means... That it is... Conditions are not... It is what it is. And so when you talk about...

[13 : 47] We all have one faith... The set of things we believe... That make us Christians... They say... That is why... Jehovah's Witness... Fall short of being Christians.

Because what... The set of things we believe... They don't believe some of it. So... It's like two different faiths at work. That's why... Muslims are not Christians. That's why Hindus are not Christians.

So they will tell you... The Islamic faith... The Hindu faith... The Buddhist faith... It's a set of things... They also subscribe to... So their faith is different...

And if you are a Christian... Then we all have... One faith... And the faith... The fundamentals... And the foundation of our faith... Is Jesus Christ is God...

The son of the... The Christ... The son of the living God... Who died... He lived a human life... And died on the cross... Was buried on the third day...

[14 : 46] He resurrected from the dead... And ascended into heaven... That's the foundation of Christian faith... His death on the cross... Was for our sins... Amen...

Amen... His death on the cross... This is the common faith... Of Christianity... That faith... Common faith... So when we say...

One faith... When the Bible said... One faith... It's talking about... The set of things that... We all believe... That make us Christians... That underget Christianity... When you look at the verse 13...

It says... Till we all come to the unity of faith... We come to the... Unity of... Their faith... In 1 Timothy 1...

Verse 18... And 19... It talks about how... This charge... I commit to you... San Timothy... According to the promises... Previously made...

[15 : 39] Concerning you... That by them... You may wage... A good... I'm giving you... Charge... That by this charge... You will be able to fight... Sometimes... You need someone in your life...

Who can... I saw... I saw a certain... Lady... Is a business woman... Doing phenomenally well... Financially... Prosperous... And she said to me...

That... I started... Breaking through financially... When I... When I started... Paying for my mentors... He said...

I... He said... She said to me... I spent... Over... Thousands of pounds...

Per month... Paying my mentor... To just talk to me... Let me do this... Do that... That's all... See the difference... Between great people... And not great...

[16 : 33] So great people... People who are not great... Say... But I have that money... Did you pay for him... Just to talk to me... No... She said... Pastor... I get 10 times more... Because of what...

He teaches me to do... Just... The fact... That... He shares with me... Is making me a millionaire... He said...

I don't struggle... Paying to be a millionaire... We would like to pray... To be millionaires... Praise the Lord...

Faith... He says that... 1 Timothy 2... Verse... 18... That...

You wage... A good warfare... By this charge... I'm giving you... Some of you... Since you started... Hearing charges... From the puppets... Instructions...

[17 : 36] And inspiration... Look at how your life... Is shaping up... If... Listen... Listen... If you don't have anyone... In your life... Who can tell you... Do this...

No... Don't do it like this... Do it like this... Hey... No... Stop it... Don't go here... If you don't have that... You are on a highway... To crash... You will never do well... In life... Yeah...

We only fly... By instructions... Instructions... Instructions... You want to fly in life... But you don't want... You don't like... Instructions... Oh... I don't like to... People tell you what to do...

That's how some of us... Have been raised... You don't like instructions... You are your own boss... Where is it taking you? I don't think... This is important...

This is important... If you want to do well... In ministry... Someone must tell you... Hey... Sit up right... Some of you are always... In a hurry... You don't front seat... You want to quickly...

[18 : 30] You want to pop it... You want to look important... I'm telling you... You are not likely to do well in ministry... Because you are aiming... At the wrong things... You are aiming at the wrong things...

Let your impact... Secure a seat for you... Hmm... Hmm... Hmm... Make impact... And...

Life will respect... And recognize you... Hmm... I'm... I'm just sharing... Some things that can help someone... A charge... A charge...

Charge... Charge... Charge... Who your father is determines... Your inheritance in life... Timothy had to call him...

Son... I charge you... You should thank God... You have a pastor... Who does not fear... Who doesn't fear... But... Is eager to help you...

[19 : 24] To speak into your life... Oh yes... Oh yes... Oh yes... Yes... The one whose instructions... You are not willing to follow...

Forget about saying amen... To their prayers... It will not work... I charge you... Son... Timothy... Son... Son...

Your greatest desire... Should be a son... Son does not... Generic... It's generic... It's not... Gendal... Because in biblical times...

Inheritance goes to sons... It goes to sons... So that's why... As many as believe in... John 1... He gave them the right... To become...

The sons... Not... Not their sons and daughters... Any script... Any text... You see sons and daughters... Is not being true to the text... It's never sons and daughters... It's sons...

[20 : 18] But that sons... Is not... Male... And it's... It's not female... It's... The Bible says that... God created Adam... He created him... Male and female...

He created him... So... Adam... When he was created... He was both male and female... So when he said... I want somebody... God said...

Okay... Let me remove the female out of you... And then remove the female... Everything was created in one man... Or he didn't think about it... Yeah... That's why he said...

I want a woman... So... You guys... The way some of you guys... Always feel like... I need a woman... Adam used to feel the same... Adam used to feel the same...

So God... God put him to sleep... Because... Him... The woman was already inside him... Put him to sleep... And did some surgery... Pull out the woman... And then he woke him up... He said... Adam said...

[21 : 13] Wow... But this charge... I give you... Son... Timothy... That you wage... A good warfare... According to the prophecies...

I'm giving you this charge... Because I'm also... Bear in mind... The direction your future is going... Because there are some... Prophetic words... On fire in life... And I'm giving you a charge... Based on the prophetic word... Because I know your future...

I'm showing you... And he said... So that by this... You wage a good warfare... Life is not a funfair... It's a warfare... Success... Success... I've always said...

It's not a gift... You have to fight for it... You have to fight for it... Good marriage... Is never a gift... It's work...

Good marriage is work... Good marriage is work... What else do I say to that together? Good marriage is work... Some of you think... You can have good marriage... Because of your dress...

[22 : 05] Or your dressing... No... Good marriage is work... I have to help somebody... Because I pass through... A certain path...

And it has helped me... I think it's very... It will be cruel... To just watch you... Just go... But... That's why I've... Dwelled on this...

He said... Son Timothy... This charge... I commit to you... This charge... Oh... Son Timothy... Oh... Son...

That... The anointed... Will find a son... In you... And he's willing... To charge you... Based on the prophecies... Over your life...

Charge you... Not just pray for you... Charge you to work... Your good warfare... By the charge... They've given you... So he gives you... The tools to fight... To make the prophecy... Become a reality... And the tools are...

[22 : 59] Charge... Charge... Charge... I charge you... And then look at the next... It says that... Having faith... And good conscience... Listen... You have to fight... And make sure you have faith...

Say faith... Faith... This one is subjective faith... Okay... The first faith here... Is subjective... So having faith...

Faith goes with good conscience... I mean if you have done something... Bad before... And you're trying to work by faith... But the thing is... It's not working... It's not working... Yeah...

It's not working... Faith goes with good conscience... Let's say that together... Faith goes with good conscience... So you have... You need to have... Faith... And good conscience...

Some of you... If you want to do well in life... Listen to this... You have to... From today... That certain individuals...

[23 : 54] Cannot be your friends... Maybe I'm saving your future... This is a statement... Charles Spurgeon said... Life...

And death... Heaven... Heaven... Or hell... Um... Great destinies... Are often... Can be hinged...

To one sermon... A person listens to... There is one sermon... You can listen to... To change everything... About the future... One... One... One...

One... Sometimes not even... Often so many sermons... One sermon... Change something in you... And I pray that may today change... And I'm telling somebody... There are some people... After today... You should never...

Call them friends... Remove them... From your list... Remove them... Because... They are one of the reasons... Why your boat will sink... You have a Jonah...

- [24 : 47] In your boat... To sink... You have a Jonah... In your boat... May God remember us all... Amen... Some people can...
 You don't even believe... God for mercy... And say amen... Amen... May God remember you... Amen... And may God show us...
 Great mercy... Amen... Back to the text... It says that... Holding faith... And good conscience... Which some people... Not everybody... Will stay in faith...
 Which... Which some... Having rejected... Don't be one of those... Who reject it... Because you'll pay for it... You'll pay for it... It says...
 Having... Some translation... Use the word... Holding... I prefer holding... Yeah... Holding... Yes... NIV... Holding faith... And good conscience...
- [25 : 42] You are holding it... The Bible said... Hold on to eternal life... Hold on... Fight the good fight... And lay hold... Lay hold on eternal life... 1 Timothy chapter 6...
 Verse 13... 12 and 13... Lay hold on eternal life... Verse 12... Hold it... It says that... Fight the good fight... Take hold... Of eternal life... Take hold... Hold it... Hold it...
 Hold it... Hold on... Hold on... Yeah... Hold on... He said... Holding faith... It doesn't matter...
 What happens to you... It doesn't matter... What you go through... Be like Paul... He said... I have kept the faith... Holding faith...
 And good conscience... Which some... Didn't do it... You think everything I'm preaching... The word of God that I'm preaching...
- [26 : 35] Especially the word bits... It didn't everybody... Will keep and do it... Some will reject it... But you reject it... To your own demise... Because it says that... Which some have been rejected...
 Have made ship wreck... Oh... Ship wreck... You're not going anywhere anymore... You are sinking... Sinking...
 Ship wreck... Of... Their... Faith... Now this second faith... Is... The... Objective faith... You can make...
 Ship wreck... Of your... Objective faith... And suddenly... We can't see you in church anymore... Where are you? I'm tired... I'm tired... I don't know... All this thing... I don't even know... If I believe anymore...
 Oh yes... No problem... We'll meet again later... People are trying to cut corners... And take shortcuts... The only shortcut...
- [27 : 32] To destiny... Is the right path... Trying to take... Shortcuts... Be smart... At your own... Expense... Be smart...
 To your own... Detriment and peril... Be smart... By trying to cut corners... And short circuit... What God is doing... In your life... Is there some...
 Rejected faith... And have made shipwreck... A rejected good conscience... Holding conscience... And faith... Of faith... And good conscience... Have...
 Having rejected... Have made shipwreck... Of your faith... May you not make shipwreck... Of your faith... May it be said of you... She kept the faith... Amen...
 Paul didn't wait for anyone... To say about him... He said... Me myself... I have kept the faith... The faith... One faith... One faith...
- [28 : 27] One faith... One faith... That's what makes us one... One faith... Let me add the two... One Lord... One faith... One... One... Acts 2.38...
 And... He says that... Acts 2.38... Peter said... Repent... And let every one of you... Be baptized... In the name...

Of... Jesus Christ... For the remission of... Since in Matthew... Chapter... 28... From verse 8... In all power... And on earth...

Jesus cares... That all authority... Has been given to me... In heaven... And on earth... Therefore... Go... And... Make... Disciple of all nations...

Baptizing... The disciples... Baptism... Is for disciples... Not church members... You can be a church member...

[29 : 26] Of a church... It doesn't mean... You are a disciple of Jesus... You only become... A disciple of Jesus... When you are... Genuinely born again... And...

You are allowing... Scripture to be your guide... And the... Final authority... In your life... Especially when it comes to... Matters of faith... And worship... And... Life...

Important aspects of life... Baptizing them... Baptizing them... Efficient... So... Romans... Romans... Chapter 6... Verse 3... Romans...

Chapter 6... Verse 3... And... Don't you know... That as many of us... As... Were baptized... Into Christ... Our baptism...

Puts us... Into Christ... So... It's one baptism... What kind of baptism is it? Being baptized... One baptism that... Makes you...

[30 : 21] Get baptized... Into... Christ... 1 Corinthians... Chapter 12... Verse 13... Baptized... Baptized...

Into Christ... Many people's burdens... Are self-induced... It could have been avoided... It could have been avoided... You could have done better...

If you had not been there... But you know what... One thing I like about God... Always... Will give you another chance... It is called...

Mercy... It will give you another chance... But guess what... If the chance comes... And you haven't heard... The instructions... That will make you rain... You will blow the chance again...

Yeah... I mean if you have... Blown more than one chance... Yeah... Before your life... Yeah... You had another chance... He blew it... Another chance... He blew it... And... Even me as a leader...

[31 : 18] I always give people chances... Yeah... Sometimes I give you another chance... Because... See... The more you work with God... The more you are... Merciful towards people... Yeah... That's what I want... The Bible says that...

As the elect of God... Colossians chapter... Chapter 3 verse 13... Very strong... At all... I saw this scripture... When I was in secondary school... 34 years ago...

And it has never left me... It said... Therefore... As the elect of God... Holy and beloved... Put on tender mercies... You put it on... Kindness... Humility...

Meekness... Lots of... You have to put it on... God is not going to... Put it on... Put it on... Tend that mercy... Yeah... As the elect of God...

Holy and beloved... Bowers... Put on therefore... Bowers of mercy... People know that... Hey this one... If I touch it... I will never be forgiven... So if I want to steal... Somebody's phone...

[32 : 11] Hey this one... Let me go for this... God is for this one... I know that even if I cross him... He can't... People must feel like... They can get away... When it comes to you... They are easy to be forgiven...

If people don't feel that about you... There's something questionable about... Your mercy... Your levels of mercy... I'm not saying... We should make ourselves vulnerable...

For people to take advantage of... But... We should be so kind... That people... For some reason... Consciously... They know that... Hmm... This one... I can't get away a little bit... Even though sometimes...

They shouldn't get away... You understand what I'm saying? Yeah... It's called... Bowels of mercy... Wow... Wow... Wow... As the elect of God...

We talk about... Back to my text... Ephesians chapter 4... Verse what? Ephesians chapter 4... One faith... One baptism... We are baptized into...

[33 : 07] The Father... We are baptized into the... The Bible says that... 1 Corinthians... 12... 13... Yes... We were all...

Say all... All... How many of us... All... I think... I like the way you say it... Yours is better... All... We were all... All... All... We were all...

Baptized... Galatians... Let me add one more text... And then we can move on quickly... Galatians chapter 3... Verse 27... 28... 27...

Shall we all read it... All together... For one day... You have to be baptized... Baptized into Christ... Up to one Christ... There is neither... No Jew nor free...

There is neither... Born nor free... There is neither... Male nor female... For... We are all one... You see the oneness... Yeah... What made us the one... It says that...

[34 : 00] Verse 27... That tells us... Why... How we come... For as many... As were baptized... Did you keep saying... Baptized into Christ... Baptized into... Baptism puts us into something...

Baptized into Christ... Baptized... For as many... Of you as were baptized... Into Christ... Have put on Christ... There is neither male...

Female... Jew... So Jew... Or Greek... Is racial... Um... Racial difference...

Neither... Born or free... Is... Social status... Those who are employed... Unemployed... Educated... Uneducated... Born or free... And then...

Neither male... Or female... Male... Gender... When it comes to Jesus... We are all... The same... So long as our values... Concern...

[34 : 54] So long... But... There is a... Role for male... And role for female... Not... Not church by se... But... There are certain rules... That... For the purpose...

Of family... God lives it for... God has specified it... For male... And for female... So...

There is neither male... No female... For ye are... All one... In Christ... Let's all say... For we are all one... In Christ... For we are all one...

In Christ... Let's say it again... For we are all one... For we are all one... In Christ... One more time... For we are all one... In Christ... We are all one... In Christ... You see the oneness... It plays in different ways...

But... If you are not taught... You will realize that... Christian oneness... Is a beautiful oneness... It's a heterogeneous oneness... Yeah...

[35 : 48] It's heterogeneous... It's like... Multifaceted... It's not... Uniformity... It has... Variety... But it's still one... Oneness...

Let's look at the next one... One God... Wow... Please do me a favor... Let's all read it aloud... One God... And our Lord...

And through all... And through all... And through all... Wow... It's so nice... Let's read it again... We are going to read it... Two more times...

Second time... Let's go... One God... Father of all... Who is above all... And through all... And through all... For the last time... Loudness... One God...

And through all... Who is above all... And through all... And through all... Hallelujah...
Hallelujah... We all have...

[36 : 42] One God... God... And Father of all... Malachi... Chapter 2... Verse 10... Have you not...

All one Father... Has not one God... Created us... Why do we...

Deal treacherously... Every man... Against his brother... By profaning... The covenant...
For our fathers... So he was talking to Israel...

Why are you... We are all supposed to be family... And one God... And one Father... But...
How come you... You know... I have a problem... When a sister... Or a brother... Says to
Adonai...

About Adonai's sister in church... I mean... I don't talk to her... They say... Shake
somebody... They will shake... And they say... That's this...

[37 : 36] That's this... Classic... Canality... Classic... Classic... Canality... Even if someone...
Offends you... Your spirituality... Requires that... Hello...

It just gets you... Hello... It doesn't mean... The person is your friend... Hello... Some
people... Can never be your friends again... Because they... They betrayed you... You
forgive them... But it doesn't mean... They can be friends again...

So... He said... Why are you fighting... Amongst... Yourself... Why are you dealing...
Treacherously... With somebody... When we are all... One family... Why are you so
happy...

When you hear someone... Failed her... Why are you so discouraged... Because
somebody... A guy... Or the ladies... Are married this one...

Or somebody is going to... It will happen... Listen... One of the things... As you grow in
life... If you want to be... If you have... You want to have peace... In your rising life...
Learn... How not to let...

[38 : 30] Other people's success... Break your heart... Because you don't have... A control of it...
You can't regulate...

Other people's success... They will continue... To do well... And you also continue... To be
broken... Your heart will continue... To break... Are you getting... What I'm saying? Praise
the Lord...

So... He says that... We have... One God... One Father... Of... All... When you talk about
God... You are talking about...

His... His... His position... As a creator... The source... He's the... No, sorry... His position...
As the creator... When you talk about Father...

His position... As the originator... Life... Came from him... He's the source... Of life...
Creator... For God...

[39 : 25] He's the creator... And controller of life... And he says that... We have... One... God... And
Father of all... One God...

Someone say one God... One God... Romans chapter 3... Verse 30... Romans chapter 3...
Verse 30... Seeing...

It is one... One God... Which shall justify the... Circumcision by faith... And
non-circumcision... By faith...

1 Corinthians chapter 8... Verse 4... As concerning therefore... The eating... Of those
things... That are offered... In sacrifice...

Unto idols... We know that... An idol... Is nothing in the world... And that... There is none
other God... But... One... So when... Some of those religionists...

[40 : 21] Tell you... That... Christianity... We worship... Three gods... The Bible said... There is only one... Okay... Then... This is even serious...

If the Bible said... There is one God... And your God looks different... From mine... Then one of us... Is worshipping a demon... Yes... He is one God...

I know... That's... Logic... Isn't it? If there is one God... And we are all worshipping...

That same one God... But... The gods look different... When I look at your God... I say... But that's not my God... No... No... No... No... When you look at my God...

You say... But... But... But... That's not my God... Okay... Either one of us... Have got one God... Or both of us... Have not actually been found it... Wow...

[41 : 13] Wow... Wow... Wow... Wow... Both of us have been found it... And both of us are having... Fake gods... Which is... Demons... Demons are fake gods... Okay... Every fake god is a demon...

But... The Bible says that... We... Ask... Oh... So... Said... What makes us one... Is we have one God...

And father... Some people's God... Is not a father... How do you know we are...

It's only one God... We are all worshipping... No... Okay... I think... I agree... There's only one God... But as to whether... We are all worshipping... That same God... Let's just check... Okay... My God is a father... Is your God a father?

No... No... No... No... My God is just a creator... Ah... Okay... My God is a creator... And a father... So since your God is not a father... Maybe it's a different God... From mine...

[42 : 10] Not maybe... He actually is... A different God... One God... And... Father... One God... And... So...

1 Corinthians... Chapter... 8... Verse 4... We just read that one... Let's look at verse 6... Verse 6... That's already out... Let's go...

But to us... There is... One God... Father... Of all things... Him... And one Lord Jesus Christ... And in all things...

And we... By... I've realized... The Bible speaks... One... One... One voice... It's... You will realize... This is in the Bible... But to us... There is...

But one God... The Father... Of whom... Are all things... And one Lord... It's the same thing... It's the same thing... It's the same thing... Same...

[43 : 04] First Corinthians... Of the 12 verse 6... Same thing... It's the same... Same... Same... Same... Same... Same... Same... There are diversities... Of oppressions... But how many...

But the same God... Who works... In all... There are diversities... Of oppressions...

That same God... Who works... In all... Let me give you... The last two scriptures... Ephesians... The same text again... Ephesians chapter 4...

Let's read it again... Wow... Wow... Yeah...

This is... This is nice... Alright... So... The last two verses... That I want to give you... In relation... To this... Is Galatians chapter...

[43 : 58] 3... Verse 20... Now... A mediator... Is not a mediator... Of one... But God... But God...

Is one... But God... Is one... But God... Is one... This seems simplistic... But it's very deep... Because some people say... We worship three gods...

We all worship one father... We Christians... Is one God... And father... First Timothy... Chapter 2... Verse 5... There is one God... And one mediator...

Between God and man... There is one... God... Oh... Please help me... There is... One... There is... One... There is...

One... There is... One... There is... One... There is... One... There is... One... There is one God... There is one God...

[44 : 53] There is one God... Tell somebody... There is one God... There is one God... And he is the father of us all... And he is all... Let's go back to the foundational text... Wow...

Do you know why, Yeso? it's so sweet look at it wow so one God and Father of all wow one God and Father of all then the next word after the comma is what the next two words it's like description he begins to describe him that then the description when I look at it very closely I can see the Trinitarian formula wow wow
