Preacher: David Antwi

[0 : 00] Welcome. Thank you for choosing to listen to this Spirit-filled word by David Enshu. When you catch a word, you have caught God. May you catch a word today that will cause God to change your story.

Be blessed. Well, welcome to day one. And I believe that is the beginning of a new day in somebody's life.

Amen. Tonight is certainly your night. Your night of testimony. Your night of wonders.

Your night of breakthroughs. We are receiving and hearing so many testimonies. And you hear people say, during the fast. During the fast. During the fast.

And these services are meant by God to release himself afresh in a dynamic, and a glorious way in somebody's life.

[1 : 02] And you are certainly going to be a beneficiary of that in Jesus' name. Amen. Amen. Amen. Amen. Amen. In Luke chapter 1, verse 34, after the angel told Mary what was going to happen, Mary's reaction and response was very human and natural.

Now, Mary said unto the angel. Angel comes with a message. And Mary said unto the angel.

How? How? How? How? How? How? This thing you are talking about is not humanly possible. It's not humanly possible. I am aware it's not humanly possible.

And I know this can't be. So Mary, after the angel has said all he had to say, Mary said, now there is a problem here because there is an impossibility with humans for this to happen.

This is not possible. This cannot happen. This is very complex thing you are talking about. It can't happen. And thank God the angel gave an answer to what seemed to be impossible or what not seemed, what is actually impossible with man.

[2 : 19] What cannot happen just with man, which has to happen for the purpose of God in somebody's life to be fulfilled. The angel gave an answer to that.

The answer to impossibilities. The angel gave an answer. And what did the angel say? He said, the Holy Spirit.

The angel answered to her. The Holy Ghost shall come upon thee. What? Really? Yes. What is impossible?

This is how to get the impossible to be possible. The Holy Spirit. Somebody say the Holy Spirit. He said, the Holy Spirit or the Holy Ghost shall come upon you.

And the power of the highest shall overshadow you. In other words, engulf you. Therefore, also.

[3 : 18] That is what is going to make what I'm saying happen, happen. And when it happens. Therefore, also. That Holy thing which shall be born of thee shall be called.

You can't take glory for that. No man can take glory. This one, the glory will go to God. Because there is an impossibility there. And God has a way of fixing the impossibility. By his spirit.

By his spirit. So if God says, going to do something with you. Never think it can be achieved. By yourself. God never achieves anything by human self.

He does it through humans. By his spirit. Because we are but dust. We are but dust.

Dust. Dust. Doesn't matter how well you wash. You take a shower. You are still dust. When you use a clean handkerchief or towel.

[4 : 21] To rub your skin. After you bath. Total shower. With. And you can even choose to add. Instead of using normal lotion.

On your body. You can use sanitizer. The other time. I was going to tell somebody.

That. Let's use some of the. I had sanitizer in my car. I think I was telling somebody. Bring me some sanitizer. But I know. I have been. In church. And Bible so much.

I said. No. I said. Let's sanitize it. Let's sanitize it. And it will be okay. I think in church or so. I said. Let's sanitize the microphone. I said. Let's sanctify it. You know.

It sounds similar. Sanctify. Sanitize. But my spirit. My mind went for the sanctified. We sanctified the microphone. With sanitizers. But.

[5 : 17] We are dust. And so. In Genesis chapter 2. The second. Account of creation. There are two accounts of creation.

The first one. In Genesis chapter 1. And God said. Let there be. And he created the heavens. And the earth. Light. Let there be light. There was light. And then Bible says. That when God has finished. All he has.

God saw that all the work he's done. Was good. 31. Genesis 1. 31. And. God saw that everything he had made. Was good. God.

God saw everything that he had made. And behold. It was very good. And the evening and the morning was the sixth day. So by sixth day he's finished everything. What's the next verse? Thus the heavens and the earth were finished.

And all the holes that was in them. So it's finished. But look at the next verse. God rested on the seventh day. Then look at the next verse. God blessed the seventh day.

[6 : 18] And sanctified. He didn't sanitize. He sanctified. He sanctified. He sanctified. He sanctified. Because that in it. God rested from all his work.

So it really is finished. But the account. Look at the verse four. Verse four. These are the generations of the heavens.

And of the earth. When they were created. In the day. That the Lord God made. The earth. And.

The heavens. Okay. So now. He starts. At. At elaborate. Accounts. Of creation. The first one.

God said. And there was. God said. And there was. So Genesis 1. 1. I need you to take notice of something. That. In the beginning. What? Who? I can't hear you.

[7 : 11] In the beginning who? In the beginning who? God. The Hebrew word there is Elohim. Okay. Elohim. The eternal. Self existent one. He doesn't need anybody to exist.

If we don't praise him. It doesn't affect him. If we don't worship him. It doesn't affect him. If we sin. It doesn't affect him. If we don't sin. It doesn't affect him. He is self existent. So you see.

For God to even bring himself. To relate with us. Is a big deal. For us. Because he doesn't need us to be God. But we need him to. To be us. And so.

Eternal. Eternal one. The almighty. The eternal one. He exists all by himself. Elohim. All right. Elohim. So anytime you see El.

El Shaddai. El. El. El. Gibbon. El. Shalom. And El. El. Or even.

[8 : 0 6] Emmanuel. God with us. Zerubbabel. So when you see. Things with. El. El. In Hebrew. Usually is. God's name.

Like the way. When you see. Those of us. Who are from Yoruba. Olu. I think Olu is God. Right. Olu is not God. Yeah. Olu. Olu. So.

Olu. Oluwa. God has. Or something. Oluwa. Shehu. God has. Shehu me. Olu. Oluwa. Oluwa.

Toby. God has. Toby'd me. And things like that. So. Olu. Anytime you see Olu. Means that God has done something. Okay. Oluwa. In the same way.

El. Means God. So. Emmanuel. You know. Like I mentioned. Emmanuel. Zerubbabel. Any name. In the Hebrew. With El. Means that God. Somewhere there.

[9 : 0 1] Michael. All right. That's a good one. Michael. Not Michelle. But Michael. Okay. And stuff like that. All right. So. So. Elohim.

That's the name. Almighty. But. When you look at Genesis chapter 2 verse 4. It says that. And that's the generations. These are the generations of the heavens.

And of the earth. When they were created. In the day that. This one is not in the day that God. It uses a different name. In the day that.

The Lord God. Which is. Jehovah. That Lord. See capitals. Is Yahweh. Jehovah. Made the earth and the heavens. In the beginning.

Elohim. Genesis 1. 1. Genesis 1. 1. In the beginning. God created what? The what? What is the other? Heaven and earth.

[9 : 5 9] Genesis 2. 4. In the day that the Lord made what? The earth. The Lord God. Alright. Not the. The Lord God. Made the earth and the heavens.

Now. Jehovah. The Lord God. That means. That's the word we translate. We get Jehovah. Or actually. The proper Hebrew word is. Yahweh. Yahweh. Yahweh. Okay. So.

Yahweh. Elohim. Yahweh. Elohim. Made. The. Earth and the heavens. Anytime. The Bible. Uses. Yahweh. God.

Is usually. Represented. As. Yahweh. In the. When it comes to his dealings. With man. He's Elohim. When it comes to his dealings. With creation. So.

When it comes to dealing with man. He is Yahweh. What is the meaning of Yahweh? Exodus chapter 3 verse 14. Moses said. Who should I say send me? He said. When you go.

[1 0 : 5 3] Tell them. I am that I am. That's Yahweh. Yahweh means. I am. So. Like. In John. Chapter 8. Verse. 28. Jesus.

Was telling them. I am. Okay. Jesus. Was. Was. Was. Was. Telling them. He says that. Jesus said unto them. When. You have lifted the sand of man. Then you will know that.

I am. He used that. He says. The he is in brackets. But actually. He didn't. The he is not really there. He said. It's I am. I am. Verse 24. He says that.

Unless you believe that I am. You die in your sins. He said unto them. That. That ye shall die in your sins. For. For ye believe. Not that.

I am. That is. So Jesus. Uses the name of God. That's why they wanted to kill him. In the verse 58. He said. Before Abraham. I am. So Jesus. Use the name of God.

[1 1 : 4 7] Yahweh. I am. I am. So that is the name of God. When it comes to relating with man. He is the I am. Which means that. Whatever.

He has always been. He is just like that. He doesn't change. He can be a. Whatever you want him to be. Or whatever he needs to be. In your life. He is. You want him to be a provider.

He is. You want him to be a supplier. He is. You want him to be a protector. He is. You want him to be a healer. He is. You want him to be a fighter. He is. He wants him to be a deliverer.

He is. You want him to be an elevator. He is. Whatever you want. You need God to be. At any given time. In your work with him. Whatever he has. That's why he said. My grace is sufficient.

Because once you have me. Everything. As I told you. Grace is God at work. When I'm working. Then whatever I need to be. I will be for you. Hallelujah. So God said. I am. I am.

[12 : 43] And that's in Revelation chapter 1 verse 4. He said. I am the. He who was. Who he who is. And he. I don't change. I am. John. There is a.

The grace unto you. Peace. From him. Which is. And which was. And which is to come. He doesn't change. He is. He was. And is to come.

He is. He is the I am. That is. Yahweh. Jehovah. And Jesus comes. He said. Listen. I am. I am. I am. Well. So in Genesis chapter 2 verse 4.

Bible says. The I am. I am. Breathed. Or created. In the day. In the day that. The I am. God. Made the earth. And the heavens.

Now verse 5. Is very interesting now. Made the heavens. And. And every plant of the field. Before. It was in. In the earth. And every herb of the field.

[13 : 37] Before it grew. For the Lord God. The same. I am God. Had not caused it. To rain upon the earth. And there was not a man. To tilt the ground.

Verse 6. And. But. There went up. A mist from the earth. And watered the whole face of the ground. Now. We got into my text. Verse 7.

So all this. Is giving a detailed account of creation. So. The second account of creation. God was explaining. What has been happening. What has been happening. This is how actually things took place.

And the Lord. Did you see this? Lord God. Lord God. Lord God. Whilst. In the beginning. God created the heavens. And there. That's Elohim. But here. Is the. I am God. In his relationship with man.

Is. Man. Is going to. Express. Express. And explain himself. With man. And express. The way he has. He deals with man. So it's not. The transcendent God.

[14 : 31] But the God. Who is. The I am. With us. And the Lord God. From man. Of the dust. Of the ground. Say dust. Say dust.

That's what I was trying to say. That we are dust. Don't expect too much from dust. There are people who collect stamps. There are stamps. Stamps collectors. There are people who collect shoes.

There are people who collect. Coats. There are people who collect. Wigs. Or something like that. There are people. Who collect. Antique.

Antique. Vessels. And vests. And stuff like that. There are people. Collectors. There are different types of collectors. But you will never find anyone. Who is going around collecting dust.

Because. What would you. What do you do. I collect dust. For. I just love collecting. No. No. No one. No one. We actually. Dust things. You clean things. The dust off. Dust.

[15 : 31] And you are. Can you imagine. And that is what God made up. What. What. What you would like. That's what God made up. Made you. That's why. There are times. You look at your life. And really. There are things. You don't like at all.

But you are stuck with it. Because you are dust. And yet. You are supposed to do some stuff for God. This fasting. I see God empowering you. But why.

Pastor. Why didn't God make man from something else. But dust. So that he can show how he is God. He is I am. He can take anything. And make something better out of it.

So God. Took. The dust. Of the ground. Of the earth. Can you imagine. God formed man. Out of the dust. Of the ground. So he had to bow down.

He had to stoop down. He has to come down. And take from below. Even to make you. See that's why. You never have to regret. For being alive. Even to be alive.

[16 : 30] God has actually done you. So much favor. His big favor. Because for you. Oh my parents didn't plan me. I just came by accident.

And so. It doesn't matter. But God. In God's plans. You are not an accident. In God's plans. You are not an accident. People who may not like. People may not like you. Some people who live your life.

Who abandon you. Who reject you. And they treat you like. They will ostracize you. Maybe because of. Of your background. Maybe because of your personality. Maybe because of your gender.

Maybe because of your religion. Maybe because of your race. Maybe because of your educational background. Maybe because of your. Immigration status.

Maybe because. They are different. Different financial status. People may not include you. Because of certain things. That they think is too dust. So they don't want. But I'm telling you.

[17 : 24] God actually picked you. He chose you. God chose you. You are God's choice. Yesterday. We heard in the teachings. That those who are chosen in Babylon. Salute you. We have been chosen.

We have been chosen. So God chose dust. And he wants to work with the dust. But you can't remain dust. There must something come on the dust.

For God to be glorified. Something must happen to your dust. Something must happen to your dust. For God to be glorified.

So. Bible says that. God formed man. From the ground. Of the. From the dust of the ground. And. What did he do? He breathed.

Hallelujah. He breathed into the nostrils. Into his nostrils. The breath of life. That Hebrew word breath. Is.

[18 : 18] Neshama. Neshama. It's like shama. Neshama. Neshama. He breathed. The breath of life. And man. Became.

When the breath of God comes upon you. You become something that dust cannot produce. And this fasting. What we need. Is what the angel told Mary.

The Holy Ghost shall come upon you. The breath of God. The spirit. Of the. Of the Lord. Is his breath. God. Breathe into man.

God. Breathe into man. God. Breathe into man. I know there might be things in your life. You might be struggling with. You might not be proud of. Or. Feel good about.

You know what. It's time. To open up for the spirit. Because. Listen. Until the Holy Spirit gets involved. This your dusting.

[19 : 16] It won't get any better. It won't get any better. It's like someone who hasn't had a shower. And it's sunny.

And it's working. It's working on the sun. And. He. That. He's not been having a shower for. A few days. And instead of having a shower. He decides. To use perfume.

You are. Spraying perfume on your dust. It doesn't change it. It. It won't change anything. If I. The perfume. Will be short. Will be short lived.

That's why. There are a lot of relationships. That are not working. People. Have sprayed. Perfumes on the dust. So you see. Oh. This guy is so good. This woman is so good.

And you chose. A woman. You chose. Your. Your woman. The one who will be the mother of your children. The one who will be the father of your children. You chose them based on just the dust. A polished dust.

[20 : 11] You have to go. Oh. Go past. The surface. Check the spirit. If the breath of God is working.

Hallelujah. Is the breath of God on the person. Bible says. There is a spirit in man. Job 32 verse 8. There is a spirit in man. And the inspiration of the almighty.

Inspiration there. Is the breath of the almighty. Gives him understanding. It changes your story. The breath of God. You see. And the breath.

Of the almighty. God of a hundred years. Soho. Losh. That's what changes your story. Is the breath of God. This season.

If there is something. You should pray for more. Not money. Not marriage. Sister. Brother. Not marriage brother.

[21 : 07] So I shouldn't pray about my marriage. I didn't say that. If there is something. You should pray. More for. More. More. It should preoccupy you more. It's the breath of God.

Because your background. Ain't good enough. To support where you are going. When you want to build a structure. Let's say this building. We are. I am in now.

And they. They want to. Extend the building. To. This is just about. Just two stories. And they want to extend the building. To about. Eight stories. They can't do it.

Because. The foundation cannot support it. The foundation cannot support the. Glorious structure. They want to build on it. So they have to just take off the foundation. And restart it.

Do something. Yes. Where you are going. Your dusty foundation. Cannot support it. My dusty foundation. My dusty background.

[22 : 05] My dusty history. Cannot support where I am going. I need the breath of God. I need the breath of God. I need the breath of God. I need the breath of God.

Someone shout. Breathe. Breathe. Breathe for me. That should be your prayer. That should be your prayer. Breathe for me. Breathe for me.

Lord. Just breathe for me. Just breathe of me. Yes, yes, yes, yes. Breathe your name upon me.

Breathe. I need your breath, Lord. I need your breath, Lord. I'm too dust. I'm too much dust. I am too much dust. And it's not my fault.

I was made like that. I was picked from the dust. My family, my background, my lineage. My lineage, Lord, breathe upon me. Breathe upon me so you can accomplish great things with my life.

[23 : 06] Breathe. Breathe. If you are fasting, if you are fasting, stop focusing too much on, do this.

I need money. I need a job. I need miracle money. When the Lord breathes upon you, some things begin to chase you, come after you. Some glorious good news begins to come towards you.

How can these things be? Since I know no man, I'm dust. I'm restricted. I'm limited. I'm confined.

How? He said the Spirit of the Lord will come upon you. That's the breath of God. That's the breath of God. Someone shall breathe. Breathe.

Breathe. Breathe. Breathe. Breathe. God formed man from the dust of the ground.

[24 : 06] He made man from the dust. He formed man of the dust of the ground. And breathed into his nostrils. The breath of life.

The neshma of life. The neshma of life. The neshma of life is what makes the difference. Breathe upon me. Breathe upon me.

I know sometimes you might be tired about all kinds of things that are going on in your life. You might be fretful. And there are times you don't only...

Oh, thank you, Lord. You don't only wait for things to be bad. For things to be rough. For things to be difficult. No, don't wait for difficult times. Even in very good times.

You always have to ask, Lord, just breathe upon me. You are going for interview. Breathe upon me. Especially those of you who minister, who do something in church, who go for outreach.

[25 : 04] You have to ask God. Breathe upon me. Breathe upon me. Breathe upon me. You have family meeting. Ask God to breathe upon you. You are going to write an exam. Lord, breathe upon me. You are preparing for exam.

Breathe upon me. If you don't receive the breath of God, your dustiness will catch up with you. It is the breath of God that keeps people alive.

Listen, we are living in very interesting times. I want to interpret the times for somebody. We are living in very interesting times. The reason why people are wearing masks and social distancing, it's not because people just want to wear masks for the fun of it.

Governments have to put systems in place to protect the population or protect citizens. Why would they have to do masking? Social distancing. Because there is something in the air.

And it is attacking people's breath. Trying to take away people's breath. The wickedness of the coronavirus is it comes after the breath in you. It's going to take away your breath. When you don't have breath, nothing matters in life.

[26 : 15] When you don't have breath, you are no more he or she. You are an it. When your breath is gone, you become an it. When people lose their breath or their breath is gone and they are being flown into somewhere.

Let's say the person has traveled to Egypt or has traveled to America for a function or for treatment, medical treatment, and he couldn't make it.

He didn't survive. And they are bringing a person, flying the person back to UK for the funeral. No, they don't put the person, book a flight ticket. No, it's cargo.

He went as a passenger and he comes back as cargo. What's the difference? The breath is gone. When you lose breath, you lose your personhood.

You become a cargo, an entity, a commodity. So, now there is a positive or a correlation, positive correlation in the spirit, truth in the spirit.

[27 : 25] This situation, coronavirus is taking people's breath physically. But whilst we are trying to sustain the physical breath which was necessary, a lot of people lost sight of spiritual breath.

So, they stopped breathing spiritually. It took away the spirit from people. When God wanted to punish man, in Genesis chapter 7, verse 22, Bible says that God said, I'm bringing judgment on the earth.

And when he brought the judgment, and all in whose nostrils was the breath of life, of all that was in the dry land died.

Once there's breath, coronavirus comes to take away from you. When God was there. It's the breath that goes. That's why the coronavirus is such a dangerous thing.

When it comes into your life, it's targeting your breath. That's why you need ventilators to help you breathe. It will help you force oxygen into your system. Help you to breathe.

[28 : 31] That's why when people drown, they die. Why? Because they can't breathe. So, when God was bringing the first judgment, he brought flood to take away breath. Breath.

Breath. And it's true in the spirit as well. This lockdown. I know you. Listen, if you're a genuine Christian, you definitely know someone who has lost their spiritual breath.

Or if you are consistent with God and you are pushing, you will know someone who has lost their breath. They have lost. We all went into lockdown breathing spiritually.

We are coming out of lockdown with some people not breathing. Yeah. Some people not breathing. There are people who have lost their breath due to the lockdown or due to social distancing.

Because we are not having church. And that is what Satan is trying to do. So, watch this. In the spirit. There are people who are still wearing face masks. They can't breathe properly. They can't breathe properly.

[29 : 33] The proper face mask to protect your breath in the spirit is fellowship. Because it's the grace of our Lord Jesus Christ. The love of God. And the fellowship of the Holy Spirit.

It's the Holy Spirit that keeps us going. It's the Holy Spirit that keeps us going. It's his fellowship. He's in us. He's moving. He's moving. It's the spirit. And the spirit is the breath of God.

So, he said, in Job chapter 23, 27 verse 3. Job 27 verse 3. Look at what the Bible says.

Thank you, Jesus. All the while my breath was in me. And the spirit of the Lord is in my nostril. You see, the spirit of God is in my nostril.

He's trying to say, the spirit of God is actually my breath. Breath is the spirit. So, when God breathed into man, he actually passed on an aspect of himself into man.

[30 : 35] His spirit. And man became a living soul. He began to live because the spirit. So, anytime you see the breath of God, we are talking about the spirit of God.

That's why, church, if there's something we need more in these times, is fresh breath. The fresh breath of God.

The fresh breath of God. You have to say, God, give me again the case of life. A case of life. I almost drowned. I can't breathe.

I have a heart attack. I can't breathe. I can't breathe. I need the case of life. CPR. Give me, Lord. Breathe into me back. Mouth to mouth.

Oh, God. My mouth is wide open. Breathe. Mouth to mouth. Ah. If there's something you need, sister. Because the dustiness is catching up with you.

[31 : 33] Too much. Too much. Too much. Bro. The dustness. Your dustness. Yes. You are called minister. But the dust is covering you. Minister covered in dust.

Pastor covered in dust. Dust. In the desert. Sometimes when sandstorm blows. Sometimes you see an object that has been covered in dust.

Sand. And then sometimes where, especially where there's some building works going on. Heavy building works, cutting and chopping.

Something precious there. But if you don't take it away, before you come, it's covered in complete dust. You might not even recognize it. And that's what is happening to a lot of people in the spirit.

They have not lost their breath, but they have been covered in dust. And when things are covered in dust, sometimes you need some strong wind. Blow it off.

[32 : 36] The work of God. The work of God. So he says that, look at Job 33 verse 4. Job 33 verse 4. When you receive the life, the breath of God, it brings life.

The spirit of God has made me. Has made me. Has made me. And the breath of the almighty has given me life. When it brings life, life comes back.

Life. Somebody's receiving life in the name of Jesus. Somebody's receiving fresh life in the name of Jesus. Yes. You have been struggling with your evangelism, your outreach, your evangelism life.

You have been struggling with your Bible studies. You have been struggling with your prayer life. You have been struggling with your consecration, your life of consecration. You have been struggling with fear. You have been struggling with bitterness and arrogance.

You have been struggling with pride. You have been struggling with insubordination. You have been struggling with something. You know this thing is just troubling me. This thing is destructing me.

[33 : 37] Dust is catching up. Dust is catching up. I pray that God will breathe fresh breath on you. And then he'll bring your life back. Life is surging back in that aspect of your life the enemy wants to take away.

It's not physical breath he's more interested in, in the spiritual breath. It's the spiritual breath Satan is interested in. So he's hiding behind the coronavirus lockdown and social distancing and systems.

Am I saying those things are not good? They are necessary. Physically they are necessary. But that's not the main thing. Satan is not too troubled about that. His agenda is to take away your breath, spiritual breath.

So you are fellowshiping. You are sitting there. Sometimes fellowshiping, you feel tired. Oh, I'm not even interested. Yeah, you have lost your breath. Can't breathe. You are struggling to connect.

The spirit of man, why did God create? No, God ranks the spirit of man in the, like, in Zechariah chapter 12 verse 1, it talks about God made the heaven, he made the earth, and then he formed the spirit of man.

[34 : 46] Inside man. Can you imagine? The body of the, which the Lord, which straight from the heavens and laid the foundation of the earth and formed the spirit of man. These three things are the crucial things of creation.

Heavens, earth, and the spirit of man. Not even the body of man, the spirit of man. God ranks the spirit of man as very, very, as a very important and central aspect of creation.

The spirit of man. The spirit of man. That's why Job said there is a spirit in man. The inspiration of the Almighty gives him understanding. In the book of Acts chapter 17 verse 25, he says that God doesn't live in things made by man because he gave life, he gave breath, he gave life, he gave breath, and he gave all things.

Breath is given. Breath is given. And I want to submit to somebody that if you have lost some kind of breath spiritually, I see the Holy Ghost is coming back.

Oh, thank you, Jesus. The Holy Spirit is coming fresh on you for fresh breath. For fresh breath. In the name of Jesus. God breathed upon them.

[35 : 57] And he said, receive. Breath is important. Breath is important. Every one of us. And so, when God gives us breath, it's, the breath of God is the, watch, watch, this is very important as I'm branding up.

The breath of God is what forms the spirit of man. That's what formed your spirit of, the spirit of man. And without your spirit, you can't contact God.

You can't receive God. You can't contain God. And you, you, you, you can't be used by God. Yeah. It's so important. So, this, your spirit is the only organ.

Your spirit is an organ, okay? No, no, no, it's not part of biological lessons, biological lessons. But your spirit is the only organ that can, guess what, contact God.

It can contain God. It can receive God. It can assimilate, zap in. Assimilate God. And when you are, you contact God, receive him, contain him and assimilate him into your system.

[37 : 10] Then you can work by the spirit. So, watch this. It says that, watch that, I'm about to say something very important. God gave the law. That could not keep the law. The flesh could not keep the law.

So, Bible says that, what the flesh could not do, in that, the law could not do, in that, it was weak through the flesh. Romans chapter 8, verse 3. God, watch this is very important.

God, sending forth his son, in the likeness of sinful flesh, and on the account of sin, condemned sin in the flesh. Look at verse 4. So, Jesus came to do this, so that the righteousness of the law might be fulfilled in us, who walk not after the flesh, but after the spirit.

Hallelujah! Hallelujah! You need the breath to be able to walk in the spirit, to fulfill the purpose of God. I feel like preaching.

Amen! You need the breath of God. So, your spirit is the organ, is the center for containing God. The center for, oh, Kokodaba Shanda, for contacting God.

[38 : 17] The center for assimilating God. The center for receiving God is your spirit. Remember, Jesus said, it takes your spirit to worship God.

John 4, 24. Oh, my goodness. Thank you, Jesus. For they that worship, must worship him in spirit. Mayay! Lokadabahaya sandesh.

Libara sandelesahaya. Lubataya katarima bayando. Shodabahanda. Shodabahanda. You cannot be regenerated outside of your spirit.

Even to be born again, it's in your spirit. So, your spirit is the center for God's activities. Worship must be carried out in your spirit. That's why your spirit is the center of your life.

Your spirit. Now, when you are losing touch with God, and your spirit is losing life, is losing the breath of God, then you are in trouble, bro. Money is flowing.

[39 : 21] Marriage is flowing. Job is flowing. People are like you. Ministry might be flowing. But guess what? You are dying.

Because you are losing touch with the spirit of God. What we need is the breath of God. So, when Jesus resurrected from the dead, he met his disciples. After he said, greetings. He said, peace be upon you.

John chapter 20 from verse 19. He greeted them. He said unto them. On the eighth day, the same day in the evening, being the first day of the week, the door was shut.

He just appeared and came and stood in the midst of them and said unto them, peace be to you. Then verse 19 says that, and when they had said this, he showed them his hands and his hands and sight.

Then were the disciples glad when they saw the Lord. Then what else? You've seen him, so what? Now, what is it? Jesus said to them again, peace be unto you.

[40 : 19] As the Father has sent me, even so, watch this, even so, send I you. I'm sending you by your dust. This is a new day.

I'm sending you by your dust. So, after he said, even so, send I you. Look at what happened. The next verse. And when he has said this, doesn't this remind you of Genesis chapter 2?

And he breathed on them. He breathed on them. Watch this. And Jesus made it very clear. When he breathed on them, what did he say of them? Ah, receive ye the Holy Spirit. This is what Mary was looking for.

This is what Angel referred to. When he said that, Mary said, how can these things be? I am dust. Jesus said, as the Father sent me, so I'm sending you. But you are dust. You want to accomplish things for God?

You want to fulfill your destiny in Christ? Hey! Wake up! Open your mouth wide! Let the breath of God come in!

[41 : 19] He said, the Spirit of God came upon me. And he took me into the valley of dry bones. Ezekiel chapter 37. He took me into the valley of dry bones.

And there were many. And then he asked me, Son of man, can these bones live? And I said, Lord, that knoweth. And then he said, prophesy. Prophesy unto these bones. Prophesy on these bones.

And say to them, oh dry bones, hear ye the word of the Lord. And I prophesied. And so, and the Lord said unto me, that says the Lord God. The Lord God unto thee bones.

Behold, I will cause breath. My goodness. Thank you, Lord. I will cause breath to enter into you. And you shall live. You shall live. When the breath comes. I don't know what is dying.

I don't know what is dead. In your relation with God. In your passage of life. But he says that, prophesy and say. The breath of God is coming. And you shall live. I am prophesying somebody.

[42 : 14] On this first day of the fast. I prophesy. You are receiving the breath of God. You are receiving the breath of God. You are receiving the breath of God. You are receiving the breath of God.

Receive it. Receive it. Receive it. So, verse 5. So, I prophesy. I am on a hard day. You are calling my man. Son of the breath of God.

I will cause the breath of God to enter into you. And you shall live. Verse 6. So, and I will lay sinuous upon you. And will bring flesh upon you. And cover you with skin. Every other thing will follow.

And put breath in you. And you shall live. And you shall know that I am there. God can't work with you without his breath. Look at verse 7. Oh, so. So, I prophesied.

As I was commanded. And as I prophesied. There was a noise. And behold. And behold. A shaking. And the bones came together. Bone to his bone. Bone to his bone.

[43 : 12] Verse 8. And when I beheld. Lo, the sinews and the flesh came upon them. And the skin covered them above. But there was. Oh.

My God. There was no breath. Death. Church. We might gather. But what we need. We can gather without a breath. What makes our gathering effective.

Is the breath of God. They have come together. There is bone. There is miracle money. There is promotion. There are miracle jobs.

There are breakthroughs. There are testimonies. But the breath. But the breath. But the breath. Death. Look at verse 9. So he said to me. Prophecy son of man.

Then he said unto me. Prophecy unto the wind. Prophecy son of man. And say to the wind. That says the Lord. Come from the four winds. Oh breath.

[44 : 08] And breathe upon this. This is slain. Do you know what slain means? People who have been victims. And they are dead. And they shall live. Breath come. And I stand here.

As an agent of God. And I prophesy. The breath of God. Breath of God. The breath of God. The breath of God. The breath of God. The breath of God.

The breath of God. To overtake and overshadow your dustiness. The breath of God. Thank you for listening to this message by David Entry. When God speaks.
