Preacher: David Antwi

[ 0 : 00 ]     Hallelujah! We thank God you've tuned into this message by David Entry at Caris Church. No hand can help you with the fulfillment of your destiny but the Word of God. May God's hand align you further into your destiny through this Word.

Beautiful things about God. When He chooses you, He bypasses you, goes behind the scenes in your life and creates a desire in you for some things.

So when God wants to do some things with you, He starts with generating a certain desire in you. For instance, He will generate a desire that will make you expose yourself to the things you need.

The company you need. Suddenly you begin to like maybe a particular person who is anointed. Just like Him. For instance, when God wanted to help me so much, He generated in my heart the desire and the understanding of giving.

I couldn't plan it. And what this thing has done for me, there are some major testimonies coming. It started in my heart.

[ 1 : 15 ]     It started in my heart. Something. So when God wants to use you in a certain way, He starts your heart first. So sometimes you do things even differently from how normally you should be doing it.

Or how everybody else is doing it. And you prefer it like that. It's not because you are just being different. You just for some reason, you have developed a new desire.

And some of you people around you are complaining, why are you always in church? They don't know. God is planning a major move with your life. God put it in my heart to celebrate for any means I get to honor a bishop.

To celebrate it. It's because God wants there to help me. When we are about to, God wanted us to start spreading as a church. He put it in my heart. Start following Bishop Doug. I know He told me to start following Bishop Doug.

If I had not done that, we wouldn't see the branches that we have seen. Because He carried that grace. When He wanted to give us the miracle working ministry.

[ 2 : 24 ]     With strange manifestations and testimonies. And financial blessings. About since 2009. When He wanted to help us. We have never lacked in this church since 2009.

There's always enough to pay for anything or everything. Anything or everything. In 2009. He's letting it put in my heart to start following Bishop Uyedepo. Follow.

Follow. Follow. So when God wants to help you. He will generate a certain desire in your heart. Chatham. Something very interesting. God is moving in the branches. Chatham.

Chatham. They assign souls. Who have been to church before. And they assign new souls. Believers who have been to church. And they have not come. They assign to individuals.

Serious Christians. If you don't have souls you have been praying for. I don't think you are a serious Christian enough. Maybe no one has told you. You feel so important. You are not a serious Christian.

[ 3 : 20 ] There are no souls you are praying for. Go on your heart. You are praying God. Establish this one. Establish. Epaphras. He was laboring that they will be established in Christ. Colossians chapter 4 verse 12.

There are no souls. It's rather soup that you want God to cook for you. And this guy went home.

And he was fasting and praying. And he has the list. I don't know how many lists. But how long the list. I don't think maybe three or four people. But there's this one. He was praying. Praying. I pray for this one. He doesn't know him.

He has never met him. He doesn't know this colleague guy. He was praying for him. God that he will be saved. He will come to church. Save him. Save him. Save him. Yesterday after church. When they were in church.

They said everybody let's pray. That's what he was praying for. After church when he got home. Praying for Col. Praying for Col. Praying for. He was praying. Today on his way to church. On the train. Someone just comes to you and said.

[ 4 : 16 ] Yeah. Can I use your charger please? So why not? So what's your name? He said my name is Col. So what? Where do you live?

The guy he has been praying for. Came to him on the train. Can I use your charger? I mean. This thing is the move of God. As I speak. He took him to church.

He took him back to church. You see. Your prayer topics are wrong. That's why you are not seeing the answers. That's why you are not seeing the answers. If we can focus on the right things.

And begin to pray. On the things that are on the heart of God. Today is on my heart to tell you that the Jordan will part. Didda. Didda. Jordan will part.

I see Jordan making way. The Red Sea going back. Bible said the Red Sea saw and fled. 2 Kings. 2 Kings chapter 2.

[ 5 : 18 ] Verse. 12. And Elisha saw it. And he cried. My father. My father. Say my father. My father. Don't let anyone deceive you to say that you can't see a father in a vessel God is using.

Elijah. Elisha said I need your best. I need your oil. I need your spirit. The spirit upon you. He was fast to recognize that this one is a father to me.

Fatherless chicken are headless. My father. My father. The chariots of Israel. And the horsemen thereof.

And he saw him no more. And he took hold of his own clothes. And rent it into peace. Can you imagine? His own clothes. His own clothes that he was wearing. He took it and rent.

Clothing is like an identity. He said now you are behaving like him. Oh yes. Oh yes. There's no original person.

[ 6 : 20 ] Who can make any extraordinary impact. Be original. Be yourself. No. You. It gets to a time where you have.

Your clothes you have been wearing. It's not taking anywhere. Take it and put it aside. Elijah didn't even put it aside. So he tore it. So he can't ever attempt to wear it again. He tore it.

Into pieces. He rent his clothes. Because he wanted a new identity. This fasting season. God is giving somebody a new identity. Okay.

Let's get back to the text. And he tore it. And he took up the mantle of Elijah. What? That had fallen from him.

Mantles are falling tonight. Mantles are falling tonight. Mantles are falling tonight. He took up.

[ 7 : 14 ] When you see mantles falling. Get ready to take it. Catch it. Come to church. You see an anointing in operation. Don't get distracted. Focus that.

God. I want to catch something. I want to catch my testimony. I want to. That's how you catch it. That's how you catch it. And you'll be hearing more than the person will be saying. You'll be hearing more than others are saying.

We're not a lot of people touching Jesus in Mark chapter 5. A lot of people are touching Jesus. Peter said, Master, a lot of people from verse 30. A lot of people are touching you. Peter said, a lot more people are touching you.

It's okay. A lot of people are touching you. And then Jesus said, you don't know what I'm talking about. Everybody was touching him. But not everybody was drawing. Somebody.

One person was drawing. One person was drawing. You might be doing what everybody is doing. But you are at a different level in the realm of the spirits. The mantle that fell. Elijah.

[ 8 : 11 ] Took it. Elijah took. Elijah's mantle. Woohoo. This is what I like. This is where we are going. He took Elijah's mantle. And went back and stood by the bank of the Jordan.

Tata Shakataya. Magadha Shakataya. This is what we call. Not by might. Not by power. But by my spirit. He stood at the bank of the Jordan. Magadha Shakataya.

And she. He took the mantle of Elijah. His father. If you don't. You think only mantle. There was a father-son relationship existing.

So he said. My father. My father. They tell you. What is on your heart. What is on your father's heart. Will be what is on your heart. If you are really connected. That's something I can tell people who are not connected.

Or who are not in the spirit. Because when my spirit. When I enter the spirit. Where my direction is going. You can see. Some people just cross. Close you. You can see. This guy is not prayerful. This guy is not connected.

[ 9 : 10 ] And then the more you do it. The more I know you are not connected. Doesn't matter the way she speaks. Oh yes. I can tell. Especially when there is a move of God. I can. Singers. I can easily tell which singer.

Which instrumentalist. Is not connected. Or. There is something privately wrong. How do I know when something privately is wrong. When I am about to take off to another level.

They sing a note. That will pull me down. Ah. Satan is using this person. That means there is a door around the person. Yeah. Because I know. I know this word. The spirit of God is guiding me.

If we are all flowing the same spirit. You won't easily cross. And you see. It is not a work of flesh. That you are trying to look for. What is the best. No. No. No. When your spirit is right. Right.

We just flow. So sometimes I can just tell. I can. I just. I just tell. That something is not wrong. Right. So my father. He took the mantle. And smote the Jordan. Ah. When he smote.

[ 10 : 04 ] What said. He took up the mantle. And he took the mantle of Elijah. That had fallen from him. And struck the water. Wow. Wow. And he said. Where is the Lord God of Elijah?

Where is the Lord God of Elijah? If it is the same God who did it for Mary. If it is the same God who did it yesterday. That that same God is able to do it today. I am here to announce to you.

The same God who did it. In the days of Smith Wigglesworth. In the days of Charles Pergin. In the days of Charles Wesley. In the days of John Wesley. In the days of John Knox.

The same God. He is here. In the days of old. The same God. He is the same God. Shout yes. Where is the Lord God of Elijah?

And when he had struck the water. It divided. This way and that way. King James said. Dida and dida. The Jordan divided. And they went through it.

[ 11 : 05 ] Then those on the other side. They saw it. Verse 15 says that. And when the sons of the prophets. Who were to view at the Jericho saw him. They said. Ha.

They can tell that you. No. No. This is not the guy we know. Yeah. When you catch the anointing. People will know that. You are not the same person they know. You are not the same person.

You are not the same person they know. The mantle of the Lord God of Elijah. Where is the mantle? The mantle. And then the sons of the prophet.

Those who are saying. This one is not going anywhere. That's why you don't have to be distracted. Just stay focused in this fasting. People will pass comments. They reserve the right to pass comments. But later on. They will eat their own ways.

Oh yeah. Because God has not changed. Now. Today's reading. When you look at today's reading very carefully. The Bible says that. Peter. Was being accused by some guys.

[ 12 : 04 ] For going to a house. And he said. Me. Me myself. I wouldn't go by myself. But I had a. I was praying. And I. Fell into a transform.

A vision. And I saw it. I was fell into a transform. And I saw a vision. And then. He said. The Holy Spirit told me. I saw this thing coming down. Sheet. With all kinds. And I said.

Me. I've never eaten this. And I don't eat anything. That is not common. Unclean. And he said. He said. The voice told me. What God has cleansed. Don't call unclean. Don't call unclean.

What God has cleansed. He said. Kill any. Then the Holy Spirit told me. Some people. He said. The Holy Spirit has sent some people. To come. So. I went with him. When I.

I got to Cornelius house. I said. Well. Tell me. And I like what Peter. Peter's narration. He said. Cornelius told him that. He had the vision. And angels stood by him. And the angel told him.

[ 13 : 00 ] Go and call Peter. At Joppa. And you come. Verse 14. He will speak to you. Words by which you and your household. Will be saved. And he says that. Look at the verse 15.

Peter says that. As I began to speak. Watch this. Watch this. As I began to speak. The Holy Spirit. Failed upon those listening to me.

So don't take this speaking for granted. Anointed speaking. When you expose yourself to anointed speaking. You are exposing yourself to the inflow.

And the outpouring of the Spirit of God over your life. He said. When. And as I began to speak. The Holy Spirit fell upon them. Now this is what got my attention.

How did he fall? As upon us. So he hasn't changed though. What he did for Elisha. Is going to do for Elijah. Did he do it for Elijah?

[ 13 : 58 ] Yes. Then he can do it for Elijah. He said he fell on them. Just the way he fell on us. As in the beginning. So the beginning.

Some time ago. We thought the thing has finished. Now this is not going to repeat. But God is able to repeat. And repeat. And repeat. And repeat. Oh. I feel like somebody. Is catching a fresh anointing.

God is raising some David entries in the house. God is raising some David entries. God is rising with His birth. Or God is rising with your birth.

Jesus said. Let us cannot answer. Our hearts are beautiful. Gesug Indian Yoon Seed. God is rising with anxiety with God. God does great. Because as God has ever been Ah! He says. God's life is turning with KY!

God is rising with your father. God's worth■■■■■. God is asking to see ton of gifts. God is rising with such■■■■■ and begitu. Wow. So it is in direct connection to what Jesus has said. It's always whatever God is going to repeat, you must trace it to something he has said.

[ 15 : 08 ] Anything, if God is going to do it again, then trace it to something he has said. So what he did, you can see he said he's going to do it. Connect yourself to what he has said and begin to push in and you see him doing it again.

Then he said, where is the Lord God of my father? Where is the Lord God of Elijah? The same God. The same God. He said, this spirit came upon them as he came upon us at the beginning.

Then I remembered what the words of Jesus Christ. And then he said, who was I? Who am I that I should be told? He said, if therefore God gave them the same gift, watch this, as he gave us when we believed on the Lord Jesus Christ.

He gave them the same thing. No difference. No difference. No difference. Who told you you are not getting a testimony? Amen. This fasting, many of you, your destinies are definitely not.

Amen. He said, if God gave it to them, if he is giving it to them just the way he did it for us at the beginning, who was I that I should tell God?

[ 16 : 21 ] God, oh no, no, no, no, no. God had to bypass him. God had to bypass him. Because if God had waited for the opinion of men, he wouldn't call you.

Oh yeah. He wouldn't call you. So that's why you have to press in and stay connected. Press in. Whatever, sister, whatever it will cost you to stay connected, give it to it.

Because when you stay connected, you will never regret. Because you are taking delivery of something that will continue to speak to the end of your life.

See God touching somebody. I see somebody collecting fresh oil. If you are the one I'm talking about, let your biggest amen show it.

If God, look at it. So who was I to withstand the hand of God? I can't say no to God. If God has chosen somebody, it's the same God.

[ 17 : 23 ] And God told Joshua. In Joshua chapter 1. 1, 2, 3, 4, 5. God came to Joshua after the death of Moses. And God told Joshua.

Look at it. Says Moses, the servant of God is dead. And then God said to Joshua, the son of his son. My servant Moses is dead. Now therefore arise. Go over the Jordan. You and all these people.

To the land which I am giving to you. To them, the children of Israel. The next verse quickly. Every place where the soul of your foot will tread upon. I'll give you.

Oh, come on. I have given you as I said. Watch this. As I said to Moses. What I said some time ago is still valid if you can connect to it.

I've given it to you as I said to Moses. The next verse quickly because of my time. And it says that from the wilderness and this Lebanon as far as the great river.

[ 18 : 19 ] The river Euphrates. All the land of the Hittites and the great sea towards the going down of the sun. Shall be your territory. Look at the next verse. No man shall be able to stand before you all the days of your life.

Now, this is why I brought you to this text. As I was with Moses. Did you see that? That phrase. The way I was with Moses is the same way.

I haven't changed the way I can stay with people. What God did. Mary. Mary said, how can these things be? Since I know no man. The angel said, the Holy Ghost shall come upon you.

The power of the Holy, the highest shall overshadow you. So that what is about to be produced of you shall be called the Holy Child of God. So what it means is that if God is still repeating these things. He said, as I was with Moses.

As I was with Moses. So shall I be with you. And no one will be able to stand before you. Say.

[ 19 : 21 ] I see Jordan parting. How is he going to parting? By the anointing in the house. Today as I was coming.

The Lord spoke to my heart that Jordan parting. Didha and didhida. Yes. And Jordan parting and the one with the mantle woke.

In the middle of the Jordan. I see someone walking in the Jordan. Lift up your hands. Come on. Ask the Holy Spirit to fall afresh on you.

Fall afresh on me. Pray. Thank you for listening to this message by David Entry. We pray you have been strengthened and enlightened. You can connect with David Entry on all relevant social media platforms.
