Preacher: David Antwi

- [0 : 00] Welcome. Thank you for choosing to listen to another faith-building message by Pastor David Entry. Faith comes by hearing and by hearing the Word of God.
- May your knowledge of Jesus Christ increase as you listen. Be blessed. God is fighting for you. Amen.
- The good news is that heaven is fighting for you. Amen. Heaven is making a way for you in the mighty name of Jesus.
- Somebody is definitely blessed tonight because God has brought us together again to show his goodness over our lives, to show his power and his kindness over our lives.
- Tonight I feel somebody here is tired. Tired of accommodating the nonsense from the devil.
- [1 : 02] Yes, yes, yes. Somebody is tired. God is tired. God can't move for you without your tongue. Amen. Amen. When it comes to spiritual battles, God needs your tongue to move for you.

So you can't keep quiet. You can't keep quiet. son of man can this bones leave lord down the way speak to the world speak to the bones speak to the dry bones when we gather here is not only coming receive declaration but also to come and make declarations every negative declaration prevailing over your life your family your condition you are given the authority and the mandate to speak against it i believe somebody is tired of entertaining and accommodating some nonsense from the pit of hell you are tired of seeing your parents always fight you are tired of seeing your husband always fighting your wife always fighting you are tired of hospital attenders every time hospital every time hospital you are tired and there must be a change there must be a turnaround in the name of jesus i come to you as a prophet from god to hold your hand pull you out of that situation that the center is imposing on you that situation can be turned around that situation can be changed that condition can be turned around sometimes the situations exist with your permission some things will continue to exist in your life until you are tired of them and you you rise up and say no more no more i'm not going to have this anymore another day i'm going to speak the word of the lord against it and situations are going to change tonight you are going to declare that said the lord oh dry bones in my life yeah i said the lord homologia speak the word the word tonight you are going to do some homo logia yes yes yes yes yes speak in the name of jesus and so the point i'm making is that satan will always continue his harassment satan will always continue his evil intention satan you know sometimes you hear people say oh i don't i just i don't i don't want to pray so that i don't want to go and spark a battle with the devil but listen whether you are praying or you are not praying whether you are fighting or you are not fighting the devil does not fighting this the devil does not know how to fight fear he does not know how to fight fear he will fight you anyway he will fight you anyhow but tonight i am of a firm the firm conviction that is another night of divine encounter another night yes in luke chapter 1 the bible tells us of a priest called zachariah who it was his lot to go and burn incense before in the temple and while he was there an angel of the lord appeared to him and then he saw the angel and then he saw the angel and the angels told him don't be afraid and the angel said don't be afraid why for your prayers your prayer is heard and your wife will bear you a son and you shall call his name john and but the people were waiting for him and but the people were waiting for him he was staying so long he wasn't he wasn't coming out so they were wondering has he seen something then he he comes out and when zachariah came out but when he came out he could not speak to them and they perceived that he had seen a vision in the temple for he beckoned to them and remained speechless there are some encounters that changed your life forever do you know why this encounter put his name in the bible because that encounter is what made him the father of john the baptist

he said he was a child of john the baptist and the bible he said they were not a child but one encounter one encounter was on duty one encounter because elizabeth was barren and they were both well advanced in years but one encounter not even of the holy ghost not even of the holy ghost of an angel an angel met him and his story changed encounters can change your the rest of your of your life permanently no in other parts of the bible it is called visitation so the lord as i quoted yesterday the lord visited sarah the lord visited sarah so when he visited sarah he did as he has spoken visitation it comes to a time where god comes to your life to come and turn things around with your cooperation and i believe that tonight is somebody's night of divine visitation amen amen amen amen amen amen amen god is visiting somebody god is changing somebody's story god is turning somebody's situation around amen amen and you are the very person i am talking about yes and i see it happening now amen i see it happening amen i see it happening now amen amen

In the name of Jesus. As I said earlier on, some things just exist in your life with your permission. When you are tired of accommodating it, you are tired of countenancing it, you are tired of hosting it, when you are tired of it, you will rise up and act.

You will rise up and act. It says that, I think in Genesis 49 or so, it says that the yoke shall be upon him, but when, Deuteronomy writer, when he becomes restless, when you become restless, the yoke shall be broken.

[8 : 22] It's Genesis 27. It says, by your soul you shall live and you shall serve your brother and it shall come to pass.

When you become restless, that you shall break his yoke off your neck. You are too comfortable. That's why the Bible says that war is the one who is at ease in Zion.

You are at ease in Zion. You are supposed to be restless about a certain situation and employ the name of the Lord and the arsenal, the weapons you are now.

And he says that, woe to you who are at ease in Zion. You are in Zion, but you are at ease. You are not on, I said this the other time, when, most people, when they become born again, they don't realize, they think that it's like, it's a ship, it's a fellowship, it's a ship of fellows.

So, you join this ship and they don't realize that the boats, they have come on or they have joined, the ship they have joined, it's, they think it's a cruise liner.

[9 : 32] No, it's a warship. It's a warship. Boom, boom, boom. You, you can't live a normal life. Bible says that, as a good soldier of Christ, enjoy her ship.

So, we have been enlisted into an army. So, the point I'm making here is that, don't relax when there, there is an enemy on your territory. Don't relax when there is an enemy.

Some people, somebody will tell you, tonight I can't make it. But you know that, the case you are dealing with, you can't follow those who are saying, oh, I can't make it tonight. You actually need two years of constant prayers every day.

Somebody may say, after the fasting, I'm fine. But you know, after the fasting, this is even now, that you have gotten some grounds to push further, to push, push back, push back the advances of the enemy and draw, set new boundaries, draw a line, take new territories.

This is the time to take new territories because it's a year of victory. So, if it's a year of victory, that means that, you can use, you can take, you can, you will have victory in taking some new territories.

[10 : 43] New territories. You have been single long enough, you have to be tired, take the territory of marriage in the name of Jesus. Amen. You have been frustrated with this hell challenge long enough.

Long enough. Long enough. You have to arise. Listen, I'm about to say something very strong. Are you ready for this?

Yes. Anything that persists in your life, any negative situation that stays in a person's life, too long, for a very long time, is a sign of a curse.

Wow. It's a sign of a curse. If an unpleasant and negative situation is different from persecution, persecution is good to go through persecution for Jesus.

So it's nice. It's a blessing. But if certain negative conditions, a bad situation, it stays in your life. It stays for a long time. It's a sign of a curse. Because that is one of the curses God declared in Deuteronomy chapter 28.

[11 : 50] Look at verse 59. Deuteronomy 28, 59. The Bible says something. God said that if you... Let's look at 28. Sorry, 58. Let's start from...

If you do not carefully observe all the ways of this law that are written in this book, that you may fear this glorious and awesome name, the Lord your God.

What happens? Then the Lord will bring upon you and your descendants. That's why when you are serving God, take it seriously. Because you are fighting a church, fighting a pastor.

You are just putting your children into trouble. You are starting a battle that doesn't end with your life. Wow. Those people who fight spiritual authority are trying to challenge, or not even challenge, you assault spiritual authority.

You know when you go to the train station or the hospital or any government building and you go and assault verbally or physically a staff, most of the time there's notice, especially council officers, they are noticing that anyone who assaults our staff, their organization will prosecute.

[13 : 02] If you go and assault a train officer, it's not him who persecutes you. It's the train company that will prosecute you. In the same way, you assault a servant of God.

He doesn't have to... God himself will prosecute you. But when God comes on you, it's always... it enters your descendants. In the same way, when you procure a blessing, it enters your...

It's like that spiritual procurement doesn't stay with one generation. So some of us, it could be that you are fighting a battle your grandfather started.

In the blood of the lamp, in the blood of Jesus, every case can be reversed if you know what to do. Yeah. If you know what to do, if you can make some declarations and wash your inner man with the obedience of the word of God, having been washed, sanctified, born again by the blood, and engage yourself in kingdom, kingdom service, kingdom service.

There's nothing that procures the blessing of God radically and aggressively like kingdom service. Kingdom, you have to be very concerned if you are not engaged in serving in God's house in one way or the other.

[14 : 15] You have to be concerned. You might have a title as a deacon, a minister, or a pastor, or a reverend, or a bishop, or an ag bishop, or apostle.

If you are not in active service in the work of God, it's a major concern. Wow. You have to be very worried. So don't leave the choir until you know that is the plan of God.

And once you are leaving the choir, you are already active in another. Don't have serviceless moments in your work of God. Wow. Okay. Sometimes Satan will make you so proud.

Well, well, I'm there. I'm there. You have to be worried if you are not being used in the work of God. Wow. How about yourself? Find any, find any, what can I do?

What can I do? Pastor, what can I do? Minister, what can I do? How about yourself? How about yourself and stop this? Well, well, don't take me seriously. And they don't know me.

[15 : 14] I can't sing. You can't sing, but we can't feel your effects in the choir because you want to come into the choir from the top with the parachute. No. Go through reception. When you go into a skyscraper, a top builder, a skyscraper, you don't go with the parachute.

You go to the reception and then they will show you floor number at 97. That's where you are going. Then you join the lift. You enter the lift and then, but you want to come with the parachute, parachute from the building because, oh, I know pastor.

I'll call him. Pastor is my friend. And you do not want to go through the normal protocol. It's a sign of pride. Hey. Hey. Hey. Hey. Hey. Hey. Hey. Hey.

It's a sign of pride. You have been to Bible school. That's why you can't serve in any church. What is the usefulness? Wow. What is that? I mean, I finished Bible school. Please. Would you stop saying that?

What? Show us your works. Show, show, show us your works. You are making noise. I've been in church many years. Show us your souls.

[16 : 18] Show us the evidence in human lives the quality of your spirituality. And stop the noise you are making. You're making too much noise. You're making too much noise with your resortless spirituality.

Hey, this is hot. I feel like preaching. That hides behind this mindset and spoils the work of God.

In the name of Jesus, I claim. I claim for where? Things are not working. Are you working for God? Check whether you're working for God and stop the shouting out. Start working for God.

You'll see if things will work for you. That's a good one. Paul, Paul, in 2 Corinthians 2, 3, verse 5, how did I enter into this?

Maybe somebody's record is coming. I'm just talking about asking this. Yes, sir. You, me, let's say my father was into occult. Do you know what curse he has brought on me?

[17 : 20] Hmm. What curse? The occult. Every occult leaves residues of curse, even if it is stopped. It leaves residues of curses on generations. And I've been born, I've been, some of us, please, you have been born into a battle.

You can't be at ease. You were born into a fight. Can't you see? Look at your condition in your background. Can't you see? Born into a fight. So you have to fight and break the yoke.

You have to be restless. He said, when you become, Genesis 27, 14, when you become restless, you'll break his yoke over you. When you become restless. Yes. But in 2 Corinthians, but in 2 Corinthians 3, verse 5, verse 5, it talks about, actually from verse 1, makes sense.

Yeah, from verse 1, actually. Do we begin to commend ourselves, or do we need some other epistles of commendation or letters from you? No, we don't need it. Why? Number 2, verse 2.

You are an epistle written in our hearts, known and read by all men. Human beings are epistles. Look at the next verse. Let's move on quickly. It says, clearly you are an epistle of Christ written by us, written not with ink, but by the spirit of the living God, not on tablets of stones, but on tablets of flesh, that is, of the heart.

[18 : 45] Verse 4. And we have such trust through Christ towards God, towards God. Verse 5. Now, not that we are sufficient of ourselves to think of anything being from ourselves, but our sufficiencies of God, who has made us able ministers according to the, who has made us able ministers of the New Testament, not for, not of the letter, but of the spirit, for the letter.

It says that you are the evidence that God has called us. Yeah, yeah. Verse 2. It's not a big grammar. It's not a big quotation. Those things are not evidence that you are called.

How long you have been in church is not an evidence of the quality of your spirituality. Modern day church, especially charismatic church, anyway, generally, charismatic church is potentially maybe even better.

Modern day church is replete and filled with people who are practically, excuse me my language, practically useless in the hands of God. useless, good for nothing.

Wow. Wow. Good for nothing. The early apostles, when they were beaten, Acts chapter 5, verse 14, Bible says, they rejoiced that they've been counted worthy to suffer, not even to labor, to suffer, let alone to labor, to suffer for the name of the Lord.

[20 : 08] They were happy that, yeah, I'm suffering for Jesus. They left very happy, rejoicing that they were counted worthy, not the suffering, but okay, all right, let me add it to those who suffer for Christ. They said, wow, what a breakthrough.

Yeah. It's like, you can watch X Factor and they said, four years, you are in. Yeah. This one, they said, they are in. Yeah. To suffer for the name of the Lord. No wonder when Paul, in Acts chapter 20, from verse 23, said, why are you doing this to break my heart?

I'm not only, I'm not only ready to suffer for the name of the Lord, but I'm ready to die for his name so I might fulfill my assignment. Wow. I want to, don't break my heart.

I want to, see, this is the heart people have in doing God's work. So what am I trying to say? If you are not acting, that's one of the downside, the satanic attack or disadvantage that we put on people through the Corona lockdown.

the Corona lockdown because, I mean, couch, couch believers. Wow. Sit down and hold the remote and whilst the pastor is preaching, I also have another thing going on.

[21 : 19] Wow. Over there, you are watching that one. Hey. Yeah, watching that one. You are watching, and then you say, nowadays, this pastor has been really preaching a lot. Hey. You have become a commentator.

Wow. Commentator, not a distributor. Consumer, not a distributor. Hi. Wow. Hi. What's her message? Madabasha, my partner.

Now, why did I bring this in? Why did I bring this in? Because these are the things that cold-hearted believers don't want to hear. Okay. But these things, if it's not brought to our attention, we will always be in the disadvantage, at the disadvantage.

Because service for God procures the hand of God. Daniel, Daniel, Daniel chapter 6. Daniel, ask your God whom you serve. Hmm.

You can't be serving God and be a cheap victim in the mouth of a lion. Hey. Ask your God. Daniel, Daniel, servant, not supervisor.

[22 : 20] Wow. Servant of the living God has your God whom you serve. Not occasionally. Serve, continue, being able to deliver you from the, from the lions, that one.

Lions and Daniel spoke from the lions, the intermiss of the lions. Serve, live forever, all king. Live. Ah, the king said, the Lord has done. God said, Moses, Moses said to Pharaoh, Pharaoh, Pharaoh, let my people go that they may worship me.

They may serve me, some translation. They may serve me. Serve me. Serve, that's why he's delivering you. So you can be of service to him. A bird that is out of service, you don't even give it attention.

Wow. In the realm of the spirit, Satan is trying to put you out of service. Pastor, pastor, Satan is trying to put you, you have to be concerned. Satan is trying to put you out of service.

So in the realm of the spirit, you look very big physically, but spiritually, there is out of service tag on your forehead. Wow. Wow. Hey, minister, deacon, elder, evangelist, this big tattoo you are carrying on yourself, evangelist.

[23 : 41] Hallelujah. So, one of the way to avert a curse, to reverse a curse, is tireless, continual, committed, dedicated service.

Next month, we are going to touch more on that. I think it's a month of kingdom dedication. I love it. Kingdom dedication. Wow. Curses will drop off your life naturally because of your kingdom dedication.

dedication. Your commitment to the things of God will not allow something to say around you. Certain negative news and stories cannot survive towards you because you are too sold out and too dedicated to the things of God.

Thank God that our year of victory, this year, we will know more dedication, lockdown, how we will find every means to do the work of God. David told his son, Solomon, as for you, my son, build the house of God.

As for you, my son, build the house of God. As for you, my son, build the house of God. As for you, my son, build the house of God. Build the house of God. Build the house of God.

[24 : 48] That's why Solomon was the greatest, most wealthy person who lived. Jesus had to make reference to Solomon. When he was talking about wealth, he said, the lilies don't, don't, they don't work.

But Solomon, in all his glories, can't be compared to the lilies. Solomon is a standard, standard of glories. Why? Because this is someone who followed his father's advice to build the house of God.

Satan wants to use Corona, Corona situation to deny you from engagement in God's house. Worshiping God is not just singing songs and saying, I worship you. No, no, no, no.

It is working for him, doing something for him. Use not only your finances. Finances are part of it. Because you can't love God and withdraw from him. But then, physically, every means, intellectually, enemies, enemies, enemies.

Satan was speaking to me. He said, Pastor, I admire your strength. I admire your dedication to the work of God. We are all watching.

[25 : 50] It's so beautiful. And I was wondering, what strength? Then I realized, oh, maybe I'm using a lot of strength. I am so sold out to what I'm doing. I don't really realize the extent to which I'm, no, no, no, no.

I, I, I am enjoying the privilege of serving God. And God is also flowing. God is flowing. Why? Because God is real and God is here. Let me, let me just land on the point I'm making.

If you don't serve God, Deuteronomy chapter 28, verse 20, 47. That's quite a worrying one. That's a worrying one.

If you don't, it said because, because you did not serve. Did you see that? Wow. The Lord your God with gladness, with joy and gladness for the abundance of everything. Look at what it said.

Because you don't serve, therefore you shall serve. Oh, so if you don't serve God, you will end up serving an enemy. Wow. Wow. So you have a reason for not getting busy and engaged.

[26 : 46] You find a reason for not getting busy and engaged. Satan is trying to disadvantage you. I see you have an upper hand over the enemy.

But let me finish that long term thing I was saying. So there are some battles that you start and it continues with your children. Deuteronomy 28, verse 40, 40, sorry, 58. Let's start 58.

Therefore you shall serve, so 58, if you do not, if you do not carefully observe all the words of this law that are written in this book that you may fear this glorious and awesome name, the Lord your God, verse 59.

Then the Lord will bring upon you and your descendants extraordinary plague. See, that's where I went off and spoke about blessings is generational in the same way curses can be generational.

And I went on to talk about if there is a generational curse, something that is prevailing in your family and your life that is hurting you. It can be reversed, reversing the curse.

[27 : 50] It can be broken. How? By a few things I said you can do. By, obviously, when you become born again and secondly, prayer is speaking in the world. Thirdly, your sacrifices in God's house.

Fourthly, your service. And when I talk about service, I'm talking about your engagement in God's work and excuse you from prevailing, valid prevailing maladies and negativities.

It is there, but it can't affect you because you are too busy with God and God is shielding you and keeping you going. That's where service comes in. And then your honor to, honoring of spiritual personnel.

You know, mother, father, it has a way of helping evil, not helping you so evil doesn't come on you easily. But spiritual authorities can, out of their hearts, they feel, oh, this guy is very, very helpful in the work of God.

Just that, for a pastor to say that about you in his private system, oh God, I thank you. I thank you for the evidentiary. Hey, it is a way of blocking a curse.

[28 : 55] Yeah. On the other hand, if a pastor say, oh, ah, Demas, Demas, Demas has done me much, Demas. Lord, forgive Demas. That is not good for you.

Wow. These are basic spiritual things a lot of people don't take serious about. It ends up biting them. We are praying and fasting. Are you, are you, are you? But something, there are some things that are validating the perpetration of certain situations.

But watch, let me finish that. There's a text there. I want to finish this. Is someone letting me something at all? I should just continue teaching because I'm relieving somebody into your next place.

Relieving you into your next level. You will not be frustrated this year. You will not be, hey, you will not be a victim this year. You will not be a victim this year. You will not be a victim.

None of the people who are vulnerable to you, who are precious to you shall be victims this year. Because of you, God will spare your loved ones. God will spare your families. God will spare your life, your, your, your family members.

[29 : 56] God will spare your children. Because, because of you, there was a time God, Solomon misbehaved. He deserved judgment. God was about to bring judgment. But God said, God held his, his hands, his own hands.

He said, Solomon, I did not be for your father, David. Wow. David, Solomon, David. And he has, he remembers David. God remembers David.

May God remember every sacrifice of you, every dedication of you, every service you have rendered to you. May God remember. May God, in Psalm, I think Psalm 20, he said, may God remember your offerings.

Hey, hey, my God, don't go, don't go. I'm 20. One, two, three, somewhere there. May he bless you out of zone. And may he remember your offerings, offerings.

God remembers things. He remembers. May God, may he remember all your offerings. Wow. Wow. Offerings. And accept your burnt sacrifices.

[30 : 54] May he remember. May God, I pray, I pray and call on the name of Jehovah God. That may the God of heaven remember your offerings.

May he, may he remember your dedication, your sacrifices. May God remember you. May God remember you and react positively for your children. May he remember you and heal you.

May he remember you and avert that situation. Negative wind that was meant to blow towards you. May God remember. May God remember you. May heaven remember you. The angels said to Cornelius, Cornelius, your, your, your arms give it.

has come to God, has come before God for a memorial. Cornelius, Cornelius, he says that, Cornelius, your prayers and your arms have come up for a memorial.

Ah, that is God has remembered it. Yeah, it has come up for a memorial before God. Your suffering, your offerings, your offerings, arms, your prayers and your giving, and your giving has come before God for a memorial.

[32 : 01] For a memorial. That means that God will remember it. For God is not unrighteous to forget. Kabba, da, ba, ba, ba, ba, ba. God is not unrighteous to forget your labor of love which you have shown towards his name.

Hebrews chapter 16. In that you minister to him and to the saints and you do minister as you are serving human beings. The people of God, God is counting it in your account. Wow.

Because you are doing it for him. Wow. Wow. You are doing it for him. I think Matthew somewhere, he says that as often as you do to any of these little children, you do it unto me.

I see God, listen, my brother, you will not be, you will not be part to shame. Amen. You will not be, people, people who have known you from afar, they will begin to envy the beauties of God's glory in your life.

Amen. They will see your children and be, how, they will be asking you, how did your children get here? How, it's not a new one. All your children are just breaking through. They are doing, how? Can you show us the secret and you will tell them the secret is service.

[33 : 04] Your service to God has procured a certain grace on your life which is manifesting your children's life. There is not everything you have to, you have to, you have to fight for or it's not everything you have to work for.

There are some things God will give to you without even working for them. Because, because if you're, if a man's ways please their Lord and listen to this, there is something, listen, tonight, I believe somebody must come under a sworn blessing.

Sworn. Sworn. God said, I swear, can you imagine? Somebody did something, God said, hey, I swear, I'll bless you. A sworn blessing means a blessing that can never be revoked and canceled.

Wow. Doesn't matter what anybody do. A sworn, God told Abraham, Abraham, you have done this thing in Genesis chapter 22, verse 15 that was. He said, by myself, I swear, can you imagine?

God. And the angels said, God, come, I said, don't leave me alone, I can't calm down. What Abraham has done? Because you have done this thing, by myself, look at, yeah, verse 15, verse 16 said, because you have done this thing, this thing you have done, this thing you have done, by myself, I swear, says the Lord, because you have done this thing, and have not withheld your son.

[34 : 16] There are things you can do and provoke a sworn blessing. People may not see it, but in the process of time, it will show. I see somebody coming under a sworn blessing.

Hallelujah. I see somebody coming under a sworn blessing. You and your household, you, your wife, your husband, your children are coming under a sworn blessing and your grandchildren, your grandchildren, your grandchildren, your grandchildren, you might not be able to do everything for them, but the blessing of God upon your life will do more for your children than you could have personally been able to have done.

A sworn blessing. Oh God! That I will operate under sworn blessings. Yes! God! I receive grace to operate under sworn blessings.

Under sworn blessings. Me and my house, under sworn blessing. Show me how to do things to please you, to bring my life under sworn blessing.

So shall it be for you in the mighty name of Jesus. So shall it be for you in the mighty name of Jesus. So shall it be for you. I feel the power and the anointing of the Holy Ghost here.

[35 : 32] Listen, it doesn't matter what your father couldn't do for you. It doesn't matter what your mother couldn't do for you. I believe they might have tried their best. But guess what? You are bringing yourself under a sworn blessing.

Yes. You are changing the game now in your family. In your bloodline, because of you, there is a shift. Something is changing. Something is changing. Something is changing.

Something is changing. There, you see, when you break God's law, it brings you under a curse. That's what I was just trying to show you in Deuteronomy 28, verse 59. It said that because if you don't obey the word of the Lord, watch this, bring you and your descendants extraordinary plague.

Great, watch this, prolonged plagues that word, prolonged. This thing has been there too long now. And serious, prolonged sicknesses, ah, ah, that's a sign of a curse.

But when you are born again, when you are born again, you are in Christ Jesus. And Christ has redeemed us from the curse. So you must be able to say, enough is enough of this situation.

[36 : 45] Wow. About that shot, my attack. Wow. Yes. It doesn't matter where it came from. You are in Christ. Yes. You are in Christ. And get yourself busy with God, serving Him.

Serving Him with your strength, with your resources, with your intelligence, with your abilities. You are a computer guru and it is not having any positive impact on the work of God.

I say, I don't commend you on that. You are a specialist in something. In this lockdown, many churches are doing virtual services.

You, that virtual, you are using your virtual skills only to play video games. Wow. Hey. For your personal entertainment and enjoyment.

Wow. Video games, you have all, you spend all your time and when they say, you won't even think, some people won't even think, what can I bring on? What can I suggest? What can I do to make God's work better?

[37 : 43] You saw pastor preaching and there's fake eyebrows here. Why are you watching? Oh yeah, at least God is still healing. So, how, how, how? Give God a reason to keep promoting you in that trade.

Wow. Give God a reason. Give God a reason. You are top lawyer. You understand legal test and you might see, oh, maybe the way this thing was said is not, you call legal, it is not a, you feel quiet.

You know, there's an emoji with a zip like that. Yeah. In the realm of the street, there are people who are like that. Wow. I'm just watching, I'm just here. God will hold you responsible when something's going on.

Wow. Prolonged sufferings and prolonged situations are not a good sign and you are not supposed to have that. You must be tired of it and employ the grace of God, the, the, the power in prayer to overturn, overturn, overturn it.

Overturn, overturn, overturn it. Overturn, overturn it. Shout hallelujah. Hallelujah. Thank you for listening.
