Preacher: David Antwi

[ 0 : 0 0 ] Welcome. Thank you for choosing to listen to another faith-building message by Pastor David Entry. Faith comes by hearing and by hearing the Word of God.

May your knowledge of Jesus Christ increase as you listen. Be blessed. Hallelujah. Hallelujah.

Sometimes when something is ready for somebody and the person is absent, and it's like you were supposed to be on the flight, and they prepared a special meal, a special meal for you.

Your name is on it. Everyone on the flight, just a few selected people, and you missed. You were not on the flight. They called your name. Where is the person? You are not here. Oh, no.

How I wanted you to test what it feels like for this particular service. But thank God you are here. So I am happy for you because I am of the firm conviction that God has got something great in stock for you.

[ 1 : 1 2 ] Amen. Yes. Your amen is not in vain at all. I'm telling you, if you really believe it, you'll connect with an amen. Listen, I am of the firm opinion that God has got something wonderful, something powerful, something unique in stock for you right now in the name of Jesus.

In the book of Isaiah, it talks about how the Lord who performeth the counsel of his messengers, and he makes divineness mad.

He performs the counsel of his messengers. I am the Lord. Who perform, in Isaiah chapter 44, who perform, that confirms the word.

Let's pick it back. Take it to verse 24. Verse 24. Verse 24. He said, Thus says the Lord, your Redeemer.

Say, God is my Redeemer. God is my Redeemer. Say, God is my Redeemer. God is my Redeemer. One of the reasons why Satan couldn't end or terminate Job's testimony was because Job knew and he believed that his Redeemer, who was God, lives.

[ 2 : 3 1 ] Job said, I know my Redeemer, in Job chapter 19, 26, also 25. I know my Redeemer liveth. And that he shall stand at the latter days upon the earth.

When everyone has fallen, my God will be standing. He is the bright and the morning star. He is the bright. When the morning star is, there's a particular, in the night, in the night, when you live in regions of clear skies, you see a lot of stars.

And some of the stars shine brighter, and others are kind of okay. But what happens is that when the night is getting over, when dawn is coming, all the light, the stars begin to fade away.

But there tends to be a particular star that still keeps shining, even when the dawn is coming. All the stars go, but the bright is called the morning star.

Yeah. When all the stars have finished, the night is over, and all the night stars are gone. There is a morning star that shines bright.

- [ 3 : 53 ] Oh, that's what he says is the bright. According to Revelations, he is the bright and the morning star. Hallelujah. I am the root of David, the bright and morning star.
- He is the, not midnight star. He is the, the midnight is going to be over, but joy comes in the, oh, hallelujah. Weeping may endure for the night, boy.
- I'm talking to someone. I know I'm preaching to someone. I know God is speaking to somebody. Psalm 30, verse 5. Weeping may endure for the night, but joy comes when?
- In the morning. Because in the morning, the morning star will still be shining. He is the bright and the morning star. So it doesn't matter what the enemy is doing at night.
- In Luke chapter 23, 22 or so, the devil is called, Luke 22, 53, the works of darkness.
- [ 4 : 59 ] Jesus told them that now is the time. Your time has come. It's the work of darkness. The hour of darkness. He says, but this is your hour and the power of darkness.
- See, so the power of darkness. And you remember I told you, we wrestle not against flesh and blood, but against principalities, against powers, Ephesians chapter 6, against rulers.
- Watch this. Rulers, watch this. Don't miss this. You see, the rulers of the darkness of this world. Darkness.
- He said, for he has delivered us from the kingdom of darkness. Christ has delivered us. Colossians chapter 1. Yeah. Who has delivered us from the power, actually the power of darkness.
- Darkness has got power. Satan has got power. Satan has got power. But Jesus said to his disciples, Behold, I give you power over all the works of the enemy.
- [ 6 : 04 ] Luke chapter 10 from verse 78 and 19 said, Behold, I give you power over all the works. Behold, I give you power to tread upon serpents and upon scorpions and over all worlds, all worlds, all worlds, over all the power.
- So if you are not in Christ, Satan will overpower you. Satan will overpower you. He said, I give you power over all the power.
- He has different types of power you operate with. Jesus said, I give you disciples. I give you power. And he said, Nothing shall by any means hurt you. When Jesus went into the wilderness to fast, all he came out with, he didn't come out with anything.
- He didn't bring money. He didn't bring bread. He didn't bring, he went and fasted. But all he came with there from, he came from the wilderness with his power. Luke 1.14, sorry, 4.14, I'm sorry.
- Came with power. He returned in the power of the spirit. He returned in the, that, that is enough.
- [ 7 : 18 ] So he says that, I give you authority over all the power, over all the power of the enemy. Now we wrestle not against flesh and blood, but against principalities, against powers, and the rulers of the darkness of this world.
- There's darkness of this world. It operates everywhere. Let me show you where the kingdom, the powers of darkness operates more comfortably. It operates more comfortably, and then where it actually likes to operate.
- Okay. It operates more comfortably, where there is a lot of, or where there is occultic activities. When there is occultic activities, so any family that has a lot of occultic activities going on, occult.
- All right. Some of you who, who consult clairvoyants, and consult OBR doctors, and consult palm readers, and so sayers, you have, what do you, horoscope.
- No wonder your life is filled with horror. Horror. You have horoscope, books of horror, and you've always been reading horoscope. Can't you see your life is, is, is full of horror. Get rid of that horoscope, and horoscope, and, and get the word of God.

[ 8 : 37 ]     Get the word of God. Get the word of God. Hallelujah. You are coming to receive prayer. Meanwhile, the foundation of your precious is horoscope, horoscope, or, what, whatever.

And, you say, my star is what, uh, zodiac, and, uh, what, all those kind of demonic rubbish. Those, these are demons. They are demons.

Telling you. They are demons. Pastor, I don't know why, when I go and sleep, all these things are happening, because you've exposed yourself to demons. Okay. So, Satan oppresses freely, where, there is a lot of, or cortical, maybe you never knew.

So, just, some of you, might have, what's that thing called? Crystal ball. Crystal ball. Means, for demonic oppression. Mm-hmm.

I think I may have to, take my time, and teach on, how demons, come into people's life. Yeah. Roots. The roots. Fornication is one of the easiest roots.

[ 9 : 34 ]     Yeah. You didn't know. Fornication. Sexual immorality, and, um, sexual, uh, sexual immorality, and pollution. So, any nation, where, there's a lot of sexual immorality, there's a lot of, demonic activities.

Shoots, and looking posh, doesn't mean, demon free zone. Hehehehe. Hollywood has a lot of devils, working there. I'm telling you.

How can you say that? Yeah, yeah, I've just said it. Just pray about it. God will open your eyes to know. A lot of devils. I'm not saying, okay, let's leave that. So, demons like operating, or evil spirits, the power of darkness, operates easily, and comfortably, anywhere there is occult.

That's why, all the places where, there's active practice, of, um, occultism, or, idolatry. Wherever there is, active practice, of idolatry, occult, witchcraft.

Anywhere you see, they, they promote witchcraft, yeah, Satan is just finding easy to operate. And, Satanism, this, this sign, some of you who do this sign, it means Satan, it's a Satanism.

[ 10 : 57 ]     It's for Satanism. You're following Jay-Z, Jay-Z. You go ahead, and tell me, what is wrong with, also enjoying some of this music. Go ahead and enjoy it. No one, no one, it's your own money now, it's your own ears.

Enjoy it. someone must be responsible in telling you, how the means, the channels, the avenues, through which, uh, Satan will, exalt, his purposes, his intentions, and his demands on your life.

I can't just be sitting here, prophesying, casting out devils, and not show you, how the means, through which Satan afflicts you. It's irresponsible. That would be a very, very, uh, that would be irresponsible on my, on my part.

So, if I'm casting devils, then I have to show you, the means through which, they also afflict you. So then, if you are wise enough, you begin to follow the instructions, and stay safe.

Why would the doctors be healing you, and not tell you the cause of your sickness? And then you go, and you get infected again, and you, the reason why they say, wear masks, is so that you don't catch the virus. So, some of these things, we teach, the teachings can be a platform, it's like, said as, spiritual, mask wearing, uh, social distancing, and, uh, face covering, and sanitizing your hands, and yourself.

[ 12 : 14 ]     So, it's necessary. It's necessary. So, Satan operates, uh, the powers of darkness, operate to, through places. So, in certain areas of, in Africa, in India, in certain places, where occult is strong, you see Satan operates easily.

Satan operates easily. Sometimes people die strange deaths. Strange deaths. People give birth, and then one of the limbs is a goat. Can you imagine?

I mean, how can you explain this with science? Someone gives birth, and then, the ear is like, uh, uh, a dog. And usually, so, some of the Asian, Asia territories, where, occultism is strong, sometimes you, the things that tend to happen, is very strange.

Alright, so, Satan operates more, where there's occultism, too. Where, false religions, where false religions, are dominant, Satan operates very easily.

But the places, or, uh, three, where, there are, a lot of, uh, sexual immoralities, and sexual libertinism.

[ 13 : 35 ] Sexual liberties. If he feels good, do it. If he feels good, Satan loves it. Satan, and usually, he uses intellectual, demon-possessed intellectuals, to push policies.

So he can, the kingdom of darkness, can rule. There are certain people, when you see them, you can tell, this one is really possessed. Really possessed.

But it can be explained, away, with over, that's, that's my style. Some things, don't look like a style. It looks like madness. I mean, how can, drawing tattoos, all over your head, every, piercing everywhere, it's not a style.

It's, it's, it's, it's a reflection. It's a reflection. That, somebody needs help. Somebody needs help. Forces of darkness, have taken over.

They can possess a person. And, use the person, aggressively. Satan is such a, bad devil. That's why, he doesn't want you, to be in church.

[ 14 : 45 ] There are certain, sicknesses, which Satan himself, makes sure he brings. No doctor can heal, that's interesting. Some sickness. Some doctors can heal, because Satan is a sponsor. Satan brought it. Satan said you, I'm bringing you sickness.

Sometimes they can, send your name to a shrine. And, if you are not, recover, the enemy can easily get you, like a cheap meat. So, wherever they are, there is a lot of, sexual liberties, and, all kinds of, sins, sins, sinful activities, wicked activities, lying, maliciousness, wickedness, men are mean, and, all those things, the great room, for demonic operation, easy demonic operations, the kingdom of darkness.

Am I explaining something, to somebody? Yes, yes. These are very important. But the places, Satan also likes you, these are the places, he just feels comfortable, he just normally, but he has his eyes, in certain areas, the kingdom, or the powers of darkness, has their eyes, Satan has his eyes, in certain areas, places of authority, because, with you, with one policy, you can destroy a lot of lives, just one policy, one policy, most of us like some things, even if it's to destroy your life, like it, thank God for our government, who says that, you can't smoke, in certain places, and they are discouraging people, from smoking, there are policies, now, secret, companies, cannot display, or are not allowed, to advertise, cigarettes, in a glamour, or glamourized, cigarette smoking, okay, smoking, cigarette companies, are not allowed to, it's a policy, so some people, who are growing, young people, will not see it, and think, it's an own thing to do, so what people keep seeing, they easily begin, to mimic, or imitate, so thank God, for those kind of policies, like policies, like where, under age, you won't sell alcohol, to you, in certain parts, of the world, it's hard, to just go and, be spending night, with a man, or a woman, even the man, doesn't have anywhere, to spend the night, with you, it doesn't, so, it's, it's, it's, it's, it's a sad, how do you want, you understand that, so, now let's get, let's get back, to what I was trying to do, so policies, so Satan, would like to hijack, individuals, who have influence, and authority, especially in government, and then use them, to make policies, that can, that can push, the agenda of Satan, that's why, it's necessary, for the church, to pray, for our leaders, somebody, might be, such a good man, a good woman, enters into, politics, and become, becomes, and leader, so, then suddenly, the person has changed, you are shocked, this person, is this not how he's talking, is this what he's doing, sometimes there are powers, that influence them, so we have to, insulate them in prayer, so instead of just, castigating, our leaders, we need to pray, for our leaders, that's what the Bible says, in verse Timothy, chapter 2 verse 1, pray for our leaders, pray for all those, in authority, pray, first of all, intercession, give it for all men, verse 2, verse 2, for kings, and all that are in authority, pray for them, why, so we can live a peaceable life, unlike King James, peaceable life, quiet and a peaceable life, in all godliness, and honesty, alright, so, the kingdom of darkness, likes those things, and he also likes media,

Satan likes to, Bible said, he's called, the power of the earth, didn't you see Ephesians, Ephesians chapter 2 verse 2, yeah, where in pass, you walk, yeah, you walk according to the prince, of the power of the earth, did you see that, that's Satan, he's the prince of the power of the air, so, in that, in that, darkness, Satan is, is reflected as the, the ruler of the powers, the powers of darkness, or the darkness of this world, so it's Satan, and his demons, but, so, but, so, ripping me and joy in the night, that the night symbolizes darkness, but joy comes in the morning, and watch this, he's a bright, and the morning star, so, the time of your joy, Jesus is ahead of you, before you wake up, the bright, and the morning star, he doesn't show up in the morning, it's always part, while the other stars are there, he's there, but they will all go, and he'll still be standing in the morning, he's a bright, and the morning star, and the good news is that,

Jesus Christ being the bright, and the morning star, there is a dawning of a new day, I'm prophesying, there is the dawning of a new day, for somebody's family, yes, I'm talking about you, there is the dawning of a new day, for somebody's ministry, there is the dawning of a new day, for somebody's career, there is the dawning of a new day, look, this corona pandemic season, it may look like, it's a period of darkness, but always, morning comes, a joy comes in the morning, and morning comes after the darkest period, okay, so the darkest, the darkest night, is nearest the morning, hallelujah, the darkest night, is nearest the morning, you might be in a very dark night, but I know that God is going to see you through, because the morning star, is going to shine on you, and going to put laughter in your mouth, the morning star, will shine on you, and put laughter in your mouth, the morning star, will shine on you, and put laughter in your mouth, the morning star, will shine on you and put laughter in your mouth.

[ 20 : 33 ] I see that happening for you. If you believe in God, hallelujah. Hallelujah. Weeping men, joy for the night, but joy comes in the morning.

I see your joy coming. As you connect yourself, as you open your heart, you will see, Jesus said, did I not tell you, that you will see the glory of God if you believe. You will see the glory of God.

John 11, 40, 40, 41. You will see the glory of God if you believe. Somebody is about to see the glory of God. Somebody is about to see the glory of God.

I said somebody is about to see the glory of God. Amen. If you are the one I'm talking about, shout hallelujah. Hallelujah. Thank you for listening.
