Preacher: David Antwi

[0 : 00] Hallelujah! We thank God you've tuned into this message by David Entry at Caris Church. No hand can help you with the fulfillment of your destiny but the Word of God. May God's hand align you further into your destiny through this Word.

Isaiah chapter 44, verse 1, 2 and 3. Yet now hear, O Jacob, my servant, and Israel, whom I have chosen.

Thus saith the Lord. Everybody say, thus saith the Lord.

Say it again. Thus saith the Lord. Thus saith the Lord. You come across this phrase numerous occasions in the Bible, especially in the Old Testament.

You will see it several times from Acts chapter 2, verse 17. As Joel said, Acts chapter 2, verse 17, that it shall come to pass in the last day. Say this.

[1 : 15] It's not saith the Lord. Really, it should sound like that's what God said. But when God speaks, it is not only relevant for the time He spoke.

It's continuous. It's like when a child is born. The child doesn't live the day he was born, then it's finished. No. Now the child begins to live. It's living. Since the day he was born, he continues to live. But even that doesn't capture it properly. It's like when someone becomes a mother, as soon as you give birth, you're a mother forever. You're a mother. Whether your child grows to become a good person, a bad person, you're a full age, whatever.

You have become a mother. When God speaks, it's not like He spoke to somebody and now it's passed. When He speaks, He's still speaking. So that says the Lord.

Not this is what God said. That said the Lord. That saith. So you see the Lord in the scriptures. This is what God says. So when He was saying it to those at that time, He was saying it.

[2 : 22] This is what God says. And He hasn't stopped saying it. This is what God said. That saith the Lord that made thee. And from thee from the womb, which will help thee.

Fear not, O Jacob, my servant. And thou Jeshurun. For I will pour water upon him that is thirsty. That's what God says. I will not just waste my water. I just need someone who is thirsty enough. He said, I, God, I will pour water upon him that is thirsty.

And floods upon the dry ground. I will pour my spirit upon thy seed and my blessing upon thy offspring. He said, floods upon the dry ground.

Demons like dry places. As I told you the other time in Luke chapter 11 verse 24. When an unclean spirit comes out of a man, he goes to Rome in dry places.

[3 : 38] They go into dry places. Demons like dry places. That's why God pours water on dry ground. So that's why I was saying the other time, if you are struggling with an addiction, it's a clear indication that the Holy Spirit is not in control.

If the Holy Spirit is in control, there is no way you can be struggling with demonic influences. Any demonic influences that you are struggling with is a classic indication that the Holy Spirit is not flowing.

You can be born again. You can't even have the Spirit of God. But the pouring of the Spirit, there's some dryness in your life. Demons don't like wet places.

So when there's demonic influences in your life, it is clear that there's some dryness somewhere. And the solution is just thirsty.

God, I need you. He said, I will pour, I will pour water on the thirsty, thirsty, on him that is thirsty. In Revelation yesterday, I read in Revelation chapter 21 verse 6, said he who is thirsty, let him come and drink.

[4 : 57] Revelation chapter 22 verse 17, said he who is thirsty, let him come and drink. Jesus said in John chapter 4 verse 14, he who ever drinks from the water that I give will never thirst, but rather

out of his belly.

Shall be inside him a well of water springing up into, shall flow rivers, rivers of living waters.
From this season, that will be your testimony.

Oh, rivers. Those of you who are busy in some kind of church work, ministry work, you have been preaching, you have been teaching, you have been leading, you have been guiding, whatever, you have been singing, you have been, anybody who is active in some kind of church work, from today, this scripture will become a reality in your life.

This scripture will be fulfilled in your life. Out of your belly. your belly, out of your belly. You'll be operating in wild anointings. You'll be operating in unusual anointings.

[6 : 23] In great anointings. In great anointings. In great anointings. I see the anointing of the Holy Ghost. I see the anointing of the Holy Ghost increasing on your life.

Out of my belly. Out of my belly. Out of my belly. River.

Rivers. Rivers of living water. He-i-i-ia. Out of my belly. Out of my belly.

Shall flow. River. Rivers. Rivers of living water. He-i-ia. Oh, out of my belly And shall flow Rivers, rivers, rivers Please be one Please be seated.

We are bound to rise to pray. When we start praying, there's only one thing I would encourage you to do. Pray like someone thirsty.

[7 : 45] Don't let anyone distract you. Because, interesting, yesterday I showed you some. How many points? Seven? What was the first point? Six points.

This season, when you come, when you come and we are praying, try and do some of these things. Or do it if you can do all. It will maximize the atmosphere or the season for you.

And you experience God in a way that your destiny will never recover. Number one, when we come, just learn how to lift you as much as you can.

Because your hand cannot be... Once I'm teaching, there's no need to raise your hand. But when we are praying, we are singing as much as you can. Learn to raise your hand. So lift your hands when we come and we are singing.

Do you know what happened tonight? Very interesting. Very interesting. I've never seen anything like that before. As we started singing, and I said, lift your hand.

[8 : 47] As we are singing, I knew God showed me that revelation. We should lift our hands. So lift your hands. As we are singing, as we are singing. Do you know what I saw? I saw... Suddenly, it's like my eye got open, and I saw people with greasy palms.

No, wait, wait, wait. Not the proper grease. You know the grease that will swell any dress you touch. That mechanic type of grease. Dirty grease.

Dirty grease in people's hands. Suddenly, I saw people's hands. Like marks of grease. And I saw... It's like an angel. With... With... Sanitizer and a wipe.

Cleaning people's whose heads are raised. And cleaning their arms. Giving people... Golden Midas Touch.

Cleaning people's arms. Bigly little people's arms. Cleaning. Cleaning. And I said, oh... So that's one of the reasons why you want us to keep our eyes up. Simple instruction.

[9 : 54] Number two, stay consistent. Number three, be ready. True dreams. Visions. Revelations. You'll be ready to see some visions. Revelations. And dreams.

And... Supernatural... From us, I'm teaching. You'll be hearing. It's like you'll be seeing pictures. God will be speaking to you so clearly. Expect to... To be receiving unusual communications from God.

And then prompt obedience. Number five. Sow seeds dangerously. Bile steps in seeds sowing. Strangely. Take some...

Do what you have never done. And see what... God will do what he's never done. Document it. Note things down. Especially things that... God spoke to you about.

Things you prayed about. Note them down. Note them down. You may have to go and get a diary or something. Note them down. Journal. For this prayer season.

[10 : 56] Because... Every word that God will speak to you... Based on your encounters... Will come to pass. Amen. It will come to pass.

And I... Don't... Let me add this one. Don't... Don't be hesitant to express... Give physical expression to your thirst. Don't be hesitant.

Don't... Don't... You know like I'm teaching right now. And then you feel... You feel... You're crying. You feel like something. They say, oh Jesus. You feel like screaming, Jesus. But I know you are hesitant.

Because people will look at you funny. I'm not... I'm not saying you should scream. But I'm just giving you an end. Don't be hesitant. If you feel like... Diving on the floor and crying out to God. When we are praying. Don't be hesitant. In giving... A physical expression to your thirst. Do you understand what I'm saying? Don't be hesitant. Because...

[11 : 54] He said, I'll pour water on... Who is thirsty. So you see... The thing is... Sometimes... Your heart will be desiring something. But... Your flesh will block you from...

Doing it. So... Don't underestimate... The place of... Physical activities. As... As an expression of spiritual quest.

Do you understand it? Because... Some religious people... Who don't have inside revelation. He said... It's just in your heart. It's just in your heart. There are people who... God called to be born again... At some point. And...

They knew God is talking to me. But they didn't know. They didn't take their step. They didn't take their step. And... You can never compare... The results of when you take their step...

And you didn't take a step. Do you understand what I'm saying? Because... Actions matter... In the realm of the spirit. When you study... Hebrews chapter 11... When he's talking...

[12 : 49] When he spoke about... Faith. He didn't... Really... It wasn't so much... A definition of faith... But... Expression... Expressions of faith.

Display of expressions of faith. So he said... By faith. This one did... By faith. It wasn't really defining faith. It was just showing... How people expressed faith. So then...

Expressions... When it comes to the realm of the spirit... Certain expressions are very necessary. That's why sometimes... He said... Lift your hand. It's an expression. You might kneel down. It's an expression. Different thing.

All those things... They are not the core thing... In itself... But they are expression... Of something divine... Or something spiritual. Is someone getting what I'm saying? That's... Finally...

I've got in a seven for you. Oh, it's eight. Expect God to use you. Because why would you come... Into an atmosphere like this... And go and be...

[13 : 43] Impactless? Oh. Then I doubt... If you have really met God. This meeting is not for you... To stop sinning. It's lower.

Stopping sinning is a lower grade. It's like you are going to university... To learn how to count money. No. You don't need university to do that. God doesn't have to...

Put this meeting together... So someone can stop fornicating. If you want to continue... Continue. You are wasting your... Opportunities in your life.

After these moments... You rather take leverage... Take advantage... Of this... And don't be saying... I'm stopping you. I'm stopping you. You should have actually stopped you already... After coming here. And then rather...

Begin to pray... I'm taking a step. I'm taking a step. I'm obeying God. I'm doing this. I'm... You are going to... Do... People... Religion will tell you...

[14 : 38] What you are not supposed to do. Don't do this... God doesn't have time for... He always comes to tell you... What you are to do. So if you want to do... What he is telling you to do...

You know by implication... Just stop what you are not supposed to be doing. And then don't just stop. Many people just stop... What they are not supposed to do. And there is nothing. You are not going any far.

You are not going any far. I have taken my shower. And so on. Is that an achievement?

Is that an achievement? It's not an achievement. We should clap for him. Because he's taking a shower. No, it's not an achievement. Get dressed and go out.

Get out of the house and go to... Go to work. Go to school. Go to the job center. Yeah, it's something. Go to church. You have finished...

[15 : 36] Bathroom. You are lying on the couch. Watching TV. Still under the duvet. You are not... You are not a hero. You are not achieving anything. So...

I hope you get what... The illustration I'm making. That... These meetings... Don't reduce it to...

You've come to have stopped. You've come... So you've started something. And starting something means...

By implication... You have stopped some nonsense. Because you just don't have time... For that kind of nonsense. You are too busy. God said... I'll pour water on him who is thirsty. Him who is... He's thirsty. Today your prayer should be... As... That ye...■■■■... Oh, tell him, my heart desires you.
