Preacher: David Antwi

[0 : 0 0] Hallelujah. Thank you for tuning in to this powerful message by David Entry at Karis Face 2, our Christ-centered youth services. You can never find Christ outside of the open word of God.

May Jesus Christ reveal himself to you as you listen. Thank you, Jesus. Father, we thank you for bringing us together.

Thank you for your power. Thank you for what you're about to do. Thank you for your glory. Give us an experience in you that will change our lives for good.

We thank you. In Jesus' name. Amen. The Bible is God's medicine bottle. Ephesians chapter 3, reading from...

Let's start from verse 7. Whereof I was made a minister according to the gift of the grace of God given unto me by the effectual working of his power.

[1 : 0 1] Unto me, who am less than the least of all saints, is this grace given that I should preach among the Gentiles the unsearchable riches of Christ, and to make all men see what is the fellowship of the mystery which from the beginning of the world has been hidden God, who created all things by Jesus Christ, to the intent that now unto the principalities and powers in heavenly places might be made known by the church the manifold wisdom of God, according to the eternal purpose which he purposed in Christ Jesus our Lord, in whom we have boldness and access with confidence by the faith of him.

Wherefore, I desire that he faint not at my tribulation for you, which is for your glory. For this cause, I bow my knees unto the Father of our Lord Jesus Christ, of whom the whole family in heaven and earth is named, that he will grant you according to the riches of his glory, to be strengthened with might by his spirit in the inner man that Christ will dwell in your hearts.

By faith that ye be rooted and grounded in love, may be able to comprehend with all the saints what is the breadth, the length, the depth, the height, and to know the love of Christ which passes knowledge that ye might be filled with all the fullness of God.

Now, unto him that is able to do exceedingly abundantly above all that we ask or think, according to the power that works in us, unto him be glory in the church by Christ Jesus throughout all ages, world without end.

And all shall say, Amen. And all shall say, Amen. Father, thank you for the privilege to gather around your word. We pray that as your word is taught, you will impact yourself into us.

[3 : 1 9] And you will give us exposure to dimensions of grace that man cannot give. We pray in the name of Jesus, enlighten the eyes of our understanding.

Give us encounters in Christ. We pray in the name of Jesus, heal the sick, deliver the captives, and let your name be glorified.

We thank you in Jesus' name. Amen. Hallelujah. So last week, we established the fact that Paul said, I'm less than the least of all the saints.

And then another place he spoke about how he is not worthy to be called an apostle. So, Paul had this way of seeing himself, not because he has arrived, but because God has favored him, and God has chosen to use him.

And then we spoke about, he was given the commission to, chapter 3, verse 9 of Ephesians. It says that, his assignment was to make all men see what is, the fellowship of the mystery.

[4 : 42] That word fellowship is the Greek word, don't forget, I keep saying it, the economy of the mystery. So when you use, like, New American Standard Version, let's see what it says, the administration of the mystery.

The administration. English Standard Version. To bring to light, it says, to bring to light for everyone, what is the plan, you see? So, Eukonomaya is, can sometimes be translated, plan.

Sometimes be translated, mystery. Oh, sorry, administration. It's also translated, stewardship. I showed you, a while ago, chapter, chapter 3, verse 2 or so, you know, the stewardship is the same word.

You know, and then, it's also translated, plan, in some places. And then, let's see how the Amplified translates the verse 9.

Amplified, it says that, to make, to make plain to everyone, the plan of the mystery. And it's regarding the unveiling of believing Jews and Gentiles into one body.

[5 : 56] Regarding, sorry, the uniting, uniting of believing Jews and Gentiles in one body. That's what the plan is. So, the plan of the mystery, God, okay, this is one thing I always want you to understand, that God has got a plan.

Do you know why you are here? Because of, God's plan. But, you plan to come, you know, and I'm not talking about what you chose to do. Did you choose to be born?

You didn't choose to be born. Maybe someone got involved in your conception. You were part of the plan. Is there anyone here who was part of the plan of your arrival as a human being on earth?

Yeah. You couldn't even choose your name. Let alone to be involved in your, the decision of your birth. A lot of sexual activities don't produce babies.

Even between husband and wife. So, who determines the one that produces a child? It's God. It's God. Children don't get conceived because people are having sex.

[7 : 10] Children get conceived because God has a plan. Follow me very carefully. God has a plan. So, your being here is not an accident.

You are part of God's plan for you to be alive. That's why no one reserves the right to take away life. Because God told Jeremiah, before I formed you, so even before, before I formed you, Jeremiah 1.5, before I formed you in your mother's womb, that's where human beings are formed.

I'll test you. Before I formed you, in your mother's womb, I need you. And I ordained you. Can you imagine that mother has aborted? So, God has a plan.

And what's God's plan? God's plan is to have a habitation on earth. To build a temple for himself on earth.

But a temple is not built by natural stones and natural elements. It's built by, it's the component for the building of God's house or constituent component for the building of God's house is the regenerated people.

[8 : 28] When I say regenerated people, the human beings with the life of God inside it. So, we become in 1 Peter 2, verse 5, it says that we have been built into a holy habitation.

That's there. It's in your Bible. A priesthood being built up a spiritual house. That's NIV. That's New King James. That's house.

I like that. What the King James uses? Uses habitation. Right. This is also spiritual house. Okay, then one of the translations, she uses habitation.

Let's see how Americans start that and then the normal standards put it into a holy ASV. Americans that have a, no, New American being built into a spiritual house.

Okay, let's leave it. But a house, a spiritual house. Holy priesthood. Now, what is a spiritual house?

[9 : 37] You see what I was talking about? How can you build a spiritual house? Are you building it for angels to live in it? In their spirits, they don't need houses. Spirits don't need a house.

The only house they like is your body. Yeah. So there are people listening to me who have demons inside them. Oh, yes.

As to, how do I know? It's easy to know. The way you can, the way you are different, the way you are addicted to smoking.

Spirits are inside you, that's what they do. Yeah. The kind of people you have been having sex with, it's a sign that spirits involved. Yeah. And the kind of sexual appetite you have, it's not only sex, different, different, demons, there are different demons responsible for different things.

Different demons for different, there's different type of batteries, isn't it? Yeah. So, different demons are responsible for different things. And they are demons of sexual filth.

[10 : 49] Demons of sexual problems. Sister, why do you think that every guy you see, you want to sleep with him? Yeah. It's a sign that there's a spirit operating in you. Bible calls, it's the spirit that is at work in the children of disobedience.

Two to, Ephesians. The spirit that is at work inside children of disobedience. So, there's always, it's said that, according to the spirit that now works in the children of the, so spirits work in people.

some of you, you got more demons come in after you started the drugs. Some of, some people, after you started, you went to sleep with that girl.

You were never the same again. Some people have demon of pornography. That's why you can't have enough. You can spend all night watching pornography.

your eyes are red. Even before church, your eyes are red. Yeah. There are demons responsible for acting of pornography and those responsible for watching of their, their partners.

[12 : 05] Oh yeah. You see the way you are so always bitter, angry. Any little thing you are angry with everybody, your family, your daughter, your mother, your father, your sister.

that's demon of anger. You are not your own. You are not on your own by yourself. You are not yourself. Something has hijacked you.

Demons' favorite place they like staying is inside human beings. If they don't get it, then they go into animals. Yeah.

They operate in animals or in objects. So I mean, you cannot give me a ring and expect me to wear it. No. Anyone gives me a ring, I won't wear it.

It must be my wife or we're going to buy it. But you can't give me a ring. And some of you, you have things in your house, some image, sculptor, something. Most of those things, they are doorways to demonic influences.

[13 : 10] They are doorways to demonic influences. If you are here and every night, you feel something is chasing you, you can't sleep, you are struggling to sleep, it's a demonic harassment.

It's a demonic harassment. And it's only the church that can deal with that. It's only the church that can deal with demons. Jesus said in Luke chapter 11 verse 20, that if I by the finger of God cast out devils, then the kingdom of God is in your midst.

So what it takes to cast out devils is the arrival of the kingdom of God. And Jesus said the kingdom of heaven is in you. You cannot see the kingdom of God unless you are born again.

You can't enter it. John chapter 3 verse 5. So unless a man is born of water and spirit, he cannot enter the kingdom. So when you enter, we operate from the kingdom.

We have kingdom superior power. When Jesus Christ was raised from the dead, Ephesians chapter 1 verse 19, he raised him, as he told him on the right hand of the majesty, far above principalities and power.

[14 : 16] So he was seated far above principalities and power, far above. So if we are seated with Christ, he says we are superior to devils. In the realm of the spirit, this is how the order is.

The order of authority, the order of power. It is God. Then after God, you come to angels. Then from angels, I'm talking on holy angels of God.

Then from the angels, you come to spiritual power. From the angels, it's spirits, demons. And then after demons, you come to human beings.

And then after human beings, you come to animals. So the spiritual power. So the only thing we can exercise authority over is animals. But when you become born again, we are seated with Christ Jesus in heavenly places.

So we even have in operation. Watch this. I want to explain something. In operations, angels are powerful, more powerful than us. But when it comes to divine authority, because we are in Christ, we are heirs to join us with Christ.

[15 : 24] We have divine authority over angels. Doesn't mean we command angels. We don't command them because the time hasn't come yet. We don't else you begin to meddle into the occult.

our power is not to be telling angels move. But we have power over demons. Jesus said, I give you authority over them.

He said, nothing in Luke chapter 10 verse 17. He said, behold, I give you authority. Behold, I give you the authority to trample upon serpents and scorpions.

They're not physical serpents. these are symbols of demonic entities, demonic powers. Serpents and scorpions and over all worlds.

The power, so the enemy has power. The devil has power. Jesus said, but you, you the disciple, you the believer, I give you power, authority over all.

[16 : 27] In fact, let me digress a bit and go into something and show you. I give you that. Let's all read. I give you what? I give you the what?

I give you the what? Over all the, over all the, over all the, so the enemy has power, but we have, there's a difference between authority and power.

Power. most police officers are not the strongest people in town. In fact, when you see a lorry coming, lorry, lorries are very powerful.

They are very powerful. Some of the lorries, in fact, one day, some daughter was telling me, the lorry that is coming to deliver something, he said, that lorry is 20 tons.

20 tons is very, very, very, very, very heavy. If you add all these speakers, they are very heavy. Add all these speakers and add all these screens, all of them, they are not even likely to get to one tongue.

[17 : 46] So most of your normal cast is about three tongues or four tongues, the weights. A tongue is 1,000 kilograms. So very heavy.

And some of this, they will have some here, definitely. It's when you are into sound engineering, it's called rigging points. So there are some hooks. You can rig one tongue.

They have to, it's all specified. So if you are bringing speakers and flying them, you must make sure the rigs are specified to be able to carry the weight. All those things are part of sound engineering.

So tongues. So the, the, the, the, when you see that lorry that is 20 tons, most of those big Tesco, Asda tracks, they are heavy, super heavy, more than 20 tons.

Sometimes. It depends on the load anyway. But the car, the lorry in itself, some of them is about 10 tons. And it's coming. you can't stop it.

[18 : 58] It is so, he has so much power. If you stay in this way, it will grind you. He has so much power. And yet, a slim police officer, a car is coming in, he will just do this.

That's authority versus power. power. And he says, I give you exousia. I give you authority over all the dynamics of the devil.

Give you authority. So, demons are real. And we are the only ones who can cast out devils. Why? Not because we know how to pray, but because the kingdom of heaven is in us.

The kingdom of God. We carry the kingdom of God. So, demons are real. And they like inhabiting the people. Why? If demons can stay in somebody, that means that there is a chamber somewhere inside you that is meant for accommodating spirits.

And why did God do that? Because he created you so he put himself into you. And so, if your house, spiritual house, look chapter 11, verse 24, 25, 24, 25 says that when an unclean spirit goes out of, goes out of, did it say a cat?

[20 : 37] Goes out of a man. Man, that means human being. Okay, means a human being. when an unclean spirit goes out of a man, he goes through dry places seeking rest.

And if he doesn't find some, he says, I will return to my house. I'll return to my house. we all are being built into a spiritual house.

You are a house, whether I like it or not. I believe, whether I believe you or you don't believe you are a house. Because there are things that are controlling you, you can't control it. Spirit of laziness. Yes.

There are different spirits, though. Spirit's responsible for laziness, spirit's responsible for disobedience to parents, spirit's responsible for academic non-achievement, spirit's responsible for health challenges.

Even with health, there's a spirit of cancer, there's a spirit of migraines, there's a spirit of ulcer, there's a spirit of stroke, there's a spirit of infertility, there's a spirit of different different spirits.

[21 : 52] Because there are thousands, demons are thousands, plenty of them. And what is strange about demons is 10,000 or more can enter one person. You are wondering where your addiction came from.

That guy you went to sleep with, she transferred the demon of sexual perversion into you. That guy you went to sleep with, he transferred it hands down.

Yes. And the thing has entered you. That's why you didn't, and then demons don't go, they move in groups. So that's why when he came, he also brought a demon of academic failure.

Since you slept with that boy, don't you see that academically or not? Sometimes he's steady and he goes here and flies out. You are struggling. Yes. You've got a spirit. But it gets broken when you become born again.

So those of you who are not born again, I pity you. Yes. And you have a girlfriend too. Oh, I feel sorry for you. Yeah.

[23 : 01] I feel sorry for you. You have a boyfriend. Meanwhile, his father is a Buddhist. Demons come in. I think one day I have to teach on demonology. I have to teach on how demons get into people.

Yeah. Any hole in your body can be accessed. Yeah. Yeah. It is what it is. The ear gates, there are things you keep hearing, you can be possessed.

Especially music. Certain music, if you keep listening to it. How many of you have listened to some rough music around and you fell asleep and it didn't disturb your spirit.

It was playing. You couldn't have to wake up. What's happening? Sometimes you are watching music video. Maybe you are watching something, the music video playing, you fall asleep. One of the things you have to know is sometimes you can be asleep but your spirit is awake.

Yes. It's in the Bible. Songs of Solomon. Songs of Solomon 5 verse 2. It says, I sleep but my heart is awake. Yeah. That's why when you are asleep, your boundaries, your defense system is down.

[24 : 15] That's why you have to be careful what you are listening when you are asleep or what is playing because you are asleep but still you are subconscious you are picking signals but the gates the defenses are down because you are asleep.

It's more dangerous to a child especially when there's a baby in the house and he's sleeping with all these things playing music, wrong music, wrong music, wrong music, wrong movies.

you are transferring spirits into the child. Yeah. Transferring spirits. So some of you maybe, I don't know, maybe they used to watch it when you were a child and you were asleep and that's why it has landed you in the it's a spirit.

It's a spirit. Some of you know I'm talking to you. But I'm not against you.

I'm here to help you. When an unclean spirit goes out of him and goes through dry places seeking rest and finding none, he says, I will return to my house from which I came.

[25 : 32] So that means that if he hasn't gone out, he's still there. Some of you, there's a spirit still there. Yes. How do you know there's a spirit there?

The way when people are even preaching, you can't look at their face. Yes, sometimes it's irritating. So sometimes when we are doing deliverance, when we are ministering deliverance to somebody, we say, look at me, look at me, receive it, because the eye gates.

The eye gates. It's important. So sometimes when I'm teaching, the way people react, it helps me to know potentially what kind of spirits are operating.

There's a demonic invasion in that person's life. Praise God. So it's very interesting and you have to know these things.

When the spirit leaves a man, he says, it's my house. so all along when he says, all along when the spirit is living there, it's territorialized the place.

[26 : 44] I'm not going. Yesterday I was praying for one lady. The ashes were even scared. Exorcism.

We can cast out devils. We are not necessarily in exorcism, practicing exorcism, but we cast out devils. Because Jesus said, these are the signs that will follow those who believe in me. In Mark chapter 16 verse 16 and 17, verse 17 says that they shall, these are the signs that will follow those who believe in me.

The first one said, in my name they shall do what? Cast out demons. Yeah. It's a normal part of. So in Acts chapter 16 verse 16, Paul, he was gripped in his spirit.

Because this devil, demon, possessed girl. And now it happened. As we went to pray, a certain slave girl possessed with a spirit of divinity. See, I told you there are different types of spirits. Her own is not a spirit of fornication.

Her own is not a spirit of masturbation. Not a spirit of pornography. Not a spirit of jealousy. Some girls have the spirit of jealousy. Some guys have it. Can you imagine you go and marry a lady who has a spirit of jealousy?

[27 : 59] So her own is the spirit of divination. The girl met us who brought her master's much profit through fortune telling.

So fortune telling is there's a spirit behind it. So when you go and see somebody like the palm reader, okay, some of you have gone, that's where you got those demons from.

Satan doesn't give free lunch. He will always give you in exchange for something. So you go to the devil and say, I'm depressed and I want this guy who doesn't want me, I want him to come back to my life.

They say, no problem, pay and then we'll do it for you. Then they give you some whatever to follow and you do it. The guy will come back. But they relieve you from that guyness and now they give you a spirit, maybe a spirit of cancer, a spirit of childlessness or a spirit of acute jealousy or anger.

You will know. The spirits they can hide for a long time. They can hide. They can hide for a long time, for years.

[29 : 16] Yeah. What makes spirits? leave. It's when the strong preaching of God's word. So that's why some of you, you don't have any business absenting yourself from church and when the word of God is being preached.

And some of us, the best thing you can be doing for your destiny is constantly keep listening to preaching messages. So Paul saw the verse 17 says that and the girl followed Paul and was kind of saying these are the servants of the most.

I go. Was it not true? It's true. But that's the palm reader. That's the fortune teller. It's the spirit of divination. It's different from division. Divination is that divine, they divine, they chant and see things and they say it.

They see things and they say it. So if you have been telling me, every time I have a dream, it comes to you. Even when you are not born again and when you are missing, every time, maybe a spirit is having an appetite to stay inside you. And so he was telling the truth from a wrong source.

So Paul was vexed in his spirit, verse 18, and he did this for many, but Paul greatly annoyed, turned and said to the spirit, not to the girl. He knew there's a spirit away.

[30 : 35] He said to the spirit, I can mark you in the name of Jesus, God, come out of me. He's free to go and die. The girl was fine now. She couldn't see in the gate.

She couldn't do palm reading again. And the masters realized they've lost money. They said, Paul, we are going to attack you. Yeah. Yeah. We have what it takes to cast out.

He said, these are the signs that are following. In my name, they will cast out demons. If you, let's say there's a spirit of migraine, or a spirit of bad health challenges, or extreme skin attacks, and then you go to a spiritist or a spiritualist, they can cure you, but they'll give you something bigger later.

So there's always a swap. There's always a swap. You won't know until later you begin to see the traits and the signs. Because you can't see the spirits.

And microscopes and telescopes don't see spirits. So they can do all kinds of checks, medical checks, everything. They won't see the spirits. Yes.

[31 : 52] So those of you think you are enjoying your life fornicating, you are punishing your future. You are sinning against your body. Your body will be crying.

Ow! You have worried me. You have troubled me. Ow! Ow! So it takes the church and it says that when a spirit and unclean spirit leaves a man, I don't know why I'm teaching this.

Normally I don't teach these things. I don't normally teach it. But it's the truth. Anybody who tells you that he understands spiritual things and tells you demons are not real, he doesn't understand spiritual.

Even Jesus spoke a lot about demons and cast them out. So demons are part of humanity. Evil spirits. So when a spirit leaves a person, they can leave.

Sometimes as you are listening to preaching, something is leaving you. In Luke chapter 4 verse 32, 33, he was teaching in Kapano in the synagogue.

[32 : 53] It was verse 33. And then in the synagogue there was a man who had a spirit of unclean demon. this one, the demon said unclean demon.

Demons are usually unclean but I should tell you the severity. The man had a spirit of unclean demon and he cried out with a loud voice.

Jesus was teaching him. Sometimes, nowadays you might not see people cry in the meetings but they cry online. It's a demonic reaction.

Oh yeah. It's demonic reaction. Because only demons that don't like clean things of God. When you look at what God is doing in Kairos, it's so clean.

It's only devils that will react negatively. Oh yes. Demonic reaction. They react.

[33 : 56] I've been to places I'm preaching and someone. command that spirit. No! Right now, I rebuke that. And sometimes some people like the spirit.

So you can't cast out spirit out of people when they like it. It's like witchcraft. When they don't like it. So some people have their demons and they say I was born like that.

Yes. You can't have them. There are times Jesus ask somebody, will you be made whole? Do you want to be made whole? The blind man, the blind man who was crying, Jesus, John chapter five, when he saw him lying there, yes, and he has been in this condition for a long time.

Do you want to be made whole? There are some people, they have been in a condition for a long time, but they don't want to be made whole. Many years ago, we went, we were preaching in town, marketplace, preaching, and this man who has been begging for arms, he was crippled, lame in his feet, and we decided that this is Acts chapter three scenario.

Me and my friend, we started praying for him, we prayed for him, and then Peter, when you look at the text very carefully, the Bible says that, and Peter said, silver and gold have I not, such as I have, give I thee. But in Acts chapter 14, Paul, in the verse 9 or 8, Paul saw the guy had faith to be healed, said to the man, get up.

[35 : 16] So Paul said, look at the verse 10, he said to the man with a loud voice, stand up on your feet, and he leaped and walked. So there was no physical contact.

But in the case of Peter and John in Acts chapter three, verse 6, they said, silver and gold have I not, such as I have, give I thee, the name of Jesus, rise up and walk. He was still sitting there.

Look at the next verse. Then Peter, lifted him up. So we said, okay, let's do the same thing for the guy. There are times you have to lift him up.

There are times you have to just speak. But in our case, we felt like it's time to lift this man up. And so some of my friends stood on the right wheel. In the name of Jesus, in the marketplace, we were busy praying for the sake.

And we helped him raise him. Raise him. And we know he will walk. We will walk in the name of Jesus. Later my friend said, my friend, look at the guy. He didn't want to walk because he was making a lot of money begging.

[36 : 18] If he walks, he's going to work. And life was so comfortable. He was raking in so much. Why should he stop?

So he folded his leg. We are lifting him. We are praying. Only to realize that the guy was not ready to walk. There are some people they will tell you I like the way I am.

When someone says I was born like that, he's telling you leave me with the devils. Nobody was born to be a certain way. When someone is born and their eye cannot see properly, was he not born like that?

Do we leave him? We have to take the person to search you or something to help him see. So people can be born with defects, but even that there are devils behind it.

In Matthew chapter 20, no, 17, yeah, Matthew 17, 21, not 20, verse 19 or something, the man came to Jesus, he says that I have my child, a devil has been troubling him and always casting him into fire and wants to destroy his life.

[37 : 34] But if you have compassion on us, okay, sorry, Mark chapter 9 rather, it's Mark chapter 9. It's Matthew 2, okay, okay, put it there, leave it, verse 17, Matthew verse 15, have mercy on her, for an orphan falls into the fire and orphan into water, the next verse, verse 16, so I asked your disciples to hear him, they couldn't hear him, and then what happened?

Jesus said, faithless generation, how long shall I bear with you, bring me the child, look at what happened, and Jesus rebuked, and Jesus rebuked the demon, conversion, demon of conversion epilepsy, rebuked the demon, and it came out of him, and the child was cured from that very hour, cured, from that very hour was cured.

Another, another, in Mark, chapter 11, from verse 21, no, Mark 9, I'm sorry, Mark 9, 21, it's Mark 9, that's the one I think I was trying to get to, so he asked the father, how long has this, okay, let's go to 20, so that you can see that, then they brought him, they brought to him, they brought him to him, let's go to 19, I hope you are okay with it, this is the same story, oh, fadeline generation, the man shall have been bringing my child, how long shall I bear with you, verse 18, maybe verse 18 will help me, verse 17, okay, 17, let's go, we keep going back, back, back, back, back, then one of the crowd, one of the crowd answered and said, teacher, I brought you my son, who has a mute spirit, do you know what a mute spirit is, mute, when you mute your sound, TV, can't speak, is it not medical condition, yes, it is, but there's a spirit behind it, and then he said, and then it's not only a mute talk, and whenever he sees him, he throws him down, he foams at the mouth, gnashes his teeth, and becomes rigid, so I spoke to your disciples that they should cast it out, but they couldn't do it, hey, that also tells you something, there are powers and there are levels, and the next verse, and I said, how long will I be with you, faith legend, let's go to the next verse, and they brought him to Jesus, and when the boy saw Jesus, immediately the spirit convulsed, convulsed him, and he fell on the ground, and wallowed, foaming, he was okay to see

Jesus, you may think he's a spiritual prophecy, no, let me show you, anytime, see the way we are sitting quietly, we are listening, if someone gets up, it's not anointing, it's a spirit of distraction, disruption, it's a spirit of disruption, so maybe I'm teaching something very sensitive, to distract us, so such a person, we might have to cry the person out quickly, and let prayer warriors go and pray for him, because what we are teaching them, are you learning something at all?

So, as soon as I saw Jesus, the spirit started reacting again, because they know Jesus, they know Jesus, the spirit was reacting, and he fell on the ground, and was, and wallowed, forming up the map, the next verse, so he asked the father, how long has this been happening to him?

[41 : 14] He said, from child, did you see that? From childhood, truth, yeah, when you are a child, you are most vulnerable, I want to release a secret to you, some of you, you can use it to help your whole life, don't allow anybody at all to be handling your child, when you have one, and you have your child, with your husband and wife, yeah, at the right time, just, just information, just, you can choose to work with this guy, you can, so, spirits come through different means, some people, you never knew, that's why you don't have to take church lightly, because some things were inputted, inputted, some input was made into you, download, when you were a child, yeah, when you were a child, and the woman who used to take care of you, your mother used to go to work, and the woman used to do drugs, and smoke in the room, and the room is so charged with spirit, demonic fumes, and when you were nine years so you started smoking, yes, you started smoking, started smoking, some people who, when people are abused, when they are sexually abused, when they are children, it affects them, it's a spirit, that's why anyone who abuses a child, it's a very bad thing, because they introduce spirits into their child, yes, are you getting what I'm saying?

and sometimes, demonic reactions show, when the word of God is being taught, it irritates you, some people they can't stand, you have to go out, go to the toilet, and go and spend 30 minutes there, reactions, reactions, it's called demonic reactions, they react to something happening, so as soon as, the child saw Jesus, it's the child who saw Jesus, but the demon started reacting, because they are using the child's eyes, to saw Jesus, immediately, through the body, and then what happened, verse 21, so he asked his father, how is their child, verse 22, says that, the child said, the father said, this was trying to destroy my child, yeah, but if you can do anything, help us, what, the reason why

I sometimes talk the way I talk is, there are people, you have come to sit here, you are not far from this kind of state, spiritually, your life is at stake, you need help, you are walking around like, you are Mr.

London, Mr. Mr. UK, you are walking around Miss Welt, Miss Welt, Miss Welt, meanwhile, your life doesn't have peace, and it's still silver and gold, but there's such as I have that can change your story, that's why I talk the way I talk, I know, I know what I'm talking about, we deal with spirits, because we are godly people, we have the word of God in us, we deal with spirits, say if you can do something, please help us, almost every day I'm dealing with different issues, so the point I'm making is that you have to be very careful how you expose yourself to demonic influences, and I'm believing what you're saying, do I care?

That's not even my topic, so do I care? Live your life. Go on, go on. I have been doing this for over 30 years, and I've seen experiences, and I've seen people's lives transform, and one of the most powerful evidence of the resurrection of Christ is the transformation of lives.

[45 : 12] The accusers of Jesus could not produce the dead body of Jesus, even though they say we don't want to be living, and it's not like it happened 28 years ago, it just happened weeks ago, and the people are now saying that he's alive, he's resurrected, and they were being in prison for that, why won't the authorities go and produce the dead body?

They couldn't produce the dead body, but unfortunately the believers couldn't also produce the living body, because the life body of Jesus Christ, you don't need to see it, he manifests through us.

He's manifest through us. So one of the evidence of the power of the resurrection is changed life. When you look at how your life used to be before you came to Christ, and how your life has turned around, one of the things I never stopped getting regularly, messages or letters or notes, I keep receiving, thank you, you've changed my life, you've changed my pastor, you don't know how much, people say that I could feel the intensity of what they are trying to communicate, even though I don't know, I don't know their extent, because they know where they are coming from, you know, I said, pastor, you don't know how you've changed my life, I am so grateful to God for your life, so no wonder there will be a reaction online by demon-possessed people, I've changed my life, the power of the gospel changes lives, how many of you have noticed a change in your life since you started listening?

The power of the gospel is transformative, transforms, not just reforms, there's a difference between reformation and transformation, transport, transport, trans, to move from one state to the other, so the gospel is transforming, transforming, it transforms people, radical change, then the worldly people who are negative say, you have been brainwashed, you have also become like, yeah, because they don't see, they don't see what we see, they don't know what, some of you have explained why your cousin's life is like that, it's because she's demon-possessed, he's demon, he's so straight, but how can you explain it to him?

how can you explain it to your auntie? They can't understand, but you know what is going on, and demon possession, when we are dealing with it, sometimes, it's not, you don't deal with it, you are somewhere praying for somebody who doesn't want to be set free, when you pray for the person, God will order their steps into an anointed environment, because it says that it is the anointing that breaks the yoke, Isaiah chapter 20, 10 verse 27, the anointing, it shall come to pass on that day, that the burden, his burden will be taken away from your shoulders, and his yoke shall from your neck, and the yoke will be destroyed, why?

[48 : 21] Because of the anointing oil, okay, King James, the yoke shall be destroyed because of the anointing, he says that the spirit of the Lord is upon me, for he has anointed me, to do what?

Verse 18, Luke chapter 4, anointed me, because he has anointed me to preach, what I'm doing takes an anointing, to my two, he has sent me to heal the brokenhearted, said, yes, say, preach the gospel, to heal the brokenhearted, to proclaim liberty, give me King James, I prefer King James, to proclaim liberty, to preach deliverance to the captives, we preach deliverance, because I know, as I'm preaching, somebody's being set free, it's not every addiction that breaks because they lay hands on you, some addictions break because of who you keep listening to, the anointed nature, you are listening to anointed words that break the hold of the power of the devil over your life, these things are real, it's real, addiction is demonic control, addicted to gambling, addicted to alcohol, at your age, you have to drink alcohol every day before you can be normal, it's demonic, it's demonic, and it's ruining your, what is,

I see, what is sad about addiction is it's ruining your life, you know your life is on the downward spiral and you can't do it, you are not in control, you always say I won't do it again, but you do even, you end up even doing it more, I don't want to do it again, but you are a slave, it's like your hands are in a calf, and you are in, oh no, I don't want to go, but you don't have a choice, you need anointing, you need an encounter with an anointed vessel, to break the yoke off your shoulders, yes, the yoke must be destroyed, a yoke, for your, I think, get me a symbol of a yoke, two animals, sometimes, two animals, ox, maybe they are plowing, in the past, and then they will put a timber on their shoulder, and then they will have to be, then they hit them, and then they are pulling the thing, that wooden structure on them is the yoke, because you can't even turn, you are not free, that's the yoke, people are sitting here, and there's a yoke on your life, and science cannot show you this, it's only those of us who deal with spiritual matters who know these things, how can

Jesus be preaching and the spirit in somebody say, leave us alone, leave us alone, you will be sure, you didn't know that that was existing, yoke, put it on the screen again, some people here, in the spirit, that yoke, this is what is called a yoke, and you think yours is just smoking, why is it that you can't stop, oh you know, when I want to stop, I will stop, since when you start saying that, you've been saying it for a long time, and still you can't stop, sometimes that deception is certainly deceiving you to make you think you are still in control, you are in control, oh that girl, if I want to stop sleeping, I will stop it, that guy, if I want, I dare you stop and see, try and stop and see, you can't, you can't, you can't, because you are yoked, it's a yoke, and the only thing that destroys yoke is the anointing, the anointing, it's a yoke, the yoke shall be not broken, it shall be destroyed, so he said, he has anointed me to preach deliverance to those who are in captivity, you have been held captive, you have been held bound, you are not free, but there's an anointing, so Jesus says, if I by the finger of

God cast out devils, then, Luke 11, 20, then the kingdom of God is in your midst, yes, it has come upon you, that when the kingdom of God comes, demons begin to go back, one day they came and accused Jesus that he's casting out devils by chief devil, called Beelzebub, Beelzebub, so in the Jewish community, they are very much aware of the existence and practices of demons, Beelzebub, I think Mark chapter 12 or so, said he cast out devils by Beelzebub, Luke chapter 11, alright, let's take that one, but there's another one, Mark chapter 12, some of them said that he cast out demons by Beelzebub, the ruler, so who said Beelzebub is senior demon, so watch this, watch this, so that's why I tell you, you go to someone who meddles in the occult, because you have not been feeling well, or you've been having nightmares, nightmares, or your house feels haunted, and you go and call them, and they come and burn incense, those of you who have been burning incense, the Mararaj, comes, huh, sage, sage, sage, what sage, oh, sage, okay, alright, okay, sage, so, sometimes, these things can expose you, to, there's a difference between demon possession, and demonization,

[54 : 08] I'm not, this number that I'm supposed to be teaching, but, I feel, I feel somebody's being delivered to them, especially, when you keep listening to you, one of the spirits that must break off you, is the spirit of sexual, lack of sexual control, you know, when you are in church, you don't want people to know your struggles, because church people don't have proper understanding, so when they see your struggle, they feel like you are bad, no, no, it's not that, a pastor who is matured, has a way of accommodating people's struggles, and helping them out, by the power of God's word, and prayer, because we can pray deliverance from you, and break it, but if we don't teach you how to stay safe, you can be saved, and still not safe, so it's necessary, so what I'm doing is more important than just praying for you, it is what you don't know, that the enemy uses against you, so for we are not ignorant of his devices, let Satan will have an advantage over us, 2 Corinthians,

I think, chapter 2, verse 11, or chapter 11, verse, something, we are not ignorant of his devices, let's chapter 2, verse 11, let Satan who have, should take advantage of us, it's what you don't know that is using against you, Bible says in Hosea 4, my people perish for lack of, God's people, it's God's people, but they are destroyed, why?

Because of what they don't know, that's why don't waste your time going to a church where they won't teach you, when you are not taught, you are more vulnerable, that's why I came, we have to sit down for me to teach some things, Bible says in Mark that one day he saw the multitude, I think Mark something, 30, and he had compassion on them, in the book of, I like the Mark version, he said that he was, and he saw the multitude, and he had compassion on them, Bible says in verse 36 or something, he says that, 34, yeah, that's the one I'm looking for, and Jesus when he has come out, saw a great multitude, and was moved with compassion because they were like a sheep, they were like sheep without not having a shepherd, and he began to do what?

Teach them, he taught, he fell so strong for them, he said, the way I can help these guys is just to teach them, Jesus puts it this way, blessed are your ears, for what they hear, Matthew 13, 17, if you see this, he said, Matthew, he said that, for prophets, verse 16, also, Matthew 13, 16, what does it say?

Blessed are your eyes, for they see, your ears, for they, look at the next verse, even prophet, as sure as they say unto you, many prophets and righteous men decide to see what you see, and do not see it, and to hear what you hear, and do not hear it, you are blessed based on what you are hearing and seeing, he said, even though I allow you to be afflicted, one thing I will not do against you, in the book of Isaiah, he says that, your teachers shall not be obscured, your teachers will be available, God said, I will make sure even in your time when I'm punishing you, because of your disobedience, he said that, although the Lord gave you the bread of adversity, and water of affliction, yet your teachers will not be removed into a corner anymore, but your eyes shall see your teachers, I see my teachers, I see my teachers, I see my teachers, I see my blessing starts with the teacher you are seeing, they were like sheep without shepherd, and he began to teach them, he began to teach them, he began to teach them, he began to teach them, one of the things that show a failing pastor is when people who sit under his ministry don't know, they know how to

[58 : 30] I don't have time for that, I will teach the devil out of you, he said, he has anointed me to preach deliverance, you can preach it, people will be delivered, as you are preaching, people will be delivered, yeah, sexual perversion is a demon, if you have sexual feelings for the wrong person, it's demonic, it's a demon sitting on your neck, joke, how do you have sexual feelings for your cousin, and you are so, I can't do it, I really want him, I really want, how do you have sexual desire for your sister or your mother, so, and demon possession are in ranges, yes, no, no,

I'm just teaching you, we are in church, so I'm just teaching you spiritual things, Satan is called the ruler of the power of the air, Ephesians chapter 2 verse 2, he's the ruler, he says, he's the ruler, he says that he's the prince, the same as ruler, archegos, he's the prince of the power of the air, yes, Satan, the spirit that is not at work in the sense of disobedience, we used to be under their control, but when you come under their control of God's word, and in Christ, Satan cannot control you.

Yes, so please, I know you like sex, but certain directions are access for demons.

Bible says, do not give Satan a footstool, Ephesians chapter 4 verse 27, is that don't give the devil a footstool, so you can allow him access.

Neither give place to the devil, and I think NIV is the word footstool, where he can put his feet, you're giving him access. Footstool, don't give the devil, and do not give the devil a footstool in your life, in your marriage, in your career, in your social life, don't give him a footstool, because you see, you might think that this is just once, but it opens the floodgates of demonic influences.

[61 : 15] Today, I think I need to lay hands for deliverance. Some people are possessed, some people have been demon, a Christian really, when you are really born again, you cannot be possessed by a devil, but you can be demon influenced, demonized.

Your taste has been demon influenced. Yeah. Your taste has been demon, oh man of God, your taste has been influenced by demons.

how come the only thing you feel for is beer every morning? Vodka, sometimes you are there you feel vodka, vodka, vodka.

And some of you, you are young enough, if we don't believe God to break the hold, you will grow, because it doesn't leave you, demons don't leave, they have to be cast out. demons, that's why he said this is my house.

It's my house, he sees it as a house. Then your girlfriend becomes his annex. Oh yes, yeah. He said, I'll go and then he says, when he finds a way, I will return to my house, from which I came.

[62 : 41] And then when he comes and he realizes that you are not listening to God's word, when he comes and realizes that you have not filled yourself with Godly things, but the place is clean, there's no inhabitants.

He says, ah, sister party, sister revival, ah, I'm coming back. I'm coming back. I'm coming back.

So, so, so, he said, I'm coming back. And, he says, I'm going to, I can't go alone.

So, then he goes and takes within, serving others. Watch, watch this, watch this. This word, this word. What's that word?

What's the word? What's the phrase? More. More. So, there are ranges. Ranges.

[63 : 46] You might be, you might have a spirit of anger and aggression, but somebody's own is more angry.

So, then sometimes, as you, as you build on it, it ends up in complete, total ruin. So, people go to prison because they are possessed, but the Lord doesn't make room for possession unless it's mental health.

And mental health, many mental health issues are demon possession. Yeah. Demon. Some of you, if you know there's mental health in your bloodline, just stay in church faithful. Don't be messing up sexually.

Because, see, sex has a way of opening the door. It's the widest door you can open into your life. Spiritual door. So, before you open the doorway below, make sure all safety checks have been carried out.

And there are angels on guard. So, they block wrong entry. But if you're not dealing with angels in the name of God, and you're allowing, you're operating outside the rules of God, and the boundaries of God, then you've opened up yourself for demonic rush.

[65 : 02] they flood in. And Jesus saw a man, and the man was making noise. As soon as he crossed to the other side, I think Mark chapter 5, which is Luke, when Jesus said, let's go to the other side, so they crossed, Luke, I prefer the Luke version, they crossed, and when they got to the other side, Bible said there was a man in the tomb, at a cemetery, he has been cutting himself, self-harm, is demonic, is demonic, cut himself, his own is the one, than the normal ones which is abnormal.

Okay, you can just give us the Mark version. It is after the cross, Jesus said, let's cross to the other side, and Luke 8, then they sailed, that's it, to the Gadarenes, which was opposite, and when he stepped out of the land, they met him, a certain man from the city, who had demons for a long time.

He had demons for a long time. Is it possible your ex, the one you are sleeping with, had demons for a long time, and many of them have invaded you already, for a long time, and when, and when he wore no, sorry, and he wore no clothes, that's his own.

The less a person wear, the more it's reflecting, a reflective of some activities, yeah, dark activities, the more it's reflected, because they take away shame.

Evil spirits make you not ashamed of the things you should be ashamed of. Yeah. So, the man wore no clothes, no, did he live in a house, but in the tombs?

[67 : 04] Yeah, that's, that's, that's, that's, in our modern day, we say it's a mental health problem. Have to take him, inject him, treat him, and he couldn't, look at the next verse, he says that, and when he saw Jesus, he cried, he just didn't say anything, he cried and fell before himself, with the love for him, said, what have, what have I got to do with you, Jesus, son of the most high, I beg you, do not torment me, because every now and then the devil comes, when they take him home, they even chain him, he would rip the chains off, but look at verse 29, quickly please, 29, for he had, Jesus had commanded, okay, Jesus had commanded the unclean spirit to come out of the man, what do you do to unclean spirits?

Command him to come out, for it had been, it had often seized him, and he was kept under guard, bound with chains and shackles, and he broke the bounds, and was driven by the demon into the girlfriend's house, yeah, demons can drive you into places, yeah, wow, dead, hey, guy, I'm just around your area, what are you doing here, oh, I just came to buy bread, what, you have to travel for one mile to come and buy bread, driven by demons, some of you, listen, if you feel very irritated, you feel like leaving, demons are driving you,

I feel like going, I don't, it's my time, demons are driving you, sometimes you're coming to church, someone can come to sit down and get out and go, yeah, the demon drives him, so sometimes when someone says, oh, I want us to go out, let's just go somewhere and eat, you have to check, maybe he's being driven, because when the suggestions the person is bringing, you know that these things normally don't leave me safe, and how come that the very time you did, in fact, you made your mind that birthday from tomorrow you are going to do five days fasting, every day you are going to fast, then your cousin said, ah, today is my birthday and I want to go out and splash at the shot, 10 a.m., I've already booked a table at Hakkasan, your name is on it, the person doesn't mean evil, but it's possible they are being driven, being driven for your heart, being driven, they don't even know, but something is driving them, it's not everybody you hang around,

Satan can have access, access, some people, they are not worth listening to, don't listen to what they are talking about, yeah, the people who are always attacking churches, most of them are demon influenced, yeah, but they talk in a way that can be very convincing, Satan wouldn't have managed to get man to fall if he didn't sound convincing, Bible says that he believed that that guy spoke so articulately, and he knew what he was talking about, he gave pointers, you see, this is what I'm saying, you don't know, I'm trying to help you, you don't know, God has sent me to help you, thank you, thank you, thank you, thank you, because Satan himself presents himself as an angel of light, oh my God, 2 Corinthians chapter, I think 2 verse 14, Satan presents himself, he says that, 11 verse 14, no wonder for

Satan himself transforms himself into an angel of light, so you might think that it's good I'm listening to, check the contents and check the fruits, after you listen to this people, what, have they made you, put you on fire for Jesus, haven't you started messaging your ex, haven't you started watching porn more now, since you started listening to that person, since you started listening to Pastor David, haven't you started feeling uncomfortable when you watch porn, didn't you break up with your boyfriend because you came to hear Pastor David, you came to church with your girlfriend, but when you finished, she has made up her mind, no we can't be, Bible says that false brethren secretly crept in amongst us, they crept in surreptitiously, clandestinely, secretly, they crept in to spy on our liberties in Christ,

[72 : 10] Galatians chapter, I think two verse, 12 somewhere, the verse four rather, yeah, and this, this occurred because, because of false brethren, they look like they are brothers, but they are false, everything I'm saying, they have a different satanic version, different version, why he said don't forget but what if, what if what, what if what, what if what, false brethren, they are, they do the dirty job for the devil, he said, the man's enemies shall be those from within, false brethren, who secretly brought, wait please, False brethren secretly brought in.

Who came in by stealth to spy out our liberty which we have in Christ Jesus. That they might bring us into bondage.

False brethren. They sneaked in by. So they are also speaking tongues by their false brethren. Listen to their comments they pass after church.

Listen to how they interpreted what happened at the rehearsal when you were not there. And they were telling, listen to the way they said it.

When you talk to others, others say, oh, but he didn't mean it like that. Why is she interpreting like this? Their interpretation of events are spin with demonic change to bring division.

[73 : 48] Satan has agents. Ask somebody, are you one? Sit down, let me finish.

Sit down. He came to the synagogue. And there was a woman.

In Luke chapter 13 from verse 11. She couldn't straighten up. She was bowed. Her medical, it's a medical condition. For 18 years she was always like this.

In the synagogue. The Bible said she was bent. Behold, there was a woman who had the spirit. See? What? It's the spirit of infirmity.

For how long? 18 years. Wow. She had the spirit. So you think it's just a mere medical condition. It was a spiritual situation.

[74 : 57] She had the spirit of infirmity. 18 years. And was bent over and could in no way raise herself up. She was like this.

When Jesus saw her. But when Jesus saw her, he called her to him. And said, woman, be loose from your infirmity. And straight away, she was made well.

And he laid hands on her. And immediately, she was made straight and glorified God. Watch this. Pastor, it doesn't say it's a demon. It's a spirit of infirmity.

But just to make it even clearer for you. And the Pharisees were upset. Why are you healing somebody on a Sabbath day? They have a problem. They have a problem. They have a problem. They are asking why I heal somebody on a Sabbath day.

Sabbath day? And Jesus said, can I actually ask you a question? He hypocrites. Which of you, if you have an ox or a donkey? And he falls. He said, hypocrite.

[75 : 57] Do not each of you on a Sabbath day lose your ox or donkey from the store and lead? Because the donkey doesn't know Sabbath day. The belly has to eat. But you lose the donkey to go and eat.

Because you don't want the donkey to die. You don't want the donkey to be bound and suffer. Say, you hypocrite. You even think about donkeys. How? He said, shall not this woman also? Look at that.

Ask not this woman. Being a daughter of a... Whom? Satan has power. Whom? Satan has power. You see, there's a spirit behind it. Demon. Satan was the one behind it.

What? Satan. But it takes a spiritual eye to be able to know that Satan is behind this. Somebody comes to tell me, Pastor, I want to marry this girl. And I'm hearing like, whoa.

This guy is driven by a spirit who likes this girl. A girl can come to pass. I want to marry this guy. I feel, whoa. Oh my goodness. The spirit is driving this girl to destroy her future.

[76 : 59] You want to marry this person? May God open your spiritual eyes. May God give you discernment. May God ■ the itinerant Jewish exorcists. Give me King James. I prefer King James, please.

Yes. Vagabond Jews. They do whatever they want to do. Vagabond girl.

Vagabond boy. Don't marry a vagabond. Don't date a vagabond. Your future will be out of date. Vagabond Jews took upon themselves to call over them which had evil.

They knew people had evil spirits. And they realized that the name of Jesus works. So they also took upon themselves to be calling the name of Jesus on people who have evil spirits. Saying we adjoin you. We adjoin you by Jesus whom Pastor David is preaching.

Come out of that. And the Bible says 14 tells a bit about them. And there were seven sons of one skiver.

[78 : 39] Yes. A Jew. A chief of the priests. So their father was chief of the priests. Yeah. The fact that your father has been in church a long time.

Your mother is a prophet. It doesn't mean you can just be going around and doing what we are doing. call on. And then look at what the demon said.

Demons can't speak up. Demons can't speak through people. Yes. Demons, they can't speak through people. Sometimes someone will tell you something. You look at you and say, you are a useless guy.

You will never achieve anything like that. A demon might be talking. Yeah. Who will marry you? Nobody will marry you. A demon might be talking. You must be able to rebuke that spirit.

If you are dealing with some people, sometimes leave it by rebuke it. Reject it in your spirit. And reject it. And begin to confess the word of God. Don't be silent when people speak negative things. Speak back. If you can't speak it to them because maybe it's your teacher.

[79 : 35] Maybe it's your mother. Maybe it's your father. You know, you can't speak back. Because it might be tantamount to disrespect. So if your dad says you are so useless, you can't say, I rebuke that.

If you have a good relation with him, then you can say, dad, that's not a good thing to say, dad, I reject that. In a nice way. One day, your mother was so upset because she said you are going to church and she didn't want you to go because she wanted you to follow her to the mosque or to that.

Say, I'll go. He said, you, you disobey me. You will suffer things when we know what we do. Say, mom, please don't say that. I reject that, mom, with all respect. And you have to tell, you have to tell her, I will do well and take very good care of you.

Yes. Tell her, I will be your pride. Oh, yes. I will make you proud, mom. I reject the words you spoke and I speak better one. I will make you proud.

I will make you proud. But do it in respect. He said, hey, you reject me. You reject me. Hey, my daughter said she rejects me. She didn't say she rejects.

[80 : 55] She said I reject all the words. They will call family meeting. That you today, you have been going to church. You tell me you reject me. That you, you know people can cry fake.

Yes, yes. Ah! Ah! Ah! Listen, you know this. This is supposed to be very good. I will say it will pass. It's all that.

The demon spoke through the man and the demon answered. The evil spirit answered and said, oh God, I know Jesus. Yes, you are. I know Paul. What is you?

Who are you? To come and cast me out. So demons are persons. They have intelligence. Yes. Oh. So the fact that someone is being a genius doesn't mean it's of God.

Wow. Wow. The demon said, Jesus I know Paul. I know about you. Who are you? And the demon said, I'll have to give you pity. This one man caught the serving of them and gave them a serious beating.

[81 : 56] Fuck them. Beat them. Frippied them. He prevailed. He prevailed against them. The way the spirit of God empowered something. Demons. Because look at this man. He beat seven men.

Yeah. He beat seven men. That's the demon that did it. That's why some of you, don't stay too far away from church. Because you, with your background and the demonic activities that have always prevailed in your background, they will drive you.

Don't stay away from church and from good preaching. If you are struggling with something and it looks like an addiction, please give yourself to preaching. Keep listening. Keep listening. Faith comes.

Faith comes. By hearing. And hearing. By hearing. Man must not live by bread alone because bread gives you nourishment. Bread gives you strength. So the same way, when the word of God keeps coming, it gives you nourishment. It gives you strength.

Don't go to hospital and look, look, you are fine. Look like you are fine. Go to hospital. Meanwhile, the bone in your thigh is almost gone and you are just, you are just, you are just.

[83 : 05] Because you are wearing balasiaga. When you go to the doctors, they will examine you. They will tell you take off your clothes.

Yes. When you come to church, allow the Holy Ghost to doctor you. People who don't stay long in church, most of them are driven. and some of them today you are there you are not there you are not there now you come sometimes not all the time but sometimes something is driving you your maddest devils my father's devils are real they are there and I shouldn't be stupid to think I'm a man of God so they are they are waiting looking for opportunity they don't go they hang out always come and check if the house is ready they always they will hang around till you die yeah so you don't get delivered and once and for that's it no you have to maintain your deliverance wow wow maintain your deliverance you have to come every time oh check on you thank you Jesus thank you Lord spiritual covering matters when you get upset about church remember that Satan is likely moving you out of coverage area and the easiest way can do something must offend you something the offense is legitimate you have the right to be offended by what they did by what he said but listen you don't have the right to move because Satan is after you it's your life it's your destiny it's your education there are people who finish studying they have grace but they can't get a job with their grace you go and ask that your uncle can never work with them it's not like they are dumb but for some reason when they send their CV people don't see what they are supposed to see something can spirit comes and blinds the people this man is not worth it don't take it you are entitled to your liberty he said he who the son shall set free is free ought not this woman who is the daughter of Abraham whom Satan has bound all these years not be set free on a Sabbath day he must be set free
