Preacher: David Antwi

[0 : 00] Hallelujah. We thank God you've tuned into this message by David Entry at Caris Church. No hand can help you with the fulfillment of your destiny, but the Word of God. May God's hand align you further into your destiny through this Word.

Please be seated. I want the privilege to be able to get time to lay hands because I feel the oil is strong here. These prayers are good.

As much as you can, in the interest of your own destiny, don't miss it. As much as you can, some practically it might not be possible because you have exam.

If you have exam tomorrow or Monday and you are coming for prayer meeting every evening, Monday, Tuesday, no, it's not a smart one. It's not a smart one. Learn from your phone at least a little smart.

Some people cannot make it every day because of the poor people you live with. Your mother is a very wild person.

[1 : 03] And your room is usually very dirty. So, you can't make it. Some of us, our work commitment. Sometimes you work night shifts.

So, it might not. But as much as you can, please, take advantage of this season. Because Joseph told Pharaoh that there's famine coming.

So, in the time of abundance, do the story. Store many. Store as much grain as you can. Before that, because there's great famine ahead. So, when you get times of abundance, store as much as you can.

I don't know who I'm talking to. But he that has an ear, then you hear what it is. Wait. This meeting is not based on how many people attend.

Thursday is normal. But the other prayer, it's not based on how many people attend. It's based on the command of heaven. What God is about to do and is preparing people for.

[2 : 09] That's why we come. So, somebody must. Nothing of value comes without effort. Somebody must just pay a price. Then I have to pay a price for what you want from God.

Amen. Let me share something short. And then, please, say short. Short. Can I make it short? Yeah. I want to make it short.

Yeah. I will try. Yeah. We need the Holy Spirit. Amen. Thank you, Jesus.

The... God created Adam. And according to Genesis chapter 3, Every now and then, God will come down and walk on earth in the cool of the day.

And he'll come and have interactions with Adam. Can you imagine if it's you? God will come down. Adam.

[3 : 20] And you hear God is coming. God is coming. God is coming. God is coming. And God will come. And we're walking with Adam and talking. And when God is coming, you hear the sound of his voice coming.

Sounds. So, it says, and they heard the voice of the Lord. The voice of the Lord will be walking. It's sound. That's why on the day of Pentecost, there came a sound from heaven.

And people gathered around. They stopped their job. They left everything. To come and listen to the people's... It was the sound that attracted them. Not the languages. There was something in what the people were saying that kept pulling them.

Because this sound is a heavy... Ah, it's a heavenly sound. It's a heavenly... There was some heavenly dimension in what they were hearing. They couldn't hear it and ignore it.

It was moving them towards where the sound was coming from. And they gathered over 3,000 people. They gathered. So, God would come to Adam and have interactions with Adam every time.

[4 : 25] And Adam had such an experience and exposure to God that when he fell, nothing ceased. And no human being ever experienced anything close to that.

Never. Until once upon a time, there were these fishermen. They were with their father. And you know in those days, like sometimes in some circles, if...

It's a family business. So, it's a lifestyle. Your child continues. Your grandchildren will come and great-grandchildren will come. So, most business is like generational. Now.

So, we say, it's a farming community or fishing community or trading community. It's family. So, you don't stop that trade.

Some GPs, when you go to the surgeries, you see the patels, there are plenty of them. They are always the same grandchildren and they continue. He inherited it from his grandfather.

[5 : 31] From his father. And it's like that. So, these fishermen, that is their calling in life. That was their calling. And then one day, they were doing their business and a gentleman comes to stand them.

A gentleman, they don't know. He's not working miracles. He has not done crusade. He hasn't done anything. He looks at them and he says to us, follow me. And guess what?

They left everything. They left everything and followed a stranger. Where are we going? They didn't know. What will make somebody, it wasn't just, maybe a weekend away.

It was a whole change of lifetime. Their lifetime was changing because, can you imagine, their dad would be upset. It would disrupt the family continuum.

It would destroy tradition, generations of tradition. He just comes to call, tax collector. You leave everything, leave all and follow him. What was in the voice that made these people make this decision?

[6 : 44] It wasn't the person. Now, why didn't he tell them where he was taking them to? God is always interested in you being with him than taking you somewhere.

You being with God. So, he will not tell you where we are going because where you are going is not, when it comes to God, where you are going is not as important as who is going with you.

who you are with is more important than where you are going. That's why don't let your frustration in life about what you are looking for, money, marriage, mortgage, medical opportunity, don't let those things blind you because sometimes, oh, I know, especially when it comes to the subject of marriage, a lady can be committed to church for so long believing God for marriage and sometimes it can take ages because if you come to target marriage, God will mind you because he is looking for you and you are also looking for something from his eyes.

even if you want anointing, the shortest route to the anointing is the presence.

Want his presence, not his gifts. Give me the bag and give me the oil.

[8 : 29] your name is exalted. No, sit down. In the heavens. You come to me and can I have your bag too?

Thank you. Thank you, Jesus. If you come to me and you are coming to me for water, some of you are fasting, God, give me a gift, give me a gift, give me a gift.

You might get it. But you come. If you come to me and I'm, what do you want? You say, no. This, no.

This, no. I have all this, but what do you want? You just want me. Can you imagine? Every time, let's walk. When it gets to where you need a bag, he has got his water.

I finish with him. When it gets to where you need oil, when you get to where you need extra oil, because there is so much in God you can exhaust.

[9 : 44] Don't just go to God and ask for things. This season is meant that someone will look for God himself. God, I need your presence. Moses said, if your presence doesn't go with us, don't take us from here.

Unless your presence go with me, I need your presence. Your name, please be seated. He says, all day, in the heaven, is all day.

Please be seated. If there is something you should be praying for, it's good to pray for anointing. I pray for the presence. Jesus had the presence when he saw people who didn't know him.

He said, follow me. Those two words, it was in there. You go and tell some others to follow. The presence got something to come upon them.

To the extent they left everything in their lives because their exposure exposure to Jesus who carried the presence of God made every important thing in their life lose relevance.

[10:53] So you can't advise them against their following. They, they, Adam had encounters with God apart from Adam.

No one ever had that but these 12 disciples they had they experienced what Adam experienced working with God on earth.

That's why they couldn't just live. Jesus said, would you also live? Peter said, you are the one, when you speak we find out the reason why we are alive.

Listening to you makes us find out why we are alive. Jesus said, the words that I speak unto you they are not ordinary words but they are spirits. John chapter 6 verse 63. The words I speak to you they are spirits in their life.

that is why they are not just Jesus always used to talk. He would preach to the crowd. He would talk one on one. He would speak to a few. He would speak when they were together just a few of them and every of those instances whenever he spoke they begin to realize something.

[12:00] Something was happening there's no ordinary person. Something God they are encountering God. They saw miracles. They saw miracles that no human eye has ever seen. They experience things that no human being has ever experienced on earth.

And above all when he spoke anytime he speaks something happens to them. Anytime he speaks something oh so Peter said to whom shall we go? You have the words of eternal life.

No, no that is not intellectual. That's an encounter. They encountered they encountered and they followed him everywhere. This is heaven on earth because heaven has broken loose on earth.

The present what Adam only Adam got experienced. These 12 guys also experienced it. They were walking with majesty on earth.

They were walking with the majesty the majesty they were walking with him on earth. What else can you ask them? May nothing change may it be like this.

[13:14] That's what their desire will be may it be like this. Then the last week of Jesus' life on earth he was having a conversation with them and he told them something that was very strange.

he said in John chapter 14 verse 16 that when I go I will pray the father and he will send you another say another.

I've taught this before but for the sake of people who are not familiar or they have not listened to the message another is alos. The Greek word is alos. There are two words that are translated another alos or heteros.

Now the alos means you see Pastor Charles is sitting on a black chair and Pastor Philip is also sitting on a black chair.

Pastor Joe is also sitting on a black chair. So he's also sitting on another chair. Another chair. But when you bring the two chairs together or you go out there they bring the chairs from where they are you won't see any difference.

[14:28] Because it's the same chair but it's another one. There's no difference. Whilst there's sometimes you can have these long chairs different chairs they go and bring different swiveling chairs you can't say no that's another chair but it's not another of the same.

So another of a different kind is called heteros. Another of the same is alos. Jesus said I will send you alos comforta.

In other words this is very important. In other words the one who is coming there will not be any difference between my absence and his presence.

It's like there will not be any variation. No variation. It's the same. However you feel with me you will feel the same.

He said there will not be any difference because another comforta will come. So you know what he walked with them for three and half years he never touched them about the Holy Spirit until the last 24 hours.

[15:43] John chapter 14 15 16 is the last 24 hours of his life. The last day he spoke so much about the Holy Spirit because don't forget the words of a dying man.

A man who is about to die what he says is important. Then he tells them in chapter 16 verse 7 that is to your advantage that I go.

Come on. That is that statement is more complicated than any miracle than walking on the water. They can't imagine.

You God on earth we have seen what we feel around you. You are saying it's to our advantage that you go. In what can that be to our advantage?

Because what we have experienced with you this thing you are saying now is more confusing. You going who else? Didn't they say to who shall we go? And now you are going to leave us?

[16:52] Jesus said it's to your advantage that I go. It's to your advantage. In what way? In what way? Because if I don't go they come for time.

And he said something to them he said you know him the Holy Spirit is coming you know him. We've never seen you know him because he's been with you. John chapter 14 verse 17 and 18 he said you know him.

Verse 18 he said the world does not know him. The world cannot receive because the world neither sees him nor know him. But verse 17 you know him for he is with you and now he's going to be inside you.

He's not just now with you. He's going to enter you. Can I say something to you? How many of you have heard this song? I go back in.

I walk with God the Father, walk with God the Son, walk with God the Spirit. I get back in. That is a lower version of what Jesus was saying.

[18:03] He says it's not going to be with you. I carry God inside me. I carry heaven. It's not that I carry heaven inside me.

How is heaven going to be like? Heaven breaking loose on earth through humanity. The Holy Spirit coming into you means heaven has been introduced into your life.

Let me show you one or two scriptures. In the book of Ephesians chapter one verse 13.

Write those scriptures down. Ephesians chapter one verse 13. Ephesians chapter four verse 30.

Three zero. And second Corinthians chapter one verse 22.

And second Corinthians chapter five verse five. Very interesting. Ephesians 1 13. There's already allowed from the screen if you can please. Let's go.

[19:03] hear the word of truth. The gospel of your salvation in whom also that after you believe you were sealed.

You were what? Sealed. Wow. You were sealed? With what? The Holy Spirit of promise? Sealed. Say I'm sealed. Sealed. Sealed means that we are God's inheritance and is sealing us. So to be sealed with the Holy Spirit means that you are God's inheritance and is securing his inheritance. But look at the next verse. The Holy Spirit which is the earnest of our inheritance. Earnest. That doesn't is not clear. give us change the version to new living American New American Standard Version.

Then from there we will go to NIV. Then from there we will go to English Standard Version. Then we will land on Amplified Version. Now look at New American who takes the Holy Spirit.

[20:21] Let's go from verse 13 again. Someone learning something. I like this. I like this. Having also believed you were sealed with him with the Holy Spirit of promise.

What about the Holy Spirit of promise? The next verse. Who is giving us a pledge of our inheritance? So when he says seal is because we are God's inheritance.

When it's a pledge is because God is our inheritance. as a pledge of our inheritance with a view to redemption of God's own possession to the praise of his glory.

Let's go to English Standard Version. Do you have ESV? In him you also when you heard the word of the gospel of salvation we sealed.

Let's go to verse 14. We sealed. Who is the guarantee? Say guarantee. What does it mean to have a guarantor? A guarantor? You haven't gone to rent a house before.

[21:34] Someone who is standing for you that if you run us away come for me. I vouch. Now guarantor is right. But let's because of time let's go to amplified.

That word earnest and the word pledge is more strong and amplified we use a word there. Let's go to verse 14 please because of the time.

That is the guarantee of our inheritance in anticipation of his full redemption and our acquiring position. There's another amplified.

What? Amplified classic. Which one is this one? The normal amplified. Do you have amplified classic?

That one uses there is a certain keyword which I think either American standard version uses or English or something.

[22:36] It's the pledge. Pledge. One of the versions uses full taste. Which is? Amisi is full taste.

Full taste of what? Of heaven. The Holy Spirit in your life is a guarantee of something that we can never finish understanding until we get to eternity.

The Holy Spirit's presence in your life is a guarantee of something you can never understand. It's something you can never finish experiencing until we get to eternity. It's eternity breaking through in your life.

Say, I carry eternity. I carry God. I carry God the Father. I carry God the Son. I am carrying all. Oh, love. It's important to understand. Those days, when you are buying a land, they used to use the word pledge.

[23 : 49] When you are buying a land from somebody, how many of you know about down payments? When you do a down payment, it means that there is, I want to, you are selling this in your chair.

this is a top chair, it's like antique. It's very important. But I don't have all the money. So I'll pay next month. But you say, no, you have to pay something, deposits.

How many of you have paid deposits before? It's like when you are buying a house, you have to pay, I think, that contract.

When you exchange contracts, you have to pay something also to show that, yeah, yeah, stamp duty. The Holy Spirit in your life, when we say he is the seal, it means that, you see, God has adopted you.

The presence of the Holy Spirit in your life is the legal documentation that shows that the transfer of adoption has gone through. It means that your adoption as the Son of God has gone through.

[25 : 00] That's the seal. Now, not just the seal, he is the earnest, he is the down payment, he is the fortest, and he is the pledge.

Those days when you are buying a land and you pay the down payment or you pay for it, they will collect soil of the land and they will send it to you.

They will bring it to you, carry it. So a piece of that soil, you have it. So later, when you now possess, take over the land, it's the same soil. It's not different from what you have, but this is not the real thing.

But just a piece, a version of it, a version of heaven is, oh my goodness. Jesus said, I have to go, so that a version of heaven, a version of heaven, a version of heaven, you are walking on earth, but you carry a version of heaven.

Never, never be tired praying for the Holy Spirit to fall afresh on you. I carry God.

[26 : 06] Ephesians chapter 4, verse 30. It says, Grieve not the Holy Spirit of God, whereby ye are sealed unto the, see the seal in there?

2 Corinthians chapter 2, verse, chapter 1, I'm sorry, verse 22. 2 Corinthians chapter 1, verse 22.

Who has also sealed us, and given, you see that all the truth have appeared here. He has also sealed us, and given us the earnest, that same guarantee, that same word, the guarantee, the earnest, the down payment, the fortez, of the Spirit, in our hearts.

We have a fortez of heaven. A fortez of heaven. Because, you cannot carry, entirety of heaven. But we have a fortez. That means that, wherever you go, you are about to introduce, how many of you know that God doesn't have a problem to, there's no fight between God and the devil?

Oh, no. God can, with one breath, clear all demons, and like that. So, God is not a matchup. So, why, why, why is it, why is the devil there?

[27 : 29] In John, Matthew chapter, or Luke chapter 4, verse 1, Bible says that, this Spirit, who is the down payment, he leads Jesus, ah, into the wilderness, before the Holy Spirit, and was led, into the, by the Spirit, what does the verse 2 say?

Being 40 days, tempted by the devil. I like the Matthew chapter 4, verse 1. Look at Matthew 4, verse 1. That is even clearer. Matthew chapter 4, verse 1. Then Jesus was led up, of the Spirit, in the wilderness.

Why? Holy Spirit, why are you doing this to me? You know, we are exercising dominion, from earth, when the Holy Spirit, comes on you.

Before we get to heaven, and it's not new. God, has allowed the devil, on earth, because, you can, deal with him. That's why, it's a book, it's a book, it's a book, it's a book, it's a book, it's a book, it's a book, it's a book, it's a book, any time God, takes you, into a battle, it means that, he has equipped you, for the victory.

Amen. He will never, take you, into a battle, he hasn't equipped you, for the victory. So Jesus, was not just going, to check and see, he has already, been equipped, for the victory.

[28 : 55] The Holy Spirit, comes on your life, and he is introducing, heaven, wherever you find yourself. Amen. When Satan, rises up, he said, if I be, a man of God.

Amen. Elijah, said, if I be, a man of God, let fire, come from heaven, because, God of a shire.

Yeah. Today's reading, if I be, a man of God, if I be, a man of God, if I be, a man of God, let fire.

Now, others were begging, for their lives. What time? I got precious. Yes. They said, let our lives, be precious, in your sight, please.

We, we are just being sent. Please, spare me, man of God. Yeah. Man of God, we honor you. In fact, the case said, I came with a seed, sir. Yeah, he was a smart man.

[30 : 09] You see, others died before you. You're going to repeat it. No, no, no, no. I won't fire that man of God. It's not necessary. It's not necessary. I want my children to live. I want my marriage to survive.

I want my health to, to be okay. I won't fire that man of God. It's not worth it. It's not worth it.

Everybody's saying, I don't, I'm not, I want to.

Fire is burning people, and you are joining them. He said, as for me, I don't, I don't, I don't problem. I'm just doing what I know I have to do. Between me and God. You will burn.

Yeah. So, so, the Holy Spirit is the down payment of major heavenly victories to come.

When God gives you the Holy Spirit, it's the down payment of anything God can do in your life and better. That's why Jesus said, I have to go, because this time, you, listen, anytime you feel like, I wish I could see Jesus, I wish I could see Jesus, that means you are living below standard as a Christian.

[31 : 23] Because, you see, when you are walking with the Holy Spirit, there's no difference. You, you can't be walking with the Holy Spirit and desire, I want to see Jesus. I wish physically, I'll be sitting, Jesus will be sitting in front of me.

Listen, you can't even say that, I can't wait to go to heaven and see Jesus. Because, you, you already have, happening itself. From when you are having, first, some people are having, blessed by quién.

some of the life cannot be the same, I tell every single person. Yeah. O'■■■ send For our and your name your name is your name is the size Please sit down.

Let me just round up so we can. Is someone learning something? 2 Corinthians 5.5. The pledge of our purchased possession.

Now he that has wroth us for the self-same thing is God. Who has given us the earnest of the Spirit. That word earnest is not somebody's name.

[33 : 04] That earnest. Give us a different translation. New King James, yes. Who has given us the Spirit as a guarantee.

See, whatever you, the entirety of heaven, the real state of heaven, there is a forest in your life.

When you see yourself getting frustrated and frustrated, that means you are living detached from the Holy Spirit. As a Christian, there shouldn't be a time where you are tired of life and frustrated.

Because you, you, it doesn't matter what is going on around you, you still live in heaven. You, you have a test of heaven in your life, around your life.

So, the Holy Spirit. You think you need money? No, it's the what?

[34 : 06] Holy Spirit. One day I was preaching. There were a lot of pastors there. And I was a speaker. And as I was preaching, I made some serious statements.

One of it is, any church, if you're a pastor and your church is lacking money, it means the Holy Ghost is not moving in the church.

Oh, yes. Why, why did Peter say, let your money perish with you? Because money was not, money has never been a problem in the move of the Holy Spirit.

Oh, yeah. Oh, yes. Oh, yes. Every church that is always going on and on. Bring money.

Money, money, money. You have to bring money. Give it to the church. If you don't give it to the church, the church will close down. Bring money. His Holy Ghost is lacking in that church. The move of the Holy Spirit has been compromising.

[35 : 13] Pastor, this thing you are saying is serious. Oh, yes. Oh, yes. Every time there is a move of the Holy Spirit. Like Peter told, Jesus called Peter and his brother, or John, the sons of Zebedee.

He said, follow me. They left their net and their father to follow a man who has never done anything. He hasn't achieved anything. He hasn't done any miracle. He hasn't done. But what is it?

What is it that made them leave all these things because they're irrelevant? It's the power of the Holy Spirit. They came into contact with something heavenly.

That they didn't struggle to give anything earthly. when you experience watch this when you experience the Holy Spirit in a place you never struggle to give there you never struggle to give there when you have actually experienced the Holy Spirit and your heart is for God the problem too is that sometimes churches are filled with too many unbelievers so unbelievers are buying the favor of the pastor buying their seats buying their relevance so unbelievers they give to make a statement yeah two days ago or recently somebody was arrested by the police or they arrested by the police for singing gospel song yeah and they said you are free to sing but you can't sing this kind of song here these songs belong to the church sing in the church yeah but later on somebody filmed it the police had to apologize but they didn't mean it like that the one where they investigated every time yeah it's telling you what is in the heart of the nation that's why we need revival that's why heaven inside you must begin to break loose must begin to speak hallelujah hallelujah how many of us are ready to be vessels of God when the Holy Spirit comes every other thing that is necessary for your assignment will just begin to fall in place sister if I were you

I would seek how to be used by God and be buried in him husband will come naturally husband will come naturally I'm telling you husband will come naturally yeah now the point I'm making is that if the Holy Spirit becomes the major factor in your life any other thing needed for the fulfillment of your destiny will come you won't have to be fighting and struggling for it that's why don't be very tired don't ever be tired of praying for the Holy Spirit to come on he is the earnest of our inheritance he is the full taste if you have tasted heaven before he said the Holy Ghost inside you he said this so why is it that people have the Holy Spirit but their minds are on other things that's why they can't experience him because they feel that this is not what I want

[38 : 45] I want something more I want something more any other thing more you can ever get from God is already loaded in your spirit you have got a loaded spirit let's pray and close how many of us want more of the Holy Spirit you want you want to have you have to come to a place where your prayer is that Lord I want to experience you more somebody asked me a question no one has ever asked me quite strong question he said pastor so when you started praying for revival what motivated you like so you went to pray and said God okay can you send revival how I said that's a very good question you've asked no one has ever asked me that question I said I never went praying looking for revival I was just desperate for God God I need you I just nothing matters again I was tired of living

I was enough enough I don't care God all I need is you I'm a dead man walking I just want you when you go for God then his assignment and what he plans to do then the gifts begin to flow one day I went I was praying fasting I didn't break my fast lying down praying praying and all day I was praying Holy Spirit I just want you I want to experience you praying all night praying and rather that was one of the days I had the wildest revelation of the beast of London I said bro I don't want anything I just want you he said you don't understand when I come I bring I come with certain experiences and when I come you know I've come because I was telling I think it was you I was telling today the Bible says that when it came to choosing of the elders of the church in Acts chapter 6 listen to this very carefully in Acts chapter 6 verse 3 they says that choose from amongst you look out from amongst you seven men of honest reports it's easy to find people who have honest reports you know them already some of you you know you won't leave your money with somebody in church other people you can't even give them your bank account details because you know you are same some people you know you won't do it honest reports it's easy to know people with honest reports after hanging around people for a while how about the second one what how can I know he's full of the Holy Ghost how can I know he's full of the Holy Ghost maybe he's well behaved that's honest reports now but that means that when people have the Holy Spirit there are things that will show that the Holy Ghost is upon this person yeah there are unique heavenly manifestations that will show that the Holy Ghost and he said look out from amongst you people who are full of the Holy Ghost you will see their works some time ago you were sold down you met them they shook your hands and suddenly you felt like going to pray more you felt revived anytime you hear them something stares in your spirit anytime you feel like backsliding you hear from them you feel like preaching every time something something keeps staring full of the Holy Ghost I was

telling one pastor I was telling one pastor in these times of prayer and fasting a revival you can easily see people who are full of the Holy Ghost as a pastor who you can use for certain important how do you know sometimes the Holy

Ghost has come and slain him and he's fallen and I want I'm standing here I can tell there's a flow and I want oil and I ask him bring the oil then he comes quickly and picks this one up but I didn't want to touch this one from the flow of the spirit but he keeps missing it he keeps when I'm throwing the Holy Ghost he keeps coming on the wrong side not that he's a bad person but you can tell there's misalignment this person is not spiritual this person is not sensitive because of the flow he's struggling and it's not one it's not two you can be able to tell that there's something something is knowing while somebody you might not even assume but I tell you realize the person has gone and brought something that how did you know that's how I was telling about that gentleman he played a chord and the thing caught me and I knew that's the direction of the

Holy Spirit it became kind of a theme song he was playing it and then I was preaching again then he played another one then you see you can't distract me when I'm captured by the but when is the spirit so I obviously I noticed that now there's something on him in this flow did you understand that don't use your experience and your gift or your talent your abilities are not necessary when it comes to the flow of the spirit is how much the Holy ghost is working in you how much you are exposed how much you are open up to the Holy Spirit you can sing by tune flow yesterday as they sang the song they sang the song it's like I felt a flow yesterday I felt things I never felt before you lay hands and you feel electric power on your body but this thing is spiritual so instead of looking for how you be seen look for how you encounter him thank you thank you sir

[44 : 44] I want the presence someone say I want the presence this is no unusual thing something is flowing that's why sometimes I can tell there are times I'm about to sing a certain song and the one playing or the one singing with me cuts me off not once cuts me off not two cuts me off and I know then I have to look who is this but I won't say anything but I know this person is genuine is flowing by his outer flow because this is spiritual there are times a sound man can pray something I know this one it must be inspired by the enemy when you are filled with the Holy Spirit it's obvious it cannot be done it is not how much you are crying it is not how you are shaking on the floor no fruits fruits how the

Holy Spirit is passing through you and creating a stair to the glory of God if there's something you need I need you to fill me Holy Spirit I need you to fill me Holy Spirit that's why sometimes as a pastor with a good heart I might see someone who might have a potential but I know there's an assignment on this gentleman's life and he hasn't encountered the grace of God as minister I need him more in the service in fact if he can step into his calling it gives us security for the future and security for them and those of you who have not been consistent not because you didn't want to but situationally when you come be eager to sit down unless something is needed and you are the one can do it be eager to sit down because when you catch something people will know that you are full of the Holy Spirit these things are very important other than that you come but sometimes

I can just tell especially those when they are praying they are watching whether I'm coming look at this one look at this one they are like mosquito repellent to mosquito they just why don't you just be authentic do your own thing seek God seek God that's why I ask you to come and sit down because you are always busy but sometimes I need you to sit down so you can have sights with the oil and sometimes as the anointed preaching is coming and you are not distracted sometimes something enters you there are times moments moments something enters you rather than that we will be with you for a long time and we don't know that you are highly disconnected and we never knew because one of the the gifts of the charismatic churches church is it's easy to go through the motion when we are praying you can't even sweat but you are not in line you are not in flow because you can sweat and when it really shifted

I don't I don't understand how someone can come and after church nothing has changed he's going back the same way no convictions the Holy God when he comes he brings us direction first of all he's the comforter right but he'll make you uncomfortable first oh yes he'll first of all make you uncomfortable when the Holy God is really moving it creates some discomfort it creates discomfort in your equilibrium in the way you are doing your trajectory suddenly a young decent quiet lady is screaming and shaking and weak is falling yeah Holy Ghost will just create a stay and some of you are standing on side you will be uncomfortable a little before her oh look at her her look at her her the Holy Spirit has a way of creating discomfort before it comforts is
