Preacher: David Antwi

[0 : 00] Hallelujah. We thank God you've tuned into this message by David Entry at Caris Church. No hand can help you with the fulfillment of your destiny, but the Word of God. May God's hand align you further into your destiny through this Word.

Please be seated if you can. When what we have to change the world is not when we look like the world as a church. No. Christians don't have to be like the world to attract the world. It's a big mistake. We don't have to conform to the norms of the world because we want the world to identify with us so we can attract them.

It's a mistake. The Bible says, and when it was noised abroad. It was noised abroad. Acts chapter 2 verse 5.

People got dead because of what the Spirit of God was doing in the lives of these ordinary men. Who didn't know what was about to happen? All they knew was they were waiting for a promise.

[1 : 14] Whether they were to be lifted above the roof or whether they were to stay and nothing happened. Whether they were to be tired. Whether they were to be tired. They didn't know. But they knew that God, there's a promise pending.

When the Holy Spirit came. It is not their niceness that attracted them. Now watch this. It is the Holy Spirit upon us.

Working in us. Huh? In 1 Corinthians. I have not started teaching. Okay. In 1 Corinthians chapter 2 verse.

This thing is, guys. It's me. I want to control myself because I want to quote the verse. But the previous verses are also shouting. Say, Pastor, please. Man of God, please quote us. Quote us to add us. Add us to the flow. Add us to the flow. The thing is pulling me. I'm going to verse 14. But 13 is shouting my name.

[2 : 20] 13 said, please, don't leave me out. Now 9 has also decided to cross and join. Ragadabashaka. No eye has heard.

No ear heard. Neither. No eye has seen or ear heard. Neither has it entered the heart of man. Do you know what it means? It doesn't matter how well educated you are.

You won't be able to pick up certain divine signals. It doesn't take theology to pick up divine signals. Because it was the theologians who killed Jesus. They thought they were following Moses.

But they actually were not Moses' disciples. But they knew they were. But they were not. Jesus said, you are not. Because the acid test has made you fail because you are not. They thought they were walking.

They were followers of Moses. But Jesus said, John chapter 5 verse 46. If you are Moses' disciples, you will believe in me. Because all Moses wrote was about me.

[3 : 25] I like that text so much. Oh boy. If you sit and are listening to me, there are some scriptures you will miss. You cannot miss certain scriptures if you keep listening to me.

Every preacher has God setting all scriptures. So, it is not that God, the oppressions.

The oppressions of God is within a certain realm. Natural man can't pick the signals.

They don't even know it exists. But their hearts are hungry for what it offers. They don't know it exists. So, they are using different things.

Search and using every means to look for something. They hear, it's like, I need something. But they don't know what it is. They use every means. Money, fun, possession, power, position, prestige.

[4 : 29] Talk about whatever people do. The ultimate is there's something that is missing. But, Bible says that no eye has seen. No ear heard.

Neither has he entered into the heart of any man. What God has prepared for us. It's in a different frequency. They can't pick it up. However, the spirit of God is more powerful than Google.

The spirit of God. It says that, it says that, however, verse 10, it says that, but, but God has revealed. So, this is, watch this.

You can be a Christian and permanently be unaware when it comes to God's program. And God's purpose. And God's plan for you.

He said, I know my sheep. If you are a sheep, the ability to hear his voice is already inside you.

[5 : 30] The ability to hear. If you are a Christian and you are born again, automatically you are afforded by heaven the installation to be able to hear the voice of God.

Because he said, I know my sheep. My sheep know my, John chapter 10, verse 27. My sheep know my voice. They know my voice.

So, the things that no eye has seen, no ear heard. Neither has entered into the heart of man. He said, when it comes to some of us, it's still, it's not in the dark. Why?

Because God has revealed, God has revealed these things to us by spirit.

By spirit. By spirit. Why? Because the spirit searches. Yes. Yes. Search engine.

[6 : 32] The most reliable search engine. It's the spirit. The spirit searches all things. Yes.

The deep things of God. God has said, no matter. You see why no matter. Verse 9 was shouting for me. And verse 10 said, you can't leave me out. And then verse 11 also jumps into it.

He says that, for what? You can't know the things that the person sitting next to you is thinking. You can't know. But the person's spirit knows.

His spirit. No man knows by his spirit. Even so. Ah. He said that, even so. When you read the Bible, you come across these phrases. Likewise.

Where? Likewise. Phrases. Much more. Even so. In the same way. Those things. They are very powerful. Don't miss them.

[7 : 28] He said, even so. The way your spirit knows what is in you. Even so. The things of God knoweth no man.

Say the spirit. The spirit of God. Look at the next verse. And it says, this is the kind of spirit. Now we have received. That means there is a spirit in the world.

The spirit of looking for money. The spirit for fashion. The spirit for football. For relevance. For politics. Those things are not bad in themselves.

It makes people, their life go on. They are spirit. I don't even mean holy or demonic spirit. No, no. I don't mean that. But you know what he said? Today you are in the spirit.

You are in the mood. It's just like. You see. So he says that there's a spirit in the world. Which controls the mood. When you go to every community. Every society.

[8 : 26] There is a spirit that controls the mood. That controls the news. It controls the mood. It controls the news. It controls sports. But when revival comes.

Reviver. The spirit of God dislodges. That's what revival does for a land. Recently we are reading from 2 Kings. Where the. I think. Chapter 17.

Is it chapter? We haven't got. Yeah. It's chapter. One of the. Where the king of Babylon. Or Syria. Took over Israel and Judah. And took the people. And brought Babylonians.

And different. Is it verse 17? Or verse 23? Or verse 27? Of chapter something. Yeah. And then. Today is chapter. 24. Yeah.

So. And brought the people. Is it chapter 17? Brought. Chapter 17. 24. And the king of Assyria. Brought men from Babylon. From. Qatar.

[9 : 26] Qatar. And from. Ava. You didn't know it's in the Bible. And Hamath. And from. Sephevim. Hey. And. And. Hey.

And places. In the cities. Of Samaria. Instead. Of the children of Israel. And they possessed Samaria. And dwelt. In the cities thereof. Yes. But there was a mistake.

Because. The city they have come to take over. Is God's territory. You can come with your goals. And see what they did. See the next verse. And so it was.

At the beginning of. Of their dwelling there. That they feared not the Lord. Therefore. The Lord sent lions. They were dwelling somewhere.

They didn't fear God. But not this territory. Not this territory. God said. I am the one in charge here. So. There are territories that. Spirits that take over territories.

[10:26] Spirits that are irresponsible for territories. Certain crime. Happened in. Predominantly. In certain territories. Certain neighborhoods. Because there are spirits that.

Gaffing those areas. In the same way. Which the Bible says. The spirit of the world. When you. Oh oh. When you go into a neighborhood. And you are filled with the Holy Ghost. The spirit there. Cannot. Oh. Kadash. Shabbat. Cannot control you. You have to go. You go with superior authority. Because. We have not received. The spirit that is of the world.

But we have received. The spirit. Akadash. Bababababa. Madaya. The spirit which is of God. That we may know.

The things that are freely given us. The things they can't know. The spirit takes us. It's a frequency. It's a frequency. It's a frequency.

[11:25] Some of you might not be aware of. Band waves. AM. And FM. If you have a radio that only.

Catches. AM. Hello. This is BBC. And they hear that. Choice FM. Is playing some.

Music. Or there's interview going. You want to. FM. No. You can't go. Because. You are not. In that frequency. Yeah. Yeah. You are not. So even though. You need someone who.

Can get into that frequency. To tell you what they are saying. That frequency. But you. You. The natural man. You can't move into that frequency. The frequency. And however.

Men around. Human beings. Wherever you go. They have a yearning. There is something they have. They are looking for. That can only be supplied. And accessed.

[12:19] In that frequency. God has given us access to. And we operate from that frequency. Pick it. And begin. So if we try to attract people to church. Trying to look like them.

Trying to be what they are looking for. We will miss it. We do it. Full of the Holy Ghost. And Stephen. And Philip went down to Samaria. He was full of power.

And Philip. After they laid hands on him. He was a man full of faith. Full of the Holy Ghost. He went. And God Bible says. He wrote mighty works.

Stephen. The Holy Ghost. Philip went to Samaria. Acts chapter 8. Stephen. Stephen. Went to town. And wrote mighty works.

Acts chapter 6. From verse 8. Philip. In Acts chapter 8. Sorry Stephen. In Acts chapter 8. Philip. Went down to Samaria. And the entire city came to a halt.

[13:19] They gave him their audience. They gave him their audience. He was operating in a frequency. And that frequency. When you enter there. It has ranges.

Oh yes. It has ranges. I see God carrying somebody. Carrying somebody into a different realm.

Let me say this and now pray for the people that I can preach. Is that okay? Is that okay? I haven't started preaching. I feel like preaching.

What's your blessing in this season? I can see my teacher. See the hand of God resting upon me. I have not received the spirit of the world.

But we have received the spirit that is of God. Verse 13. Now listen. You see why 13 kept shouting at me. 13 is a senior brother.

[14:24] He says that. Which things we also speak. Not in ways which man's wisdom teaches. By which the Holy Ghost teaches.

You know. When you speak. From the spirit. People will give you the credits. That you are quite smart. Wow. Now in this you are very wise. No. No.

It's not from you. You have to be very quick. To know that distance. There is. There is. Those of you who are preachers.

When the Holy Ghost. When you pray. That's why it's good to pray before you go and preach. He said. But we will give ourselves continually to the. To the.

To prayer. And the ministry. Yeah. The continuity is in the prayer. Which makes the ministry of the word easier. Wow. Because their main job.

[15:25] Watch this. Is not to pray. No. No. No. Their main assignment. Their main task. Was not to pray. What do you mean?

They said it in the verse 2. It's just that you didn't look at it. You didn't listen to Peter when he started talking. Yeah. Yeah. Every time the elders. They said. It is not desirable. That we should.

Leave. Leave. That's. That's. They didn't say we should leave prayer. They said the word. Because now the challenge here is someone needs to attend to the tables. But we can't leave the word. So we need someone to attend to the table.

So we don't have to leave the word. So get someone to attend the table. Because it's not desirable. It's not appropriate. It's not right. It's not in the interest of the church.

Wow. That we should leave the word and serve table. But tables are important to be served. But it's easy for someone to. Because our primary task is the word.

[16:20] That's their primary task. But they cannot do that primary task. Without continually giving themselves to prayer. So they said. Appoint them.

And verse 4 says that. But we. God shut up. You see the but. Yeah. But we will. Give ourselves. Oh I was teaching in KP2.

You must learn. Give yourself to some good things. Don't forget how you've given yourself to other things before you arrived in church. Yeah.

Before I got born again. No party. I didn't. You know where I grew up. You don't have to be invited. Even when you're invited. There's not enough food. But music is forever.

Music is loud. So you can be somewhere. You hear music. And I go out. I wear my gloves. Like Michael Jackson. Who's that girl? Oh yeah. Oh yes.

[17:19] I love to dance. And when I was in boarding school. Saturday night is. We call it entertainment. It's almost like a mini affirmation. And we will be dancing.

I'm always there. I'm always dancing on the floor. I mean even if I'm sick I'll go and dance. Yeah. I like to dance. Then I got born again.

And I finally have found what my life has been made for. Jesus. To live for Jesus. Looking. I've been looking for Jesus for so long. Finally I found him. Life is in place.

And then I'll come to church and become the devil is a liar. I gave myself to entertainment. Now I will give myself to praising God.

To preaching the gospel. To evangelizing. To oh come on. Do I have someone here who wants to give yourself to something? Some of us you used to smoke.

[18:25] Yeah. You even have vape that you don't use. Somewhere here. Memorabilia. Yes.

Some of us here. Things that you used to do. You were known for it. You were known for it. People can boast. Aye. So.

He said people can boast. Some of you used to boast about things you can't do. You used to boast about how you can steal money from somebody's account. Without them knowing they're bankrupt. Yeah.

Yeah. Used to boast about. Some of you used to boast about how this guy thinks he's strong. I'm going to get him. Yeah. Yeah. And no man escapes your grips if you wanted him.

Whether married, single. Children. Children. Children. Oh, that doesn't matter. Why don't you want somebody? And you could boast. Yeah. Some of us, you could boast.

[19:26] You used to boast about how many pints of beer you can drink in at a time. Wait. Wait. Yeah. Wow. Yeah. Yeah. Yeah. Yeah. How many sticks of cigarettes you can smoke within one hour?

No. No. No. No. No. No. No. No. No. No. No. No. No. No. No. No. No. No. Hallows.

Ask a prophecy. Never think God can use you for a revival if you have not given yourself to him.

The apostles said, we will give ourselves continually to prayer and the ministry of the word.

So you need the prayer so you can do the ministry of the word. You need it. When you have prayed and you begin to minister, you enter a frequency and take from that frequency.

When people hear it, they feel, ah, I didn't know this is what I've been looking for. But I think this is it. The guy is saying things that my heart has been yearning for.

[20:55] No, it's a frequency. It's a frequency. We have not received the spirit of the world, but we have received the spirit that is of God. And he says that to know the things that are freely given to us.

Let's look at the verse 13 that I can go to. You know why I didn't want to go into that? Yeah. Which things we also speak, not in the words which man's wisdom teaches, but which the Holy Ghost teaches.

Comparing spiritual things. Spiritual. Why? For the natural man. You can't.

Your waves, radio waves, it cannot receive TV communication. You can't. You can't. You don't have what it takes.

So we, who work with God, it says that we pick it and we speak these things. That is what it means to be filled with the Holy Spirit and to be used by the Holy Spirit.

[22 : 03] You speak the things of God. It's not just theological stuff. When you speak, God dominates. Where about the sound of your voices?

A man filled with the Holy Ghost. I see people being filled with the Holy Ghost. Thank you for listening to this message by David Entry.
