[0 : 00] Hallelujah! We thank God you've tuned into this message by David Entry at Caris Church. No hand can help you with the fulfillment of your destiny but the Word of God. May God's hand align you further into your destiny through this Word.

In Acts chapter 2 verse 2 and 4 he says that, and let's start with you from the screen, let's go. And suddenly there came a sound from heaven. Oh, I like the sound from heaven.

I like the sound from heaven. Do you know dogs can hear sounds men can hear? Human beings can hear. High frequency sounds you won't hear, but dogs can't hear. Animals can hear, some animals.

Some animals are even more sensitive than dogs. They can hear elephants. And they hear inaudible sounds. So, it sounds that you can't hear, but they can't hear.

Now, listen to this. I'm about to say something. I'm standing here as a man who has heard a sound from heaven. And we are having these meetings because of a sound from heaven we have heard.

[1 : 16] Nobody knows what's ahead, but we have heard a sound from heaven. I've heard a sound from heaven about mighty preachers in this building. Mighty preachers. Nobody can convince me otherwise.

I've heard it. I know it. Mighty preachers. Anointed people. In this building. Some people have all kinds of colorful, funny-looking backgrounds.

Yet, God said, you are the one I'm going to use. God said, when they are selecting those who should be preachers, mighty preachers, God said, you are not qualified under any circumstance. But I have chosen. I have chosen that you are the one. I know I'm talking to somebody. I hear a sound from heaven. I hear a sound from heaven.

Some of you are here because of a sound from heaven. A sound from heaven. They heard a sound from heaven. It's not everybody that hears the sound.

[2 : 27] Some of you are standing here, and you came because a sound from heaven has moved something in your spirit. Scream! Scream! Yes!

Suddenly, there came a sound from heaven and filled the house. No wonder everybody stopped what they were doing, coming to listen to what was going on.

Everybody was coming. Everybody was coming. Everybody was coming. Early in the morning, instead of going to work, they now were coming to, they've heard something. Their natural ears heard something.

But what attracted them was the actual sound, which was an inaudible sound. Inaudible sound. It moved them. And Bible said that this sound they heard filled the house.

Oh, I hear the sound of abundance. A sound has filled this house. And the good news is that it's not just that, not that it has filled this house.

[3 : 34] It's that it's actually invaded your heart. That's why people are looking at you and they're asking, why are you going to church like that? Some people said they want to follow you to come and see.

What is it? Somebody lift up your hands and shout, fill the house with your sound. Fill the house with your sound. Oh, Lord. Oh, Lord. They heard a sound from heaven.

Fill the house. The Greek word that says, fill the house, is pleru. Pleru. It's like, when you have a container, you fill it with some.

So once, the thing has filled everywhere. You can't be anywhere without hearing it. The sound filled the house. But the verse four says that, and they were all filled.

Plato. That's a different Greek word. There seemed to be a difference. English language is so poor. So it said fill. But Greek word, the verse two, said pleru the house.

[4 : 39] Verse four, and they were plato. What's the difference between pleru? And, like, pleru means something, and plato means something.

Even though, in the English, it's translated as filled. Pleru means, like, to fill something. A container. Pour something. You fill the tank.

Fill. How about plato? Plato is not just fill, like you're filling a container. But it's almost like, you know the way, someone goes to prison, and he's served his term.

He filled that time. He completed that time. It sometimes can mean complete. In some other parts of the New Testament, it's translated as complete.

In other parts, it's translated at end. To end something. To end the cycle. To make something complete. To make, fill a time. The time has been fulfilled.

[5 : 33] So sometimes, actually translated fulfilled. So, it's, when we say that they were filled with the Holy Spirit, that means that, that in our dequesis, chapter 1, verse 4, wait in Jerusalem.

Why? Because, the job I'm going to do with you, you are not capable of doing it. You need to be plato. Oh, come on. Something needs to come upon you, to make you complete for the job.

In every sense of the word. Whatever I'm assigning you to do, you need me to just complete you.

You need me to make you ready. Make you fulfilled for that role.

You are appropriate for the role. That's what I'm telling you. Some of you have colorful and funny backgrounds. But I'm happy to let you know, the Holy Ghost, Kababa Shahaya, the Holy Ghost, is coming to pray to you.

The Holy Ghost, is coming upon you, to make you the right candidate, for the kingdom assignment.

You are the right candidate, for the kingdom assignment.

[6 : 37] It doesn't matter who your father is. It doesn't matter who your mother is. It doesn't matter your background. It doesn't matter what you have done. I am here to announce to you, until you are filled with the Spirit, you are not appropriate.

You are not qualified. But when the Spirit of God fills you, that is your qualification. That is your appropriate attire. That is your selection.

That is your election, for the assignment. Shall fill me afresh, O Lord. He filled them.

And they were all, not only few people, not some, they were all filled. After they were filled, Peter preached, to 12,000.

I believe Stephen was there. Stephen died, full of the Holy Ghost. He didn't lack anything.

Everything he required, to send the message, to complete the Bible, he did it.

[7 : 40] Because full of the Holy Ghost. Philip went down to Samaria, and radicalized the place for Jesus. Even magicians were following. What will make a magician, follow a preacher.

What will make a, you're holding his Bible, say, yes sir, I'll follow you. Yes sir. What will make, because the magician, heard a sound. This man, was filled with the Holy Ghost, when he spoke, the appropriate sounds, were coming.

He was making, the appropriate spiritual sound, that people must hear. So when he speaks, you will hear a particular sound, that heaven wants you to hear. That's why the Bible said, they all heard them, in their own language.

Yeah. So that, I might say, the Lord bless you. But it, you know exactly, God uses that, interprets that, and speaks to, you hear what you have to hear, to change your story.

Maybe your situation, is that, financially things are so bad. Maybe your situation, is that, your husband has just left you. Maybe your situation, is that, you have just lost your house.

[8 : 42] Maybe your situation, is just, you just want to do something for God. Maybe your situation, you just, you just want to steal, or you want to murder, and you are confused. Maybe your situation, you are so sick and weak, but one word came, and he spoke to you, he spoke to him, he spoke to her, oh come on, it will only take the Holy Ghost, until you are filled with the Holy Ghost.

Akada, ba, ba, ba, receive ye, receive ye, the Holy Ghost, receive ye, shout yes Lord. Yes Lord. Yes Lord. Yes Lord.
