Preacher: David Antwi

[0 : 00] Thank you for tuning into this message by David Entry. Every true revival is a product of the strong preaching of God's word. May you receive a word from this message that will spark a revival in you.

He said that be anxious for nothing but in everything by prayer. So anything that is strong enough to have the ability to give you anxiety is a prayer topic.

Anything that raises concerns in your life as a Christian, it is supposed to be a prayer topic.

Because if God would not do something about it, he wouldn't make it a prayer topic.

So it says that be anxious for nothing but in everything. Everything. It's good we have gathered here in a time of fasting to pray and to hear God's word and to receive blessings.

In everything by prayer. Let's all say in everything by prayer. In everything by prayer. Say it again.

In everything by prayer. So prayer is able to handle everything.

[1 : 15] Nothing lies beyond the reach of prayer. It can be far. Prayer can still hold it and take care of it. In everything by prayer.

So that means that when we gather together to pray, it's an opportunity to tackle everything. Some things you can't handle outside of prayer.

Not everything can be handled with money. Not everything can be handled with reading, through reading. Not everything can be handled by connections and contacts.

Not everything can be handled by love. Someone loves you so much. They do everything for you. Yes, they can do everything for you.

But there are some things they cannot do it. But Bible says that there is this one cure all. It's able to deal with everything.

[2 : 13] Everything. And when we are gathered together, we have to take advantage of our gathering and make use of that singular thing that can deal with everything.

In a moment, we are going to be praying. And your prayer topic is going to be anything that gives you concern. So if it causes you concerns, if you have concern about it, convert that concern into a petition.

with the heart of thanksgiving. As you are doing, God, thank you for opportunity to pray. Thank you for opportunity to talk to you about. As you begin to, you are saying, God, concerning my marriage, I pray that let there be peace in my home.

As you are praying, you are still grateful. You are still grateful. You don't have to finish praying before you say thank you. You are praying with a thankful heart for the opportunity to ask.

It pushes your prayer faster and farther than you can imagine. Amen. Is there anyone here who has a prayer topic? You have a prayer topic?

[3 : 19] What's your prayer topic? Anything that causes you concern is a reason to convert.

It's a reason for prayer. Amen. Amen. That's why the African singer said, if I don't pray, Seta will make me... So, everything that causes you concern is prayer.

We're going to pray in the next few minutes. We won't spend much time in praying. So, make it as intense as possible. 1428 of Numbers.

Say to them, As I live, says the Lord, just as you have spoken in my hearing, so I will do to you.

That shall be your portion. Don't forget.

Don't forget this scripture. As you have spoken in my hearing, so I shall do to you. So I shall do to you. In 1 Samuel chapter 1, Hannah prayed, from verse 11, 12, she prayed and poured out the bitterness of her soul.

[4 : 37] In bitterness of soul, she prayed to the Lord and wept anguish. Verse 11 says that, And she made a vow, that, O Lord of hosts, if you will indeed look upon the affliction of your hand, and

remember me.

That's, that's, that phrase. Remember me. Somebody say, Remember me, O Lord. Remember me, O Lord. When someone prays, Remember me, it's a prayer of mercy.

God, do not pass me by. Do not pass me by. It's like saying, I have no other God but you.

I have no other God but you. You have done what no man has. Please, remember me. Remember me. 1 Samuel 1, 11.

Said, look, and then when you read a verse, 17 and 18, they went back home, and Elkanah knew his wife, and the Lord remembered her.

[5 : 42] Amen. Amen. Amen. Amen. Amen. Amen. Amen. Amen. Amen. Amen. Amen. Amen.

Amen. Amen. Amen. Amen. She poured out the bitterness and said, Lord, I vow that if you remember me and give me a child, I'll give the child to you.

And so the Lord also remembered her when they got back home. God remembered her. But between that prayer and God remembering her, Elkanah knew Hannah, verse 12, and she, and she continued, Eli, Eli saw she was behaving a bit erratic like she was drunk.

Sometimes when you are in a place of desperation with God, people might think you are too much. Don't mind anybody because you want a lot from God. Never let anyone intimidate your pursuit of God.

I know they, oh, I want to be gentle. Your case doesn't need gentleness. Allow anyone to talk what they will talk. Even the priest, Eli said, Hannah, you are still drunk because her behavior was like a drunken woman.

Eli said to her, how long will you be drunk? Put away the wine from you. Everybody has left. She was, she was praying and the way she was praying when you stand from afar and you don't know what was going on in her heart, you think she was drunk.

[7 : 16] It's always easy for people to misinterpret passionate people. That's why a lot of people outside, when they see us in church, they don't know what was happening here. They think a bunch of people have just come and gathered here.

All this world making. they don't know. We are encountering heaven. The interesting thing is, one day, very soon, we are going to have our own auditorium and, and, some of the people who will be joining our church later and be on fire will be some neighbors who will say, ah, I never knew.

Yeah, yeah, yeah. You think we are joking. We are joking. Five years later, now you have come seeking God, you are on fire. And you didn't know that five years before, we were always praying around your house. So, he said, put away your wine from you.

And then, she said, no, no, no, no, I'm not, I'm not drunk. I have poured out my soul before the Lord. When you are pouring out and it's intense, you look like you are doing something too much.

Sometimes you'll be on the floor, you are shaking, you are rolling, you are crying.

You, you are, you need miracle from God. You are thinking about your makeup. Makeup. But you just made it today. It will even last tomorrow. But your testimony will last your lifetime.

[8 : 32] You are determined that heaven must answer you. Who cares? They are looking at you.

Let them look at you. Let them watch you. Don't be so concerned about what people will think about you when you are about to shout like blind batty miles.

Hannah. Hannah. Hannah. She poured out her soul before the Lord.

And Eli the priest said when Eli knew what she had done, Eli knew the implication and God used the priest, God used the prophet to endorse the miracle.

And he says that Eli answers that go in peace. The God of Israel I stand here as a morning-day apostolic Eli and I speak over your life.

May the God of Israel, may the God of Israel, may the God of Israel, God of heaven, may he grant you your request, may he grant you your petition.

[9 : 37] In the name of Jesus, may the God of Israel remember you. May the God of charis remember you.

May the God of David Andrew remember you. May the God of my fathers remember you and turn your captivity around and grant you your heart desire and grant you your request.

In the name of Jesus. So shall he be. So shall he be. So shall he be. So shall he be.

In Jesus' name. Come and put your hands together. Thank you for listening to this message by David Entry. We pray you have been revived towards God.
