Preacher: David Antwi

[0 : 00] Thank you for tuning into this message by David Entry. Every true revival is a product of the strong preaching of God's word. May you receive a word from this message that will spark a revival in you.

In the New Testament era, it says there is one God, Titus chapter 2 verse 5. There is one God and there is one mediator between that God and man.

Any other means you use, it won't work. It's there. For there is one God, one mediator between God and Jesus. So if you pray and it's outside the system Jesus gave, you are missing God.

You are not praying to God. No, it's the only one. Jesus said, let them know you, John chapter 17 verse 3, that they will know you, who is the only true God. He's the only one.

This is eternal, that they may know you, the only true God. The other ones are false gods. So they can answer prayer. If they answer prayer, the devil is working. The Christian God is the only God.

[1 : 02] Ah, how can you say that? The Bible said it. He's the only God. So, let me add this and I move on. I'm telling you something.

These are things that we always have to chip in so people who are Christians can, without having this understanding. It's not like you don't like people. It's not like you disagree. It's the nature. God himself has revealed his truth.

It's in Ephesians chapter 4, verse 4, 5, 6. There is how many? One body. One body. That's the body of Christ.

And then what again? One spirit. That's talking about the Holy Spirit. And what again? One Lord. One Lord. One. No, no, no. So, yeah.

One Lord. One faith. The revelation of God in the text, in the Bible, is one. It's not two different types. There is one Lord.

[1 : 58] One faith. That's the set of revelation. One baptism. It's only one baptism that unites us into Christ's death and burial and resurrection. And then look at that. The next one.

One. How many gods? One. One. Anyone who is not going to this God is going to something else. Now, I'll say this.

This is what I want to say. I like it so much. In my studies, I came across this. I like it so much. And I want to say it before I move on. Listen. The reason why, one of the reasons why they are religions is because human beings are creating their own, create your own thing.

You see? You see? They create their own God's way of worship. Because they won't go to God.

They won't come to God. Remember, Jesus said, John chapter 14 verse 6.

I'm the way, the truth, and the life. No one comes to the Father except by me. You see? I shouldn't say that. There's no name given under heaven by which men must be saved. So, I knew what I was talking about when I said that.

[3 : 02] All the other religions, they are not going to God. Those of you who have family members who have practices and religions, do you know what they are doing? They are calling on demons.

All right. This is what I'm trying to say. No. It's not me. It's not HP2. It's Bible talk. It's Bible talk.

1 John chapter 5 verse 20. It's Bible talk. If you don't get this, you haven't gotten Christianity.

Christianity says there's only one God.

How many? 1. In John, okay, we know that. I'm looking. John chapter 3 verse 36. About the Son of God, Jesus Christ.

It says that, He who believes in the Son has everlasting life. He who does not believe the Son shall not see life. But the wrath of God abides on him. Which other way, if you miss this one, how can you pray?

[4 : 06] And it will be answered. Which God is going to answer? His wrath is against you. Look at Romans chapter 1. Remember Romans chapter 1 verse 15 for 16. I'm not ashamed of the gospel of God, but it's the power of God unto salvation.

To them, let me, let me, let me. To the first of the Jews, to the Gentiles. Verse 17. For therein the righteousness of God is revealed from faith to faith. For it is written, the judge shall live by faith. Verse 18. For the wrath of God. For the wrath of God is revealed from heaven against all ungodliness and righteousness of men.

Who suppress their truth in unrighteousness. The next verse. Because what may be known of God is manifested to them.

For God has shown. The revelation of God is all around us. Let me say this quickly. So, true religion. When people are practicing and following all kinds of religion.

It's because the human heart that has fallen from God will have to. They will change the image of God to greatness and all kinds of things. Number two, which is more dangerous. Every other form of religion.

[5 : 09] Let's call it false religion. Every false religion is demon trafficking. Yeah. Yeah.

It's demon trafficking. That's why I said. That's why I said earlier on that.

If a family. If somebody is very close. That is why you are a believer. And you are going to marry somebody who is practicing a different religion. Now, is it making sense when it's a believer?

Why should you marry someone in a different religion? Because demons are going to be trafficked into you. Yeah.

It's very important to understand. Alright. So. Our God is a God of mercy. Hebrews chapter 8 verse 12. He said that.

[6 : 10] I will. God said. For I will be. I will be. Yeah. Yeah. Yeah. Yeah. Wow. This is where you can sing. Yeah. Yeah. Yeah. Yeah.

He said. For I will be merciful. To their. Righteousness. You are coming to pray. But there's been some unrighteousness around your life.

There have been some. Some stuff. Men. he said i'll be merciful to their unrighteousness and their sins and iniquities i will remember no more that is the sins that we have confessed and we are forsaking not the ones you haven't forsaken because it's still with you you have to forsake it what that means stop it stop it and not say god understand he doesn't understand he doesn't understand there are sins and lord let this i will remember no more there is the mercy of god that exempts us from being consumed lamentations 3 23 it's because of your message that we are not consumed it's the message of god god is full of mercy for his messes and yours forever verse 22 through the through god's message we are not consumed because his compassion first now how does the king james put it it is of the lord's message that we are not consumed just think about that this fasting take advantage take advantage and solidify your position in the lord one of the reasons why you're struggling with sin is number one your association never underestimate the power of association who you talk to who talks to you determines what spirit you are catching and what spirit you are catching will determine how you'll be able to stand there enemy because it says that you cannot cast out demons with a demon so number one who you hang around number two what you keep exposing yourself to what you keep exposing yourself to and watching what you have been watching what you have been listening some of us think help me i like music but the music is killing your your drive for god that says there's some type of music that will not help you there are some type of music that will not help you i don't know if you know that some people don't know about if it is it a sin to listen no it's not a sin but it's a weight weight yes it's a weight so some things might not be seen it says that let's see we are surrounded with so great a cloud of witnesses hebrews 12 let us lay aside the sin that easily beset you every weight let's lay aside every weight you don't you don't you don't live physical weights but you have a lot of weights around you every weight so those are the things that create room for sin you expose yourself to bible says that let us make let's make no provision for the flesh to fulfill its last mercy thank you for listening to this message by david entry we pray you have been revived towards god you can connect with david entry on all relevant social media platforms including instagram and link to you can also hear more messages from david entry on all relevant streaming platforms and the parish church app don't forget to like and share the message feel bliss feel curated feelowane feel feel feel feel feel feel feel feel feel feel feel feel feel feel feel want feel feel feel feel feel feel feel feel
