Preacher: David Antwi

[0 : 00] Hallelujah. We thank God you've tuned into this message by David Entry at Caris Church. No hand can help you with the fulfillment of your destiny, but the Word of God. May God's hand align you further into your destiny through this Word.

Sarah said, I don't know how it's going to be possible for me to have a child at this age. When my husband is old and I'm also old, Genesis chapter 18 verse 14, and the Lord said to him, the angel said, because Sarah was laughing, Sarah said, this is not possible.

Is anything too hard for the Lord? Is anything too hard for the Lord?

God is anything. That's a serious thing. That alone, that statement alone. If you can let it sink into your spirit, if you can let it settle in your spirit, you expose yourself to untold divine possibilities.

There is no reason why we should be pushing towards God and not expect to see His works amongst us.

[1 : 21] There must be the manifestation of the hand of God, the works of God in our midst and on our lives. And so, the point I'm making is, if we have gathered here, in fact, in 2 Chronicles chapter 20 verse 4, Bible says that Jehoshaphat and Judah, they gathered to seek or to ask help.

And it came to pass, Judah gathered themselves together to ask help. Now, that's what we are here for. This is a prayer meeting, fasting prayer meeting.

It is not a normal service. Some of you might not be aware. When you go for something that we normally would call crusade, it's usually in a big building, open air, just to preach the gospel to save souls.

So, most of the time, it's open air so that people who don't intend to come to church on the park or something, they'll be hearing. It's called crusade. Crusade is meant to preach the gospel for salvation.

Church services are meant to feed the folk and to engender fellowship and someone to still hear the word of God and grow. Prayer meetings like this are meant to release the hand of God.

[2 : 35] Do you understand that? So, prayer meetings like this, it's not just church service. It's not just, it's prophetic gathering. Judah gathered together to seek help, my God.

And Judah gathered themselves. We have gathered ourselves. To seek, to ask help for God of the Lord.

They came from, out of all the cities of Judah, they came to seek the Lord. We have come from different, different territories. In United, you know, in London. Come from different, different, different places.

But we have come to seek the Lord. Amen. Why are we seeking the Lord? Because in Genesis chapter 18, verse 14, we saw that now...

Is there anything to have? Ask somebody this question. Preach with me.

[3 : 49] Preach to somebody and tell the person, hello. Wait, wait, wait, wait. I'm not finished. Listen to me. I want you to preach to somebody and tell the person, why are you so worried?

Is there anything too hard for the Lord? Move to another person somewhere. Just ask the person, why are you so troubled? Is there anything too hard for the Lord? Why worry when you can pray? And why pray when you are worried? Why worry when you can pray? And you are guided together to ask...

We have come together to ask Him for your family. That your sister, who the experts have said has had mental health and cannot be healed.

We have guided to ask... I don't know what news you heard this week or you've heard this year that is troubling you.

[5 : 02] But we have gathered together to ask help of the Lord. Shout yes! He said...

He said... In Job chapter 42, verse 2. Job chapter 42, verse 2, he says that... I know that thou can do...

That's Job talking about God. Job said to the Lord, I know that you can do anything. Lift up your right hand and say, O Lord. O Lord. O Lord. I know. I know. I know. I believe.

I believe. And I know. And I know. That you can do... Everything. Everything. You can do everything. Everything. O Lord. Lord. My confidence is in you.

My hope is in you. My hope is in you. My faith is in you. I know. I know. That you can do...

Everything. Everything. I can smell an atmosphere of possibilities.

[5 : 58] There is a flavor of divine possibilities here. Somebody came here with a certain health condition.

You are not living here with that health situation. In Jeremiah chapter 32 verse 17.

He said, Ah, Lord God. Behold, thou hast made the heaven and the earth by thy great power. And thou hast stretched out am.

And there... Can we all read that last bit from there? And there is. Let's go. And there is nothing too hard for thee. And there is nothing too hard for thee.

We are going to say it again. And as we say it, see that situation. And tell God, there is... Are you ready to read it?

[6 : 57] Let's go read it out loud, let's go. There is nothing too hard for me. One more time. There is nothing too hard for me. One more time. There is nothing too hard for me.

Do you know why? Yes. How possible? Do you know why he said that? Because the caveat is he made the heaven and the earth. In fact, even to build a house is not an easy job.

Or to plant hair. It's a lot of work. That's why people charge for it. That's why people charge for it because it's a lot of work.

And just hair, people can't do. You can't even do hair, your own hair. God, he created the heaven and the earth. Including China, including Russia, including America.

All that is in America, God created it. In Canada, Mexico, Africa, India, Korea, Japan, Australia. Just think about it.

[8 : 02] God created all together. Behold, thou has made the heaven and the earth. He didn't do all this just his nation. He also created the sun. He did the moon, the galaxies.

He got, he created it all. Ah, when you understand that. Ah, Lord God. Thou has made the heavens and the earth. By your great power.

Nothing is too hard. Let's say that together. And there is nothing too hard. There is nothing too hard for thee. Let's go. And there is nothing too hard.

Let's start from the end. And there is nothing too hard. Louder. And there is nothing too hard. You are going to prophesy. You are confessing to God by saying prophecy to your situation.

Let's all say that together. I have nothing too hard for thee. Say it again. And there is nothing too hard for thee. Say it with strong conviction. And there is nothing too hard for thee.

[9 : 00] Say it the loudest for the last time. I have nothing too hard for thee. Say it again.

It doesn't need an answer. It just needs common sense to answer it. It's just a rhetorical question. It's that I am the God of all flesh. All flesh. Is there anything?

Is there any? Any? Any? Any? Why are you so worried when you can pray? Any? Any? And Bible says that Judah got there to get themselves together.

To ask help from the Lord. Wow. With whom nothing is impossible. He said, is there anything to? It's okay. Then let's ask God. Yes. He has said nothing to do.

Then let's ask Him. We're more flesh. Because sometimes, most times, He's waiting for us to ask so He can act. If you ask, He acts.

[10 : 22] He's waiting for you to act and so He can act. So He can show His great power in your life.

In Matthew chapter 19, verse 26, Jesus said, this is impossible with man. Jesus said, with man, this is impossible.

So actually, there are things that are impossible. How many of us are human beings? Yeah. If some things are impossible for human beings, then you can imagine dogs and animals.

And He says that human beings have achieved a lot of things, can do a lot of things. They are created in the image of God to do a lot. But there are things that are impossible with man. Then Jesus said, but.

Because God is in a different class. So He said, it is impossible here, but not. So, okay, let me put it this way. You see, some of us are dealing with some impossible situations.

[11 : 32] Yeah, they are impossible situations. But not when you enter into. Not when you enter into the atmosphere where you can ask help of the Lord.

As soon as you get into that atmosphere, the game changes. From today, I'm announcing to somebody, the game has changed.

Why? Why? Why? Why? Why? Why? Because you are one of the people who have got debt to ask help of the Lord.

Remember, I am not encouraging you. I'm showing you your possibilities, which potentially Satan has made sure you keep your focus away from.

Well, I'm showing your possibilities in the Lord and professing them into reality. Jesus said, with man, this is impossible.

[12 : 38] But, no, he said, no, no, no, no, he didn't say with God. He said, but not with God. God's story is different. In other words, but not in the place of prayer. Some things are difficult to tackle, but not in the place of prayer.

Because the only way we can engage God is when we pray. That's the only way. So, when you get into a place of prayer, you are stepping into dimensions of possibilities.

You are stepping into arena of possibilities. You are stepping into faces of possibility. I'm describing somebody's situation. And so shall it be for you.

In the name of Jesus. Shout a believing amen. In Mark chapter 14. Mark 14, 36.

Mark 14, 36. And he said, Abba, Father. That's Jesus praying. All things are possible. Did you see that?

[13 : 37] That's the prayer we are praying. Abba, Father. All things are possible. I believe. I believe. It doesn't matter the darkness I'm seeing.

All things are possible. Oh, Jesus. Oh, Jesus. It doesn't matter what's going on around my life. God will have the final say.

You know that song? You have the final word. Final word. Final word. Your word is yet and yet. Somebody was told that set your house in order. You are about to die. A prophet. If I does know, it wasn't just guess where.

A prophet. Seizing prophet was sent by God. Tell Hezekiah that set your house in order. You are about to die. And that was. The sickness is beyond recovery.

[14 : 36] Hezekiah. Bible said he turned and faced the wall. And he prayed. Oh, watch this. You know what changed it? His prayer. His prayer.

He was actually going to die. But not when he could pray. Hezekiah said, I have the key. God has delivered the key into somebody's hands this evening.

Three greatest things. Three greatest things that are working for you tonight. Is number one. You have stepped into an atmosphere of possibilities.

Number two. You can pray. If you couldn't pray, that's a different story. But you can pray. And number three. Because you can pray.

God always acts on prayer. So you have these things working for you. Why would you take advantage of the season and the atmosphere now?

[15 : 38] Today is number third day to the end of the fasting. This fasting is not permitted to leave you the way it met you. Jesus Christ.

Jesus prays and Abba Father. Abba Father. Mark. Abba Father. All things are possible for thee. In Luke chapter 18 verse 27.

Jesus said with man this is impossible. But with God. He said. Jesus said the things which are impossible with man are possible with God.

Let me give you one more scripture. Yes. In Luke chapter 1. I quoted yesterday. Verse 37. That's the one. That's the one.

In Luke chapter 1 verse 37. That is the platform for your prayer. You know if you go on the wrong platform you miss your train.

[16 : 41] I don't know if you have missed your train before. Especially underground. Where you come down and left to right. You didn't check southbound or northbound.

Eastbound or westbound. You just came down and you heard the train coming. Kruku kruku kruku. You were so much in the hurry. And you jump into the plane. Then you ask.

Which way am I going? You realize. Oh my goodness. How come. But it's a train. But it was on the wrong platform. When you go to Landing Bridge. There are so many platforms.

So many platforms. How many? Sometimes. About. Plenty. So many. Platform number 18. Platform number. So many platforms.

If you are going somewhere. Especially. Especially those. Who get to travel far. Like you are going to Birmingham. Or Liverpool. And you go to Houston. There are platforms.

[17:38] There are platforms. There are platforms. Read the signs. And make sure you go on the right platform. Tonight. I announce to you. If you are believing God. For the impossibilities.

Make sure you are on the right platform. And what's the platform? We are going to pray. Using this. As the platform. Where is your platform?

Where is your platform? For entering the impossibilities? We are standing on that to pray. Most of us are dealing with issues.

That has to do with our families. Our health. Our jobs. Our finances. Your ministry.

Your marriage. There is nothing possible with God. Do you know why I said some of these things? It's discipleship. So that when the Holy Ghost is moving. You don't get fooled.

[18:38] To think that's what all church is about. Church is also about. Listening to the word. And applying common sense. To stabilize your life. And change your character. Stinking character.

We cannot pastor you. What is the point of people? People in church who you can't pastor. Proud people. There's a reason why some people's miracle delay. Their miracle.

The one whose instruction you can't obey. Don't say amen to their prayers. It will not work.

Prophesize. But you can't obey the. After the prophet. The instruction.

You follow. You follow. And you lay hands. You can tell. They are not ready. They are not. They don't even know what's going on. But I pray. That God will open your eyes.

God will open your heart. To receive your testimony. To step into your new face of miracle. To step into your new season of impossibilities.

[19:38] Becoming possible. In the name of Jesus. What platform are we using to where we are going? Don't go on a different platform.

But you will miss that train. Because we are in an atmosphere of flavor of covenant. And divine supernatural possibilities. What platform are we standing on? I can't hear you.

What platform are we standing on? What platform should be possible? Nobody here should come to a season where. If you are in a season. If you are in a state in your life.

Don't accept that. It cannot be done. Not when you can pray. Not when you can pray. Pastor. You don't know. Things are too late. Things are too late.

Things are too late. Stop saying that. And believe. God is so much with us. God is so much with us. God is so much with us. God is so much. How many of you believe God is with us?

[20:35] How many of you believe God is with you? For a short while. Lift up your hands. Begin to pray. Behold. I am the God. The Lord. The God of all flesh. Is there anything too hard for me?

The angel said. With God. Nothing shall be impossible. If you believe it. Put your hands together for the Lord. Lift up your right hand. Say.

Our Lord God. Our Lord God. You have made the heavens. I have made the heavens. And the earth. By your great power. By your power. By your outstretched arm. I confess.

Because I believe. That there is nothing. Too hard. For you. Oh Lord. I know. And I believe. That you.

Are able. To do everything. I receive it. I receive a miracle. Show your power. Glorify your name. In my life. So shall it be.

[21:31] In Jesus name. Romans chapter 4 verse 21. Bible says that. Abraham. Talking about Abraham. That he was fully persuaded. That what God has promised him.

That's somebody. That's talking about me. That's what is in my heart. Thank you for listening to this message. By David Entry. We pray you have been strengthened.
