[0 : 00] Thank you for tuning into this message by David Entry. Every true revival is a product of the strong preaching of God's word. May you receive a word from this message that will spark a revival in you.

In Acts chapter 10, the Bible says that verse 30, Acts chapter 10 verse 30, Cornelius said Four days ago, I was fasting.

Somebody say, I am fasting. I am fasting. When they ask him, what is this meeting about? Peter said, why have you called me? In verse 29, when he was asked, what's the reference point for the demand he's making? He said, four days ago, I was fasting.

I know by the end of this month, somebody will say, from the beginning of the month, I have been fasting. I know by December, somebody will say, in the June fast.

[1 : 16] Just so you know, just so you know, some of you are not aware, but just so you know, June 2025 will not be always here.

So in about a month's time, in a month's time, June 2025 will never exist again. But there's something that will exist.

You will say, June 2025, I was fasting. Some of us, 10 years to come from today, you will be able to look back and say, June 2025, I fasted.

Any season you get to fast, it's a season to lay a landmark stone for destiny.

Next three years, what would you say about June 2025? I was fasting. You will want to say, I fasted.

[2 : 38] But when you are explaining what happened, you will say, I was fasting. I hadn't finished. I was fasting.

And whilst I was fasting, something I didn't fast for. Four days ago.

That means that day Cornelius was referring to never came back. But what he did stayed in his destiny.

Do you understand what I'm saying? There's something you will be doing today. After today, the day is not coming. But there's something you have done today that has secured you for the days I have.

When it is time to fast, it is time to fight. When it is time to fast, it is time for a flight. Destiny flight.

[3 : 48] I stand here as a prophet. I can already see. The tides are turning. The tides are turning.

The tides are turning. It's turning in somebody's favor. I'm telling you, I'm not just encouraging you. I can see with the eye of the spirit.

The tides are turning in somebody's favor. Shout your loudness. Amen. Amen. Somebody with faith in your heart.

Declare that the tides are turning in my favor. The tides are turning in my favor. Say it for the second time. The tides are turning in my favor. The tides are turning in my favor.

Say it loud. For the third time. The tides are turning in my favor. fasting doesn't delay answers when you fast it accelerates answer so you say seven years ago you can say seven years ago i fasted but when the story even starts you go just a few days ago a few i mean the beginning of the one because the angel told daniel from the very first day from the very first day you fasted your prayers were heard your words were heard from the very first day you and i have come because of your words you you are not different from daniel elijah was a man of like passions he said four days ago i was fasting until this hour the hour of prayer is that hour of fasting and at the ninth hour and and at the ninth hour i prayed in my house it was how are we talking about the hour of prayer in the time of fasting is a dangerous hour that is where the shiftings take place you can fast and do every other thing if you don't get into the time of prayer to release bullets to release words you can do everything he says that everything happened but prayer that means you've wasted time i was

fasting until this hour what's the hour the real deal hour until this hour and at the ninth hour i prayed in my house and behold changes began to happen this kind of prayer moved angels from heaven a whole angel came because he called him a man in shining clothes you are looking for a knight in shining armor it comes in the hour of prayer during fasting when we come and we are praying don't be thinking about who is watching you maybe that guy likes me so let me be careful let me not shout too much let me not shake too much no no no no that is not what secures a destiny what secures a destiny is the intense prayer and the words you are releasing at the time of prayer and tonight somebody is about to release some words as i as i stood up there a word that came into my spirit very strongly is from today's reading in john chapter 2 and the verse um 9 something has been reserved the best is reserved for asceticism he said the master of the feast when the master of the feast had tested the water that was made wine do you know what he tested he tested water that had been made wine it wasn't wine he was just tasting he was tasting water that has been made [8 : 35] wine and did not know where it came from but the baddest of your sin the servants who drew out the water knew it the master of the feast called the bridegroom who owns the wedding and he said oh god i said to him every man at the beginning sets out the good wine and when the guests have have well drunk then the inferior but you have kept i was fasting until this hour he said you have kept the good wine until now until now he didn't know where this this good wine came from i am just here to tell you prophetically that you are entering a season where what others have lived for and have been enjoying doesn't come close to what god is about to deliver in your life sir he said in first samuel chapter 10 chapter 9 verse 23

Samuel when samuel came with soul and saw servant into the house he called the cook and he said you know the tie i asked you to reserve bring the portion which i gave you of which i said set it apart because something has been reserved until now look at the next verse and the cook took up the tie which it's with its upper part and set it before soul and samuel said here it is what was kept back yeah it was set apart you know you've been worried about too many things because you don't really know that some things have been set apart for you and this season of fasting is about to release it it's about to stir it up it's about to release it unleash it into your life no human being can stop it because like cinderella it has been reserved for you the wrong person cannot take over it it is yours by destiny and it is secured by prayer in the time of fasting i stand here as a prophet and i declare over your life what god has reserved for you in this moment in this hour it was kept and set apart for you i prophesy that this season of prayer in the fasting brings it to you makes it a reality into your life in the name of jesus this transaction moment some things are happening i see shifting i see shifting somebody's testimony is starting right from tonight he didn't have to finish praying whilst he was praying a man in shining clothes came i'm telling you i just saw somebody here has got a testimony released tonight tonight tonight tonight tonight tonight tonight in the name of jesus tonight a testimony has been released for somebody who what looked like a delay was actually accept up to glorify the name of god in your life i see the name of god i see the name of our jesus being glorified in somebody's situation in the name of jesus in the name of jesus as you are standing here you are standing in a place of miracle you are standing in a place of transfiguration you are turning in a place of transformation you are standing in a place of testimony somebody has entered a zone of testimony somebody has entered an era has entered an arena an arena of the impossibility being made possible i see i see it's happening i see your hour has come i see your moment has come i see!

your testimony God, receive it now! Receive it now! Luke chapter 1 verse 53, the Bible said, he has sent, he said he has filled the hungry with good things and has, the rich he has sent empty away. Your fasting opens you up for heavily good things to be filled, to be loaded into your life. Today is our first official prayer day in this fasting and already there are a lot of shiftings that are happening. If I were you, I would make a vow that I would not miss a night under any situation because things have changed. The tithes have turned in your favour.
