Preacher: David Antwi

[0 : 00] Thank you for tuning into this message by David Entry. Every true revival is a product of the strong preaching of God's word. May you receive a word from this message that will spark a revival in you.

Gideon said, if God be with us, we are always miracles. Jesus said, the works that I do, the works the Father has given me to do, John 10, 25, these works testify that the Father has sent me. He says that, I told you, the works that I do in my Father's name, they bear witness of me, the works. Somebody say works.

So this is what Acts chapter 2 verse 22 meant. How God is a man attested by God. I'm wondering what is the motivation of those who say God has stopped miracles.

I'm wondering like the sense, you know, the godly sense in it. I don't know, I'm just thinking. If God is still imminent, why must things be as ordinary as every time?

[1 : 16] No. When God shows up, it's not only feelings. It's not only somebody has faith and somebody has, it's also the supernatural that others notice that, no, there's something else at work.

When demons have stopped possessing people, why are there people, those people saying that God has stopped working miracles? Demons haven't stopped possessing people.

Demons haven't stopped harassing people. And God is a redeemer. And the Bible says that, he who the Son sets, so Christ can set you free.

There is liberty in Christ. Now the point I want to make is that, I just can sense that God is about to just, you know, there's a way, sometimes God has to just throw his weight about.

He just has to flex a little bit for somebody to know that God is with you. Your fasting is not in vain. Your prayer is not in vain. Your coming to serve is not in vain.

[2 : 26] Shardy eyes! God is about to throw his weight about. Is it about your health?

The doctors themselves are about to be shocked. Is it about your marriage? All those family members who are looking at you one eye and laughing with one eye.

Is it a fruit of the womb? Is it your financial situation? What is it that God cannot do? We come to church, believe that God can do all things, but we see, we see little done.

As a reflection of the demonstration of God's power. How God anointed Jesus Christ with the Holy Ghost and power who went about to do it.

No man can do these things except God. That means when God is with you, we will show. Glory be to my...

[3 : 28] On your wedding day, I'm just singing for somebody. Some people are going to return with a song in your mouth because Jehovah has done it.

The God of Gareth has done it. The God of heaven has done it. The God of Abraham, Isaac and Jacob. The God of Israel.

The God of our Lord Jesus Christ. The God and Father of our Lord Jesus Christ has done it again. And you are going to be returning with your soul.

It says that, as in Psalm 126, I believe verse 6 or 7, it says that verse 5. Look at verse 5. 126 verse 5.

Those who sow in tears shall reap it. You are sowing your energy. Look at the way today you are tired under the sun. You are thinking about, oh, I'm coming here again after fasting. This room will be hot.

[4 : 25] But those who sow in tears... It is those who don't want to sow. They are the ones who don't reap in joy.

Sowing or reaping always precedes sowing. Never forget that. Look at the next verse. That's where we are going. He who continually goes forth weeping, bearing seeds for sowing.

Give me King James. He who goes forth and weeping, bearing precious seeds. That's the one like... The seed is precious. You see, the seed is determined by the owner of the seed. The quality of the seed. Because I can give God, let's say, my whole day of praying and fasting. And it might not cost me like you.

If you are giving God a whole... It depends on your state and where you are going and where you are. Somebody can give God a thousand pounds and it will not cost them anything. You can give God 500 pounds and it's the whole world.

[5 : 26] So, the seed is that he who goes from weeping, bearing precious... He said, no two ways about that. As for that one. As for that one, shall doubtless come again with rejoicing, bearing his sheeps with him.

So, somebody will be coming back and... Glory be to my God. Hallelujah. Start rehearsing how you are going to come in. When God does it by tomorrow morning.

When God does it by the end of the month. When God does it by next month. When God does it before the end of the month. Glory be to my God.

Hallelujah. Glory be to my God. That's how you are going to come. Give me the glory. I said, glory be to my Lord.

Hallelujah. Thank you for listening to this message by David Entry. We pray you have been revived to all's God. You can connect with David Entry on all relevant social media platforms, including Instagram and LinkedIn.
