Preacher: David Antwi

[0 : 00] Thank you for tuning into this message by David Entry. Every true revival is a product of the strong preaching of God's word. May you receive a word from this message that will spark a revival in you.

There are things when you do, they invariably lead to a testimony. Somebody lift up your right hand and say, my testimony is on the way.

My testimony is on the way. Because of the goodness of God. And because of the grace of the practices I engage in. There are things you do that move the heavens for you.

There are things you do that make the heavens move for you. So number one, what did I say? The Holy Spirit.

First, God doesn't work because you are in need. Don't forget this. God doesn't work because people are in need. He would have been working a lot more in the war-torn and impoverished regions.

[1 : 15] God moves because of his personal agenda. So it is the Holy Spirit that impresses.

Even if God has to move in your family. Because there is a crisis in your family. The Holy Spirit will move somebody's heart to pray. Because as you see in the next point.

First of all, everything God does is God-advised. Is God-inspired. God-generated and originates from the counsel of God.

So Romans chapter 8 verse 20 said, All things work together for good. According to those who love. Those works together for good. To them that love the Lord. And are called according to his purpose.

His purpose must be in place. Ephesians chapter 1 verse 11. Ephesians chapter 1 verse 11 talks about. In whom also we have obtained an inheritance been predestined.

[2 : 18] According to their purpose. So even as salvation is based on God has a certain agenda. According to the purpose of him who worketh all things after.

Not after your prayer. The reason why God works is not because you are in need. But he works after the counsel of his own will. So his will is what advises him.

He works after the counsel of his own will. He does all things according to the purpose of God.

So the Holy Spirit must inspire you to be in the center. And to know the purpose of God. Number two is prayer. Prayer is an avenue to authorize God to act on earth.

But God is almighty. He can do anything he wants. Not on the earth. On the earth. He will use human beings. That's why Jesus even had. Jesus needed a mother Mary in order to operate on the earth.

[3 : 26] And not just that. There needed to be a father Joseph to take him to go and hide in Egypt. When Herod wanted to kill God. Can you imagine? God had to be on the run.

And he depended. He was depending on somebody. Called Joseph. Matthew chapter 2. So prayer authorizes God to work on it.

Now number three. To generate testimony. So if you want a testimony. Depend on the Holy Spirit. If you want to provoke a testimony. Number two. Do what? Number two. I can't hear.

Number two. Pray. Because if you don't pray. Testimony will not happen. Prayer. Prayer. One of the benefits of prayer. It brings us in alignment with the purpose of God.

So prayer helps you to synchronize with God. You don't struggle to do things according to God's will. When you are prayerful.

[4 : 23] When people are so desperate. Oh please. When people are so desperate. I just want to know the will of God. I just want to know. It's because you are not praying enough.

When you pray. You begin to move. As you move. You are. You flow in line with God. Number three. Faith.

Without faith. Forget about attempting to please God. How can you make God smile without faith? There are people on earth.

Who God looks down and smile on. Wow. That's why the songwriter said. I want to put a smile on your face. I present my. There are people who. God looks down on and smiles.

May you be such a one. But to do that. It takes faith. What do I mean by faith? Absolute confidence in God.

[5 : 25] That God would do it. I was listening to a message. And it blessed me. About in Mark. In the book of Mark. When the Herodians and the Pharisees. Came to. Come and tempt Jesus.

In Mark. And they tempted him. And they said that. Should we pay. Is it lawful to pay taxes to Caesar? Because in Deuteronomy. God.

In the book of Mark. In the book of Mark. God. Didn't allow the Leviticus. But. If you are under Roman rule. Wherever. In fact. When you are. A male. And you are 12 years and above.

You have to pay tax. It's a living tax. You know. In this country. We have council tax. We have road tax. They have living. Being alive. So once.

Between 12 years and 65 years. You are supposed to pay tax. To the Roman authority. If you are a male. And if you are a female. From 14 years to 65 years.

[6 : 20] You are supposed to pay tax. To the Roman government. And people didn't like it. When they started it. There was a great revolt. In the year 6 BC. Great.

Great revolt. They fought. And there was this guy. Simon. Simon. There is a lot. He started it. And they killed him. But his followers.

Were under. Fight. So by the time Jesus came. Paying taxes to Rome. Was very. Very. Bad. It's like. The public. Didn't like it. Public opinion.

Was against it. So how can you tell us. To pay taxes. To Rome. No. This is our land. We can't pay taxes. And yet. Anybody.

Says don't pay tax. It was a political. Landmine. The Romans. Will come after you. And squash you. If you rise up. And say no one should pay tax. You are like a terrorist.

[7 : 16] If you. Say. We shouldn't pay tax. Taxes to. Rome. Rome. Will come after you. They will either arrest you. And execute you.

Or be thrown into prison for life. Or something very harsh. Yet. You cannot be a religious leader. And say. Pay tax. You can't say.

Be a religious leader. Because it's like. You are against God. So it was. Not God's approval. To pay tax. Yet. It was not. Unlawful. This is the question. They ask him. Then the Pharisees.

The teacher. We know that you are. You are true. And care about no one. Is that true? Yes. What they said about Jesus. Was true. They said something true.

But with the wrong intention. He said. Oh yeah. Great guy. Yes he is. For you. For you do not regard the persons of men. Is it.

[8 : 10] You see that. Lawful. Lawful. Is it lawful. Now. This is a very tricky question. They. They didn't. They didn't say that. What do you think about taxes?

They said. Is it lawful. To pay. To pay taxes. To Caesar. Yes. Or not. It's a yes or no. Yes or no question. So. It's a yes or no answer.

You have to give yes or no. If you say yes. Ah. It's a political. Problem. If you say no. It's a religious problem. When you mix religion and politics.

All you have is politics. So. They. They ask him. What should. Is it right to pay. Is it lawful.

God. Is not lawful. Caesar. Is lawful. And. They had. Corned him. He has to answer. And get into trouble now. I know some of you.

[9 : 08] You are in situation. You see. What. Whatever you do. You are in trouble. It's like. You lose. On both ends. Whatever you do. Oh. Not when God is with you. That's why I said all this.

When God is with you. There is a way. God will make a way. For you to win. Yes. So I don't know. I know I am talking to somebody. I am addressing somebody.

Who is in a situation. That looks like. A loose. Loose situation. But when Jesus is on your side.

When God is on your side. He will turn it all around. For your good.

Sad yes. Yes. See what. Jesus. Please sit down. Jesus. Do you know how Jesus answered them?

He said. Bring me a coin.

Bring me a coin. Who said is this? He's on the coin. He said Caesar. Is it? So the coin. He said. Okay. Then give what belongs to Caesar.

[10:03] To Caesar. And. They thought. They tricked him. Yeah. But. When your. Your back is against the wall. God will always. When you depend.

When you have faith in God. That's what I'm talking about. When you have faith in God. When you have faith in God. It might look very gloomy. It might look very bleak. It might look very impossible. But. What. Why are you coming to a place like this? We are praying. And you are still returning impossibilities. You are still believing that.

Well. It's not this one. It's a close case. Who told you it's a close case? Who told you it's a close case? Not with God. For with God. All things are possible. If I were you.

I would scream. I believe God. I believe God. If I were you. I would scream even louder. I believe God. What have you got to say about your marriage?

[11:00] I believe God. What have you got to say about your finances? I believe God. What have you got to say about your ministry? I believe God. What have you got to say about your health? I believe God.

What have you got to say about your family? I believe God. What have you got to say about your children? I believe God. What have you got to say about your future? I believe God. Have you got anything to say?

What have you got to say? Scream, I believe God. Didn't Paul say, don't be of good cheer.

In the midst of the shipwreck, there's no hope. He said, be of good cheer. Why? Because I believe God. Because there was a believer on the boat, they landed safely.

And there was not the loss of even one soul. Meanwhile, none of them were supposed to live, but there was one. Because there was one who believed God. All lived.

[12:02] What have you got to say? Have you got anything to say? Please say that because of my time. Faith. Shall faith?

Is the substance of things hoped for. Whilst others are hoping one day. You already have the... Faith takes you into the future.

You see, those who walk by faith live in the future. They live in the future reality. From the present, they are living in the future. You are very futuristic in your approach to life.

Why? Because I believe God. They were almost dying. Everything. All hope was lost in the sea. And yet, Paul said, I must... I must...

I must appear before Caesar. So, no worry at all. I know me. I will get to Caesar. What makes you think you... I don't know. I don't know. I don't have a lifeboat. I don't have...

[12:59] I don't know the direction. But I have something. I have... It's the compass of my life. It's the direction of my life. Even when everything is lost. All hope is lost. When there is a no-no situation.

When it's a lose-lose situation. Because I have faith. I believe God. It will turn in my favor. I know I am describing somebody's situation. I know I am describing somebody's condition.

I see your faith speaking for you. Have you got anything to say? I have... What have you got to say? I have... Please be seated.

I have... Please sit down. I have... I have...

Yes! I believe God! The songwriter said... He has promised... And he will never fail. I will hang on him.

[13:56] I will hang on him. When all hell breaks loose on you... Count on God's faithfulness. Keep your eyes on him.

Looking unto... The author and the foolishness. Yesterday I explained that... There is no greater... Expression...

Of faith... Than... Your... Obedience to God. If you believe God... Why are you hesitating...

In taking a step based on what he told you? You don't have faith. You don't have faith. So... Faith...

Is much more... Becomes much more... Practical... And expressive... In the steps we take. That's why... Sometime ago...

[14:49] During offering time... I said... Your offering... Is a photograph of your faith. It's a manifestation... A demonstration... And an expression of your faith. And then...

That number four point... Is... Covenant connection... Someone shout covenant connections. Covenant connection... Covenant connection is...

Intentionally... Connecting yourself... To a person... To a people... Or a place... Where you know... You can see... God is working... You can see God is working there.

You can see... God is with this person. You can see... Because... Nicodemus said to Jesus... We know... You are a teacher sent from God.

For no one can do this. When God is with people... He makes... Certain signs show. Yesterday... We read... In our Bible... How... Jesus told them...

[15:47] That... Didn't I tell you... If you believe... You will see the glory of God. And then... In chapter 10... Jesus told them that... The works I do... Of the Father... Those... These works...

Testify of me. So works... And so when God is with somebody... Works will show. You will see the works. In fact... He asked them...

I think verse 32... 31... 32... Somewhere... You want to stone me? I have done a lot of good works. You want to stone me... For which of the works...

Do you want to stone me? Do you know... What they answered in the King James? In King James... Verse 33... I think so... 32... 33... They answered and said... For a good work...

We stone thee not. For a good work... We stone thee not. So... Works... Are evidence... Of God's... [16:42] Power... Or God's... Manifestation... With somebody. And so... Anytime God wants to help you... He has a way of... Advertising... Advertising... Or drawing your attention...

To where he is working... In today's reading... I stumbled across something... Where he told them that... Verse 37... But... Though he had done... So many miracles... Before them... Yet... They believed not on him... Do you see that? Verse 38... That's the saying of Elijah... This is Elijah... Elijah... Sorry... Isaiah... I'm sorry... Isaiah... The prophet... Might be fulfilled... Which said... The Lord has... Sorry... Who said... Who has believed... I report... And to whom is the arm... Of the Lord revealed... Watch verse 39... So I'm going... Therefore... They could not believe... Because... That Isaiah... Said again... God has blocked their ears... So the point I'm making is...

[17:34] The disciples who believed in Jesus... How come they believed... It was God who helped them... Yeah... Because... You can say... God has blocked some people's eyes... So... When God wants to help you...

He will... He... One of the early stages of God's help... Is to help you to realize... Where he's working... He will advertise his works...

There are times... Look at... Laban... He wanted to do... Jacob ham... And... In a dream... God appeared to him...

When he met Jacob... He said... God of your fathers... Appeared to you... I shouldn't have... He... He couldn't have... God wanted to help him... Abimelech... He went and touched... Abraham's wife... He said... But... I'm an innocent man... I said... That's why I stopped you... From going further... Yeah... You are a dead man... Because of the prophet...

[18:28] I have a covenant with him... And you have connected with him... On the wrong side... So it's not what he has done... It's your connection... That is going to determine... What will hurt you... Or what will help you...

Forget about what he... Abraham died... Abraham lied... No... But I am with Abraham... He said... Go to him... Return his wife... Go to him... Let him pray for you... But he said... Prophet... You know he lied... But God said... He's my prophet... Forget about the lie... Covenant connections... Number five... Sacrifices... Which is... Including seeds... Seeds... You won't have this... Without a seed... Please... Please... Go and sleep... You want to... Pass an exam... You haven't written... It's because you want to buy... Your degree from online... Even that... You pay for it...

[19:25] Yeah... Sacrifices... Into bracket... Seeds... Sacrifices... You need to learn... Know how to... Work in sacrifices... God told Abraham... Bring me Isaac... I have an appetite... For what you want to protect... I have a very... Healthy appetite... For what means... Everything to you... In your life... Bring it to me... And prove me with this... God... Likes Isaacs... He does not even notice... Ishmaels... Because... Ishmael... Is not a struggle... To give an Ishmael... Oh... No... No... It's not a struggle...

To give an Ishmael... Sacrifice an Ishmael... They return from war... And this... Man said... The first... In fact... No...

[20 : 26] 2nd Kings chapter 3... Said... There shall not be... Wind... I think... Nor rain... But this valley... Will be filled with water... Wow...

Verse 17... That... You shall neither see... Wind... Nor shall you see rain... Yet... That valley will be filled with water... So that...

You... Your cattle... Your animals... May drink... That's a wonderful prophecy... That came... And... So... God said... I'm giving the enemy... Your hands...

Go against them... Fight against them... So they went... God said... Me... I'll deliver them in your hands... And they went... They were fighting... And the enemy... Was being defeated... And so the king... Who was being defeated...

Verse 28... 29... Is it the king of Amarah... He says... Let's go to verse... 26... And when the king of Moab... Saw that the battle was...

[21 : 19] Too fierce for him... He took with him... 700 men... Who drew souls... To break through... The king of Edom... That they... But they could not...

Look at the next verse... When he realized... His strategy was not working... He said... I'll use a different strategy... Then he took his eldest son... Who would have reigned... In his place... And offered him...

As a bent offering... Upon the wall... And there was a great... Indeed... God was with Israel... This enemy... Decided to use... The roots of sacrifice... As soon as he...

Used the roots of sacrifice... The whole... Spiritual system... Began to change... And Israel... Who God was with... Things were working... Against them... See...

God was with Israel... He said... You shall not see wind... You shall not see wind... The valley will be filled... Go after them... You will defeat them... I will give them in your hands... And they went... They will defeat them... See... This is a simple matter...

[22 : 14] In the sight of the Lord... He will also deliver... Moabites into your hands... Is that not what God said? So they went... Now... When the Moabites... The king of Moab... Saw the battle was feared...

He took... He used a military strategy... The military strategy... Backfired... And he said... This spiritual strategy... Worked... He went through... The altar of sacrifice...

Many people... The reason why... Your tongues are not... Generating results... Is because... It's just worse... It's not backed... By a sacrificial life... Life of sacrifice...

Life of sacrifice... By now... Some of you... Should have been saying... I want to go somewhere... Send me to go... And stay there... And do missions... Send me... I want to go...

That's why... Many people... Are speaking in tongues... But the tongues... Is just mere ways... Mere ways... Faith of obedience... Obedience of faith... Is not behind it...

[23 : 07] And... When there's obedience of faith... It will always show... In certain extreme... Sacrifices... It's mad... The thing she will do... That is madness... Madness...

You will do this... It's like... It's wild... Look at the woman... Tomorrow I might touch on that one... Today's reading... She broke the bottle... And the fragrance...

Affected the church... Bible says... The fragrance... Filled the whole house... There are people... Whose odor... Rather fills the house... No spiritual odor...

I mean... Yeah... The way you are gossiping... People are leaving church... Because of you... Without sacrifice... Without sacrifice... Sacrifice... Is the power... Behind spiritual activities...

Sacrifice... Is the potency... Behind spiritual force... False... If you lack sacrifice... You lack potency... Go on testimonies...

[24 : 04] Think sacrifice... Number six... Commitment to ministry work... Commitment to ministry work...

Now if you... If you are committed to ministry work... It has a way... Of... Of... Bringing certain... Goodest stores...

In life... Yeah... Bringing... Many of... Our pastors... Who are... Very well committed... In this church...

Almost all of them... They are children... If not one... Or two... Are doing well academically... Scholarships... Private schools...

Grammar schools... It's just... It's working... And it's across the board... It's across the board... It's just my... My child knows how to learn...

[25 : 03] Please don't go there... Don't go there... That's grace... When you are committed... To ministry... Your life will be connected...

To greatness... Greatness... Testimonies... People who prepare... Or who commit themselves... To ministry...

Always are in readiness... For testimonies... Commitment to ministry... Is readiness for testimonies... Commitment to ministry...

Commitment to the work of God... Because the scriptures say... In Hebrews chapter 6... Verse 10... For God... Is not unrighteous... To forget... Your labor of love...

Which you show... Towards his name... How did you do that? In that you minister... To the saints... And ye... Do minister... As you stay committed...

[26 : 01] From your heart... Not just from your hands... As you stay committed... Serving faithfully... Working with God... And connected to his word...

To his work... You just invariably... Get connected... To destiny... Serving... And service in God's house... Will handle your testimony easily...

You can be here for a long time... But it is the quality of your service... That determines your testimony... Testimony... Oh yes... Oh yes... Oh yes... Oh yes... Commitment...

Let me add this... Because number 7... Is that okay? That's a very powerful one... I don't want you to miss that one... Number 7... Is...

Prophetic encounters... Everybody say... Prophetic encounters... Prophetic encounters... Say it loud...

[26 : 59] Prophetic encounters... Yes... Prophetic encounters... The woman said... Me and my sons... My sons are about to be sold... She met the prophet... The prophet said...

Jesus himself said... In John... Luke chapter 4... From verse 24... And 25... Verily I say unto you... No prophet is accepted...

In his own country... That means... The people from among whom... The prophet is raised... Usually they can look down... Because they know him too much... And he says that...

I tell you... In a way... There were many widows... In Israel... In the days of Elijah... Elijah the prophet... Elias... So... Elijah the prophet... When the heavens were shut...

For three and a half months... And there was great family... Three and a half... To none of us... He said... To none of them... The next verse... But unto none of them... Was Elijah sent... But except...

[27 : 52] The woman of Zarephath... And then Jesus said... In the same way... In the days of Elisha... These are prophets... God sent Elijah... To sustain the widow...

And God sent... Elisha... To heal the leper... The foreigner... The leper... So Jesus was trying to say that... A prophet is usually sent your way...

For your relief... For your help... Oh yes... When we say prophetic encounter... We mean... We also mean... Atmospheres like this...

Atmospheres like this... Where... Prophetic declarations... Have been... Issued out... It's flying out like that... Yeah... Prophetic encounters... Take advantage of this fasting...

And this meeting... Don't say I'm fasting... So I can't make it... If you can make it... Make it...

Because... Your fasting is one good thing... But prophetic... There are others who might not even get to fast...

[28 : 50] But they are in the prophetic environment... And something will turn their situations around... Prophetic encounters... So many in the scriptures... You always see...

How people's destinies were changed... Because they met a prophet... I'm telling you... Testimonies are easily generated... By the encounter with the prophets... And I stand here as a prophet...

And I issue into your life... Say back... Sit down... Sit down... Testimonies... Every time...

I am about to... Discharge somebody's destiny... I most of the time... Use that phrase... As a prophet... When I say...

I'm a pastor... What I'm doing is a pastoral work... But any time I use the word... As a prophet... That means that... I'm speaking... From the volumes... To change destinies... That's the work of a prophet...

[29 : 46] Words... Are issued... Out of his mouth... Under the jurisdiction of heaven... To the extent that... Sometimes... Even if he issues it... On the pulpit... And says that... May God bless you...

To the wrong person... It will happen to the person... That's one of the things... That I learned... Some time ago... That if you are... If I'm going to even use... An example that... Okay... So let's say this person...

This person... Lost his job... No... It's not a good thing to you... Because whoever you point... That lost their job... Because you are a prophet... Even though you are giving that... As an illustration... It can be endorsed... And so... Sometimes if I say it... And I realize... I will say... But I have to say something counter... To nullify the prophetic impact...

Of that statement... Yeah... When we stand here... We are standing in the prophetic office...

Especially... In atmospheres like this... Your health will not go down...

[30 : 41] And so... It is your job... To receive the prophetic... Today... I saw it... As we read the Bible... Jesus said...

Whoever receives you... Receives me... And he said... Whoever receives me... Receive the Father who sent me... What? I saw it... Verily... Verily...

I say unto you... He that receives... Whomsoever I sent... Receiveth me... And he that receiveth me... Receiveth him that sent me... Anyone who gives a cup of water...

To a prophet... Shall we see a prophet? Please sit down... Let me finish... Anyone who gives a cup of water... To a prophet... Receives a prophet's reward... One of the interesting things...

About prophets... They don't look... Like people who wear gown... Listen... It is not in the looks... It's in the oil... Prophetic encounter...

[31 : 40] Listen... Many... Encountered prophets... And their destiny is changed... That's why I know... If you push... It's changing... Some of you... This isn't...

God has orchestrated... And arranged... For you to encounter... A prophet... And encounter... A prophetic atmosphere... For a change of story...

In the name of Jesus... So shall it be... Please sit down... Sit down... Sit down... I need to... I need to run... Yeah... So... What you do to the prophet...

How you receive the prophet... Is also part of the... Encounter package... So... What the prophet... Does for you... He said... What do you have in your house?

A jar of oil... And a small fly... He said... Go and borrow... And pour... Vessels and pour... That's all... Prophetic institution... In John chapter 6... Verse 5... No... Sorry...

[32 : 34] Chapter 2... Verse 5 and 6... Mary told the people... Whatever he tells you... Just do it... And he says... They filled the... Six water... Seven... He said... There was...

Six water pots... With... Jesus said... Fill the water pots... With water... And they filled it... And then he said... After he finished... Pour it out... And go and give it...

It is a tasty tool... He said... Go and give it to the governor... That's... And that's all... And the testimony was flowing... The governor said... Ah... Everybody saves the best one... First... But you are saving the best one...

Because he didn't know... Where it's coming from... This one is not... He said... When he drank... Verse 9... He said... When the ruler of the feast... Had tasted... What did he taste? Is that only water?

No... The water that was made wine... It was originally... Your original state is water... But prophetic encounter... Turns you into wine... So they are dealing with you...

[33 : 30] They know you as water... But as they deal with you... They begin to taste wine... Why? Because of prophetic encounter... I see that I make your testimony... I stand here as a prophet...

And I prophesy into your life... Your season of change has come... Your season of testimony has come... Your season of favor has come... Your season of change has come...

you're seeking no favor ask her you're seeking opportunity ask her receive it now receive it now receive it now I stand here as a prophet and I declare over your life Magalu Saragata Kariada anything that is fighting your health every force of darkness fighting your finances every force of darkness fighting your family life every force of darkness fighting your career fighting your business making life stressful for you I stand here as a prophet and I overthrow them in the name of Jesus by the power of the Holy Ghost I declare you're free you are blessed you are blessed you are blessed I release your testimony into your life I release your testimony into your life I release your testimony into your life

I release your testimony into your life so shall it be in Jesus name shout your biggest amen please be seated 2nd Kings chapter 3 verse 11 there is one Elijah who used to pour water on the hand of

Elijah and then the king said verse 12 the king said that the word of the Lord where the word of the Lord is with him that's all we need the word of the Lord is with some people who hey I'm telling you there are people God has chosen to give his word to Bible says that and the word of the Lord came to Amos and the word of the Lord came to Isaiah that's what made him a prophet it's the word of the Lord some of you I don't care what the doctors have diagnosed I speak the word of the Lord against that diagnosis I speak the word of the Lord and I pray that today marks the change of your story today marks the change of your story receive your miracle today marks the change of your story I speak testimony today marks the change of your story by the power of the Holy Ghost soon shall it be soon shall it be please be seated Elijah told the woman go and make the food but make for me first it's just a prophetic instruction he said I only have a small meal of flour go and make some cake for me and then eat the rest and they ate it never finished according to the word of the Lord which Elijah spoke somebody will say why should you do it why should you do it because he seen Elijah as a normal person a prophet is not without honor it takes a certain level of spiritual understanding and covenant insight to catch a testimony through the mouth of the prophet Bible says that this yesterday's reading chapter 12 verse 1 to 3 from the beginning a lady came marry

[37:12] Mary and she broke the alabaster box and spent it on Jesus and Judas was complaining Jesus said leave her alone let her alone for unto my burial has she done what she has done I'm telling you wherever the gospel it will be mentioned for a memorial for a memorial because what did this woman understand the way she received the prophet the way she honored the prophet that everybody could see clearly Bible says it filled the whole house don't be tired of receiving a prophet let me just throw it in honor will give you long life and well-being who you honor will determine how well you do whether I like it or not who you honor will determine how well you do and then location instead of finding problems and complaining shift your heart and determine me I will honor this person everything the person does is right instead of thinking that others outside your camp are more honorable you are missing it you are missing it when God gives you a prophet and you think others are more powerful because they are celebrities you have missed it yes you missed it your status won't change because your testimony will become you have not received the prophet

God gave you don't stay in a church where you can't honor the pastor just leave don't stay there because you are short-cutting your church circuiting your testimony and your blessings a pastor you can't honor is not worth serving under and a pastor every time you see problems about every pro every time when people are talking any time someone says negative thing about your prophet suddenly it begins to make sense every negative thing they say ah yes it makes sense it makes sense that's why he shaved all his hair it makes sense there's something you have to don't develop an appetite for anything negative about your prophet one thing I know once I was blind but now I see I know he's my prophet I don't care how you define him I know I am convinced I know he's my prophet your prophet said this is where he gets his grace from so now you think that's a better grace why didn't your grandmother breastfeed you it doesn't work like that prophesy prophesy he said son of man can these bones leave prophesy to the bones prophesy

I put my word in your mouth son of man prophesy prophesy I also stand here and I prophesy into your life I prophesy the favor of God the testimonies from above the blessings of God the glory of God I prophesy in the name of Jesus in the name of Jesus so shall it be I'll have to continue the place of a prophet in what heaven can do in people's lives never let anyone deceive you to think ah as just an ordinary human being yes very ordinary but at the same time something extraordinary is on his life and his mouth unbelievers will easily complain because they don't understand spiritual things cannot Christians will easily complain they don't understand spiritual things but one thing you shouldn't forget the blind mind in John chapter 9 he said once whether he's a sinner or not I don't know one thing I know once I was blind but now I see I thought if God wants to bless you he helps you to notice who his hand is on so the thief on the cross he noticed that this man he noticed that my blessing how would they have known God help Matthew 27 44 that's already let go how many thieves both of them not the thief he said look at verse 40 43 the verse before he said he trusted God let him deliver him now if he will have him for he says I am the son of God this is what the Pharisees were saying about him and the thieves also look not only one thief both of them so the other one was also part of it but somewhere along the line he changed he decided to shift his approach and that's why he was correcting the other guy we were doing together but listen this guy the guy had a revelation of who he was dealing with he had the revelation he was standing at the junction of destiny

I prophesy somebody you are the junction of destiny enter it now you are entering you are entering your financial destiny you are entering your family destiny you are entering your business destiny you are entering your destiny ministry in the name of Jesus the word of the lord came to the prophet and he said that bible says that and it came to pass chapter 17 of first kings that the brook dried up it came to pass that the brook dried up and it happened after a while that the brook dried up because there had not been rain and the word the next verse says that then the word of the lord came to him Elijah saying go arise

[43 : 44] Go to Zeraphat who belongs to them and dwell there see! I have commanded a widow there to provide for you meanwhile Jesus' rendering of this text in Luke chapter 4 verse 25 he says that I tell you there were many widows in Israel when the heavens were shattered for three and half years and there was a great family throughout verse 26 but to none of them was Elijah sent except to Zeraphat in the region of Sidon to a woman who was a widow God sent Elijah there on a purpose for prophetic sustenance so he says that go to the widow go to Zeraphat a widow I have commanded a widow there to sustain you but it was rather the opposite he was going to source that's what

Jesus said the woman was sent the prophet was sent to that widow there were a lot of other widows but they died the woman the prophet was sent to that widow in the book of second kings he said the king tore his clothes and he said this guy is looking for trouble there's famine in the land I mean he said this and the king was sad and the prophet said the king shouldn't worry there's a prophet here in the same way chapter 5 of second king Naaman the king of Syria sent a letter to the king that I'm sending this leper to you heal him heal him chapter 5 of second king said then he brought the letter to the king of Israel which said now when this letter is come to the behold

I have there with sent Naaman my servant thee that thou may recover him of how can a king recover somebody of leper listen to the response of the king verse 7 and it came to pass when the king of Israel had read a letter that he tore his clothes and said am I God to kill or to make a life that this man that sent unto me to recover a man of his leprosy wherefore consider I pray you and see how he seeks a quarrel against me because he knows I can't hear that he is trying to fight he wants to pick a quarrel and he knows I can't fight him so he wants to bully me then the king!

so it was so it was when Elisha the man of God heard that the king of Israel has told his clothes that he sent to the king saying where have you torn your clothes please let him come to me and he shall know that there is a prophet in Israel shall prophesy let him know let him come there might be a king the king doesn't solve some problems money doesn't solve all problems yeah certificate doesn't solve a lot of problems but the prophets whatever shape or form the problem takes God through his prophet in Hosea he said by a prophet God brought them out of Israel by a prophet prophetic encounters changes destinies changes destiny I know too many people including myself whose destinies have changed because of encounters with the prophet the prophet here I mean the man God has sent to change your story there are people God sends for you he came down he said in Exodus chapter 3 he said from verse 3 and 4 he said have seen the affliction of my people I have heard their cry and therefore I have come down the Lord said I have surely seen the oppression of my people in Egypt and heard their cry because of them for I know their verse 8 so I have come down to deliver them out of the Egyptians and to bring them out from the land to a good and large land to the land flowing and all that and look at the next verse now therefore behold the cry of the children of you have come to me and I have also seen the oppression which Jesus has oppressed them come now therefore I will send you to Pharaoh that you may bring my people the children of

[48 : 47] Egypt out of Egypt God said I have come to meet you to send you me myself I don't go I only use prophets he says that the Lord doesn't do anything except he communicates his prophet I believe this is a prophetic atmosphere the authority and the power in the prophet please sit down it's not only when he lay hands on shaking hands a roll but the real power is in his ways the real power he speaks the word oh yes when he speaks for the word and Ezekiel chapter 22 verse 17 I think it's verse 17 let's see what it says that the word of the Lord came to me I see the word of the

Lord coming to somebody the word of deliverance is coming to somebody the word of breakthrough is coming to somebody the word of a change story is coming to somebody the word of transformation is coming to somebody the word of is coming to somebody shout your loudest amen the reason why a lot of people tend to receive testimonies easily is because they believe the word of the prophet see when you are the more educated you are the more you begin to okay what does

this mean like the man on whom the king who asked the king rested you know when the prophet said chapter 7 of second king tomorrow morning by this time there shall be abundance yes then elisha when i say elisha i say the prophet then elisha i can hear then elisha i can hear then elisha yeah that's what prophets do then elisha the prophet said hear the word of the lord elisha also came and told the king there shall not be rain nor dew for three and half years except by my word except first king chapter 17 except by my word and the first one elisha the tishmite of the inhabitants of gilead said to ahab the king as the lord god of israel lives before whom i stand there shall not be dew or rain for three years except at my word if i don't say it it won't happen he can speak and close the heaven it's like there's a tap stop cock he closed it he closed by his word your ways the ways of the prophets the ways of god in the mouth of the prophet is like a stop cock it can open or close so elisha said that there shall not be just seven second case says that tomorrow about this time a share of fine flour shall be sold for a circle and two shares of ballet at the gates of Samaria then the politician the learned man so an officer say officer when you come to church don't be an officer so an officer especially a prophetic atmosphere like this if you're an officer okay why did he say that how can this how can this happen oh no I don't think oh you're an officer officer because officers examine things very critically but believers believe the word the officer on whose hand the king leaned so he can tell you his position very high on whose hand the king leaned answered the man he answered the man of God the man of God is speaking the word of God and he had the audacity to answer him and challenge that no no no stop that stop that we are not children here now stop that you can fool some of the people all the time stop it look he said look if the

Lord will make windows in heaven could this thing be groan said, ah, you are challenging my words. In fact, you shall see it with your eyes, but you shall not. You see, when you don't receive the prophetic word, you don't enjoy the prophetic word.

The prophetic word you enjoy is the prophetic word you receive. Radabashakathaya. Thank you for listening to this message by David Entry.
