Preacher: David Antwi

[0 : 00] Thank you for tuning into this message by David Entry. Every true revival is a product of the strong preaching of God's word. May you receive a word from this message that will spark a revival in you.

! There are breakthroughs in the house. There are testimonies in the house. I see somebody taking your package. When it comes to things that are given by heaven, they are taken by earth.

When it comes to things that are given by heaven, they are taken by earth. So heaven gives, but somebody must take. I can't.

So Paul said, the grace of God on me was not in vain. I lay bad. So there was the grace for him to become great. But he had to activate the human side.

[1 : 12] And so until we learn how to persevere and push to claim your portion, the enemy will be comfortably or will comfortably be sitting on your portion and enjoying it.

But never again. And so we want to pray briefly tonight. And so we want to pray briefly tonight. That in Genesis, Bible says that in verse 24 of chapter 32.

Genesis 32, Genesis 32, 24. Genesis 32, 24. And a man, Jacob was left alone there. And there wrestled a man with him until the end of the fasting.

And when the man realized that he was not prevailing, verse 25.

And when he saw that he prevailed not against Jacob, he hit the hollow of his thigh. So his hip. They gave him a blow on his hip and he couldn't stand anymore.

[2 : 25] And yet Jacob would not let go. So, and the hollow of Jacob's thigh was out of joint. And the hollow of Jacob's thigh was out of joint.

And he wrestled with him. Then the personality said, let me go. And he said, let me go for the day, break it.

And Jacob said, I will not let you go. Except this fasting is not ending without my testimony. Anything that is given by heaven is taken on earth.

So, heaven gives, but earth has to take possession of delivery. He said, you will go. I am determined.

And the woman came to Jesus. A woman came to Jesus. Chapter 15 of Matthew. From verse 24, Samuel 26. He said, she said to him, my daughter is very sick.

[3 : 36] So, heal her for me. And Jesus said, I cannot give the children's bread to the dogs. And the woman continued to say, Matthew chapter 15, isn't he?

But he answered and said, it is not me to take the children's bread and give it to dogs. And then the woman said, even though, even that, when children eat, you have a mess on the ground.

So, when they eat, there will be something the dogs can get to. It's just something small for the boys. Something. There will be something.

God, as you are blessing people and changing lives, let something small touch you. That one is not a matter of laying on of hands.

That one is a matter of connection of heart to heaven. Somebody is going to put demand on heaven. Somebody is saying, God, if you don't bless me, this first day I'm not stopping.

[4 : 56] And God, I'm believing you for a change of story before the end of the month. I'm believing you. I believe you for a change of story before the end of the month. I'm believing you. I believe you for a change of story before the end of the day.

That's better. Before the end of the day. So, you have to search your own. It doesn't mean God is waiting for you to advise him. Everything heaven gives is taken by earth.

So you determine when you are ready. I told you some time ago. Every day is God's day. It becomes your day. The very day you choose to act. I believe. Every day. So today, somebody is definitely going to walk out of here with a package. No two ways about that. Some people are going to...

I don't know who I'm talking to, but somebody is walking out of here. With your covenant package. No two ways about that.

Some people are, I don't know who I'm talking to, but somebody is walking out of here with your covenant package. There must be a change.

[6:05] Something must change. Some of you, because you haven't been aggressive enough, that's why your story hasn't changed. Many years ago, a wise man said, a great man of God said, things exist in your life with your permission.

Until you are fed up, they don't change. Until you are fed up, some things will never change. And tonight, somebody must push the boundary.

The scripture we read from Genesis chapter 32, sorry. You'll find out that this personality was wrestling with Jacob. Because from 24, he was left alone.

But a man wrestled with him. Where is this man? He was left alone, but a man wrestled with him. So, it was, the word he has got from God, that has become like a personality.

He was frightened. He had the word from God. He was frightened. I won't die. I will not die prematurely. I will not break down. He was frightened. Oh God! And he was alone.

[7:13] You can be in the crowd, but you're just alone. Now we come and we are praying. That's why I encourage some people. Just sometimes, don't be watching people. You can create your own space.

And if possible, you close your eyes. And zoom in. Your testimony will begin to justify your concentration. Listen, you need help.

Maybe not you, but me, I need help. In times like this, my house shall be a house of prayer. That means, that means, in God's house, God answers prayers differently.

Now we come and pray. Now we come and pray. This is the time to tackle some things in prayer. It said in Deuteronomy chapter 2 verse 24. See, I have given you the land.

Rise up, take your journey, and pass over the river Anon. Behold, I have given into your hand. Sihon and the Amorite, the king of Hesham.

[8:13] Heaven you. Whatever heaven gives, earth must take. Now he said, what I have given you, begin to possess it and contact with him in battle.

God, you have given me already, yes. But you have to fight for it. Some of you, your marriage has already been given up. But because you are not fighting, that's why. I'm not talking about fights, a rival, the sister, or fight the other brother.

That's a foolish fight. The same situation that happened to your mother is beginning to happen to you. And it's not the same man both of you are chasing.

So that means it's a spirit that oversees the occurrence. So in prayer, you have to tackle the power behind it. Isn't that what Daniel did?

When the answer was coming, Prince of Persia withstood the answers. So what was happening? The change of governmental situation was happening in the realm of the spirit.

[9:14] And Daniel's prayer was mounting up pressure in the realm of the spirit. So Daniel's prayer was changing things in the spirit. And then naturally things are happening. You would think that everything that is happening globally is starting in the spirit.

It's starting in the spirit. Everything that happens in the physical has its source in the spiritual. Your health is not just a medical problem.

Even though you have to do due diligence when it comes to medicine. But telescopes don't see demons. Or microscopes.

Microscopes. Microscopes don't see. They will take your sample to the blood and they will see a demon. But there's a demon behind the situation. If you don't learn how to fight, you are not ready for a flight.

You must learn how to contend. He said, see, I have given you his land. Contend with him. Contend with him in battle.

[10:22] Begin to possess it. Contend with him in battle. How many of us are ready to contend? Tonight is what is usually called warfare prayer.

Two types of warfare prayer. The main warfare prayer is contending with demonic entities. That have been assigned to oversee your head.

That has been assigned. Some of us were already born into a battle you didn't start. But it will not prevail over your life.

I know many people who are still alive because of courage. Wow. What do I mean?

They found themselves in a prayerful atmosphere. What happened? And a prophetic atmosphere. In terms of preserving their life. Things that are happening against their family members that happens for generations without fail.

[11:27] It goes to their tent and it's not happening. It's like something has to block it. Oh, somebody has to take advantage of the atmosphere. Some of you, you are meant to do ministry.

But if you are not careful, you will be reduced just to industry. You won't do it. You won't do it. Some of you are meant to have good marriage. But if you are not careful, that same demon that made your mother never happy in marriage.

That made your father a womanizer. You think it's just about your feelings now. Please. Haven't there been times you feel holy?

For a long time. And then there have been times you feel like, actually, you are a devil in disguise. Most people say, when I'm married, I'll be very nice to my wife.

The apple does not fall far from the tree. Your dad was a womanizer. I'm telling you, your dad hurt your mom.

[12:37] You are likely to repeat it and do it higher. Your mother was never able to settle with one man. Yes. Your mother was like a trace man.

And you think you are free. That's what the Africans call generational curse. You can see it's called patterns.

It's repeating. I might tell you in distance. So you are aware of what you are dealing with. And pray. How come your thing cut him short? And you can see.

Every time opportunities come in your way, something. But that story must stop. He says, He said, You shall no longer use this proverb in Israel.

The fathers have eaten sad grapes. And the children's teeth are set on edge. He said, That proverb is not working anymore in Israel. Give me that scripture.

[13:37] Jeremiah 31, 27. In those days, They shall say no more. The fathers have eaten sad grapes. And the children's teeth are set on. It is the days. The things that are happening.

Or quarrels, Spiritual quarrels, Your grandfather went to pick. And it's ravaging everybody in the family. No. It must not happen to you. Amen. But don't think because you are a nice person.

Satan doesn't care nice people. Satan doesn't care nice people. What Satan knows is, There is a legitimate and a legal reason. He said, He said in Isaiah, That, Isaiah 49, He says that, Can the prey be delivered from the lawful captive?

In other words, Can the prey be delivered from the mighty? Can the lawful captive be delivered?

Shall the prey be taken from the mighty? Or a lawful captive be delivered? What it means is, When a police has arrested someone who went to steal, You can't go and say, No, Let him go.

No, No, It's a lawful captive. It's a lawful arrest. A prey from the mighty, The mighty means, A lion. A lion has come to catch a goat, Next to your house.

[14:52] And you say, Oh me, I'm going to face the lion. No, That's the mighty. You can't deliver prey from the hands of the mighty. Can you imagine, American army, Has arrested somebody in your neighborhood, You say, I'm going there to go and deliver them.

Can a prey be delivered from the mighty? No. Can the prey be delivered from the mighty? No. Can the lawful captive be delivered? No. See what God says. God said, But that says the Lord.

Even the captive of the mighty, Shall be taken away. I know you went to mess up, And you had STD. But even the, The, The, The, Even the captive of the mighty, Even though there is a legitimate reason for you to have it, In situations like this, In environments like this, You cannot appeal to the mercies of God.

You have to override, To overturn, And intervene in your situation. You want to lift up your voice, And contain for your peace, Contain for your testimony, Pray for the blessing of the Lord, To manifest over your life.

You shall not be a victim, Just like others in your family. You shall not be a victim, Just like your mother, Just like your father, Just like your aunties, Just like your uncles.
