[ 0 : 00 ] Thank you for tuning into this message by David Entry.! Every true revival is a product of the strong preaching of God's word. May you receive a word from this message that will spark a revival in you.

In the book of Acts, chapter 10, verse 30, let's go to verse 30. It says that Cornelius said, let's read it out from the screen, let's go.

And Cornelius said, for me to God, I was passing until this hour, and at the ninth hour I prayed in my house, and behold, a man stood before me in my glory to you.

When did it happen? When did he start fasting? He was fasting on the third day, and then the next day Peter came after the third day. So he was fasting.

Now, how many of you have been fasting today? So fasting is not just a moment. But you can't say you are fasting when you have been eating, and then this time you're okay, now I won't eat right now, so I'm fasting.

[ 1 : 05 ] No, that's not fasting. Did you understand that? When someone says, today I've been fasting, that means from the morning. He has denied himself intentionally from some gratification from food.

Got it? So when he said the ninth hour, he didn't start fasting at the ninth hour. Four days ago, I was fasting until this hour, and at the ninth hour, I prayed.

So the first hour, I said, I've already been fasting. I've already been fasting. start the trigger. It was the prayer which came through the fasting.

So the prayer changed everything. The prayer endorsed the purpose of the fasting. Do you understand that? He said, until this hour and at the ninth hour I prayed in my house.

He had already been fasting. And when he started prayer a man stood before me that's an angel. That's called a visitation now. Do you know what triggered a visitation?

[ 2 : 14 ] Prayer. Every year by the ending of the year somebody is dead. As we are here, somebody is dying.

A man the agagite. A man the agagite is determined that you will come down. There is an evil. Esther chapter 8 verse 3. Evil has been planned against the people of God. It says that the Esther spoke again to the king fell down at his feet and implored him with tears to counteract the evil of a man the agagite and the scheme in which he had devised against the Jews.

And you know what a man did? Look at chapter 3 verse 8. This is chapter 8 verse 3. Look at chapter 3 verse 8. Yes. Then a man said to king Ahasuerus there is a certain people scattered and dispersed among the people in all the province of your kingdom.

Their laws are different from all the other peoples and they do not keep the king's law. Therefore it is not fitting for the king to let them remain. You are living your life but someone is plotting about your job.

[ 3 : 37 ] Let's finish Haman. Let's go to the next verse. Verse 9. If it pleases the king let a decree be written that they be destroyed and I will pay 10,000 talents of silver into the hands of those who do the work to bring it into the king's treasury.

So it's going to bring economic benefit to the king. I'm going to get money for you. Let's kill these people. The king said okay let's go ahead. So the king took his signet ring from his son and gave it to Haman the son of his father's name the Agagite and the enemy of the Jews.

Let's go to the next verse. The enemy of the Jews. He was the enemy of the Jews. And the king said to Haman the money and the people are given to you to do with them as seem good.

to you. Meanwhile this is the enemy of the Jews and now he has been given absolute power. And his life assignment is we have to destroy the Jews. See what he did.

Verse 12. then the king's scribes were called on the 13th day of the first month. Say the first month. Say the first month. 13th day of the first month and the decree was written according to all Haman commanded to the king's satraps and the governors who were over each province to the officials of all the people to every province according to its script and to every people in their language.

[ 5 : 08 ] In the name of the king Ahasuerus it was written and sealed with the anything the king seals with the signer it cannot be changed. Even the king cannot change it.

So once it's sealed and this thing was sealed. Look at the next verse. And the letters were sent by couriers into all the king's provinces to destroy, kill, and annihilate all the Jews, both young and old, little children and women, in one day.

Say one day. One day. It's possible there is a one day this year that has been planned with your name on it because Satan is out to get you.

So there's a certain day. If you can plan for that day, you can overturn it. So the decree was made that on this day they should kill them. And they sent it.

Look at it. We are going to verse 15. And a copy of the document was to be issued as law in every province being published for all people that they should be ready for that day.

[ 6 : 13 ] Satan has a very healthy appetite for you, for your health, for your finances, for your career, for your marriage, if you don't master it now, it keeps getting worse.

You got to pray, all. Yeah. You have to pray. Say, lady, there is Herman the agar guide who has decreed that this year you will fall.

He has decreed. Satan has the timing to bind you this year. But we don't know when. We don't know whether it's planned with January, February, March, April, May, June, July, August, September, October.

We don't know. So you continue as usual. As your life is normal. They have actually planned. Somebody is about to be bound this year.

It's either you or your enemy. Fasting binds your enemy. So if you have an enemy, then come for these prayer meetings.

[ 7 : 21 ] If you have an enemy, come for this prayer meeting. Let's bind. Satan has determined that this year he is about to bind somebody. Yes. So they plan evil.

Evil which Haman has planned against them and the king has signed it. It cannot be reversed. So what you going to do? It cannot be reversed. look at chapter 9 verse 1.

Wow! Now in the 12th month, that is the month of Adah, on the 13th day, the time came for the king's command and his decree to be executed.

And on that day, that the enemies of the Jews had hoped to overpower them. That when they were going to overpower the Jews, the opposition occurred in that the Jews themselves overpowered. said, whatever the enemy has planned against my life, I stand in the name of Jesus, and I declare the opposite will occur.

[ 8 : 27 ] I declare the opposite will occur. I don't know who I'm preaching about. I don't know who I'm preaching to.

I don't know who I'm describing, but that will be your testimony. That will be your testimony. That will be your testimony. What the enemy has planned for you, the opposite will occur.

The opposite must occur. That's why we have been fasting. We are fasting to put the enemy where he belongs. Satan can be bound.

Bible says in Revelation that there was a chain. They used to bind the devil. You can bind him. You can give him a stopping point. You can tell him, no further, no more.

You proceed no further. Proceed no further. Concerning my health, Satan, proceed. Listen, you shouldn't be here and then later on the doctors diagnose some worrying.

[ 9 : 29 ] No, no, no, no, no, no, no. The opposite will occur. The opposite will occur. The opposite will occur. The opposite will occur.
