Preacher: David Antwi

[0 : 00] Welcome. Thank you for choosing to listen to another faith-building message by Pastor David Entry. Faith comes by hearing and by hearing the Word of God.

May your knowledge of Jesus Christ increase as you listen. Be blessed. The scriptures say, thank you Jesus. Philippians 1.6 says that being confident of this very thing, that he who has begun a good work, hallelujah, God who has begun a good work in you will complete it.

The King James says that he who has begun a good work in you will perform it. Hallelujah. God, I think the NIV, let's see how the NIV puts it.

Being confident of this, that he who has begun a good work will carry it on to completion until the day of Christ Jesus. So God is still working.

Yes. God is real and God is here. Somebody who believes shouts hallelujah. Hallelujah. God who has begun a good work, and the Bible clearly says that he has begun a good work in you, in you.

[1 : 23] The good work he began is in us, amongst us, is in our lives. And these few days, we have all seen the power of God, the great things God has been doing in our midst.

And I believe that tonight is a continuation. I'm telling you, he who has begun a good work in you shall perform it. I see God performing more wonders in somebody's life.

And if you are the one, your amen will definitely show that you are the one in Jesus name. I want you to know that we have gathered together here to see the work in the hands of God, to see the hand of God, the work of God, the power of God in our lives, in our families, in our businesses, in our education, in our marriages, in every field of endeavor in our lives.

God is able to turn situations around. What a glorious opportunity God has given us to be able to come back again together and have fellowship and pray.

Satan must be sorry he brought the pandemic. Thinking he was going to use the pandemic to stop us, to stop our fellowship, to frustrate our meetings, to hinder us from coming together or make some people backslide.

[2 : 49] It's people who have not taken Christ's years, who were not really, they were in church, but church wasn't in them. They will backslide. But some of us, we are going to take advantage of the atmosphere and keep growing stronger and stronger and stronger and stronger.

Some of you, your spiritual life has hit an all-time high, even in this pandemic. All-time high. And it's going to continue like that. It's going to go higher and higher and higher.

Amen. Up and up and up and up it goes. Higher and higher and higher and higher it goes. Stronger and stronger and stronger and stronger it goes.

And I'm so pleased God has given us this opportunity. It might be for one week. It might be for one month. It might be for one year. We don't know.

We're just flowing. We are flowing. As long as there is lockdown, as long as there is lockdown, we are flowing until we know God is giving a different direction. Because when he leads, we will follow.

[3 : 52] When he leads, we will follow. As long as there will be television in homes, television programs will be going on. This is also a television program on its own. Oh, it's a television program on its own.

And this is bringing the power of God, the glory of God, the hand of God to bear in your life and family.

What a television program. Hallelujah. Amen. God, I would want to use this opportunity to encourage somebody. When you read the book of 2 Kings, Elijah told Elijah, leave me and go back home.

Because God has sent me and I'm leaving town. And then he said, ah, wherever you are going, as long as the Lord liveth, and as long as thy soul liveth, me, I will continue following.

2 Kings, chapter 2. Elijah said to Elijah, I will follow. As long as God is there, and as long as you are alive, I'm going to follow.

[5 : 15] Then afterwards, they, so he said, then Elijah said to Elijah, stay here, please, for the Lord has sent me onto Bethel. But Elijah said, as long as the Lord lives, and not only God will, as, and as your soul lives, I will not leave you.

So they went down to Bethel. He, he had the opportunity to retreat. I told you, there's nothing like retreat in the Bible. Wow.

No retreat. No retreat. No retreat. So, now there's, I even stopped using the term, I'm going on a retreat. Because, there's no retreat in the Bible.

Wow. I'm not going on a retreat. Yes. I'll go on waiting. Yeah. I'll go for waiting. Waiting on the Lord.

dedicating time about retreat. No, I'm not retreating. Because, Elijah said to Elisha, can you retreat? Because God said, I should go to Bethel.

[6 : 19] He said, as long as you live, and as long as the Lord lives, and you live, I will not retreat. I will not leave. Then, Bible says, they went together.

Then, they came again. When they go to another, to Bethel, Elisha told, Elijah told Elisha, that, then Elijah said to him, Elisha, stay here.

Bethel, at least you followed me to Bethel. We finished 21 days fasting. It's okay. Now, stay here. You don't have to come on a prayer like that. You don't have to be part of the thing. Just, you used to go back to regular life.

Go back to regular life. Go back to regular life. This is the season, senior prophet, advising a young apprentice, prophet, apprentice, prophetic apprentice, that, go back to regular living.

Go back to regular life. At least, you've tried. When we started the year, you have come to Bethel. Bethel is good. So, now you can leave me. Go back. Elisha said, stay here.

[7 : 24] Then, Elisha said, Elisha, stay here. I go. But, but he said, as long as the Lord lives, and your soul lives, I will not leave you.

I will not leave you. So, they, they came to Jericho. I'm not retreating. I'm not retreating.

As long as I have the opportunity, my phone, and, in my house, we pay regular, um, regular, Wi-Fi bill, or, internet bill.

So, whether I use it, and I don't, or I don't use it, I will still pay. Ah, and there is prayer meeting. Ah! I should go and watch, I should go and watch, EastEnders, and other things. No!

No! As, as long as the Lord liveth, and as long as this prayer liveth, I will not leave you. Ah! As long as the Lord liveth, and as long as this prayer continues, I am not going anywhere.

[8 : 28] Elijah, couldn't, stop him, because, he knew the guy was, trading spiritual secrets, trading, spiritual principles, and spiritual principles, guarantee, radical testimonies.

And so, they moved, they went to Jericho. Now, when they got to Jericho, then, Elijah said to him, stay here, please, the Lord has sent me, on, to Jordan.

But, he said, as long as, listen, whether it's continuing, in the whole of February, or June, or to the end of the, it's not a problem, as long as God is there, and as long as you live, and I hear, if I have, once I have the means, once I have the opportunity, I'm on, count me in.

And you know what? Look at verse 3, let me show you something. Thank you, Jesus. Now, the sons of the prophets, who were at Bethel, came to, came to Elijah, and said to him, do you know the Lord will take, away your master from you, hey, your master, from over you today?

He's going to leave you, as you are saying, I will not leave you, he will leave you, and God is behind it, he will leave you, and he said, yes, I know, it's none of your business, shut up.

[9 : 44] That's a nice way of, saying shut up, keep your silence, is it not the same thing? Keep your silence, shut up, is it not the same thing? He said, shut up. He said, I know, what you are saying is true, I know, but you can't be on prayer meeting, every day, every day, prayer meeting, what should I do?

Oh, sometimes you need to relax, you need some relaxation. Ah, I know I need relaxation, I can do the realization at some time, but this one, or two, or three hours, in the presence of God, sometimes I can be watching a movie, three movies, on a stretch, and you will be watching, and you post your next list, and go to the kitchen, and get popcorn, or get some coke, and you come and sit down and watch, and this one, is building color into my destiny, building color into my future, you say, no way, no way, I don't care, my subscription, about Netflix subscription, Amazon Prime subscription, Apple TV subscription, Sky, Sky subscription, I don't care, H what?

HBO. All those ones. HBO, everything, I don't care, I am going to dedicate myself, to, so, people, whilst the prophet is telling you, stay at home, or, it's okay, live a regular life, you are determined to follow, and others outside the prophetic fold, they also believe they know, because they are sons of the prophet, those sons of the prophet, are like, prophetic school, or Bible school students, so they are called the sons of the prophet, they are, they are learning under the prophet, there are 50 of them, there are a lot of them, and they were everywhere they went, somewhere in Bethel, somewhere in Jericho, and Jordan, they were everywhere, and every time they kept telling him, did you know you have to go, do you know you have to go, and guess what, after Elijah pursued, before this, Elijah, sorry, Elijah said to, Elijah said to Elijah, what do you want from me, tell me, and you will have it, then he said, no,

I don't need money, I don't need a wife or a husband, I don't need something material, I want whatever will bring, all those other things, Bible says, seek ye first the kingdom of God, and his righteousness, and all these things, some people don't see that one, all these things shall be added to you, and all these things shall be, when you seek God, things, you don't go for them, they are added to you, what others are killing themselves to get, God will bring it to you, this evening, I was talking to one of the pastors, who have never missed any of the service, he said, pastor, job, job, bigger jobs, higher pays, that I have not applied for, now they are head hunting me, head hunting me, because he said, when you seek God's kingdom, some things will be added to you, to be added to you, I see, I see emails, you didn't even expect, are coming to you, I see miracle monies coming to you, I see miracle opportunities coming to you, so be in the name of Jesus, amen, so, he determined,

I'm not going to, I'm not going to give up, he said, there's only one thing I need, a double portion of this, of your spirit, to be upon me, whatever is, oh, because you see, he has seen the miracles happening, he has seen all those things happening, so he said, whatever is happening, on this platform, God, I want, I want more, to happen in my life, ah, wow, wow, that's, that's why, you keep pushing, some people are not desperate enough, you are too casual about your, your desire for a testimony, you are too casual, you have to become intense, push, push, push like a woman, who's in labor, you are in labor, baby is coming, dilation is good enough, the baby is coming, but you are tired, and you say, I don't want to push anymore, you don't have a choice, oh, you don't have a choice, that is why, you have come to this point, you don't have a choice, you have to keep pushing, because, you have to see the baby, the baby is just a push away, which is your job, your testimony, your marriage, your healing, it's just, a push away, don't end it, with the fasting, don't end, don't end it, with the fasting, because the just, doesn't live by fasting, they live by faith, fasting can end, but your faith can continue, someone say continue, continue, the just shall live, by, in fact,

[14 : 24] I said by his faith, Habakkuk chapter 2 verse 4, the just shall live by his faith, you live by it, you don't start a year, by it, and then continue normal, no, you live through the year by it, yeah, by his faith, so, Elijah said, tell me what do you want, he said, I want the whole portion, of the spirit upon you, then Elijah said, boy, you have asked a hard thing, nevertheless, if you can stay focused, and continue, continue, till you see me go, in other words, continue, till we see, this thing, we have ended it now, continue, continue, till you see, the end, of me, that's what he said, the end of these kinds, of meetings, continue, if you can continue, every package, within, these meetings, the grace, on this meeting, will find, a full blown, expression, in your life, yes, many days of your life, yes, if you can see me go, nevertheless, if you see me go, when I'm taken away, from you, it shall be so, for you, but if not, it shall not be so, so, this one is trying to say, you need some continuity, when it comes to receiving, some miracles from God, continuity matters, there was a man,

I keep quoting him, blind Bartimaeus, in Mark chapter 10, verse 46, as he went, to Jericho, there was a man, blind Bartimaeus, son of Timaeus, sitting, by the roadside, begging, and when he, when he heard, say he heard, he heard, how does, how does faith come, by hearing, when he heard, that it was Jesus of Nazareth, he began to cry out, Jesus, son of David, have mercy on me, and, many, many, it's not, sometimes, a lot of opposition, will come, when you are trying, to continue, many warned him, to be quiet, you are, this, you are taking it too far, I know some of you, have heard it already, they said this, they said this, you are taking it too far, I'll be, take it, take it, take it easy, Bishop, where they both, put it this way, he said, those who take it easy, are eased out of life, if you take it easy, if you take it easy, you'll be eased out, yeah, when it comes to your destiny, it's like, you want to pass an exam, don't take it easy, read and study, and study, and study, and study, and study, don't take it, those who, who don't do well academically, are those who take it easy, who take academic life easy, yep, yes, yes, in life, anything you take easy, you won't have the best, out of it, yeah, take it easy, no, no, so people will tell you, take it easy, take it easy, yeah, this thing, it normally happens, there will all, people will always, people who don't have revelation, about, best shit on God, they will always say, this thing, you are taking it too far, haven't you ever, if you have ever heard that, if you haven't heard it, just keep pushing, somebody, who has always been, who has always been, your supporter, has been your fan, he said, you know,

I've always supported you, in this thing, what you are doing, but I think, I must be honest, this thing, you are taking it too far, how do you define far, in their eyes, is far, but in your eyes, some of us, have gone way ahead of you, you are way behind, I'm telling you, you are way behind, so, so long as, others are concerned, you are not even doing much, you came on the, you came on the scene, very late, very late, others came, when they were far younger, than you, you are so young, you just came to church, you are targeting boys, what is wrong with you, God is our focus, and when God is your focus, God will connect you, to destiny partners, destiny helpers, and destiny friends, don't take it easy, continue pushing, anyone who tells you, take it easy, pursue God, it's like, one of those sons of the prophets, who came to Elijah, later on, you know what, later on, when Elijah got the anointing, when the, the grace on Elijah, came on Elijah, later on, they said, now, when the sons of the prophets, who were from Jericho, saw him, they said, the spirit of Elijah, rests on Elijah, and they came, and met him, and, oh, oh, you see, those same people, they came and met him, and, bowed to the ground, before him, the same people, who were opposing him, now they came, and they said, ah, the thing is on this man, the thing is on this man, the thing is on, what was on it, the big man Elijah, listen, big men, don't stay big forever, at the top, they will die and go, and others are coming, some of you, are the next great men of God, the next prime ministers, the next best sergeants, the next great politicians, the next UN secretary generals, the next American presidents, some of you are the next MPs, the next business tycoons, the next bishops, the next global evangelist, celebrated all over the world, the next apostle Paul, the next coming great man of God, great woman of God, who told you, you are the next coming, because one day, anyone ahead of you, will be gone, yes, everybody is going, everybody is on his way, going,

Elijah said, I'm going, if you see me go, everything, nothing on earth stays, apart from God's word, God's word is the only stable thing, every other thing is not stable, look, between 1st January and now, would you believe that, you are about 25 days older, yeah, you've grown, 25 days is a lot of days, it's grown, yes, if I do not keep my beard, for 25 days, it will grow, it's a lot, it's a lot of days, yeah, what I'm trying to say is, you are growing at a fast rate, it doesn't occur to you, so, you can continue as usual, you have to continue, in the Lord, continue in the Lord, push more in the Lord, anyone who tells you, you are doing it too much, especially if it is close family members, and people who care, don't rebel against them, don't make them feel bad, you should understand, where they are coming from, just that they haven't gotten, where you are also coming from, you see, and so don't, don't, no, no, please, please, please, don't say, don't tell a family member, you are a devil, get behind me, please,

Peter was not Jesus' family member, and Jesus was the son of God, who was coming to die to save her, you are not supposed to die, to save anybody, okay, so, you can't, you can't tell your mother, or your brother, even though, the way they are going, is not the best, just tell them, okay, I hear you, but just continue, continue, you, listen, if you don't have a certain sense, of stubbornness, in pursuit of God, Satan will talk you out, a lot of people think, oh God, just do God, just do, no, God actually wants you, so he can, you, he will make, no, he's not trying to make news, out of your life, he wants to make you news, you are the news, you yourself are the news, don't, don't believe that any man of God, can help you, apart from the God, of that man, the God of that man, so, it's a God of, the evidentiary, who is the God of charis, who is doing the changing, evidentiary, cannot help anybody,

[22:10] I can't, even help, a dog, God, is the one, who is doing the healings, God is the one, who is doing the change of life, God, and as long as, we keep elevating, and our hearts, are tuned to him, towards him, and we pursue him, you will see, what God will do, with your life, your life will become, so colorfully, wonderful, that people will say, we have not seen, anything like this, in our family, we have not seen, anything like this, in our family, socially be for you, in the name of Jesus, your condition, is continue, continue, someone say continue, continue, we have to, master, the game of continuing, Bible says that, continue, Colossians chapter 4, verse 2, continue, steadfastly, in prayer, continue, earnestly, in prayer, being vigilant, in it, with thanksgiving, as you are doing it, you are thankful to God, but you are alert, continue, continue, continue, in prayer, in prayer, why should we stop, when there is corona in town, some of us, not every one of us, can make it every day, but some of us, we might be able to make it, as I said, some days, so if, listen, the good news is me, this thing, that toll is more on, it takes more from me, yeah, and you, sit in there and say, amen, amen, amen, the scriptures,

I have to prepare, and come in, I, I, wait on God, today, I just wouldn't break my fast, because, I just, I'm looking for God, for somebody, who is determining to continue, God must meet you, and if God, if I'm going to be used, as a, as a channel, then I have to, I have to be able, to make myself, available to God, so it's more demanding, for me, my family life, my children, every day, every day, every day, every day, every day, and I've told God, God, if you want this for a year, I am available, be it unto me, according to your word, be it unto me, according to your word, be it unto me, be it my way, your word, is my desire, your, your command, is my will, whatever you want done, we are ready, and there are people, who God is preparing, some of us, where you are coming from, is so deep, you need a regular meeting, like this, for, for a certain time, you need a regular meeting, like this, for a certain time, and suddenly, suddenly, your community, your family, our generation, will be heavily, impacted, heavily impacted, continue, steadfastly, or endlessly, in prayer, in Acts chapter 1, in Acts chapter 1, verse, 14,

Bible says that, they return, to Jerusalem, and, they continued, Bible says that, and all this continued, with one accord, in prayer, they continued, continued, in Acts chapter 6, verse 3, and verse 4, it said, appoint some people, brethren, seek out amongst yourselves, seven men, full of the Holy Spirit, who may appoint, this business, look at verse 4, ask for us, but we will, we will, we will give ourselves, what, continually, to prayer, and the ministry, of the word, and look at verse 7, what happened, when they did that, look at the impact, in verse 7, the word of the Lord, the word of God, spread, and the number of the disciples, multiplied greatly, in London, in, in Northam, in United Kingdom, in our generation, the number of the disciples, multiplied, listen, the number of disciples, cannot multiply, without some, level of continuity, and continuation, from some people, you want, the impact of God, in your family, to grow, you have to learn, how to continue, with some things, that's the time, where we put a cap, a spiritual activity, we put a cap on it, we start this, to finish, that's it, no, you have to continue, something, there will be a time, where you will dedicate yourself, intensely, for something, but there are other times, you have to just continue, some things, must be a lifetime, some of us, that addiction thing, hasn't come, the whole of this fasting, look at how you have been free, look at how, somebody called me,

I'm not one person, but when somebody, was speaking to me, he said, pastor, I thank you, I was wondering, when we finish this prayer, what's going to happen, I thank you, I was, the person said, I was praying to God, God please, what would I do, help me, so he said, pastor, you announced it, I said, God has said my prayer, so you see, what has become concern, for somebody, is somebody's breakthrough, is somebody's breakthrough, so those who continue, allow them to call, if you don't, you are not ready to call, no problem, no problem, no problem, but somebody, this is somebody's lifeline, this is somebody's lifeline, this is somebody's marriage lifeline, this is somebody's family lifeline, this corona, pandemic season, this is somebody's lifeline, it is somebody's, that every day, I get to hear from a prophet, life, not recorded, life, free, free flow, every day, I get to hear, from an anointed servant, every day,

I get to hear, something punchy, from God's word, it is like a jab, it is like a jab, inoculation in my system, it keeps me going spiritually, it keeps me up, and fit, to face, the challenges ahead, to face, whatever the devil throws at me, because my faith is growing, I'm building up my faith, I'm building my faith, pump it up, pump it up, pump, and build your muscles, pump, pump, build your muscles, shout hallelujah, hallelujah, hallelujah, hallelujah, hallelujah, hallelujah, hallelujah, oh, this is not like, party, you attend one, two, three, that is okay, no, this is lifeline, lifeline, they continued, in Acts chapter, 19, you know, let me tell you, Bible says, the first, Apollos was at Corinth, Paul having passed, through the upper coast, of Ephesus, and finding certain disciples, he asked them, did you receive the Holy Ghost, and she believed, he said, what do you want, the Holy Spirit, he said, what were you baptized, they said, John baptism, he said, John baptism, baptism of repentance,

[28 : 28] I told them that, you believe in Jesus, so when they had, they were all baptized, in the name of the Lord Jesus, when Paul had laid his hand on them, the Holy Ghost came on them, they all began to speak in tongues, and then, now let's go to the verse 7, so, I read from verse 1 to 6, now verse 7, now, the men were about 12 in all, verse 8, and he went in the synagogue, and spoke boldly, for three months, every day, he went, or, he went to, spoke for three months, boldly, reasoning, and persuading, concerning the things of the kingdom, and that's what we are doing here, we are reasoning with people, and persuading, the way God moves, and these are the things of the kingdom, and we also see God back in his word, and look at verse 9, this is what will shock you, look at verse 8, go back to verse 8, somebody was reasoning, and persuading, concerning the things of the kingdom of God, do you think something like this should be opposed, no, no matter, oh, this is so good God, but look at verse 9, verse 9 says, but when some were hardened, and did not believe, if you will not come for the prayer meeting, hold your peace, and go your way, but now you are going to, cry and talk down those of us, who are, who are, ah, you won't pray, leave us alone to pray, but he said, they did not, they were hardened, and did not believe, but rather spoke evil of the way, before the multitude,

Paul said, these people are not worth my time, he, he redrew, he departed from them, and some people have to depart from them, yeah, he departed from them, and redrew their disciples, and what was he doing, reasoning how regularly, daily, where, in the school of Tyrannos, wow, so that's a place, it's like a school, he was reasoning with them, that means, they were meeting every day, he was teaching them the word of God, teaching them, and showing them, this is how the kingdom is, this is how the kingdom, this is how it works, this is how you can win, this is how you can apply the word, this is, they're reasoning, daily, wow, for how long, look at the next verse, daily, and this continued for, ah, wow, two years, two years, 20, 21 days, you say it's enough, every 21 days is enough, and see the impact, see, all this fasting and praying, you haven't seen much impact on your family, you have to continue, maybe fasting, you might not have to continue regularly, because of health reasons, but they're praying, watch this, so that all who, who dwell in Asia, had the word of the Lord Jesus, both,

Jews, everybody heard it, because this thing called, they were not preaching in Asia, but because of the Zoom meetings, they were doing privately, they were doing and teaching, the thing was spreading everywhere, because people were growing strong in the Lord, and it was spreading, it was, miracles were, look, look, look at verse 11, look at verse 11, God worked unusual miracles, by the hands of a man, who are determined, that I'm going to teach the word of God daily, daily, daily, it continued, it continued for two years, so ladies and gentlemen, I'm ready for the long haul, because, we have not even yet crossed one month, and look, watch this, we have not even crossed one month, and look at the testimonies we have seen, over 400 testimonies, or about 400 testimonies, we did 20, I mean, talking about the ones that have been realized, others haven't been realized, testimonies have been realized, because you have to go to the GP, before it will confirm, or maybe, the shipment is on the way, you didn't even know it's been sent, or stuff like that, but, the ones that have arrived, over 20, or almost 400, 400, powerful testimonies, in 21 days, hey, so, so, then, that means, if this thing continues, just for three months, wow, wow, if this thing continues, for three months, if this,

I'm just, I'm just, it's like, let's, he said, he was reasoning with them, can I reason with you, can I reason with somebody, if this thing, if God can do this, within 21 days, then, if this thing continues, for three months, how about six months, and the thing is, they said, they don't know, we might be, locked down for a long time, or we might not go back, ah, ah, okay, so then, you're not traveling to, work too much, you're not, doing much, ah, so, you'll stay home, do your work, go for a short, or whatever, and then, the evening, instead of walking TV, you eat, and then come and have, encounter with God, it's called, encounter fest, festival of encounters, love it, love it, festival of encounters, yes, it's encounter fest 21, I love it, festival of encounters, this one has not got, has not got, it hasn't got, an end date, wow, so when are we, when are we ending, we are going, you know, you know,

I think when, some of you used to go to nightclub, they used to say something, ah, dance to your drop, or something, something to your drop, what is it, shop to your drop, so it's not like a club, something to your drop, so when you are tired, you just go, keep going, when you are tired, we are going to go, and go, and go, and this is, this is what, listen, our generation, those of us here, in United Kingdom, and those of you, in other places, if we can continue, it is going, we are going to, God's power, is going to descend, on this nation, like, don't worry, and I think, because of, what I am trying, to let you see, I didn't intend, to read this, but do you mind, if I just go, just continue, in that direction, I will just show you, what is happening, so, because God was doing this, then the verse 12, says that, even handkerchiefs, and aprons, from Paul's body, were sent to the sick, and they were healed, do you know, where it started, with the daily, daily, daily meetings, of reasoning, that's where the thing started, wow, most people, don't like the daily meetings, but they just want the, mental, mental impact, hmm, it comes from, it starts with some, daily meetings, of word of, reasoning in God's word, reasoning in God's word, then our spirits, are so cooked,

[34 : 42] God finds, it's easy to do, all kinds of things, and Bible says that, now, some people decided, to copy it, without, they will take our results, without our price, wow, mm-hmm, they are itinerant, Jews exorcist, they cast out devils, but they don't know, it's not every devil, you can cast out, they try, to copy Paul, thinking, it is just, we also command you, in the name of Jesus, no, the anointing, is not in what you are saying, he said, the kingdom of God, first Corinthians chapter four, verse 20, the kingdom of God, is not in words, God, no, no, my friend, you know, God is not in words, but it's in power, you can say it, but the power is not behind it, the kingdom of God, is not, so what you see happening, this miracles and testimony, it's not because, I've gone to eat, and I've gone to read some things, okay, this is how you say it, you come and say, receive it, receive it, receive it, nothing will be happening, so you can't say, you can't say, Pastor David, who did it, you can't say, Pastor David, any good thing in Carri's ministry, is God, every good thing happening in Carri's church, is God, the bad things, or anything that is not that good, is us, we are responsible, but every good thing in this church,

God is responsible, the life, the brother who has shared his testimony, how his life has changed, people who have said, they have been delivered from, addictions, and all kinds of things, no, that one is not, it's not a man, no, no, no, no, no man can claim it, the day any man says me, God will strike him, well, yeah, this is God, this is God, so they try to, copy, what that church, that loves God, and loves God, what it was doing, and demon said, today, I will face you, so Acts chapter 19, the demon gave them, a whooping, beating, put them, gave them a whack, whack, yeah, whack them, whack, the demon was, he whacked them, seven strong men, and stripped them naked, and wounded, next time, come and try and cast me out, because Paul was casting me out, you know who Paul is, he said, the demon said, no, Carice I know, Jesus I know, but you, he said, are you, who gave you the right, to be trying to copy, what they are doing, don't you know, that is the word, continuity, someone say continuity, continuity, continuity, continuity, continuity, continuity, continuity, continuity, so, and Bible says, he picked them, and then fear came on, everybody in town, people said, is that how this thing, this became known, to all the Jews, and the Greeks, dwelling in Ephesus, and fear fell on all of them, and the name of the Lord, was magnified, and people who were, practicing magic, they brought their books, and all kinds of things, some, some of you must burn, some pictures, from your past, yeah, delete, delete, go, go on social media, those pictures, you have made private, of some, your, your unpleasant self, and the way it is, no one must see, if you want to keep, for history, for your children, to see how wild, and dangerous, and unwise, you used to be, you can pray to them, you are now a fire sister, you are now a fire brother, delete some of the junk, delete them, yeah,

Bible says, that when people change, people become converted, they brought their books, those who are practicing magic, they brought, many of those, who are practicing magic, brought their books together, and burned them, in the sight of all, let's all say, let's all see, you have changed, numbers must be deleted, from your phone, delete them, block, delete them, because that guy, is coming back, that guy, is coming to mercy, and he's troubling you, that's your, now that you have strength, delete, block him, and delete, block, and delete, thank God, that force have that function, block, and delete, block everywhere, yes, but, people burn their books, and Bible says, it wasn't cheap books, they are very expensive, some of the things, that they gave to you, some time ago, which you know, is not good, you have to get rid of it, some things you have to get, oh, but this is a very valuable, get rid of it, it's not bringing you, it's not helping you, Bible says, the things they, they burned, when they check the value, look at the value, 30 pieces, and they practiced, and they brought it, and they counted, they burned in the sight of all, and they counted up to, up the value of them, and it totaled, 50,000 pieces of silver, a lot of money, use this, but after this was done, don't forget this,

Acts 19:19, beautiful to remember, they burnt it, you can sometimes, replace somebody's name, on your phone, with Acts 19:19, this, that means that, this one never picked their call, it's burnt, Acts 19:19, yes, burn it, some things, burn it out of your life, I didn't say burn a human being, please, that's not what I said, because some people, they tend to hear, all kinds of things, that you are not saying, amen, and they burnt it, that friendship, brought problem, burned that friendship, it brought a lot of problem, why are you still keeping the friendship, oh he hasn't done me, anything wrong, you are waiting for him to do, ah, are you not that wise, you are waiting for him, to hurt you, before you know, that this is dangerous, Abba, no don't, don't say oh, but she hasn't done, anything wrong against, you are on the wrong track, and you are waiting, for the person to hurt, but this is where I'm going, verse 20, so mightily grew, the word of God, oh, and it prevailed, over coronavirus, it prevailed, over coronavirus, it prevailed, over, over, negativity, it prevailed, over unbelief, the word of God, can prevail, but somebody must continue, so the word of God, can grow, remember Bible says that, that all Asia, had the word, verse 10, all, this continues for two years, so that all Asia, had the word, all Asia, all Asia, both Jews and Greeks, all Asia, had the word of God, 10 verses later, it said the word of God, prevailed, it grew mightily, and prevailed, this is the only way, we can see revival, in our families, continue, continue, this is the only way, you can really enjoy, the power of God, clean, if you continue, if you continue, continue in the Lord, pastor,

I want to continue, so what should I do, one, have a determination, number two, you have to believe, that God is a helper, apostle Paul, in Acts chapter 26, verse 21, sorry, 22, he said, having therefore, obtained help, from God, to this day, see, therefore, having obtained help, from God, say help from God, help from God, say help from God, help from God, therefore, give me King James, please, I prefer the King James, yeah, having therefore, obtained help, from God, I continue, on to this day, God will help you, to continue, amen, let this scripture, let this scripture, be your scripture, of the year, having therefore, obtained help, from God, I continue, for this prayer time, this scripture, having therefore, listen, we can't claim, that we are so powerful, we are so disciplined, but God is our help, we have the determination, but God will help us too, having therefore, obtained help from God, to this day,

[42 : 02] I continue, witnessing to both, small and great, saying, not other things, than those things, which the prophets, and mostly, say should come, I'm not going off, I'm remaining faithful, to the same message, God has given to us, having therefore, obtained help from God, I continue to this day, you can add it, to your status, having therefore, obtained help from God, I continue to this day, that's it, I continue, you won't backslide, amen, you won't, you can't backslide, under this environment, you won't backslide, no, you can't backslide, even if you want to backslide, now it's too late, it's too late, you can't backslide, in this environment, unless you choose, not to continue, in the environment, but if you continue, never, you can't backslide, yes, you'll be stronger, in the Lord, because the word of God, will be coming to you, constantly, constantly, to be coming to you, and the word of God prevails, people prevail, you will prevail, over the negative trend, you prevail, over the negative predictions, from your background, you prevail, over everything, they have said against you, you prevail, yes, how, continue, continue, and prevail, continue, and prevail, continue, and prevail, in God, we don't, we don't start and end, we continue, we continue, we continue, the Bible says, blessed, is the one, who dies, in the Lord, die, in the Lord,

Revelation chapter, 14, 13, or 13, 14, 14, 14, 13, I think so, blessed, is he, who dies, in the Lord, you die, are they, those who are, who die, in the Lord, say that, and their work, follow them, their work, follow them, blessed, are the dead, who die, in the Lord, from now on, yes, says the spirit, they, that, that, they may rest, from their, labors, and their work, follow them, you die, that means that, you didn't stop halfway, you continue, to the end, Jesus says that, he, who endures, to the end, Matthew chapter, chapter 10, verse 21, and 22, 23, said, he who continues, to the end, you, you be hated, by all men, for my sake, but, but, the one, those amongst you, who continue to then, will see the manifestation, who endure, to the end, you will see the manifestation, amen, this is time, to continue, now, we are going to see, those who really, meant business, and not just coming, to use God, use God, and go, in the, in the time, of continue, continuation, when God gives you, the opportunity, instead of going, to relax, you say,

I'm going for the prayer, I'm going for the meeting, I'm going for the encounter, and counterfest, is for me, and counterfest, is for me, I see you, doing well, in the Lord, amen.
